If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed a rate equal to the index of treasury bonds published by the weekly MuniWeek, f/k/a Credit Markets, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a percentage of the principal amount thereof, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices). All bonds maturing on or after August 1, 1997, must be reoffered at 100 percent of the principal amount thereof.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be ad-

justed accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various internal improvements to the city. The bonds will be general obligations of the city payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city *does not* intend to designate the bonds as

"qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about August 8, 1991, at such bank or trust company in the contiguous United States of America as may be specified by the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 1 p.m. C.D.T. on July 29, 1991. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 1 p.m. C.D.T. on July 29, 1991, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, which initial reoffering prices must reflect that all bonds maturing on or after August 1, 1997, are being reoffered at a price equal to 100 percent of the principal amount thereof, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$263,600 payable

(continued)

to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder with the city having no further obligations due to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city, with the city reserving the right to pursue any remedies available to it as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bond Ratings

The outstanding general obligation bonds of the city are rated "Aa" by Moody's Investor Service, Inc., and the city has applied for rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at city hall and must be received by the undersigned prior to 11 a.m. C.D.T. on Tuesday, July 23, 1991.

Delivery of Preliminary and Final Official Statement

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to both the bonds and to the city's temporary notes, Series 1991-A, in the aggregate principal amount of \$5,625,000 being concurrently issued with the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the successful purchaser (the underwriter) and the price or yield at which the underwriter will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the notes and bonds as that term is defined

in Rule 15c2-12. No more than seven business days after the date of the sale of the bonds, the city will provide without cost to the underwriter such reasonable number of printed copies of the final official statement as such underwriter may request without cost to the underwriter and further copies, if desired, will be made available at the underwriter's expense. If the sale of the bonds are awarded to a syndicate, the city will designate the senior managing underwriter of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating underwriters for the purpose of assuring the receipt and distribution by each such participating underwriter of the final official statement.

The city will deliver to the underwriters on the date of delivery of the bonds a certificate executed by the city controller and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, MG McMahon & Co., 4310 Madison, Suite 200, Kansas City, MO 64111, (816) 531-1777.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property (including motor vehicles) within the city as of November 3, 1990, is \$661,659,443. The total general obligation bonded indebtedness of the city, following the concurrent issuance of the bonds and the city's temporary notes, Series 1991-A, dated August 1, 1991, in the aggregate principal amount of \$5,625,000, is 110,615,000. There will be retired out of the proceeds of the bonds the city's 1991-A temporary notes and other legally available funds, temporary notes in the aggregate principal amount of \$10,380,000. A description of the city's temporary notes, Series 1991-A, is set forth within the city's official statement relating to both the bonds and the notes. In accordance with the financial advisor's agreement with the city, the financial advisor will not be submitting a bid or participating in a group submitting a bid for the purchase of the bonds.

(d) Each notice of appeal form shall include a statement that in reviewing any stewards' or racing judges' order the commission may exercise broad decision-making powers and that, in doing so, the commission may reverse, remand for further hearing, increase any penalty or otherwise modify the order. The commission may also conduct a new hearing and suspend or revoke an occupation license or impose a fine of \$5000 for each violation of the racing act or regulations, or any of these penalties. Article 3.—INSTANT GAME RULES

111-3-13. Ticket Validation Requirements. (a)

Each instant game ticket shall be validated prior to payment of a prize. Submission of a valid winning ticket to and receipt of the ticket by the lottery or one of its authorized retailers shall be the sole method of claiming a prize or prizes.

(b) Besides meeting all other requirements in these rules and those printed on the back of each instant ticket, the following validation requirements shall apply to all tickets for these instant games.

(1) The ticket must have been issued by the Kansas lottery in an authorized manner and must not be counterfeit in whole or in part.

(2) The ticket must be complete and intact and not mutilated, altered, unreadable, reconstructed, or tampered with in any manner.

(3) The ticket must not be blank or partially blank, miscut, misregistered, defective, or printed or produced in error.

(4) The display printing on the ticket must be regular in every respect and correspond precisely with the artwork on file at the Kansas lottery.

(5) The ticket must not be stolen nor appear on any list of omitted tickets on file at the Kansas lottery.

(6) Play symbols must appear in the play area. Each play symbol must be exactly one of those described in K.A.R. 111-3-1.

(7) Each play symbol must have a play symbol caption underneath, and each play symbol caption must agree with its play symbol. Each play symbol caption must be exactly one of those described in K.A.R. 111-3-1.

(8) Each of the play symbols and play symbol captions must be present in its entirety, fully legible, right side up, not reversed in any manner, and correspond precisely to the artwork on file at the Kansas lottery.

(9) The ticket must have exactly one ticket validation number, one book-ticket number and one retailer validation code, each of which must be present in its entirety, be fully legible, be exactly as described in K.A.R. 111-3-1, and correspond precisely to the artwork on file at the Kansas lottery. The ticket validation number shall correspond, using the Kansas lottery codes, to the play symbols on the ticket.

(10) The ticket validation number of an apparent winning ticket shall appear on the Kansas lottery's official list of ticket validation numbers of winning tickets and a ticket with that ticket validation number shall not have been paid previously.

(11) The ticket must pass all additional confidential validation tests of the Kansas lottery.

(c) Any ticket not passing all of the validation checks in this paragraph is void and ineligible for any prize. However, the executive director may, solely at his or her option, reimburse the player for the cost of an

invalid ticket. In the event that a defective ticket is purchased, the only responsibility or liability of the Kansas lottery shall be for reimbursement of the cost of the defective ticket. (Authorized by and implementing K.S.A. 1989 Supp. 74-8710; effective, T-89-4, Jan. 21, 1988; amended, T-89-7, Feb. 26, 1988; amended, T-111-3-14, Mar. 2, 1990; amended, T-111-6-19-91, June 14, 1991.)

(c) If the ticket is a valid non-winning ticket, the ticket is eligible for winning the drawing and the holder of the ticket may enter the "Wrangler Drawings."

(g) There is no limit to the number of entries a participant may make, except the May 10, 1991 second chance drawing where a participant may only enter once.

(h) On Friday, May 10, 1991, the Kansas lottery will sponsor a promotion entitled "The Kansas Lottery Big Scratch." Each person 18 years or older entering the stadium will receive one coupon redeemable for one free instant ticket. At the conclusion of a designated inning, lottery representatives will enter the stands and redeem the coupons for instant tickets. Announcement will be made instructing those with tickets to scratch the tickets and redeem winning tickets at the customer service booth. Those with non-winning tickets should fill out the information form on the back of the ticket. Lottery representatives will go through the stands and collect non-winning tickets and deposit them in the drum. (i) On Friday, May 31, 1991, and again on Friday, July 5, 1991, the Kansas lottery will sponsor a promotion entitled "Winning Innings." Players enter this drawing by placing non-winning tickets into the drum located inside the entry area of the stadium. Players may enter as often as they like and may win more than once. There will be 10 drawings conducted during the 9 innings with the winner's name announced at the end of each inning. Each winner will receive \$100.

(j) On Saturday, June 22, 1991, the Kansas Lottery will sponsor a promotion entitled "Cash Lotto Night." Each person 18 years or older attending the game will receive a number between 1 - 33 as they enter the stadium. After the 8:16 p.m. Cash Lotto drawing, a Lottery representative will call Lottery headquarters in Topeka for the six winning numbers. After the half inning closest to the end of the Cash Lotto Drawing, the six winning numbers will be announced to the crowd and shown on the scoreboard. Any person whose number matches one of the six winning numbers is eligible to receive either a free Cash Lotto play or a Lottery baseball cap at the customer service booth.

(k) On Saturday, August 31, 1991, the Kansas Lottery will sponsor a promotion entitled "KENO Night." Each person 18 years or older attending the game will receive a number between 1 - 60 as they enter the stadium. An announcement will be made at a designated inning after the KENO drawing in Topeka announcing the winning numbers. Persons whose numbers match one of those announced are eligible to receive either a free KENO play or a Lottery ballcap at the customer service booth. (Authorized by and implementing K.S.A. 1989 Supp. 74-8710(b); effective, T-111-5-10-91; April 19, 1991; amended T-111-6-19-91, June 14, 1991.)

111-4-306. Determination of "Go 4th Drawing" Winners. (a) At least 5 minutes before the drawings, the person designated by the executive director, shall announce to the audience that the winner selection process will begin. Any persons wishing to enter the drawing who have not yet done so, shall immediately place their tickets into the receptacle or drum at this time.

(b) Prior to sealing the receptacle or drum, the person designated by the executive director shall announce that entries into the "Go 4th Drawings" are closed. No further entries will be accepted.

(c) The receptacle or drum shall be sealed and rotated a minimum of 10 times to ensure random selection.

(d) The executive director shall designate one indi-

(f) The selection of "Go 4th Drawing" winners on July 6 and July 7, 1991, shall be accomplished in the same manner as those conducted pursuant to subsection (e) except that a total of five tickets shall be drawn at 6:00 p.m. on each day. If the name and address on the back of each ticket is legible and the ticket is signed, the name of the winner shall be announced to the audience. This process shall be repeated until five valid winners have been selected at each drawing.

(g) The named person is not required to be present in order to win the "Go 4th Drawing" prizes described in K.A.R. 111-4-304. The security person conducting the drawing shall be responsible for the final determination concerning the legibility of the name on any ticket drawn.

(h) A person whose valid ticket has been drawn from the receptacle or drum at each drawing shall be determined a "Go 4th Drawing" winner.

(i) Each winner shall be given a prize claim form to be completed and returned to the lottery;

(j) If the name on any ticket drawn is not legible or the ticket is not signed, the ticket drawn will be void and the selection process shall be repeated until a valid winning ticket is selected. (Authorized by and implementing K.S.A. 1989 Supp. 74-8710; effective, T-111-6-19-91, June 14, 1991.)
