(Published in the Kansas Register, December 5, 1991.)

**Notice of Bond Sale  
\$1,400,000  
Riley County, Kansas  
General Obligation Bonds  
Series 1991-A**

**(Internal Improvements and Judgment Bonds)**

**Sealed Bids**

Sealed bids for the purchase of \$1,400,000 principal amount of General Obligation Bonds, Series 1991-A (Internal Improvements and Judgment Bonds), of the county hereinafter described, will be received by the undersigned, County Clerk of Riley County, Kansas, on behalf of the governing body of the county at Riley County Courthouse until 11 a.m. central standard time on December 12, 1991. All bids will be publicly opened and read at said time and place and will be acted upon by the county immediately thereafter. No oral or auction bids will be considered.

**Bond Details**

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated December 1, 1991, and will become due serially on August 1 in the years as follows:

Year	Principal Amount
1993	\$140,000
1994	140,000
1995	140,000
1996	140,000
1997	140,000
1998	140,000
1999	140,000
2000	140,000
2001	140,000
2002	140,000

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on February 1 and August 1 in each year, beginning on August 1, 1992.

**Place of Payment and Bond Registration**

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The county will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

**Redemption of Bonds Prior to Maturity**

The bonds will not be subject to redemption and payment prior to maturity.

**Conditions of Bids**

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of  $\frac{1}{8}$  or  $\frac{1}{20}$  of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly *MuniWeek, f/k/a Credit Markets*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the county during the life of the bond issue on the basis of such bid, the premium, if

any, offered by the bidder, and the net interest cost to the county on the basis of such bid. Each bid shall also specify the average annual net interest rate to the county on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

#### Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the county. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the county shall determine which bid, if any, shall be accepted, and its determination shall be final.

#### Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various internal improvements to the county pursuant to K.S.A. 19-27a01 *et seq.* and K.S.A. 68-581 *et seq.*, and further, to pay certain judgments outstanding against the county pursuant to K.S.A. 75-6113. The bonds will be general obligations of the county payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the county. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the county.

#### Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the county which must be met subsequent to the issuance of the bonds by the county and, as a result, the county will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The county's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the county's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income, with certain other adjustment. Furthermore, Section 59A of the code, as added

by the Superfund Amendments and Reauthorization act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on such obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. The county does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

#### Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the county with the provisions of the resolution authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excluded from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

#### Delivery and Payment

The county will pay for printing the bonds and will deliver the bonds without cost to the successful bidder, properly prepared, executed and registered, on or about December 31, 1991, at such bank or trust company in the contiguous United States of America as may be specified by the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the county. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the county and bond registrar not later than 3 p.m. C.S.T. on December 18, 1991. In the absence of such information, the county will deliver bonds in the denomination of each

(continued)

maturity registered in the name of the successful bidder.

The successful bidder shall furnish the county by 3 p.m. C.S.T. on December 18, 1991, a certificate acceptable to the county's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

#### Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$28,000, payable to the order of the county to secure the county from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the county until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the county, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the county shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the county. The county reserves the right to pursue any consequential damages as a result of such default.

#### CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the county.

#### Bid Forms

All bids must be made on forms which may be procured from the county clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The county reserves the right to waive irregularities and to reject any or all bids.

#### Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned county clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered

in person to the undersigned at Riley County Courthouse and must be received by the undersigned prior to 11 a.m. C.S.T. on December 12, 1991.

#### Date and Delivery of Preliminary and Final Official Statement

The county has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the underwriter and the price or yield at which the underwriter will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the county will provide without cost to the purchaser such reasonable number of printed copies of the final official statement as such underwriter may request. Further copies, if desired, will be made available at the underwriter's expense. If the sale of the bonds is awarded to a syndicate, the county will designate the senior managing underwriter of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating underwriters for the purpose of assuring the receipt and distribution by each such participating underwriter of the final official statement.

The county will deliver to the underwriter on the date of delivery of the bonds a certificate executed by the chairman and the county clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the county's preliminary official statement relating to the bonds may be obtained from the county clerk.

#### Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the county for the year 1990 is \$189,586,002. The total general obligation bonded indebtedness of the county as of the date of the bonds, including the bonds, is \$4,185,000, including, as of the date of the bonds, temporary notes outstanding in the principal amount of \$1,460,000, of which \$1,245,000 will be retired out of the proceeds of the bonds herein offered for sale.

Dated November 25, 1991.
