Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 8 a.m. Wednesday, May 13, in Room 106 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of changes to the rules and regulations of the Kansas Department of Health and Environment concerning charitable health care providers. The changes are proposed for adoption on a permanent basis.

Modification to K.A.R. 28-53-1 would change the definition of an indigent health care clinic by deleting the word "physician," as regards who must provide medical direction, and inserting the phrase "person licensed to practice medicine and surgery."

Modification to K.A.R. 28-53-2 would entirely remove Section (b) requiring charitable health care providers to annually renew their agreement with the Secretary of Health and Environment.

Neither of these changes is expected to have any economic impact.

Copies of the proposed changes may be obtained by contacting Garth Hulse, Office of Local and Rural Health Systems, Department of Health and Environment, Room 1051, Landon State Office Building, 900 S.W. Jackson, Topeka 66612-1290.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit such comments prior to hearing by mailing them to the address above. All interested parties will also be given a reasonable opportunity at the hearing to present their views, orally or in writing, concerning the adoption of the proposed changes. In order to present their views, it may be necessary to limit oral presentations to five minutes.

Following the hearing, all written and oral comments submitted by interested parties will be considered as the basis for making changes in these proposals.

30-7-101. Administrative hearings section, hearing officer. The disqualification hearing program shall be administered by the administrative hearings section of the agency.

Economic Impact: See the economic impact statement for K.A.R. 30-7-102.

30-7-102. Disqualification hearings. The secretary is proposing to adopt a new regulation in regards to establishing a fraud disqualification program for AFDC and GA. The text of the regulation is set forth below:

30-7-102. Disqualification hearings. (a) An individual's fair hearing may be consolidated with a disqualification hearing by the agency when the circumstances surrounding the hearings are the same or related, provided that the individual receives prior notice of the consolidation. Also, either the hearing officer for the fair hearing or the hearing officer for the disqualification hearing may be assigned by the agency to preside at a consolidated hearing.

(b) The hearing officer shall:

(1) Administer oaths and affirmations;

(2) consider all relevant issues;

(3) request, receive and make part of the record all evidence necessary to decide the issues raised;

(4) conduct the hearing in a manner consistent with due process. The hearing officer will advise the ac-

cused individual that the individual may refuse to answer questions during the hearing; and

(5) render a final decision that will resolve the issues in dispute.

(c) The hearing officer shall base a determination of intentional program violation on clear and convincing evidence which demonstrates that the individual committed an intentional program violation.

(d) The hearing officer will conduct the fair hearing or any prehearing by telephone or other electronic means if each participant in the hearing or prehearing has an opportunity to participate in the entire proceeding while the proceeding is taking place. A party may be granted a face to face hearing or prehearing if good cause can be shown that a fair and impartial hearing or prehearing could not be conducted by telephone or electronic means.

(e) (1) A written notice shall be provided by the agency to the individual alleged to have committed the intentional program violation at least 30 days prior to the date of the disqualification hearing.

(2) The advance written notice to the individual shall include the following items:

(B) the charge or charges against the individual;

(C) a summary of the evidence, and how and where the evidence can be examined;

(D) a warning that the individual's failure to appear without good cause will result in a decision by the hearing officer based solely on the information provided by the agency at the hearing;

(E) a statement that the individual may request a postponement of the hearing provided that such request is made to the state agency at least 10 days in advance of the scheduled hearing;

(F) a statement that the individual will have 10 days from the date of the scheduled hearing to present to the agency good cause for failure to appear in order to receive a new hearing;

(G) a description of the penalties that can result from a determination that the individual has committed an intentional program violation and a statement of which penalty is applicable to the individual;

(H) a statement that the hearing does not preclude the state government from prosecuting the individual for an intentional program violation in a civil or criminal court action, or from collecting an overpayment;

(I) provide information regarding free legal representation to individuals alleged to have committed intentional program violations;

(J) a statement of the accused individual's right to remain silent concerning the charge or charges and that anything said or signed by the individual concerning the charge or charges may be used against the individual in a court of law;

(K) a statement that the individual may waive the right to appear at an administrative disqualification hearing;

(L) the date that the signed waiver must be received by the agency and a signature block for the accused individual, along with a statement that the caretaker relative must also sign the waiver, if the accused in-

dividual is not the caretaker relative, with an appropriately designated signature block;

(M) a statement that waiver of the individual's right to appear at a disqualification hearing may result in a disqualification penalty and a reduction in the assistance payment for the appropriate period even if the accused individual does not admit to the facts as presented by the agency; and

(N) an opportunity for the accused individual to specify whether the individual admits to the facts as presented by the agency.

(f) The hearing officer will postpone the scheduled hearing at the individual's request provided the request for postponement is made at least 10 days in advance of the scheduled disqualification hearing. However, the hearing officer shall not postpone for more than a total of 30 days. The hearing officer may limit the number of postponements to one.

(g) The hearing officer assigned to conduct the hearing shall be impartial and not previously involved in the case.

(h) Medical assessments shall be obtained by the agency at the agency's expense and shall be made part of the record if the hearing officer considers it necessary.

(i) The individual, or the individual's representative, shall have adequate opportunity to:

(1) Examine the contents of the individual's case file, and all documents and records to be used by the agency at the hearing, at a reasonable time before the date of the hearing, and during the hearing;

(2) present the individual's case alone or with the aid of an authorized representative;

(3) bring witnesses;

(4) establish all pertinent facts and circumstances;

(5) advance any arguments without undue influence; and

(6) question or refute any testimony or evidence, including the opportunity to confront and cross-examine adverse witnesses.

(j) Decisions made by the hearing officer shall be based exclusively on the evidence and other material admitted into the case record at the hearing. The transcript or recording of testimony, exhibits, or official reports admitted at the hearing, together with all papers and requests filed in the proceeding, and the decision of the hearing officer shall be made available to the individual or to the individual's representative at a reasonable time and place.

(k) Decisions by the hearing officer shall:

(1) Consist of a decision memorandum summarizing the facts, evidence and regulations supporting the decision; and

(2) be made within 90 days of the date of service of the notice of hearing.

(l) An individual may not be disqualified by the agency per this section until the hearing officer finds that the individual has committed an intentional program violation. However, assistance may be discontinued, terminated, suspended, or reduced by the agency, or changed in the manner or form of payment

(continued)

to a protective, vendor, or two-party payment for other reasons.

(m) If the hearing officer finds that the individual committed an intentional program violation, a written notice shall be provided by the agency to the individual prior to disqualification. The notice shall inform the individual of the following:

- (1) The decision and the reason for the decision;
- (2) the period of disqualification, which shall begin no later than the first day of the second month which follows the date of the notice;
- (3) the amount of payment the household will receive during the disqualification period;
- (4) in the case of an individual's disqualification resulting from a prior receipt of assistance, the disqualification will be postponed until after a reapplication for AFDC or GA is approved; and
- (5) the individual's right to appeal the decision to the district court of Shawnee County or the individual's county within 30 days of the date of the decision and that an appeal may result in a reversal of the decision.

(n) In cases of an individual's disqualification resulting from a prior receipt of assistance, the disqualification will be postponed until after a reapplication for AFDC or GA is approved.

Economic Impact: It is estimated that a total of 150 AFDC and GA recipients per year will be rendered ineligible for assistance based on these provisions resulting in a total savings of \$113,760 (\$64,692 state general funds).

30-7-103. Waiver of the administrative disqualification hearing. The secretary is proposing to adopt a new regulation in regards to establishing a fraud disqualification program for AFDC and GA. The text of the regulation is set forth below:

30-7-103. Waiver of the administrative disqualification hearing. (a) An individual will be allowed by the agency to waive the right to appear at an administrative disqualification hearing.

(b) When the individual waives the right to appear at a disqualification hearing, the disqualification and appropriate reduction of assistance shall result regardless of whether the individual admits or denies the charges. A written notice shall be sent by the agency informing the individual of the period of disqualification, which shall begin no later than the first day of the second month which follows the date of notice, and the amount of payment the household will receive during the disqualification period. If an individual whose case has been terminated waives the disqualification hearing rights, the disqualification shall be postponed until after a reapplication for AFDC or GA is approved.

Economic Impact: See the economic impact statement for K.A.R. 30-7-102.

30-7-104. Court actions on consent agreements. The secretary is proposing to adopt a new regulation in regards to establishing a fraud disqualification program for AFDC and GA. The text of the regulation is set forth below:

30-7-104. Court actions on consent agreements. (a) An accused individual will be allowed by the agency to sign a written agreement confirmed by a court of competent jurisdiction in which the individual admits committing an intentional program violation.

(b) The written agreement shall include:

(1) A statement that the individual understands the consequences of signing the agreement, along with a statement that the caretaker relative must also sign the agreement if the accused is not the caretaker relative; and

(2) a statement that signing the agreement will result in a reduction in payment for the appropriate period.

(c) After the court confirms the agreement, a written notice shall be provided by the agency to the individual which specifies the period of disqualification, which shall begin no later than the first day of the second month which follows the date of the notice, and the amount of payment the household will receive during the disqualification period. However, if the court specifies the date for initiating the disqualification period, the accused individual shall be disqualified by the agency in accordance with the court order. If an individual whose case has been terminated signs an agreement, the disqualification period shall be postponed until after a reapplication for AFDC or GA assistance is approved.

Economic Impact: See the economic impact statement for K.A.R. 30-7-102.

111-5-28. Prize Payments; Annuitized and Cash Prizes. (a) Grand prizes shall be paid with per winner annuities. If an annuity has a cash value of less than \$250,000, the MUSL board, in its sole discretion, may elect to pay the cash value of the annuity. All annuitized prizes shall be paid in twenty equal payments with the initial payment being made in cash, to be followed by nineteen payments funded by the annuity. The initial payment of an annuitized prize shall not be made by a party lottery until after the fifteenth calendar day following the drawing.

(b) All prizes, other than grand prizes, shall be paid in cash through the party lottery which sold the winning ticket(s). A party lottery may begin paying cash prizes after receiving authorization to pay from the MUSL central office.

(c) Annuitized payments of the grand prize or a share of the grand prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on a grand prize win shall be added to the first cash payment to the winner or winners. Prizes which, under these rules, may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

(d) If the grand prize is not won in a drawing, the prize money allocated for the grand prize shall roll over and be added to the grand prize pool for the following drawing.

(e) The MUSL board may offer guaranteed minimum grand prize amounts or minimum increases in the grand prize amount between drawings or make other changes in the allocation of prize money where the MUSL board finds that it would be in the best interest of the game. Changes in the allocation of prize money shall be designed to retain approximately the same prize allocation percentages, over a year's time, set out in these rules. Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in K.A.R. 111-5-26 becomes necessary.

(f) The holder of a winning ticket may win only one prize per board in connection with the winning numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category.

(g) All prizes must be claimed within 365 days of the day of the drawing in which the prize was won. In the event the final day of the 365-day period falls on a Saturday, a Sunday or a state holiday, the claim period will be extended to end on the next business day.
