for Technical Services**

Notice is hereby given of the commencement of negotiations for surveying and soil testing services for state construction projects for the six-month period from July 1, 1992 to December 31, 1992. Soil testing services would include testing and reporting prior to construction and inspection services during construction. Firms that provide concrete, welding, asphalt and steel testing are also being sought.

Firms interested in providing these services should submit their SF 255 indicating their qualifications, fees for their services, and geographical areas of the state in which they are willing to work to Gerald R. Carter, AIA, Deputy Director of Planning & Project Management, Division of Architectural Services, 625 Polk, Topeka 66603-3288, (913) 233-9367. An original and four copies of the SF 255 form (plus attachments as required) should be submitted with letters of interest.

It is the intention of the division to pre-approve a separate group of qualifying surveying and testing firms and award projects on a rotational basis. If a firm anticipates being limited to specific-sized projects, by dollar volume or location in the state, that information should also be supplied with the response.

Any questions or expressions of interest should be directed to Gerald Carter on or before July 3.

State Boards, Commissions and Authorities—Parimutuel Racing—Prohibited Acts; Commissioner's Ownership of a Race Horse. Bill McCormick, Director of Federal and State Affairs, Topeka, June 10, 1992.

Marriage alone does not confer indirect ownership of one spouse's property to the other. Thus, K.S.A. 1991 Supp. 74-8810(b)(2), as amended by 1992 Senate Bill No. 383, § 4, does not prohibit a commission member's spouse from owning a horse entered in race meetings conducted in this state unless the commission member has an actual possessory, pecuniary or other beneficial interest in the horse. Cited herein: K.S.A. 23-201; 23-203; K.S.A. 1991 Supp. 74-8810, as amended by 1992 S.B. 383, § 4. JLM

State Boards, Commissions and Authorities—State Lottery; Kansas Lottery Act—Executive Director, Powers; Limitation on Promotions at Amateur Athletic Events; Restraint of Trade. Representative Tom Sawyer, 95th District, Wichita, June 10, 1992.

1992 Senate Bill No. 472, amending K.S.A. 1991 Supp. 74-8704 of the Kansas lottery act to prohibit advertising or promotion of the lottery at amateur athletic events, is not an unlawful restraint of trade. The Sherman Act does not prohibit a state's actions taken in its governmental capacity as sovereign regulator. Cited herein: K.S.A. 1991 Supp. 74-8704, as amended by 1992 S.B. No. 472, § 1(b); 15 U.S.C. §§ 1, 2. JLM

Wildlife and Parks Commission

Notice of Meeting and Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 7 p.m. Tuesday, July 21, at the Dodge City Community Junior College in the Student Union Santa Fe Room, 2501 N. 14th, Dodge City, to consider the adoption of several department regulations. If necessary, the public hearing will continue at 9 a.m. July 22 at the same location. A general business meeting will begin at 1:30 p.m. July 21 at the same location. If necessary, the business meeting will continue following the conclusion of the public hearing. The business meeting agenda will be announced at a later date. The public is also invited to attend the business meeting.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations.

All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, Suite 502, Landon State Office Building, 900 S.W. Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The department, if given three days advance notice, will have an interpreter available for persons with hearing impairments. To contact the department, call the TDD Service at 1-800-766-3777.

The following is a brief summary of the regulations proposed for adoption:

K.A.R. 115-2-1. This permanent regulation is proposed for amendment. Fee increases are proposed for: resident and nonresident hunting and fishing licenses (including combination licenses); general resident and landowner/tenant elk permits; 5-day nonresident fishing licenses; resident fur dealer licenses; controlled shooting area hunting licenses; scientific, educational or exhibit permits; duplicate issues; and vendor bonds. A junior nonresident hunting license for those under 16 years of age is established with a fee of \$30 proposed (half price). Fees would be effective on January 1, 1993.

Economic Impact Summary: The amount of revenue increase to the department is estimated to be \$1,568,757. This represents a cost to those members of the public choosing to participate in activities for which the several licenses and permits are required.

K.A.R. 115-2-2. This permanent regulation which establishes vehicle permit fees for state parks is proposed for amendment. The annual motor vehicle permit and the additional (second) motor vehicle permit are recommended for a \$.50 increase. The one-day motor vehicle is proposed to expire at noon on the day

following purchase rather than the present 10 a.m., except that permit would expire at 2 p.m. on Sundays and on the Memorial Day, Independence Day and Labor Day holidays.

Economic Impact Summary: The fee increase will result in approximately \$25,000 of revenue to the park fund. Members of the public purchasing those permits will be required to pay slightly higher fees. The expiration time adjustment is anticipated to have insignificant financial impact but will be more convenient to the public, particularly because the overnight camping expiration time (K.A.R. 115-2-3) is also proposed to expire at the same time.

K.A.R. 115-2-3. This permanent regulation which establishes fees for camping and other associated activities is proposed for amendment. Annual camping permits would increase from \$29.50 to \$35, overnight camping would increase from \$1.50 to \$2.50 and the 30-day camping permit would increase accordingly to \$90 from \$60. Utilities in any combination would increase to \$5 per night. Utilities with a 30-day permit would increase to \$150. The youth group camping permit would increase from \$1 to \$2.50.

The overnight camping permit, youth group camping permit and cabin camping permit would expire at noon on the day following purchase (currently it is 2 p.m.), except those permits would expire at 2 p.m. on Sundays and on the Memorial Day, Independence Day and Labor Day holidays.

Economic Impact Summary: The fee increases will generate approximately \$265,000 in additional revenue to the park fee fund. The fee increases will impact those members of the public choosing to participate in those activities. The expiration time adjustment is anticipated to have insignificant financial impact and will be more convenient to the public. These permits and fees would have the same expiration time as the vehicle permit proposed in K.A.R. 115-2-2.

K.A.R. 115-2-4. This permanent regulation which establishes boating fees is proposed for amendment. Currently the three year registration fee is \$9. Under the proposed amendment the registration fee for vessels less than 16 feet would be \$15, and \$18 for vessels 16 feet and over. Duplicate registrations would increase from \$3 to \$5.

Economic Impact Summary: The proposed fee increases will generate approximately \$240,000 in additional income annually to the boat fee fund. The fee increase will impact members of the public required by law to register vessels.

K.A.R. 115-8-9. This permanent regulation which establishes certain camping conditions and restrictions is proposed for amendment. Restrictions on the length of time that camping equipment and other properties can be unattended or unoccupied under 30-day camping permits are relaxed.

Economic Impact Summary: The proposed amendments are not anticipated to have any fiscal impact on the department or the public.

K.A.R. 115-21-3. This new permanent regulation concerning guides is proposed in response to provisions of H.B. 3115 as enacted during the 1992 legis-

lative session. "Provisional" guides are identified as those guiding for five days or less and earning \$500 or less during a calendar year. These guides would be required to notify the department of their intent to guide, possess a card, and submit a brief report of their activity.

Economic Impact Summary: The department will incur some expenses for administration and "provisional" guides will also incur some costs for correspondence and reporting. The amounts involved are anticipated to be insignificant.

Board of Indigents' Defense Services

**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 1:30 p.m. Friday, July 24, in Room 108 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed changes in existing rules and regulations of the State Board of Indigents' Defense Services.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Director, State Board of Indigents' Defense Services, Room 506, Landon State Office Building, 900 S.W. Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows:

K.A.R. 105-3-9. Duties of trial counsel following sentencing. The proposed amendment to this regulation will clearly delineate the duties of trial counsel in two ways: first, trial counsel will be expected to file an order of appointment of appellate counsel with the clerk of the court within five days of the filing of the notice of appeal; second, trial counsel will send to the appellate defender office all documents necessary to docket the appeal. The responsibility for performing these duties is unclear at the present time as are the time limits for performing same.

K.A.R. 105-5-2. Rates of compensation. This amendment increases the rate of compensation for attorney services performed in court from \$50 per hour to \$65 per hour, to be effective July 1, 1993. This change is needed to keep pace with the overhead expenses that private attorneys have incurred since 1988 when the rates were last increased. This increase is also necessitated by recent court decisions, which require the board to consider these overhead expenses in setting the hourly rates of assigned counsel.

K.A.R. 105-5-4. Multiple attorneys. This amendment allows the appointment of co-counsel when the court determines the need based on the extreme seriousness of the case. Currently, the rule provides that only one attorney will be compensated at any one stage of a proceeding. This wording is deleted to allow the board to compensate co-counsel provided the court makes the requisite finding.

K.A.R. 105-5-6. Reasonable compensation; non-tried cases. This change to the reasonable levels for certain categories of cases is tied to the increase in the "in-court" hourly rate. Increasing the reasonable levels is necessary in order to avoid "capping-out" with fewer hours expended than under current regulations. If the regulation is not amended, the lower threshold could have a chilling effect on the quality of representation.

K.A.R. 105-5-7. Reasonable compensation; tried cases. This amendment likewise is tied to the increase in the hourly rate for "in-court" work by appointed counsel. Reasonable compensation for class D & E felonies which are tried to the court or to a jury is set at \$1,600, an increase of \$100. The reasonable level for a class C trial is set at \$2,400, up from \$2,000, and the reasonable level for class A and B trials goes to \$6,000, up from \$5,000.

K.A.R. 105-5-8. Compensation; exceptional cases. This rule is amended to be consistent with the increase in the hourly rates of compensation to appointed attorneys. Exceptional cases are paid, under the amended regulation, up to \$6,000 without board approval. Under current regulations, cases that have been declared exceptional by the court may be compensated up to \$5,000 without board approval.

Summary of Economic Impact

K.A.R. 105-5-2, and K.A.R. 105-5-6 through K.A.R. 105-5-8 increase the amounts that will be compensated to appointed counsel. The agency projects that this additional cost to the state general fund will approximate \$375,000 based on the number of cases and the amount of "in-court" time currently spent on indigent felony cases.

Copies of these regulations and their economic impact statements may be obtained from the director at the address above, (913) 296-4505.

Sedgwick County, Kansas
Notice of Mortgage Credit
Certificate Program

Sedgwick County, Kansas, in cooperation with the Kansas Department of Commerce and other political subdivisions of the state of Kansas, announces the 1992 Kansas Mortgage Credit Certificate Program. Section 25 of the Internal Revenue Code of 1986, as amended, authorizes issuers of qualified mortgage bonds, such as Sedgwick County, to elect to issue mortgage credit certificates (MCCs) in lieu of qualified mortgage bonds. MCC's entitle qualifying individuals to a credit against the individual's federal income tax. The amount of the credit is determined by multiplying the certificate credit rate by the amount of interest paid or accrued during each taxpayer's taxable year on the mortgage loan for the taxpayer's "principal residence." In order for an individual to claim the credit provided by Section 25(a), the MCC must be a "qualified mortgage credit certificate" issued pursuant a "qualified mortgage credit certificate." The following criteria/requirements must be met:

Principal Residence Requirement

The homebuyer(s) must use the residence as his or her principal residence within a reasonable time (60 days) after the MCC is issued. The MCC holder must notify the issuer of the MCC if the residence ceases to be his or her principal residence.

New Mortgage Requirements

An MCC cannot be issued in conjunction with the acquisition, replacement or refinancing of an existing mortgage. However, a certificate can be used in conjunction with the replacement of construction period loans, bridge loans, or other temporary initial financing with a term of 24 months or less.

Three-Year No Prior Homeownership Requirement

The homebuyer(s) cannot have had any present ownership interest in a principal residence at any time during the preceding three years ending on the date the MCC is issued. This three-year, first time homebuyer requirement does not have to be met if the residence for which a mortgage loan application is being made is located in a federally designated targeted area. A targeted area is a particular area in the state determined or approved by the federal government that will receive special consideration to provide an added stimulus to housing in that area.

Purchase Price Requirements

There are maximum allowable purchase prices for residences assisted by MCCs which vary based upon location, whether the residence being purchased is new or existing and whether the home is in a targeted area. The maximum purchase prices at this time are:

	New Homes		Existing Homes	
	Non-Target	Target	Non-Target	Target
Wichita MSA (Sedgwick, Butler & Harvey)	88,200	107,800	61,020	74,580
Kansas City MSA (Leavenworth, Wyandotte, Johnson & Miami)	\$143,010	\$174,790	\$83,610	\$101,420
Lawrence MSA (Douglas)	88,470	108,130	62,460	76,340
Topeka MSA (Shawnee)	88,470	N/A	79,020	N/A
Geary County	88,470	108,130	50,760	62,040
All Other Areas	88,470	N/A	50,760	N/A

Homebuyer Income Limits

The homebuyer must have family income at or below the income limit for the area in which the residence being purchased is located, considering family size and whether the home is located in a targeted area. The homebuyer income limits at this time are:

	Non-Targeted Areas		Targeted Areas	
	1-2 Persons	3+ Persons	1-2 Persons	3+ Persons
Kansas City MSA (Leavenworth, Wyandotte, Johnson & Miami)	\$42,700	\$49,105	\$51,240	\$59,780
Topeka MSA (Shawnee)	40,800	46,920	48,960	57,120
Wichita MSA (Sedgwick, Butler & Harvey)	44,900	51,635	53,880	62,860
All Other Areas	37,400	43,010	44,880	52,360

Methods by Which Certificates are Issued

Prior to the mortgage loan closing, an application and supporting affidavits and documents must be submitted to Ranson Capital Corporation, as compliance agent for Sedgwick County. The compliance agent will review these documents and either reject or accept the application. At the mortgage loan closing a closing affidavit is prepared and sent with supporting documents to the compliance agent, and if all documents are acceptable a mortgage credit certificate is issued by Sedgwick County which will allow home-buyers to claim the credit.

Sedgwick County will begin accepting applications for MCCs after July 27, 1992. In order to comply with federal requirements, mortgage credit certificates may not be issued prior to the date which is at least 90 days after the date of publication of this notice.

Article 4.—PUBLIC ASSISTANCE PROGRAM

30-4-72. ADC child. (a) Age and school attendance. A child, to be eligible for ADC, shall be under the age of 18 or under the age of 19 and a full-time student in a secondary school or the equivalent level of vocational or technical training if the child may reasonably be expected to complete the program before attaining age 19.

(b) A child shall be considered to be in full-time attendance if the child is not in attendance because of official school or training program vacation, illness, convalescence, or family emergency, and for the month in which the child completes or discontinues the school or training program. Full-time attendance shall be determined as set forth below.

(1) In a trade or technical school involving shop practice, full-time shall be 30 clock hours per week and in a program without shop practice, full-time shall be 25 clock hours.

(2) In a secondary school, full-time shall be 25 clock hours per week or four Carnegie units per year.

(3) In a secondary education program of cooperative training or in apprenticeship training, full-time attendance shall be as defined by state education policy.

(c) Living with a specified relative. A child, to be eligible for ADC, shall be living in a place of residence (home) with:

(1) Any blood relative who is within the fifth degree of kinship to the child, including parents, siblings, nephews, nieces, aunts, uncles, and persons of preceding generations who may be denoted by prefixes of grand, great, great-great or great-great-great;

(2) a stepfather, stepmother, stepbrother, or stepsister;

(3) legally adoptive parents or other relatives of adoptive parents as noted in (1) and (2) of this paragraph; or

(4) spouses or former spouses (after marriage is terminated by death or divorce) of any persons named in the above groups.

(d) A child shall not be ineligible if out of the home temporarily because of education or training, illness or the illness of another member of the household, the incarceration of the caretaker relative, visits with friends or relatives, or attendance at a scout or similar camp. When a child is temporarily absent from the home, the determining factor shall be the maintenance of care and control by the relative with whom the child would be living were that child not absent. The effective date of this regulation shall be July 1, 1992. (Authorized by and implementing K.S.A. 1991 Supp. 39-708c; effective May 1, 1981; amended, E-82-11, June 17, 1981; amended, E-82-19, Oct. 21, 1981; amended May 1, 1982; amended May 1, 1983; amended, T-30-6-10-92, July 1, 1992.)

30-4-90. Eligibility factors specific to the GA-unrestricted (GAU) program. (a) Each applicant or recipient shall meet the applicable general eligibility requirements of K.A.R. 30-4-50, and the specific eligibility requirements set forth below, in order to be eligible for GAU.

(1) Each applicant or recipient, and the members of the assistance family group for whom the applicant or recipient is legally responsible, shall be ineligible for GAU if the applicant or recipient:

(A) Is eligible for a federal program; or

(B) has been rendered ineligible for a federal program due to a voluntary action on the part of the applicant or recipient.

(2) Each applicant or recipient and the members of the assistance family for whom the applicant or recipient is legally responsible shall be ineligible for GAU if the applicant or recipient:

(A) Refuses to accept a referral to the vocational rehabilitation program;

(B) is eligible for vocational rehabilitation program services and has refused services; or

(C) has been rendered ineligible for vocational rehabilitation program services due to a voluntary action on the part of the applicant or recipient.

(3) Each applicant or recipient, and the members of the assistance family for whom the applicant or recipient is legally responsible, shall be ineligible for GAU if the applicant or recipient:

(A) Is eligible for vocational rehabilitation program benefits related to maintenance; or

(B) has been rendered ineligible for these benefits due to a voluntary action on the part of the applicant or recipient.

(4) Each applicant or recipient and all persons for whom the applicant or recipient is legally responsible, if living together, shall be within at least one of the following categories to be eligible for GAU:

(A) Parents and their minor children who are living together, provided the parents are not voluntarily unavailable for employment. A person shall not be considered voluntarily unavailable for employment if the person is attending high school full-time or is participating in an agency-approved work related activity. Assistance under this provision may not be denied solely because a person is participating in post-secondary education or training activities during other than normal working hours. Assistance under this provision shall also be granted to non-ADC children who are living with a guardian or a personal representative who is not within the degree of relationship for ADC;

(B) a person who has been medically determined to be physically incapacitated as set forth in K.A.R. 30-4-63(a)(2), except that the condition must only constitute a substantial handicap to gainful employment;

(C) a person who has been medically or psychologically determined to be mentally retarded;

(D) a person who has been medically or psychologically determined to be mentally ill to the extent that the condition constitutes a substantial handicap to gainful employment. A statement from a vocational

rehabilitation counselor may be used to determine eligibility under this provision;

(E) a person whose presence is required at home because of a verified, medically determined condition of another member of the home whose condition does not permit self-care, and when the care is not available from another person in the home;

(F) a person who is participating in vocational rehabilitation program training;

(G) a person who is residing in a licensed or certified alcohol and drug abuse facility;

(H) a person who is age 55 or older; or

(I) a woman who is pregnant and not eligible for APW. If married, her husband shall also be included in the same assistance plan if they are living together. Neither the pregnant woman nor her husband shall be voluntarily unavailable for employment;

(J) a parent or parents of a child who has been removed from the home and placed in foster care, provided that there is an agency-approved plan to return the child to the home;

(K) a full-time high school student who is under 21 years of age; or

(L) a child in a family group who is not otherwise eligible for assistance as a result of an established period of ineligibility resulting from the provisions of K.A.R. 30-4-58(d), K.A.R. 30-4-63(e), K.A.R. 30-4-64(d), or K.A.R. 30-4-110(c)(8) provided there is an approved social service plan substantiating that the child is facing imminent removal from the home and placement into a foster care arrangement if assistance is not reinstated. Assistance shall be provided in accordance with the social service plan which shall not exceed the budget deficit for the family group.

(5) The needs of the applicant or recipient and all persons for whom the applicant or recipient is legally responsible shall be included in the same assistance plan, if living together, except for persons who are not otherwise eligible. The needs of certain persons in the family group who are not otherwise eligible shall be excluded in determining eligibility for GAU. However, the resources of certain persons in the family group shall, unless the resources are specifically exempt, be included in determining eligibility for GAU. Such persons include:

(A) SSI recipients;

(B) persons who are ineligible due to the receipt of lump sum income;

(C) persons who are ineligible due to a sanction;

(D) minor parents whose needs are met through foster care payments; and

(E) aliens who are ineligible because of the citizenship and alienage requirements or sponsorship provisions.

(b) A presumptive eligibility determination shall be made for persons who are being released from a medicaid-approved psychiatric hospital or from the Larned correctional mental health facility in accordance with an approved discharge plan. Minimally, the presumptive determination shall be based on available information concerning the person's income and resources. The general eligibility requirements of K.A.R. 30-4-50

may be waived until a formal eligibility determination is completed. Assistance provided shall equal 100 percent of the applicable GAU budgetary standards and the provision of subsection (a)(1) of K.A.R. 30-4-140 shall be waived. Assistance under this provision shall not exceed the month of discharge and the two following months. Assistance under this provision may be extended by the department beyond the three-month limitation for good cause.

(c) Each applicant or recipient who refuses to authorize the department to file for and claim reimbursement from the social security administration for the amount of GAU provided the individual pending a determination of eligibility for the supplemental security income program shall be ineligible for GAU. The effective date of this regulation shall be July 1, 1992. (Authorized by and implementing K.S.A. 1991 Supp. 39-708c; effective May 1, 1981; amended, E-82-11, June 17, 1981; amended May 1, 1982; amended, T-84-8, March 29, 1983; amended May 1, 1983; amended, T-84-9, March 29, 1983; amended May 1, 1984; amended, T-85-34, Dec. 19, 1984; amended May 1, 1985; amended May 1, 1986; amended May 1, 1987; amended, T-88-14, July 1, 1987; amended, T-88-59, Dec. 16, 1987; amended May 1, 1988; amended Sept. 26, 1988; amended July 1, 1989; amended Oct. 1, 1989; amended, T-30-6-10-91, July 1, 1991; amended Oct. 28, 1991; amended, T-30-6-10-92, July 1, 1992.)

Article 6.—MEDICAL ASSISTANCE PROGRAM—CLIENTS' ELIGIBILITY FOR PARTICIPATION

30-6-72. ADC child. (a) A child, to be eligible for the medical assistance program related to ADC, shall be under the age of 18, or under the age of 19 and a full-time student in a secondary school or the equivalent of vocational or technical training if, before the child attains age 19, the child may reasonably be expected to complete the program. The definition for full-time is the same as for ADC.

(b) The child shall be living in a place of residence (home) with:

(1) Any blood relative who is within the fifth degree of kinship to the child, including parents, siblings, nephews, nieces, aunts, uncles, and persons of preceding generations who may be denoted by prefixes of grand, great, great-great, or great-great-great;

(2) a stepfather, stepmother, stepbrother, or stepsister;

(3) legally adoptive parents and other relatives of adoptive parents as noted above; or

(4) spouses or former spouses (after marriage is terminated by death or divorce) of any persons named in the above groups.

(c) A child shall be eligible even if that child is out of the home temporarily because of education or training, illness or the illness of another member of the household, the incarceration of the caretaker relative, visits with friends or relatives, or attendance at a scout or similar camp. When a child is temporarily absent from the home, the determining factor shall be the maintenance of care and control by the relative with whom the child would be living were that child not absent. The effective date of this regulation shall be July 1, 1992. (Authorized by and implementing K.S.A. 1991 Supp. 39-708c; effective May 1, 1981; amended, E-82-19, Oct. 21, 1981; amended May 1, 1982; amended May 1, 1983; amended, T-30-6-10-92, July 1, 1992.)

30-6-103. Determined eligibles; protected income levels. (a) Independent living and home- and community-based services arrangements.

(1) The protected income level for persons in independent living arrangements and in the home- and community-based services program shall be based on the total number of persons in the assistance plan and any other persons in the family group whose income is being considered.

(2) The protected income levels for independent living may also be used when an applicant or recipient:

(A) Enters a medicaid-approved facility, except that this provision shall not apply in situations where only one spouse of a married couple enters an institutional living arrangement; or

(B) is absent from the home for medical care for a period not to exceed two months to allow for maintaining the applicant's or recipient's independent living arrangements.

(3) Except as provided in paragraphs (4), (5), (6), (7) and (8) below, the following table shall be used to determine the protected income level for persons in independent living.

The effective date of this regulation shall be July 1, 1992. (Authorized by and implementing K.S.A. 1991 Supp. 39-708c, 39-709; effective May 1, 1981; amended, E-82-11, June 17, 1981; amended, E-82-19, Oct. 21, 1981; amended May 1, 1982; amended, T-83-17, July 1, 1982; amended May 1, 1983; amended, T-84-11, July 1, 1983; amended, T-84-36, Dec. 21, 1983; amended May 1, 1984; amended, T-85-34, Dec. 19, 1984; amended May 1, 1985; amended, T-86-19, July 1, 1985; amended, T-86-42, Jan. 1, 1986; amended May 1, 1986; amended, T-87-15, July 1, 1986; amended, T-88-2, Feb. 1, 1987; amended May 1, 1987; amended, T-88-10, May 1, 1987; amended, T-88-14, July 1, 1987; amended, T-88-59, Dec. 16, 1987; amended May 1, 1988; amended, T-30-7-1-88, July 1, 1988; amended Sept. 26, 1988; amended Jan. 2, 1989; amended July 1, 1989; amended Oct. 1, 1989; amended Jan. 2, 1990; amended, T-30-12-28-89, Jan. 1, 1990; amended, T-30-3-29-90, April 1, 1990; revoked, T-30-7-2-90, July 2, 1990; amended, T-30-7-2-90, July 2, 1990; revoked, T-30-8-14-90, Oct. 1, 1990; amended Oct. 1, 1990; amended Jan. 7, 1991; amended, T-30-12-28-90, Jan. 2, 1991; amended May 1, 1991; amended July 1, 1991; amended Jan. 2, 1992; amended, T-30-6-10-92, July 1, 1992.)

30-6-106. General rules for consideration of resources, including real property, personal property, and income. (a) Legal title shall determine ownership for assistance purposes. In the absence of legal title, possession shall determine ownership.

(b) Resources, to be real, shall be of a nature that the value can be defined and measured. The objective measures set forth in paragraphs (1) and (2) below shall establish the resources' value.

(1) Real property. The value of real property shall be initially determined by the latest uniform statewide appraisal value of the property, which shall be adjusted to reflect current market value. If the property has not been appraised or if the market value as determined above is not satisfactory to the applicant, recipient, or agency, an estimate or appraisal of its value shall be obtained from a disinterested real estate broker. The cost of obtaining an estimate or appraisal shall be borne by the agency.

(2) Personal property. The market value of personal property shall be initially determined using a reputable trade publication. If a publication is not available, or if there is a difference of opinion regarding the value of the property between the agency and the individual, an estimate from a reputable dealer shall be used. The cost of obtaining an estimate or appraisal shall be borne by the agency.

(c) (1) Resources shall be considered available both when actually available and when the applicant or recipient has the legal ability to make them available. A resource shall be considered unavailable when there is a legal impediment that precludes the disposal of the resource. The applicant or recipient shall pursue reasonable steps to overcome the legal impediment unless it is determined that the cost of pursuing legal action would be more than the applicant or recipient would gain, or the likelihood of succeeding in the legal action would be unfavorable to the applicant or recipient.

(2) For the purpose of this subsection, a revocable or irrevocable trust shall be considered available to the applicant or recipient up to the maximum value of the funds which may be made available under the terms of the trust on behalf of the applicant or recipient if:

(A) The trust is established by the applicant, the recipient, the applicant or recipient's spouse, or the applicant or recipient's guardian or legal representative who is acting on the applicant or recipient's behalf;

(B) that applicant or recipient is a beneficiary; and

(C) the trustees are permitted to exercise any discretion with respect to distribution to the applicant or recipient.

This provision shall not be applicable if the applicant or recipient is a mentally retarded individual who is residing in an intermediate care facility for the mentally retarded, provided the trust was established prior to April 7, 1986 and is solely for the benefit of that applicant or recipient.

(3) For SSI, real property shall be considered unavailable for so long as it cannot be sold because:

(A) The property is jointly owned and its sale would cause undue hardship due to the loss of housing for the other owner or owners; or

(B) the owner's reasonable efforts to sell the property have been unsuccessful.

(d) The resource value of property shall be that of the applicant's or recipient's equity in the property. Unless otherwise established, the proportionate share of jointly-owned real property and the full value of jointly-owned personal property shall be considered available to the applicant or recipient. Resources held jointly with a non-legally responsible person may be excluded from consideration if the applicant or recipient can demonstrate that the applicant or recipient has no ownership interest in the resource, has not contributed to the resource, and that any access to the resource by the applicant or recipient is limited to those duties performed while the applicant or recipient is acting as an agent for the other person.

(e) Nonexempt resources of all persons in the assistance plan and the nonexempt resources of persons who have been excluded from the assistance plan pursuant to K.A.R. 30-6-74(b) and K.A.R. 30-6-79(c) shall be considered.

(f) (1) The combined resources of husband and wife, if they are living together, shall be considered in determining eligibility of either or both for the medical assistance program, unless otherwise prohibited by law.

(2) A husband and wife shall be considered to be living together if they are regularly residing in the same household. Temporary absences of either the

(continued)

husband or the wife for education, training, working, securing medical treatment or visiting shall not interrupt the period of time during which the couple is considered to be living together.

(3) A husband and wife shall not be considered to be living together when they are physically separated and not maintaining a common life, or when one or both enter into an institutional living arrangement, including either a medicaid-approved or non-approved medical facility or a home- and community-based services care arrangement. If only one spouse enters an institutional living arrangement, the provisions of subsection (m) below apply. If both spouses enter an institutional living arrangement, the combined resources of the husband and wife shall be considered available to both for the month in which the institutional arrangement begins.

(g) The resources of an ineligible parent shall be considered in determining the eligibility of a minor child for the medical assistance program if the parent and child are living together, except that such resources shall not be considered for children in an institutional or home- and community-based services arrangement beginning with the month following the month the arrangement begins.

(h) When any individual in the household who does not have the responsibility to support a person in the plan voluntarily and regularly contributes cash to the recipient toward household expenses, including maintenance costs, the amount of the contribution to be counted shall be the net income realized by the household.

(i) Despite subsections (e), (f), and (g) above, the resources of an SSI beneficiary shall not be considered in the determination of eligibility for medical assistance of any other person.

(j) The conversion of real and personal property from one form to another shall not be considered to be income to the applicant or recipient, except for the proceeds from a contract for the sale of property.

(k) Income shall not be considered to be both income and property in the same month.

(l) Despite subsection (e) above, the resources of a child whose needs are met through foster care payments shall not be considered.

(m) When one spouse enters an institutional living arrangement and the other spouse remains in the community, and an application for medical assistance is made on behalf of the institutionalized spouse, the following provisions apply:

(1) The separate income of each spouse shall not be considered available to the other beginning in the month the institutional arrangement begins. Unless otherwise established, $\frac{1}{2}$ of the income which is paid in the names of both spouses shall be considered available to each. Income which is paid in the name of either spouse, or in the name of both spouses and the name of another person or persons, shall be considered available to each spouse in proportion to the spouse's interest, unless otherwise established.

(2) A monthly income allowance for the community spouse shall be deducted from the income of the institutionalized spouse in determining the amount of patient liability for persons in institutionalized living arrangements or spenddown for persons in home- and

community-based services arrangements. The income allowance for the community spouse, when added to the income already available to that spouse, shall not exceed 150 percent of the official federal poverty income guideline for two persons plus the amount of any excess shelter allowance. The excess shelter allowance is defined as the amount by which the community spouse's expenses for rent or mortgage payments, taxes and insurance for the community spouse's principal residence, plus the \$175.00 food stamp standard utility allowance, exceeds 30% of the 150 percent federal poverty income guideline amount referred to above. The maximum income allowance which can be provided under this provision shall be \$1,718.00. The \$1,718.00 limitation shall be increased annually to reflect the percentage increase in the consumer price index for all urban consumers. If a greater income allowance is provided under a court order of support or through the fair hearing process, that amount shall be used in place of the above limits.

(3) A monthly income allowance for each dependent family member shall also be deducted from the income of the institutionalized spouse in determining the amount of patient liability for persons in institutional living arrangements or spenddown for persons in home- and community-based services arrangements. A dependent family member is defined as a minor or dependent child, dependent parent or dependent sibling of either spouse who lives with the community spouse. The allowance for each member shall be equal to $\frac{1}{3}$ of the 150 percent of the official federal poverty income guideline for two persons. An allowance shall not be provided if the family member's gross income is in excess of the 150 percent federal poverty income guideline for two persons.

(4) If the spouse is institutionalized on or after September 30, 1989, the real and personal property of both spouses shall be considered in determining the eligibility of the institutionalized spouse in the month of application, based on the amount of property in excess of the community spouse property allowance as set forth in paragraph (m) (6) below. Following the month in which the institutionalized spouse is determined eligible, the property of each spouse shall not be considered available to the other.

(5) If the spouse was institutionalized before September 30, 1989, the real and personal property of each spouse shall be considered available to the other in the month in which the institutional arrangement began. Thereafter, the property of each spouse shall not be considered available to the other.

(6) The institutionalized spouse may make available to the community spouse a property allowance which, when added to the property already available to the community spouse, would be equal to $\frac{1}{2}$ of the total value of the property owned by both spouses as of the first period of continuous institutionalization beginning on or after September 30, 1989. This allowance may not exceed \$68,700.00, but shall be no less than \$13,740.00. Both the \$13,740.00 and \$68,700.00 standards shall be increased annually to reflect the percentage increase in the consumer price index for all urban consumers. If a greater property allowance is provided under a court order of support or through

the fair hearing process, that amount shall be used in place of the above limits.

(7) The amount of property received by the community spouse as a result of the property allowance determined in paragraph (m) (6) shall not be considered in determining the eligibility of the institutionalized spouse, except as provided in paragraph (m)(4) above. If the institutionalized spouse will be eligible based upon transferring sufficient property to the community spouse to equal the amount of the property allowance, the institutionalized spouse shall be given up to 90 days from the date of application to transfer the property. Additional time may be allowed for good cause. Pending disposition of the property, the institutionalized spouse shall be deemed to be temporarily eligible during this time period if all other eligibility factors are met. The effective date of this regulation shall be July 1, 1992. (Authorized by and implementing K.S.A. 1991 Supp. 39-708c, 39-709; effective May 1, 1981; amended, E-82-19, Oct. 21, 1981; amended May 1, 1982; amended May 1, 1983; amended May 1, 1984; amended, T-85-26, Oct. 15, 1984; amended May 1, 1985; amended May 1, 1986; amended, T-87-15, July 1, 1986; amended, T-87-20, Sept. 1, 1986; amended May 1, 1987; amended, T-88-14, July 1, 1987; amended, T-88-59, Jan. 1, 1988; amended May 1, 1988; amended, T-89-13, April 26, 1988; amended, T-30-7-1-88, July 1, 1988; amended Sept. 26, 1988; amended July 1, 1989; amended Oct. 1, 1989; amended Jan. 2, 1990; amended April 1, 1990; amended, T-30-10-1-90, Oct. 1, 1990; revoked, T-30-11-29-90, Jan. 2, 1991; amended Jan. 7, 1991; amended T-30-12-28-90, Jan. 2, 1991; amended, T-30-3-1-91, March 1, 1991; amended May 1, 1991; amended July 1, 1991; amended, T-30-8-9-91, Aug. 30, 1991; amended Oct. 28, 1991; amended Jan. 2, 1992; amended, T-30-6-10-92, July 1, 1992.)

(b) shelter cost participation payments. (2) "Underutilization" means a lower representation of females, minorities, or persons with disabilities as defined in K.A.R. 1-2-34 in a class or EEO job category in an agency organizational unit's workforce or the agency's workforce than would be expected by their availability.

(3) "Director" means the director of the division of personnel services.

(4) Use of the governor's trainee program shall not result in the creation of additional positions.

(5) Governor's trainee program positions shall be created from vacancies arising out of attrition, vacancies created by the Legislature or vacancies created by actions taken pursuant to K.S.A. 75-2949.

(b) Each agency electing to fill a vacant position under the governor's trainee program shall first conduct an underutilization review to determine if underutilization exists in a class or EEO job category, or both, in the agency workforce or the agency organizational unit in which the vacancy exists.

(c) The agency shall submit information to the director regarding the vacant position and the data used in determining underutilization. Upon verification of underutilization by the director, the agency shall be notified that the director has established a trainee classification and reallocated the position. The notice from the director shall also include a list of names in a relevant applicant pool, if one exists, and authorization for the agency to recruit persons who are members of the underutilized protected group or groups.

(d) Following the close of the application period, the agency shall select, on a competitive basis, in accordance with guidelines established by the director, an applicant who:

- (1) is a member of an underutilized protected group;
- (2) will not, at the time of appointment, meet the minimum qualifications for the regular class of the trainee position;

(e)(1) Upon selecting a trainee for the position, the agency shall submit:

- (B) a copy of a proposed training and evaluation plan developed for the trainee that provides for regular assessments of the trainee's progress and communication of the assessments to the trainee.

(2) Upon approval of the training and evaluation plan by the director, the person shall be appointed to the governor's trainee position.

(f) Each person appointed to a position under the governor's trainee program shall be paid at two salary

ranges lower than the range for the applicable regular class.

(g) The agency shall submit a progress report on each trainee to the director not less than once each six months the trainee is in training.

(h) Upon meeting the minimum qualifications for the applicable regular class, and a satisfactory performance of the job duties and responsibilities of the position, the trainee shall be appointed to the applicable regular class as a probationary employee. In no event shall the trainee be retained in a position under the governor's trainee program for less than six months or more than 24 months from the date of appointment.

(i) An individual appointed to a position under the governor's trainee program shall be eligible for the same rights and benefits as a person in probationary status on a regular classified position. Such vacation leave may be charged against vacation credits that have been accrued or against those vacation credits that will be accrued during the school term for which the employee is employed. Any classified employee at a school institution that is separated from the service before the end of the school term for which the employee is employed shall be charged on the final pay voucher for any days of vacation leave used in excess of days accrued. * "Hours worked" means hours in pay status except that overtime worked and additional payment for holidays worked are not counted in determining sick leave earned.

(c) On the first day following each payroll period, the sick leave accrued during the previous payroll period shall be credited to each employee. In no case shall overtime worked be counted in determining sick leave credited. Each eligible employee paid on a monthly or semi-monthly basis shall be credited sick leave credits at the rate of one hour for each 20 hours in pay status, excluding overtime worked and additional payment for holidays worked, up to the maximum set forth in subsection (b).

(d) Each employee wishing to use sick leave shall request its use in the form and at such time as prescribed by the appointing authority, as required by K.A.R. 1-9-3(a). Any employee may be required by the appointing authority or the director of personnel services to provide evidence necessary to establish that the employee is entitled to use sick leave credits under the circumstances of the request. If the employee fails to provide this evidence, the use of requested sick leave may be denied by appointing authority or director. The appointing authority, with the director's approval, may require a physical examination of an employee by a physician designated by the agency at the agency's expense.

(e) Sick leave with pay shall be granted only for the following reasons:

(1) illness or disability of the employee including pregnancy, childbirth, miscarriage, abortion, and recovery therefrom;

(2) illness or disability, including pregnancy, childbirth, miscarriage, abortion, and recovery therefrom, of a member of the employee's family when the illness or disability reasonably requires the employee to be absent from work. "Employee's family" shall be limited to:

(A) persons related to the employee by blood, marriage or adoption; and

(B) minors residing in the employee's residence as a result of court proceedings pursuant to the Kansas code for care of children or the Kansas juvenile offenders code;

(continued)

(3) the employee's personal appointments with a physician, dentist, or other recognized health practitioner;

(4) legal quarantine of the employee; or

(5) the adoption of a child by an employee or initial placement of a foster child in the home of an employee, when the adoption or initial placement reasonably requires the employee to be absent from work.

(f) If an appointing authority has evidence that an employee cannot perform the employee's duties because of illness or disability, if the employee has accumulated sick leave, and if the employee refuses or fails to apply for sick leave, the appointing authority may require the employee to use sick leave, and upon exhaustion of the employee's sick leave, may require use of any accumulated vacation leave or compensatory credits. An appointing authority may request a written release by a physician before the employee is allowed to return to work. If the employee has exhausted all sick leave, accumulated vacation leave, or compensatory credit, the appointing authority may grant the employee leave without pay as provided in K.A.R. 1-9-6(c).

(g) If an employee or a member of the employee's family as specified in paragraph (e)(2) above becomes ill while the employee is taking vacation leave, and for all intents and purposes, is deprived of all or a significant portion of the vacation due to the illness, the appointing authority, upon request of the employee, may charge to sick leave some or all of the time the employee or family member was ill while on vacation.

(h) Each employee who is injured on the job and awarded workers' compensation shall be granted use of accumulated leave. The compensation for accumulated leave used each payroll period shall be that amount which, together with workers' compensation pay, equals the regular salary for the employee. Unless the employee requests otherwise, vacation leave credits and compensatory time credits shall be used only after sick leave credits have been exhausted. Workers' compensation days credited back to the employee shall be in multiples of half days only.

(i) Each former employee who had unused sick leave at time of separation, and who returns to the service to a permanent position within a year, shall have the unused sick leave returned to the employee's credit. This provision shall not apply to a person who has retired from the state service.

(j) Persons retiring from the classified or unclassified service who have completed eight or more years of service and who have accumulated 800 hours or more of sick leave shall be compensated for a portion of the accumulation pursuant to the provisions of K.S.A. 75-5517. Effective February 1, 1993, calculation for payment of accumulated sick leave as of the date of retirement shall be made using the rates set forth in K.A.R. 1-5-21. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-3707, K.S.A. 75-3746; effective May 1, 1979; amended, E-81-23, Aug. 27, 1980; amended May 1, 1981; amended May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended Sept. 26, 1988;

amended July 16, 1990; amended Jan. 6, 1992; amended Aug. 3, 1992.)

1-9-13. Payment for accumulated vacation leave and compensatory time credits upon separation. (a) Except as provided in subsection (b), any employee who resigns or is otherwise separated from the service shall be paid for that employee's accumulated vacation leave and compensatory time credits at the same time the employee is paid for the last day at work. Pay for an employee's vacation leave or compensatory time credit shall be calculated using the rates set forth in K.A.R. 1-5-21 and, with respect to overtime eligible employees, the provisions of K.A.R. 1-5-24(f)(4). Pay for such vacation or compensatory time credit shall be a lump sum addition to the employee's last paycheck.

(b) Each employee who retires from the service shall be paid for that employee's accumulated vacation leave and compensatory time credits. For the purpose of calculating the payment for leave credit earned as provided for in this regulation, the date of the employee's retirement from the service may be the employee's last day actually worked, or if the employee chooses, the last day in pay status.

(1) If the employee elects to use the last day actually worked, pay for the employee's vacation leave, holiday pay, or compensatory time as of the date of retirement shall be calculated using the rates set forth in K.A.R. 1-5-21 and, with respect to overtime eligible employees, the provisions of K.A.R. 1-5-24(f)(4).

(2) If the employee elects to use the last day in pay status, the employee shall continue to accrue leave and holidays and shall be paid in the regular manner until all vacation leave, holiday pay, or compensatory time is exhausted.

(c) This regulation shall be effective on or after February 1, 1993. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-3746; effective May 1, 1979; amended May 1, 1984; amended May 1, 1985; amended, T-86-36, Dec. 11, 1985; amended, T-87-11, May 1, 1986; amended May 1, 1987; amended Feb. 1, 1993.)

1-9-18. Equal employment opportunity; affirmative action; discrimination prohibited. (a) Equal employment opportunity is the right of all persons to work and to advance on the basis of merit and ability without regard to race, color, national origin, age, sex, disability, or political or religious affiliation and may be achieved by appropriate affirmative action efforts.

(b) Affirmative action is a deliberate and sustained effort to identify and eliminate barriers to the employment and advancement of members of protected groups. The goal of affirmative action initiatives is to achieve, at all levels, a state government work force whose composition approximates the percentage of females, minorities and persons with disabilities in the available state resident work force.

(1) Each agency shall implement a plan of affirmative action in order to identify areas of underutilization, initiate programs designed to address underutilization and implement programs and policies designed to promote equal employment opportunity.

(2) Each agency shall keep complete and accurate employment records and statistics which provide information for evaluation and analysis of current and past employment practices. Each agency shall provide such data in the manner and on the forms required by the secretary of administration.

(3) Each appointing authority shall establish such goals and target dates as are necessary to effectuate agency-level and statewide affirmative action plans for equal employment opportunity.

(c) Discrimination against any applicant for, or employee in, the classified service in recruitment, examination, appointment, training, promotion, retention, discipline, or any other aspect of personnel administration because of political or religious opinion or affiliation or because of race, sex, national origin, ancestry, disability, association with or relationship to a person with a disability or any other non-merit factors shall be prohibited. Discrimination on the basis of age, sex, or disability shall be prohibited except where specific age, sex, mental or physical requirements constitute a bona fide occupational qualification necessary to proper and efficient administration or are expressly authorized or permitted by law. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-3746; effective May 1, 1979; amended Aug. 3, 1992.)
