Kansas Arts Commission

Notice of Local Arts Agency Salary Assistance Program

Community arts organizations without salaried, full-time directors may submit applications to the Kansas Arts Commission for supplementary funding through the Salary Assistance Program, intended to help local arts agencies provide salary and benefit support for first-time, full-time executive directors.

Only local agencies, incorporated in Kansas, with part-time or volunteer directors are eligible. A local arts agency is defined as an officially designated public or private, not-for-profit council, commission, society or organization which by its charter and operating policies is publicly accountable to provide service, support, programming and/or financial support for the arts in the community it serves.

The Association of Community Arts Agencies of Kansas is co-hosting with the commission a pair of workshops on the Salary Assistance Program at the association offices, 114 W. Walnut, Salina. The session for current recipients will be from 1 to 4 p.m. July 7. The session for new applicants will be from 9 a.m. to 4 p.m. July 8. Persons planning to attend should call the association at (913) 825-2700.

The deadline for Salary Assistance Program applications to be received in the commission office is 5 p.m. September 15. The grants will be awarded in November.

One-year budgets and long-range organizational plans will be required from first-time applicants. The 1993 grants will be awarded in November. New applicant organizations may request up to 50 percent of the salary, benefit and travel expenses for a full-time executive director during the first year. The 1992 grantees will update their original applications to qualify for second-year funding, at a rate of 25 percent of expenses.

Funding for this program was provided last year through a grant to the commission of \$100,000 from the Locals Program of the National Endowment for the Arts, a federal agency.

For more information, guidelines and application forms, contact the Kansas Arts Commission, 700 Jackson, Suite 1004, Topeka 66603-3758, (913) 296-3335 (Kansas Relay Service: 1-800-766-3777), 8 a.m. to 5 p.m. weekdays.

Kansas Arts Commission

Notice of Design Arts/Capital Aid
Grant Program

Organizations in Kansas communities may apply to the Design Arts/Capital Aid Program of the Kansas Arts Commission for assistance in planning, developing and outfitting cultural facilities.

The Design Arts/Capital Aid Program offers assistance for projects or portions of projects that take place during fiscal year 1993. Not-for-profit, incorporated, tax-exempt organizations or public agencies are eligible to apply.

The four program components:

Arts Facilities Planning Grants support such activities as conducting community arts needs assessments, studying structural and space feasibility, or planning for program expansion in relation to development of arts facilities. These grants of up to \$5,000 must be matched one-to-one with cash revenue not used to match any other KAC grant.

Capital Aid Grants for arts facilities are intended to assist with the acquisition of buildings or real property, funding of renovations or improvements involving structural change, and purchases of equipment related to arts programs. Grants may not be used for office or computer equipment. A priority will be given to projects that improve accessibility for persons with disabilities.

Grants of up to \$25,000 may be requested, but every state dollar must be matched with \$2 of local cash revenue. Revenue used to match other KAC grants may not be used as matching funds. Organizations that have received capital aid grants in past years may apply this fiscal year.

Accessibility Needs Assessments are non-matching grants provided by the KAC to pay the costs of audits of arts facilities to determine accessibility to all persons in their communities. The audits will be one step that an organization may take to guide them as they plan for compliance with federal and state laws that mandate a minimum standard of accessibility in all public buildings.

Only not-for-profit, tax-exempt Kansas organizations and public agencies that own facilities used for arts programs are eligible. Organizations using public or private facilities other than their own are encouraged to direct facility owners to the availability of these grants.

The commission will award grants on a first-come, first-served basis until reserved funds are gone. Grants will be in amounts equal to the accessibility auditor's fee, up to a maximum of \$1,000. The local organizations will identify accessibility auditors in their area and schedule the audits of their facilities. In cases of lawsuits resulting from questions of accessibility in facilities audited as a part of this program, the commission may not be held liable and does not assume any duty or warrant the results of the audit.

An accessibility auditor must have received training in interpreting the Americans with Disabilities Act. Participation in training workshops presented, approved or funded by the Federal Department of Justice, the Equal Employment Opportunity Commission, or the Disability Rights Education and Defense Fund qualify an accessibility auditor to participate in the program.

Design Arts Consultants Pool assistance is offered on a first-come, first-served basis until available funds are exhausted. An applicant may request support from the KAC to use one or more design consultants for up to 10 days.

Applications for the Arts Facilities Planning and Capital Aid grants must be received in the commission office by 5 p.m. August 25. Applications for accessibility needs assessments and to the consultants pool will be accepted through the year. For guidelines and application forms, contact the Kansas Arts Commission, 700 Jackson, Suite 1004, Topeka 66603-3758, (913) 296-3335 (Kansas Relay Service: 1-800-766-3777).

Funding is provided through a grant from the National Endowment for the Arts, a federal agency, and through an appropriation by the 1992 Kansas Legislature of Economic Development Initiative Funds, revenue generated by the Kansas Lottery.

Social and Rehabilitation Services

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, August 4, in the SRS Staff Development conference room, 300 S.W. Oakley, Topeka, to consider the adoption of proposed changes in existing rules and regulations on a permanent basis. This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Social and Rehabilitation Services, Room 603-N, Docking State Office Building, 915 S.W. Harrison, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are scheduled to become effective October 1, 1992. A summary of the proposed regulations and their economic impact follows.

The phrase "Federal Mandate" following an item indicates that the change is required by federal policy. Optional changes in regulations related to federal programs are subject to approval by the U.S. Department of Health and Human Services.

Article 2.—GENERAL

30-2-16. Permanency planning goals for title IV-E of the federal social security act. This regulation is being amended to change the date of the federal fiscal year permanency planning goals. (Federal Mandate.)

Economic Impact: This regulation precludes the federal government from withholding money which the agency would otherwise receive under Titles IV-B and IV-E of the federal Social Security Act.

Article 4.—PUBLIC ASSISTANCE PROGRAM

30-4-73. Deprivation in ADC. This regulation is being amended to expand the quarter of work provisions

under which a family can qualify for ADC based on the unemployment of a parent. Although a parent must earn not less than \$50 in six or more calendar quarters to be eligible, all quarters within a calendar year shall now be deemed to meet this requirement if the individual's earnings for the calendar year are equal to or greater than the earnings standard set by the Social Security Administration for counting covered quarters for Social Security purposes.

Economic Impact: It is estimated that this change will permit one more family a month to qualify for ADC resulting in a savings to the state as such families would otherwise qualify for state funded general assistance. This will result in a yearly savings of \$28,999, as this amount of federal match will now be available to these families.

This regulation is being further amended to include a number of technical changes in language for added clarity.

Economic Impact: None.

30-4-109. Personal property. This regulation is being amended to add an additional exemption. Escrow accounts established for families participating in the family self-sufficiency program through the Department of Housing and Urban Development shall be exempt as personal property. Interest earned on such accounts shall also be exempted as income. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact as such accounts are not legally available to the family and would have been exempted under other provisions.

30-4-112. Income exempt from consideration as income and as a cash asset. This regulation is being amended to add a new exemption for payments granted to the Aroostook Band of Micmac Indians under Public Law 102-171. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact.

This regulation is being further amended to add a new exemption for payments from the Radiation Exposure Compensation Trust Fund made by the Department of Justice. (Federal Mandate.)

Economic Impact: This change is expected to result in three additional families per year becoming eligible for cash assistance for an increase in yearly expenditures of \$12,405 (\$5,155 state general funds).

Article 5.—PROVIDER PARTICIPATION,
SCOPE OF SERVICES, AND REIMBURSEMENTS
FOR THE MEDICAID (MEDICAL
ASSISTANCE) PROGRAM

30-5-86. Scope of services by community mental health centers. This regulation is being amended to modify the wording to reflect minor policy changes and to use more current terminology. The prior authorization requirement is removed from services delivered in the recipient's home.

Economic Impact: The economic impact is minimal. There will be savings in the cost of long distance phone calls in response to a prior authorization request.

30-5-114. Scope of targeted case management services. This regulation is being amended to add the scope of services for targeted nurse case management and to add the words "mental retardation" to the previous description of targeted case management.

Economic Impact: There will be an initial cost of \$46,656 (\$19,240 state general funds) for the addition of these services. It is anticipated that there will be a cost savings of \$101,514 (\$41,864 state general funds) as a result of avoided hospitalizations through this service.

Article 6.—MEDICAL ASSISTANCE PROGRAM—CLIENTS' ELIGIBILITY FOR PARTICIPATION

30-6-73. Deprivation in ADC. This regulation is being amended to expand the quarter of work provisions under which a family can qualify for ADC based on the unemployment of a parent. Although a parent must earn not less than \$50 in six or more calendar quarters to be eligible, all quarters within a calendar year shall now be deemed to meet this requirement if the individual's earnings for the calendar year are equal to or greater than the earnings standard set by the Social Security Administration for counting covered quarters for social security purposes. (Federal Mandate.)

Economic Impact: See the economic impact statement for K.A.R. 30-4-73.

This regulation is also being amended to include a number of technical changes in language for added clarity.

Economic Impact: None.

30-6-106. General rules for consideration of resources, including real property, personal property, and income. This regulation is being amended to adopt on a permanent basis the July 1, 1992, temporary change which increased the income level upon which the community spouse and dependent family member allowances are based to 150 percent of the federal poverty level. (Federal Mandate.)

Economic Impact: This change is expected to increase the community spouse allowance for approximately 754 persons resulting in a total cost increase of \$808,027 (\$335,816 state general funds).

This regulation is being further amended to clarify the provision regarding consideration of resources under the spousal impoverishment rules. If a spouse is institutionalized on or after September 30, 1989, the property of both spouses is considered in determining the eligibility of the institutionalized spouse based on the amount of property in excess of the community spouse property allowance whether or not such allowance will be made. If the excess property is within the allowable resource standards of K.A.R. 30-6-107, the institutionalized spouse is eligible. In the month following the first month of eligibility for the institutionalized spouse, only the property of the institutionalized spouse shall be considered available in determining continuing eligibility except for property to be transferred. Other technical changes in language have also been included.

Economic Impact: This change is not expected to have any discernible economic impact as it merely clarifies current policy.

30-6-109. Personal property. This regulation is being amended to add an additional exemption. Escrow accounts established for families participating in the family self-sufficiency program through the Department of Housing and Urban Development shall be exempt as personal property. Interest earned on such accounts shall also be exempted as income. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact as such accounts are not legally available to the family and would have been exempted under other provisions.

30-6-112. Income exempt from consideration as income and as a cash asset. This regulation is being amended to add a new exemption for payments granted to the Aroostook Band of Micmac Indians under Public Law 102-171. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact.

This regulation is being further amended to add a new exemption for payments from the Radiation Exposure Compensation Trust Fund made by the Department of Justice. (Federal Mandate.) Other technical changes have also been made.

Economic Impact: This change is expected to result in three additional individuals per year becoming eligible for medical assistance for an increase in yearly expenditures of \$40,077 (\$16,656 state general funds).

Article 10.—ADULT CARE HOME PROGRAM

30-10-214. ICF-MR rates of reimbursement. This regulation is being amended to permit an ICF-MR to submit a plan to close the ICF-MR. The plan must include a schedule for placement of residents out of the facility and a projected budget for the cost of operating the facility while closure is occurring. If approved by the secretary, the plan may then be implemented.

Economic Impact: None. The plan, which must include a projected budget for operating the facility while closure is occurring, may be approved at the discretion of the secretary. One consideration in approval of the plan is whether the total cost of serving the residents involved is no greater than if the ICF-MR were to remain open.

Copies of the regulations and their economic impact statements may be obtained from the Office of the Secretary, Room 603-N, Docking State Office Building, Topeka 66612, (913) 296-3969.

The public is invited to this meeting. Telephone hook-ups are provided at the following locations of Social and Rehabilitation Services offices: Chanute, Emporia, Garden City, Hays, Hutchinson, Kansas City, Lawrence, Manhattan, Olathe, Salina, Topeka (area office), and Wichita.

Harrison, Topeka, in order to allow interested parties to express their views and comment on proposed regulations 36-37-2 through 36-37-7. Unlawful practices under K.S.A. 44-1017(a) include, but are not limited to, failing or refusing to provide to any person, in connection with a residential real estate-related transaction, information regarding the availability of loans or other financial assistance, application requirements, procedures or standards for the review and approval of loans or financial assistance, or providing information which is inaccurate or different from that provided others, because of race, religion, color, sex, disability, familial status, national origin or ancestry. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1017; effective, T—, —; effective Aug. 17, 1992.)

(a) It shall be unlawful for any person or entity engaged in purchasing loans or other debts or securities which support the purchase, construction, improvement, repair or maintenance of a dwelling, or which are secured by residential real estate, to refuse to purchase such loans, debts, or securities, or to impose different terms or conditions for such purchases, because of race, religion, color, sex, disability, familial status, national origin or ancestry.

(b) Unlawful practices under this act include, but are not limited to:

(1) purchasing loans or other debts or securities which relate to or are secured by real property in cer-

(3) imposing or using different terms or conditions on the marketing or sale of securities issued on the basis of loans or other debts or securities which relate to or which are secured by real property because of race, religion, color, sex, disability, familial status, national origin or ancestry.

(c) Any person or entity engaged in the purchasing of loans may consider factors justified by business necessity, including requirements of federal law, and factors relating to a transaction's financial security or to protection against default or reduction of the value of the security. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1017; effective, T—, —; effective Aug. 17, 1992.)

21-60-12. Discrimination in the terms and conditions for making available loans or other financial assistance. (a) It shall be unlawful for any person or entity engaged in making loans or providing other financial assistance relating to the purchase, construction, improvement, repair or maintenance of dwellings or in making loans which are secured by residential real estate, to impose different terms or conditions for the availability of such loans or other financial assistance because of race, religion, color, sex, disability, familial status, national origin or ancestry.

(b) Unlawful practices under this act include, but are not limited to:

(1) Using different policies, practices or procedures in evaluating or in determining the creditworthiness of any person in connection with the provision of any loan or other financial assistance for a dwelling, or for any loan or other financial assistance which is secured by residential real estate, because of race, religion, color, sex, disability, familial status, national origin or ancestry; and

(2) Determining the type of loan or other financial assistance to be provided with respect to a dwelling, or fixing the amount, interest rate, duration or other terms for a loan or other financial assistance for a dwelling, or for any loan or other financial assistance which is secured by residential real estate, because of race, religion, color, sex, disability, familial status, national origin or ancestry. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1017; effective, T—, —; effective Aug. 17, 1992.)

21-60-13. Unlawful practices in the selling, brokering, or appraising of residential real property. (a) It shall be unlawful for any person or other entity whose business includes engaging in the selling, brokering or appraising of residential real property to discriminate against any person in making available such services, or in the performance of such services, be-

(continued)

cause of race, religion, color, sex, disability, familial status, national origin or ancestry.

(b) For the purpose of this act, the term "appraisal" means an estimate or opinion of the value of a specified residential real property made in a business context in connection with the sale, rental, financing or refinancing of a dwelling, or in connection with any activity that otherwise affects the availability of a residential real estate-related transaction, whether the appraisal is oral or written, or transmitted formally or informally. The appraisal includes all written comments and other documents submitted as support for the estimate or opinion of value.

(c) Practices which are unlawful under this act include, but are not limited to, using an appraisal of residential real property in connection with the sale, rental, or financing of any dwelling where the person knows or reasonably should know that the appraisal improperly takes into consideration race, religion, color, sex, disability, familial status, national origin or ancestry. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1017; effective, T—, —; effective Aug. 17, 1992.)

21-60-14. Prohibitions against discrimination because of disability; definitions. (a) "Accessible," when used with respect to the public and common use areas of a building containing covered multifamily dwellings, means that the public or common use areas of the building can be approached, entered, and used by individuals with physical disabilities. The phrase "readily accessible to and usable by" is synonymous with accessible. (b) "Accessible route," when used with respect to the public and common areas of a building containing covered multifamily dwellings, means a continuous unobstructed path connecting accessible elements and spaces in a building or within a site that can be negotiated by a person with a severe disability using a wheelchair and that is also safe for and usable by people with other disabilities. Interior accessible routes may include corridors, floors, ramps, elevators and lifts. Exterior accessible routes may include parking access aisles, curb ramps, walks, ramps and lifts. A building entrance that complies with the appropriate requirements of K.S.A. 1991 Supp. 44-1016(h)(4) or a comparable standard complies with the requirements of this act.

(e) "Common use areas" means rooms, spaces or elements inside or outside of a building that are made available for the use of residents of a building or the guests thereof. These areas include hallways, lounges, lobbies, laundry rooms, refuse rooms, mail rooms, recreational areas and passageways among and between buildings.

(l) "Interior" means the spaces, parts, components or elements inside of an individual dwelling unit.

(m) "Modification" means any change to the public or common use areas of a building or any change to a dwelling unit.

(n) "Premises" means the interior or exterior spaces, parts, components or elements of a building, including individual dwelling units and the public and common use areas of a building.

(o) "Public use areas" means rooms or spaces of a building that are made available to the general public. Public use areas may be provided at a building that is privately or publicly owned.

(p) "Site" means a parcel of land bounded by a property line or a designated portion of a public right of way. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1016; effective, T—, —; effective Aug. 17, 1992.)

21-60-15. Permissible inquiries under K.S.A. 44-1016(h). K.S.A. 44-1016(h) does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they have disabilities:

(a) Inquiry into an applicant's ability to meet the requirements of ownership or tenancy;

(b) Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability;

(c) Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with a particular type of disability;

(d) Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance; and

(e) Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1016; effective, T-____, ____; effective Aug. 17, 1992.)

21-60-16. Reasonable modifications of existing premises. (a) It shall be unlawful for any person to refuse to permit, at the expense of a disabled person, reasonable modifications of existing premises occupied or to be occupied by a disabled person, of the proposed modifications may be necessary to afford the disabled person full enjoyment of the premises of a dwelling.

(b) In the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted.

(c) The landlord may not increase for disabled persons any customarily required security deposit. However, where it is necessary in order to ensure with reasonable certainty that funds will be available to pay for the restorations at the end of the tenancy, the landlord may negotiate as part of such a restoration agreement a provision requiring that the tenant pay into an interest bearing escrow account, over a reasonable period, a reasonable amount of money not to exceed the cost of the restorations. The interest in any such account shall accrue to the benefit of the tenant.

(d) A landlord may condition permission for a modification on the renter providing a reasonable description of the proposed modifications as well as reasonable assurances that the work will be done in a workmanlike manner and that any required building permits will be obtained. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1016; effective, T-____, ____; effective Aug. 17, 1992.)

21-60-17. Design and construction requirements.

(a) On or after July 1, 1992, covered multifamily residential real property designed and constructed for first occupancy after January 1, 1992 shall have at least one building entrance on an accessible route, unless it is impractical to do so because of the terrain or unusual characteristics of the site. For purposes of this paragraph, covered multifamily residential real property shall be deemed to be designed and constructed for first occupancy on or before January 1, 1992, if the covered multi-family residential real property is occupied by that date or if the last building permit or renewal thereof for the covered multifamily residential real property is issued by a State, county or local government on or before January 1, 1992. The burden of establishing impracticality because of terrain or unusual site characteristics is on the person or persons who designed or constructed the housing facility.

(b) Compliance with a duly enacted law of the State of Kansas or unit of local government that includes the requirements of paragraph (h) of K.S.A. 44-1016 satisfies the requirements of this act.

(c) The State of Kansas or unit of general local government may review and approve newly constructed multifamily residential real property for the purpose of making determinations as to whether the requirements of paragraph (h) of K.S.A. 44-1016 are met.

(f) Determinations of compliance or noncompliance by the State of Kansas or a unit of general local government under paragraph (c) are not conclusive in proceedings under this act. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1016; as amended by 1992 H.B. 3164, § 1 and 6; effective July 1, 1992; effective, T-____, ____; effective Aug. 17, 1992.)

21-60-18. State and federal elderly housing programs. The provisions regarding familial status in this act shall not apply to housing provided under any Federal or State program that the Secretary of the United States Department of Housing and Urban Development determines is specifically designed and operated to assist elderly persons, as defined in the State or Federal program. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1016, 44-1018; effective, T-____, ____; effective Aug. 17, 1992.)

21-60-19. 62 or over housing. The provisions regarding familial status in this act shall not apply to housing intended for, and solely occupied by, persons 62 years of age or older. Housing satisfies the requirements of this act even though:

(a) There are persons residing in such housing on January 1, 1992, who are under 62 years of age, provided that all new occupants are persons 62 years of age or older;

(b) There are unoccupied units, provided that such units are reserved for occupancy by persons 62 years of age or over;

(c) There are units occupied by employees of the housing units (and family members residing in the same unit) who are under 62 years of age, provided, they perform substantial duties directly related to the management or maintenance of the housing. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1016, 44-1018; effective, T-____, ____; effective Aug. 17, 1992.)

21-60-20. 55 or over housing. (a) The provisions regarding familial status shall not apply to housing intended and operated for occupancy by at least one person 55 years of age or older per unit, provided that the housing satisfies the requirements of subparagraphs (b)(1) or (b)(2) and the requirements of subsection (c).

(b)(1) The housing facility has significant facilities and services specifically designed to meet the physical and social needs of older persons. "Significant facilities and services specifically designed to meet the physical or social need of older persons" means, but is not limited to:

- (A) social and recreational programs;
- (B) continuing education;
- (C) information and counseling;

(continued)

(D) recreational, homemaker, outside maintenance and referral services;

(E) an accessible physical environment;

(F) emergency and preventive health care or programs;

(G) congregate dining facilities;

(H) transportation to facilitate access to social services; and

(I) services designed to encourage and assist residents to use the services and facilities available to them (the housing facility need not have all of these features to qualify for the exemption under this subparagraph); or

(2) It is not practicable to provide significant facilities and services designed to meet the physical and social needs of older persons and the housing facility is necessary to provide important housing opportunities for older persons. In order to satisfy this subparagraph (b)(2), the owner or manager of the housing facility must demonstrate through credible and objective evidence that the provision of significant facilities and services designed to meet the physical or social needs of older persons would result in depriving older persons in the relevant geographic area of needed or desired housing. The following factors, among others, are relevant in meeting the requirements of subparagraph (b)(2):

(A) whether the owner or manager of the housing facility has endeavored to provide significant facilities and services designed by the owner or a contractual third party to meet the physical or social needs of older persons. Demonstrating that such services and facilities are expensive to provide is not alone sufficient to demonstrate that the provision of such services is not practicable;

(B) the amount of rent charged, if the dwellings are rented, or the price of the dwellings, if they are offered for sale;

(C) the income range of the residents of the housing facility;

(D) the demand for housing for older persons in the relevant geographic area;

(E) the range of housing choices for older persons within the relevant geographic area;

(F) the availability of other similarly priced housing for older persons in the relevant geographic area; and

(G) the vacancy rate of the housing facility.

(3) If similarly priced housing for older persons with significant facilities and services is reasonably available in the relevant geographic area, then the housing facility does not meet the requirements of this subsection (2).

(c)(1) On and after July 1, 1992, at least 80% of the units in the housing facility are occupied by a least one person 55 years of age or older per unit, except that a newly constructed housing facility designed and constructed for first occupancy after January 1, 1992, need not comply with this subsection (c)(1) until 25% of the units in the facility are occupied; and

(2) The owner or manager of a housing facility publishes and adheres to policies and procedures which demonstrate an intent by the owner or manager to

provide housing for persons 55 years of age or older. The following factors, among others, are relevant in determining whether the owner or manager of a housing facility has complied with the requirements of paragraph (c)(2):

(A) the manner in which the housing facility is described to prospective residents;

(B) the nature of any advertising designed to attract prospective residents;

(C) age verification procedures;

(D) lease provisions;

(E) written rules and regulations; and

(F) actual practices of the owner or manager in enforcing relevant lease provisions and relevant rules or regulations.

(3) Effective July 1, 1992, housing satisfies the requirements of this section even though:

(A) On January 1, 1992, under 80% of the occupied units in the housing facility are occupied by at least one person 55 years of age or older per unit, provided that at least 80% of the units that are occupied by new occupants after January 1, 1992 are occupied by at least one person 55 years of age or older;

(B) there are unoccupied units, provided that least 80% of such units are reserved for occupancy by at least one person 55 years of age or over; or

(C) there are units occupied by employees of the housing (and family members residing in the same unit) who are under 55 years of age, provided they perform substantial duties directly related to the management or maintenance of the housing. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1016, 44-1018, as amended by 1992 H.B. 3164, §2 and 6; effective July 1, 1992; effective, T____, ____; effective Aug. 17, 1992.)

21-60-21. Prohibited interference, coercion or intimidation. Conduct made unlawful under K.S.A. 1991 Supp. 44-1027 includes, but is not limited to, the following:

(a) Coercing a person either orally, in writing or by other means to deny or limit the benefits provided a person in connection with the sale or rental of real property, or in connection with a residential real estate-related transaction, because of race, religion, color, sex, disability, familial status, national origin or ancestry;

(b) Threatening, intimidating or interfering with persons in their enjoyment of real property because of the race, religion, color, sex, disability, familial status, national origin or ancestry of such persons, or of visitors or associates of such persons;

(c) Threatening an employee or agent with dismissal or an adverse employment action, or taking such adverse employment action, for any effort to assist a person seeking access to the sale or rental of real property or seeking access to any residential real estate-related transaction, because of the race, religion, color, sex, disability, familial status, national origin or ancestry of that person or of any person associated with that person;

(d) Intimidating or threatening any person because that person is engaging in activities designed to make other persons aware of, or to encourage such other

persons to exercise, rights granted or protected by this act; and

(e) Retaliating against any person because that person has made a complaint, testified, assisted, or participated in any manner in a proceeding under the act. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1027; effective, T-____, ____; effective Aug. 17, 1992.)

21-60-22. Complaints alleging unlawful housing practices. (a) The procedures under this act for investigation and conciliation of complaints will be conducted in accordance with K.A.R. Sections 21-41, 21-42 and 21-43 to the extent these procedures are in compliance with K.S.A. 1991 Supp. 44-1019 and 44-1020. Unless referred to an appropriate local agency pursuant to K.S.A. 1991 Supp. 44-1019(c), the Commission shall commence investigation of the allegations of the complaint with 30 days after receipt of the complaint.

(b) Hearing shall be conducted in accordance with the provisions of the Kansas Administrative Procedure act and K.A.R. Section 21-45. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1019; effective, T-____, ____; effective Aug. 17, 1992.)

21-60-23. Conciliation and conciliation agreements. (a) During the period beginning with the filing of the complaint and ending with either the serving of a notice of hearing under the provisions of K.S.A. 1991 Supp. 44-1019 or the dismissal of the complaint by the Commission, the Commission shall, to the extent feasible, attempt to conciliate the complaint.

(b) Where the aggrieved person has commenced a civil action under an act of Congress or a State law seeking relief with respect to the alleged discriminatory housing practice, and the trial in the action has commenced, the Commission shall terminate conciliation unless the court specifically requests assistance from the Commission.

(c) Conciliation agreements shall be made public, unless the aggrieved person and respondent request nondisclosure and the Commission determines that disclosure of a conciliation agreement is not required. The Commission may make public tabulated descriptions of the results of all conciliation efforts. (Authorized by K.S.A. 1991 Supp. 44-1004; implementing K.S.A. 1991 Supp. 44-1019; effective, T-____, ____; effective Aug. 17, 1992.)
