Following the hearing, all written and oral comments submitted will be considered by the Kansas State Board of Pharmacy as a basis for making changes to the proposed regulations. Copies of the proposed regulations and economic impact statement may be obtained by contacting the board at the address above or by calling (913) 296-4056.

A summary of the regulations follows:

**68-2-20.** Limits all refills to one year and adds the requirement to patient counseling to notify if brand exchange occurs. There is no anticipated economic impact on the board, other governmental agencies, registrants or the general public.

**68-7-12.** Add to policy and procedure manual a method to record an incident report of any error in filling a prescription. There is no anticipated economic impact on the board, other governmental agencies, registrants or the general public.

**68-11-1.** Increase fee for licensure exam to \$275 and penalty for late licensure renewal of the pharmacist to \$150. There is no anticipated economic impact to other governmental agencies or the general public. The impact to the board is minimal, as the exam fee increase is offset with the increase of the cost of the exam. The impact to registrants is a greater penalty for late renewal.

**68-12-2.** To prohibit the returning of any prescription medication in any packaging which is dispensed from the pharmacy as FDA deems proper policy. There is no anticipated economic impact on the board, other governmental agencies or registrants. There may be an impact on the general public until the prescriber, pharmacy and adult care facility realizes that certain prescriptions should be ordered and dispensed prudently within limits.

## Opinion No. 92-87

**Counties and County Officers—County Attorney—Duties; Opinions and Advice to County; Who is a Civil Officer; Expenditure of Money for Legal Counsel to County Officer or Employee who is Target of Grand Jury Proceeding.** Brad L. Jones, Coffey County Attorney, Burlington, July 7, 1992.

The board of county commissioners has statutory authority pursuant to K.S.A. 19-723 to hire an additional attorney to perform county attorney functions if it deems such an action necessary and expedient. The additional counsel or the county attorney, whichever the case may be in that particular situation, shall give advice and legal opinions to civil officers and may give advice and legal opinions to county employees if the board of county commissioners determines that the person requesting advice has acted within the scope of their employment, the employee acted in good faith, and it is a matter which is of interest to the county. The board of county commissioners may authorize the reimbursement of legal fees incurred by the retention of independent legal counsel for a county officer or employee as long as there is a public purpose for the expenditure and the claims are presented to the board of county commissioners in accordance with K.S.A. 1991 Supp. 12-105b(a). Such an expenditure of funds should be made on a case-by-case basis to determine whether the employee or officer was asking for reimbursement of legal fees based on actions that were within his or her scope of employment, whether the employee or officer acted in good faith and whether the services for which fees are sought concerned a matter in which the county had an interest. **Fees and Salaries—Fees in All Counties and Salaries in Certain Counties—Allowable Fees for a Private Process Server.** Chris Biggs, Geary County Attorney, Junction City, July 7, 1992.

Since the language of the statutes do not allow for an increase in the allowable fees for private process servers and because the county's home rule powers (K.S.A. 19-101) would not be applicable in this instance, it is this office's opinion that the county cannot compensate private process servers in an amount in excess of that which is set out in K.S.A. 1991 Supp. 28-110. Under a privileges and immunities and equal protection analysis a city may restrict nonresidents' use of city parks. In order to pass constitutional scrutiny, the level of discrimination must be offset by a reasonable justification. Cited herein: U.S. Const., art 4, § 1; Amend. 14th. SP

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. (e) Each qualified project which has been approved for funding by the secretary shall be submitted by the secretary within 30 days of such approval to the governor's council on work force training for review and approval. **110-4.3. Limit on maximum funding amount.** The limitation on program costs set forth in K.S.A. 74-50,104(b) of the SKILL act shall limit only the maximum funding amount for each qualified project and shall not limit the amount of project costs which are to be paid for sources other than the SKILL program services fund. (Authorized by and implementing K.S.A. 1991 Supp. 74-50,104, 74-50,105; effective, T-110-3-27-92, March 27, 1992; effective, T-\_\_\_\_, \_\_\_\_; effective Sept. 8, 1992.)
