**Notice of Commencement of Negotiations
for Technical Services**

Notice is hereby given of the commencement of negotiations for technical consultant services for Fort Hays State University. The university wishes to retain an environmental consultant to conduct an investigation and make recommendations in the elimination of airborne contaminants in Rarick Hall. The building was constructed in the 1980s and houses the art department on the first floor, and liberal arts classrooms and offices on the second and third floors. It appears a complex indoor air quality problem exists in the building with the potential for occupational exposures to airborne contaminants in certain areas.

This project will consist of three phases:

Phase One—Information Gathering;

Phase Two—Measurement and Characterization; and

Phase Three—Corrective Actions.

Any questions or expressions of interest should be directed to George Steele, Division of Architectural Services, 625 Polk, Topeka 66603, (913) 233-9367, on or before October 16. An original and five copies of the SF 255 form (plus attachments as required) should be submitted with letters of interest.

Opinion No. 92-119

Schools—Boards of Education—Change of Method of Election—Right to Change voting Plan or Method of Election; Plan of Change When District Method Proposed; Time When Change May be Made. Thomas Powell, Counsel for United School District No. 259, Wichita, September 14, 1992.

The legislature has effectively placed a moratorium during that period running from the first Wednesday following the first Tuesday in December of even-numbered years to the Tuesday immediately preceding the first Wednesday in April of odd-numbered years on elections regarding a change in the method of election or voting plan for members of a board of education. Because Tuesday, April 6, 1993, falls within that period of time subject to the moratorium, no election regarding a change in the method of election or voting plan for members of a board of education may be conducted on April 6, 1993. The provisions of K.S.A. 72-8004 are mandatory. If, in order to meet federal requirements proposed member districts cannot be drawn so as to comply with the conditions set forth in K.S.A. 72-8004, a change in the method of election or voting plan may not be made. Cited herein: K.S.A. 72-8001; 72-8004; 72-8005; 72-8008; 72-8009; 42 U.S.C. § 1971. RDS

Cities and Municipalities—City-Manager Plan; General Provisions—Commission-Manager Plan; Abandonment of Plan; Election; Petition; Retrospective Application of Amendment.

Elections—Sufficiency of Petitions—Application to All State and Local Elections; Opinion of County or District Attorney; Retrospective Application of Amendment. Senator Ben E. Vidricksen, 24th District, Salina, September 14, 1992.

K.S.A. 12-1019 authorizes a petition seeking to bring to an election a question regarding a change in the form of government for a city. K.S.A. 1991 Supp. 25-3601, as amended by L. 1992, ch. 194, § 2, establishes in part the requirements for such petition. The amendment adopted in L. 1992, ch. 194, § 2 is merely procedural in nature, and therefore may be applied retrospectively to petitions being circulated prior to April 30, 1992, the effective date of the amendment. A petition drafted on March 31, 1992, should, prior to its circulation, be submitted to the county attorney for an opinion regarding the legality of the form of the question unless such retrospective application of the requirement results in a manifest injustice. Cited herein: K.S.A. 12-184; 12-1019; K.S.A. 1991 Supp. 25-3601, as amended by L. 1992, ch. 194, § 2; U.S. Const., art. 1, § 10. RDS

A register of deeds presented with a deed, other instrument transferring title to real estate or an affidavit of equitable interest in real estate that does not reflect an exemption listed in K.S.A. 1991 Supp. 79-1437e, as amended, may not insert the necessary language or record the instrument unless it is accompanied by a real estate sales validation questionnaire. **Department of Administration
Division of Architectural Services****Notice of Commencement of Negotiations
for Architectural Services**

Notice is hereby given of the commencement of negotiations for architectural services for the following projects on the campus of Kansas State University—Salina. These projects are as follows:

Residence Hall—This 19,305 gsf facility will provide housing for 100 students (double occupancy), lobby/common space, laundry, director's apartment, storage/mechanical area, and parking for 150 vehicles. The total project budget, including all fees and associated costs, is \$1,750,000. The estimated cost of construction is \$1,300,000.

College Center—This 18,915 gsf facility will provide space for administration, student services, bookstore, cafeteria, lecture hall, continuing education, common/recreational, and storage/mechanical area. The project will include an adjacent parking lot of 200 spaces and the new entry road through the new front gate. The total project budget, including all fees and associated costs, is \$2,400,000. The estimated cost of construction is \$1,800,000.

These projects will be designed by two separate firms under separate contracts. The project sites are adjacent to each other and will be designed/constructed along parallel time frames. It is our intent that the two architectural firms will cooperate during these two projects, but work independently. The design styles of these buildings will need to be complementary to each other as well as the remainder of the campus.

Any questions or expressions of interest should be directed to Gerald R. Carter, AIA, Deputy Director of Planning and Project Management, Division of Architectural Services, 625 Polk, Topeka 66603, (913) 233-9367, on or before October 16. An original and five copies of the SF 255 form (plus attachments as required) should be submitted with letters of interest.

**Commission on Governmental
Standards and Conduct****Advisory Opinion No. 92-30**

Written September 17, 1992, to Kevin Connell, Junction City.

This opinion is in response to your letter of August 31, 1992, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local conflict of interest law (K.S.A. 75-4301 *et seq.*).

We understand you request this opinion in your capacity as a city commissioner for the city of Junction City, Kansas. You advise us you also own and operate a heating and air conditioning business. The business is duly incorporated and you derive a salary from the business. You do not receive a commission on each transaction of the business or on purchases of its goods or services.

You ask several questions which we have categorized as follows:

1. Do you hold a "substantial interest" in purchasers of goods and services from your corporation?
2. If you do hold a "substantial interest" in such purchasers, must they be listed on your disclosure statement?
3. If you do hold a "substantial interest" in such purchasers, must you abstain in your capacity as a city official when any such purchaser has business before the city commission?
4. Under what circumstances may your business contract with the city directly?

K.S.A. 75-4301a defines "substantial interest" in great detail. The only subsection of that section that might apply to the purchasers of goods and services from your corporation is K.S.A. 75-4301a(a)(5). However, since you receive a salary from the corporation and do not receive a commission on each separate transaction, this subsection does not apply. Thus, you do not hold a "substantial interest" in each purchaser of goods and services from your corporation. Therefore, in response to the second question, you need not list the purchasers on your disclosure statement. In response to the third question, you need not abstain in your capacity as a city official on actions concerning such purchases.

Turning to the last question, your business may contract with the city so long as you abstain in your capacity as a city official in those contracts, including not voting, participating in negotiations, or otherwise involving yourself in the contract process (see K.S.A. 75-4303). If the contract is let for competitive bid, this restriction is not required, although it is certainly a recommended procedure.

Advisory Opinion No. 92-31

Written September 17, 1992, to Melvin L. Brose, Dairy Commissioner, Kansas State Board of Agriculture, Division of Inspections, Topeka.

This opinion is in response to your letter of August 5, 1992, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the state conflict of interest law (K.S.A. 46-215 *et seq.*).

We note at the outset the commission's jurisdiction on your question is limited to the application of the above law. Thus, whether some other statutory system, common law, or agency policy applies to your inquiry is not covered by this opinion.

You ask this opinion in your capacity as Kansas Dairy Commissioner. In that capacity you license and inspect dairy operations.

You advise us that a corporation was established in 1981 to systematically transfer ownership of your farm to your children, who are managing and operating the farm, without placing an added debt burden on them to buy the property, and to relieve them of possible inheritance taxes.

You own 51% of the shares of common stock in Sunrise Stock Farm, Inc., which is a dairy farm, however, the majority of its value is the land. You receive no income from this stock or from the operation of the farm. All managerial duties are the responsibility of your son. Your name is not required for any dairy license or permit associated with your job.

K.S.A. 46-286(a) is the only section of the act that might apply to your question. That section states:

No state officer or employee, in the officer's or employee's official capacity, shall participate directly in the licensure, inspection or administration or enforcement of any regulation of or in any contract with any outside organization with which the officer or employee holds a position.

You ask if a conflict exists in owning stock in a dairy business while serving as Dairy Commissioner, and if so, what options are available. The question is whether the ownership of majority stock constitutes "holding a position."

It is our opinion that "holding a position" means being employed, serving on the board of directors, or in some other position with the organization. The mere ownership of stock does not fit with that phrase. Thus, there is no conflict in the situation you have described.

Advisory Opinion No. 92-32

Written September 17, 1992, to Elizabeth Ensley, Shawnee County Election Commissioner, Topeka.

This opinion is in response to your letter of August 28, 1992, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local conflict of interest law (K.S.A. 75-4301 *et seq.*).

We understand you request this opinion in your capacity as Shawnee County Election Commissioner. You advise us that two companies have contacted you concerning the purchase of voting machines.

Both companies are sending you to view the use of their voting machines during state primary elections. You would not be able to see these machines in Kansas elections even if they were available because you would also be putting on an election and would never be able to get away on that day. The companies are paying for the transportation, food and lodging to and

from the election. No funds come to you at all for any part of it. There are no extra days besides the election day and travel days.

Shawnee County has been seriously considering the purchase of a new voting system. You are using these trips to become acquainted with everything that is involved with their particular systems. You have been assured that there is no requirement to purchase.

You ask whether you may accept the transportation, food and lodging expenses from a possible vendor to the county.

Based on the facts that you have represented, we have reviewed K.S.A. 75-4301 *et seq.* in its entirety and find nothing in that act which prohibits the situation you have described.

We note in closing that our opinion is limited to the above act and expresses no opinion on how some other law or local ordinance might affect the situation you have described.

Advisory Opinion No. 92-33

Written September 17, 1992, to C. Leslie Spencer, Staff Attorney, Kansas Department of Transportation, Topeka.

This opinion is in response to your letter of August 31, 1992, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning K.S.A. 46-239(c).

We understand you request this opinion in your capacity as staff attorney for the Kansas Department of Transportation. You raise several questions concerning the appropriate definitions for terms in a portion of K.S.A. 46-239(c). That section states, in pertinent part:

... Any agency of the state of Kansas which enters into a contract with any legislator, or any member of a firm of which such legislator is a member, under which the legislator or member of such firm is to perform services for such agency for compensation shall make a report on a form prescribed and provided by the commission giving the name of the state agency, the purpose of the employment and the method of determining and computing the compensation for such employment. All such forms shall be filed quarterly in the office of the secretary of state.

We believe all of the issues you raise can be covered by noting first that this provision applies only to contracts for services and does not apply to the purchase of goods or real estate.

Second, the term "firm" is not defined in the statute while the term "business" is. We can only assume that by electing not to use "business" the legislature meant "firm" to mean something other than "business" as defined by the statute. "Business" includes the phrase "governmental agencies or subdivisions" which we deem not to be "firms" as the term is generally recognized. This, we believe was the reason the legislature did not use the word "business." Thus, it is our opinion the term "firm" does not include governmental agencies or subdivisions, but does include all other entities contained in the definition of "business" in K.S.A. 46-230.

(continued)

Last, the purchase of services must inure to the benefit of the agency itself and the provision does not apply to pour through grants where the services are provided to the public.

Thus, as a general rule, this provision is triggered by contracting, for example with attorneys, accountants, appraisers, consultants and other professionals who will provide a service to the agency that contracts with them when pursuant to the statute a legislator or his or her firm is involved.

**Notice of Hearing on Proposed
Kansas Wellhead Protection Program**

The Kansas Department of Health and Environment will conduct a public hearing at 6:30 p.m. Monday, November 16, in Room 101 (auditorium) of the Shawnee County Health Department, 1615 W. 8th, Topeka, to consider the adoption of the proposed Kansas Wellhead Protection Program.

The Kansas Wellhead Protection Program strives to prevent contamination of public water supply (PWS) groundwater sources through education, program coordination, management of potential sources of contamination, and land use planning. There are approximately 1200 PWS systems in Kansas. Approximately 740 are at least partially dependent upon groundwater. These 740 water supplies use roughly 2300 wells and 25 springs. Prevention of contamination is a cost effective means of managing this valuable resource.

Section 1428 of the 1986 Federal Safe Drinking Water Act (SDWA) requires each state to develop a wellhead protection program. The proposed program is intended to satisfy the requirements outlined in the SDWA amendments and obtain program approval from the Environmental Protection Agency. This program document is not intended to be a guide for citizens. Guidance documents will be developed for each WHP plan element (public education, WHPA delineation, source identification, management approaches, contingency plan, and new groundwater sources).

Written comments on the proposed program may be submitted to Linda White at the address listed below. Comments are specifically requested regarding the following issues and questions:

- * Participation in the program is proposed to be voluntary. Should participation in the program be voluntary or would another approach be preferable? Should portions of the program be mandatory? If so, to what extent?
- * Should stricter design standards for siting and approval of new public water supply wells be developed?
- * Are incentives needed for participation in the program? If so, suggestions are requested on types of incentives needed.
- * Cooperation between local authorities when the wellhead protection area is partially or wholly within an adjacent authority's jurisdiction has been identified as a program challenge. Suggestions are requested on how to promote cooperation or whether cooperation should be mandatory.
- * The term "wellhead protection" sometimes generates confusion. Is the term "groundwater protection" more meaningful? If so, should the program possibly be renamed?

A complete copy of the proposed Kansas Wellhead Protection Program may be obtained by contacting Linda White, Public Water Supply Section, Bureau of Water, Kansas Department of Health and Environment, Building 740, Forbes Field, Topeka 66620-0001, (913) 296-5514. Questions should be directed to Sandra Voegeli or Dave Waldo, Public Water Supply Section, (913) 296-5514.

Following the hearing, all written and oral comments will be considered by the secretary prior to submission of the final program document to the EPA. After submission, the EPA has nine months to review the document. The EPA will then provide written notification of approval or disapproval to the Governor.

**Notice of Decision to Approve
Variance Request**

The Kansas Department of Health and Environment is providing public notice that on June 4, 1992, Hackney and Sons, Inc., located at West Laurel Street and Hackney Avenue in Independence, Kansas, submitted a request to renew a variance from specific hazardous waste regulations. The request for a variance was submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-4 and 40 CFR 265.176, which require the storage of containers holding ignitable hazardous waste must be located at least 15 meters (50 feet) from the facility's property line.

Hackney and Sons, Inc. generates ignitable hazardous waste that is stored prior to being shipped off-site for reclamation. Hackney and Sons, Inc. proposes to store this waste in a concrete pit which has a chain link fence surrounding the property and a roof atop. KDHE has reviewed the variance request and concluded that the variance is justified.

In accordance with K.A.R. 28-31-13(b), public notice was provided that KDHE considered the request for a variance justified and made a tentative decision to grant the variance. A public comment period to receive comments regarding this tentative decision was established between August 13, 1992 and September 12, 1992. No public comments were received.

Therefore, in accordance with K.A.R. 28-31-13(b), KDHE announces its decision to approve this request for a variance and not to include any special conditions. The variance shall become effective October 20, 1992, and shall remain in effect until October 20, 1996.

Notice Concerning Kansas
Water Pollution Control Permits

In accordance with state regulations 28-16-57 through 63, 28-18-1 through 4, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, tentative permits have been prepared for discharges to the waters of the United States and the state of Kansas for the applicants described below. The tentative determinations for permit content are based on preliminary staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the EPA, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization to discharge subject to certain effluent limitations and special conditions.

State of Kansas

Social and Rehabilitation Services

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, November 3, in the SRS Staff Development conference room, 300 S.W. Oakley, Topeka, to consider the adoption of proposed changes in existing rules and regulations and the adoption of new rules and regulations on a permanent basis. This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Social and Rehabilitation Services, Room 603-N, Docking State Office Building, 915 Harrison, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

K.A.R. 30-4-90, 30-5-71, 30-5-100, 30-5-100a, 30-5-151, 30-5-159, 30-5-160, 30-5-161, 30-5-169, and 30-5-171 are scheduled to become effective December 31, 1992. All remaining regulations will be effective January 4, 1993. A summary of the proposed regulations and their economic impact follows.

The phrase "Federal Mandate" following an item indicates that the change is required by federal policy. Optional changes in regulations related to federal programs are subject to approval by the U.S. Department of Health and Human Services.

Article 4.—Public Assistance Program

30-4-52. Act in own behalf. This regulation is being amended to clarify that incapacitated persons or minors shall not be eligible to receive assistance unless a conservator or a caretaker relative applies for assistance on that person's behalf.

Economic Impact: This change is not expected to have any discernible economic impact as it only clarifies current policy.

30-4-55. Cooperation. This regulation is being amended to clarify that cooperation regarding third-party resources includes cooperation with the group health plan enrollment process in accordance with K.A.R. 30-6-55.

Economic Impact: This change is not expected to have any discernible economic impact as it only clarifies current policy.

30-4-90. Eligibility factors specific to the GA-unrestricted (GAU) program. This regulation is being amended to limit the general assistance program to those who meet one of the following criteria:

- (a) Parents and their minor children;
- (b) a person who has been medically or psychologically determined to be physically or mentally inca-

pacitated based on conditions as determined by the secretary;

(c) a woman who is pregnant and her husband, if married and living together;

(d) a parent or parents of a child who has been removed from the home and placed in foster care if there is an agency-approved plan to return the child to the home; and

(e) a child in a family group who is not otherwise eligible for assistance based on a penalty if there is an approved social service plan substantiating that the child is facing imminent removal from the home and placement into foster care if assistance is not reinstated.

Assistance for all other groups including persons age 55 and above and full time high school students will be eliminated.

Economic Impact: It is estimated this change will result in ineligibility for approximately 1,400 persons in FY 1993 for a cost savings of approximately \$2.6 million (all state funds). On an annual basis, approximately 5,000 persons will lose eligibility for a cost savings of approximately \$5.7 million.

This regulation is being further amended to clarify that assistance to non-ADC children who are not living with their parents can only be granted if they are living with a conservator or a personal representative.

Economic Impact: This change is not expected to have any discernible economic impact as it only clarifies current policy.

Article 5.—Provider Participation, Scope of Services,
and Reimbursements for the Medicaid
(Medical Assistance) Program

30-5-71. Co-payment requirements. This regulation is being amended to specifically add dietician and dental services to the list of services requiring co-payment.

Economic Impact: The state of Kansas will realize a savings of \$113,148 (\$47,025 state general funds) as a result of this change. The Health Care Financing Administration will also realize savings through lowered federal financial participation.

30-5-86. Scope of services by community mental health centers. This regulation is being amended to require community mental health centers who provide partial hospitalization to medicaid recipients to have their partial hospitalization program certified to participate in Medicare.

Economic Impact: This change will result in an estimated cost savings of \$9 to \$10 million in federal funds. The community mental health centers will save approximately \$6 to \$7 million in state funds that are used to draw down the FFP matching dollars. This savings would result in lowering the required grant amounts in the future, resulting in a savings of state general funds.

30-5-100. Scope of dental services. This regulation has been amended to expand the dental services available to adult Medicaid recipients placing emphasis on routine rather than trauma-related services.

Economic Impact: There will be a cost of \$1,111,181 (\$446,806 state general funds) as a result of this reg-

ulation change. This amount was appropriated by the 1992 Kansas Legislature. Policy is already in place to implement this change. The regulations are being amended to conform to this policy.

30-5-100a. Reimbursement for dental services. This regulation has been amended to allow prior authorization for dental services above the maximum.

Economic Impact: See the economic impact statement for K.A.R. 30-5-100.

30-5-151. Scope of hospital services for MediKan program recipients. This regulation is being amended to restrict the hospital services covered under the MediKan program.

30-5-159. Scope of dental services for MediKan program recipients. This regulation is being changed to delete coverage for dental services.

30-5-160. Scope of chiropractic services for MediKan program recipients. This regulation is being changed to delete coverage for chiropractic services under the MediKan program. Coverage for chiropractic services for adults has already been deleted from the Medicaid program.

30-5-161. Scope of podiatric services for MediKan program recipients. This regulation is being changed to delete coverage for podiatric services under the MediKan program. Coverage for podiatric service for adult has already been deleted from the Medicaid program.

30-5-169. Scope of partial hospitalization services for MediKan program recipients. This regulation is being amended to delete services provided in programs approved by the division of medical programs prior to December 1, 1986.

30-5-171. Scope of substance abuse services for MediKan program recipients. This regulation is being revoked in order to bring services provided to adults in the MediKan program into conformity with services provided to adults under the Medicaid program.

Economic Impact for K.A.R. 30-5-151, 30-5-159, 30-5-160, 30-5-161, 30-5-169, 30-5-171: These changes were mandated by 1991 legislation. There will be a savings of \$10,700,000 as a result of this change in the MediKan program. All savings realized are state general fund dollars.

30-5-173. Scope of preadmission assessment and referral services. The secretary is proposing to adopt a new regulation. The content of the regulation is set forth below:

30-5-173. Scope of preadmission assessment and referral services. The services of preadmission assessment and referral for individuals seeking admission to a nursing facility or nursing facility for mental health providing care under title XIX of the federal social security act shall be available to all individuals if: (a) The preadmission assessment and referral provider has been authorized by the secretary; or

(b) the preadmission assessment provider is independent of and not employed by a nursing facility, nursing facility for mental health or a for-profit home health agency. The effective date of this regulation shall be January 4, 1993.

Economic Impact: There will be a cost savings of \$1,836,183 (\$942,776 state general funds). Implementation, administrative and service costs of \$1,658,566 will be offset by the savings realized through the diversion of clients from nursing facilities to community-based care. This savings is estimated to be \$3,494,749.

30-5-173a. Reimbursement for preadmission assessment and referral services. The secretary is proposing to adopt a new regulation. The content of the regulation is set forth below:

30-5-173a. Reimbursement for preadmission assessment and referral services. Reimbursement for preadmission assessment and referral shall be made to authorized providers at the rate set by the secretary. No individual receiving preadmission assessment and referral services shall be charged for the service. The effective date of this regulation shall be January 4, 1993.

Economic Impact: See the economic impact statement for K.A.R. 30-5-173.

Article 6.—Medical Assistance Program—Clients' Eligibility for Participation

30-6-52. Act in own behalf. This regulation is being amended to expand the criteria under which incapacitated persons or minors can receive medical assistance. Such persons can now receive assistance if a guardian, conservator, or a caretaker relative applies in their behalf.

Economic Impact: This change is not expected to have any discernible economic impact.

30-6-53. Financial eligibility. This regulation is being amended to add an additional protected group for whom the 300 percent income cap does not apply. Those persons who were a recipient in a nursing facility as of September 1, 1991 and who subsequently lost eligibility in the period September 1, 1991 through June 30, 1992 due to an increase in income shall continue to be eligible under the cap provisions.

Economic Impact: It is anticipated 40 individuals will regain eligibility for coverage based on this change resulting in increased expenditures of \$44,880 (all state general funds).

This regulation has been further amended to clarify that a person's total monthly non-exempt income must not exceed 300 percent of the one-person benefit level in the federal supplemental security income (SSI) program to be financially eligible for nursing facility care.

Economic Impact: This change is not expected to have any discernible economic impact as it only clarifies current policy.

30-6-56. Transfer of property. This regulation is being amended to clarify the definition of a transfer. A transfer of property shall mean any act, contract, or lease which partially or totally passes the use, control, ownership of property of an applicant or recipient to another person or corporation. Other technical changes have been made.

Economic Impact: This change is not expected to have any discernible economic impact as it only clarifies current policy.

30-6-86. Poverty level medicare beneficiaries; determined eligibles. This regulation is being amended

(continued)

to revise the title and incorporates a new group of eligible Medicare beneficiaries. Persons who are entitled to Medicare Part A benefits and have incomes between 100 percent and 110 percent of the official poverty income guidelines shall qualify for payment of Medicare Part B premiums. No other coverage shall be provided to this new group. (Federal Mandate.)

Economic Impact: It is estimated this change will provide benefits to an additional 833 persons per month and result in increased expenditures of almost \$209,000 (\$86,825 state general funds) in FY 1993. In FY 1994, this cost is expected to double.

30-6-103. Determined eligibles; protected income levels. This regulation is being amended to increase the one-person protected income level for persons in independent living and in the home and community-based services program from \$422 per month to \$439 per month. This is based on a projected four percent cost of living adjustment in the Social Security Income (SSI) program which will become effective January 1, 1993. (Federal Mandate.)

Economic Impact: The change in the one-person level is not expected to have any discernible economic impact. This is due to the relatively small number of households affected by a change in the one-person protected income level. These households are primarily non-institutionalized adults who receive Social Security benefits and children living with a caretaker other than a parent. The primary source of income for these children is also Social Security benefits. As the one-person protected income level is being increased by four percent, this matches the four percent Social Security cost-of-living adjustment. Therefore, neither the client nor the department is benefited or disadvantaged by this change.

This regulation is also being amended to incorporate the poverty level standard for determining eligibility for low-income Medicare beneficiaries under the provisions of K.A.R. 30-6-86. That standard shall be 110 percent of the official federal poverty income guidelines. (Federal Mandate)

Economic Impact: See the economic impact statement for K.A.R. 30-6-86.

30-6-106. General rules for consideration of resources, including real property, personal property, and income. This regulation is being amended to increase the maximum income allowance a community spouse can receive from an institutionalized spouse to \$1,815 per month. This increase reflects a projected 21 percent increase in the consumer price index from September 1988 to September 1992 and is calculated from the original \$1,500 per month maximum allowance contained in section 1924(d)(3)(C) of the Social Security Act. (Federal Mandate.)

Economic Impact: It is expected that this change will result in increased expenditures of \$81,480 (\$33,863 state general funds).

This regulation is being further amended to increase the minimum and maximum property allowances a community spouse may have to \$14,520 and \$72,600 respectively. This increase reflects a projected 21 percent increase in the consumer price index from September 1988 to September 1992 and is calculated from the original \$12,000 and \$60,000 allowances contained

in section 1924(f)(2) of the Social Security Act. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact.

30-6-113. Income exempt as applicable income. This regulation is being amended to add an exemption for the SSI related medical programs. Austrian social insurance payments based, in whole or in part, on wage credits granted under the Austrian General Social Insurance Act shall be exempt as income. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact.

30-6-150. Estate recovery. This regulation is being amended to add an additional provision concerning transfer of real or personal property. Such transfers by a recipient for less than fair market value are voidable and may be set aside.

Economic Impact: This change is not expected to have any discernible economic impact.

Article 10.—Adult Care Home Program

30-10-6. Admission procedure. This regulation is being amended to require all individuals seeking admission to a nursing facility or nursing facility for mental health to have a preadmission assessment to determine appropriate placement and referral to necessary services before admission to the facility.

Economic Impact: See the economic impact statement for K.A.R. 30-5-173.

30-10-7. Screening, evaluation, and referral for nursing facilities. This regulation is being amended to require preadmission assessment and referral for individuals seeking admission to nursing facilities and nursing facilities for mental health. It lists the exemptions from preadmission assessment, states that the assessment is valid for one year, and states that medicaid will not provide payment to the facility for residents who enter without an assessment that indicates need for placement.

Economic Impact: See the economic impact statement for K.A.R. 30-5-173.

30-10-11. Personal needs fund. This regulation is being amended to prohibit nursing facilities from deducting interest or late fees from a resident's personal needs fund for late payment of the patient liability.

Economic Impact: None.

30-10-20. Payment of claims. This regulation is being amended to add a new section to clarify that no penalty, interest, late fee, or finance charge may be added to the patient liability for late payment of the liability except after reasonable efforts to collect the liability have failed and the facility is initiating legal action.

Economic Impact: None.

Copies of the regulations and their economic impact statements may be obtained from the Office of the Secretary, Room 603-N, Docking State Office Building, Topeka 66612, (913) 296-3969.

The public is invited to this meeting. Telephone hook-ups are provided at the following locations of Social and Rehabilitation Services offices: Chanute, Emporia, Garden City, Hays, Hutchinson, Kansas City,

Lawrence, Manhattan, Olathe, Salina, Topeka (area office), and Wichita.

Article 17.—DIVISION OF VITAL STATISTICS

28-17-6. Fees for copies and searches. (a) Subject to the restrictions of K.S.A. 65-2418, K.S.A. 1991 Supp. 65-2422 and K.S.A. 65-2423, and any amendments to those statutes, certified copies of certificates or parts of certificates shall be furnished by the state registrar upon request by an authorized applicant and payment of the required fee. The fee for making and certifying copies of birth records shall be \$10.00 for the first copy and \$5.00 for each additional copy of the same record requested at the same time. The fee for making and certifying copies of death, marriage and divorce records shall be \$7.00 for the first copy and \$4.00 for each additional copy of the same record requested at the same time.

(b) For any search of the files and records when no certified copy is made of a birth record, the fee shall be \$10.00 for each five-year period for which a search is requested, or for each fractional part of a five-year period of years. For any search of the files and records when no certified copy is made of a death, marriage or divorce record, the fee shall be \$7.00 for each five-year period for which a search is requested, or for each fractional part of a five-year period of years.

(c) For any search of the files necessary for preparing an amendment to a standard birth certificate already on file, the fee shall be \$10.00. For any search of the files necessary for preparing an amendment to a standard death, marriage or divorce certificate already on file, the fee shall be \$7.00.

(d) For non-certified copies of certificates or parts of certificates requested for statistical research purposes, the fee and the manner in which the fee is to be paid shall be determined by the state registrar on the basis of costs for providing those services. (Authorized by and implementing K.S.A. 23-110, K.S.A. 65-2418, K.S.A. 65-2420, effective Jan. 1, 1966; amended Jan. 1, 1968; amended, E-78-18, July 7, 1977; amended May 1, 1978; amended May 1, 1983; amended, T-84-13, July 1, 1983; amended May 1, 1984; amended May 1, 1988; amended Oct. 7, 1991; amended, T-____, ____; amended Nov. 16, 1992.)

28-17-12. Delayed birth certificate filing fee. Each application for a delayed birth certificate shall be accompanied by a fee in the amount of \$10.00 for the filing and registration of the delayed birth certificate. A certified copy may be issued in accordance with

K.A.R. 28-17-6 and any amendments to that rule and regulation. (Authorized by and implementing K.S.A. 65-2420; effective Jan. 1, 1966; amended Jan. 1, 1968; amended May 1, 1983; amended Oct. 22, 1990; amended Oct. 7, 1991; amended, T-____, ____; amended Nov. 16, 1992.)

28-17-20. Corrections to certificates and records. Corrections to certificates or records may be made only as follows and only within the time limit indicated in each subsection.

(a) Amendments within 90 days.

(1) Within 90 days of receipt of an original vital record in the office of vital statistics, the following records in which an inaccuracy or incomplete item is apparent on the face of the certificate, may be changed to show the accurate and complete facts:

(A) birth certificates;

(B) any part of a death certificate other than the portion describing the cause of death;

(C) stillbirth certificate; and

(D) divorce records.

(2) Such changes shall be made in one of two ways:

(A) drawing a single line through the incorrect information, inserting the correct information in the appropriate space; and placing the date of the amendment and the word "amended" on the record. This process shall be the primary way in which amendments are made and this process of amendment shall not be used more than one time for the same item; or

(B) completing a new certificate in accordance with K.S.A. 38-1130 and amendments thereto, or completing a new certificate when a single line has been previously drawn through incorrect information. The date of the amendment and the word "amended" shall be placed on the newly created certificate. This process of amendment shall not be used more than one time for the same item.

(3) An amendment fee shall not be required for changes made within the first 90 days after receipt of the vital record in the office of vital statistics.

(b) Amendments after 90 days. After 90 days of receipt of the vital record in the office of vital statistics, amendments may be made only as follows:

(1) Certificates of birth.

(A) Birth certificate items may be amended upon the applicant's submission of at least two documents which consistently substantiate the item or items to be amended and that are executed and dated at least five years prior to the request for the amendment or prior to the seventh birthday anniversary of the registrant, except that items (i) through (viii) shall be corrected only as provided.

(i) The items recording the registrant's sex may be amended if the amendment is substantiated with the applicant's affidavit that the sex was incorrectly recorded or with a medical certificate substantiating that a physiological or anatomical change occurred.

(ii) If the registrant is a minor, any request by the parents to change an item by adding the name of a parent, correcting the name of either parent or of the child, or changing the child's last name to that of either parent shall be made only pursuant to K.S.A. 38-1130 and amendments thereto.

(continued)

(iii) Any registrant who is of legal age may amend the order of the registrant's given names if the amendment is substantiated with one of the documents specified in paragraph (A) above.

(iv) A registrant who is of legal age may place a given name or names of the registrant on the record only if there is no given name on the original certificate and if the amendment is substantiated with one of the documents specified in paragraph (A) above.

(v) A registrant who is of legal age may correct a given name or names of the registrant if the amendment is substantiated with one document established prior to the seventh birthday anniversary of the registrant.

(vi) A registrant who is of legal age may correct the spelling of the last name of the registrant if the amendment is substantiated with two documents established prior to the seventh birthday anniversary of the registrant. A registrant who is of legal age may not change the last name of the registrant under authority of this regulation.

(vii) A registrant who is of legal age may correct the maiden name of the mother or the legal name of the father or mother, or the legal name of the father and mother of the registrant, if one of the required documents specified in paragraph (A) above is the marriage license or birth certificate of that parent.

(viii) The birth date on the certificate may only be changed if both required documents were executed and dated prior to the seventh birthday anniversary, and if the change is not inconsistent with the recorded filing date.

(B) When an amendment is made after 90 days, any item that has been previously amended shall not be changed under authority of this regulation.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the state registrar.

(D) Requests for an amendment to a certificate of birth that do not require a court order shall be submitted by the parent or legal guardian of persons not of legal age, or by the person whose birth is recorded, if of legal age, and by none other. The person submitting such an application shall execute a notarized affidavit stating the true facts to be recorded.

(E) When amendments to a birth certificate are made after 90 days of the date the certificate was received by the office of vital statistics, the original certificate shall remain unchanged and placed in a sealed file to be opened only by court order. A new certificate shall be prepared and shall be marked "amended." The date of the amendment shall be recorded on the certificate. In the sections where the original certificate contained a signature, the amended certificate shall contain the typed name of the person who signed. The original certificate and any affidavit required shall be permanently filed by the office of vital statistics.

(2) Certificates of death—personal data.

(A) "Personal" data may be amended if the request is made within the first six months after the filing of the original certificate.

(B) Requests for amendments to "personal" data may be made only by the funeral director or person acting as such who submitted the original certificate.

(C) When amendments to the "personal" data of a death certificate are made after 90 days of the date the certificate is received in the office of vital statistics, the original certificate shall remain on file unchanged and placed in a sealed file to be opened only by court order. A new certificate shall be prepared by the funeral director or person acting as such. The medical certification section shall again be completed and the required signatures shall be secured in all possible instances. The signatures may be typed if the required signatures are unattainable and a written statement of the reason therefore is attached to the certificate. The certificate shall not be accepted if the stated reason for the typed signature is inadequate. Upon acceptance by the office of vital statistics, the new certificate shall be marked "amended" and shall indicate the date of the amendment.

(c) Amendments, no time limit.

(1) Certificate of death—medical certification.

(A) An amendment may be made to the medical certification data at any time.

(B) Requests for amendments to the medical certification data may be made only by the attending physician who signed the medical certification on the original certificate, or by the coroner in whose jurisdiction the death occurred.

(C) Amendments to the medical certification may be made in one of two ways:

(i) the original certificate shall remain on file unchanged, and the written statement or affidavit of the certifying physician or coroner shall be appended to the back of the original certificate; or

(ii) a certifying physician or coroner may request the establishment of a new death certificate when erroneous data has been entered in the medical certification section. In such a case, the funeral director or person acting as such shall enter the personal data and refer the certificate to the certifying physician or coroner for the medical certification and signature. When all items have been completed, the new certificate shall be submitted to the office of vital statistics and upon its acceptance, it shall be marked "amended" and shall indicate the date of the amendment. The original death record shall be placed in a sealed file only to be opened by court order. (Authorized by K.S.A. 65-2402 and implementing K.S.A. 65-2422c; effective Jan. 1, 1966; amended May 1, 1987; amended May 1, 1988; amended Oct. 22, 1990; amended, T_____, _____; amended Nov. 16, 1992.)

**Statutory Notice of Bond Sale
Johnson County, Kansas
Johnson County Rural Fire District No. 3
\$137,000
Fire Fighting Equipment Bonds
Series 1992**

**(general obligations payable from
unlimited ad valorem taxes)**

Sale Period

Bids, submitted in a *sealed* envelope marked "Bid" and addressed to the undersigned, secretary of the Johnson County Rural Fire District No. 3, Johnson County, Kansas, will be accepted in the office of Burke, Williams, Sorensen & Gaar, Lighton Plaza, 7300 College Blvd., Suite 220, Overland Park, KS 66210, until 10 a.m. C.D.T. on Wednesday, October 7, 1992, for the purchase of \$137,000 principal amount of the district's Fire Fighting Equipment Bonds, Series 1992. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body of the district at a meeting to be held immediately thereafter. No oral, telephone, telefax or auction bids will be considered. No bid of less than par value of the bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof, except one bond due in the year 2000 which shall be in the denomination of \$7,000; will be dated November 1, 1992; and will become due serially on November 1 in each of the years as follows:

Maturity Schedule

Maturity November 1	Principal Amount
1993	\$ 5,000
1994	5,000
1995	5,000
1996	5,000
1997	5,000
1998	5,000
1999	5,000
2000	32,000
2001	35,000
2002	35,000

The bonds will bear interest from their date at rates to be determined when the bonds are sold as herein provided, which interest will be payable semiannually on May 1 and November 1 in each year, commencing May 1, 1993, by the Kansas State Treasurer, Topeka, Kansas, as paying agent.

The bonds will be delivered to the successful purchaser properly prepared, executed and registered without cost within approximately 30 days after the date of their sale at such bank or trust company in the greater Kansas City metropolitan area as may be

specified by the successful bidder and is acceptable to the district.

Good Faith Deposit

A good faith deposit in the form of a certified or cashier's check drawn on a bank located in the United States of America in the amount of \$2,740 must accompany each bid.

Costs

The district will pay the cost of printing the bonds and the expense of all legal services, including the opinion of Burke, Williams, Sorensen & Gaar, bond counsel, approving the legality of the bonds and the exclusion of the interest thereon (with specified minor exceptions) from federal and state gross income taxes.

Assessed Valuation and Indebtedness

The assessed valuation of the taxable tangible property within the district as of December 31, 1991, was \$35,681,505. The total general obligation bonded indebtedness of the district as of November 1, 1992, including the bonds, is \$347,000.

Additional Information

A complete notice of bond sale, preliminary official statement and bid forms approved by the district will be mailed to all interested parties. Additional information regarding the bonds may be obtained from Burke, Williams, Sorensen & Gaar, bond counsel, at (913) 339-6200.

**Notice of Bond Sale
\$3,715,000*
City of Pittsburg, Kansas
General Obligation Refunding Bonds
Series 1992-C
(Water and Sewage System)**

Sealed Bids

Sealed bids for the purchase of \$3,715,000* principal amount of General Obligation Refunding Bonds, Series 1992-C (Water and Sewage System), of the city hereinafter described, will be received by the undersigned city clerk of the city of Pittsburg, Kansas, on behalf of the governing body of the city at City Hall, 4th and Pine, Pittsburg, until 11 a.m. C.D.T. on the sale date to be determined at a later date. The city intends to conduct a public sale of the bonds between the dates of October 12, 1992 through October 21, 1992. Any party interested in submitting a bid on the bonds should contact the financial advisor or the city clerk in order to be notified of the sale date when determined. Upon determining the sale date, and at least 48 hours in advance of the sale date, the city clerk will notify all prospective bidders, which have previously

(continued)

indicated an interest in being notified, of the actual date set for the sale of the bonds.

Bidders may deliver a bid to the city clerk, city hall, or they may telephone or telefax it to the city clerk prior to the said time and date. Bidders who transmit their bid by telephone or telefax must undertake the following: (a) send the "good faith" check and a blank copy of the official proposal form for the bonds in time to be received by the city not less than one business day prior to the date of sale; (b) the blank proposal must provide the name and telephone number of the authorized representative of the lead manager of each account signed by such representative and must list the members of the account on the back thereof. On the day of the sale, the authorized representative of the account may transmit to the city, by telephone or telefax, the bid for the bonds. The signed proposal will be completed by the city with such information. Telephone bids must be made to the city clerk at (316) 231-4100. Telefax transmissions must be sent to (316) 231-0964. The city will not accept responsibility for inaccurate bids submitted through the telephone or telefax, including garbled transmissions, or the inability of a bidder to access the telephone or telefax number prior to the indicated sale time. All bids will be publicly opened and read at 11 a.m. and will be acted upon by the city at 5:30 p.m. on the sale date. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated October 15, 1992, and will become due serially on September 1 in the years as follows:

Year	Principal* Amount
1993	225,000
1994	215,000
1995	225,000
1996	240,000
1997	250,000
1998	265,000
1999	275,000
2000	290,000
2001	305,000
2002	325,000
2003	345,000
2004	360,000
2005	260,000
2006	135,000

* Subject to Change

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1993.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners

upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on September 1, 2000, and thereafter will be subject to redemption and payment prior to maturity on September 1, 1999, and thereafter in whole on any date, or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States certified mail to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. Thereafter, the paying agent and bond registrar will notify the owners of the bonds of the city's redemption call by United States mail, postage prepaid. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly *MuniWeek*, f/k/a *Credit Markets*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate

specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Security for the Bonds

The bonds and the interest thereon will constitute general obligations of the city payable as to both principal and interest from revenues derived by the city from the operation of the water and sewage system and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

In the ordinance authorizing the issuance of the bonds, the city covenants to fix, establish, maintain and collect such rates, fees and charges for the use and services furnished by or through the water and sewage system, including all extensions and improvements thereto hereafter constructed or acquired by the city, as will produce revenues sufficient to enable the city to have in each fiscal year net operating revenues from the water and sewage system in an amount that will be sufficient to meet debt service payments on all water and sewage system bonds.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of

certain corporations in the calculation of alternative minimum taxable income with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. The city *does* intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about November 5, 1992, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by

(continued)

the successful bidder to the city and bond registrar within three business days after the sale date. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city, within three business days after the sale date, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$74,300, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the city, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city, and the city reserves the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person

to the undersigned at city hall, or bidders may telephone or telefax bids to the city prior to 11 a.m. C.D.T. on the sale date.

Date and Delivery of Preliminary and Final Official Statement

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the purchaser and the price or yield at which the purchaser will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the city will provide without cost to the purchaser a reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the purchaser's expense. If the sale of the bonds is awarded to a syndicate, the city will designate the senior managing purchaser of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating purchaser. Any purchaser executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating purchasers for the purpose of assuring the receipt and distribution by each such participating purchaser of the final official statement.

The city will deliver to the purchaser on the date of delivery of the bonds a certificate executed by the mayor and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, Investment Bankers of Kansas City, 1101 Walnut, Suite 900, Kansas City, MO 64106, (816) 421-4440.

**Notice of Call for Redemption
to the holders of
City of Marquette, Kansas
Industrial Revenue Bonds
Series 1975
(Riverview Estates, Inc.)**

Notice is hereby given that pursuant to Section 3 of Ordinance No. 399 of the city of Marquette, Kansas, those of the above-mentioned bonds maturing on November 1, 1995, described below, and all unmatured coupons appertaining thereto, have been called for redemption and payment on November 1, 1992, at the office of Emprise Bank N.A., Lindsborg, Kansas, formerly known as the Farmers State Bank of Lindsborg, Lindsborg, Kansas (the trustee and paying agent).

Bond Nos.	Maturity Date	Principal Amount	Interest Rate
147 to 170, incl.	11-01-95	\$120,000	8.50
137 to 146, incl.	11-01-95	\$ 10,000	8.50

On such redemption date there shall become due and payable, upon the presentation and surrender of each such bond and unmatured coupons, the redemption price thereof equal to 104 percent of the principal amount of each bond together with interest accrued to the redemption date. Interest shall cease to accrue on the bonds so called for redemption from and after November 1, 1992, subject to the condition that sufficient funds for redemption are then on deposit with the paying agent.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holders of the Series 1975 Bonds who wish to avoid the imposition of the tax should submit certified taxpayer identification numbers when presenting the bonds for payment.

Dated October 1, 1992.

All such coupon bonds together with the December 1, 1992, and all unmatured coupons thereunto appertaining attached and all registered bonds should be presented for payment on the redemption date at the principal office of Union National Bank of Wichita, Attention Special Services, P.O. Box 637, 150 N. Main, Wichita, KS 67202. The method of presentation and delivery of such bonds for redemption is at the option and risk of the owners of each bond. If mail is used, insured registered mail, return receipt requested, is suggested.

On and after November 1, 1992, interest on all bonds called for redemption shall cease to accrue.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of principal or interest on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Owners of the above described bonds who wish to avoid imposition of this tax should submit certified taxpayer identification numbers when presenting their bonds for payment.

The "CUSIP" numbers are provided in this notice as a convenience to bondholders. No representation is made as to the correctness of "CUSIP" numbers as

printed on the bonds or as contained in any notice of redemption, and such reliance may be placed only on identification numbers.

Such redemption of the bonds is conditioned and is subject to the deposit of the redemption money with Union National Bank not later than the opening of business on the redemption date. This notice of redemption shall be of no effect unless such moneys are so deposited.

Dated October 1, 1992.
