Kansas Commission on Governmental Standards and Conduct

Advisory Opinion No. 92-34

Written September 21, 1992, to Scott Morgan, Kansas Republican Party, Topeka.

This opinion is in response to your letter of September 8, 1992, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the Campaign Finance Act. (K.S.A. 25-4101 *et seq.*)

We understand that you request this opinion on behalf of the state committee of the Kansas Republican Party. You ask the following four questions:

1. Is the Kansas Republican Party *Federal Account*:
 - a. Part of the Kansas Republican Party and thus a party committee as defined at K.S.A. 25-4143(g), or
 - b. Included in the meaning of the "bona fide national organization or committee" as that phrase is used at K.S.A. 1991 Supp. 25-4143(g), or
 - c. Something else?

2. Are there any limits on how much the Kansas Republican Party Federal Account may contribute to or spend on behalf of Kansas state legislative candidates?

3. Are there any limits on how much the Republican National Committee may contribute to or spend on behalf of Kansas state legislative candidates?

4. Would the answers to questions two and three be changed if the source of the funds were a transfer of excess campaign funds (permissible under federal law) from a federal candidate committee organized under and reportable to the Federal Election Commission, to the Kansas Republican Party Federal Account or the Republican National Committee?

K.S.A. 1991 Supp. 25-4153(d) and (e) apply to your questions. Those sections state: "(d) The aggregate amount contributed to a state party committee by a person other than a national party committee or a political committee shall not exceed \$15,000 in each calendar year; and the aggregate amount contributed to any other party committee by a person other than a national party committee or a political committee shall not exceed \$5,000 in each calendar year."

The aggregate amount contributed by a national party committee to a state party committee shall not exceed \$25,000 in any calendar year, and the aggregate amount contributed to any other party committee by a national party committee shall not exceed \$10,000 in any calendar year.

The aggregate amount contributed to a party committee by a political committee shall not exceed \$5,000 in any calendar year.

"(e) Any political funds which have been collected and were not subject to the reporting requirements of this act shall be deemed a person subject to these contribution limitations."

The answer to your first question is that the Federal Account is certainly funds belonging to the state party committee, but since they were not subject to the reporting requirements of this act they constitute a political fund, subject to subsection (e) above. Thus, the answer to your second question is that this fund is limited in amount to contributions in the same manner as an individual. Those limitations are set out in K.S.A. 1991 Supp. 25-4153(a) (1) (2) (3).

The answer to your third question is that there are no limits on how much the national party can contribute directly to state candidates. (See K.S.A. 25-4172(b) (1).)

The answer to your fourth question is that so long as the transfer from the federal candidates' excess funds are to the national party committee, there are no limitations on the amount the national party may receive under Kansas law. However, if the transfer includes funds dedicated to specific Kansas candidates, then the national party may pour through to the specific candidates nothing if the federal candidates' fund has already reached its maximum contributions to the state candidate. Also the federal candidates' excess fund can contribute any amount to the Kansas State Republican Committee's Federal Account, but earmarked funds to state candidates are subject to the same restrictions as dedicated contributions.

Kansas Insurance Department**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 10 a.m. Tuesday, November 10, in the third floor conference room of the Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed regulations of the Kansas Insurance Department.

Copies of the full text of all or any of the regulations and the economic impact statements may be obtained by writing to the Commissioner of Insurance, 420 S.W. 9th, Topeka 66612-1678. The following is a summary of the regulations and the economic impact statements:

K.A.R. 40-3-47. The proposed amendments to this regulation extend the prospective loss cost filing requirements to all property and casualty insurance rates filed on behalf of members and subscribers by the Insurance Services Office, the American Association of Insurance Services and the Surety Association of America.

Prospective loss cost filing requirements prohibit a rating organization from filing rates for member and subscriber insurers that include expense and profit components. Thus, this portion of the rates must be filed individually by insurers based on their own administrative costs and profit and contingency needs. Therefore, theoretically, the extension of this concept to other insurance coverages would have a favorable economic impact on consumers by enhancing pricing competition. As a practical matter, however, these individual distinctions have already been recognized by deviations as a result of competitive influences. Therefore, the economic impact on consumers will be quite minimal.

Insurers will incur additional administrative expenses as a result of having to independently file the expense, profit and contingency portion of the final rate. It is not possible to quantify this additional expense with any degree of precision. However, it is assumed that management techniques have historically provided the kind of information necessary to develop this portion of the rate so the actual economic impact will be minimal.

The most significant economic impact will be on the Insurance Department. Instead of reviewing and processing one rate filing applicable to all members and

subscribers of a rating organization, a filing will now be submitted by each insurer in addition to the rating organization. However, by phasing in the loss cost filing concept and by the use of data processing to capture and calculate individual company information, this impact will be minimized.

K.A.R. 40-4-37d. This regulation has been amended to permit the use of an evaluation of the insured's ability to perform specified activities of daily living or an assessment of the insured's ability to think, reason, remember or otherwise display an ability to live independently as a condition to the payment of benefits under a long-term care insurance policy. The amendments to this regulation will have no direct economic impact on insurers or persons insured or potentially insured by a long-term care insurance policy because it is permissive in nature. However, for those purchasing or marketing such coverage, the policy design may make it more difficult to qualify for benefits or, conversely, may permit the insured to take advantage of benefits that better accommodate their physical or mental condition than confinement in a long-term care facility. Therefore, it is not possible to describe or quantify the economic impact on insureds or insurers with any degree of specificity.

K.A.R. 40-7-7. The proposed amendments to this regulation will permit previously licensed non-resident agents applying for a resident agent's license to satisfactorily complete only the general and legal portions of the qualifying examination under certain conditions. This regulation will have no economic impact other than a modest reduction in the examination fee for qualified applicants.

K.A.R. 40-7-13. This regulation reinstates bail bonds as a subclass of insurance for licensing examination purposes. It will have no economic impact on applicants for an agent's license, consumers or the Insurance Department.

K.A.R. 40-7-20a. The amendments to this regulation are necessary to conform to current statutory provisions relating to agents' continuing education requirements. Adoption of this regulation will have no economic impact on insurance agents, insurers, the public or the Insurance Department.

K.A.R. 40-14-10. This is a new regulation requiring the filing of interest rates and service charges by premium finance companies. This regulation will have no measurable economic impact on the insuring public, this department or premium finance companies.

All interested parties may submit written comments prior to the hearing to the Commissioner of Insurance at the address above. The period of time between the date of publication of this notice and the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

11. Modify the deliverability formula by defining the deliverability standard pressure as some factor times the average of the shut-in pressures of all wells tested in the subject section and the eight surrounding sections during the current test cycle.

12. Assign to each of the original well and infill well an acreage factor in the proportion of its deliverability compared to the total unit deliverability times the total acreage of the unit divided by 640.

13. Modify the deliverability formula to use the well's demonstrated back pressure slope of the well instead of .85 constant.

(7) the actual costs paid by the simulcasting licensee for long distance telephone service, for any dial-up computer phone lines and calls, for long distance telephone service for facsimile transmissions necessary for a combined wagering pool or for calls to the sending or host track's stewards' or judges' stand, mutuel room, totalisator room or track management offices as part of a simulcast race or program;

(8) the actual cost paid by a simulcasting licensee for totalisator interface fees for a simulcast race or program;

(9) the actual cost paid by a simulcasting licensee for additional video fees incurred to provide patron information for a simulcast race or program;

(10) the actual cost paid by the simulcasting licensee to the racing form or like entity to acquire information on past performance lines;

(11) the actual totalisator cost paid by the simulcasting licensee for the additional handle created by the simulcast race or program; and

(12) other costs, if the commission grants prior approval for the costs.

(b) Expenses claimed by the licensee shall not exceed the revenues received by the licensee for a simulcast race or program. No licensee shall carryover expenses from one simulcast race or program to a future simulcast race or program. (Authorized by K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3; implementing L. 1992, Ch. 27, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-7. Changes to approved simulcasting schedule. Any simulcasting licensee may apply to the commission or the executive director for changes in its approved simulcasting schedule. Each application for change in schedule shall be submitted 24 hours before the proposed simulcast race or program that is subject of the change. Each application shall state the reasons for the proposed change and shall include approval from the respective greyhound owners' group or recognized horsemen's group, or both, as appropriate. Each condition of a simulcasting license shall apply to any change in the simulcasting schedule. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3 and L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; ef-

fective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-8. Fee for simulcasting race or performance. There shall be no additional race day fee for simulcast races or programs conducted on the same day as live races. Each simulcast race or program displayed on a day when live races are not conducted shall constitute a race day, and each simulcasting licensee shall pay a license fee for the simulcasting race day that is identical to the license fee it pays for a live racing day. (Authorized by K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2, and implementing K.S.A. 1991 Supp. 74-8813(g), as amended by L. 1992, Ch. 27, Sec. 5; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-9. Duties of receiving facility. (a) A simulcasting licensee that conducts parimutuel wagering on a simulcast race or program acts as a receiving facility on those dates. Each receiving facility shall provide:

(1) communication facilities, which include all wire, radio, optical, satellite or other electromagnetic systems used to receive audio and visual transmissions between the sending racetrack, host facility and the receiving facility; and

(2) two voice communication systems between the receiving facility and the sending racetrack or host facility providing timely voice contact between the stewards or racing judges and the mutuel departments at each racetrack or facility.

(b) Before the beginning of the transmission of the first simulcast race or program of each day, each receiving facility shall initiate a test program of its receiver, decoder and data communication to ensure proper operation of the system. If a test program run under this subsection is unsuccessful or indicates a malfunction of any component of the receiving system, the licensee shall not conduct parimutuel wagering on a simulcast race or program until a successful test program is completed.

(c) After each simulcast race or program, each receiving facility shall provide the reports of its parimutuel operations as required by K.A.R. 112-9-8 for both simulcast and live races. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-10. Duties of sending racetrack. (a) A simulcasting licensee that simulcasts races conducted by the licensee acts as a sending racetrack on the dates the races or program are conducted and simulcast.

(b) Each sending racetrack shall be responsible for the content of the simulcast and shall use all reasonable efforts to present a simulcast which offers the viewers an exemplary depiction of the performance, continuity of programming between racing events, and, if it is also acting at the host facility for a combined wagering pool, a periodic display of wagering information.

(c) Each sending racetrack shall provide transmission equipment of acceptable broadcast quality that does not interfere with the closed-circuit television system of the receiving location.

(d) The commission may require a simulcasting licensee to scramble its signal. If so required, each simulcast shall be encrypted using a time displacement decoding algorithm encryption system or an equivalent encryption system approved by the commission.

(e) Unless otherwise permitted by the commission, each simulcast must contain in its video content:

- (1) the date;
- (2) a digital display of the actual time of day at the sending racetrack;
- (3) the name of the sending racetrack;
- (4) the number of the race being displayed; and
- (5) any other relevant information available to patrons at the host racetrack.

(f) Before the beginning of the transmission of the first simulcast race or program of each day, each sending racetrack shall initiate a test program of its transmitter, encryption equipment and data communication to ensure proper operation of the system. If a test program run under this subsection is unsuccessful or indicates a malfunction of any component of the sending racetrack's system, the simulcasting licensee shall not transmit any races until a successful test program is completed. (Authorized by K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3; implementing L. 1992, Ch. 27, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-11. Emergency procedures. (a) No simulcasting licensee shall accept wagers on a simulcast race until it is receiving both the audio and video signals from the sending racetrack.

(b) If the simulcasting licensee loses the audio or video signal from the sending racetrack, it immediately shall notify the sending racetrack of the lost signal.

(c) If the audio and video signal is lost, the simulcasting licensee shall establish a telephone linkup between the sending racetrack's announcer and the simulcasting licensee's public address system. The licensee may continue to accept wagers with the telephone linkup while attempting to reestablish the audio and video signal, or until post time for the simulcast race.

(d) If both the audio and video signals are lost and the telephone linkup cannot be established, the simulcasting licensee may cease accepting wagers and immediately order a refund of all monies wagered into the pools for that race or the simulcasting licensee may continue to receive wagers and proceed to calculate payoffs as a separate pool or as part of a combined wagering pool if the licensee is participating in a combined wagering pool.

(e) If the licensee loses both the audio and video signal as described in 112-18-11(d), the licensee shall consult with an official of the commission prior to deciding how the pools shall be calculated or refunded, and shall file a written report with the inspector of parimutuels and the executive director. (Authorized by

K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3; implementing L. 1992, Ch. 27, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-12. Combined wagering pools, general provisions. (a) With the prior approval of the commission, parimutuel pools offered by a simulcasting licensee that participates in a simulcast may be combined with corresponding wagering pools offered by the other racetracks or facilities that participate in the simulcast to form a combined wagering pool.

(b) Each contract governing participation in a combined wagering pool shall be submitted to the commission for approval in accordance with K.A.R. 112-18-3(a)(8).

(c) In determining whether to approve an interstate combined wagering pool that does not include the sending racetrack, the commission shall consider, and may approve, the use of a wager that is not used at the sending racetrack.

(d) Any wager that has been approved for the use of the simulcasting licensee may be offered, although types of pools that require more races than those included in the simulcast may not become part of the combined wagering pool.

(e) The content and format of the visual display of racing and wagering information at facilities in other racing jurisdictions in an interstate combined wagering pool need not be identical to the information required to be displayed by these racing regulations. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-13. Formation of combined wagering pool. (a) Wagering data shall be transmitted through one of the methods authorized by this paragraph in the following order of preference:

- (1) via a dedicated leased line data circuit;
- (2) via a dial-up data circuit;
- (3) via teletype or facsimile machine on a separate telephone line; or
- (4) by voice via cellular or dial-up telephone.

(b) Each guest and host facility shall have adequate equipment to transmit the wagering data by any of the methods listed in paragraph (a) of this regulation.

(c) Except as otherwise provided in this paragraph, the odds and prices for a combined wagering pool shall be calculated in accordance with the laws of the jurisdiction where the host facility is located. In determining the amount distributable to the wagerers, each simulcasting licensee shall use the total takeout required in the jurisdiction where the host facility is located except as provided in 1992 SB 383, Sec. 2(j)(2). The simulcasting licensee may use the net pool pricing method for determining the payoff prices.

(d) Each simulcasting licensee shall ensure that the necessary records are maintained regarding the amounts wagered at its racetrack for accounting, auditing and reporting purposes. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by

L. 1992, Ch. 27, Sec. 3; implementing L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-14. Distribution of combined wagering pools. (a) Each wager is made at the point of sale in the state where the wager is placed.

(b) Each payoff attributable to the simulcasting licensee shall be based on the actual winnings indicated by the totalisator wagering data.

(c) Each total takeout applicable to the wagers received in this state for a combined wagering pool shall be distributed in accordance with the Kansas parimutuel racing act. Each gain or loss caused by a difference in takeout totals shall be part of the simulcasting licensee's revenue or expense from the interstate simulcast.

(d) Each surcharge or other withholding, other than the takeout authorized by law, shall be applied only in the jurisdiction imposing the surcharge or withholding. (Authorized by K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2; and implementing K.S.A. 1991 Supp. 74-8823, as amended by L. 1992, Ch. 27, Sec. 10; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-15. Breakage, interstate combined wagering pool. The ratio of each simulcasting licensee's allocation of the breakage to the total breakage in an interstate combined wagering pool shall be equal to the ratio of the dollars contributed to the combined wagering pool from the simulcasting licensee to the total amount of the combined wagering pool. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-16. Report to commission, combined wagering pool. Each simulcasting licensee participating in a combined wagering pool shall submit to the commission a report on the pool not later than the close of the next business day after the date of the race or program for which the pool was formed. Each report shall contain:

- (1) the total amount of the combined wagering pool;
- (2) the total amount of the combined wagering pool generated by wagers received in this state;
- (3) the total winnings for the combined wagering pool;
- (4) the total winnings attributable to wagers received in this state;
- (5) the total commission derived from the combined wagering pool; and
- (6) the total commission derived from the simulcasting licensee's share of the combined wagering pool. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-17. Manual merge. (a) If the guest facility's computer system fails to adequately transmit wa-

(continued)

gering data to the host facility, the host facility may manually merge the pools if a manual merge will not endanger the pools at the host facility.

(b) To merge the pools manually, each guest facility's parimutuel representative shall notify the host facility via telecopy or facsimile machine of the total amount in the pool, the total dollars on winning wagers and the total dollars on the losing wagers in the pool. For purposes of declaring the race official, the stewards or racing judges at the sending racetrack and the presiding steward or racing judge at both the host facility, if different from the sending racetrack, and guest location shall be notified when the procedure is complete. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-18. Failure to merge. (a) Except as otherwise provided by this regulation, if it becomes impossible to successfully merge a guest facility's wagers in the combined wagering pool, each simulcasting licensee shall make an announcement to the patrons explaining the circumstances and may refund the monies that were not successfully merged into the combined wagering pool, may calculate the pool as a separate pool if none of the monies were merged, or may pay track odds, provided that the decision is made before such race or races being made official at the sending racetrack. A failure to make such a decision before the race is made official shall result in the licensee paying track odds.

(b) Each contract for combined wagering pools entered into by a simulcasting licensee shall contain a provision stating that the simulcasting licensee is not liable for any measures taken which may result in a guest facility's wagers not being accepted into a combined wagering pool formed by the licensee if for any reason:

- (1) it becomes impossible to successfully merge the wagers placed in another state in the combined wagering pool formed by the simulcasting licensee; or
- (2) the commission's or simulcasting licensee's representative determines that attempting to transfer pool data from the guest facility will endanger the simulcasting licensee's wagering pool. (Authorized by K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3; implementing L. 1992, Ch. 27, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

112-18-19. Responsibility for the accuracy of transmitted wagering data. The accuracy of all transmitted wagering data shall be the responsibility of the host facility. Responsibility will shift to a guest facility if the transmission of incorrect data would have been detected had the guest facility properly confirmed the transmitted check sum. (Authorized by and implementing K.S.A. 1991 Supp. 74-8804, as amended by L. 1992, Ch. 27, Sec. 3, and L. 1992, Ch. 286, Sec. 2; effective, T-112-4-27-92, April 27, 1992; effective, T-112-9-10-92, Sept. 10, 1992; effective Nov. 23, 1992.)

28-17-20. Corrections to certificates and records. Corrections to certificates or records may be made only as follows and only within the time limit indicated in each subsection.

(a) Amendments within 90 days.

(1) Within 90 days of receipt of an original vital record in the office of vital statistics, the following records in which an inaccuracy or incomplete item is apparent on the face of the certificate, may be changed to show the accurate and complete facts:

(A) birth certificates;

(B) any part of a death certificate other than the portion describing the cause of death;

(C) stillbirth certificate; and

(D) divorce records.

(2) Such changes shall be made in one of two ways:

(A) drawing a single line through the incorrect information, inserting the correct information in the appropriate space, and placing the date of the amendment and the word "amended" on the record. This process shall be the primary way in which amendments are made and this process of amendment shall not be used more than one time for the same item; or

(B) completing a new certificate in accordance with K.S.A. 38-1130 and amendments thereto, or completing a new certificate when a single line has been previously drawn through incorrect information. The date of the amendment and the word "amended" shall be

placed on the newly created certificate. This process of amendment shall not be used more than one time for the same item.

(3) An amendment fee shall not be required for changes made within the first 90 days after receipt of the vital record in the office of vital statistics.

(b) Amendments after 90 days. After 90 days of receipt of the vital record in the office of vital statistics, amendments may be made only as follows:

(1) Certificates of birth.

(A) Birth certificate items may be amended upon the applicant's submission of at least two documents which consistently substantiate the item or items to be amended and that are executed and dated at least five years prior to the request for the amendment or prior to the seventh birthday anniversary of the registrant, except that items (i) through (viii) shall be corrected only as provided.

(i) The items recording the registrant's sex may be amended if the amendment is substantiated with the applicant's affidavit that the sex was incorrectly recorded or with a medical certificate substantiating that a physiological or anatomical change occurred.

(ii) If the registrant is a minor, any request by the parents to change an item by adding the name of a parent, correcting the name of either parent or of the child, or changing the child's last name to that of either parent shall be made only pursuant to K.S.A. 38-1130 and amendments thereto.

(iii) Any registrant who is of legal age may amend the order of the registrant's given names if the amendment is substantiated with one of the documents specified in paragraph (A) above.

(iv) A registrant who is of legal age may place a given name or names of the registrant on the record only if there is no given name on the original certificate and if the amendment is substantiated with one of the documents specified in paragraph (A) above.

(v) A registrant who is of legal age may correct a given name or names of the registrant if the amendment is substantiated with one document established prior to the seventh birthday anniversary of the registrant.

(vi) A registrant who is of legal age may correct the spelling of the last name of the registrant if the amendment is substantiated with two documents established prior to the seventh birthday anniversary of the registrant. A registrant who is of legal age may not change the last name of the registrant under authority of this regulation.

(vii) A registrant who is of legal age may correct the maiden name of the mother or the legal name of the father or mother, or the legal name of the father and mother of the registrant, if one of the required documents specified in paragraph (A) above is the marriage license or birth certificate of that parent.

(viii) The birth date on the certificate may only be changed if both required documents were executed and dated prior to the seventh birthday anniversary, and if the change is not inconsistent with the recorded filing date.

(B) When an amendment is made after 90 days, any item that has been previously amended shall not be changed under authority of this regulation.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the state registrar.

(D) Requests for an amendment to a certificate of birth that do not require a court order shall be submitted by the parent or legal guardian of persons not of legal age, or by the person whose birth is recorded, if of legal age, and by none other. The person submitting such an application shall execute a notarized affidavit stating the true facts to be recorded.

(E) When amendments to a birth certificate are made after 90 days of the date the certificate was received by the office of vital statistics, the original certificate shall remain unchanged and placed in a sealed file to be opened only by court order. A new certificate shall be prepared and shall be marked "amended." The date of the amendment shall be recorded on the certificate. In the sections where the original certificate contained a signature, the amended certificate shall contain the typed name of the person who signed. The original certificate and any affidavit required shall be permanently filed by the office of vital statistics.

(2) Certificates of death—personal data.

(A) "Personal" data may be amended if the request is made within the first six months after the filing of the original certificate.

(B) Requests for amendments to "personal" data may be made only by the funeral director or person acting as such who submitted the original certificate.

(C) When amendments to the "personal" data of a death certificate are made after 90 days of the date the certificate is received in the office of vital statistics, the original certificate shall remain on file unchanged and placed in a sealed file to be opened only by court order. A new certificate shall be prepared by the funeral director or person acting as such. The medical certification section shall again be completed and the required signatures shall be secured in all possible instances. The signatures may be typed if the required signatures are unattainable and a written statement of the reason therefore is attached to the certificate. The certificate shall not be accepted if the stated reason for the typed signature is inadequate. Upon acceptance by the office of vital statistics, the new certificate shall be marked "amended" and shall indicate the date of the amendment.

(c) Amendments, no time limit.

(1) Certificate of death—medical certification.

(A) An amendment may be made to the medical certification data at any time.

(B) Requests for amendments to the medical certification data may be made only by the attending physician who signed the medical certification on the original certificate, or by the coroner in whose jurisdiction the death occurred.

(C) Amendments to the medical certification may be made in one of two ways:

(i) the original certificate shall remain on file unchanged, and the written statement or affidavit of the

(continued)

certifying physician or coroner shall be appended to the back of the original certificate; or

(ii) a certifying physician or coroner may request the establishment of a new death certificate when erroneous data has been entered in the medical certification section. Article 4.—ACCIDENT AND HEALTH INSURANCE

40-4-37d. Long-term care insurance; benefits; medical condition; activities of daily living; definitions; requirements. (a) A long-term care policy may require a recommendation by a physician that the services are necessary due to illness, injury or infirmity, but shall not condition such benefits on medical necessity.

(b)(1) In addition to or in lieu of a recommendation by a physician as described in section (a) of this regulation, group long-term care insurance policies covering employees, dependents and retirees of a single employer may include provisions which condition the payment of benefits on an assessment of the insured's ability to perform activities of daily living or cognitive impairment.

(2) As used in this section, activities of daily living consist of the following defined activities and performance criteria:

(A) "Bathing" is a person's ability to get into and out of the tub or shower, turn on the water, get the soap or other cleansing product, and bathe the entire body including back and feet. A person is dependent if he or she cannot bathe in a bathtub or shower without the assistance of another person or is able to participate only minimally, such as washing face and hands only.

(B) "Dressing" is a person's ability to get clothes from closets or drawers and put them on or take them off, including undergarments and outer-garments, as well as fasteners and braces, if worn. Dressing includes the ability to fasten one's shoes. A person is dependent

if he or she can dress only with the assistance of another person or is able to participate only minimally, such as putting on outer garments only.

(C) "Eating" is a person's ability to bring food to his or her mouth or hold a glass to the mouth, and chew and swallow food. A person is dependent if he or she is fed by hand, is being fed intravenously or through a feeding tube, is unable to bring food to his or her mouth or is unable to chew and swallow the food.

(D) "Maintaining continence" is a person's ability to maintain control of urination or bowel movement. A person is dependent if he or she loses bladder control three times per week or more, loses bowel control two times per week or more, or needs assistance in maintaining his or her catheter or colostomy bag.

(E) "Toileting" is a person's ability to get to and from the toilet, onto and off of the toilet, clean oneself after elimination, and adjust his or her clothes after toileting. A person is dependent if he or she needs help with one or more of the tasks specified above, maintaining balance, or caring for his or her catheter or colostomy bag.

(F) "Transferring from bed to chair" is a person's ability to get into or out of bed or a chair. A person is dependent if he or she is unable to get into or out of bed or a chair without human assistance.

(G) "Mobility" is a person's ability to walk or move from one place to another. A person is dependent if he or she requires assistance or supervision from another person to safely walk or if he or she needs to be wheeled from one place to another.

(3) "Cognitive impairment" means a deficiency in the ability to think, perceive, reason, remember or otherwise routinely display an ability to take care of oneself without the ongoing assistance of or supervision by another person.

(4) Any determination of impairment shall not be more restrictive than requiring either a deficiency in the ability to perform three of the activities of daily living or the presence of cognitive impairment.

(5) Assessments of activities of daily living and cognitive impairment shall be performed by properly credentialed, experienced, trained professionals, such as physicians, registered nurses or licensed specialist social workers. (Authorized by K.S.A. 40-103, K.S.A. 1991 Supp. 40-2228; implementing K.S.A. 1991 Supp. 40-2228; effective, T-40-9-25-92, Sept. 25, 1992.)

Article 14.—INSURANCE PREMIUM FINANCE COMPANIES

40-14-10. Same; rates; filing. Each premium finance company shall file with the commissioner of insurance a complete listing of all scheduled interest rates and service charges which the company intends to use in Kansas. Such listing shall be revised and refiled as necessary to continuously reflect current rates and charges. (Authorized by K.S.A. 40-103 and 40-2608; implementing K.S.A. 40-2609; effective, T-40-9-25-92, Sept. 25, 1992.)
