Private Industry Council**Public Notice**

The Kansas Private Industry Council of Service Delivery Area (SDA) III is submitting a modification of its two-year Job Training Plan to the Governor of Kansas through the Department of Human Resources. Funding for this plan is through Title IIA (Adults) and Title IIC (Youth) of the Job Training Partnership Act (JTPA) as amended in 1992. It is the purpose of the act to establish programs to prepare economically disadvantaged youth and adults facing serious barriers to employment for participation in the labor force by providing job training and other services that will result in increased employment and earnings, increased educational and occupational skills, and decreased welfare dependency, thereby improving the quality of the work force and enhancing the productivity and competitiveness of the nation. The respective program years are July 1, 1992 to June 30, 1993 (PY 92), and July 1, 1993 to June 30, 1994 (PY 93). The funding level for PY 93 under Title IIA is \$974,167, and for Title IIC \$691,617. The SDA plans to serve approximately 300 eligible adults and 330 youth during this program year. The plan modification will become effective July 1, 1993.

The Kansas Private Industry Council of SDA III also is submitting to the Governor through the Department of Human Resources a Summer Youth Employment and Training Plan (SYETP) modification. The respective program years are October 1, 1991 to September 30, 1992 (PY 91), and October 1, 1992 to September 30, 1993 (PY 92). The initial funding level for program year 1992 (the summer of 1993) is \$813,748. The SDA plans to serve an estimated 475 eligible youth during the summer of 1993. Subsequent funding is estimated to be an additional \$1,091,907, of which \$750,492 is expected to be available to enroll an estimated addi-

tional 550 youth in work experience activities and \$341,415 available for academic enrichment activities. These are preliminary planning estimates, based on the amount of the administration requested from Congress for a supplemental appropriation for the summer jobs program and may change, based on the final actions of the House and the Senate. Funding for SYETP is through Title IIB of the JTPA as amended. It is the purpose of the SYETP to provide job training for economically disadvantaged youth, ages 14-21, facing serious barriers to employment, with exposure to the world of work, the enhancement of basic educational skills, and to encourage school completion or enrollment in supplementary or alternative school programs.

The Kansas Private Industry Council of SDA III also will submit to the Governor through the Department of Human Resources a modification to its Title III Economic Dislocation and Worker Adjustment Act (ED-WAA) Plan. The respective program years are July 1, 1992 to June 30, 1993 (PY 92), and July 1, 1993 to June 30, 1994 (PY 93). The funding level for program year 1993 is \$267,481. The SDA plans to serve approximately 145 eligible participants during this program year. The purpose of the program is to assist workers who have been terminated, laid off or have received a notice of termination or layoff due to a permanent closure or substantial layoff at a plant or facility find employment by providing readjustment, retraining and other services for dislocated workers. The plan modification will become effective July 1, 1993.

There is a 30-day review and comment period for the proposed plan modification. The full Title IIA, Title IIB, Title IIC and Title III plans are available at the following location and may be reviewed upon request. Questions and comments may be directed to the Kansas Private Industry Council, Service Delivery Area III, 1020 Gateway Center Tower II, 4th and State Ave., Kansas City, KS 66101, (913) 371-1607.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, May 11, in Room 108 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed permanent rules and regulations of the Division of Personnel Services.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Summaries of the proposed regulations and of their economic impact follow:

K.A.R. 1-2-30, Designated position. This regulation defines the term "designated" positions, which are covered by the drug screening program. The amendment would change terminology related to firearms to clarify the regulation's language. There is no economic impact on state agencies, state employees in designated positions or on the general public.

K.A.R. 1-5-28, Shift differential. This regulation provides for payment of a shift differential for employees who are eligible for overtime and who work on regularly scheduled shifts other than a day shift. The regulation is amended to state that when an employee works unscheduled hours at the end of a normal work day, the employee is not eligible for shift differential. This change reinforces the existing requirement that the shift differential is applicable only to regularly scheduled shifts. A second amendment eliminates the reference to nursing personnel at the University of Kansas Medical Center; that reference is no longer necessary as those positions are now unclassified. There is no economic impact on state agencies,

state employees or the general public associated with either of these amendments.

K.A.R. 1-9-5, Sick leave. This regulations provides for accrual and use of sick leave. Amendments to the regulation are primarily stylistic. They include replacing the term "employee's family" with "family member" and reorganizing subsection (e) to separate out the definition of family member. Additional amendments replace the reference to "physician" with the term "licensed medical professional," and remove the reference to retirees which simply duplicates statutory language in K.S.A. 75-5517. There is no economic impact on state agencies, state employees or the general public associated with these amendments.

K.A.R. 1-9-6, Leave without pay. This regulation provides for approval and use of leave without pay. Amendments to this regulation clarify that time spent on leave without pay by a probationary employee does not count toward completion of the probationary period and adds a subsection applying the definition of "family member" in K.A.R. 1-9-5(e)(2) to this regulation. There is no economic impact on state agencies, state employees or the general public associated with these amendments.

K.A.R. 1-9-23, Shared leave. This regulation establishes the conditions for approval and use of shared leave. The proposed amendments to this regulation replace all references to "relative" or "household member" with the term "family member" as defined in K.A.R. 1-9-5(e)(2). Along with the changes in K.A.R. 1-9-5 and K.A.R. 1-9-6, the amendments to K.A.R. 1-9-23 would provide consistent terminology, definitions and application of leave policies. As the amendment would limit application of shared leave to "family members," there may be some instances in which employees would not be eligible for shared leave under circumstances that might qualify under the existing regulation. However, it is not possible to estimate any resulting economic impact on such state employees or on state agencies given the wide range of variables associated with shared leave. There is no economic impact on the general public associated with this regulation.

K.A.R. 1-9-21, Nepotism. This regulation is amended to conform with K.S.A. 46-246a and K.A.R. 19-40-4. The 1992 Legislature passed legislation giving the authority to adopt regulations regarding nepotism to the Kansas Commission on Governmental Standards and Conduct. Therefore, the amendments to K.A.R. 1-9-21 reflect the limits on nepotism previously established under K.S.A. 46-246a and K.A.R. 19-40-4. There is no economic impact on state employees or state agencies caused by the amendments to this regulation.

Copies of these regulations and their economic impact statements can be obtained from the Division of Personnel Services, 9th Floor, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, (913) 296-6000.

Cities and Municipalities—Buildings, Structures and Grounds; Public Buildings—Public Purpose Doctrine. Richard H. Rumsey, Cheney City Attorney, Wichita, March 17, 1993.

A city may expend public funds for the purchase of a building as long as the purchase is for a public purpose. In addition, a city is authorized by statute to purchase a public building and may lease the building or part of it when not required for city purposes. Based upon the facts provided, Main Street in Valley Center as it proceeds west from Meridian Street to the city limits is part of the county secondary road system, and consequently the Sedgwick County Board of County Commissioners is required to maintain and improve it. A provision of the city housing code authorizing inspections of dwellings does not violate section 15 of the Kansas Bill of Rights and the Fourth Amendment to the United States Constitution; however, the owner or occupant has the right to deny access to a public inspection officer and may require that a search warrant be secured. Cities and Municipalities—Planning and Zoning; Planning, Zoning and Subdivision Regulations in Cities and Counties—Plats; Approval and Filing Procedure. Linda P. Jeffrey, Shawnee County Counselor, Topeka, March 22, 1993.

The register of deeds may file a plat only after it has been endorsed and accepted by the governing body. Under the facts presented, the governing body for the unincorporated zone which extends three miles from the Topeka city limits is the city. This is contingent upon the city and county forming a joint planning commission which must then develop subdivision regulations. These subdivision regulations will govern plat approval. They will also establish the jurisdictional control of the city and county. Cited herein: K.S.A. 12-705; 12-705a; 12-741; 12-743; 12-747; 12-750; 12-752; L. 1991, ch. 56, § 1. CN

(b) Commission members and hearing officers designated by the commission may administer oaths and take depositions to the same extent and subject to the same limitations as would apply if the deposition was in aid of a civil action in the district court.

(c) The commission may examine, or cause to be examined by any agent or representative designated by the commission, any books, papers, records or memoranda of any licensee, or of any racetrack or business involved in simulcasting races to racetrack facilities in Kansas, for the purpose of ascertaining compliance with any provision of this act or any rule and regulation adopted hereunder.

(d) The commission may issue subpoenas to compel access to or for the production of any books, papers, records or memoranda in the custody or control of any licensee or officer, member, employee or agent of any licensee, or to compel the appearance of any licensee or officer, member, employee or agent of any licensee, or of any racetrack or business involved in simulcasting races to racetrack facilities in this state, for the purpose of ascertaining compliance with any of the provisions of this act or any rule and regulation adopted hereunder. Subpoenas issued pursuant to this subsection may be served upon individuals and corporations in the same manner provided in K.S.A. 60-304 and amendments thereto for the service of process by any officer authorized to serve subpoenas in civil actions or by the commission or an agent or representative designated by the commission. In the case of the refusal of any person to comply with any such subpoena, the executive director may make application to the district court of any county where such books, papers, records, memoranda or person is located for an order to comply.

(e) The commission shall allocate equitably race meeting dates, racing days and hours to all organization licensees and assign such dates and hours so as to minimize conflicting dates and hours within the same geographic market area.

(g) The commission shall review and approve all proposed construction and major renovations to racetrack facilities owned or leased by licensees.

(h) The commission shall review and approve all proposed contracts with racetracks or businesses involved in simulcasting races to racetrack facilities in Kansas.

A decision of the commission to overrule any decision of a steward or racing judge shall not change the distribution of parimutuel pools to the holders of winning tickets. A decision of the commission which would affect the distribution of purses in any race shall not result in a change in that distribution unless a written claim is submitted to the commission within 48 hours after completion of the contested race by one of the owners or trainers of a horse or greyhound which participated in such race and a preponderance of evidence clearly indicates to the commission that one or more of the grounds for protest, as provided for in rules and regulations of the commission, has been substantiated.

(k) The commission, after notice and a hearing in accordance with rules and regulations adopted by the commission, may impose a civil fine not exceeding \$5,000 for each violation of any provision of this act, or any rule and regulation of the commission, for which no other penalty is provided.

The commission shall submit such fingerprints to the Kansas bureau of investigation and to the federal bureau of investigation for the purposes of verifying the identity of such persons and obtaining records of criminal arrests and convictions.

(o) The commission may receive from the Kansas bureau of investigation or other criminal justice agencies such criminal history record information (including arrest and nonconviction data), criminal intelligence information and information relating to criminal and background investigations as necessary for the purpose of determining qualifications of licensees of the commission and applicants for licensure, including applicants for simulcasting licenses, by the commission. Such information, other than conviction data, shall be confidential and shall not be disclosed except to members and employees of the commission as necessary to determine qualifications of such licensees and applicants. Any other disclosure of such confidential information is a class A misdemeanor and shall constitute grounds for removal from office, termination of employment or denial, revocation or suspension of any license issued under this act. Nothing in this subsection shall be construed to make unlawful the disclosure of any such information by the commission in a hearing held pursuant to this act.~~

(p) The commission, in accordance with K.S.A. 75-4319 and amendments thereto, may recess for a closed or executive meeting to receive and discuss information received by the commission pursuant to subsection (o) and to negotiate with licensees of or applicants for licensure by the commission regarding any such information.

The Kansas Lottery

Temporary Administrative Regulations

Article 2.—LOTTERY RETAILERS

111-2-24. Powerball retailer sales incentive test. In addition to compensation specified in K.A.R. 111-2-4 and 111-2-6, the Kansas Lottery may also offer the following as bonus incentives to enhance the sale of Powerball on-line tickets: (a) The Powerball sales incentive test will run for an eight-week period between approximately mid-April and mid-June, 1993.

(b) The lottery will randomly select approximately 300 on-line retailers to participate in the test. The retailers will be selected at random but will represent a cross section of retailer types and geography. Selection will also be based upon a retailer's willingness to participate.

(c) Each participating on-line retailer will be assigned a sales level based upon retailers "base" sales average. The "base" sales average is arrived at by computing retailers' weekly average Powerball sales for the sales week starting July 1, 1992 and ending February 27, 1993. The weekly average is then multiplied by eight to determine "base" sales for an eight-week period.

(d) New retailers coming on line after July 1, 1992, will not be eligible for participation in this promotion.

(e) For every \$250 over "base" sales, the participating retailer will earn one item from the Kansas lottery's "Powerball Incentive Program" "A" book. For every \$500 over "base" sales, participating retailers will earn two items from the "A" book or one item from the "Powerball Incentive Program" "B" book. "A" book items have approximately value of \$12.50 each. "B" book items have an approximate value of \$25.00 each. Additional "A" book items will be awarded at each \$250 increment. Additional "B" book items will be awarded at each \$500 increment. For each \$100 over base, retailers will receive one entry into a sweepstakes drawing.

(f) On a date to be determined by the executive director but not earlier than June 15, 1993, the Kansas Lottery will conduct a random drawing to select 20 winning sweepstakes retailers. One card will be deposited in a Kansas lottery receptacle or drum for each \$100 increment above base attained by a participating retailer. Using a bare arm technique, a lottery representative will select 20 entries. Winning retailers will each receive a 19-inch color television for each winning entry drawn. The retailer may win more than once. The drawing will be recorded on audio and videotape. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-3-26-93, March 19, 1993.)
