Notice 93-3

To the Kansas Retailers of Mobile Homes and Manufactured Houses from the Kansas Department of Revenue concerning Mobile Homes and Manufactured Housing.

K.S.A. 79-3606(ff) exempts from sales tax: "all sales of new mobile homes to the extent 40% of the gross receipts, determined without regard to any trade-in allowance, received from such sale. As used in this subsection "mobile homes" shall have the meaning ascribed thereto by K.S.A. 75-1226 and amendments thereto."

Sixty percent (60%) of the selling price of a mobile home or manufactured house is subject to the 4.9% state sales tax, plus any applicable city or county local tax. The selling price of the mobile home or the manufactured house includes such items as refrigerators, ranges, microwave ovens, and central air conditioning units which are attached to the mobile home or manufactured house. As stated above, the forty percent (40%) exemption is computed on the selling price of the mobile home or the manufactured house before any trade-in allowance is deducted. Any installation, transport, anchoring, skirting or set-up fees that are rendered by the retailer would likewise be included in the selling price.

Any labor services rendered to install or apply tangible personal property in connection with the original construction of any additions to the mobile home or the manufactured house, such as the erection of a garage, once the mobile home or the manufactured house is installed, would be subject to the reduced state sales tax rate of 2.5%, plus any applicable city or county local tax.

This Revenue Notice supersedes all previous department of revenue rulings and opinions, and shall become effective upon its publication in the Kansas Register. Additionally, the contents of this notice should not be applied to the sale of modular homes.

Should you have further questions in this area, you may contact the Kansas Department of Revenue, Taxpayer Assistance Bureau, Topeka, Kansas 66625, (913) 296-0222.

Article 5.—COMPENSATION

1-5-28. Shift differential. (a) Each agency having multi-shift operations shall designate one or more shifts as a normal day shift. Each agency shall specify no more than 12 consecutive hours in the day from which normal day shifts may be designated. Each normal day shift shall fall entirely within those designated hours.

(b) Except as provided in subsection (e), a shift differential shall be paid to classified employees in positions eligible to receive overtime pursuant to K.A.R. 1-5-24 for hours worked on regularly established shifts other than the normal day shift or shifts. The shift differential shall not be paid to an employee for any time the employee is on any type of leave or holiday or when the employee works unscheduled hours before or after a normal day shift.

(c) Upon recommendation of the secretary, the amount of the shift differential shall be that amount set by executive directive of the governor. The amount shall be recommended by the secretary after consideration of salary survey data and other appropriate and relevant factors, which shall be reviewed at least annually.

(d) With regard to particular classes of employees, or particular agencies, or employees located in particular geographic areas of the state, a recommendation to extend or deny the shift differential authorized by this regulation may be submitted by the director of personnel services to the secretary. This extension or denial shall be effective when the same has been approved by executive directive of the governor.

(e) The head of each agency with employees engaged in law enforcement and fire fighting activities, as defined in 29 C.F.R. 553, shall determine whether such employees will be eligible for shift differential as provided in this regulation and shall submit a written

* "Hours worked" means hours in pay status except that overtime worked and additional payment for holidays worked are not counted in determining sick leave earned.

(c) On the first day following each payroll period, the sick leave accrued during the previous payroll period shall be credited to each employee. In no case

shall overtime worked be counted in determining sick leave credited. Each eligible employee paid on a monthly or semi-monthly basis shall be credited sick leave credits at the rate of one hour for each 20 hours in pay status, excluding overtime worked and additional payment for holidays worked, up to the maximum set forth in subsection (b).

(d) Each employee wishing to use sick leave shall request its use in the form and at such time as prescribed by the appointing authority, as required by K.A.R. 1-9-3(a). Any employee may be required by the appointing authority or the director of personnel services to provide evidence necessary to establish that the employee is entitled to use sick leave credits under the circumstances of the request. If the employee fails to provide this evidence, the use of requested sick leave may be denied by the appointing authority or director. The appointing authority, with the director's approval, may require an examination of an employee by a licensed health or mental health care professional ultimately responsible for patients' health care, as designated by the agency and at the agency's expense.

(e)(1) Sick leave with pay shall be granted only for the following reasons:

(A) illness or disability of the employee including pregnancy, childbirth, miscarriage, abortion, and recovery therefrom, and personal appointments with a physician, dentist, or other recognized health practitioner;

(B) illness or disability, including pregnancy, childbirth, miscarriage, abortion, and recovery therefrom, of a family member, and a family member's personal appointments with a physician, dentist or other recognized health practitioner when the illness, disability or appointment reasonably requires the employee to be absent from work;

(C) legal quarantine of the employee; or

(D) the adoption of a child by an employee or initial placement of a foster child in the home of an employee, when the adoption or initial placement reasonably requires the employee to be absent from work.

(2) For purposes of this regulation, an employee's "family member" shall be limited to:

(A) persons related to the employee by blood, marriage or adoption; and

(B) minors residing in the employee's residence as a result of court proceedings pursuant to the Kansas code for care of children or the Kansas juvenile offenders code;

(f) If an appointing authority has evidence that an employee cannot perform the employee's duties because of illness or disability, if the employee has accumulated sick leave, and if the employee refuses or fails to apply for sick leave, the appointing authority may require the employee to use sick leave, and upon exhaustion of the employee's sick leave, may require use of any accumulated vacation leave or compensatory credits. An appointing authority may request a written release by a licensed health or mental health care professional ultimately responsible for patients' health care before the employee is allowed to return to work. If the employee has exhausted all sick leave,

accumulated vacation leave, or compensatory credit, the appointing authority may grant the employee leave without pay as provided in K.A.R. 1-9-6(c).

(g) If an employee or the employee's family member as specified in paragraph (e)(2) above becomes ill while the employee is taking vacation leave, and for all intents and purposes, is deprived of all or a significant portion of the vacation due to the illness, the appointing authority, upon request of the employee, may charge to sick leave some or all of the time the employee or family member was ill while on vacation.

(h) Each employee who is injured on the job and awarded workers' compensation shall be granted use of accumulated leave. The compensation for accumulated leave used each payroll period shall be that amount which, together with workers' compensation pay, equals the regular salary for the employee. Unless the employee requests otherwise, vacation leave credits and compensatory time credits shall be used only after sick leave credits have been exhausted. Workers' compensation days credited back to the employee shall be in multiples of half days only.

(i) Each former employee who had unused sick leave at time of separation, and who returns to the service to a permanent position within a year, shall have the unused sick leave returned to the employee's credit. This provision shall not apply to a person who has retired from the state service.

(j) Effective February 1, 1993, calculation for payment of accumulated sick leave as of the date of retirement shall be made using the rates set forth in K.A.R. 1-5-21. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-3707, K.S.A. 75-3746; effective May 1, 1979; amended, E-81-23, Aug. 27, 1980; amended May 1, 1981; amended May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended Sept. 26, 1988; amended July 16, 1990; amended Jan. 6, 1992; amended Aug. 3, 1992; amended July 26, 1993.)

1-9-21. Nepotism. In accordance with K.S.A. 46-246a and K.A.R. 19-40-4, no state officer or employee shall advocate, participate in or cause the appointment, promotion, transfer, demotion or discipline of a member of the officer's or employee's household or a family member. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-3746, K.S.A. 1992 Supp. 46-246a; effective May 1, 1979; amended Jan. 6, 1992; amended July 26, 1993.)

1-9-23. Shared leave. (a) (1) Each classified employee, excluding those who are on emergency, intermittent, or temporary appointment, and each unclassified employee, excluding those on emergency, intermittent, or temporary appointment, or on a temporary appointment made pursuant to K.S.A. 1992 Supp. 75-2935(1)(i), may be eligible to receive or donate shared leave as provided in this regulation.

(2) Shared leave may be granted to an employee if the employee or a family member as defined in K.A.R. 1-9-5(e)(2) experiences a catastrophic illness or a catastrophic injury, including but not limited to, cancer, major surgery, serious accident or heart attack, that:

(continued)

(A) poses a threat to life or requires inpatient or hospice care, extensive outpatient treatment or care at home; and

(B) keeps the employee from performing regular work duties.

(b) (1) An employee shall be eligible to receive shared leave if:

(A) the employee has exhausted all paid leave including annual leave, sick leave, and compensatory time credits; and

(B) the employee has six months of continuous service.

(2) An employee shall be eligible to donate annual leave or sick leave to another employee if:

(A) the donation of annual leave does not cause the accumulated annual leave balance of the donating employee to be less than 80 hours; and

(B) the donation of sick leave does not cause the accumulated sick leave balance of the donating employee to be less than 480 hours.

(c) (1) Each employee wishing to use or donate shared leave shall request to use or donate in the form and at such time as prescribed by the appointing authority, as required by K.A.R. 1-9-3(a).

(2) When requesting shared leave, or at any time during the use of shared leave, any employee may be required by the appointing authority or the director to provide a physician's statement or other medical evidence necessary to establish that the illness or injury is of a catastrophic nature and keeps the employee from performing regular work duties. If the shared leave is being used for a family member, the employee may also be required to show evidence that the family member's illness or injury keeps the employee from performing regular work duties. If the employee fails to provide evidence as required, the use of shared leave may be denied or terminated by the appointing authority.

(3) (A) If the appointing authority determines the employee meets the initial eligibility requirements in paragraph (b)(1), and if applicable, determines that the employee would be caring for an individual who meets the definition of family member, a leave share review committee shall be established as prescribed by the director. The leave share review committee shall review shared leave requests and provide a recommendation to the appointing authority.

(B) Shared leave may be denied if it is determined that the requesting employee has a history of leave abuse. Common illness or minor injury that is not serious or life-threatening shall be excluded from eligibility for shared leave.

(C) If the employee receives worker's compensation, long-term disability payments, or both, shared leave used each payroll period shall be that amount which, together with the payment of worker's compensation, long-term disability, or both, equals but does not exceed the regular salary for the employee.

(D) The appointing authority may grant all or a portion of the time requested. The decision by the appointing authority to approve or deny the request shall

be final and not subject to appeal to the civil service board.

(d) Employees shall not be notified of the need for shared leave until the request for shared leave has been approved by the appointing authority. No employee shall be coerced, threatened, intimidated, or financially induced into donating leave for purposes of the shared leave program.

(e) (1) Shared leave may be used only for the duration of the current catastrophic illness or injury for which it was collected, up to a maximum of one year from the date the employee began using the shared leave. Shared leave shall not be transferable to any employee other than the employee for which it was requested and donated.

(2) Shared leave may be applied retroactively for a period not to exceed 30 calendar days. The director shall be given written notification of each instance in which shared leave is applied retroactively.

(3) The employee shall no longer be eligible to receive shared leave for that particular occurrence if:

(A) the catastrophic illness or injury improves so that the employee is no longer prevented from performing regular work duties;

(B) the recipient terminates or retires; or

(C) the employee can no longer show evidence that the family member's illness or injury keeps the employee from performing regular work duties. The employee shall be determined to no longer be prevented from performing regular work duties when the physician states the employee is able to return to work or when the employee has returned to work for 20 continuous working days.

(4) Any unused portion of the shared leave shall be prorated among all donating employees based on the original amount and type of donated leave. Shared leave shall not be returned to donating employees in increments of less than one full hour or to any person who has left state service.

(f) (1) Shared leave shall be paid according to the receiving employee's regular rate of pay by the receiving employee's agency. The rate of pay of the donating employee shall not be used in figuring the amount of shared leave the requesting employee receives.

(2) Shared leave shall be donated in full-hour increments.

(g) Under extenuating circumstances, the requirements of this regulation may be waived or modified by the director upon written request of the appointing authority. (Authorized by K.S.A. 75-3706, 75-3747; implementing K.S.A. 75-2925, 75-3707, 75-3746; effective, T-1-7-23-92, July 23, 1992; effective Sept. 14, 1992; amended July 26, 1993.)

Summary

Proposed Final Statement
Community Development Objectives
Projected Use of Funds

Kansas Small Cities Community Development
Block Grant Program 1993

1. Purpose

This Final Statement of Community Development Objectives and Projected Use of Funds addresses the 1993 distribution of \$19,134,000 in Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development. The Kansas Department of Commerce and Housing (KDOC&H) is the designated state administering agency in Kansas. The KDOC&H will distribute the CDBG funds to units of general local government (cities and counties) in the non-entitled areas of Kansas in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, as amended.

2. Citizen Participation

The Secretary of Commerce and Housing appointed a Community Development Block Grant Advisory Task Force to advise the state on the development of the 1993 program. The individuals appointed represented a balance among elected and appointed local and state officials and community development professionals who had experience with the CDBG program. A broad range of community development interests and housing needs were expressed.

In addition to oral and written testimony presented at the task force meetings, the state has considered and taken into account all written comments received in preparation of this statement. Public hearings on the proposed final statement were held on January 14, 1993 in Topeka and Great Bend. A second public hearing on the proposed final state-

ment was held on April 15, 1993 in Topeka. Comments in response to the proposed final statement have been considered in the development of the 1993 Final Statement of community development objectives and projected use of funds.

3. Kansas Community Development Goals and Objectives

The federal Act established three national objectives with which the state concurs. These are: (1) Benefit low-and-moderate income persons; (2) Aid in the prevention of slum and blight conditions; (3) Alleviate conditions which pose an immediate and serious threat to health and welfare of the community.

4. Following are pertinent changes proposed for Fiscal Year 1993:

- a. Up to one percent of the total grant amount will be used to provide technical assistance to local governmental and nonprofit organizations that will provide training that will enhance local capacity in economic and housing development.
- b. A program of interim financing (float) for economic development projects will be initiated. Funds so used may be those which have been awarded for other grant categories, but have not been requested. Historically, the state has a balance of federal funds in excess of 150% of its current year's federal allotment, which lowers the risk of unavailability of funds when requested. In addition, such financing will require irrevocable letters of credit from financial institutions in the full amount of the interim financing amount.
- c. The state will entertain utilization of the Section 108 Loan Guarantee program. This program requires the state to pledge its future federal grants as security for such loan guarantees. Such guarantees may not exceed \$7 million for any individual loan or total more than 75% of the state's current years grant and will also require irrevocable letters of credit from financial institutions in the full amount of the guarantee and the interest amount charged by the funding source.

5. Copies of the entire proposed final statement are available upon receipt of a written request submitted to: Department of Commerce and Housing, Small Cities CDBG Program, 700 S.W. Harrison, Suite 1300, Topeka, Kansas 66603-3712.

In addition, there will be copies available in the KDOC&H Regional Offices in Pittsburg, Garden City, Hill City, Manhattan, Lawrence and Wichita. If the proposed statement is requested, you are urged to share it with your constituents.

6. Written comments are invited and will be taken into consideration for inclusion in the final statement if received prior to June 18, 1993.

Notice Concerning Kansas Water Pollution Control Permits

In accordance with state regulations 28-16-57 through 63, 28-18-1 through 4, and 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, tentative permits have been prepared for discharges to the waters of the United States and the state of Kansas for the applicants described below. The tentative determinations for permit content are based on preliminary staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the EPA, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization to discharge subject to certain effluent limitations and special conditions.

Elections—Registration of Voters—Registration of Voters; Removal of Names of Voters From Registration Lists; Basis for Removal of Names; Conviction for Felony.

Constitution of the State of Kansas—Suffrage—Disqualification to Vote; Removal of Names of Voters From Registration Lists. Steven W. Hirsch, Decatur County Attorney, Oberlin, June 1, 1993.

K.S.A. 1992 Supp. 21-4603(7) and 22-3722 do not violate section 2 of article 5 of the Kansas constitution. K.S.A. 1992 Supp. 25-2316c places an obligation upon the county election officer to remove from voter registration lists and party affiliation lists maintained by the county election officer the names of persons convicted of felonies. Once the civil rights of the person have been restored pursuant to either K.S.A. 1992 Supp. 21-4603 or 22-3722, the person may register to vote. Minors—Detention and Parental Homes or Farms; Camps or Homes for Two or More Counties—Tax Levy, Use of Proceeds; Publication of Resolution; Protest Petition and Election; Time of Election. Robert L. Eastman, Montgomery County Counselor, Coffeyville, June 1, 1993.

No tax levy can be made pursuant to K.S.A. 38-546 once a valid petition has been filed and the time period within which the election is to be held has passed. If a board of county commissioners continues to wish to levy a tax pursuant to K.S.A. 38-546, the board will need to pass a new resolution in accordance with K.S.A. 38-546. The new resolution would then be subject to petition. Cited herein: K.S.A. 10-120; 38-546. RDS

State Departments; Public Officers and Employees—Public Officers and Employees; Open Public Meetings—Bodies Subject Thereto; Parental Boards to Valley Center Recreation Commission. Steve Geddes, Director of Recreation, Valley Center Recreation Commission, Valley Center, June 1, 1993.

The parental boards which administer the programs of youth baseball and softball, youth soccer and youth wrestling are subject to the Kansas open meetings act (KOMA), in that the boards receive financial assistance, use the commission's equipment, and operate under the guidelines agreed to by the commission. Although the board members are not appointed by the commission, nor do they receive salary, under the facts of this case, the parental boards are not independent entities from the commission. The parental boards are subordinate groups of a political sub-division that receives or expends and is supported in whole or in part by public funds. Cited herein: K.S.A. 75-4317; 75-4318. NKF

The Kansas Lottery

Temporary Administrative Regulations

Article 2.—LOTTERY RETAILERS

111-2-24. Powerball retailer sales incentive test. In addition to compensation specified in K.A.R. 111-2-4 and 111-2-6, the Kansas Lottery may also offer the following as bonus incentives to enhance the sale of Powerball on-line tickets: (a) The Powerball sales incentive test will run for an eight-week period between approximately mid-April and mid-June, 1993.

(b) The lottery will randomly select approximately 300 on-line retailers to participate in the test. The retailers will be selected at random but will represent a cross section of retailer types and geography. Selection will also be based upon a retailer's willingness to participate.

(c) Each participating on-line retailer will be assigned a sales level based upon retailers "base" sales average. The "base" sales average is arrived at by computing retailers' weekly average Powerball sales for the sales week starting July 1, 1992 and ending February 27, 1993. The weekly average is then multiplied by eight to determine "base" sales for an eight-week period.

(d) New retailers coming on line after July 1, 1992, will not be eligible for participation in this promotion.

(e) For every \$250 over "base" sales, the participating retailer will earn one item from the Kansas lottery's "Powerball Incentive Program" "A" book. For every \$500 over "base" sales, participating retailers will earn two items from the "A" book or one item from the "Powerball Incentive Program" "B" book. "A" book items have approximate value of \$12.50 each. "B" book items have an approximate value of \$25.00 each. Additional "A" book items will be awarded at each \$250 increment. Additional "B" book items will be awarded at each \$500 increment. For each \$100 over base, retailers will receive one entry into a sweepstakes drawing.

(f) On a date to be determined by the executive director but not earlier than June 15, 1993, the Kansas Lottery will conduct a random drawing to select 20 winning sweepstakes retailers. Two cards will be de-

posited in a Kansas lottery receptacle or drum for each \$100 increment above base attained by a participating retailer. Using a bare arm technique, a lottery representative will select 20 entries. Winning retailers will each receive a 20-inch color television for each winning entry drawn. The retailer may win more than once. The drawing will be recorded on audio and videotape. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-3-26-93, March 19, 1993; amended, T-111-5-28-93, May 21, 1993.)

111-4-408. Entry into drawings. Entry into the "Heartland Park Drawings" is accomplished by the process detailed in the following subparagraphs:

(a) Obtain a valid Kansas instant lottery ticket;

(b) Determine if the ticket is a winning ticket in accordance with any instant game rules. If the ticket is a winning ticket, it is not eligible for the "Heartland Park Drawings," and shall be redeemed in accordance with the instant game rules;

(c) If the ticket is a valid non-winning ticket, the ticket is eligible for winning a drawing and the holder of the ticket may enter the "Heartland Park Drawings."

(d) The holder of the non-winning ticket must complete the information form on the back of the ticket in a legible manner and sign it.

(e) The holder of the ticket need not be present to win at the time of the "Heartland Park Drawings."

(f) There is no limit to the number of entries a participant may make.

(g) For the racing events occurring on June 24, 25 and 26, 1993, the receptacle(s) or drum(s) shall open at 8:00 a.m. and close immediately preceding the final racing events identified in K.A.R. 111-4-407 on June 27, 1993.

(h) The holder of a non-winning ticket must take each non-winning ticket with the information form on the back completed, to the location of either of two receptacle(s) or drum(s) at the "Heartland Park Drawings" and place it in the receptacle(s) or drum(s) provided by the lottery.

(i) On Sunday, June 27, 1993, the Kansas lottery will sponsor its "Heartland Park Drawings." Players enter the drawings by placing non-winning tickets into either of the two receptacle(s) or drum(s) located inside the admission gate at Heartland Park. Drawings shall be held at the lottery selling location on the west side of the track. (Authorized by and implementing K.S.A. 74-8710(b); effective, T-111-5-4-92, April 30, 1992; amended, T-111-9-1-92, Aug. 28, 1992; amended, T-111-5-28-93, May 21, 1993.)

The cancelled ticket, along with the terminal issued cancellation slip, must be retained and turned over to the lottery.

(b) If a single game or consecutive game ticket is not cancelled before the first game, credit may still be given to a retailer provided the following steps are taken:

(1) The retailer attempts to cancel the ticket within 30 seconds from the time of the first draw for which the ticket was eligible and a computer record is created of the attempt to cancel;

(2) The retailer calls the on-line vendor's "hotline" number, gives the ticket number to the operator and completely fills out a problem ticket report; and

(3) The retailer does not cash, or attempt to cash the ticket; and

(4) The retailer mails the ticket attached to the completed problem ticket report to the lottery within two weeks from the date of purchase.

The numbers marked are 1, 5, 7, 8, 9, 10, 11, 14, 17, 20, 21, 23, 27, 31, 33, 38, 41, 42, 49, 51, 53, 60, 61, 64, 67, 70, 71, 75, 77, 78, 79 and 80.

(4) "Inside" is a pattern game played by marking the box entitled "inside" on a "specials" game slip resulting in the issuance of a ticket in which the 32 numbers marked appear in the center of the board. (6) "Super eight" is a game played by marking the box entitled "super eight" on a "specials" game slip resulting in the issuance of a ticket on which all 80 blocks are marked into 20 vertical groups of four identical letters starting with 1, 11, 21 and 31 marked with "A's" to form group A, and ending with 50, 60, 70 and 80 marked with "T's" to form group T.

(g) "Spot checker" means an automated device used by players to check the status of their tickets. Winning tickets are required to be presented to a terminal operator for validation.

Each group marked by a separate letter (A, B, C, D, E) may contain from one to 10 spots. Each group or combination of groups is paid for individually and prizes are determined from the prize structure identified at subsection (a) of K.A.R. 111-7-95. To play a "way game" players must mark a "way bets" game slip.

(j) "Winning numbers" mean the 20 numbers between one and 80, randomly selected at each drawing, which shall be used to determine winning plays contained on a game ticket. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-5-28-93, May 21, 1993.)

111-7-93. Game description; retail sale of tickets.

(a) "Keno Plus" is a 10 of 20 of 80 lottery game with fixed prize amounts. For each game, a player may select a regular wager of one to 10 spots, combinations of spots ("way bet"), or one of the "special wagers." The lottery then selects 20 winning numbers from one to 80. Prizes are awarded based on the total amount of winning numbers matched by a player for the number of spots played for that game.

(b) To play, a player provides selections to a terminal operator by a game slip or other acceptable means.

(c) For "regular wagers," a player may select the quick pick option instead of selecting his or her own numbers.

(d) A player must select the amount to be wagered per game.

(e) A player may then select the spots or groups of spots to be played. Spots for a regular wager are marked by placing an "x" in the appropriate boxes. Groups of spots for a "way bet" are indicated by placing a capital letter (A, B, C, D, E) over the numbers that are to be grouped together using a single letter for each group. "Special wagers" are selected by placing an "x" in the appropriate box on a "specials" game slip.

(f) For "way bets," players must mark each group of spots to be included in the wager with capital letter(s) A, B, C, D or E and mark the prize amount for each group.

(g) A player must mark the number of consecutive games to be played if greater than one (2, 3, 4, 5 or 10).

(h) The cost of each ticket equals the amount wagered per game times the number of consecutive games indicated by the player.

(i) For "regular wagers," the minimum wager shall be \$1.00 per game; the maximum wager shall be \$20.00 per game. For "way betting," the minimum wager for one way is \$1.00, for two to 14 ways is \$.50 for 15 to 21 ways is \$.25 and for 22 ways and up is \$.10. The maximum per way is \$2.00. State of Kansas

Fiscal Year 1994

Office of the Governor

Message to the Senate of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Bill 437 with my signature approving the bill, except for the items enumerated below.

That portion of Section 17(d) which reads as follows has been line-item vetoed:

Fiscal Year 1994

"High performance incentive grants \$75,000"

The State of Kansas currently offers a variety of services, incentives, and grants to encourage economic development in the state. Given the state's difficult budget situation, I find it necessary to veto the appropriation for this new program.

That portion of Section 29(a) that reads as follows has been line-item vetoed:

Fiscal Year 1994

"Tuition grant program—municipal university 50,000"

The condition of the State General Fund precludes the expansion of programs at this time. This amount would be in addition to the \$6,349,568 that the state will provide to Washburn University as operating support in FY 1994.

The portion of Section 30(s) that reads as follows has been line item vetoed:

"(s) On July 1, 1993, of the \$51,364,174 appropriated for the above agency for the fiscal year ending June 30, 1994, by section 2(a) of 1993 House Bill No. 2047 from the state general fund in the mental health and retardation services aid and assistance account, the sum of \$1,000,000 is hereby lapsed."

I veto the Legislature's lapse of \$1.0 million from Mental Health and Retardation Services funding in FY 1994. My veto will make available to the agency \$500,000 in current services funding that the Legislature would have shifted to the federal Medicaid funding source. The veto will allow the agency more flexibility in shifting additional clients to the Medicaid program. However, I anticipate that this shift will produce savings of \$500,000 or more from the current FY 1994 approved budget, and that this savings will be reflected in my FY 1995 budget document. I concur with the Legislature's decision to not implement the expansion of Medical and Therapeutic Services for community mental retardation clients, and I will direct the Secretary of Social and Rehabilitation Services to refrain from expenditure of this \$500,000.

Section 31 that reads as follows has been line-item vetoed:

"Sec. 31. KANSAS COMMISSION ON GOVERNMENTAL STANDARDS AND CONDUCT

(a) There is appropriated for the above agency from the state general fund for the fiscal year specified, the following:

Additional operating expenditures \$15,368

Provided, That expenditures shall be made from this account for the purchase of two microcomputers and two laser printers: Provided further, That expenditures from this account for such microcomputers and printers shall not exceed \$6,266."

The expansion of State General Fund expenditures is not justified in light of the revenues available to the state. The across-the-board cuts approved by the Legislature are a dramatic indication that revenues are insufficient to finance continuing increases in state expenditures. I have already approved a budget for this agency which exceeds my original recommendations. Further expansions of this budget should be from fee fund revenues. It is recommended that the agency continue to seek ways to expand its fee fund resources.

Section 37(d) that reads as follows has been line-item vetoed:

"(d) On the effective date of this act, the expenditure limitation established by the state finance council for the fiscal year ending July 1, 1993, on the motor carrier inspection fund of the Kansas highway patrol is hereby increased from \$5,788,609 to \$5,992,940."

In my amended expenditure recommendation from the Motor Carrier Inspection Fund, I recommended, and the Legislature concurred, with expenditures of \$5,539,373. However, in implementing the approved level of expenditures, two technical errors were made. Section 37(d) would set the limitation for the Motor Carrier Inspection Fund at \$5,992,940, or \$453,567 over the amount approved by the Legislature. In addition, the section establishes the expenditure limitation for FY 1994 rather than, as apparently intended, FY 1993. The veto of this section has no effect on reported expenditures. For these reasons, I veto this section.

Section 38 that reads as follows has been line-item vetoed:

"Sec. 38. ATTORNEY GENERAL—KANSAS BUREAU OF INVESTIGATION

(a) There is appropriated for the above agency from the state general fund for the fiscal year specified, the following:

Fiscal Year 1994

Operating expenditures \$104,000"

The condition of the State General Fund precludes this expenditure increase at this time. This section was added to allow the KBI to handle a projected increase in DUI testing associated with the passage of 1993 HB 2355, which lowers the legal level of blood alcohol to less than .08 percent. I do not think it is necessary to appropriate additional State General Fund monies to the KBI for this purpose.

Section 42 that reads as follows has been line-item vetoed:

"Sec. 42. YOUTH CENTER AT BELOIT

(a) There is appropriated for the above agency from the state general fund for the fiscal year specified, the following:

(continued)

Fiscal Year
1994

Operating expenditures \$138,107

(b) On July 1, 1993, the position limitation established by section 14 of 1993 Senate Bill No. 42 for the above agency is hereby increased from 103.0 to 108.5."

Section 43 that reads as follows has been line-item vetoed:

"Sec. 43.

YOUTH CENTER AT ATCHISON

(a) There is appropriated for the above agency from the state general fund for the fiscal year specified, the following:

Fiscal Year
1994

Operating expenditures \$334,912

(b) On July 1, 1993, the position limitation established by section 14 of 1993 Senate Bill No. 42 for the above agency is hereby increased from 127.5 to 142.0."

Although I agree that improvements need to be made to the youth centers' security coverage in residential cottages, I do not believe that additional FTE positions and funding are necessary to achieve improved security and safety. Furthermore, an increase in the funding base of the youth centers at this time would jeopardize any future expansion of the Juvenile Offender Day Reporting System.

I recommended a budget for FY 1994 that included annualized funding for a Day Reporting System in order to divert non-violent juvenile offenders from the state youth centers to supervised community settings. As an offset to the additional community service expenditures, I recommended a modest downsizing of the youth centers located at Atchison and Beloit. In conjunction with the proposed downsizing, my recommendations would have redistributed existing staff at the youth centers to achieve a greater level of security coverage on each campus. Unfortunately, the Legislature, in SB 42, has provided funding above my recommendations in order to keep the youth centers at Atchison and Beloit at full capacity.

As a result of this line-item veto, I am directing the Secretary of Social and Rehabilitation Services to study the following: (1) the feasibility of decreasing SRS placements at the youth centers and providing early community transitions for non-violent youths placed directly by the courts without additional legislation; (2) a reasonable plan for downsizing the youth centers; and (3) the number of Youth Service Specialist staff needed to provide adequate coverage at each of the youth centers with a minimal cost to the state.

Also included in this appropriation is 2.5 percent for teacher salary increases, which are vetoed along with the funding for double coverage. I intend to restore these amounts, \$21,760 for the Youth Center at Beloit and \$21,843 for the Youth Center at Atchison, in my revisions to the FY 1994 budget during the next budget cycle.

Section 57 that reads as follows has been line-item vetoed:

"Sec. 57.

STATE FAIR BOARD

(a) There is appropriated for the above agency from

the following special revenue funds for the fiscal year specified, all moneys now or hereafter lawfully credited to and available in such funds, except that expenditures other than refunds authorized by law shall not exceed the following:

Fiscal Year
1994

Economic development initiatives fund—encampment building renovation project fund \$500,000
Encampment building renovation fund..... 170,000

(b) On July 15, 1993, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer \$500,000 from the Kansas economic development initiatives fund of the department of commerce and housing to the economic development initiatives fund—encampment building renovation project fund of the state fair board.

(c) Subject to finance council authorization, to provide for any amounts required to be paid for all or part of the cost of renovations on the 4-H encampment building authorized by this act and expenses related thereto, the pooled money investment board is authorized and directed to loan to the state fair board sufficient funds therefor in amounts which in the aggregate do not exceed \$170,000. All such amounts of such loan shall be credited to the new encampment building renovation fund which is hereby created in the state treasury. The pooled money investment board is authorized and directed to use any moneys in the active accounts, inactive accounts or time deposits, open accounts, of the state of Kansas to provide the funds for such loan.

(d) Such loan shall bear interest from the date of the loan transfer or transfers under this section at an annual rate of interest which shall be at a rate equal to the rate prescribed by K.S.A. 75-4210, and amendments thereto, for inactive accounts of the state effective on January 1 of such year. Such loan shall not be deemed to be an indebtedness or debt of the state of Kansas within the meaning of section 6 of article 11 of the constitution of the state of Kansas.

(e) The state fair board may periodically certify to the pooled money investment board amounts to be transferred pursuant to this subsection. Upon certification to the pooled money investment board by the state fair board of the amounts of the loan authorized by subsection (c), the pooled money investment board shall transfer an amount certified by the state fair board from the state bank accounts described in subsection (c) to the new encampment building renovation project fund which in the aggregate do not exceed the amount specified in subsection (c).

(f) Subject to the limitations of this section, the state fair board shall determine and certify to the pooled money investment board, on or before the date of the first certification pursuant to subsection (e), the terms and conditions of repayment of the principal and interest of such loan amounts."

A total of \$151,056 has been provided from the State Fair Capital Improvements Fee Fund in FY 1994 for various repair and rehabilitation projects on the fairgrounds. These projects can be scaled down or eliminated and the funds can be used to address the major safety concerns of the 4-H encampment building.

I also find it necessary to veto those portions of Section 57 of the bill which allow the State Fair Board

to borrow funds for the renovation of the 4-H encampment building. The State Fair Board is currently servicing debt of over \$600,000 resulting from the renovation of the grandstand at the fairgrounds. It is not clear how this new debt would be serviced, because no funding source is identified.

That portion of Section 66(a) that reads as follows has been line-item vetoed:

| | Fiscal Year 1993 | Fiscal Year 1994 |
|------------------------------|---------------------|---------------------|
| "EDIF—Funston home fund..... | \$24,500 | \$24,500 |

Provided, That no expenditures shall be made from this fund by the state historical society: *Provided further*, That upon certification by the state historical society to the director of accounts and reports that title to the General Frederick Funston boyhood home in Allen county, Kansas has been transferred to a named person or persons or entity or entities assuming title in fee simple of such property with the specific intent of preserving the property, in accordance with the provisions established by 1993 House Bill No. 2521, the director of accounts and reports shall pay \$24,500 from the EDIF—Funston home fund to the named person or persons or entity or entities."

Section 66(d) that reads as follows has been line-item vetoed:

"On the effective date of this act, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer \$24,500 from the Kansas economic development endowment account of the state economic development initiatives fund of the department of commerce and housing to the EDIF—Funston home fund of the state historical society."

I find it necessary to veto this appropriation from the EDIF. Reliance on the State of Kansas for purchase of historic sites by local organizations or individuals is not warranted. This veto would not preclude local individuals or organizations from receiving grants to develop and rehabilitate this property for use as an historic landmark.

That portion of Section 68(a) that reads as follows has been line-item vetoed:

| | Fiscal Year 1994 |
|---|---------------------|
| "Operating expenditures (including official hospitality)..... | \$25,000" |

The condition of the State General Fund precludes this expenditure increase at this time. The appropriated amount in this line item includes \$15,000 for implementation of a bill that I have vetoed and the Legislature has sustained (SB 334). These funds were appropriated to begin modification of currently developed tests to implement the mastery of basic skills certificate contained in this vetoed bill. The balance of the appropriation, \$10,000, is intended to pay per diem expenses of the public members of the task force on community college funding contained in HB 2011. These per diem payments can be made from the Legislature's budget along with the payments for legislative members on the task force.

Section 77 that reads as follows has been line-item vetoed:

"Sec. 77.

KANSAS HUMAN RIGHTS COMMISSION

(a) There is appropriated for the above agency from the state general fund for the fiscal year specified, the following:

| | Fiscal Year 1994 |
|-----------------------------|---------------------|
| Operating expenditures..... | \$68,265 |

Provided, That expenditures from this account may be made for salaries and related expenses of two new special project investigator positions in addition to the three new special project investigator positions provided by 1993 Senate Bill No. 41: *Provided, however*, That no expenditures from this account shall be made if moneys for a total of six or more new special project investigator positions are otherwise appropriated for the fiscal year ending June 30, 1994."

I veto this provision which would add two new special project positions to the Kansas Human Rights Commission. My budget recommendations for FY 1994 included five special project positions to deal with complaint filings and a reported backlog of complaints. I believe the five positions I recommended will help solve the problem of the number of complaints and the continuing backlog in bringing matters of discrimination to closure. The positions I recommended will significantly assist the Commission as it continues to process discrimination complaints.

Section 78 has been line-item vetoed in its entirety.

It is inappropriate to insert substantive legislation into an appropriations bill. Therefore, I veto Section 78.

Dated May 14, 1993.
