Applications set for hearing are to be heard before the State Corporation Commission, 1500 S.W. Arrowhead Road, Topeka, commencing at 9:30 a.m. unless otherwise noticed.

This list does not include cases previously assigned hearing dates for which parties of record have received notice.

Your attention is invited to Kansas Administrative Regulation (K.A.R.) 82-1-228 of "Rules of Practice and Procedure Before the Commission."

Pursuant to 49 U.S.C. Sec. 11506, K.S.A. 66-1,139, and Interstate Commerce Commission ex parte order no. MC-100 (sub-no. 6), beginning August 1, 1993, Kansas will participate in the Single State Insurance Registration program. Motor carriers regulated by the interstate commerce commission that are based principally in Kansas will register proof of insurance with Kansas.

The carrier shall file a copy of the ICC authority issued to that carrier, a list of the carrier's agents for service of process in all 48 states, proof of satisfactory insurance coverage for all states, and funds equal to the fees levied by each state of travel for the number of vehicles used in those states, similar to the earlier process of ordering bingo stamps. In following years, carriers must update only the information that has changed and pay fees for the appropriate number of vehicles. Kansas will be sending application forms to those carriers that it believes are located in Kansas.

(continued)

For the remainder of calendar year 1993, each vehicle must have a cab card and the appropriate stamps affixed to the Form D cab card. New carriers will register ICC authority with the states under the old program and procedures through December 31, 1993. Receipts for the new registration program may be purchased before January 1, 1994, but will not authorize interstate operations in any state prior to January 1, 1994.

The application forms, ICC orders, and other information are on file and may be inspected at the Kansas Corporation Commission, 1500 S.W. Arrowhead, Topeka, KS 66604, from 8 a.m. to 12 noon and from 1 p.m. to 5 p.m. Monday through Friday.

Grant, Ulysses, Kansas, until 5 p.m., C.D.T., Wednesday, July 14, 1993. All bids will be publicly opened and read at said time and place and will be acted upon by the city immediately thereafter. No oral or auction bids will be considered.

#### Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof, except one bond in the denomination of \$3,321.85. The bonds will be dated August 1, 1993, and will become due serially on August 1 in the years as follows:

Year	Principal Amount
1994	\$23,321.85
1995	20,000.00
1996	15,000.00
1997	15,000.00
1998	15,000.00

1999	15,000.00
2000	15,000.00
2001	15,000.00
2002	15,000.00
2003	15,000.00

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on February 1 and August 1 in each year, beginning on August 1, 1994.

#### Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas, (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

#### Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on August 1, 1997, and thereafter will be subject to redemption and payment prior to maturity on August 1, 1996, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States certified mail to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. Thereafter the

paying agent and bond registrar will notify the owners of the bonds of the city's redemption call by United States mail, postage prepaid. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price here-in-before specified.

#### Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of  $\frac{1}{8}$  or  $\frac{1}{20}$  of 1 percent. No interest rate shall exceed the index of treasury bonds published by *The Bond Buyer*, successor to *MuniWeek*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

#### Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

#### Security for the Bonds

The bonds will be general obligations of the city payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

#### Internal Revenue Code of 1986

The Internal Revenue Code of 1986 (the code) imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income, with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for an environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on such obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

#### Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Interest on the bonds may also be excludable from the computation of Kansas adjusted gross income.

#### Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bid-

der, properly prepared, executed and registered, on or about August 19, 1993, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the bidder's expense. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 3 p.m., C.D.T., on August 5, 1993. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 3 p.m. C.D.T., on July 22, 1993, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

#### **Good Faith Deposit**

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$3,266.44 payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of its bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if its bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice at which time said check shall, at the option of the city, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city and the city reserves the right to pursue any consequential damages as a result of such default.

#### **CUSIP Numbers**

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

#### **Bid Forms**

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

#### **Submission of Bids**

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of general Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the city hall and must be received by the undersigned prior to 5 p.m., C.D.T., on Wednesday, July 14, 1993.

#### **Date and Delivery of Preliminary and Final Official Statement**

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the purchaser and the price or yield at which the purchaser will reoffer the bonds to the public, together with any other information required by law, will constitute a "final official statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the city will provide without cost to the purchaser a reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the purchaser's expense. If the sale of the bonds are awarded to a syndicate, the city will designate the senior managing purchaser of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating purchaser. Any purchaser executing and delivering a bid form with respect to the bonds agrees thereby that if its bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating purchasers for the purpose of assuring the receipt and distribution by each such participating purchaser of the final official statement.

The city will deliver to the purchaser on the date of delivery of the bonds a certificate executed by the mayor and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary

to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk.

**Assessed Valuation and Indebtedness**

The total assessed valuation of the taxable tangible property within the city for the year 1993 is \$15,205,408. **Social and Rehabilitation Services****Notice of Hearing on Proposed  
Administrative Regulations**

A public hearing will be conducted at 9 a.m. Tuesday, August 3, in the SRS Staff Development Conference Room, 300 S.W. Oakley, Topeka, to consider the adoption of proposed changes in existing rules and regulations on a temporary and a permanent basis.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Social and Rehabilitation Services, Room 603-N, Docking State Office Building, 915 S.W. Harrison, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

The temporary regulations are scheduled to become effective September 1, 1993. The permanent regulations, except for K.A.R. 30-5-71 and 30-5-100, are scheduled to become effective October 1, 1993. Permanent regulations 30-5-71 and 30-5-100 are scheduled to become effective 45 days after publication in the Kansas Register. A summary of the proposed regulations and their economic impact follows.

The phrase "Federal Mandate" following an item indicates that the change is required by federal policy. Optional changes in regulations related to federal programs are subject to approval by the U.S. Department of Health and Human Services.

**Temporary and Permanent Regulations****Article 5.—PROVIDER PARTICIPATION,  
SCOPE OF SERVICES, AND REIMBURSEMENTS  
FOR THE MEDICAID (MEDICAL ASSISTANCE)  
PROGRAM**

**30-5-71. Co-payment requirements.** This regulation is being amended to update the wording in the regulation to conform to the Medicaid State Plan wording, to delete the separate wording for free-standing psychiatric facilities as these are now classified as general hospitals, and to include rural health clinics in the co-payment system. The co-payment for inpatient general hospital services is being increased to \$325.00 per admission. The regulation is also being amended to include federally qualified health centers in a separate section.

**Economic Impact:** Estimated overall cost savings of \$6,309,000 (\$2,575,000 state general funds). A cost of \$5,000 (\$2,000 state general funds) will be incurred by removing DME rental services from co-payment. A savings of \$6,300,000 (\$2,571,000 state general funds) will be realized by increasing the inpatient hospital co-payment. An additional savings of \$14,000 (\$6,000 state general funds) will be realized by adding rural health clinic services to co-payment.

**30-5-100. Scope of dental services.** This regulation is being amended to list all dental codes covered for adults without prior authorization.

**Economic Impact:** Estimated cost savings of \$1,100,000 (\$449,000 state general funds).

**Permanent Regulations****Article 2.—GENERAL**

**Economic Impact:** This regulation precludes the federal government from withholding money which the agency would otherwise receive under Titles IV-B and IV-E of the federal Social Security Act.

**Article 4.—PUBLIC ASSISTANCE PROGRAM**

**30-4-52. Act in own behalf.** This regulation is being amended to permit guardians to receive assistance on behalf of either an incapacitated person or a minor.

**30-4-63. KanWork program requirements.** This regulation is being amended to:

Economic Impact: These changes are not expected to have any discernible economic impact.

**30-4-64. Work program requirements.** This regulation is being amended to delete an item pertaining to exemption of a person caring for a child under the age of three when another adult relative is participating in work program requirements. **30-4-112. Income exempt from consideration as income and as a cash asset.** This regulation is being amended to exempt all grants and scholarships provided for educational purposes.

Economic Impact: This change is not expected to have any discernible economic impact.

Economic Impact: This change is not expected to have any discernible economic impact.

#### Article 5.—PROVIDER PARTICIPATION, SCOPE OF SERVICES, AND REIMBURSEMENTS FOR THE MEDICAID (MEDICAL ASSISTANCE) PROGRAM

**105-9-5. Proration.** (a) The payment of attorney claims may be prorated by the board if the board determines that funding in any fiscal year is insufficient to pay all claims in full.

(b) Prior to a decision by the board to prorate claims pursuant to K.S.A. 22-4507 (c) and K.A.R. 105-9-5 (a), a public hearing shall be conducted by the board to determine the impact such a decision would have on the quality of representation afforded to indigent defendants and the availability of sufficient numbers of attorneys on the county and district panels.

The reduced hourly rate of compensation shall be set at an amount that will enable the agency to process the reduced hourly rate on all pending and anticipated claims for the remainder of the fiscal year in which the claims are submitted for payment.

(d) Upon a decision to prorate claims but not sooner than 30 days prior to the effective date of the proration plan, the following information shall be published by the board in the Kansas Register:

(Authorized by and implementing K.S.A. 23-110, K.S.A. 65-2418, as amended by 1993 HB 2008, Sec. 15 and K.S.A. 65-2420, effective Jan. 1, 1966; amended Jan. 1, 1968; amended, E-78-18, July 7, 1977; amended May 1, 1978; amended May 1, 1983; amended, T-84-13, July 1, 1983; amended May 1, 1984; amended May 1, 1988; amended Oct. 7, 1991; amended, T-28-9-25-92, Sept. 25, 1992; amended Nov. 16, 1992; amended Aug. 16, 1993.)

#### **28-17-20. Corrections to certificates and records.**

Corrections to certificates or records may be made only as follows and only within the time limit indicated in each subsection.

(a) Amendments within 90 days.

(1) Within 90 days of receipt of an original vital record in the office of vital statistics, the following records in which an inaccuracy or incomplete item is apparent on the face of the certificate, may be changed to show the accurate and complete facts:

(A) birth certificates;

(B) any part of a death certificate other than the portion describing the cause of death;

(C) stillbirth certificate; and

(D) divorce records.

(2) Such changes shall be made in one of two ways:

(A) drawing a single line through the incorrect information, inserting the correct information in the appropriate space, and placing the date of the amendment and the word "amended" on the record. This process shall be the primary way in which amendments are made and this process of amendment shall not be used more than one time for the same item; or

(B) completing a new certificate in accordance with K.S.A. 38-1130 and amendments thereto, or completing a new certificate when a single line has been previously drawn through incorrect information. The date of the amendment and the word "amended" shall be placed on the newly created certificate. This process of amendment shall not be used more than one time for the same item.

(3) An amendment fee shall not be required for changes made within the first 90 days after receipt of the vital record in the office of vital statistics.

(b) Amendments after 90 days. After 90 days of receipt of the vital record in the office of vital statistics, amendments may be made only as follows:

(1) Certificates of birth.

(A) Birth certificate items may be amended upon the applicant's submission of at least two documents which consistently substantiate the item or items to be amended and that are executed and dated at least five years prior to the request for the amendment or prior to the tenth birthday anniversary of the registrant, except that items (i) through (viii) shall be corrected only as provided.

(i) The items recording the registrant's sex may be amended if the amendment is substantiated with the applicant's affidavit that the sex was incorrectly recorded or with a medical certificate substantiating that a physiological or anatomical change occurred.

(ii) If the registrant is a minor, any request by the parents to change an item by adding the name of a parent, correcting the name of either parent or of the child, or changing the child's last name to that of either parent shall be made only pursuant to K.S.A. 38-1130 and amendments thereto.

(iii) Any registrant who is of legal age may amend the order of the registrant's given names if the amendment is substantiated with one of the documents specified in paragraph (A) above.

(iv) A registrant who is of legal age may place a given name or names of the registrant on the record only if there is no given name on the original certificate and if the amendment is substantiated with one of the documents specified in paragraph (A) above.

(v) A registrant who is of legal age may correct a given name or names of the registrant if the amendment is substantiated with one document established prior to the seventh birthday anniversary of the registrant.

(vi) A registrant who is of legal age may correct the spelling of the last name of the registrant if the amendment is substantiated with two documents established prior to the seventh birthday anniversary of the registrant. A registrant who is of legal age may not change the last name of the registrant under authority of this regulation.

(vii) A registrant who is of legal age may correct the maiden name of the mother or the legal name of the father or mother, or the legal name of the father and mother of the registrant, if one of the required documents specified in paragraph (A) above is the marriage license or birth certificate of that parent.

(viii) The birth date on the certificate may only be changed if both required documents were executed and dated prior to the seventh birthday anniversary, and if the change is not inconsistent with the recorded filing date.

(B) When an amendment is made after 90 days, any item that has been previously amended shall not be changed under authority of this regulation.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the state registrar.

(D) Requests for an amendment to a certificate of birth that do not require a court order shall be submitted by the parent or legal guardian of persons not of legal age, or by the person whose birth is recorded, if of legal age, and by none other. The person submitting such an application shall execute a notarized affidavit stating the true facts to be recorded.

(E) When amendments to a birth certificate are made after 90 days of the date the certificate was received by the office of vital statistics, the original certificate shall remain unchanged and placed in a sealed file to be opened only by court order. A new certificate shall be prepared and shall be marked "amended." The date of the amendment shall be recorded on the certificate. In the sections where the original certificate contained a signature, the amended certificate shall contain the typed name of the person who signed. The original

certificate and any affidavit required shall be permanently filed by the office of vital statistics.

(2) Certificates of death—personal data.

(A) "Personal" data may be amended if the request is made within the first six months after the filing of the original certificate.

(B) Requests for amendments to "personal" data may be made only by the funeral director or person acting as such who submitted the original certificate.

(C) When amendments to the "personal" data of a death certificate are made after 90 days of the date the certificate is received in the office of vital statistics, the original certificate shall remain on file unchanged and placed in a sealed file to be opened only by court order. A new certificate shall be prepared by the funeral director or person acting as such. The medical certification section shall again be completed and the required signatures shall be secured in all possible instances. The signatures may be typed if the required signatures are unattainable and a written statement of the reason therefore is attached to the certificate. The certificate shall not be accepted if the stated reason for the typed signature is inadequate. Upon acceptance by the office of vital statistics, the new certificate shall be marked "amended" and shall indicate the date of the amendment.

(c) Amendments, no time limit.

(1) Certificate of death—medical certification.

(A) An amendment may be made to the medical certification data at any time.

(B) Requests for amendments to the medical certification data may be made only by the attending physician who signed the medical certification on the original certificate, or by the coroner in whose jurisdiction the death occurred.

(C) Amendments to the medical certification may be made in one of two ways:

(i) the original certificate shall remain on file unchanged, and the written statement or affidavit of the certifying physician or coroner shall be appended to the back of the original certificate; or

(ii) a certifying physician or coroner may request the establishment of a new death certificate when erroneous data has been entered in the medical certification section. In such a case, the funeral director or person acting as such shall enter the personal data and refer the certificate to the certifying physician or coroner for the medical certification and signature. When all items have been completed, the new certificate shall be submitted to the office of vital statistics and upon its acceptance, it shall be marked "amended" and shall indicate the date of the amendment. The original death record shall be placed in a sealed file only to be opened by court order. (Authorized by K.S.A. 65-2402 and implementing K.S.A. 65-2422c; effective Jan. 1, 1966; amended May 1, 1987; amended May 1, 1988; amended Oct. 22, 1990; amended, T-28-9-25-92, Sept. 25, 1992; amended Nov. 16, 1992; amended Aug. 16, 1993.)
