Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Friday, January 7, in Conference Room A, Building 740, Forbes Field, Topeka, to consider the adoption of proposed changes to K.A.R. 28-19-17b, K.A.R. 28-19-17c, K.A.R. 28-19-17f and K.A.R. 28-19-17m and the revocation of K.A.R. 28-19-78, existing regulations of the Department of Health and Environment, Division of Environment, Bureau of Air and Radiation.

These changes to the rules and regulations are proposed on a permanent basis. A summary of the proposed regulations and their economic impact follows. This summary addresses only substantial changes. Any remaining changes are intended for the purpose of clarifying requirements that are now in effect.

Amendments to K.A.R. 28-19-17b, 28-19-17c, 28-19-17f and 28-19-17m relating to attainment area requirements. The K.A.R. 28-19-17 series of air quality regulations allow Kansas to implement the federal prevention of significant deterioration (PSD) program. On June 3, 1993, the federal government promulgated regulations which revised the particulate matter increments of the PSD program from total suspended particulate to particulate with an aerodynamic diameter of less than or equal to 10 micrometers (PM-10). The regulations which KDHE is proposing will adopt those changes to the federal program in order that the Kansas PSD program is consistent with federal PSD program requirements. The proposed amendments will not have an economic impact upon the general public, the private sector or governmental agencies.

Revocation of K.A.R. 28-19-78. Fuel volatility. This regulation was promulgated as part of the successful effort to have Wyandotte and Johnson counties redesignated as meeting the national ambient air quality standard for ozone. A federal regulation has subsequently been promulgated by the United States Environmental Protection Agency, which supersedes K.A.R. 28-19-78. Therefore, K.A.R. 28-19-78 is being revoked. This revocation will have no economic impact upon the general public, the private sector or governmental agencies.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed changes to K.A.R. 28-19-17b, K.A.R. 28-19-17c, K.A.R. 28-19-17f and K.A.R. 28-19-17m and the revocation of K.A.R. 28-19-78. All interested parties may submit written comments prior to the hearing to Chuck Layman, Bureau of Air and Radiation, Building 740, Forbes Field, Topeka 66620. All interested parties will be given a reasonable opportunity to present their views orally during the hearing on the proposed changes to K.A.R. 28-19-17b, K.A.R. 28-19-17c, K.A.R. 28-19-17f and K.A.R. 28-19-

17m and the revocation of K.A.R. 28-19-78. In order to give all parties an opportunity to present their views, it may be necessary to require each participant to limit any oral presentation to five minutes.

Copies of the regulations, the economic impact statement and further information may be obtained from Chuck Layman, Kansas Department of Health and Environment, Bureau of Air and Radiation, (913) 296-1579.

Article 14.—LAYOFF PROCEDURES AND ALTERNATIVES TO LAYOFF

1-14-6. Layoff informational plan. (a) The layoff informational plan provided for in this regulation shall be applicable to all state agencies having classified positions.

(b) Not less than 90 days before the date of any layoff, the affected state agency shall submit a layoff informational plan to the director. In cases of extenuating circumstances, the 90-day requirement may be waived by the director. The plan shall indicate, for the purposes of layoffs, the agency's organizational units, geographic areas, and any other information requested by the director. If the agency wants to allow employees to bump into lower classes in a class series in addition to any lower class in which an employee had permanent status, the plan shall also indicate one or more class series for the purpose of bumping. For purposes of developing an agency layoff plan, "organizational unit" means any unit of an agency headed by an official who is under the direct supervision of the agency head, and such other units of a particular agency as ordered by the secretary of administration.

(c) After an agency has submitted its layoff infor-

mational plan, the director shall review the plan, and after consultation with the agency head or designee, may make modifications to the plan that the director and the agency head or designee agree are appropriate for an orderly and equitable layoff within the agency. All layoff informational plans recommended for approval by the director shall be submitted to the secretary of administration for the secretary's consideration and approval. Upon request of any agency head or upon the secretary's initiative, the secretary of administration may approve, modify and approve as modified, or may reject any layoff informational plan, after consultation with the director and the agency. The director shall consult with the director of the state equal employment opportunity office on affirmative action issues involved in layoff actions.

(d) After the secretary of administration approves an agency's layoff informational plan, the agency shall post a copy of the plan on the agency's official bulletin boards or other conspicuous places in the agency and may undertake one or more other suitable methods of allowing agency employees to review the plan.

(e) With the approval of the secretary of administration, a previously approved layoff informational plan may be modified. The agency shall post a copy of any modified layoff informational plan on the agency's official bulletin boards or other conspicuous places in the agency and may undertake one or more other suitable methods of allowing agency employees to review the modified plan at least 10 calendar days before written notice of a proposed layoff is sent to the director and the affected employees pursuant to K.A.R. 1-14-9. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-2948; effective May 1, 1984; amended Jan. 18, 1994.)

1-14-7. Agency submission of layoff notice to director. (a) When submitting a layoff notice to the director, the appointing authority shall list the reason for the proposed layoff. As established by K.S.A. 75-2948, the reasons for proposing a layoff shall be limited

(1) a shortage of work or funds;

(2) the reinstatement of an employee returning from authorized leave; or

(3) the abolition of a position or other material

change in duties or organization.

(b) Any appointing authority proposing a layoff shall give written notice of the proposed layoff to the director, and a copy of the notice to the secretary of administration, at least 45 calendar days before the proposed effective date of the layoff. In cases of extenuating circumstances, the 45-day notice requirement may be waived by the director. However, in no case shall notice of layoff to the director be less than 30 days prior to the proposed effective date of the layoff.

(c) In the notice, the appointing authority shall spec-

(1) the reason or reasons for the layoff;

(2) the class, classes, or class series in which the layoff is to occur;

(3) the estimated number of employees to be laid

(4) the proposed effective date of each layoff;

(5) the position or positions to be vacated by layoff;

(6) the layoff scores of employees identified in sub-

section (a) of K.A.R. 1-14-9.

(d) The appointing authority may designate a geographic area or an organizational unit within which the layoff is to occur and within which the employees are to be subject to layoff. If geographic areas or organizational units are designated by the appointing authority, they shall be indicated in the layoff notice. If no area or unit is designated, the layoff shall be agency-wide. The appointing authority also may limit the layoff to full-time employees or to employees employed on less than a full-time basis. If an area or unit is used, the layoff and bumping rights shall be applied only to employees within the designated area or unit. When the layoff is limited to full-time employees or less than full-time employees, permanent employees may exercise bumping rights into positions filled by probationary or conditional employees only within the group of employees having the same full-time or less than full-time status. Otherwise, permanent employees may exercise bumping rights into positions filled by probationary or conditional employees anywhere within the agency, if the permanent employees meet the minimum qualifications of the classes.

(e) The appointing authority may also allow employees to bump into lower classes in a class series in addition to any lower class in which the employee had

permanent status. The class series bumping option shall be limited to class series that are designated in the layoff plan and shall be stated in the layoff notice.

(f) Within 10 calendar days of the receipt of a proposed layoff notice, the director shall contact the agency with any questions the director may have regarding the layoff, and shall review the proposed layoff with the secretary of administration. The secretary of administration shall approve, modify and approve as modified, or reject the proposed layoff within 15 days of the receipt of the proposed layoff notice. The agency shall be notified in writing of the secretary's defermination. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-2948; effective May 1, 1984; amended Jan. 18, 1994.)

1-14-10. Procedures for bumping. (a) Bumping shall occur within the layoff group identified in the agency's layoff informational plan and layoff notice, or agency-wide if the agency has not designated a layoff group. If the criteria set forth in paragraphs (1) and (2) of this subsection have been met, any permanent employee, or any employee considered permanent for layoff purposes only, who is scheduled for layoff shall only bump into a lower class in which the employee previously had permanent status, unless the employee's position is in a class which is part of a class series designated by the appointing authority in the agency's layoff plan. If such a class series is designated in the agency's layoff plan, then the employee shall be permitted to bump into a lower class in the class series as indicated in the layoff plan and notice. Except as authorized by subsection (b), in order for a permanent employee to exercise bumping rights, the following criteria shall be required:

(1) The employee to be bumped shall have a lower layoff score than the person exercising the bumping

right.

(2) The employee to be bumped shall have the lowest layoff score in the employee's job class of anyone in a position not scheduled for layoff.

(b) No permanent employee shall be laid off if:

(1) there is a position filled by a probationary or conditional employee anywhere in the agency;

(2) the permanent employee scheduled to be laid off

is interested in the position; and

- (3) the permanent employee is eligible for transfer or demotion to the position pursuant to K.A.R. 1-6-24 and 1-6-27.
- (c) Bumping procedures shall begin as soon as possible after layoff notices have been given pursuant to K.A.R. 1-14-9. The appointing authority or designee shall develop a schedule for an individual conference with each affected employee, starting with the employee having the highest layoff score. The schedule of conferences shall continue in this order until all affected employees have had such a conference. During the layoff conference, the employee shall be informed of the bumping options available to the employee and of the opportunity to select one such option. The employee may defer the selection no longer than one full working day, unless a longer period of time is authorized by the appointing authority.

When an employee is unavailable on the day the employee is scheduled for a layoff conference, the appointing authority shall reschedule the layoff conference. If the employee fails to appear at the rescheduled conference, the appointing agency shall not be required to hold a layoff conference with the employee and the employee shall forfeit bumping rights. The director shall resolve any disputes stemming from the forfeiture of bumping rights. In extenuating circumstances and when deemed to be in the best interest of the state service, group layoff conference sessions may be authorized by the director.

(d) Any employee who is not scheduled for layoff, but whose position will be vacated during the layoff and bumping process, and who refuses to accept a transfer or demotion to another position, may request to be laid off voluntarily. Any employee who has been granted a voluntary layoff shall have reemployment rights. (Authorized by K.S.A. 75-3747; implementing K.S.A. 75-2948; effective May 1, 1984; amended Jan.

18, 1994.)
