State of Kansas

Attorney General

Opinion No. 94-26

Constitution of the State of Kansas—Miscellaneous—State-Owned and Operated Lottery. Representative Clyde D. Graeber, 41st District, Leavenworth, February 23, 1994.

The phrase "state-owned and operated," as used in Article 15, Section 3c of the Kansas Constitution, is not synonymous with the phrase "state-regulated, licensed and taxed," the latter describing the state's involvement in bingo and partimutuel wagering on horse and dog races. A state-owned and operated lottery is one that is owned as well as directly controlled or managed by the state. Cited herein: Kan. Const., art. 15, §§ 3a, 3b, 3c. JLM

Opinion No. 94-27

State Departments; Public Officers and Employees—Department of Corrections; Miscellaneous Provisions—Prohibition Against Certain Local and Private Prisons. Senator Al Ramirez, 5th District, Bonner Springs, March 4, 1994.

With some narrowly drawn exceptions, cities, counties and private entities are prohibited from authorizing, constructing, owning or operating a correctional facility for the placement or confinement of inmates from any agency of another state. There is no statutory or constitutional impediment which would prevent a city, county or the state from contracting with a private entity for the construction or operation of a jail or correctional facility for placement or confinement of persons held pursuant to Kansas law. The decision to enter such a contract is within the discretion of the governing body of the city, county or the secretary of corrections respectively. There is statutory authority which permits a city, county or the state to house prisoners in detention or correctional facilities located outside their respective jurisdictional limits. Opinion No. 94-28

Counties and County Officers—General Provisions—Expenditure of Money for Legal Representation of County Official or Employee Who Has Been Indicted on Criminal Charges. James R. Campbell, Coffey County Attorney, Burlington, March 4, 1994.

The Board of Coffey County Commissioners may consider on a case-by-case basis whether county officials are entitled to the payment of attorney fees for their defense in a criminal action. Cited herein: K.S.A. 1993 Supp. 19-101a; K.S.A. 19-212; 19-229. NKF

Opinion No. 94-29

Counties and County Officers—Miscellaneous Provisions—Powers of the Board of County Commissioners; Power to Supervise County Employees' Work Hours;

Installment of Time Clock. Laurel D. McClellan, Kingman County Attorney, Kingman, March 4, 1994.

The board of county commissioners may adopt rules and regulations on personnel policies for the county's employees. The board of county commissioners may fix hours of operation for the offices of elected or appointed county officers under K.S.A. 19-2601. It is within the board of county commissioners' authority to install time clocks in county offices for use by employees in those offices. Cited herein: K.S.A. 19-2601. NKF

Opinion No. 94-30

Cities and Municipalities—Interlocal Cooperation; General—Separate Legal Entity created by Interlocal Agreement; McPherson Area Solid Waste Utility; Members' Eligibility to Participate in Kansas Deferred Compensation Plan. John B. Klenda, Counsel, McPherson Area Solid Waste Utility, McPherson, March 4, 1994.

The McPherson solid waste utility was created by interlocal agreement pursuant to K.S.A. 12-2901 *et seq.* As such, the utility is considered an instrumentality of the county and cities that created it and qualifies to participate in the Kansas deferred compensation plan as an eligible employer. Cited herein: K.S.A. 12-2901; 12-2904a; K.S.A. 1993 Supp. 74-4902; K.S.A. 75-5521; 75-5529a. NKF

Opinion No. 94-31

Cities and Municipalities—Retirement Systems; Group Health Care Benefits for Retirants—Group Health Care Benefits Plan; Availability for Retirants; Definitions; Employee; Elected Official. Representative Rochelle Chronister, 13th District, Neodesha, March 8, 1994.

In enacting K.S.A. 12-5040, it was the intent of the legislature to obligate each local government, including a county, which provides an employer-sponsored group health care benefits plan for the employees of the local government to make available continued participation in the group health care benefits plan to an elected official who served the local government for not less than 10 years and who retired from such service after December 31, 1988. The continued participation in the group health care benefits plan is contingent upon filing the appropriate application pursuant to K.S.A. 12-5040. Cited herein: K.S.A. 12-5040; L. 1988, ch. 302, §§ 4, 18; 1988 House Bill No. 3828; Pub. L. No. 99-272, 100 Stat. 82 (1986). RDS

Opinion No. 94-32

Taxation—Motor Vehicles—Allocation and Distribution of Tax Receipts; Receipts Attributable to the Tax Levies for School Districts and Community Colleges. Senator Audrey Langworthy, 7th District, Prairie Village, March 8, 1994.

The tax imposed by K.S.A. 72-6431 to defray some of the current expenses of the state in providing for elementary and secondary education under the school district finance and quality performance act, while a state tax, is actually levied by the board of education of each unified school district. Thus, motor vehicle tax receipts attributable to that levy must be allocated and distrib-

uted to each school district as provided in K.S.A. 1993 Supp. 79-5109 and K.S.A. 79-5111.

The 1.5 mill tax proposed in Section 21 of 1994 House Bill No. 2567 would constitute a state tax subject to the two year levy limitation of Article 11, Section 4 of the Kansas Constitution. However, because the tax would be levied by each county, motor vehicle tax receipts attributable to this levy must be allocated and credited to the levying county as provided in K.S.A. 1993 Supp. 79-5109. Cited herein: K.S.A. 72-6431, as amended by 1994 S.B. No. 462; K.S.A. 1993 Supp. 79-5105; 79-5109; K.S.A. 79-5111; Kan. Const., art. 11, § 4; 1994 H.B. No. 2567, § 21. JLM

Opinion No. 94-33

Procedure, Civil—Actions Relating to Commercial Activity; Actions Involving Shoplifting—Civil Penalty Against Shoplifters. Ronald L. Hodgson, Clay County Attorney, Clay Center, March 8, 1994.

A civil action filed pursuant to K.S.A. 1993 Supp. 60-3331 does not preclude a criminal prosecution. Cited herein: K.S.A. 1993 Supp. 60-3331. MF

Opinion No. 94-34

Taxation—Motor Vehicle Fuel Taxes; Motor-Vehicle Fuels and Special Fuels—Apportionment of Funds to City; Use of Funds. Gary H. Hanson, Silver Lake City Attorney, Topeka, March 8, 1994.

Motor vehicle fuel tax funds may be used to construct sidewalks along Highway 24 but they may not be used to construct a flood gate off the highway right-of-way. Cited herein: K.S.A. 79-3402; 79-3425c. MF

Opinion No. 94-35

Elections—Recall of Elected Officials—Application of Act; State Officers; Local Officers; Applicability to Congressional Members.

Constitution of the United States—Legislative Powers—Congress as Judge of Election and Qualifications of Members; Applicability of State Recall Statutes. Senator Sandy Praeger, 2nd District, Lawrence, March 8, 1994.

The United States Constitution has delegated to Congress the power to determine the qualifications of its own members and to expel its members when necessary. Because this is a power reserved for the individual houses of congress, the Tenth Amendment of the United States Constitution does not reserve to the states the authority to remove members of Congress from office. K.S.A. 25-4301 *et seq.* are not applicable to members of Congress. Cited herein: K.S.A. 25-4301; 25-4304; U.S. Const., art. 1, § 5, amend. 10. RDS

Opinion No. 94-36

Drainage and Levees—Watershed Districts; Formation of Watershed Districts—Elections; Qualified Voters. Representative J. R. Wempe, 113th District, Little River, March 8, 1994.

In an election to approve a tax levy increase, a watershed district formed pursuant to K.S.A. 24-1201 *et seq.* must determine who is a landowner for purposes of es-

tablishing "qualified elector" status. By statute, the tax rolls establish satisfactory evidence of title when furnished by the county clerk as a record of ownership (K.S.A. 24-1203). When, however, a qualified landowner's identity appears as *et ux.*, *et vir.* or *et al.* on the tax rolls, the election judge may challenge such voter's qualifications using the general conduct of election laws found at K.S.A. 25-407 *et seq.* If challenged, the landowner must establish the right to vote by presenting a copy of the recorded deed identifying the person as a landowner. Cited herein: K.S.A. 24-1201; 24-1202; 24-1203; 24-1219; 25-407; 25-410; 25-414; 25-2601; 25-2908; 54-101; 54-104. GE

Opinion No. 94-37

Constitution of the State of Kansas—Bill of Rights—Religious Liberty; School Voucher Act; Constitutionality.

Constitution of the State of Kansas—Education—Finance; School Voucher Act; Constitutionality. Representative Kay O'Connor, 14th District, Olathe, March 8, 1994.

The school voucher program proposed in 1994 House Bill No. 2754 results in a violation of the equal protection clause of the United States Constitution. The proposed program also violates Section 7 of the Bill of Rights of the Kansas Constitution. As set forth, the school district assessment program does not result in a violation of the establishment clause of the First Amendment of the United States Constitution. Neither does it result in a violation of Section 7 of the Bill of Rights of the Kansas Constitution nor Section 6 of Article 6 of the Kansas Constitution. In its present form, the Kansas school voucher savings trust fund would result in a violation of the equal protection provisions of both the constitutions of the United States and Kansas. However, as 1994 H.B. 2754 continues to be debated by the Kansas Legislature, a rational basis for the Kansas school voucher savings trust fund may be established. Cited herein: K.S.A. 72-1046; K.S.A. 1993 Supp. 72-1046a; K.S.A. 72-53,100; 72-53,101; K.S.A. 1993 Supp. 72-6757; K.S.A. 72-8233; 1994 House Bill No. 2754; Kan. Const., Bill of Rights, §§ 1, 2; Kan. Const., art. 6, § 6, 20 U.S.C.S. § 1400; U.S. Const., Amend. I, XIV. RDS

Department of Health
and EnvironmentNotice Concerning Variance Request
from Hazardous Waste Regulations

The Kansas Department of Health and Environment is providing public notice that on January 11, 1994, it submitted a request for renewal of a variance from hazardous waste regulations K.A.R. 28-31-6(c) and K.A.R. 28-31-10(d). The request for a variance has been submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-6(c), which requires minimum insurance requirements for transporters of hazardous waste. KDHE is currently registered under K.A.R. 28-31-6 to transport hazardous waste. Since the state of Kansas is self-insured, compliance with minimum insurance requirements would not provide any additional protection to the state or its citizens. In regard to a monitoring fee required by K.A.R. 28-31-10(d), it is not necessary for KDHE to pay a fee to itself for monitoring activities.

In accordance with K.A.R. 28-31-13(b), public notice was provided to consider the request for renewal of the variance. Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Monday, April 18, in Room 108 of Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed amendments to rules and regulations of the Division of Facilities Management.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Faith Lorreto at (913) 296-6000 or TTY (913) 296-4798. Handicapped parking is located at the south entrance to the Landon State Office Building and at the east end of the State Capitol parking area. An accessible entrance is available at the north entrance to the building.

Summaries of the proposed regulations and of their economic impact follow.

K.A.R. 1-17-13; Expenses incurred in the operation of state-owned or leased motor vehicles. This regulation governs the expenses incurred in the operation of state-owned or leased motor vehicles. The regulation is proposed for amendment on a permanent basis. Amendments would require operators to purchase all gasoline for state-owned or leased vehicles from self-service gasoline pumps, except as authorized by the agency head, and would clarify that a requirement to purchase tires under applicable state-wide contracts established by the Director of Purchases may be waived in emergencies.

In general, the cost of gasoline from self-service pumps is around \$.20 less than gasoline purchased from a full service pump, thereby providing a cost savings to the state agencies. However, the amendment requiring purchases of gasoline from self-service gasoline pumps reflects an existing practice in most state agencies; therefore, it is anticipated that additional savings resulting from this amendment would not be significant. There is no economic impact resulting from this regulation on the operators of state vehicles or on the general public.

K.A.R. 1-49-1; Stairs, halls, porticos and fountains. This regulation specifies certain types of behavior that are restricted or prohibited in eight state buildings in Topeka. The proposed permanent amendment to this regulation provides that no person or animal is permitted to swim or wade in the fountain of justice located on the grounds of the Kansas judicial center. There is no economic impact on the Department of Administration, other state agencies or the general public resulting from this amendment.

Copies of the regulations and of the associated economic impact statements may be obtained from the Division of Facilities Management, Room 653-S, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, (913) 296-1318.

(g) "Quick pick" means the random selection of numbers or symbols which appear on a ticket and are played by a player in a game.

(h) "Winning combination" means one or more numbers or symbols randomly selected by the lottery in a public drawing.

(i) "Validation" means the process of determining whether an on-line ticket presented for payment is a winning ticket.

(j) "Ticket holder" or "holder" means the person who has possession of an unsigned ticket or the person whose signature appears in the area upon a ticket designated for signature.

(k) "Executive director" means the executive director of the Kansas lottery or the person designated by the executive director.

(l) "Social environment establishment" means a retailer licensed to serve cereal malt beverage and/or alcohol for consumption on premises in which "Club Keno" ticket sales constitute at least 60% of total lottery sales. Determination that a retailer meets the 60% "Club Keno" sales requirement to be a social environment establishment shall be waived until at least 10 full weeks after lottery ticket sales are authorized.

(continued)

(m) "Attempt(s) to cancel" means that a retailer enters cancellation data into an on-line terminal or is informed by a player, prior to the first drawing for which the ticket was eligible, that the ticket was produced in error either because of a terminal malfunction or by miscommunication between a player and a retailer.

(n) "Problem ticket" means any on-line ticket erroneously produced either by terminal malfunction or by miscommunication between a player and a retailer. (Authorized by and implementing K.S.A. 74-8710; effective, T-89-4, Jan. 21, 1988; amended, T-111-1-27-89, Jan. 26, 1989; amended, T-111-10-10-90, Sept. 15, 1990; amended, T-111-12-21-90, Dec. 14, 1990; amended, T-111-9-20-91, Sept. 20, 1991; amended, T-111-7-1-92, June 26, 1992; amended, T-111-9-1-92, Aug. 28, 1992; amended, T-111-3-26-93, March 19, 1993; amended, T-111-3-3-94, Feb. 25, 1994.)

111-6-19. Entry of plays. Plays may only be entered manually using the lottery terminal keypad or touch screen or by means of a play slip provided by the lottery and hand-marked by the player or by such other means approved by the lottery. Retailers shall not permit the use of facsimiles of play slips, copies of play slips, or other materials that are inserted into the terminal's play slip reader that are not printed or approved by the lottery. Retailers shall not permit any device to be connected to a lottery terminal to enter plays, except as approved by the lottery. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-3-3-94, Feb. 25, 1994.)

111-6-20. Cancellation of tickets. (a) On all on-line games other than those games conducted by the "Multi-State Lottery Association" a single game or consecutive game ticket may be cancelled provided it is cancelled prior to the drawing at the same terminal from which it was purchased and on the same day the ticket was produced. The cancelled ticket, along with the terminal issued cancellation slip, must be remitted by the retailer to the lottery.

(b) If a single game or consecutive game ticket is not cancelled before the first game, credit may still be given to a retailer provided the following steps are taken:

(1) The retailer attempts to cancel the ticket within 30 seconds from the time of the first draw for which the ticket was eligible, as reflected by the time of the transaction recorded in the computer record of the attempt to cancel;

(2) The retailer calls the on-line vendor's "hotline" number, gives the ticket number to the operator and completely fills out a problem ticket report;

(3) A lottery representative mutilates the on-line ticket by tearing in half vertically and retaining the right half to prevent the possibility of the ticket being eligible for validation pursuant to K.A.R. 111-6-7; and

(4) The retailer does not cash, or attempt to cash the ticket.

(c) An exchange ticket cannot be cancelled and is not eligible for problem ticket credit.

(d) The final decision on whether a ticket has satisfied the requirements for cancellation or abuses cancellation privileges will be made by the executive director. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-3-3-94, Feb. 25, 1994.)

State of Kansas

Secretary of State

I, Bill Graves, Secretary of State of the State of Kansas, do hereby certify that each of the following bills is a correct copy of the original enrolled bill now on file in my office.

In Testimony Whereof, I have hereunto subscribed my name and affixed my official seal.

Bill Graves
Secretary of State

(Published in the Kansas Register, March 17, 1994.)

SENATE BILL No. 442

AN ACT concerning state finance; relating to certificates of indebtedness; abolishing the state cash operating reserve fund; amending K.S.A. 75-3725a and K.S.A. 1993 Supp. 75-3721, 75-6702 and 75-6704 and repealing the existing sections; also repealing K.S.A. 1993 Supp. 75-6703.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 1993 Supp. 75-3721 is hereby amended to read as follows: 75-3721. (a) On or before the eighth calendar day of each regular legislative session, the governor shall submit the budget report to the legislature, except that in the case of the regular legislative session immediately following the election of a governor who was elected to the office of governor for the first time, that governor shall submit the budget report to the legislature on or before the 21st calendar day of that regular legislative session.

(b) The budget report of the governor shall be set up in three parts, the nature and contents of which shall include the following:

(1) Part one shall consist of a budget message by such governor, including the governor's recommendations with reference to the fiscal policy of the state government for the ensuing budget period, describing the important features of the budget plan, embracing a general budget summary setting forth the aggregate figures of the budget so as to show the balanced relation between the total proposed expenditures and the total anticipated income, with the basis and factors upon which the estimates were made, and the means of financing the budget for the ensuing budget period, compared with the corresponding figures for at least the last completed fiscal year and the current year, and the director of the budget shall prepare the figures for the governor for such comparisons. The budget plan shall not include (A) any proposed expenditures of anticipated income attributable to proposed legislation that would provide additional revenues from either current or new sources of revenue, or (B) any proposed expenditures of moneys in the ending balance in the state general fund required by K.S.A. 1993 Supp. 75-6702, or (C) any proposed expenditures of the moneys required to be transferred to the state cash operating reserve fund under K.S.A. 1993 Supp. 75-6703 and amendments thereto. The budget message shall include a report with recommendations regarding office and storage space requirements of state agencies for the ensuing budget period. This report of office and storage space requirements shall include the cost estimates of the governor's recommendations therefor, including any moving expenses associated with such recommendations, and the recommended method of funding the governor's recommendations. The general budget summary may be supported by explanatory schedules or statements, classifying the expenditures contained therein by state agencies, objects, and funds, and the income by state agencies, funds, sources and types. The general budget summary shall include all special or fee funds as well as the state general fund, and shall include the estimated amounts of federal aids, for whatever purpose provided, together with estimated expenditures therefrom.

(2) Part two shall embrace the detailed budget estimates, both of expenditures and revenues, showing the requests of the state agencies, if any, and the incoming governor's recommendations thereon. It shall also include statements of the bonded indebtedness of the state, showing the actual amount of the debt service for at least the last completed fiscal year, and the estimated amount for

the current fiscal year and for the next budget period, the debt authorized and unissued, and the condition of the sinking funds.

(3) Part three shall consist of a draft of a legislative measure or measures reflecting the incoming governor's budget.

(c) The division of the budget shall compile a children's budget document consisting of the information contained in agency budget estimates regarding programs that provide services for children and their families. Such document shall be provided to the joint committee on children and families; the Kansas commission on children, youth and families, established by the governor's executive order number 91-145; and other persons or entities on request.

(d) The division of the budget, upon request, shall furnish the governor or the legislature with any further information required concerning the budget.

(e) Nothing in this section shall be construed to restrict or limit the privilege of the governor to present supplemental budget messages or amendments to previous budget messages, which may include proposals for expenditure of new or increased sources of revenue derived from proposed legislation.

Sec. 2. K.S.A. 75-3725a is hereby amended to read as follows: 75-3725a. (a) Whenever it shall appear appears that the estimated resources for any fiscal year in the state general fund are sufficient to meet in full the estimated expenditures and obligations for that fiscal year, but that the estimated resources in the state general fund in any month or months of such fiscal year are insufficient to meet in full the estimated expenditures and obligations for such month or months as the same become due, the director of the budget shall so inform the secretary of administration. Unless the secretary finds that the estimates of the director of the budget are grossly incorrect, the secretary shall inform the governor of the report of the director of the budget, and thereupon the governor shall call a meeting of the state finance council within 48 hours after receiving such notice for the sole purpose of implementing provisions of this act. At such meeting the director of the budget shall inform the state finance council of the facts which caused the meeting to be called and together with the director of accounts and reports shall report upon the finances of the state relevant to the call of such meeting, including the availability of moneys on deposit in banks as provided in invested in accordance with the provisions of article 42 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto, to meet all the obligations of the state as the same become due. Thereupon the state finance council may by the affirmative vote of the governor and of six of the legislator members of the council order the pooled money investment board to issue a written certificate of indebtedness subject to redemption from the state general fund not later than June 30 next following the issuance of such certificate of indebtedness. Upon the issuance of any such certificate of indebtedness the state treasurer shall purchase the same for the amount specified therein from state moneys on deposit in banks as provided in available for investment in accordance with the provisions of article 42 of chapter 75 of Kansas Statutes Annotated, and amendments thereto. Upon the occurrence of any such purchase the state treasurer and the director of accounts and reports shall make appropriate entries to credit the state general fund in the amount of the state treasurer's purchase. In the event that the state finance council orders the issuance of any certificate of indebtedness under authority of this act, the amount thereof shall be sufficient in the opinion of the state finance council to increase the resources of the state general fund such that such resources will be sufficient to meet the estimated expenditures and obligations from the state general fund in each month for the balance of such fiscal year. No interest shall accrue or be paid on any such certificate of indebtedness. Not later than June 30 following the issuance of any such certificate of indebtedness the pooled money investment board shall redeem such certificate of indebtedness by issuing an order to the state treasurer to return such certificate of indebtedness with the word "canceled" written across the same by the state treasurer, and thereupon the state treasurer and the director of accounts and reports shall make appropriate entries to reduce the balance of the state general fund by the amount specified in such certificate of indebtedness and restore the same to the state moneys on deposit in banks under authority available for investment in accordance with the provisions of article 42 of chapter 75 of Kansas Statutes Annotated, and amendments thereto.

(b) Whenever it appears that the estimated resources for any fiscal year in the state general fund are sufficient to meet in full the estimated expenditures and obligations from such fund for such fiscal year and in addition to redeem any outstanding certificates of indebtedness issued pursuant to subsection (a) of this section, but that the estimated resources in the state general fund, including the amount of any outstanding certificate of indebtedness, in any month or months of such fiscal year are insufficient to meet in full the estimated expenditures and obligations for such month or months as the same become due, the state finance council may direct the pooled money investment board to issue another certificate of indebtedness. The issuance and redemption of any certificate of indebtedness issued under this subsection (b) shall be governed by the provisions of subsection (a) of this section.

(c) ~~The certificate of indebtedness that the state finance council, at the December 17, 1982, meeting, ordered the pooled money investment board to issue shall not be subject to redemption prior to June 30, 1983.~~

Sec. 3. K.S.A. 1993 Supp. 75-6702 is hereby amended to read as follows: 75-6702. (a) ~~Commencing with the regular session of the legislature in 1992,~~ The last appropriation bill passed in any regular session of the legislature shall be the omnibus reconciliation spending limit bill. Each bill which is passed during a regular session of the legislature and which appropriates or transfers money from the state general fund for the ensuing fiscal year shall contain a provision that such bill shall take effect and be in force from and after the effective date of the omnibus reconciliation spending limit bill for that regular session of the legislature or from and after such effective date and a subsequent date or an event occurring after such effective date.

(b) The total maximum amount of expenditures and demand transfers from the state general fund that may be authorized by act of the legislature during a regular session of the legislature for the ensuing fiscal year or prescribed by statute for such fiscal year shall be subject to the following limitation:

(1) During the 1992 regular session of the legislature, the maximum amount authorized to be expended or transferred by demand transfer from the state general fund for the ensuing fiscal year is hereby fixed so that there will be an ending balance in the state general fund for such fiscal year that is equal to 1% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year, but excluding any amount transferred to the state cash operating reserve fund under K.S.A. 1993 Supp. 75-6703;

(2) During the 1993 regular session of the legislature, the maximum amount authorized to be expended or transferred by demand transfer from the state general fund for the ensuing fiscal year is hereby fixed so that there will be an ending balance in the state general fund for such fiscal year that is equal to 2% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year, but excluding any amount transferred to the state cash operating reserve fund under K.S.A. 1993 Supp. 75-6703; and

(3) during the 1994 regular session of the legislature and each regular session of the legislature thereafter, the maximum amount authorized to be expended or transferred by demand transfer from the state general fund for the ensuing fiscal year is hereby fixed so that there will be an ending balance in the state general fund for such the ensuing fiscal year that is equal to 2½% 7½% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year, but excluding any amount transferred to the state cash operating reserve fund under K.S.A. 1993 Supp. 75-6703.

Sec. 4. K.S.A. 1993 Supp. 75-6704 is hereby amended to read as follows: 75-6704. (a) The director of the budget shall continuously monitor the status of the state general fund with regard to estimated and actual revenues and approved and actual expenditures and demand transfers. Periodically, the director of the budget shall estimate the amount of the unencumbered ending balance of moneys in the state general fund plus the unencumbered ending balance of moneys in the state cash operating reserve fund for the current

fiscal year and the total amount of anticipated expenditures, demand transfers and encumbrances of moneys in the state general fund for the current fiscal year. If the amount of such unencumbered ending balance in the state general fund plus such unencumbered ending balance in the state cash operating reserve fund is less than \$100,000,000, the director of the budget shall certify to the governor the difference between \$100,000,000 and the amount of such unencumbered ending balance in the state general fund plus such unencumbered ending balance in the state cash operating reserve fund, after adjusting the estimates of the amounts of such demand transfers with regard to new estimates of revenues to the state general fund and to the state cash operating reserve fund, where appropriate.

(b) Upon receipt of any such certification and subject to approval of the state finance council acting on this matter which is hereby declared to be a matter of legislative delegation and subject to the guidelines prescribed by subsection (c) of K.S.A. 75-3711c and amendments thereto, the governor may issue an executive order reducing, by applying a percentage reduction determined by the governor in accordance with this section, (1) the amount authorized to be expended from each appropriation from the state general fund for the current fiscal year, other than any item of appropriation for debt service for payments pursuant to contractual bond obligations or any item of appropriation for employer contributions for the employers who are eligible employers as specified in subsections (1), (2) and (3) of K.S.A. 74-4931 and amendments thereto under the Kansas public employees retirement system pursuant to K.S.A. 74-4939 and amendments thereto, and (2) the amount of each demand transfer from the state general fund for the current fiscal year, other than any demand transfer to the school district capital improvements fund for distribution to school districts pursuant to K.S.A. 1993 Supp. 75-2319 and amendments thereto.

(c) The reduction imposed by an executive order issued under this section shall be determined by the governor and may be equal to or less than the amount certified under subsection (a). Except as otherwise specifically provided by this section, the percentage reduction applied under subsection (b) shall be the same for each item of appropriation and each demand transfer and shall be imposed equally on all such items of appropriation and demand transfers without exception. No such percentage reduction and no provisions of any such executive order under this section shall apply or be construed to reduce any item of appropriation for debt service for payments pursuant to contractual bond obligations or any item of appropriation for employer contributions for the employers who are eligible employers as specified in subsections (1), (2) and (3) of K.S.A. 74-4931 and amendments thereto under the Kansas public employees retirement system pursuant to K.S.A. 74-4939 and amendments thereto or any demand transfer to the school district capital improvements fund for distribution to school districts pursuant to K.S.A. 1993 Supp. 75-2319 and amendments thereto. The provisions of such executive order shall be effective for all state agencies of the executive, legislative and judicial branches of state government.

(d) If the governor issues an executive order under this section, the director of accounts and reports shall not issue any warrant for the payment of moneys in the state general fund or make any demand transfer of moneys in the state general fund for any state agency unless such warrant or demand transfer is in accordance with such executive order and such warrant or demand transfer does not exceed the amount of money permitted to be expended or transferred from the state general fund.

(e) Nothing in this section shall be construed to (1) require the governor to issue an executive order under this section upon receipt of any such certification by the director of the budget; or (2) restrict the number of times that the director of the budget may make a certification under this section or that the governor may issue an executive order under this section.
