Kansas Water Office

Notice of Hearing

The Kansas Water Office has scheduled a public hearing at 7 p.m. Monday, April 18, in the North Community Building, 505 N. Buckeye, Iola. The purpose of the hearing is to determine the availability of surplus waters in John Redmond Reservoir and to determine the public interest in disposing of those waters under a proposed pool level management plan for John Redmond Reservoir. The plan has been proposed by the Kansas Department of Wildlife and Parks and is designed to improve fish and wildlife habitat. Under the proposed plan, lake levels would be lowered by six feet beginning in June and kept at this level until September 15. This six foot drawdown would require the evacuation of over 70 percent of the conservation storage capacity of John Redmond Reservoir.

In addition to hearing public comments, representatives from the U.S. Army Corps of Engineers, U.S. Fish and Wildlife Service, Wolf Creek Nuclear Operating Company, Kansas Department of Wildlife and Parks, and members of the Neosho River Water Assurance District are invited to present comments on this surplus water determination and the potential benefits and risks associated with the proposal.

The current conservation storage water supply is fully contracted to the Wolf Creek Nuclear Operation Plant near Burlington. The Kansas Water Authority will need to determine if water availability in John Redmond will be surplus to that needed to satisfy the Wolf Creek demand in 1994 and whether the proposed disposal of such waters is in the public interest.

Those attending the hearing may make comments in writing or orally. For additional information, or if accommodations are needed for persons with disabilities to participate in the meeting, contact the Kansas Water Office, 109 S.W. 9th, Suite 300, Topeka 66612-1249, TTY (913) 296-6604, at least two days in advance of the meeting.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, May 3, in the SRS Staff Development Conference Room, 300 S.W. Oakley, Topeka, to consider the adoption of proposed changes in existing rules and regulations on a permanent basis.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Social and Rehabilitation Services, Room 603-N, Docking State Office Building, 915 S.W. Harrison, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

The adoption of the regulations will take place at 8 a.m. Thursday, May 5, in the SRS executive conference room, 603-N, Docking State Office Building. Teleconference will not be available. The proposed regulations are scheduled to become effective July 1, 1994. A summary of the proposed regulations and their economic impact follows.

The phrase "Federal Mandate" following an item indicates that the change is required by federal policy. Optional changes in regulations related to federal programs are subject to approval by the U.S. Department of Health and Human Services.

Article 4.—PUBLIC ASSISTANCE PROGRAM

30-4-90. Eligibility factors specific to the GA-unrestricted (GAU) program. This regulation is being amended to clarify that assistance can be granted to non-ADC children who are living with a guardian.

Economic Impact: This change is not expected to have any discernible economic impact as it reflects current policy.

Article 5.—PROVIDER PARTICIPATION, SCOPE OF SERVICES, AND REIMBURSEMENTS FOR THE MEDICAID (MEDICAL ASSISTANCE) PROGRAM

30-5-58. Definitions. This regulation is being amended to add definitions which pertain to the cost based reimbursement system for federally qualified health centers being clarified in other regulations. A definition for "costs not related to patient care," "costs related to patient care," "agency," "organization costs," and "generally accepted accounting procedures" are being added.

Economic Impact: None. All changes are additional definitions as a result of the additions to K.A.R. 30-5-118a.

30-5-64. Prior authorization or precertification. This regulation is being amended to include reasons for placing a service on the list of those which require prior authorization.

Economic Impact: None.

30-5-65. Filing limitations for medical claims. This regulation is being amended to state that medicaid/medikan claims must be submitted to the Division of Medical Services or to Medicare (as appropriate) within 12 months of the date of service. Claims must be settled within 24 months of the date of service or date of submission to Medicare.

Economic Impact: Estimated increased expenditures of \$86,000 (\$35,200 state general funds).

30-5-82a. Reimbursement for rural health clinic services. This regulation is being amended to state that reimbursement for rural health clinic services covered by medicaid will be determined according to federal regulation.

Economic Impact: None.

30-5-116. Scope of rehabilitation services. This regulation is being amended to clarify that comprehensive evaluation and transition services are available to children with psychological, emotional, developmental, or special health needs. This service is designed to result in the least restrictive placement consistent with the child's needs.

Economic Impact: None.

30-5-118a. Reimbursement for federally-qualified health center services. This regulation is being extensively revised to include guidelines for cost reports submitted to the Division of Medical Services from federally-qualified health centers. The regulation states that costs not related to patient care shall not be considered when computing reimbursable costs. Examples of such costs are listed. Examples of costs allowed with limitations are listed. Revenue statements and revenues used to offset cost of patient care are explained as is financial data included in the reports. The amendment of this regulation will provide guidance to federally-qualified health centers and to the agency for the computing of reimbursable costs from cost reports.

Economic Impact: None.

Article 6.—MEDICAL ASSISTANCE PROGRAM—CLIENTS' ELIGIBILITY FOR PARTICIPATION

30-6-56. Transfer of assets. This regulation is being amended to incorporate several clarifications resulting

from federal guidelines released concerning the Omnibus Budget Reconciliation Act (OBRA) of 1993. They include:

(1) A clarification that the 60 month look-back period for trust transfers is applicable only to payments from a trust or portions of a trust that are treated as assets disposed of by the individual in accordance with K.A.R. 30-6-109 (c)(1) and (2)(B).

(2) A clarification that the date of application for medical assistance is based on the most recent application for assistance.

(3) Treatment of lump sum income which is transferred in the same manner as any resource that is transferred and treatment of ongoing income which is transferred as still available in determining patient liability for long-term care service.

(4) A new provision for allocating a period of ineligibility evenly between two spouses if both are institutionalized and for requiring that if one spouse is no longer subject to the period of ineligibility the remainder is served by the other spouse if he or she becomes institutionalized.

(5) A specific criteria for granting hardship. Undue hardship for waiving a period of ineligibility may be granted if the individual verifies that he or she has exhausted all available legal remedies for reclaiming the property or receiving full compensation, that all assets have been expended to meet living and medical expenses, and that his or her health or life would be endangered if deprived of medical care.

(Federal Mandate. These changes are required by Section 13611 of the Omnibus Budget Reconciliation Act of 1993.)

Economic Impact: These changes are not expected to have any additional economic impact.

30-6-109. Personal property. This regulation is being amended to incorporate criteria for granting undue hardship on consideration of a trust fund as an available asset. Undue hardship may be granted if the individual verifies that he or she has exhausted all legal remedies for gaining access to the principal or income of the trust, that all otherwise available assets have been expended to meet living and medical expenses, and that his or her health or life would be endangered if deprived of medical care. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact.

30-6-111. Applicable income. This regulation is being amended to increase the amount of the earned income deduction for an alien who is a parent of an ADC child and excluded from the assistance plan from \$75 to \$90. (Federal Mandate.)

Economic Impact: This change is not expected to have any discernible economic impact.

Article 10.—ADULT CARE HOME PROGRAM

30-10-1a. Nursing facility program definitions. This regulation is being amended to clarify wording and to add wording to the definition of "nursing facility for mental health" which would limit the number of facilities to those which had a provider agreement with SRS as of July 1, 1994.

Economic Impact: None.

30-10-1b. Nursing facilities. This regulation is being amended to limit nursing facilities for mental health to those with a provider agreement with SRS prior to July 1, 1994.

Economic Impact: None.

30-10-2. Standards for participation; nursing facilities and nursing facilities for mental health. This regulation is being amended to limit nursing facilities for mental health to those with a provider agreement with SRS prior to July 1, 1994.

Economic Impact: Minimal savings resulting from more efficient use of SRS and nursing facility staff time.

30-10-7. Screening, evaluation, and referral for nursing facilities.  Board of Education

ders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $1/8$ or $1/20$ of 1 percent. No interest rate shall exceed the index of treasury bonds published by *The Bond Buyer*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the county during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the county on the basis of such bid. Each bid shall also specify the average annual net interest rate to the county on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the county. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the county shall determine which bid, if any, shall be accepted, and its determination shall be final.

Security for the Bonds

The bonds will be general obligations of the county payable as to both principal and interest from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the county.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the county which must be met subsequent to the issuance of the bonds by the county and, as a result, the county will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The county's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the county's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income, with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of

1986, provides for an environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on such obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. The county does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the county with the provisions of the resolution authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excluded from the computation of Kansas adjusted gross income.

Delivery and Payment

The county will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about April 28, 1994, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the bidder's expense. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the county. The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the county and bond registrar not later than 3 p.m. C.D.T. on April 14, 1994. In the absence of such information, the county will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

(continued)

The successful bidder shall furnish the county by 3 p.m. C.D.T. on April 14, 1994, a certificate acceptable to the county's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$15,900, payable to the order of the county to secure the county from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the county until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the county, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the county shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the county, and the county reserves the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the county.

Bid Forms

All bids must be made on forms which may be procured from the county clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The county reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned county clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the Grant County Courthouse and must be received by the undersigned prior to 1 p.m. C.D.T. on Wednesday, April 6, 1994.

Date and Delivery of Preliminary and Final Official Statement

The county has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c12-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the purchaser and the price or yield at which the purchaser will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c12-12. No more than seven business days after the date of the sale, the county will provide without cost to the purchaser such reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the purchaser's expense. If the sale of the bonds is awarded to a syndicate, the county will designate the senior managing purchaser of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating purchaser. Any purchaser executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating purchasers for the purpose of assuring the receipt and distribution by each such participating purchaser of the final official statement.

The county will deliver to the purchaser on the date of delivery of the bonds a certificate executed by the chairman and the county clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the county's preliminary official statement relating to the bonds may be obtained from the county clerk or the county's financial advisor, George K. Baum & Company, 120 W. 12th, Twelve Wyandotte Plaza, Kansas City, MO 64105, 1-800-821-7195.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the county for the year 1993 is \$303,485,100. The total general obligation bonded indebtedness of the county as of the date of the bonds, including the bonds, is \$1,635,000. In accordance with the financial advisor's agreement with the county, the financial advisor will be submitting a bid or participating in a group submitting a bid for the purchase of the bonds.
