## State of Kansas

Kansas Commission on Governmental  
Standards and Conduct

## Advisory Opinion No. 94-22

Written June 21, 1994, to Vince Frye, Director of Sales and Marketing, WIBW-TV, Topeka.

This opinion is in response to your letter of May 27, 1994, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the Campaign Finance Act (K.S.A. 25-4142 *et seq.*).

## Factual Statement

We understand you request this opinion in your capacity as Director of Sales and Marketing for WIBW-TV. You ask what identification requirements must be shown on television commercials to be in compliance with Kansas laws? Specifically, does the chairman or treasurer of the authorizing committee need to be included in the sponsor ID?

## Opinion

K.S.A. 25-4156(b)(1) states:

Corrupt political advertising of a state or local office is: Publishing or causing to be published in a newspaper or other periodical any paid matter which is designed or tends to aid, injure or defeat any candidate for nomination or election to a state or local office, unless such matter is followed by the word "advertisement" or the abbreviation "adv." in a separate line together with the name of the

chairperson of the political or other organization inserting the same or the name of the person who is responsible therefore; or broadcasting or causing to be broadcast by any radio or television station any paid matter which is designed or tends to aid, injure or defeat any candidate for nomination or election to a state or local office, unless such matter is followed by a statement that the preceding was an advertisement together with the name of the chairperson of the political or other organization sponsoring the same or the name of the person who is responsible therefor.

From a review of K.S.A. 25-4156(b)(1), it is our opinion that the following rules apply:

1. If the advertisement is placed by a political committee, the chairperson's name must appear.
2. If the ad is placed by a candidate or candidate committee, the treasurer shall be listed as the responsible person.
3. If the advertisement is placed by an organization other than a political committee, candidate, or candidate committee, which has a chairperson, the chairperson's name must appear.
4. If the ad is placed by an organization other than a political committee, candidate, or candidate committee which does not have a chairperson, then the responsible individual listed shall be:
  - (a) The individual who is the primary funding source.
  - (b) If no individual is the primary funding source, then the individual who controlled the decision to place the ad.
  - (c) If no one individual controlled the decision, then the individual who controlled the funds.
5. If the ad is placed by an individual, that individual's name shall appear.
6. Under no circumstance is the name of the organization alone sufficient.

In closing, we note this opinion does not cover brochures or flyers disseminated outside of a newspaper.

#### Advisory Opinion No. 94-23

Written June 21, 1994, to the Honorable Judith Macy, State Representative, DeSoto.

This opinion is in response to your letter of June 8, 1994, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the state conflict of interests law (K.S.A. 46-215 *et seq.*).

#### Factual Statement

We understand you request this opinion in your capacity as a state legislator. You advise us that you are considering applying for a position as a district court judge in Johnson County. This is a new judicial position and your concern is that the 1994 Legislature appropriated enough money in the judicial budget to allow for the creation of this judgeship as well as two others.

#### Question

Are you prohibited by K.S.A. 46-234 from applying for a district court judgeship?

#### Opinion

K.S.A. 46-234 states:

No elected state officer shall within one (1) year after the expiration of his last term receive any civil appoint-

ment to a state office which was created by law during the last term which such person had been elected, and all such appointments shall be void. Upon resignation by an elected state officer, such person may be appointed to any elective state office to fill a vacancy.

We first note that a district judgeship is a "state office" by definition of K.S.A. 25-2505. The determining issue then is whether the judgeship was "created by law" during your last term.

In our view this phrase was intended to distinguish between a state office created by statutory authority, that is, "by law," and those positions created by purely administrative decisions such as non-compensated advisory committees.

K.S.A. 20-355 sets out the process for creating new district court judgeships. That section states:

(a) On or before April 15 of every even-numbered year, the supreme court shall examine the need for more or less divisions of the district court in each judicial district which has not approved the proposition of nonpartisan selection of district judges, as provided in K.S.A. 20-2901, and on or before May 15 of each year, the supreme court shall examine the need for more or less districts which have approved said proposition. Whenever the supreme court shall determine that in order to effectively expedite the business of the district court in any judicial district in this state, the need exists for an additional district judge and an additional division of such court, the supreme court shall so certify to the secretary of state, and where the need for such additional district judge and division is in a judicial district which said proposition of nonpartisan selection of district court judges has been approved, such certification also shall be made to the chairperson of the district judicial nominating commission of such judicial district. Any additional division so certified shall be designated as the next numbered division of such court.

(b) Upon certification of an additional district judge and an additional division of the district court in any judicial district which has not approved the proposition of nonpartisan selection of district judges, the first district judge of such new division shall be elected at the general election held in November of the year in which the division is determined to be necessary and said judge shall take office on the second Monday in January of the following year. No judge of any such new division shall be appointed pending the first election to fill such office.

(c) Upon certification of an additional district judge and an additional division of the district court in any judicial district which has approved the proposition of nonpartisan selection of district judges, the additional division shall be created on July 15 of the year in which such certification is made, and the additional district judge shall be selected and take office in the manner prescribed by subsection (b) of K.S.A. 20-2913.

From a review of this section, it is our opinion that even though the authority to create new positions is delegated to the Supreme Court, the positions are clearly created pursuant to statutory authority, and thus, "by law." Therefore, since the position was created during your last term, you are not eligible to accept it.

**Taxation—Property Valuation, Equalizing Assessments, Appraisers and Assessment of Property; General Provisions—Listing and Appraisal of Escaped Personal Property; Tax Amnesty Program; 1994 Senate Bill No. 542; Constitutionality.** David C. Van Parys, Leavenworth County Counselor, June 17, 1994.

By releasing the property tax obligation for certain discovered escaped personal property upon which taxes have become delinquent, but not granting a similar benefit for those who timely paid their personal property taxes, Section 14 of 1994 Senate Bill No. 542 violates the uniform and equal provision of Article 11, Section 1 of the Kansas Constitution. **Constitution of the State of Kansas—Corporations—Cities' Powers of Home Rule; Charter Ordinance; Petition.** Darrel G. Shumake, Columbus City Attorney, Columbus, June 17, 1994.

Article 12, Section 5(3) of the Kansas Constitution requires that a petition demanding that a charter ordinance be submitted to a vote of the electors be filed with the city clerk. Failure to follow this directive precludes the city from holding an election. Cited herein: Kan. Const., art. 12, § 5. MF

**Crimes and Punishments—Sexually Violent Predator Act—Notice to Prosecutor; Disclosure of Documentation of Prisoners' Medical and Other Treatment to Prosecutor.** Charles E. Simmons, Chief Legal Counsel, Department of Corrections, Topeka, June 20, 1994.

Upon release of certain inmates, the Department of Corrections must provide all records of a sexually violent predator to a prosecutor including records of all psychiatric, psychological and medical treatment that the prisoner received while incarcerated. **Taxation—Marijuana and Controlled Substances—Taxation of Marijuana and Controlled Substances; Double Jeopardy.** Senator Sandy Praeger, 2nd District, Lawrence; David Prager III, Acting General Counsel, Department of Revenue, June 21, 1994.

Because the Kansas drug tax is not conditioned on the commission of and arrest for a crime, and because it is due at a time when the subject property is in the possession of the taxpayer, it is not a punishment within the contemplation of the double jeopardy clause of the United States Constitution. The United States Supreme Court's recent decision, *Montana Department of Revenue v. Kurth Ranch, et al.*, does not apply to the Kansas drug tax statutes. K.S.A. 66-273 imposes a 10 minute limitation on the amount of time trains may stand upon any crossing on a street or public road within a half mile of an incorporated or unincorporated city, town or station unless an opening of at least 30 feet in width is allowed in the travel portion. Department of Health  
and EnvironmentNotice Concerning Variance Request  
From Hazardous Waste Regulations

The Kansas Department of Health and Environment is providing public notice that on November 13, 1992, Chromalloy Aircraft Structures, 1234 Wellington Place, Wichita, submitted a request for renewal of a variance from specific hazardous waste regulations. The current request expired on December 6, 1992. The request for a variance has been submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-4 and 40 CFR 265.176, which require the storage of containers holding ignitable hazardous waste must be located at least 15 meters (50 feet) from the facility's property line.

Chromalloy Aircraft Structures generates ignitable hazardous waste, which is stored prior to being recycled. Chromalloy Aircraft Structures stores this waste in the property adjacent to the east property line with an easement for two railroad lines. This industrial easement affords an open area more than 50 feet from the storage area. KDHE has reviewed the variance request, and concluded that the variance is justified. In accordance with K.A.R. 28-31-13(b), public notice was provided that KDHE considered the request for a variance justified and made a tentative decision to grant the variance. A public comment period to receive comments regarding this tentative decision was established between May 19, 1994 and June 18, 1994. No public comments were received.

Therefore, in accordance with K.A.R. 28-31-13(b), KDHE announces its decision to approve this request for a variance and not to include any special conditions. The variance shall become effective on June 30, 1994, and shall remain in effect until June 30, 2001.
