The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a three letter code printed and appearing in three of six varying locations among the game symbols. The codes and their meanings are as follows: TWO = \$2.00; THR = \$3.00; FOR = \$4.00; TEN = \$10.00; TWL = \$12.00; SXN = \$16.00; TRY = \$30.00; FTY = \$50.00; HUN = \$100.00.

(f) "Bar code" means the 16-digit bar coded number appearing near the bottom right corner on the back of each ticket. (Authorized by and implementing K.S.A. 74-8710, as amended by 1995 H.B. 2077, § 1; effective, T-111-6-26-95, June 23, 1995.)

111-4-734. Cost of ticket. The prize of "Blackjack Doubler" instant tickets sold by a retailer shall be \$2.00 each. (Authorized by and implementing K.S.A. 74-8710, as amended by 1995 H.B. 2077, § 1; effective, T-111-6-26-95, June 23, 1995.)

111-4-735. Determination of instant prize winners.

(a) An instant prize winner is determined in this "Blackjack Doubler" instant game when the player "scratches off" the removable layer of material covering the play area to reveal the six separate "blackjack" type games, entitled "HAND 1," "HAND 2," "HAND 3," "HAND 4," "HAND 5" and "HAND 6." Under each game below, "YOUR CARDS" is a playing card game symbol representing playing card numbers from "6" through "10" and face card letters from "J" through "A" followed by a "PRIZE" amount for each "HAND." Under "DEALER'S TOTAL" a "DEALER'S TOTAL" game symbol number appears. If the combined total of the player's two game symbol numbers is higher than the "DEALER'S TOTAL" for any "HAND," the player wins the "PRIZE" amount shown immediately to the right of "YOUR CARDS" for that game. If "YOUR CARDS" for a "HAND" add up to a "Blackjack" ("A" + "10," "A" + "J," "A" + "Q" OR "A" + "K"), a player wins double the prize amount shown for that "HAND." For this game, "J," "Q" and "K" have a numerical value of 10 and "A" has a numerical value of 11. A player can only win one time on each "HAND," but can win up to six times on a single ticket.

(b) The "BONUS CARD" area in the lower left corner of the ticket allows the player an additional opportunity to win \$10 if scratching off the material covering that area reveals a "Joker."

(c) Although a player may win up to six times on a single ticket in the "Blackjack" play area where the six "HANDS" are located, he or she cannot win in both the "Blackjack" play area and the "BONUS CARD" play

area. (Authorized by K.S.A. 74-8710(b), (c) and (i), as amended by 1995 H.B. 2077, § 1; implementing K.S.A. 74-8710(b), (c) and (i), as amended by 1995 H.B. 2077, § 1, and 74-8720(b) and (d); effective, T-111-6-26-95, June 23, 1995.)

111-4-736. Number and value of instant prizes. (a) There will be approximately 1,500,000 tickets ordered for this instant game. The expected number and value of the instant prizes are as follows:

Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Security for the Bonds

The bonds will be general obligations of the city payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income, with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for an environmental tax generally based on corporate alternative minimum taxable income. The

amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on such obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Interest on the bonds may also be excludable from the computation of Kansas adjusted gross income.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, prepared, executed and registered, on or about August 10, 1995, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the bidder's expense. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 3 p.m. C.D.T. on July 27, 1995. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 3 p.m. C.D.T. on July 27, 1995, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and

other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$8,662.40, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the city, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city, and the city reserves the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail, delivered in person or telefaxed as hereinbefore provided to the undersigned at City Hall and must be received by the undersigned prior to 11 a.m. C.D.T. on Thursday, July 20, 1995.

Date and Delivery of Preliminary and Final Official Statement

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the purchaser and the price or yield at which the purchaser will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the city will provide without cost to the purchaser a reasonable number of printed copies of the final official statement; further copies, if desired, will be made available at the purchaser's expense. If the sale of the bonds is awarded to a syndicate, the city will designate the senior managing purchaser of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating purchaser. Any purchaser executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating purchasers for the purpose of assuring the receipt and distribution by each such participating purchaser of the final official statement.

The city will deliver to the purchaser on the date of delivery of the bonds a certificate executed by the mayor and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, Kirkpatrick Pettis, a Mutual of Omaha Company, (913) 338-3447.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1994 is \$9,708,658. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$2,728,120, including, as of the date of the bonds, temporary notes outstanding in the principal amount of \$520,000, of which \$520,000 will be retired out of the proceeds of the bonds herein offered for sale. In accordance with the financial advisor's agreement with the city, the financial advisor will not be submitting a bid or participating in a group submitting a bid for the purchase of the bonds.

Permanent Administrative Regulations

Article 29.—SOLID WASTE MANAGEMENT

28-29-84. Permit renewal; solid waste permit fees.

(a) General provisions. Each permit issued by the department for any solid waste disposal facility or area, processing facility, incinerator, transfer station, composting plant or area and reclamation facility may be renewed on or before the anniversary date of the permit each year in the following manner.

(1) Each solid waste facility operating in Kansas pursuant to a valid existing permit shall submit to the department, on or before the anniversary date of the permit, a report of the permitted activities on forms provided by the department.

(2) The annual permit renewal fee shall accompany the report. Action to approve the renewals of the permit shall not begin until such time as a properly completed report and the appropriate annual permit renewal fee are received by the department.

(b) Failure to submit. Failure to submit a complete annual report and the annual permit renewal fee on or before the anniversary date of the permit each year may subject the permit holder to denial, revocation, or suspension of the permit.

(c) Fee schedule. The fee for a permit to operate a solid waste disposal area or facility shall be as follows.

(1) The fee for an application for a proposed facility for which no permit has previously been issued by the department, or for reapplication due to loss of the permit resulting from departmental action, including revocation, denial or suspension shall be:

Table with 2 columns: Facility type and Fee amount. Includes Incinerator (\$5,000.00), Industrial solid waste disposal area (\$3,000.00), Municipal solid waste disposal area (\$5,000.00), Processing facility (\$2,000.00), Reclamation facility (\$2,000.00), Solid waste compost facility (\$250.00), and Transfer station (\$1,000.00).

(2) Each facility or disposal area operating pursuant to a valid, current permit issued by the department shall be required to pay an annual permit renewal fee. The annual permit renewal fees shall be:

Table with 2 columns: Facility type and Fee amount. Includes Incinerator (\$1,000.00), Industrial solid waste disposal area (\$1,000.00), Municipal solid waste disposal area (\$2,000.00), Processing facility (\$1,000.00), Reclamation facility (\$1,000.00), Solid waste compost facility (\$250.00), and Transfer station (\$500.00).

(d) Construction and demolition landfills.

(1) The fee for an application for a proposed construction and demolition disposal facility for which no permit has previously been issued by the department or as otherwise set forth in these regulations shall be as follows:

(A) each facility whose permit application projects receipt of less than 1,000 tons annually: \$250.00;

(B) each facility whose permit application projects receipt of more than 1,000 and less than 10,000 tons annually: \$500.00; and

(C) each facility whose permit application projects receipt of more than 10,000 tons annually: \$1,000.00.

(2) Each facility operating pursuant to a valid, current permit issued by the department shall be required to pay an annual permit renewal fee. The annual permit renewal fee shall be as follows:

(A) for each facility receiving less than 1,000 tons annually: \$125.00;

(B) for each facility receiving more than 1,000 and less than 10,000 tons annually: \$250.00; and

(C) for each facility receiving more than 10,000 tons annually: \$500.00.

(3) Fees for each facility reapplying for a permit due to loss of the permit resulting from departmental action, including revocation, denial or suspension shall be determined in accordance with paragraph (d)(1) of this regulation based on the tonnage received the 12 months prior to the revocation, denial or suspension of the permit.

(4) To determine the annual fee due, the construction and demolition disposal facility may determine the volume of waste received during the previous year and convert this volume to an equivalent weight basis using the following conversion factor: 1 cubic yard = 1,250 pounds.

(e) Multiple activities. Any person conducting more than one of the activities listed in K.A.R. 28-29-84(c)(1) at one location shall pay a single fee. This fee shall be in the amount specified for the activity having the highest fee of those conducted. (Authorized by K.S.A. 1993 Supp. 65-3406, as amended by L. 1994, Ch. 283, sec. 2; implementing K.S.A. 1993 Supp. 65-3407, as amended by L. 1994, Ch. 283, sec. 3; effective, T-28-3-15-93, March 15, 1993; effective May 17, 1993; amended Aug. 28, 1995.)

28-29-85. State solid waste tonnage fees. (a) General provisions. The operator of each solid waste disposal area in Kansas shall pay to the department a tonnage fee for each ton or equivalent volume of solid waste received and disposed of at the facility during the preceding reporting period. The fee shall be paid each reporting period until the facility no longer receives waste and begins departmentally approved closure activities. Municipal solid waste disposal areas receiving 50,000 tons or more of solid waste annually shall file the reports required by subsection (b) of this regulation and pay their tonnage fee monthly, on or before the last day of the following month. Municipal solid waste disposal areas receiving less than 50,000 tons of solid waste annually, and all other solid waste disposal areas shall file reports and pay their tonnage fee quarterly, on or before the last day of April, July, October and January.

(b) Certification and late fees. The operator of each solid waste disposal area shall certify, on a form provided by the department, the amount, source and type of solid waste received, processed, recycled, and disposed of during the preceding reporting period. Any operator failing to remit the appropriate tonnage fee and submit the report within 45 days after each reporting period shall pay a late processing fee of one and one-half percent per month on the unpaid balance from the date the fee was due until paid.

(c) Determination of waste tonnages.

(1) Operator estimates. The operator of each municipal solid waste disposal area that receives 50,000 tons or more of solid waste annually shall use actual weight records. The operator of each municipal solid waste disposal area that receives less than 50,000 tons of solid waste annually shall, subject to department approval, use one of the following methods for determining the number of tons of waste disposed of at the solid waste disposal area.

(A) The operator may use actual weight records.

(B) The operator may use actual volume records based upon direct aerial and field survey techniques, using the conversion factor of 1,000 pounds per cubic yard less a department approved deduction for cover material.

(C) The operator may use actual volume records based upon daily logs which record the source, type and measurement or estimate of each load using the conversion factors as specified in subsection (d) of this regulation.

(D) The operator of a landfill serving one county or an identifiable population of less than 20,000 may use a per capita waste generation rate charge equivalent of .8 ton per person per year. This generation rate may only be used during calendar year 1993. This method may be used after December 31, 1993, only with specific departmental approval.

(2) Other disposal site estimates. All other solid waste disposal sites shall, subject to departmental approval, use one of the methods provided in paragraph (c)(1)(A), (c)(1)(B) or (c)(1)(C) of this regulation.

(3) Departmental estimates. The department may estimate the number of tons received at a solid waste disposal area. The estimate may be based upon the number of tons received and reported for the previous reporting period, or any other recognized method.

(d) Payment calculation. The solid waste tonnage fee of \$1.50 per ton shall be calculated on department forms. If volume records are used, the following volume to weight factors shall be used to calculate tonnage unless the operator demonstrates to the department that a different conversion factor is appropriate.

Municipal solid waste (as delivered)	
Residential/commercial	
loose	325 pounds/cubic yard
compacted	650 pounds/cubic yard
Industrial	
general	330 pounds/cubic yard
liquids/sludges	8.3 pounds/gallon
Construction demolition	1,250 pounds/cubic yard

(e) Exemptions. The state solid waste tonnage fee shall not apply to non-hazardous waste that is received at a solid waste disposal area, and recycled, reclaimed or re-used. Such items include scrap and composted wastes. (Authorized by K.S.A. 1993 Supp. 65-3406, as amended by L. 1994, Ch. 283, sec. 2; implementing K.S.A. 1993 Supp. 65-3415b; effective, T-28-3-15-93, March 15, 1993; effective May 17, 1993; amended Aug. 28, 1995.)
