## **Kansas Arts Commission**

## Notice of Individual Artist Program Opportunities

The Kansas Arts Commission has announced opportunities for Kansas artists available through the Individual Artist Program for fiscal year 1996. The commission will award a 1996 Kansas Artist Fellowship of \$5,000 to a qualified artist in each of the following five discipliness fiction, poetry, two-dimensional visual art, three-dimensional visual art, and crafts. These will alternate biennially with the five disciplines of music composition, choreography, film/video, interdisciplinary/performance art, and play-writing.

Also, a mini-fellowship category now replaces the professional development grants. Up to 12 mini-fellowships of \$500 each will be offered for 1996. No matching funds are required. An artist may apply in any one of the following disciplines: fiction, poetry, two-dimensional visual art, three-dimensional visual art, crafts, music composition, choreography, film/video, interdisciplinary/performance art, and play-writing.

The application deadline for both the 1996 Kansas Artist Fellowships and the mini-fellowships is October 16. Completed application forms, with required documentation and support materials, must be received in the

commission office not later than 5 p.m. on that date. Each eligible application will be reviewed by a panel of professionals and experts. The commission will act upon the panels' recommendations and announce the fellowship awards during February 1996.

The commission also is accepting applications from individual performing artists who live in Kansas and from Kansas-based groups, companies and ensembles for three-year appointments to the roster of the Kansas Touring Program. This roster of solo and ensemble artists generally includes—but is not limited to—dance; mime; story-telling; theater for adults and children; and classical, folk, ethnic, blues, jazz and gospel music.

The application deadline for the Kansas Touring Program roster is October 2. Completed application forms with required support materials must be received in the commission office not later than 5 p.m. on that date.

To request the Individual Artist Program guidelines and application form, contact the Kansas Arts Commission, Jayhawk Tower, Suite 1004, 700 S.W. Jackson, Topeka, 66603-3758, (913) 296-3335. Persons with special communication needs may use the Kansas Relay Service, 1-800-766-3777.

Taxation—Property Valuation, Equalizing Assessments, Appraisers and Assessment of Property-Duties of Appraiser Regarding Valuation Increase of Real Property; Deference to be Given Final Decision Reached in Prior Year's Appeal Process. Representative Carol E. Beggs, 71st District, Salina, July 24, 1995.

In the taxable year immediately following a reduction in valuation by a final determination made by an arbitrator or through a hearing and appeal, K.S.A. 1994 Supp. 79-1460 requires the county appraiser to appraise the property at its fair market value and justify any increase in value with substantial and compelling reasons. Livestock and Domestic Animals-Protection of Domestic Animals-State Quarantine, Sanitary and Other Regulations; Importation of Brucellosis-Infected Bison into Indian Reservation. George Teagarden, Kansas Livestock Commissioner, Kansas Animal Health Department, Topeka, July 24, 1995.

Because the health requirements established by the Kansas Animal Health Department for importation of buffalo or bison regulate off-reservation activities and are necessary regulations justified by the state's interest in preventing the harmful off-reservation effects of diseased livestock, Native American tribes and tribal members residing on a reservation are not exempt from their requirements when importing into their reservation. State Boards, Commissions and Authorities—Public Employees Retirement Systems; Kansas Police and Firemen's Retirement System—Retirement Benefits; Earnings Limitation. Mark W. Stafford, Legal Counsel, Kansas Board of Healing Arts, Topeka, July 24, 1995.

A legislative act which imposes an earnings limitation applicable to retirants of the Kansas police and firemen's retirement system who were previously not subject to an earnings limitation, or which includes employment previously not subject to an earnings limitation, modifies the vested contractual interests of the retirants and violates the contract clause of the United States Constitution if it does not provide an off-setting advantage. Counties and County Officers—Sewer Districts—Cost of Project; Assessments. Sandra L. Jacquot, Shawnee County Counselor, Topeka, July 24, 1995.

A properly imposed utility assessment for services from a county sewer system is not time barred merely because the county failed to bill within a certain time period. In the absence of applicable statutory provisions concerning a required procedure or time limit upon collection of a debt owed to the county, the county may permissibly establish equitable payment terms on any basis that does not disadvantage the public interest. Public Health-Emergency Planning and Community Right-to-Know-State Emergency Response Commission. James F. Rueger, Major General, Kansas Army National Guard, Adjutant General, Topeka, July 24, 1995.

The responsibilities, duties, power and liabilities of the state, county and local emergency preparedness committees must largely be determined by first reviewing any authorizing statutes to ascertain what functions are permissive or required of each entity, and then examining the reasonableness or sufficiency of specific actions or failures resulting from the exercise of those authorities. A local emergency preparedness committee does not qualify as a political subdivision of the state for purposes of directly receiving specific federal grants for emergency preparedness purposes. ## Opinion No. 95-76

Livestock and Domestic Animals—Public Livestock Markets—Definitions; Public Livestock Market; Ratites and Domesticated Deer; License Requirements.

Livestock and Domestic Animals—Animal Dealers-Definitions; Pet Shop; Exotic Animals; License Requirements. George Teagarden, Livestock Commissioner, Kansas Animal Health Department, Topeka, July 24, 1995.

Ratites and domesticated deer, which are statutorily defined as livestock, are implicitly excluded from the class of animals subject to pet shop operator regulations (continued) and consequently are placed within laws regulating livestock. Thus a pet shop operator's license is not required to operate premises where only ratites or domesticated deer are sold at retail. In addition, if these animals are sold for resale to another, i.e., wholesale, the operator is not required to be licensed as a pet shop operator.

If livestock, including ratites or domesticated deer, are sold on behalf of a producer or consigner at premises which fall within the definition of public livestock market, the operator of that market is required to be licensed as a public livestock market operator. If ratites or domesticated deer are sold at premises not falling within the statutory definition of a public livestock market, the person engaging in the business of selling is required to be registered as a livestock dealer.

Any person who operates premises where there are sold, or offered or maintained for sale, at retail and not for resale to another, any vertebrate animal, exotic or otherwise which is not exempted, is required to be licensed as a pet shop operator. Thus, operators of exotic animal consignment auctions are necessarily included within the pet shop operator licensing requirement, as are operators of dog, cat and bird shows at which retail sales of animals

The mere fact that a public livestock market operator is a not-for-profit organization does not create an exemption from the public livestock market operator licensing requirement, livestock dealer registration requirement or pet shop operator license requirement. ## Opinion No. 95-77

Amendments to the Constitution of the United States-Amendment I-Freedom of Speech; City Policy Prohibiting Political Activities in Park. Senator Tim Emert, 15th District, Independence, July 25, 1995.

A city may not prohibit the use of its park for political advocacy activities or prohibit the distribution of handbills, pamphlets, posters or any other literature of a political nature as such restrictions violate the First Amendment to the United States Constitution because the prohibition constitutes a prior restraint on communication without narrow objective and definite standards. Furthermore, the exclusion of all political activity in a city park is a content-based exclusion which requires the city to establish that the exclusion is necessary to serve a compelling governmental interest and is narrowly drawn to achieve that interest. Finally, a city may impose reasonable restrictions on the time, place or manner of protected speech provided the restrictions are justified without reference to their content, are narrowly tailored to serve a significant city interest and leave open ample alternative channels for communication of information. Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on October 1, 2001, and thereafter will be subject to redemption and payment prior to maturity on October 1, 2000, and thereafter in whole on any date or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States certified mail to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 45 days prior to the redemption date. ## **Conditions of Bids**

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of ½ or ½ of 1 percent. No interest rate shall exceed the index of treasury bonds published by *The Bond Buyer* in New York, New York, on the

Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

### **Basis of Award**

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

## Security for the Bonds

The bonds will be general obligations of the city payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

## **Internal Revenue Code of 1986**

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income, with certain other adjustments. Furthermore, Section 59A of the code, as added by the

(continued)

Superfund Amendments and Reauthorization Act of 1986, provides for an environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of taxexempt interest received or accrued on such obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Interest on the bonds may also be excludable from the computation of Kansas adjusted gross income head

**Delivery and Payment** 

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about August 31, 1995, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds.
