## Article 4.—ACCIDENT AND HEALTH INSURANCE

**40-4-17. Accident and health insurance companies; record of loss experience required; form adopted by the national association of insurance commissioners; filing date.** (a) Each insurance company transacting accident and health insurance business in the state of Kansas shall maintain a record of country-wide loss experience for each policy form. The record shall be maintained on a "premium earned" and "losses incurred" basis or, optionally, on a "premium received" and "losses paid" basis.

(b) The insurance company shall maintain loss experience on each policy form currently issued and on any policy form not currently issued from which the renewal premiums represent five percent or more of the total premiums received.

(c) The insurance company shall record loss experience on total group business written. The insurance company need not maintain separation of loss experience on individual group policies.

(d) The insurance company shall report experience on the form adopted by the national association of insurance commissioners, as of 1994, which is hereby adopted by reference, and shall file the form not later than May 1 of each year. (Authorized by K.S.A. 40-103; implementing K.S.A. 40-2215(C)(1); effective Jan. 1, 1966; amended May 1, 1979; amended May 1, 1986; amended Feb. 9, 1996.)

**40-4-37. Long-term care insurance; application; definitions.** (a) These regulations shall apply to individual or group long-term care insurance policies, subscriber contracts, endorsements and riders delivered or issued for delivery in this state by the following:

- (1) Insurance companies;
- (2) fraternal benefit societies;
- (3) nonprofit hospital and medical service corporations; and
- (4) health maintenance organizations.

(b) A policy, rider or endorsement shall not be advertised, described, solicited or issued for delivery in this state as long-term care insurance unless it conforms to the requirements of these regulations.

(c) As used in these regulations, these terms shall have the following meanings:

(1) "Long-term care insurance," "group long-term care insurance," "commissioner," "applicant," "certificate" and "policy" shall have the meanings set forth in K.S.A. 1991 Supp. 40-2227.

(2) "Medicare" means programs established by the "Health Insurance for the Aged Act," Title XVIII of the social security amendments of 1965, as then constituted or later amended.

(3) "Nursing facility" means a home, residence or institution, other than a hospital, which is primarily engaged in providing nursing care and related services on an inpatient basis under a license issued by the appropriate licensing agency. It may be a freestanding facility including the following:

- (A) nursing facility;
- (B) skilled nursing home;
- (C) intermediate nursing care home;
- (D) assisted living facility; or
- (E) residential health care facility.

Any definition of a nursing facility shall adhere to the above definition unless otherwise approved by the commissioner of insurance.

(4) No insurance carrier shall define "mental or nervous disorder" more restrictively than the following:

- (A) neurosis;
- (B) psychoneurosis;
- (C) psychopathy;
- (D) psychosis; or

(E) any mental or emotional disease or disorder. However, no policy, contract or rider shall exclude or limit benefits on the basis of organic brain disease, including alzheimer's disease or senile dementia.

(5) The insurer may define "nurse" so that the description is restricted to a certain type of nurse, whether a registered graduate professional nurse, a licensed practical nurse, or a licensed vocational nurse. If the words "nurse," "trained nurse" or "registered nurse" are used without specific instruction, then the insurer shall recognize the services of any individual who qualified under this terminology in accordance with the applicable statutes or administrative rules of the licensing or registry board of the state.

(6) The insurer may include the words "duly qualified physician" or "duly licensed physician" in its definition of "physician." An insurer using these terms shall recognize and accept, to the extent of its obligation under the contract, all providers of medical care and treatment when these services are within the scope of the provider's licensed authority and are provided pursuant to applicable laws.

(7) "Sickness" includes the following: an illness or disease of an insured person which first manifests itself after the effective date of insurance and while the insurance is in force. A definition of sickness may provide for a waiting period which will not exceed 30 days from the effective date of the coverage of the insured person. The definition may be further modified to exclude illnesses or diseases for which benefits are provided under any workers' compensation, occupational disease, employer's liability or similar law.

(8) "Guaranteed renewable" means the following:

(continued)

(A) The insured may continue the long-term care insurance in force by the timely payment of premiums; and

(B) the insurer shall not unilaterally make any change in any provision of the policy or rider while the insurance is in force and shall not decline to renew the policy. However, the insurer may revise the rates on a class basis.

(9) "Noncancellable" means the insured may continue the long-term care insurance in force by timely paying premiums during which period the insurer shall not unilaterally make any change in any provision of the insurance or in the premium rate.

(10) "Lapse" means termination of a policy due to the policyholder's failure to pay the premium within the time required.

(d) K.A.R. 40-4-37a, 40-4-37f and 40-4-37i shall not apply to group long-term care insurance policies issued to an employer-employee group. (Authorized by K.S.A. 40-103, K.S.A. 40-2228; implementing K.S.A. 40-2228; effective, T-89-9, March 18, 1988; effective Sept. 12, 1988; amended Jan. 6, 1992; amended Jan. 4, 1993; amended Feb. 9, 1996.)

**40-4-37d. Long-term care insurance; benefits; medical condition; activities of daily living; definitions; requirements.** (a) A long-term care policy may require a recommendation by a physician that the services are necessary due to illness, injury, or functional impairment but shall not condition benefits on medical necessity.

(b)(1) In addition to or in lieu of a recommendation by a physician as described in section (a) of this regulation, group long-term care insurance policies covering employees, dependents and retirees of a single employer may include provisions which condition the payment of benefits on an assessment of the insured's ability to perform activities of daily living or cognitive impairment.

(2) As used in this section, activities of daily living consist of the following defined activities and performance criteria:

(A) "Bathing" means the ability to get into and out of the tub or shower, turn on the water, get the soap or other cleansing product, and bathe the entire body including back and feet. A person is dependent if the person cannot bathe in a bathtub or shower without the assistance of another person or is able to participate only minimally, such as washing face and hands only.

(B) "Dressing" means the ability to get clothes from closets or drawers and put them on or take them off, including undergarments and outer-garments, as well as fasteners and braces, if worn. Dressing includes the ability to fasten one's shoes. A person is dependent if the person can dress only with the assistance of another person or is able to participate only minimally, such as putting on outer-garments only.

(C) "Eating" means the ability to bring food to the mouth or hold a glass to the mouth, and chew and swallow food. A person is dependent if the person is fed by hand, is being fed intravenously or through a feeding tube, is unable to bring food to the mouth or is unable to chew and swallow the food.

(D) "Maintaining continence" means the ability to maintain control of urination or bowel movement. A person is dependent if the person loses bladder control three

times per week or more, loses bowel control two times per week or more, or needs assistance in maintaining a catheter or colostomy bag.

(E) "Toileting" means the ability to get to and from the toilet, onto and off the toilet, clean oneself after elimination, and adjust clothes after toileting. A person is dependent if the person needs help with one or more of these tasks, maintaining balance, or caring for a catheter or colostomy bag.

(F) "Transferring from bed to chair" means the ability to get into or out of bed or a chair. A person is dependent if the person is unable to get into or out of bed or a chair without human assistance.

(G) "Mobility" means the ability to walk or move from one place to another. A person is dependent if the person requires assistance or supervision from another person to safely walk or if the person needs to be wheeled from one place to another.

(3) "Cognitive impairment" means a deficiency in the ability to think, perceive, reason, remember or otherwise routinely display an ability to take care of oneself without the ongoing assistance of or supervision by another person.

(4) Any determination of impairment shall not be more restrictive than requiring either a deficiency in the ability to perform three of the activities of daily living or the presence of cognitive impairment.

(5) Only properly credentialed, experienced, trained professionals, such as physicians, registered nurses or licensed specialist social workers shall perform assessments of activities of daily living and cognitive impairment.

(6) Group long-term care insurance policies which condition the payment of benefits on an assessment of the insured's ability to perform activities of daily living or cognitive impairment shall include a clear and understandable description of the method for resolving insured grievances. (Authorized by K.S.A. 40-103, 40-2228; implementing K.S.A. 40-2228; effective, T-40-9-25-92, Sept. 25, 1992; effective Feb. 8, 1993; amended Feb. 9, 1996.)

Project: 58 K-6064-01

The scope of work is to perform a feasibility study for grade separations for both US-36 and US-77 with the Union Pacific Railroad in Marysville. This feasibility study will investigate alternatives to accomplish the following objectives:

1. maintain the viability of the downtown Marysville business and commercial infrastructure;
2. provide grade separation for both NHS routes (US-36 and US-77) through Marysville;
3. increase flood protection for Marysville to the extent that benefits are greater than costs;
4. provide for more efficient Union Pacific Railroad operations through Marysville based on future rail traffic projections;
5. include a modern crew change facility for Union Pacific Railroad operations;
6. address Marysville infrastructure investments as planned in their comprehensive plan; and
7. enhance traffic, pedestrian and emergency vehicle safety.

This study will include engineering cost estimates for the construction of each alternative along with estimates of benefits in terms of travel, safety and operational costs.

For a more detailed description of project scope, contact Neil Rusch at (913) 296-2270.

From firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified (not less than three, not more than five) and invite them to attend a pre-proposal conference. Firms not selected will be notified by letter.

It is the policy of KDOT to use the following criteria as the basis for selection of consulting engineering firms:

1. Size and professional qualification.

Department of Commerce and Housing  
Sedgwick County, Kansas

Notice of 1996 Mortgage Credit Certificate Program

Sedgwick County, Kansas, in cooperation with the Kansas Department of Commerce and Housing and other political subdivisions of the state of Kansas, announces the 1996 Kansas Mortgage Credit Certificate Program. Section 25 of the Internal Revenue Code of 1986, as amended, authorizes issuers of qualified mortgage bonds, such as Sedgwick County, to elect to issue Mortgage Credit Certificates (MCCs) in lieu of qualified mortgage bonds. MCC's entitle qualifying individuals to a credit against the individual's federal income tax. The amount of the credit is determined by multiplying the certificate credit rate by the amount of interest paid or accrued during each taxpayer's taxable year on the mortgage loan for the taxpayer's "Principal Residence." In order for an individual to claim the credit provided by Section 25(a), the MCC must be a "qualified mortgage credit certificate" issued pursuant to a "qualified mortgage credit certificate." The following criteria/requirements must be met:

Principal Residence Requirement

The homebuyer(s) must use the residence as his or her Principal Residence within a reasonable time [sixty (60) days] after the MCC is issued. The MCC holder must notify the issuer of the MCC if the residence ceases to be his or her Principal Residence.

New Mortgage Requirement

An MCC cannot be issued in conjunction with the acquisition, replacement or refinancing of an existing mortgage. However, a certificate can be used in conjunction with the replacement of construction period loans, bridge loans, or other temporary initial financing with a term of twenty-four (24) months or less.

Three-Year No Prior Homeownership Requirement

The homebuyer(s) cannot have had any present ownership interest in a Principal Residence at any time during the preceding three years ending on the date the MCC is issued. This three-year, first time homebuyer requirement does not have to be met if the residence for which a mortgage loan application is being made is located in a federally designated targeted area. A targeted area is a particular area in the state determined or approved by the federal government that will receive special consideration to provide an added stimulus to housing in that area.

Purchase Price Requirements

There are maximum allowable purchase prices for residences assisted by MCCs which vary based upon location, whether the residence being purchased is new or

existing and whether the home is in a targeted area. The maximum purchase prices at this time are:

	NEW HOMES		EXISTING HOMES	
	Non-Target	Target	Non-Target	Target
Wichita MSA (Sedgwick, Butler and Harvey)	\$101,620	\$124,210	\$85,700	\$104,750
Kansas City MSA (Leavenworth, Wyandotte, Johnson and Miami)	126,020	154,030	92,070	112,530
Lawrence MSA (Douglas)	118,010	144,240	78,570	96,030
Topeka MSA (Shawnee)	118,010	144,240	84,700	105,530
All Other Areas	118,010	144,240	62,910	76,890

All purchase price limits are subject to change in accordance with federal guidelines.

**Homebuyer Income Limits**

The homebuyer must have family income at or below the income limit for the area in which the residence being purchased is located, considering family size and whether the home is located in a targeted area. The maximum homebuyer income limits at this time are:

	NON-TARGETED AREAS		TARGETED AREAS	
	1-2 persons	3+ persons	1-2 persons	3+ persons
Kansas City MSA (Leavenworth, Wyandotte, Johnson and Miami)	\$44,600	\$51,290	\$53,520	\$62,440
Topeka MSA (Shawnee)	42,800	49,220	51,360	59,920

Wichita MSA (Sedgwick, Butler and Harvey)	42,400	48,760	50,880	59,360
Lawrence MSA (Douglas)	41,500	47,725	49,800	58,100
All Other Areas	38,600	44,390	46,320	54,040

Persons or families with family incomes not in excess of 75% of the above income limits will receive a higher certificate credit rate. All income limits are subject to change in accordance with federal guidelines.

**Methods by Which Certificates Are Issued**

Prior to the mortgage loan closing, an application and supporting affidavits and documents must be submitted to Ranson Housing Compliance, L.L.C., as compliance agent for Sedgwick County. The compliance agent will review these documents and either reject or accept the application. At the mortgage loan closing a Closing Affidavit is prepared and sent with supporting documents to the compliance agent and if all documents are accepted a Mortgage Credit Certificate is issued by Sedgwick County which will allow homebuyers to claim the credit.

Sedgwick County will begin accepting applications for MCCs after March 1, 1996. In order to comply with federal requirements, Mortgage Credit Certificates may not be issued prior to the date which is at least 90 days after the date of publication of this notice.
