**Kansas Commission on Governmental
Standards and Conduct**

Advisory Opinion No. 97-17

Written May 6, 1997, to the Honorable David Haley, Kansas State Representative, 34th District, Kansas City.

This opinion is in response to your letter of May 3, 1997, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the Kansas Campaign Finance Act (K.S.A. 25-4142 *et seq.*). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 25-4142 *et seq.*, and whether some other statutory system, common law theory or agency rule and regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand you request this opinion in your capacity as an incumbent state legislator. You advise us that you may want to run for an elected position in Wyandotte County. You further advise us that you would want to use your existing legislative campaign funds for this election.

Question

Is it permissible under the Kansas Campaign Finance Act (K.S.A. 25-4142 *et seq.*) for a state legislator to use his

or her own legislative campaign funds to run for a county office?

Opinion

Nothing in the Kansas Campaign Finance Act prohibits a state legislator from using his or her own legislative campaign funds to run for a county office. Therefore, it would be permissible for you to use your existing campaign funds to run for office in Wyandotte County. It would be necessary for you to file a receipts and expenditures report that shows the excess campaign funds being transferred to the new campaign. This will be a "paper transaction," and it will not be necessary for you to physically close the previous campaign bank account and open a new campaign bank account.

In closing, we note that in KCGSC Opinion No. 97-16, the commission opined that individuals running for Wyandotte County Unified Government positions must comply with the provisions of the Kansas Campaign Finance Act.

**Department of Health
and Environment****Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 9 a.m. Tuesday, July 15, in Conference Room 1051, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed amendments to existing regulations of services for children with special health care needs. These amended regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows.

**Services for Children with Special
Health Care Needs**

K.A.R. 28-4-400, 28-4-401, 28-4-403, 28-4-404, 28-4-405, 28-4-405a, 28-4-405b, 28-4-406, 28-4-407 and 28-4-408 are being revised to present consistent format throughout the regulations and to clarify the responsibility of the individual and family making application for services from Services for Children with Special Health Care Needs (SHS). The regulations also are revised to clarify the type of services available through the SHS program, modify existing language, add new categories to reflect the current environment of health care and professions involved in the care of children with special health care needs, and remove self instructing and duplicate language.

K.A.R. 28-4-403: Removes actual dollar amounts used in calculation of financial eligibility and inserts reference to an annually prepared federal document, thus allowing financial eligibility criteria to be more current. The change in regulation 28-4-403 will allow the program to calculate on an annual basis income at 185 percent of federal poverty guidelines. This may fluctuate based on the federal guidelines in any given year. In fiscal year 1998, the department anticipates 142 additional children. Based on SHS data, approximately 50 of the children will have a third party payer and payment for services will not be the responsibility of SHS. In FY 95, the last year for which information is available, the average cost per child was \$927. Based on this data, the estimated cost of SHS will be \$65,817.

**Hemophilia Program, Services for Children
with Special Health Care Needs**

K.A.R. 28-4-410, 28-4-411, 28-4-413, 28-4-414, 28-4-415 and 28-4-416 are being revised to present consistent format throughout the regulations and to clarify the responsibility of the individual and family making application for services from Services for Children with Special Health Care Needs (SHS); clarify the type of services available through the SHS program; modify existing language; add new categories to reflect the current environment of health care and professions involved in the care of children with special health care needs; and remove self instructing and duplicate language.

K.A.R. 28-4-413: Removes actual dollar amounts used in calculation of financial eligibility and inserts reference to an annually prepared federal document, thus allowing financial eligibility criteria to be more current. The change in regulation 28-4-413 will allow the program to calculate income on an annual basis at 185 percent of federal poverty guidelines. This may fluctuate based on the federal guidelines in any given year. There are approximately 25 active cases of individuals with hemophilia. SHS data indicate that approximately 50 percent of SHS-eligible individuals do not have other third party payment sources. In FY 95, the average cost per eligible individual was \$927. Based on this information, an increase of approximately \$2,000 would be expected.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed regulatory action. All interested parties may submit written comments prior to the hearing to Cassie Lauver, Bureau for Children, Youth and Families, Room 1005, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1290. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulatory action during the hearings. In order to give all parties an opportunity to present their views, it may be necessary to require each participant to limit oral presentation to five minutes.

Copies of the proposed amendments and the economic impact and environmental benefit statements may be obtained from the Kansas Department of Health and Environment, Bureau for Children, Youth and Families, (913) 296-1313. Questions pertaining to these proposed amendments should be directed to Cassie Lauver, (913) 296-1310.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed amendments and the economic impact and environmental benefit statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Joyce Roney, (913) 296-1313.

Department of Transportation

Request for Proposals

The Kansas Department of Transportation is seeking to use its right-of-way for the building of a fiber optic infrastructure, providing KDOT with means for meeting current and future Intelligent Transportation System (ITS) needs. The goal of the project is to obtain a fiber optic infrastructure that can be used to support the various aspects of ITS deployments within the state.

KDOT is offering access controlled right-of-way to interested companies with the intention of allowing these companies to install and operate fiber optic networks along the right-of-way in exchange for dedicated channel capacity, fiber optic services and infrastructure components to support ITS deployment.

A copy of KDOT's Fiber Optic Infrastructure System proposal will be available May 22 and may be requested via mail, fax or phone to the KDOT Bureau of Construction and Maintenance, 8th Floor, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612-1568, (913) 296-3576, fax (913) 296-6944. Please refer to the Fiber Optic Proposal when making your request. Bids are due July 17.

For further information contact Mick Halter, KDOT Kansas City Metro Engineer, at (913) 677-5963, or Matthew Volz, KDOT ITS Coordinator, at (913) 296-6356.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding issuance of authorizations to operate under the general Class I air quality operating permit for natural gas compressor stations. Authorizations to operate under the general Class I operating permit have been issued in accordance with the provisions of K.A.R. 28-19-400 et seq.

A copy of each permit application, authorization and all supporting documentation is available for public review during normal business hours at the KDHE, Bureau of Air and Radiation, Building 283, Forbes Field, Topeka. Information also is available at the KDHE district office indicated for each facility. To obtain or review the permit, authorization and supporting documentation, contact Connie Carreno, (913) 296-6422, at the KDHE central office, or the indicated district representative. The standard department cost will be assessed for any copies requested.

Direct written comments or questions regarding an authorization to Connie Carreno, Bureau of Air and Radiation, KDHE, Building 283, Forbes Field, Topeka, 66620.

A list of all major sources within the state which are authorized to operate under the terms of the general Class I operating permit will be maintained at the KDHE Topeka offices.

Authorizations issued during the week of March 17, 1997:

Facility Description: The proposed action is to re-issue an existing permit for operation of an existing wastewater treatment facility. The facility produces salt products by solution mining and the vacuum evaporation process. Groundwater from a new KDHE chloride remediation project (beginning in 1996, to contain a high chloride groundwater plume upgradient of the permittee's property), groundwater from permittee's chloride remediation well (plant interceptor well) and groundwater from the Hollinger #1 and #2 water supply wells are used for process operations. Salt evaporator condensate and noncontact cooling water are discharged to Owl Creek via Outfall 001. Chloride contaminated water from the groundwater remediation project and process operations is discharged to the Class I Disposal Well #1. Groundwater from permittee's chloride remediation well (Interceptor Well I) location near Saxman, Kansas, discharges to Outfall 002. Groundwater from the East Water Well and the Brine Field Interceptor Well is discharged to a new outfall designated as Outfall 003. This outfall is being added to accommodate the KDHE chloride groundwater remediation project to protect the City of Lyons' public water supply wells. Average flows are: (001) = 350 gpm, (002) = 380 gpm, and (003) = 200 gpm. The effluent limitations are pursuant to Kansas surface water quality standards, K.A.R. 28-16-28(b-f), and federal surface water criteria, and are water quality based.

Mercury Wireline, Inc. P.O. Box 680 Hays, KS 67601	SW¼, S3, T14S, R18W, Ellis County	Nonoverflowing
Kansas Permit No. I-SH16-NP03		

Location: 1023 Military Reservation Road, Hays, Kansas
Facility Description: The proposed action is to re-issue an existing permit for operation of an existing nonoverflowing lagoon. This facility is a well service company engaged in oil field logging. The wash water from the logging truck wash facility is directed to a non-overflowing earthen lagoon. Domestic waste is treated by a septic tank and lateral field. KDHE has determined the earthen lagoon is not adequate to protect groundwater, therefore an alternative system, approved by KDHE, will be in place within two years.

Public Notice No. KS-EG-97-010

In accordance with K.A.R. 28-46-7 and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, draft permits have been prepared for the use of the wells described below within the State of Kansas.

Written comments on the draft permits must be submitted to the attention of Lisa Duncan for agricultural permits or to the permit clerk for all other permits, Kansas Department of Health and Environment, Division of Environment, Bureau of Water, J Street and 2 North, Forbes Field, Building 283, Topeka, 66620.

All comments postmarked or received on or before June 14 will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate public notice number (KS-AG-97-112/115, KS-97-071/083, KS-ND-97-032/033, KS-EG-97-010) and the name of applicant as listed when preparing comments.

If no objections are received during the public notice period, the Secretary of Health and Environment will issue the final determination. If response to this notice indicates significant public interest, a public hearing may be held in conformance with state regulation 28-16-61 (28-46-21 for UIC). Media coordination for publication and/or announcement of the public notice or public hearing is handled by the Kansas Department of Health and Environment.

The applications, proposed permits, including proposed effluent limitations and special conditions, fact sheets as appropriate, comments received, and other information are on file and may be inspected at the Kansas Department of Health and Environment offices, Building 283, Forbes Field, Topeka, from 8 a.m. to 5 p.m. Monday through Friday.

The documents are available upon request at the copying cost assessed by KDHE. Additional copies of this public notice also may be obtained at the Division of Environment.

Counties and County Officers—County Attorney—Fees, When; Diversion Fees.

Criminal Procedure; Kansas Code of Criminal Procedure—Procedure After Arrest—Provisions of Diversion Agreement; Disposition of Diversion Fees.

Fees and Salaries—Fees in All Counties and Salaries in Certain Counties—Disposition of Fees and Compensation Not Authorized to be Retained by Officers and Employees; Diversion Fees. John E. Lang, Pottawatomie County Counselor, Westmoreland, April 14, 1997.

A county attorney has prosecutorial discretion to offer a pay and dismiss policy for persons charged with speeding violations. Such policies are diversions and, as such, must comply with the statutory diversion requirements set forth in K.S.A. 22-2906 *et seq.* The fee received by a county attorney pursuant to a pay and dismiss policy should be paid to the county treasurer as directed by K.S.A. 28-175, credited to the general fund, and handled according to budgetary procedures applicable to all moneys deposited in the county general fund. Cities and Municipalities—Libraries—City, County and Township Libraries; Library Fund Established. Duane Johnson, State Librarian, Topeka, April 14, 1997.

K.S.A. 12-1220 requires that the tax levied pursuant to that statute for the maintenance of a library be kept in a separate fund, to be known as the library fund of the municipality levying the tax. The levying municipality may not commingle moneys in the library fund with moneys in the general fund of the municipality. State Boards, Commissions and Authorities—Kansas Guardianship Program—Application of Tort Claims Act to Volunteers.

State Departments; Public Officers and Employees—Kansas Tort Claims Act—Definitions. Senator Tim Emert, 15th District, Independence, April 14, 1997.

Volunteers for the Kansas Guardianship Program are not state employees for purposes of the Kansas Tort Claims Act. Moreover, the immunity provided by K.S.A. 60-3601 is not available to such volunteers. Schools—School District Finance and Quality Performance—Definitions; "At-Risk Pupils." Ken W. Strobel,

Legal Counsel for Unified School District No. 443, Dodge City, April 21, 1997.

The term "at-risk pupils," as used in the School District Finance and Quality Performance Act, includes kindergarten pupils whose family income falls within the income guidelines qualifying the pupils for free lunches under the National School Lunch Program and for whom the unified school district maintains an approved at-risk pupil assistance program. It is not required that the kindergarten pupils be afforded the opportunity to participate in a school lunch program in order to be included within the term "at-risk pupils." Schools—Suspension and Expulsion of Pupils—Grounds for Suspension or Expulsion; Who May Suspend or Expel. John S. Robb, Legal Counsel, Unified School District No. 373, Newton, April 22, 1997.

The authority of a unified school district to suspend or expel a child pursuant to K.S.A. 72-8901 *et seq.* does not extend to cases involving truancy. A unified school district may adopt rules regarding attendance of pupils at school, provided such rules are consistent with state statutes and regulations. A unified school district may adopt an attendance policy under which academic penalties may be imposed for noncompliance. The academic penalties imposed under the policy must be reasonably related to the disciplinary objective sought to be obtained by the school district. Opinion No. 97-39

Mentally Ill, Incapacitated and Dependent Persons; Social Welfare—Enforcement of Child Support Orders; 1997 Senate Bill No. 140.

Constitution of the State of Kansas—Bill of Rights—Equal Rights; Search and Seizure; Forfeiture of Estate. Rochelle Chronister, Secretary, Kansas Department of Social and Rehabilitation Services, Topeka, April 22, 1997.

1997 Senate Bill No. 140, Sections 4 and 73 (access to records held by third parties) and Section 6 (social security numbers required on certain license applications) do not violate Section 15 of the Kansas Bill of Rights. Sections 8 through 24 (administrative procedures) allow the Secretary of the Kansas Department of Social and Rehabilitation Services (SRS) to obtain access to information, subpoena records, order genetic tests and enforce support duties by income withholding and administrative levy. There may be Section 15 issues regarding the manner employed by SRS in conducting investigations and gathering evidence, but the resolution of those issues will be factual in nature. Consequently, we decline to opine whether Sections 8 through 24 violate Section 15 of the Kansas Bill of Rights.

(continued)

Section 34 (liens on personal property) creates a pre-existing right to certain personal property of a parent who is in arrears on a child support obligation, and the due process procedural protections that are afforded to such parent comport with the Fourteenth Amendment to the United States Constitution. Unlike the procedural protections afforded by Section 34, Section 76 (liens on real property) contains no provisions for notice and an opportunity to contest the lien. Consequently, to the extent adequate due process proceedings are not available in the state of origin, that portion of Section 76 which allows a lien from another state to become a lien on real property in this state violates the Fourteenth Amendment.

Sections 4 and 73 (access to records held by third parties) do not violate a right of privacy because the information at issue here serves a legitimate state interest in locating parents who owe child support and the assets. Such information is regarded as confidential, and a person who discloses the information to unauthorized individuals is subject to criminal penalties. Moreover, Section 6 (social security numbers required on certain license applications) does not violate a right of privacy because disclosure is required by federal law.

Whether a right of privacy is violated by Sections 8 through 24 (administrative procedures) will depend upon whether there is a violation of one of the provisions of the United States Constitution which forms the basis for a right of privacy. Liens on personal and real property do not generally raise issues concerning privacy rights and are better analyzed under the Fourteenth Amendment.

Sections 8 through 24 (administrative procedures) do not violate the separation of powers doctrine nor does Section 10(e) [Secretary of Department of Social and Rehabilitation Services (SRS) authorized to designate SRS employees and independent contractors to exercise the powers of the secretary in certain cases] violate Article 2, Section 1 of the Kansas Constitution, which prohibits delegation of legislative authority to private individuals.

Finally, Section 12 of the Kansas Bill of Rights, which prohibits forfeiture of estate upon conviction, does not appear to be implicated in 1997 Senate Bill No. 140. Waters and Watercourses—Navigable Waters—Acquisition by State of New Channel where Stream Altered. Al LeDoux, Director, Kansas Water Office, Topeka, May 6, 1997.

The state's ownership interest in the bed and banks of a navigable river changes as the river gradually moves over time, and thus the state's ownership interest is not fixed. Although many agencies have authority to regulate certain activities that take place within the bed and banks of navigable rivers, there is no entity with authority to exercise any ownership interest, such as providing an easement, other than the State of Kansas, which exercises ownership interests through legislative action. Taxation—Judicial Foreclosure and Sale of Real Estate by County—Persons Not Eligible to Purchase Real Es-

tate at Tax Sale; Agents. Senator Anthony Hensley, 19th District, Topeka, May 6, 1997.

Except as otherwise provided in K.S.A. 1996 Supp. 79-2804g, K.S.A. 1996 Supp. 79-2812 prohibits any person who is the record owner of real estate upon which there are delinquent ad valorem taxes or delinquent special assessments from "purchasing" real estate at any delinquent tax sale. Whether an individual's actions constitute a "purchase" may turn on the facts, but generally one who acts as agent for another at a tax sale is not considered the purchaser of the property and thus would not be subject to the prohibition of K.S.A. 1996 Supp. 79-2812. Sales made in violation of this provision may be nonconfirmed by the court presiding over the foreclosure proceedings, or set aside pursuant to the procedures established in K.S.A. 79-2804b. (Published in the Kansas Register May 15, 1997.)

SENATE BILL No. 337

AN ACT concerning the enterprise zone law; amending K.S.A. 1996 Supp. 74-50,114 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 1996 Supp. 74-50,114 is hereby amended to read as follows: 74-50,114. As used in K.S.A. 74-50,113 through 74-50,117 and amendments thereto:

(a) "Ancillary support" means a facility which is operated by a business and whose function is to provide services in support of the business, but is not directly engaged in the business' primary function.

(b) "Business" means any manufacturing business or nonmanufacturing business.

(c) "Business headquarters" means a facility where principal officers of the business are housed and from which direction, management or administrative support for transactions is provided for a business or division of a business or regional division of a business.

(d) "Full-time employee" means a person who is required to file a Kansas income tax return and who is employed by a business or retail business to perform duties in connection with the operation of the business or retail business on:

- (1) A regular, full-time basis;
- (2) a part-time basis, provided such person is customarily performing such duties at least 20 hours per week throughout the taxable year; or
- (3) a seasonal basis, provided such person performs such duties for substantially all of the season customary for the position in which such person is employed. The number of full-time employees during any taxable year shall be determined by dividing by 12 the sum of the number of full-time employees on the last business day of each month of such

(continued)

taxable year. If the business or retail business is in operation for less than the entire taxable year, the number of full-time employees shall be determined by dividing the sum of the number of full-time employees on the last business day of each full calendar month during the portion of such taxable year during which the business was in operation by the number of full calendar months during such period.

(e) "Manufacturing business" means all commercial enterprises identified under the manufacturing standard industrial classification codes, major groups 20 through 39.

(f) "Metropolitan county" means the county of Douglas, Johnson, Leavenworth, Sedgwick, Shawnee or Wyandotte.

(g) "Nonmanufacturing business" means any commercial enterprise other than a manufacturing business or a retail business. Nonmanufacturing business shall also include the business headquarters of an enterprise, ancillary support of an enterprise, and an enterprise designated under standard industrial classification codes 5961, 7948-0201 or 7372 regardless of the firm's classification as a retail business if that facility for which the sales tax exemption certificate is issued facilitates the creation of at least 20 new full-time positions. *In addition, with respect to enterprises in standard industrial classification code 7948-0201, such enterprises must operate an auto racetrack in the state involving capital improvements costing not less than \$100,000,000.*

Any ancillary support business which would otherwise be eligible for a sales tax exemption or an income or privilege tax credit pursuant to this subsection shall incorporate in its tax filing for the exemption or credit a statement from the secretary of commerce and housing which includes a finding by the secretary that the job expansion incident to the exemption or credit claimed would not have occurred in the absence of the credit or exemption.

(h) "Nonmetropolitan region" means a region established under K.S.A. 74-50,116 and amendments thereto and is comprised of any county or counties which are not metropolitan counties.

(i) "Retail business" means: (1) Any commercial enterprise primarily engaged in the sale at retail of goods or services taxable under the Kansas retailers' sales tax act; (2) any service provider set forth in K.S.A. 17-2707, and amendments thereto; (3) any bank, savings and loan or other lending institution; (4) any commercial enterprise whose primary business activity includes the sale of insurance; and (5) any commercial enterprise deriving its revenues directly from noncommercial customers in exchange for personal services such as, but not limited to, barber shops, beauty shops, photographic studios and funeral services.

(j) "Secretary" means the secretary of the Kansas department of commerce and housing.

(k) "Standard industrial classification code" means a standard industrial classification code published in the Standard Industrial Classification manual, 1987, as prepared by the statistical policy division of the office of management and budget of the office of the president of the United States of America.

Sec. 2. K.S.A. 1996 Supp. 74-50,114 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.

SENATE BILL No. 325

AN ACT concerning tourism activity; expanding the availability of tax increment financing in support thereof; amending K.S.A. 1996 Supp. 12-1771 and 12-1774 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 1996 Supp. 12-1771 is hereby amended to read as follows: 12-1771. (a) No city shall exercise any of the powers conferred by K.S.A. 12-1770 *et seq.*, and amendments thereto, unless the governing body of such city has adopted a resolution finding that the specific project area sought to be redeveloped is a blighted area, a conservation area, a major tourism area as defined in K.S.A. 12-1774 and amendments thereto or was designated prior to July 1, 1992, as an enterprise zone pursuant to K.S.A. 12-17,110 prior to its repeal, and the conservation, development or redevelopment of such area is necessary to promote the general and economic welfare of such city. Enterprise zones designated prior to July 1, 1992, may be enlarged by the city to an area not exceeding 25% of the city's land area upon a finding by the secretary of the department of commerce and housing that a redevelopment project proposed by the city

which requires the enlargement is of statewide importance and that it will meet the criteria specified in K.S.A. 12-1774 (a)(1)(D), and amendments thereto. For the purpose of this subsection, the term "blighted area" means an area which: (1) Because of the presence of a majority of the following factors, substantially impairs or arrests the sound development and growth of the municipality or constitutes an economic or social liability or is a menace to the public health, safety, morals or welfare in its present condition and use: (A) A substantial number of deteriorated or deteriorating structures; (B) predominance of defective or inadequate street layout; (C) unsanitary or unsafe conditions; (D) deterioration of site improvements; (E) diversity of ownership; (F) tax or special assessment delinquency exceeding the fair value of the land; (G) defective or unusual conditions of title; (H) improper subdivision or obsolete platting or land uses; (I) the existence of conditions which endanger life or property by fire and other causes; or (J) conditions which create economic obsolescence; or (2) has been identified by any state or federal environmental agency as being environmentally contaminated to an extent that requires a remedial investigation, feasibility study and remediation or other similar state or federal action; or (3) previously was found by resolution of the governing body to be a slum or a blighted area under K.S.A. 17-4742 *et seq.*, and amendments thereto.

For the purpose of this subsection, conservation area means any improved area within the corporate limits of a city in which 50% or more of the structures in the area have an age of 35 years or more, which area is not yet blighted, but may become a blighted area due to the existence of a combination of two or more of the following factors: (i) Dilapidation, obsolescence or deterioration of the structures; (ii) illegal use of individual structures; (iii) the presence of structures below minimum code standards; (iv) building abandonment; (v) excessive vacancies; (vi) overcrowding of structures and community facilities; or (vii) inadequate utilities and infrastructure. Not more than 15% of the land area of a city may be found to be a conservation area.

(b) The powers conferred upon cities under the provisions of K.S.A. 12-1770 *et seq.*, and amendments thereto, shall be exercised by cities, as determined by resolution adopted pursuant to K.S.A. 12-1772, and amendments thereto, (1) in enterprise zones designated prior to July 1, 1992, including any area added to such enterprise zone after July 1, 1992, pursuant to subsection (a), (2) in blighted areas of cities and counties described by subsection (a)(2), (3) in conservation areas of cities, (4) in major tourism areas as defined in K.S.A. 12-1774 and amendments thereto or (4) (5) in blighted areas of cities, as determined by resolution adopted pursuant to K.S.A. 17-4742 *et seq.*, and amendments thereto.

(c) Within that portion of the city described in subsection (b), the governing body of a city may establish a district to be known as a "redevelopment district". Within that portion of a city and county described in subsection (b) excluding paragraph (3) of subsection (b), the governing body of the city, upon written consent of the board of county commissioners, may establish a district inclusive of land outside the boundaries of the city to be known as a redevelopment district. In all such cases, the board of county commissioners, prior to providing written consent, shall be subject to the same procedure for public notice and hearing as is required of a city pursuant to subsection (d) for the establishment of a redevelopment district. One or more redevelopment projects may be undertaken by a city within a redevelopment district after such redevelopment district has been established in the manner provided by subsection (d).

(d) Any city proposing to establish a redevelopment district shall adopt a resolution stating that the city is considering the establishment of a redevelopment district. Such resolution shall:

(1) Give notice that a public hearing will be held to consider the establishment of a redevelopment district and fix the date, hour and place of such public hearing;

(2) describe the proposed boundaries of the redevelopment district;

(3) describe a proposed comprehensive plan that identifies all of the proposed redevelopment project areas and that identifies in a general manner all of the buildings and facilities that are proposed to be constructed or improved in each redevelopment project area;

(4) state that a description and map of the proposed redevelopment district are available for inspection at a time and place designated;

(5) state that the governing body will consider findings necessary for the establishment of a redevelopment district.

Notice shall be given as provided in subsection (c) of K.S.A. 12-1772, and amendments thereto.

(e) Upon the conclusion of the public hearing, the governing body

may adopt a resolution to make any findings required by subsection (a) and may establish the redevelopment district by ordinance. Such resolution shall contain a comprehensive plan that identifies all of the proposed redevelopment project areas and identifies in a general manner all of the buildings and facilities that are proposed to be constructed or improved in each redevelopment project area. The boundaries of such district shall not include any area not designated in the notice required by subsection (d). Any addition of area to the redevelopment district or any substantial change to the comprehensive plan shall be subject to the same procedure for public notice and hearing as is required for the establishment of the district.

(f) No privately owned property subject to ad valorem taxes shall be acquired and redeveloped under the provisions of K.S.A. 12-1770 *et seq.*, and amendments thereto, if the board of county commissioners or the board of education levying taxes on such property determines by resolution adopted within 30 days following the conclusion of the hearing for the establishment of the redevelopment district required by subsection (d) that the proposed redevelopment district will have an adverse effect on such county or school district.

(g) Any redevelopment plan undertaken within the redevelopment district may be in separate development stages. Each plan shall be adopted according to the provisions of K.S.A. 12-1772, and amendments thereto, and shall fix a date for completion. Except as provided herein, any project shall be completed within 20 years from the date of the establishment of the redevelopment district. Projects relating to environmental investigation and remediation under subsection (i) shall be completed within 20 years from the date a city enters into a consent decree agreement with the Kansas department of health and environment or the United States environmental protection agency.

(h) Any increment in ad valorem property taxes resulting from a redevelopment district undertaken in accordance with the provisions of this act, shall be apportioned to a special fund for the payment of the cost of the redevelopment project, including the payment of principal and interest on any special obligation bonds or full faith and credit tax increment bonds issued to finance such project pursuant to this act and may be pledged to the payment of principal and interest on such bonds. The maximum maturity on bonds issued to finance projects pursuant to this act shall not exceed 20 years. For the purposes of this act, "increment" means that amount of ad valorem taxes collected from real property located within the redevelopment district that is in excess of the amount which is produced from such property and attributable to the assessed valuation of such property prior to the date the redevelopment district was established, as determined under the provisions of K.S.A. 12-1775, and amendments thereto.

(i) The governing body of a city, in contracts entered into with the Kansas department of health and environment or the United States environmental protection agency, may pledge increments receivable in future years to pay costs directly relating to the investigation and remediation of environmentally contaminated areas. The provisions in such contracts pertaining to pledging increments in future years shall not be subject to K.S.A. 10-1101 *et seq.* or 79-2925 *et seq.*, and amendments thereto.

(j) Before any redevelopment project is undertaken, a comprehensive feasibility study, which shows the benefits derived from such project will exceed the costs and that the income therefrom will be sufficient to pay for the project shall be prepared. Such feasibility study shall be an open public record.

Sec. 2. K.S.A. 1996 Supp. 12-1774 is hereby amended to read as follows: 12-1774. (a) (1) Any city shall have the power to issue special obligation bonds to finance the undertaking of any redevelopment project in accordance with the provisions of this act. Such special obligation bonds shall be made payable, both as to principal and interest:

(A) From property tax increments allocated to, and paid into a special fund of the city under the provisions of K.S.A. 12-1775, and amendments thereto;

(B) from revenues of the city derived from or held in connection with the undertaking and carrying out of any redevelopment project or projects under this act;

(C) from any private sources, contributions or other financial assistance from the state or federal government;

(D) from a pledge of a portion or all of the revenue received by the city from transient guest, sales and use taxes collected pursuant to K.S.A. 12-1696 *et seq.*, 79-3601 *et seq.*, 79-3701 *et seq.* and 12-187 *et seq.*, and amendments thereto, and which are collected from taxpayers doing busi-

ness within that portion of the city's redevelopment district established pursuant to K.S.A. 12-1771, and amendments thereto, occupied by a redevelopment project if there first is a finding by the secretary of commerce and housing that the redevelopment project is of statewide as well as local importance or will create a major tourism area for the state. In making such a finding that a redevelopment project is of statewide as well as local importance, the secretary must conclude at least: (i) That capital improvements costing not less than \$300,000,000 will be built in the state for such redevelopment project; and (ii) not less than 1,500 permanent and seasonal employment positions as defined by K.S.A. 74-50,114, and amendments thereto, will be created in the state by such redevelopment project. In making a finding that a redevelopment project will create a major tourism area within the state, the secretary must conclude at least: (i) That capital improvements costing not less than \$100,000,000 will be built in the state to construct a project for such major tourism area; and (ii) that the project constructed will be designated within the standard industrial classification code 7948-0201;

(E) (i) from a pledge of a portion or all increased revenue received by the city from franchise fees collected from utilities and other businesses using public right-of-way within the redevelopment district; (ii) from a pledge of a portion or all of the revenue received by the city from sales taxes collected pursuant to K.S.A. 12-187, and amendments thereto; or

(F) by any combination of these methods.

The city may pledge such revenue to the repayment of such special obligation bonds prior to, simultaneously with, or subsequent to the issuance of such special obligation bonds.

(2) Bonds issued under paragraph (1) of subsection (a) shall not be general obligations of the city, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth in paragraph (1) of this subsection and such bonds shall so state on their face.

(3) Bonds issued under the provisions of paragraph (1) of this subsection shall be special obligations of the city and are declared to be negotiable instruments. They shall be executed by the mayor and clerk of the city and sealed with the corporate seal of the city. All details pertaining to the issuance of such special obligation bonds and terms and conditions thereof shall be determined by ordinance of the city. All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes except inheritance taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals, viz., the authority under which such special obligation bonds are issued, they are in conformity with the provisions, restrictions and limitations thereof, and that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in paragraph (1) of this subsection.

(b) (1) Subject to the provisions of paragraph (2) of this subsection, any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking of any redevelopment project in accordance with the provisions of K.S.A. 12-1770 *et seq.*, and amendments thereto other than a project determined by the secretary of commerce and housing to be of statewide as well as local importance and to meet the other criteria specified in K.S.A. 12-1774 (a)(1)(D), and amendments thereto. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in paragraph (1)(A), (B), (C), (D) and (E) of subsection (a) or by any combination of these sources; and (B) subject to the provisions of paragraph (2) of this subsection, from a pledge of the city's full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.

(2) Except as provided in paragraph (3) of this subsection, before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by K.S.A. 12-1771, and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by K.S.A. 12-1772, and amendments thereto, that it may issue such bonds to finance the proposed redevelopment project. The governing body may issue the bonds unless

(continued)

within 60 days following the date of the public hearing on the proposed redevelopment plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601 *et seq.*, and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds in accordance with K.S.A. 12-1774, and amendments thereto. No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 12-1771, and amendments thereto, that the proposed redevelopment district will have an adverse effect on the county or school district.

(3) As an alternative to paragraph (2) of this subsection, any city which adopts a redevelopment plan but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by K.S.A. 12-1772, and amendments thereto, and has not acquired property in the redevelopment project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to paragraph (1) of subsection (a). Any redevelopment plan

adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any redevelopment project in which the city's costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the city's cost for the project. Such temporary notes shall not be issued and the city shall not acquire property in the redevelopment project area until the requirements of paragraph (2) or (3) of this subsection, whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. They shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes except inheritance taxes. The amount of the full faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing special obligation bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

Sec. 3. K.S.A. 1996 Supp. 12-1771 and 12-1774 are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the Kansas register.

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made Kansas Register binders are now available. These binders will attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. They are high quality, durable casebound Swing Hinge® binders made by McBee Loose Leaf Binder Products. (A Swing Hinge® binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binders feature dark blue supported vinyl covering and gold imprinting.
