Wildlife and Parks Commission**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted by the Wildlife and Parks Commission at 7 p.m. Tuesday, January 27, at the Kansas History Center, 6425 S.W. 6th Ave., Topeka, to consider the approval and adoption of one proposed exempt regulation of the Department of Wildlife and Parks.

A workshop meeting on business of the Wildlife and Parks Commission will begin at 1:30 p.m. January 27 at the location listed above. The meeting will recess at 5 p.m., then resume at 7 p.m. at the same location for the regulatory hearing. There will be public comment periods at the beginning of the afternoon and evening meetings for any issues not on the agenda, and additional comment periods will be available during the meeting on agenda items. Old and new business also may be discussed at this time. If necessary to complete the hearing or other business matters, the commission will reconvene at 9 a.m. January 28 at the same location.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Cindy Baugh, commission secretary, at (316) 672-5911. Persons with a hearing impairment may call the TDD service at 1-800-766-3777 to request special accommodations.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed exempt regulation.

All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, Suite 502, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulation. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulation.

The regulation that will be heard during the regulatory hearing portion of the meeting is as follows:

K.A.R. 115-25-9. This regulation establishes hunting bag limits, application periods and season dates for the 1998 firearm and archery deer seasons. The proposed regulation would establish "first-call" leftover permits and "second-call" leftover permits. This change would allow deer hunters to obtain a second leftover firearm or muzzleloader permit, if permits remain after the first-call leftover application period.

Economic Impact Summary: It is anticipated that 112,500 deer hunting permits of all types may be authorized, including firearm, archery and hunt-on-your-own-land permits. Estimated revenue if all permits are issued would be \$2,400,000. Approximately 800,000 days of

hunting activity by 85,000 hunters are anticipated. Based on a federal survey estimate of the average expenditure of big game hunters, the season may generate \$40 million worth of economic benefit to businesses providing goods and services to deer hunters.

Copies of the complete text of the regulation and its economic impact statement may be obtained by contacting the chairman of the commission at the address above or by calling (785) 296-2281.

1997 Update to Guidelines for Takings of Private Property

The following United States Supreme Court, Tenth Circuit and Kansas Supreme Court cases, rendered after the effective date of the Attorney General's 1996 update to the takings guidelines, contain private property takings analysis. Pursuant to K.S.A. 1996 Supp. 77-704 of the private property protection act, this summary of decisions constitutes the 1997 update to the Attorney General's guidelines. The original guidelines may be found in Vol. 14, No. 51 of the Kansas Register, published December 15, 1995. The 1996 update may be found in Vol. 16, No. 1 of the Kansas Register, published January 2, 1997.

Babbitt v. Youpee, 519 U.S. ___, 136 L.Ed.2d 696, 117 S.Ct. 727 (1997)

Section 207 of the Indian Land Consolidation Act which escheats to a tribe upon the owner's death certain real estate allotments works an unconstitutional taking.

Tahoe Regional Planning Agency, 65 USLW 4385, 137 L.Ed.2d 980, 117 S.Ct. 1659 (1997)

A regulatory taking claim brought against a state entity in federal court is not ripe for the federal court's review unless the plaintiff can demonstrate that he or she has received a final decision regarding application of the challenged regulations to the property and has sought compensation through any procedures the state has provided for doing so (usually inverse condemnation proceedings). The Court held the landowner's claim was ripe for review in this case, since the state agency had no discretion to exercise over the landowner's right to use land in that the agency had finally determined that the land was in an area that rendered it ineligible for development.

SK Finance SA v. La Plata County, Board of County Commissioners, No. 96-1291, 1997 WL 602729 (C.A. 10 1997)

Takings claim was held not ripe for review by federal court because plaintiff had not availed itself of state's procedure for obtaining compensation for inverse condemnation.

Board of County Commissioners of Douglas County v. Cashatt, 23 Kan.App.2d 532 (1997)

Taxation of property does not constitute a public taking as contemplated by the Fifth Amendment to the United States Constitution.

Also of interest are H.R. 992, introduced by Congressman Smith, and H.R. 1534, introduced by Congressman Gallergly, during the 105th Congress' first session. Both bills deal with procedural issues in private property takings cases.
