Kansas Arts Commission**Request for Proposals**

The Kansas Arts Commission is accepting proposals for administration and operation of the Touring Exhibition Program during fiscal year 1999. Completed proposals must be postmarked on or before Monday, February 23.

From proposals submitted, the commission anticipates the selection of a not-for-profit organization as the program contractor with which to establish an on-going cooperative agreement for the period of July 1, 1998 through June 30, 1999, with the possibility for two additional one-year renewal periods.

Ninety days prior to the end of a contract period, the commission and the contractor will reevaluate the cooperative agreement. If both parties concur, the cooperative agreement will be renewed for an additional year. If the parties do not agree to renewal, the commission will issue a call for new proposals.

For more information about criteria for submitting a proposal or to request a proposal submission form, contact the Kansas Arts Commission, 700 S.W. Jackson, Suite

1004, Topeka, 66603-3761, (785) 296-3335, fax (785) 296-4989. Persons with special communication needs may utilize the Kansas Relay Service, 1-800-766-3777.

Department of Agriculture**Request for Comments**

The Kansas Corn Growers Association has requested, on behalf of Kansas corn producers, a special local need registration for use of Mesurol 50 HBT as a seed treatment to repel bird pests. Pursuant to 7 U.S.C. 136v, Gowan Company has filed with the Kansas Department of Agriculture an application for a special local need registration to allow use of Mesurol 50 HBT on corn seed in the seed hopper box at time of planting. This bird repellent is needed in situations where bird populations occur and cause significant damage by consuming the seed after planting and/or young seedlings. No other effective non-lethal control options have been identified to prevent unacceptable stand reduction.

The purpose of the proposed special local need registration is to provide for the use of a specialized formulation of methiocarb developed specifically for the requested use. Mesurol 50 HBT does not yet have a FIFRA Section 3 registration with the U.S. Environmental Protection Agency, although an application has been submitted and approval is expected in late 1999. The tolerances necessary for use of methiocarb on corn already exist. A federal registration for an identical product with the same use was previously held by Bayer Cooperation (formerly Mobay). Mobay voluntarily canceled its registration in 1989. The Gowan Company has decided to register its own brand of Mesurol 50 HBT with an identical composition and use pattern as the previously registered Mobay product. This proposed registration is considered to be both economically important and environmentally beneficial by providing effective protection of treated areas, eliminating the need for more toxic and lethal methods of control, and targeting only the specific bird pests damaging the crop.

Information submitted by the applicant is on file with the Kansas Department of Agriculture. Written comments, data or other evidence in support of or in opposition to the proposed special local need registration may be submitted by March 2 to Gary E. Boutz, Kansas Department of Agriculture, Pesticide Section, 901 S. Kansas Ave., 7th Floor, Topeka, 66612-1281.

**Department of Health
and Environment****Notice of Hearing on Proposed
Administrative Regulations**

The Kansas Department of Health and Environment, Bureau of Environmental Remediation, will conduct a public hearing at 10 a.m. Tuesday, April 7, in Conference Room A, Building 740, Forbes Field, Topeka, to consider the adoption of proposed changes in a drycleaning regulation. This regulation is proposed for adoption on a permanent basis. A summary of the proposed regulation and its regulatory impact statement impact follows.

K.A.R. 28-68-3(c)(1). Use of a nonthermal unit for the evaporation of wastewater from a drycleaning facility: The amendment to this regulation is a change in the performance standards for drycleaning operations that were adopted in response to K.S.A. 65-34,141 to 65-34,155, otherwise known as the Kansas Drycleaner Environmental Response Act. The amendment would allow drycleaning facilities to evaporate wastewater with a nonthermal unit utilizing air atomization or misting.

The capital and annual costs of disposing drycleaning wastewater will increase only if the facility chooses to install a unit that has a higher cost than the heated unit used for evaporating drycleaning wastewater.

Other governmental units, private citizens and consumers will not be affected by this change.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Cina Poyer, Kansas Department of Health and Environment, Bureau of Environmental Remediation, Forbes Field, Building 740, Topeka, 66620. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Copies of the regulation and its regulatory impact statement may be obtained from the Kansas Department of Health and Environment, Division of Environment, Bureau of Environmental Remediation, (785) 296-6377.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed amendment and the regulatory impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Cina Poyer.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 8 a.m. Friday, April 3, at the University of Kansas, Malott Hall, Room 6052, Lawrence, to consider the adoption of proposed rules and regulations of the Kansas Board of Pharmacy.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Larry Froelich, Executive Secretary, Board of Pharmacy, Room 513, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Michelle Jolly at (785) 296-6504.

These regulations are proposed for adoption on a permanent basis. A brief summary of proposed regulations and their economic impact follows.

K.A.R. 68-2-20. Pharmacist's function in filling a prescription or medication order. The regulation sets out in detail the pharmacist's function in filling a prescription or medication order.

There is no anticipated economic impact on the Board of Pharmacy, other governmental agencies, registrants or the public.

K.A.R. 68-7-19. Transfer of a refillable prescription between pharmacies. The regulation sets out in detail the requirements for transfer of a refillable prescription between pharmacies.

There is no anticipated economic impact on the Board of Pharmacy, other governmental agencies, registrants or the public.

Copies of the regulations and their economic impact statements may be obtained from the Kansas Board of Pharmacy.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. Treasure Chest Advertising Company, Inc. has applied for a Class II operating permit in accordance with the provisions of K.A.R. 28-19-540. Emissions of volatile organic compounds (VOCs) were evaluated during the permit review process. The purpose of a Class II permit is to limit the potential-to-emit for these pollutants to below major source thresholds.

Treasure Chest Advertising Company, Inc. owns and operates an advertising insert commercial lithographic printing facility located at 14720 W. 99th St., Lenexa.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for public review during normal business hours at the KDHE, Bureau of Air and Radiation, Building 283, Forbes Field, Topeka, and at the Johnson County Environmental Department, 11180 Thompson Ave., Lenexa. To obtain or review the proposed permit and supporting documentation, contact Troy B. Percival, (785) 296-6439, at the KDHE central office, or Mike Boothe, (913) 492-0402, at the Johnson County Environmental Department. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Troy B. Percival, KDHE, Bureau of Air and Radiation, Building 283, Forbes Field, Topeka, 66620. In order to be considered in formulating a final permit decision, written comments must be received by the close of business March 2.

A person may request a public hearing be conducted on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business March 2 in order for the Secretary of Health and Environment to consider the request.

Request for Comments

The Kansas Department of Health and Environment has received and reviewed permit modification information for the City of Oakley municipal solid waste landfill. The City of Oakley has submitted amended design drawings and a new operating plan for the landfill. KDHE is providing public notice of its intent to amend the city's current permit to incorporate the changes. As a condition of the amended permit, the city will be required to modify environmental monitoring procedures. Once this information is submitted and approved, the requirements of new state and federal regulations for small arid landfills, which became effective October 9, 1997, will be fulfilled. The landfill is located in the W¹/₂, SE¹/₄, Section 11, Township 11S, Range 32W, Logan County, south of Oakley. The landfill currently occupies an area of approximately 80 acres.

A copy of the administrative record, which includes the draft permit and all information regarding this permit action, is available for public review through March 2 during normal business hours, Monday through Friday, at the following locations:

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality construction permit. Anadarko Gathering Company has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to install gas compressor engines. Emissions of nitrogen oxides, carbon monoxide and volatile organic compounds were evaluated during the permit review process.

Anadarko Gathering Company, Houston, Texas, owns and operates the stationary source located at Section 18, Township 34 South, Range 41 West, Morton County, Kansas, at which the compressor engines are to be installed.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during review of the permit application is available for public inspection during normal business hours at the KDHE, Bureau of Air and Radiation, Building 283, Forbes Field, Topeka, and at the KDHE southwest district office, 302 W. McArtor Road, Dodge City. To obtain or review the proposed permit and supporting documentation, contact Shawn Howell, (785) 296-1993, at the KDHE central office, or Wayne Neese, (316) 225-0596, at the KDHE southwest district office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Shawn Howell, KDHE, Bureau of Air and Radiation, Building 283, Forbes Field, Topeka, 66620. In order to be considered in formulating a final permit decision, written comments must be received by the close of business March 2.

A person may request a public hearing be conducted on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business March 2 in order for the Secretary of Health and Environment to consider the request.

**Summary Notice of Bond Sale
City of Salina, Kansas**

\$3,900,000

**General Obligation Internal Improvement Bonds
Series 1998-A**

Sealed Bids

Subject to the terms and conditions of the complete notice of bond sale and preliminary official statement dated January 26, 1998, sealed bids on the official bid form will be received by Judy D. Long, city clerk of the City of Salina, Kansas, Room 206, City/County Building, 300 W. Ash, Salina, KS 67402-0736, on behalf of the governing body until 3 p.m. local time Monday, February 9, 1998, for the purchase of \$3,900,000 principal amount of General Obligation Internal Improvement Bonds, Series 1998-A. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered. Each bid shall be accompanied by a cashier's or certified check or a financial surety bond in the amount of 2 percent of the principal amount of the bonds.

Bond Details

The bonds will consist of fully registered certificated bonds in the denomination of \$5,000 or any integral multiple thereof. The bonds will initially be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York, to which payments of principal of and interest on the bonds will be made. Individual purchases of bonds will be made in book-entry form only. Purchasers will not receive certificates representing their interest in bonds purchased. The bonds will be dated February 1, 1998, and will become due serially on August 1 in the years as follows:

Principal Amount	Maturity August 1

160,000	2010
160,000	2011
160,000	2012
160,000	2013

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on February 1 and August 1 in each year, beginning February 1, 1999. Bonds maturing on August 1, 2006, and thereafter will be subject to redemption prior to maturity at the option of the city on August 1, 2005, and thereafter, in whole at any time or in part on any interest payment date, in such principal amounts for such maturities as shall be determined by the city, at a redemption price of 100 percent of the principal amount redeemed, plus accrued interest, without a premium.

Paying Agent and Bond Registrar

The Kansas State Treasurer will be the paying agent and bond registrar for the bonds.

Delivery

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about February 26, 1998, through the facilities of Depository Trust Company in New York, New York.

Assessed Valuation and Indebtedness

The equalized assessed valuation for computation of bonded debt limitations for the year 1997 is \$280,589,963. The total general obligation indebtedness of the city as of the date of the bonds, including the bonds being sold and the temporary notes to be outstanding after the issuance of the bonds, will be \$19,490,000.

Approval of Bonds

The bonds will be sold subject to the approving legal opinion of Gilmore & Bell, P.C., Kansas City, Missouri, bond counsel, whose approving opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Additional Information

Additional information regarding the bonds may be obtained from the undersigned or from George K. Baum & Company, Kansas City, Missouri, (816) 474-1100, the city's financial advisor.

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

RegulationsArticle 19.—AMBIENT AIR QUALITY STANDARDS
AND AIR POLLUTION CONTROL

28-19-202. Annual emissions fee. (a) The owner or operator of each stationary source of air emissions that has actual emissions of the type and quantity specified in subsection (b) of this regulation shall pay an annual emissions fee to the department. Actual emissions shall be calculated for a calendar year according to K.A.R. 28-19-210.

(b) The types of air emissions and the quantity of actual air emissions for which annual emissions fees shall be assessed are:

(1) air emissions of 100 tons per year or more of any of the following:

(A) sulfur oxides measured as sulfur dioxide;

(B) particulate matter calculated as PM10, except if no emission factor or approvable method for calculating PM10 is available, annual emissions fees shall be assessed for total particulate emissions;

(C) nitrogen oxides expressed as nitrogen dioxide; and

(D) total volatile organic compounds;

(2) air emissions of hazardous air pollutants, from source categories other than source categories specifically excluded from the USEPA notice entitled "Initial list of categories of sources under section 112(c)(1) of the clean air act amendments of 1990," 57 FR 31576, July 16, 1992:

(A) of 10 tons per year or more of any single hazardous air pollutant; or

(B) of 25 tons per year or more of any combination of hazardous air pollutants, whichever is greater.

For purposes of this subsection, actual emissions shall include fugitive emissions from federally designated fugitive emission sources and fugitive hazardous air pollutant emissions

(c) The annual emissions fee shall equal the sum of the actual emissions of the pollutant or pollutants specified in subsection (b) of this regulation, rounded to the nearest ton, multiplied by \$18.00 per ton of emissions, subject to the following:

(1) the owner or operator shall not be required to include any pollutant emitted from the stationary source more than one time in the fee calculation;

(2) the owner or operator shall not be required to include in the emission fee calculation:

(A) emissions of any pollutant of 500 pounds per year or less from any emissions source, unless the total emissions from similar sources at the stationary source equal or exceed 2000 pounds per year;

(B) emissions in excess of 4000 tons per year of any single pollutant from any stationary source;

(C) for a portable emissions unit or stationary source which operates both in Kansas and out-of-state, emissions from the unit or source while operating out-of-state; and

(D) emissions during the years 1995 through 1999 inclusive, from any unit which, as of January 1, 1996, is

designated as an affected unit under section 404, phase I sulfur dioxide requirements, of the federal clean air act;

(3) for emissions occurring during the years 1997 through 2000, inclusive, the annual emission fee shall be calculated by multiplying the actual emissions of the pollutant or pollutants specified in subsection (b) of this regulation, rounded to the nearest ton, times \$13.00 per ton of emissions.

(d) The owner or operator shall complete the calculations of actual emissions and calculation of the annual emissions fee on forms provided by or approved by the department.

(1) A responsible official or the person most directly responsible for the compilation of the submitted information shall sign the completed forms.

(2) The owner or operator shall submit the annual emissions fee payment to the department by June 1 of the year following the calendar year for which the actual emissions were determined. Timeliness of submissions shall be determined by the postmark if submitted by mail.

(3) The owner or operator shall make annual emissions fee payments by check, draft, or money order payable to the Kansas department of health and environment.

(4) Payment of emission fees to the department shall be the responsibility of the person or persons who are the owners or operators of the emissions unit or stationary source on the date the emissions fee is due. For purposes of calculating actual emissions for a period in which someone other than the current owner or operator was the owner or operator of the stationary source, the owner or operator responsible for paying the fee may assume that operations of the facility were identical to the operation of the facility by the current owner or operator if the current owner or operator has been unable, after reasonable and diligent inquiry, to obtain the actual operating information from the previous owner or operator.

(e) Any owner or operator who fails to timely pay the annual emissions fee:

(1) shall pay an additional fee of \$100.00 or 1% of the annual emissions fee, whichever is greater; and

(2) beginning seven days after the department notifies the permittee in writing that the department has not received the annual emissions fee, shall pay an additional \$10 per day or .05% of the annual emissions fee per day, whichever is greater.

(f) The amount of any overpayment, as determined by the department, made by the owner or operator of a stationary source shall be credited to the annual emissions fee for subsequent years for that stationary source. (Authorized by K.S.A. 1996 Supp. 65-3005; implementing K.S.A. 1996 Supp. 65-3024; effective Nov. 22, 1993; amended Jan. 23, 1995; amended March 15, 1996; amended Feb. 21, 1997; amended Feb. 13, 1998.)

State of Kansas

Department of Revenue

Revenue Ruling 19-1997-4

Issue: Registration requirements for partnerships or corporations that have change in ownership structure.

Relevant statutes: K.A.R. 92-11-13(b) & (c).

The purpose of this revenue ruling is to revise and clarify the re-registration requirements for all taxes and fees administered by the Kansas Department of Revenue when there is a change in the ownership structure of a partnership or corporation.

A partnership that is registered with this department must obtain a new registration number if:

- 1) 50% percent or more of the ownership (measured by interests in capital and profits) changes hands within a 12 month period.
- 2) The partnership incorporates.
- 3) The partnership is reorganized and is operated as a sole proprietorship.

4) The partnership is dissolved and a new one is started.

The department will permit the signature(s) of the partnership or corporation on the application at the initial time of registration to be binding for future registration activity such as the registration of additional tax accounts, additional locations and renewal processing.

The partnership or corporation also will be required to submit a list of all partners or officers along with the application at the time of initial registration. If any change in ownership occurs, even if it does not require the entity to re-register, an updated list of the partners or officers must be furnished to the department.

For further information, contact the Taxpayer Assistance Bureau, Kansas Department of Revenue, Topeka, 66625-0001, (785) 296-0222.
