This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the executive administrator of the Board of Nursing, Room 551-S, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the Board of Nursing at (785) 296-5752.

K.A.R. 60-15-101. Definitions. The definitions in this regulation relate to registered professional nurses delegating nursing tasks or procedures to unlicensed individuals. The revisions in the regulation update the language. The definition of procedure has been added.

K.A.R. 60-15-102. Delegation procedures. The specific procedure to be followed has changed only slightly. One change will not require a registered professional nurse to write a nursing plan for medication administration except for a student with a long-term chronic health condition.

K.A.R. 60-15-103. Supervision of delegated tasks or procedures. This regulation was revised to clarify some language. There is no content change.

K.A.R. 60-15-104. Administration of medications in the school setting. The Board of Nursing has made a minor change in the language for delegation of administration of medications to unlicensed persons to make it more flexible.

K.A.R. 60-16-101. Definitions. The definitions in this regulation cover licensed practical nurses and the administration of intravenous therapy. One new definition for the titration of medication has been added.

K.A.R. 60-16-102. Scope of practice for licensed practical nurse and intravenous fluid therapy. The main change in this regulation added a few classes of medication which the licensed practical nurse may not administer intravenously.

Economic Impact: The revisions of these six regulations should have no economic impact on nurses, the health care industry or the Board of Nursing. Except for a couple of minor content changes, most of the revisions were for clarity.

Copies of the regulations and their economic impact statements can be obtained from the Board of Nursing.

State of Kansas

Kansas Commission on Governmental Standards and Conduct

Opinion No. 1998-3

Written February 12, 1998, to James M. Minnix, Scott County Commissioner, Scott City.

This opinion is in response to your letter of February 4, 1998, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local level conflict of interest laws (K.S.A. 75-4301a *et seq.*). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 75-4301a *et seq.*, and whether some other statutory system, common law theory or agency rule and regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand you request this opinion in your capacity as a Scott County Commissioner. You advise us that Seaboard Farms, Inc. has approached your county to locate a swine feeding floor. You further advise us that your spouse is currently doing contract veterinarian services for a local clinic. During the two days of the week she works for the clinic, the regular veterinarian works for Seaboard Farms, Inc. Your spouse does not do any work for Seaboard.

Question

Is it a conflict of interest for you to vote on the swine feeding floor issue?

Opinion

K.S.A. 75-4304(a) applies to your situation. That subsection states:

(a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

In applying this language to your situation, you would be prohibited from voting on any contracts between the county and a business in which you or your spouse held a "substantial interest" (see attached K.S.A. 75-4301a). In this situation, your spouse does not hold a "substantial

interest" in Seaboard, but rather in the local veterinary clinic. Therefore, it would not be a conflict of interest for you to vote on any contracts between the county and Seaboard.

Opinion No. 1998-4

Written February 12, 1998, to Dirk Hanson, D.V.M., Executive Director, Board of Veterinary Medical Examiners, Wamego.

This opinion is in response to your letter of January 16, 1998, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule and regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand you request this opinion in your capacity as the executive director for the Board of Veterinary Medical Examiners. You advise us that your sister, Debra Hiett, has been employed by your agency on a part-time temporary basis for clerical and receptionist duties. The board now desires to hire her for a permanent position. You further advise us that you did not advocate that she be hired. In addition, the board will assume the responsibility for actions relating to her employment and discipline.

Question

Is it permissible for the board of your agency to hire your sister and then oversee her employment and discipline?

Opinion

K.S.A. 46-246a applies to your question. That section in pertinent part states:

(a) From and after the effective date of this act, no state officer or employee shall advocate or cause the employment, appointment, promotion, transfer or advancement to any office or position of the state, of a member of such officer's or employee's household or a family member.

(b) No state officer or employee shall participate in an action relating to the employment or discipline of a member of the officer's or employee's household or a family member.

In applying this language, so long as you do not participate, in any manner, in any of the activities prohibited in sections (a) and (b), nothing in these subsections would prohibit the board from hiring and then overseeing the employment and discipline of your sister.

In closing, we do note that the phrase "supervise or manage" was struck from the statute (see the 1992 *Session Laws of Kansas*, Chapter 246). Thus, you would be permitted to supervise your sister so long as you complied with the remaining prohibitions in subsections (a) and (b).

Notice to Consulting Engineers

The Kansas Department of Transportation is seeking qualified consulting engineering firms for the projects listed below. Responses must be received by 5 p.m. March 12 for the consulting engineering firm to be considered. Seven signed copies of the response should be mailed to Neil Rusch, P.E., Assistant to the Director, Division of Engineering and Design, KDOT, Room 1084-West, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612-1568. Responses shall be limited to four pages.

From the firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified (not less than three, not more than five) and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short listed will be notified by letter.

The construction estimate is \$57,000,000.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

The authority is authorized to include this pledge and agreement of this state in any agreement with the holders of such bonds.

(r) Nothing in this act shall be construed as a restriction or limitation upon any other powers which the authority might otherwise have under any other law of this state, and this act is cumulative to any such powers. This act does and shall be construed to provide a complete, additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws. However, the issuance of bonds under the provisions of this act need not comply with the requirements of any other state law applicable to the issuance of bonds. (d) *When payment is made from the Kansas tort claims fund on behalf of the university of Kansas hospital authority, the authority shall transfer to the tort claims fund an amount equal to the payment made by the tort claims fund on behalf of the authority.*

The provisions hereof do and shall be construed to provide a complete, additional and alternative method for the doing of the things authorized and shall be regarded as supplemental and additional to any other laws. Insofar as the provisions of this act are inconsistent with the provisions of any other law, general, specific or local, the provisions of this act shall be controlling.

The boundaries of such district shall not include any area not designated in the notice required by subsection (d). Any addition of area to the redevelopment district or any substantial change to the comprehensive plan shall be subject to the same procedure for public notice and hearing as is required for the establishment of the district. *The boundaries of any such district in a major tourism area including an auto race track facility located in Wyandotte county, shall, without regard to that portion of the district pertaining to the auto race track facility, be as follows: Beginning at the intersection of Interstate 70 and Interstate 435; West along Interstate 70 to 118th Street; North along 118th Street to State Avenue; Northeasterly along proposed relocated State Avenue to 110th Street; North along 110th Street to Parallel Parkway; East along Parallel Parkway to Interstate 435; South along Interstate 435 to Interstate 70.*

(f) No privately owned property subject to ad valorem taxes shall be acquired and redeveloped under the provisions of K.S.A. 12-1770 *et seq.*, and amendments thereto, if the board of county commissioners or the board of education levying taxes on such property determines by resolution adopted within 30 days following the conclusion of the hearing for the establishment of the redevelopment district required by subsection (d) that the proposed redevelopment district will have an adverse effect on such county or school district.

(continued)

(g) Any redevelopment plan undertaken within the redevelopment district may be in separate development stages. Each plan shall be adopted according to the provisions of K.S.A. 12-1772, and amendments thereto, and shall fix a date for completion. Except as provided herein, any project shall be completed within 20 years from the date of the establishment of the redevelopment district. Projects relating to environmental investigation and remediation under subsection (i) shall be completed within 20 years from the date a city enters into a consent decree agreement with the Kansas department of health and environment or the United States environmental protection agency. *A redevelopment project in a major tourism area for an auto race track facility described in subsection (a)(1)(D) of K.S.A. 12-1774 shall be completed within 30 years from the date the secretary of commerce and housing makes the finding that the redevelopment project will create a major tourism area pursuant to subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto.*

(h) Any increment in ad valorem property taxes resulting from a redevelopment district undertaken in accordance with the provisions of this act, shall be apportioned to a special fund for the payment of the cost of the redevelopment project, including the payment of principal and interest on any special obligation bonds or full faith and credit tax increment bonds issued to finance such project pursuant to this act and may be pledged to the payment of principal and interest on such bonds. The maximum maturity on bonds issued to finance projects pursuant to this act shall not exceed 20 years *except that: (1) Such maximum period of special obligation bonds not payable from revenues described by subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto issued to finance an auto race track facility shall not exceed 30 years; and (2) such maximum period, if the governor determines and makes and submits a finding to the speaker of the house of representatives and the president of the senate that a maturity greater than 20 years, but in no event exceeding 30 years, is necessary for the economic feasibility of the financing of an auto race track facility with special obligation bonds payable primarily from revenues described by subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto, may be extended in accordance with such determination and finding.* For the purposes of this act, "increment" means that amount of ad valorem taxes collected from real property located within the redevelopment district that is in excess of the amount which is produced from such property and attributable to the assessed valuation of such property prior to the date the redevelopment district was established, as determined under the provisions of K.S.A. 12-1775, and amendments thereto.

(i) The governing body of a city, in contracts entered into with the Kansas department of health and environment or the United States environmental protection agency, may pledge increments receivable in future years to pay costs directly relating to the investigation and remediation of environmentally contaminated areas. The provisions in such contracts pertaining to pledging increments in future years shall not be subject to K.S.A. 10-1101 *et seq.* or 79-2925 *et seq.*, and amendments thereto.

(j) Before any redevelopment project is undertaken, a comprehensive feasibility study, which shows the benefits derived from such project will exceed the costs and that the income therefrom will be sufficient to pay for the project shall be prepared. Such feasibility study shall be an open public record.

(k) *If a city determines that revenues from sources other than property taxes will be sufficient to pay any special obligation bonds issued to finance a redevelopment project for an auto race track facility described in subsection (a)(1)(D) of K.S.A. 12-1774 which the secretary of commerce and housing makes a finding that such project will create a major tourism area pursuant to subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto, all property, both real and personal, constituting an auto race track facility described in subsection (a)(1)(D) of K.S.A. 12-1774 in such redevelopment district shall be exempt from property taxation for a period ending on the earlier of (1) the date which is 30 years after the date of the finding by the secretary of commerce and housing with respect to such major tourism area; or (2) the date on which no such special obligation bonds issued to finance such auto race track facility in a major tourism area remain outstanding.*

(l) *Any major tourism area may include an additional area not exceeding 400 acres of additional property, excluding roads and highways, in addition to the property necessary for the auto race track facility upon a finding by the governor that the development plan and each project within such additional area will enhance the major tourism area. For the development of each project within such additional area the city shall*

select qualified developers pursuant to a request for proposals in accordance with written official procedures approved by the governing body of the city. Any project within such additional area that is financed in whole or in part by special obligation bonds payable from revenues derived from subsection (a)(1)(D) of K.S.A. 12-1774 shall not be entitled to any real property tax abatements or the revenues described in K.S.A. 12-1775. Any project within such additional area must be approved by the governor and construction must be commenced by July 1, 2002. The city shall prepare and submit annually to the governor, the secretary of commerce and housing and the legislature by each October 1, commencing October 1, 1999 and continuing until October 1, 2002, a report describing the status of any projects within such additional area. Any business located in Kansas within 50 miles of a major tourism area that relocates into a major tourism area shall not receive any of the benefits of K.S.A. 12-1770 et seq.

Sec. 3. K.S.A. 1997 Supp. 12-1774 is hereby amended to read as follows: 12-1774. (a) (1) Any city shall have the power to issue special obligation bonds in one or more series to finance the undertaking of any redevelopment project in accordance with the provisions of this act. Such special obligation bonds shall be made payable, both as to principal and interest:

(A) From property tax increments allocated to, and paid into a special fund of the city under the provisions of K.S.A. 12-1775, and amendments thereto;

(B) from revenues of the city derived from or held in connection with the undertaking and carrying out of any redevelopment project or projects under this act;

(C) from any private sources, contributions or other financial assistance from the state or federal government;

(D) from a pledge of a portion or all of the revenue received by the city from transient guest, sales and use taxes collected pursuant to K.S.A. 12-1696 *et seq.*, 79-3601 *et seq.*, 79-3701 *et seq.* and 12-187 *et seq.*, and amendments thereto, and which are collected from taxpayers doing business within that portion of the city's redevelopment district established pursuant to K.S.A. 12-1771, and amendments thereto, occupied by a redevelopment project if there first is a finding by the secretary of commerce and housing that the redevelopment project is of statewide as well as local importance or will create a major tourism area for the state. In making a finding that a redevelopment project is of statewide as well as local importance, the secretary must conclude at least: (i) That capital improvements costing not less than \$300,000,000 will be built in the state for such redevelopment project; and (ii) not less than 1,500 permanent and seasonal employment positions as defined by K.S.A. 74-50,114, and amendments thereto, will be created in the state by such redevelopment project. In making a finding that a redevelopment project will create a major tourism area within the state, the secretary must conclude at least: (i) That capital improvements costing not less than \$100,000,000 will be built in the state to construct a project for such major tourism area; and (ii) that the project constructed will be an auto race track facility designated within the standard industrial classification code 7048-0201. *An auto race track facility means (i) an auto race facility and facilities directly related and necessary to the operation of an auto race track facility including, but not limited to, grandstands, suites and viewing areas, concessions and souvenir facilities, catering facilities, visitor and retail centers, signage and temporary hospitality facilities; but excluding (ii) hotels, motels, restaurants and retail facilities not included in (i);*

(E) (i) from a pledge of a portion or all increased revenue received by the city from franchise fees collected from utilities and other businesses using public right-of-way within the redevelopment district; (ii) from a pledge of a portion or all of the revenue received by the city from sales taxes collected pursuant to K.S.A. 12-187, and amendments thereto; or

(F) by any combination of these methods.

The city may pledge such revenue to the repayment of such special obligation bonds prior to, simultaneously with, or subsequent to the issuance of such special obligation bonds.

(2) Bonds issued under paragraph (1) of subsection (a) shall not be general obligations of the city, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth in paragraph (1) of this subsection and such bonds shall so state on their face.

(3) Bonds issued under the provisions of paragraph (1) of this subsection shall be special obligations of the city and are declared to be negotiable instruments. They shall be executed by the mayor and clerk

of the city and sealed with the corporate seal of the city. All details pertaining to the issuance of such special obligation bonds and terms and conditions thereof shall be determined by ordinance of the city. All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes except inheritance taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals, viz., the authority under which such special obligation bonds are issued, they are in conformity with the provisions, restrictions and limitations thereof, and that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in paragraph (1) of this subsection.

(b) (1) Subject to the provisions of paragraph (2) of this subsection, any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking of any redevelopment project in accordance with the provisions of K.S.A. 12-1770 *et seq.*, and amendments thereto other than a project determined by the secretary of commerce and housing to be of statewide as well as local importance and to meet the other criteria or will create a major tourism area as specified in K.S.A. 12-1774(a)(1)(D) subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in paragraph (1)(A), (B), (C), (D) and (E) of subsection (a) or by any combination of these sources; and (B) subject to the provisions of paragraph (2) of this subsection, from a pledge of the city's full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.

(2) Except as provided in paragraph (3) of this subsection, before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by K.S.A. 12-1771, and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by K.S.A. 12-1772, and amendments thereto, that it may issue such bonds to finance the proposed redevelopment project. The governing body may issue the bonds unless within 60 days following the date of the public hearing on the proposed redevelopment plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601 *et seq.*, and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds in accordance with K.S.A. 12-1774, and amendments thereto. No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 12-1771, and amendments thereto, that the proposed redevelopment district will have an adverse effect on the county or school district.

(3) As an alternative to paragraph (2) of this subsection, any city which adopts a redevelopment plan but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by K.S.A. 12-1772, and amendments thereto, and has not acquired property in the redevelopment project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to paragraph (1) of subsection (a). Any redevelopment plan adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any redevelopment project in which the city's costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the city's cost for the project. Such temporary notes shall not be issued

and the city shall not acquire property in the redevelopment project area until the requirements of paragraph (2) or (3) of this subsection, whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. They shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes except inheritance taxes. The amount of the full faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing special obligation bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

Sec. 4. K.S.A. 1997 Supp. 12-1775 is hereby amended to read as follows: 12-1775. (a) For the purposes of this act, the term "taxing subdivision" shall include the county, the city, the unified school district and any other taxing subdivision levying real property taxes, the territory or jurisdiction of which includes any currently existing or subsequently created redevelopment district. The term "real property taxes" includes all taxes levied on an ad valorem basis upon land and improvements thereon.

(b) Except for redevelopment projects satisfying the conditions of subsection (k) of K.S.A. 12-1771 hereof, all tangible taxable property located within a redevelopment district shall be assessed and taxed for ad valorem tax purposes pursuant to law in the same manner that such property would be assessed and taxed if located outside such district, and all ad valorem taxes levied on such property shall be paid to, and collected by the county treasurer in the same manner as other taxes are paid and collected. Except as otherwise provided in this section, the county treasurer shall distribute such taxes as may be collected in the same manner as if such property were located outside a redevelopment district. Each redevelopment district established under the provisions of this act shall constitute a separate taxing unit for the purpose of the computation and levy of taxes.

(c) Except for redevelopment projects satisfying the conditions of subsection (k) of K.S.A. 12-1771 hereof, beginning with the first payment of taxes which are levied following the date of approval of any redevelopment district established pursuant to K.S.A. 12-1771, and amendments thereto, real property taxes received by the county treasurer resulting from taxes which are levied subject to the provisions of this act by and for the benefit of a taxing subdivision, as herein defined, on property located within such redevelopment district constituting a separate taxing unit under the provisions of this section, shall be divided as follows:

(1) From the taxes levied each year subject to the provisions of this act by or for each of the taxing subdivisions upon property located within a redevelopment district constituting a separate taxing unit under the provisions of this act, the county treasurer first shall allocate and pay to each such taxing subdivision all of the real property taxes collected which are produced from that portion of the current assessed valuation of such real property located within such separate taxing unit which is equal to the total assessed value of such real property on the date of the establishment of the redevelopment district.

(2) Any real property taxes produced from that portion of the current assessed valuation of real property within the redevelopment district constituting a separate taxing unit under the provisions of this section in excess of an amount equal to the total assessed value of such real property on the effective date of the establishment of the district shall be allocated and paid by the county treasurer to the treasurer of the city and deposited in a special fund of the city to pay the cost of redevelopment projects including the payment of principal and interest on any special obligation bonds or full faith and credit tax increment bonds issued by such city to finance, in whole or in part, such redevelopment project. When such obligation bonds and interest thereon have been paid, all moneys thereafter received from real property taxes within such redevelopment district shall be allocated and paid to the respective taxing subdivisions in the same manner as are other ad valorem taxes. If such obligation bonds and interest thereon have been paid before the completion of a project, the city may continue to use such moneys for any purpose authorized by this act until such time as the project is completed, but for not to exceed 20 years from the date of the establishment of the redevelopment district.

(d) In any redevelopment plan or in the proceedings for the issuing of any special obligation bonds or full faith and credit tax increment bonds

(continued)

by the city to finance a redevelopment project, the property tax increment portion of taxes provided for in paragraph (2) of subsection (c) may be irrevocably pledged for the payment of the principal of and interest on such obligation bonds, subject to the provisions of subsection (h) of K.S.A. 12-1771, and amendments thereto. A city may adopt a redevelopment plan in which only a specified percentage of the tax increment realized from taxpayers in the redevelopment district are pledged to the redevelopment project. The county treasurer shall allocate the specified percentage of the tax increment to the treasurer of the city for deposit in the special fund of the city to finance the cost of redevelopment projects if the city has other available revenues and pledges the revenues to the redevelopment project in lieu of the tax increment. Any portion of such tax increment not allocated to the city for the redevelopment project shall be allocated and paid in the same manner as other ad valorem taxes.

Sec. 5. K.S.A. 1997 Supp. 12-1773 is hereby amended to read as follows: 12-1773. (a) Any city which has adopted a redevelopment plan in accordance with the provisions of this act may purchase or otherwise acquire real property. Upon a 2/3 vote of the members of the governing body thereof a city may acquire by condemnation any interest in real property, including a fee simple title thereto, which it deems necessary for or in connection with any redevelopment plan of an area located within the redevelopment district. *Prior to the exercise of such eminent domain power, the city shall offer to the owner of any property which will be subject to condemnation with respect to any redevelopment project, other than one which includes an auto race track facility, compensation in amount equal to the highest appraised valuation amount determined for property tax purposes by the county appraiser for any of the three most recent years next preceding the year of condemnation, except that, if in the year next preceding the year of condemnation any such property had been damaged or destroyed by fire, flood, tornado, lightning, explosion or other catastrophic event, the amount offered should be equal to the appraised valuation of the property which would have been determined taking into account such damage or destruction unless such property has been restored, renovated or otherwise improved.* However no city shall exercise such eminent domain power to acquire real property in a conservation area. Any such city may exercise the power of eminent domain in the manner provided by K.S.A. 26-501 et seq., and amendments thereto. *In addition to the compensation or damage amount finally awarded thereunder with respect to any property subject to proceedings thereunder as a result of the construction of an auto race track facility, such city shall provide for the payment of an amount equal to 25% of such compensation or damage amount.* In addition to any compensation or damages allowed under the eminent domain procedure act, such city shall also provide for the payment of relocation assistance as provided in K.S.A. 12-1777, and amendments thereto.

(b) Any property acquired by a city under the provisions of this act may be sold or leased to any person, firm or corporation, hereinafter referred to as a developer, in accordance with the redevelopment plan and under such other conditions as may be agreed upon. Such city may use the proceeds of special obligation bonds issued under K.S.A. 12-1774, and amendments thereto, or full faith and credit tax increment bonds issued under K.S.A. 12-1774, and amendments thereto, or any uncommitted funds derived from those sources set forth in paragraph (1) of subsection (a) of K.S.A. 12-1774, and amendments thereto, to implement the redevelopment plan including, without limitation:

- (1) Acquisition of property within the project area;
- (2) payment of relocation assistance;
- (3) site preparation;
- (4) sanitary and storm sewers and lift stations;
- (5) drainage conduits, channels and levees;
- (6) street grading, paving, graveling, macadamizing, curbing, guttering and surfacing;
- (7) street lighting fixtures, connection and facilities;
- (8) underground gas, water, heating, and electrical services and connections located within the public right-of-way;
- (9) sidewalks and pedestrian underpasses or overpasses;
- (10) drives and driveway approaches located within public right-of-way;
- (11) water mains and extensions;
- (12) plazas and arcades;
- (13) parking facilities;

(14) landscaping and plantings; fountains; shelters, benches, sculptures, lighting, decorations and similar amenities; and

(15) all related expenses to redevelop and finance the redevelopment project.

None of the proceeds from the sale of such bonds shall be used for the construction of buildings or other structures to be owned by or to be leased to such developer, except for proceeds of such bonds as may be issued under subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto for a redevelopment project which includes an auto race track facility and except for proceeds of such bonds as may be issued for a redevelopment district including some or all of the land and buildings comprising a state mental institution closed pursuant to section 2 of chapter 219 of the 1995 Session Laws of Kansas.

Sec. 6. K.S.A. 12-1777 is hereby amended to read as follows: 12-1777. Before any redevelopment project shall be initiated under this act a relocation assistance plan shall be approved by the governing body proposing to undertake the project. Such relocation assistance plan shall:

(a) Provide for relocation payments to be made to persons, families and businesses who move from real property or who move personal property from real property as a result of the acquisition of the real property by the city in carrying out the provisions of this act. *With respect to any redevelopment project other than one which includes an auto race track facility, such payments shall not be less than \$500.*

(b) provide that no persons or families residing in the redevelopment district shall be displaced unless and until there is a suitable housing unit available and ready for occupancy by such displaced person or family at rents within their ability to pay. Such housing units shall be suitable to the needs of such displaced persons or families and must be a decent, safe, sanitary and otherwise standard dwelling; and

(c) provide for the payment of any damages sustained by a retailer, as defined by K.S.A. 79-3702, and amendments thereto, by reason of the liquidation of inventories necessitated by relocation.

New Sec. 7. (a) The city which is authorized to issue bonds pursuant to the provisions of K.S.A. 12-1770 et seq. in order to finance a redevelopment project in a major tourism area described by subsection (a)(1)(D) of K.S.A. 12-1774 shall obtain underwriting services required by the city for the issuance of such bonds pursuant to written proposals received in accordance with this section.

(b) Prior to the issuance of any such bonds after the effective date of this act, the city shall publish notice of a request for proposals to provide the underwriting services that are required by the city with regard to the proposed bond issuance and shall mail requests for proposals to qualified interested parties upon request for such notice. The city shall award contracts for such underwriting services from the proposals received in accordance with the procedures and evaluation criteria adopted by the city for such purpose. A city shall publish such notice in the official newspaper of the city.

(c) Each city which is authorized to issue such bonds shall establish written official procedures for obtaining underwriting services required for the issuance of such bonds, including specifications for requests for proposals and criteria for evaluation of proposals on a competitive basis. The proposal evaluation criteria shall include factors based on cost, capacity to provide the required services, qualifications and experience.

Sec. 8. K.S.A. 79-3620 is hereby amended to read as follows: 79-3620. (a) All revenue collected or received by the director of taxation from the taxes imposed by this act shall be deposited daily with the state treasurer. The state treasurer shall credit all revenue received from this act, less amounts withheld as provided in subsection (b) and amounts credited as provided in subsection (c) and (d), to the state general fund.

(b) A refund fund, designated as "sales tax refund fund" not to exceed \$100,000 shall be set apart and maintained by the director from sales tax collections and estimated tax collections and held by the state treasurer for prompt payment of all sales tax refunds including refunds authorized under the provisions of K.S.A. 79-3635, and amendments thereto. Such fund shall be in such amount, within the limit set by this section, as the director shall determine is necessary to meet current refunding requirements under this act. In the event such fund as established by this section is, at any time, insufficient to provide for the payment of refunds due claimants thereof, the director shall certify the amount of additional funds required to the director of accounts and reports who shall promptly transfer the required amount from the state general fund to the sales tax refund

fund, and notify the state treasurer, who shall make proper entry in the records.

(c) The state treasurer shall credit 5/8 of the revenue collected or received from the tax imposed by K.S.A. 79-3603, and amendments thereto, at the rate of 4.9%, and deposited as provided in subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(d) The state treasurer shall credit all revenue collected or received from the tax imposed by K.S.A. 79-3603, and amendments thereto, as certified by the director, from taxpayers doing business within that portion of a redevelopment district occupied by a redevelopment project that was determined by the secretary of commerce and housing to be of statewide as well as local importance and to meet the other criteria or will create a major tourism area for the state as specified in ~~K.S.A. 12-1774(a)(1)(D)~~ subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto, to the city bond finance fund, which fund is hereby created. The provisions of this subsection shall expire when the total of all amounts credited hereunder and under subsection (d) of K.S.A. 79-3710, and amendments thereto, is sufficient to retire the special obligation bonds issued for the purpose of financing all or a portion of the construction costs of such redevelopment project.

Sec. 9. K.S.A. 79-3620b is hereby amended to read as follows: 79-3620b. Moneys credited to the city bond finance fund in accordance with the provisions of subsections (d) of K.S.A. 79-3620 and (d) of K.S.A. 79-3710, and amendments thereto, shall be distributed biannually to cities which have issued special obligation bonds to finance, in whole or in part, a redevelopment project which was determined by the secretary of commerce and housing to be of statewide as well as local importance and to meet the other criteria or will create a major tourism area for the state as specified in ~~K.S.A. 12-1774(a)(1)(D)~~ subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto. The state treasurer shall make such biannual distributions on such dates as mutually agreed to by the city and the state treasurer. The total of all distributions under this section shall not exceed an amount determined to be sufficient to retire the principal and interest payable on such special obligation bonds. Moneys paid to cities hereunder shall be deposited in a special fund of the city to pay the costs described herein.

Sec. 10. K.S.A. 79-3710 is hereby amended to read as follows: 79-3710. (a) All revenue collected or received by the director under the provisions of this act shall be deposited daily with the state treasurer and the state treasurer shall credit the same, less amounts set apart as provided in subsection (b) and amounts credited as provided in subsection (c) and (d), to the general revenue fund of the state.

(b) A revolving fund, designated as "compensating tax refund fund" not to exceed \$10,000 shall be set apart and maintained by the director from compensating tax collections and estimated tax collections and held by the state treasurer for prompt payment of all compensating tax refunds. Such fund shall be in such amount, within the limit set by this section, as the director shall determine is necessary to meet current refunding requirements under this act.

(c) The state treasurer shall credit 5/8 of the revenue collected or received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 4.9%, and deposited as provided in subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(d) The state treasurer shall credit all revenue collected or received from the tax imposed by K.S.A. 79-3703, and amendments thereto, as certified by the director, from taxpayers doing business within that portion of a redevelopment district occupied by a redevelopment project that was determined by the secretary of commerce and housing to be of statewide as well as local importance and to meet the other criteria or will create a major tourism area for the state as specified in ~~K.S.A. 12-1774(a)(1)(D)~~ subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto, to the city bond finance fund created by subsection (d) of K.S.A. 79-3620, and amendments thereto. The provisions of this subsection shall expire when the total of all amounts credited hereunder and under subsection (d) of K.S.A. 79-3620, and amendments thereto, is sufficient to retire the special obligation bonds issued for the purpose of financing all or a portion of the construction costs of such redevelopment project.

Sec. 11. K.S.A. 12-1777, 79-3620, 79-3620b and 79-3710 and K.S.A. 1997 Supp. 12-1770, 12-1771, 12-1773, 12-1774 and 12-1775 are hereby repealed.

Sec. 12. This act shall take effect and be in force from and after its publication in the Kansas register.
