# Kansas Development Finance Authority Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, July 23, in the conference room in the offices of Kansas Development Finance Authority, Suite 1000, Jayhawk Tower, 700 S.W. Jackson, Topeka, on the proposal for the Kansas Development Finance Authority to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the respective borrower named below (who will be the owner and operator of the respective project) to finance the cost in the amount of the bond of acquiring the respective project or for the purpose of refunding a bond previously issued to finance the respective project. The project shall be located as shown:

**Project No. 000386, Maximum Principal Amount:** \$99,300. Owner/Operator: Casey T. and Tanya Carson. Description: Acquisition of 160 acres of agricultural land and related improvements to be used by the owner/operator for farming purposes. Location: Northeast Corner of the Northwest Quarter of Section 4, Township 26 South, Range 15 West of the 6th P.M., Ford County, Kansas; approximately 3 miles north of Dodge City on 14th Street then west on Garnett Road 2 miles—property location is on south side of road.

The bond, when issued, will be a limited obligation of the Kansas Development Finance Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged. The bond will be payable solely and only from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views for or against the proposal to issue the bond for the purpose of financing the respective project, and all written comments previously filed with the Authority at its offices at Suite 1000, Jayhawk Tower, 700 S.W. Jackson, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the Authority.

Any individual affected by the above described project may, at or prior to the hearing, file a written request with the Authority that a local hearing be held on the proposal to issue a bond to finance said project. This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Appraisal Board, Columbian Title Building, Suite 314, 820 S. Quincy, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Michael Haynes (785) 296-0706.

The proposed regulation amendments are for adoption on a permanent and a temporary basis. A summary of the proposed amendments to the regulation and its economic impact follows.

**117-6-3.** Education; obtaining course approval. The regulation is being amended for the following reasons:

1. To better clarify the regulation.

2. To ensure that all instructors of the USPAP course are either a licensed or certified appraiser.

To ensure that all instructors of the USPAP course have taken and passed the exam of a 15 classroom hour USPAP course within the previous three-year period.

4. To provide a cutoff date for all course renewals; currently there is none.

. Since a USPAP update course is currently required every three years for all licensed/certified appraisers, this requirement should have no impact on the instructors, applicants, appraisers, the public or state agencies.

Copies of the regulation and its economic impact statement may be obtained by contacting the Kansas Real Es-

tate Appraisal Board.

# **Board of Regents**

# Permanent Administrative Regulations

# Article 2.—PROCEDURES FOR DETERMINING RESIDENCE FOR FEE PURPOSES

**88-2-1.** Residence classification. (a) The registrar of each institution governed by the state board of regents shall determine the residence status for fee purposes of each student who enrolls in the institution. If the registrar determines that the original residency classification of any student was incorrect, the registrar shall give written notice of reclassification to that student, together with a statement of any additional fees owed by or any refund due to that student for any terms or semesters, and the same shall be due and payable immediately.

(b) Any residency determination by an agent duly designated by a registrar to make a determination pursuant to articles 2 and 3 shall be deemed to be the residency determination of that registrar. (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective, E-71-35, Aug. 20, 1971; effective Jan. 1, 1972; amended Nov. 18, 1991; amended July 24, 1998.)

# Article 3.—GUIDELINES FOR THE DETERMINATION OF RESIDENCY FOR FEE PURPOSES

**88-3-1.** Student information. Whenever a question arises concerning a person's residence classification for fee purposes, that person shall be provided with a copy of information to be a set forth in the regulation,

together with K.A.R. 88-3-2 through 88-3-13.

"Carefully read the information, statute, and regulations that follow. Then, if you believe you should be eligible for resident classification for fee purposes, complete the attached application for residence classification and submit it to the registrar within 30 days of your notification of classification as a nonresident for fee purposes. When an appeal is made by a student from a determination that the student is a nonresident, the student must pay nonresident fees at the time designated for payment of fees. If the student is found to be a resident, the difference between resident and nonresident fees will be refunded. Subject to the provisions of K.S.A. 77-601, et seq., decisions of the residence committee shall not be subject to further administrative review by any officer or committee of the university, or by the state board of regents."

Responsibility

"The responsibility of enrolling under proper residence classification for fee purposes is placed on the student. If there is any possible question of residence classification under the regulations of the state board of regents, it is the duty of the student when registering and paying fees to raise the question with the registrar. If a student enrolls incorrectly as a resident of Kansas and it is determined at a later date the student was a nonresident for fee purposes, the student shall be required to pay the nonresident fee for all terms during which the student was incorrectly registered." (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective, E-71-35, Aug. 20, 1971; effective Jan. 1, 1972; amended, E-76-50, Oct. 10, 1975; amended, E-77-5, March 19, 1976; amended Feb. 15, 1977; amended May 1, 1986; amended Nov. 18, 1991; amended July 24, 1998.)

**88-3-2.** Definition of "residence" for fee purposes.

(a) Except as otherwise provided in the rules and regulations of the state board of regents, "residence" means a person's place of habitation, to which, whenever the person is absent, the person has the intention of returning. A person shall not be considered a resident of Kansas unless that person is in continuous physical residence, except for brief temporary absences, and intends to make Kansas a permanent home, not only while in attendance at an educational institution, but indefinitely thereafter as itself.

(continued)

- (b) The factors that, while not conclusive, shall be given probative value in support of a claim for resident status include the following:
- (1) Continuous presence in Kansas, except for brief temporary absences, during periods when not enrolled as a student;
  - (2) employment in Kansas;

  - (8) ownership of a home in Kansas.

No factor shall be considered in support of a claim for resident status unless the factor has existed for at least one year before enrollment or re-enrollment.

(c) The following circumstances, standing alone, ordinarily shall not constitute sufficient evidence of a change to Kansas residence:

(1) Voting or registration for voting in Kansas:

- (2) employment in any position normally filled by a student;
  - (3) lease of living quarters in Kansas;
- (4) a statement of intention to acquire residence in Kansas;
  - (5) residence in Kansas of the student's spouse;
  - (6) vehicle registration in Kansas;
  - (7) acquisition of a Kansas driver's license;
  - (8) payment of Kansas personal property taxes; or
- (9) continuous enrollment in a postsecondary educational institution in Kansas.
- (d) If a person is continuously enrolled for a full academic program as defined by the institution where enrolled, it shall be presumed that the student is in Kansas for educational purposes, and the burden shall be on the student to prove otherwise.
- (e) Maintenance of ties with another state or country, including financial support, voting, payment of personal property taxes, registering a vehicle or securing a driver's license in that state or country, may be considered sufficient evidence that residence in the other state or country has been retained. (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective, E-71-35, Aug. 20, 1971; effective Jan. 1, 1972; amended, E-76-50, Oct. 10, 1975; amended, E-77-5, March 19, 1976; amended Feb. 15, 1977; amended May 1, 1986; amended Nov. 18, 1991; amended July 24, 1998.)
- **88-3-5.** (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective, E-71-35, Aug. 20, 1971; effective Jan. 1, 1972; amended, E-76-50, Oct. 10, 1975; amended, E-77-5, March 19, 1976; amended Feb. 15, 1977; amended Nov. 18, 1991; revoked July 24, 1998.)
- **88-3-11.** Recruited or transferred employees. (a) The resident fee privilege shall be granted to any person who upon enrollment has been a domiciliary resident of the state of Kansas for fewer than 12 months and whose current domiciliary residence was established to accept or retain full-time employment in the state of Kansas. The

resident fee privilege shall also be granted to the spouse and dependent children of that person.

- (b) Any person seeking the resident fee privilege pursuant to the provisions of this regulation shall provide a statement from the employer that supports the claim and meets these requirements:
  - (1) Be notarized;
- (2) be signed by the personnel director of the employer and one of the following:
  - (A) The owner;
  - (B) a partner; or
  - (C) the chief executive officer of the employer;
- (3) indicate whether residence in Kansas was established as the result of a job transfer or recruitment;
- (4) indicate the date of initial employment in Kansas in case of a job transfer;
- (5) indicate the date of hire in the case of an employment recruitment;
- (6) set forth the nature of the position in Kansas as fulltime; and
- (7) set forth the expected length of employment in Kansas
- (c) An individual who is self-employed shall not be considered eligible for the resident fee privilege under this regulation.
- (d) Military personnel shall be considered pursuant to K.A.R. 88-3-8 and not pursuant to the provisions of this regulation.
- (e) Each person seeking the resident fee privilege pursuant to the provisions of this regulation shall be responsible for providing information necessary to indicate that the establishment of residence in the state of Kansas was solely as a result of accepting, upon recruitment by an employer, or retaining, upon a transfer request by an employer, full-time employment in the state of Kansas.
- (f) The resident fee privilege extended by this regulation shall continue for a maximum of 12 months, but this privilege shall be extended during the pendency of the labor certification process with the United States department of labor or of a petition for adjustment of status with the immigration and naturalization service, when the recruited or transferred employee is a foreign national who has presented proof of each relevant filing. (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective, T-88-30, Aug. 19, 1987; effective May 1, 1988; amended Nov. 18, 1991; amended July 24, 1998.)
- **88-3-13.** Persons with special domestic relations circumstances. (a) The resident fee privilege shall be granted to any dependent student whose parents are divorced, as long as at least one parent is a Kansas resident pursuant to articles 2 and 3 of these regulations.
- (b) A dependent student who is correctly classified as a resident and who maintains continuous fall and spring enrollment and domiciliary residence in Kansas shall maintain the resident fee privilege. Brief temporary absences shall not end the eligibility for the resident fee privilege, as long as domiciliary residence is maintained. (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective July 24, 1998.)
