**Notice of Commencement of
Negotiations for Architectural Services**

Notice is hereby given of the commencement of negotiations for architectural services for A, C and E cell-houses at the Lansing Correctional Facility. The project calls for the replacement of a Southern Steel 7100 series locking system with a new locking system. The work will include new control panels, wiring, locking system, housing covers, gear and motors, etc. Cellfronts are to remain. The estimated project cost is \$2,100,000.

For information regarding the scope of services, contact Mike Gaito, Department of Corrections, (785) 296-0883.

If interested, an original and six copies (seven total) of the SF 255 form (plus relevant attachments of information regarding similar projects) should be submitted. These submittals should be concise, relevant to the project and follow the State Building Advisory Commission guidelines for submittal. Copies of the guidelines have previously been distributed to firms; if copies of the guidelines are required, contact Gary Grimes, Division of Architectural Services, 625 Polk, Topeka, 66603, (785) 233-9367. Submittals not complying with the guidelines will be returned without consideration.

Expressions of interest and the SF 255 submittals should be received by Gary Grimes before 5 p.m. August 21.

**Department of Administration
Division of Architectural Services****Notice of Commencement of Negotiations for
Construction Management Services**

Notice is hereby given of the commencement of negotiations for pre-construction construction management services for three projects at the University of Kansas, Lawrence:

- Dole Institute
- Child Care Facility
- Parking Garage #2

One firm will be selected to provide services to all the projects.

It is the intent of this contract to utilize the skills, experience and talents of a construction management firm, serving as a member of the design team and assisting other design professionals, under separate contract to the University of Kansas, to develop the construction documents necessary to accomplish the program of work within the budgeted resources available. The design team thus assembled should provide maximum assurance that design efforts will result in an awardable contract for construction and adherence to critical schedules during which the work must be performed.

The construction management services representative, as a member of the project design team, will provide any or all services that include, but are not limited to:

- Construction site access, staging, etc.
- Value engineering
- Verification of probable costs of construction
- Design review
- Constructability evaluation
- Schedule verification

Fees shall be negotiated according to K.S.A. 75-1265 and shall not exceed 1 percent of the estimated cost of the project. For information regarding the scope of services, contact Warren Corman, University Architect/Special Assistant to the Chancellor, University of Kansas, (785) 864-4868.

If interested, an original and six copies (seven total) of qualifications and expressions of interest should be submitted. These submittals should be concise, relevant to

the project, and sent to Gary Grimes, Division of Architectural Services, 625 Polk, Topeka, 66603.

Expressions of interest should be received by Gary Grimes before 5 p.m. August 21.

State Corporation Commission**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 10 a.m. Wednesday, October 14, in the first floor hearing room of the State Corporation Commission, 1500 S.W. Arrowhead, Topeka, to consider the adoption of proposed revisions of the Kansas motor carrier regulations, K.A.R. 82-4-1 *et seq.* (1994). The proposed revisions to the regulations are essentially comprised of technical corrections, such as capitalization, punctuation and sentence structure. Additionally, references to obsolete federal agencies such as the Interstate Commerce Commission have been changed to reflect the proper successor agency, the Federal Highway Administration of the Department of Transportation. Also, the revisions reflect several instances where federal law pertaining to the motor carrier industry in general has changed and where federal law that the commission has officially adopted for implementation in Kansas may have changed. Lastly, the revisions take official notice of new forms of doing business—in particular, the limited liability company—and update several regulations no longer applicable in today's motor carrier industry. The affected regulations are: K.A.R. 82-4-1, 82-4-3, 82-4-6d, 82-4-20, 82-4-21, 82-4-22, 82-4-23, 82-4-24a, 82-4-26, 82-4-27, 82-4-27a, 82-4-27c, 82-4-27e, 82-4-27f, 82-4-27g, 82-4-28, 82-4-28a, 82-4-28b, 82-4-29a, 82-4-30a, 82-4-30b, 82-4-31, 82-4-32, 82-4-33, 82-4-35a, 82-4-37, 82-4-42, 82-4-46, 82-4-48, 82-4-48a, 82-4-49c, 82-4-53, 82-4-54, 82-4-55, 82-4-56a, 82-4-57, 82-4-58a, 82-4-58b, 82-4-58c, 82-4-58d, 82-4-59, 82-4-62, 82-4-63, 82-4-64, 82-4-65, 82-4-67, 82-4-68, 82-4-69 and 82-4-85.

This 60-day notice of the public hearing shall constitute a public comment period for purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Eric Heath, Assistant General Counsel, State Corporation Commission, 1500 S.W. Arrowhead, Topeka, 66604. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

Copies of the regulations and the economic impact statement may be obtained by contacting Vicki Berg at (785) 271-3225.

Any person requiring accommodations under the Americans With Disabilities Act should give notice to the commission at least 10 days prior to the hearing date.

Notice to Consulting Engineers

The Kansas Department of Transportation is seeking qualified consulting engineering firms for the projects listed below. Responses must be received by 5 p.m. August 27 for the consulting engineering firm to be considered. Seven signed copies of the response should be mailed to Neil Rusch, P.E., Assistant to the Director, Division of Engineering and Design, KDOT, Room 1084-West, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612-1568. Responses shall be limited to four pages.

From the firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified (not less than three, not more than five) and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short listed will be notified by letter.

The Consultant Negotiating Committee, appointed by the Secretary of Transportation, will conduct discussions with the firms invited to the individual interview conferences. The committee will select the firm to perform the professional services required for completing the advertised project. After the selection of this firm, the remaining firms will be notified by letter of the outcome.

Request for Comments

The Kansas Department of Health and Environment has received and reviewed an application from American Disposal Services of Kansas, Inc. to increase the disposal capacity of the Wheatland Landfill located on K-7 highway, 4 miles north of Columbus, near Skidmore, by increasing the design height of the landfill. The proposed change will result in a 60-foot increase in the finished height of the landfill from the currently permitted final elevation of 958 feet to a proposed elevation of 1018 feet. The increase in height will occur only over areas lined with clay and geosynthetic material and equipped with a leachate collection system. The change in height will increase the disposal capacity of the landfill by 1,730,000 cubic yards. KDHE is providing public notice of its intent to issue an amended permit to American Disposal Services, Inc., the owner and operator of the Wheatland Landfill, to allow an increase in the final permitted elevation of the existing landfill.

A copy of the administrative record, which includes the draft amended permit and all information regarding this permit action, is available for public review through Friday, September 18, during normal business hours, 8 a.m. to 5 p.m. Monday through Friday, at the following locations:

Anyone wishing to comment on the draft permit or application information should submit written statements postmarked not later than September 21 to Phil Rosewicz at the KDHE Forbes Field address.

An informational meeting will be held in conjunction with the public comment period at 1 p.m., followed by a public hearing at 2 p.m., Friday, September 18, in the County Commission Room at the Cherokee County Courthouse, Columbus. After consideration of all written comments and all formal comments received at the hearing, the director of the Division of Environment will make a final permit decision. Notice of the decision will be given to the applicant, to all persons who submitted written comments, to those who commented at the public hearing, and to those who requested notice of the final permit decision.

State of Kansas

Department of Health
and EnvironmentNotice Concerning Kansas
Water Pollution Control Permits

In accordance with state regulations 28-16-57 through 63, 28-18-1 through 4, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, draft permits have been prepared for discharges to the waters of the United States and the State of Kansas for the class of dischargers described below. The determinations for permit content are based on staff review, applying the appropriate standards, regulations and effluent limitations of the State of Kansas and the EPA, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization subject to certain conditions.

Kansas Permit No. I-WA09-PO11 Federal Permit No. KS0093131
Legal: SW¼, S26, T25S, R5E, Butler County

Facility Description: The proposed action is to issue a new permit for the discharge of treated groundwater from a groundwater remediation project and stormwater collected in inactive ponds. This is a superfund cleanup project for a former petroleum refinery. Previously, the stormwater and wastewater generated from the site cleanup were discharged to the adjacent Coastal Refinery wastewater treatment plant. Contaminated groundwater and purge water from the on-site monitoring wells are collected in an interceptor trench, treated in an oil-water separator and filtered to achieve compliance with the permit limitations. Discharge from Outfall 001 is about 28,800 gpd. Also, stormwater collected in the inactive ponds is filtered and discharged to the Walnut River at Outfall 002 at about 288,000 gpd for about six weeks per year. Domestic sewage wastewater is directed to a septic tank/lateral system. The permit requirements are pursuant to Kansas surface water quality standards, K.A.R. 28-16-28(b-f), and federal surface water criteria.

Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States or a qualified financial surety bond in the amount of \$9,000 (2 percent of the principal amount of the bonds).

Delivery

The issuer will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before

September 1, 1998, at DTC for the account of the successful bidder or at such bank or trust company in the contiguous United States as may be specified by the successful bidder.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 1997 is \$12,731,388. The total general obligation indebtedness of the issuer as of the date of delivery of the bonds, including the bonds being sold, is \$450,000.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore and Bell, P.C., Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder when the bonds are delivered.

Additional Information

Additional information regarding the bonds may be obtained from the secretary, (316) 646-5215, or from the financial advisor, Froggatte & Herndon Capital Corporation, 320 N. Main, Wichita, KS 67202, Attention: Theron L. Froggatte, (316) 264-6300.

**Permanent Administrative
Regulations**

Article 1.—GENERAL

40-1-45. Release of data from the insurance database. (a) Although the data collected by and furnished to the commissioner of insurance pursuant to K.S.A. 40-2251, and amendments thereto, is not an open record pursuant to K.S.A. 1997 Supp. 45-221(16), and amendments thereto, compilations of this data may be released, subject to the following limitations.

(1) These reports shall include comparative information on averages of data collected. Compilations of data shall not contain patient-identifying information or trade secrets.

(2) The raw data shall be released by the commissioner of insurance only to each data provider that has submitted that particular data to the database and that requests to see and review its dataset for purposes of verifying information in the database pertaining to that data provider. These datasets shall not be made available to the public.

(3) External data used for normative values that are not within the public domain shall not be released.

(b) Any person, organization, governmental agency, or other entity may request the preparation of compilations of data collected by and furnished to the commissioner

(continued)

of insurance, in accordance with the following procedure and limitations.

(1) All requests for compilations of data shall be made in writing to the commissioner of insurance. The written request shall contain the name, address, and telephone number of the requester, and a description of the legitimate purpose of the requested compilation. A "legitimate purpose" is defined as a purpose consistent with the intent, policies, and purposes of K.S.A. 40-2251, and amendments thereto. Whether or not a legitimate purpose exists may be determined by the commissioner of insurance.

(2) Each request for a compilation of data shall be reviewed by the commissioner of insurance to determine whether to approve or deny the request. A request for compilation of data may be denied by the commissioner of insurance for reasons including any of the following.

(A) The data is unavailable.

(B) The requested compilation is already available from another source.

(C) The requested compilation of data would endanger patient confidentiality.

(D) The commissioner lacks sufficient resources to fulfill the request.

(E) The request would disclose a trade secret.

(F) The requester has previously violated the rules for dissemination from the insurance database.

(G) The request is not a legitimate purpose.

(3) The requester may ask for compilations of data collected by and furnished to the commissioner of insurance in a specific manner or format not already used by the commissioner. This shall include any request for subsets of information already available from the commissioner in compiled form.

(4) The requester shall be notified by the commissioner of insurance in writing of its decision within 30 days. Each denial of a request shall include a brief explanation of the reason for the denial.

(5) Determination of a fee to be charged to the requesting person, organization, governmental agency, or other entity to cover the direct and indirect costs for producing compilations shall be made by the commissioner of insurance or designee in consultation with the commissioner. The fee shall include staff time, computer time, copying costs, and supplies. For charging purposes, each compilation shall be considered an original. The fee may be waived at the commissioner's discretion.

(c) No person, organization, governmental agency, or other entity receiving data from the commissioner shall redisclose or redistribute that information for commercial purposes. Any violation of this section shall result in denial of all further requests to the insurance database.

(d) Any publication using data from the insurance database shall include a written acknowledgment of the Kansas insurance department. A copy of any publication of data from the insurance database shall be sent to the commissioner of insurance before its publication. (Authorized by K.S.A. 1997 Supp. 40-2251 and K.S.A. 40-221; implementing K.S.A. 1997 Supp. 40-2251; effective Aug. 21, 1998.)
