State of Kansas

Office of the Governor

Message to the Senate of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Bill 325 with my signature approving the bill, except for the item enumerated below:

The portion of Section 53 that reads as follows has been line item vetoed:

"And provided further, That expenditures of not to exceed \$300,000 may be made from the aid to local units account for a contract or contracts between the secretary of health and environment and not-for-profit organizations for programs that provide services for women which enable them to carry their pregnancies to term: And provided further, That such contracted services may include an array of social services relating to pregnancy maintenance and

that no individuals who are unable to pay shall be denied the delivery or provision of pregnancy maintenance services: And provided further, That no contract or contracts under pregnancy maintenance programs shall be entered into with any group performing, promoting, referring for or educating in favor of abortion: And provided further, That a not-for-profit organization awarded a contract under this proviso shall match state moneys under this contract on the basis of a 50% match from a not-for-profit organization and a 50% match from the department of health and environment: And provided further, That the secretary of health and environment shall submit a report to the legislature at the beginning of the regular session of the legislature in 2000 on the results and outcomes of such pregnancy maintenance programs: And provided further, That no part of the grant moneys shall be used for any political purposes."

I am vetoing the proviso creating a pregnancy maintenance program. Currently, financially needy women are afforded financial assistance through the state for prenatal care, food, housing, nutrition and child care. State funds should support a range of programs, such as these, beneficial to woman. This proviso discriminates against certain facilities already providing these valuable prenatal services and duplicates current public and private efforts. For these reasons, I am line-item vetoing this provision of SB 325.

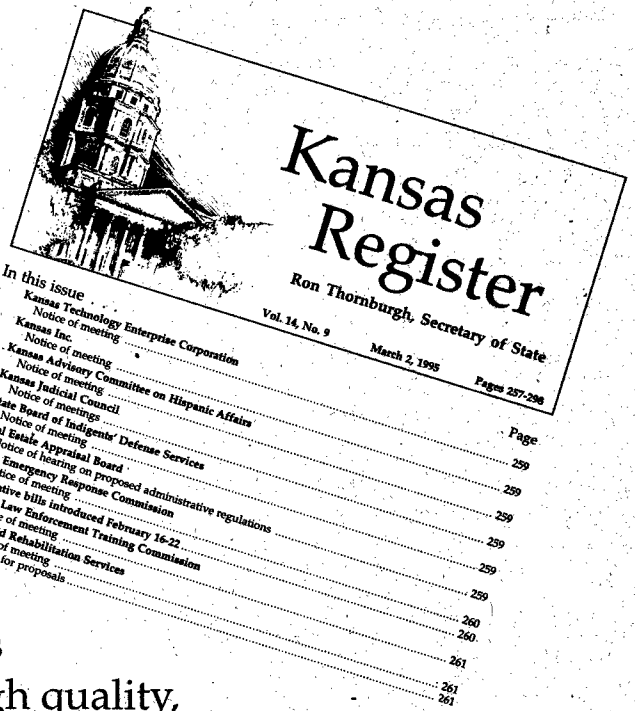

Dated April 26, 1999.
