Social and Rehabilitation Services**Notice of Medicaid State Plan Amendment**

An amendment to the Kansas Medicaid State Plan, attachment 4.19D, will be submitted to the federal Department of Health and Human Services Health Care Financing Administration, changing some of the cost center limitations for intermediate care facilities for the mentally retarded (ICFs/MR). Social and Rehabilitation Services, through the Division of Health Care Policy, Community Supports and Services (SRS/HCP/CSS), proposes to increase selected cost center limitations for ICFs/MR effective October 1, 2000. The approved Kansas Medicaid State Plan requires that ICF/MR cost center limitations be reviewed annually before October 1 and, if less than 75 percent of all ICFs/MR are reimbursed less than 95 percent of their reported allowable Medicaid costs, cost center limits must be adjusted.

SRS/HCP/CSS staff compared the reported allowable costs of all ICFs/MR with the current cost center limitations for habilitation and administration, the two cost centers with caps, and determined adjustments in certain cost center limitations were justified. The cost center limitation adjustments and justifications are as follows:

Habilitation Cost Center Limitations**Large facilities with more than 16 beds**

There are three facilities with more than 16 beds: two level 2 facilities and one level 3 facility. The level 2 facilities meet the 75 percent threshold for reimbursement. The level 3 facility reported costs that exceeded the established limitation and did not meet the threshold. Therefore, the cost center limitation for level 3 large ICF/MR will be increased from \$98.66 to \$100.

Medium facilities with 9 to 16 beds

There are eight facilities in this category. The subgroup comparative cost analysis of the facilities based on their level of care did meet the threshold of 75 percent receiving 95 percent of their reported costs. However, as a

group, only 50 percent of the facilities had 95 percent of their reported costs reimbursed. Therefore, the following increases will be made in habilitation cost centers:

Level 1 from \$135 to \$137.50

Level 3 from \$123 to \$127

Level 4 from \$109 to \$112

Small facilities with 4 to 8 beds

This is the largest group of ICF/MR facilities. There are 24 small ICFs/MR: 19 are level 1, three are level 2, and two are level 3. Only 50 percent of the level 1 facilities meet the threshold of 95 percent reimbursement of their reported costs. Level two facilities meet the threshold. Level 3 facilities did not meet the threshold: 50 percent of their facilities did not receive 95 percent reimbursement of their reported costs. Therefore, the following increases will be made in habilitation cost centers for the small ICF/MR facilities:

Level 1 from \$163 to \$170

Level 3 from \$129.05 to \$140.50

Administrative Cost Center Limitations

The reported allowable administrative costs for all ICFs/MR did not meet the threshold of 75 percent receiving reimbursement for 95 percent of their costs. The Medium ICFs/MR, levels 1, 3 and 4, and the Small ICFs/MR, level 1 facilities, were the subgroups that did not meet the threshold. Therefore, the following increases will be made in administrative cost centers:

Medium ICFs/MR

Levels 1,3,4 from \$18 to \$19

Small ICFs/MR from \$25.50 to \$25.75

Inflation Factor

The annual percentage rate for estimated inflation is computed using a projection based on economic forecasts and predictions of reputable and prominent national publications. The projected inflation percentage that will be used to recalculate ICF/MR rates for October 1, 2000, is 3 percent.

Financial Impact

It is estimated that the increases in ICF/MR cost center limits outlined above will result in budget expenditures of \$375,245.40. The state general fund portion of this increase is \$150,661.03.

Copies of this notice will be sent to all licensed and Medicaid-certified ICFs/MR. A public comment period will be in effect from the date of publication of this notice in the Kansas Register until September 29. Comments may be sent to Cynthia Capellari, SRS/HCP/CSS, 5th Floor, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612, (785) 296-3561.

Opinion 2000-39

Elections—Filling Vacancies in Offices and Candidacies—Procedure for Filling Vacancy in State Board of Education; District Convention; Appointment by Governor. Senator Ben E. Vidricksen, 24th District, Salina, July 13, 2000.

If a vacancy in member position 6 of the State Board of Education exists, the procedure for filling the vacancy is set forth in K.S.A. 1999 Supp. 25-3902a. Board member position 6 is subject to election during the general election conducted November 7, 2000, regardless whether a person has recently been appointed to fill a vacancy in that board member position. Opinion 2000-40

Insurance—Firefighters Relief Act—Authorized Uses of Money Received by Firefighters Relief Associations. Douglas D. Depew, Neodesha City Attorney, Neodesha, July 24, 2000.

The Commissioner of Insurance is charged with administration of the Firefighters Relief Fund pursuant to the Firefighters Relief Act, K.S.A. 40-1701. In light of the commissioner's statutory authority to promulgate regulations to effect the purposes of the act and her statutory discretion to find that an expenditure made by a Firefighters Relief Association is not authorized by the Firefighters Relief Act, the commissioner has the authority to approve an association's expenditure as a reasonable administrative expense on a case-by-case basis pursuant to K.A.R. 40-10-10. Cited herein: K.S.A. 40-1701; 40-1702; 40-1703; 40-1704; 40-1705; 40-1706; 40-1707. GE

Opinion 2000-41

Public Health—Secretary of Health and Environment, Activities—Prevention of Water Pollution; Confined Feeding Facilities; Separation Distance Requirements. Clyde D. Graeber, Secretary, Kansas Department of Health and Environment, Topeka, July 24, 2000.

K.S.A. 1999 Supp. 65-171d(d) gives the secretary of the Kansas Department of Health and Environment authority to adopt a regulation that allows the secretary to impose separation distances for confined feeding facilities that are greater than those imposed by K.S.A. 1999 Supp. 65-171d(h)(1), including the imposition of separation distance requirements for facilities with less than 300 animal units and for facilities exempt from statutory separation distances by K.S.A. 1999 Supp. 65-171d(j)(1), if the secretary finds that the requirements are necessary to prevent water pollution. Cited herein: K.S.A. 1999 Supp. 65-171d; K.A.R. 28-18-3. DMV

Opinion 2000-42

Domestic Relations—Marriage—Issuance of Marriage License; Affidavit. David P. Mikesic, District Judge, Division 10, Kansas City, July 24, 2000.

In a prosecution pursuant to K.S.A. 1999 Supp. 23-106 for "swearing falsely" in an affidavit for a marriage license, the issue of whether an oath has been administered is a question for the trier of fact. However, the Kansas appellate courts do not appear to require strict adherence to the oath formalities of K.S.A. 54-102 and 54-104. Finally, because K.S.A. 1999 Supp. 23-106 does not require that the oath be taken before a clerk or judge, the unsworn declaration set forth in K.S.A. 53-601 is an appropriate alternative to the affidavit required by K.S.A. 1999 Supp. 23-106. Cited herein: K.S.A. 1999 Supp. 21-3805; 23-106; K.S.A. 53-601; 54-102; 54-104. MF

Opinion 2000-43

District Officers and Employees—District Coroners—Notification of Death to Coroner or Deputy; When. Clyde D. Graeber, Secretary, Kansas Department of Health and Environment, Topeka, August 3, 2000.

If a coroner in the county of the cause of death decides that an investigation into the cause of death should take place, the coroner in the county of death is responsible for conducting the investigation and signing the medical certification of the cause of death. The coroner in the county of death also is responsible for signing the medical certification of the cause of death when the coroner in the county of the cause of death decides that an investigation is not necessitated. Cited herein: K.S.A. 22a-231, as amended by L. 2000, ch. 54, § 2; K.S.A. 22a-232, as amended by L. 2000, ch. 54, § 3; K.S.A. 1999 Supp. 65-2412. CN

Opinion 2000-44

Schools—School Safety Violations, Suspension of Driving Privileges—Suspension of Driver's License or

Privilege Upon Extended-Term Suspension or Expulsion from School; Notification of Division of Vehicles, Department of Revenue; Federal Family Educational Rights and Privacy Act. Kerwin L. Spencer, Counsel, Unified School District No. 353, Wellington, August 22, 2000.

K.S.A. 1999 Supp. 72-89c02 is not pre-empted by the Family Educational Rights and Privacy Act (FERPA). Further, the federal act is not violated through an isolated, individual disclosure of a pupil's records or personally identifiable information contained therein. The FERPA precludes the payment of federal funds to any educational agency or institution that has a policy or practice of permitting the release of education records, or personally identifiable information contained therein, other than directory information. If it is determined that repeated compliance with the requirement of K.S.A. 1999 Supp. 72-89c02 to disclose to the Division of Vehicles of the Department of Revenue personally identifiable information pertaining to a pupil establishes a school board policy or practice that conflicts with the FERPA, there is the possibility that compliance with the state statute may jeopardize the ability of a unified school district to receive federal funds, and the Family Policy Compliance Office of the U.S. Department of Education should be notified by the educational institution. The office may then conduct an investigation and, if it is determined that a policy or practice in violation of the FERPA has been established, provide the school district with specific steps the school district should take to bring itself into compliance.
