Jackson, Topeka, on the proposal for the Kansas Development Finance Authority to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the respective borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond of acquiring the project or for the purpose of refunding a bond previously issued to finance the project. The project shall be located as shown:

Project No. 000479 — Maximum Principal Amount: \$17,290. Owner/Operator: Christopher and DeAnn Huxman. Two or three firms will be selected. Seven signed copies of the response should be mailed to Neil Rusch, P.E., Assistant to the Director, Division of Engineering and Design, KDOT, Room 1084-West, Docking State Office Building, 915 S.W. The Kansas Department of Health and Environment has received and reviewed a permit modification request to construct and operate a new cell at the existing Coffey County municipal solid waste landfill. The proposed municipal solid waste landfill cell is adjacent to and west of the existing cell, which is currently accepting waste. Coffey County is the owner of the property. The new 24-acre cell will be developed in six phases of approximately 4 acres each. The new cell will be constructed with a composite liner consisting of soil and a geomembrane and a leachate collection system. Based on current waste projections, the new cell has a capacity to receive waste for approximately 81 years. KDHE is providing public notice of its intent to amend the municipal solid waste permit to allow construction and operation of the new cell. The new cell lies in the SE $\frac{1}{4}$, NW $\frac{1}{4}$, Section 24, Township 21 South, Range 15 East. The Coffey County landfill is located at 1498 12th Lane N.E., Burlington.

Division of Personnel Services

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, April 24, in Room 108, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed rules and regulations of the Division of Personnel Services, Department of Administration, on a permanent basis.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Faith Loretto at (785) 296-6000 or TTY (785) 296-4798. The north entrance to the Landon State Office Building is accessible. Handicapped parking is located at the south end of the building, directly across the street from the building's north entrance, and on Ninth Street, just around the corner from the north entrance.

Summaries of the proposed regulations and their economic impact follow.

K.A.R. 1-5-8, Beginning pay; K.A.R. 1-5-9, Pay of temporary employee; K.A.R. 1-5-19b, Individual pay step increases; K.A.R. 1-5-19c, Effect of pay grade changes on pay; K.A.R. 1-5-20, Individual pay decreases.

The proposed amendments to these regulations reflect changes in the Governor's FY 2001 pay plan for state employees. The Governor announced in his State of the State address on January 8, 2001, that steps 1, 2 and 3 would be removed from the pay matrix and a new step 16 would be added. The Governor issued an Executive Directive implementing these changes, effective February 4, 2001.

The proposed amendments to these regulations were first adopted on a temporary basis in order to coincide with the implementation of the Governor's FY 2001 pay plan. The same amendments are now proposed on a permanent basis. Existing language in these regulations refers specifically to steps 1, 2, 3 and 15. The proposed amendments remove those specific references. Instead, the new language refers to the minimum step, the maximum step, and the second and third steps. The proposed language allows for greater flexibility than the existing language while retaining the specificity of references to particular steps in the pay matrix.

The proposed amendments to these regulations, in and of themselves, would have no economic impact on state employees and state agencies, since the amendments simply provide more generic names for steps on the pay matrix. The proposed amendments reflect a change to the Governor's FY 2001 pay plan, which was implemented through an Executive Directive on February 5, 2001. In 2001, the removal of steps 1, 2 and 3 had an initial impact of \$2.4 million (including fringe and shrinkage) from all funds with approximately half from the state general fund. This initial cost came from FY 2001 agency budgets, but agencies will need to provide for the ongoing costs of the higher salaries and wages within the constraints of their FY 2002 budgets. Programming and implementation costs to SHARP for removing steps 1, 2 and 3 and adding step 16 were completed and cost approximately \$3,480.

Copies of the proposed regulations and the associated economic impact statement may be obtained from the Division of Personnel Services, Room 951-S, Landon State Office Building, 900 S.W. Jackson, Topeka, (785) 296-4863, or from the Internet at <http://da.state.ks.us/ps/documents/regs/proposed.htm>.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9:30 a.m. Tuesday, May 1, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the proposed revocation of an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Rebecca Sanders, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the proposed revocation of the regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Rebecca Sanders at (785) 296-7811.

A copy of the complete text of the regulation and the economic impact statement may be obtained by contacting Rebecca Sanders. A summary of the regulation and its economic impact follows.

K.A.R. 40-3-29. This regulation provides that hearings concerning the cancellation of an automobile liability policy are to be held and conducted pursuant to K.S.A. 40-281. The Kansas Insurance Department is proposing that this regulation be revoked because it is unnecessary. The Commissioner of Insurance has the authority under K.S.A. 40-281 to call a hearing under these provisions for anything that is deemed to be in the public interest. If an insurance policy is cancelled in violation of the Kansas insurance laws, a fine may imposed and a hearing held if requested under the provision of K.S.A. 40-2,125. The economic impact, if any, would be positive because an unnecessary regulation is being revoked.

A copy of the complete text of the regulation and the economic impact statement may be obtained by contacting Rebecca Sanders. A summary of the regulation and its economic impact follows.

K.A.R. 40-1-8. This regulation allows the Commissioner of Insurance to take disciplinary action pursuant to K.S.A. 40-246a if a company writes business prior to certain filings being made with the Kansas Insurance Department. K.S.A. 40-928 and 40-113, the two other statutes cited in the regulation, have been repealed. The Kansas Insurance Department is proposing that this regulation be revoked because it is not longer necessary. K.S.A. 40-2,125 enacted in 1989 allows the Commissioner of Insurance to take administrative action against any entity that violates any insurance statute or rule and regulation. The economic impact, if any, would be positive because an unnecessary regulation is being revoked.
