Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

State of Kansas

Department of Health and Environment

Notice of Hearing

The Kansas Department of Health and Environment is proposing to revise the *State of Kansas Implementation Plan for the Attainment and Maintenance of National Ambient Air Quality Standards*. The hearing for this action will be at 11 a.m. Wednesday, July 24, at the Johnson County Central Resource Library, 9875 W. 87th, Overland Park. Specifically, the department is proposing to adopt the 10-year update to the Kansas City Metropolitan Area (KCMA) Ozone Maintenance Plan component (plan) of the state air quality implementation plan (SIP).

The existing plan defines the measures that the state was to take to ensure the maintenance of the air quality for ozone in the KCMA during the 10-year period following redesignation to attainment status for the pollutant ozone. The Clean Air Act requires that the state update the plan for the period following the original 10-year maintenance plan. This proposed SIP revision will satisfy that requirement by defining the measures the state will take to continue to ensure the ozone levels in the KCMA meet the federal requirements. Additionally, the proposed revision updates the emissions inventory and emissions budgets for the KCMA, and updates the status of new rules adopted since the last revision that aid in maintaining the air quality. This proposed revision retains the previously-incorporated contingency measures; no additional measures are incorporated for possible implementation in the event that ozone levels result in a violation of the federal standards.

This proposed SIP revision does not include any rule-making action. Details concerning this revision can be obtained by contacting Ralph J. Kieffer, Kansas Department of Health and Environment, Bureau of Air and Radiation, at (785) 296-6428. Comments from the interested public should be addressed to the Kansas Department of Health and Environment, Bureau of Air and Radiation, Attention: Ralph J. Kieffer, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. Comments must be received by the Bureau of Air and Radiation not later than the close of business July 29 to assure full consideration of this proposed revision to the SIP.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and plan in accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Ralph J. Kieffer.

Request for Qualifications from Engineering Consulting Firms

It is the intent of the Department of Health and Environment, pursuant to K.S.A. 75-5801, to select qualified engineering firms, permitted by law to practice engineering in the State of Kansas, for the design of abandoned coal mine reclamation projects in Southeast Kansas. The Surface Mining Section will interview the best qualified firms and enter into contract negotiations for AML projects.

Examples of work involved in the projects include design of grading plans for dangerous high walls, drainage control, roadside improvements, disposal of mine wastes and revegetation.

All interested firms should submit three copies of SF 254 and SF 255 to the Surface Mining Section office not later than 5 p.m. July 15. Submittals and questions should be addressed to Murray J. Balk, KDHE, Surface Mining Section, 4033 Parkview Drive, Frontenac, 66763, (620) 231-8540.

Notice of Hearings on Proposed Administrative Regulations

The Kansas Department of Health and Environment, Division of Environment, will conduct a series of three public hearings to consider the proposed revisions to the Kansas surface water quality standards, K.A.R. 28-16-28b through K.A.R. 28-16-28e, including revisions to the Kansas surface water register. The first hearing will be at 7 p.m. September 4 at Fort Hays State University, Memorial Union, Fort Hays Ballroom, Hays. A second hearing will be at 7 p.m. September 5 at the Dodge City Community College, 2501 N. 14th Ave., Student Union Building, Santa Fe Room, Dodge City. The final hearing will be at 7 p.m. September 10 at the Memorial Hall Auditorium, 120 S.W. 10th Ave., Topeka. A public availability session will be conducted from 3 to 5 p.m. prior to each of the public hearings to provide persons an opportunity to review the findings of use attainability analyses used to establish designated uses.

Following is a summary of the proposed amendments:

K.A.R. 28-16-28b is the definition section for the surface water quality standards. Five definitions have been changed to reflect language in K.S.A. 82a-2001.

K.A.R. 28-16-28c is the general provisions section of the surface water quality standards. The scheme of classification for surface waters has been changed to reflect language in K.S.A. 82a-2001.

K.A.R. 28-16-28d is the designated uses and classification section of the water quality standards. Some of the definitions in the section have been modified to reflect language in K.S.A. 82a-2001. The Kansas surface water quality register has been updated to reflect findings from 215 contact recreation use attainability analyses. Thirty-nine stream segments and one lake are proposed to be removed, 109 stream segments are proposed as secondary and one stream segment and 65 lakes are proposed as primary contact recreation. Sixty-five lakes also are proposed to be designated for food procurement.

K.A.R. 28-16-28e is the surface water quality criteria section of the water quality standards. Proposed modifications are primarily clean-up changes and a change in the date of adoption by reference of the Kansas implementation procedures.

No additional costs for compliance have been associated with the proposed regulations. The environmental benefit expected is that appropriate designated contact recreational uses are based upon the findings of a use attainability analyses.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulatory action. All interested parties may submit written comments prior to the hearing to Ricquelle Landis, Kansas Department of Health and Environment, Bureau of Environmental Field Services, 1000 S.W. Jackson, Suite 430, Topeka, 66612-1367. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulatory action during the hearings, as well as to submit their written comments at that time. In order to give all parties an opportunity to present their views, it may be necessary to require each participant to limit any oral presentation to five minutes.

Copies of the proposed amendments and the economic impact and environmental benefit statements may be obtained by contacting Ricquelle Landis at (785) 296-6603. Questions pertaining to these proposed amendments should be directed to Craig Thompson at (785) 296-5569. The draft regulations are available on KDHE's homepage at www.kdhe.state.ks.us/befs in a PDF format. The use attainability analyses also are available at this site. The draft regulations are available via e-mail in a WordPerfect format. E-mail requests should be sent to rlandis@kdhe.state.ks.us.

Any individual with a disability may request accommodation in order to participate in the public hearings and may request the proposed amendments and the economic impact and environmental benefit statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Ricquelle Landis.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. Northern Natural Gas Company has applied for a Class I operating permit in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Northern Natural Gas Company, Liberal, owns and operates a natural gas compressor station located at Section 32, Township 32 South, Range 37 West, Stevens County.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the KDHE South Central District Office, 130 S. Market, sixth floor, Wichita. To obtain or review the proposed permit and supporting documentation, contact Michael J. Parhomek, (785) 296-1580, at the KDHE central office; or David Butler, (316) 337-6020, at the KDHE South Central District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Michael J. Parhomek, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received by the close of business July 22.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business July 22 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this

notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Gary Schlicht, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7097, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Wildlife and Parks Commission

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted by the Wildlife and Parks Commission at 7 p.m. Thursday, August 22, at the Performing Arts Center at Ellsworth High School, 211 W. 11th, Ellsworth, to consider the approval and adoption of proposed administrative regulations of the Kansas Department of Wildlife and Parks.

A workshop meeting on business of the Wildlife and Parks Commission will begin at 1:30 p.m. August 22 at the same location. The meeting will recess at 5 p.m., then resume at 7 p.m. at the same location for the regulatory hearing. There will be public comment periods at the beginning of the afternoon and evening meetings for any issues not on the agenda, and additional comment periods will be available during the meeting on agenda items. Old and new business also may be discussed at this time. If necessary to complete the hearing or other business matters, the commission will reconvene at 9 a.m. August 23 at the same location.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sheila Kemmis, commission secretary, (620) 672-5911. Persons with a hearing impairment may call the TDD service at 1-800-766-3777 to request special accommodations.

This 60-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on proposed administrative regulations.

All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, Suite 502, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulations that will be heard during the regulatory hearing portion of the meeting are as follows:

K.A.R. 115-2-1. This regulation establishes fish- and wildlife-related licenses and permit fees. The proposed amendment would set a separate, reduced fee of \$100 for resident commercial guides who provide only fishing services.

Economic Impact Summary: The proposed amendments may reduce department revenue by approximately \$3,000, with a corresponding economic benefit to individuals paying the reduced fee. Otherwise, the amendment is not anticipated to have an economic impact on the department, other agencies, or the general public.

K.A.R. 115-2-2 and 115-2-3. These regulations establish permit fees relating to state parks. The proposed amend-

ments would increase certain fees for 2003, with some new fees not taking effect until April or October of 2003. After all news fees are effective, some of the primary changes would include prime-season annual motor vehicle permits at \$44.50 and prime season additional motor vehicle permits at \$24.50 (with reduced fees during off-season); prime season overnight camping permits at \$7, 14-night permits at \$75 and an annual camping permit at \$150; and utility fees of \$5.50, \$7.50 and \$8.50, for one, two or three utilities, respectively.

Economic Impact Summary: The proposed amendments are in response to a reduction in SGF funding for state parks in FY 2003 of more than \$1 million. They are anticipated to increase revenue to the Parks Fee Fund by approximately \$385,000 in FY 2003 and approximately \$830,000 in FY 2004. The costs of these increases would be borne by state park users.

K.A.R. 115-7-1, 115-7-2 and 115-7-7. These regulations address legal equipment and other general provisions concerning fishing in Kansas. The proposed amendments, combined with regulatory changes currently being undertaken by the State of Missouri, would unify fishing regulations applicable on the Missouri River as a result of negotiations between the two states. Among other proposals, 115-7-7 would be a new regulation allowing persons licensed in one state to fish in the Missouri River from the banks of the other state.

Economic Impact Summary: The proposed amendments are intended to simplify applicable regulations, and therefore no substantial economic impact to the department, other state agencies or the public is anticipated.

K.A.R. 115-13-3 and 115-13-4. These regulations establish requirements for a field trial permit using small game, or furbearers and coyotes, respectively. The proposed amendments would authorize the Secretary of Wildlife and Parks to waive an existing 15-day application deadline for extenuating circumstances, which is defined as "any condition that is caused by an unexpected event that is beyond the applicant's control."

Economic Impact Summary: Other than the possibility of allowing review of some permit applications that might otherwise be denied, the proposed amendments are not anticipated to have an economic impact on the department, other state agencies or the public.

K.A.R. 115-17-11, 115-17-12 and 115-17-13. These regulations establish legal equipment, legal species and other provisions governing commercial fishing on the Missouri River. The proposed amendments, combined with regulatory changes currently being undertaken by the State of Missouri, would unify commercial fishing regulations as a result of negotiations between the two states. Among other proposals, 115-17-13 would specify that persons licensed to commercially fish in one state would be authorized to commercial fish in the waters within the other state's jurisdiction, with certain restrictions.

Economic Impact Summary: The proposed amendments are intended to simplify applicable regulations, and therefore commercial fishing operators may see some economic benefit. Otherwise, no substantial economic impact to the department, other state agencies or the public is anticipated.

(continued)

K.A.R. 115-18-13. This regulation establishes dark geese management units and permit requirements. The proposed amendments would eliminate the permit requirements.

Economic Impact Summary: The amendments may reduce department revenue by approximately \$7,700 by no longer requiring dark goose permits in these units, with a corresponding benefit to the persons hunting in these units. Otherwise, the amendments are not anticipated to have an economic impact on the department, other state agencies or the public.

K.A.R. 115-18-14. This regulation establishes legal non-toxic shot for hunting migratory waterfowl. Based on anticipated federal authorization, tungsten-iron-nickel-tin shot is proposed for addition.

Economic Impact Summary: Private vendors selling these types of shot may have some economic impact, based on purchases by hunters of these shot types. No other economic impact is anticipated.

Copies of the complete text of the regulations and their respective economic impact statements may be obtained by contacting the chairman of the commission at the address above or by calling (785) 296-2281.

(Published in the Kansas Register June 20, 2002.)

**Summary Notice of Bond Sale
City of Mulvane, Kansas
\$906,000**

**General Obligation Internal Improvement Bonds
Series A, 2002**

(General obligation internal improvement bonds payable from unlimited ad valorem taxes)

Details of the Sale

Subject to the terms and conditions of the complete official notice of bond sale dated as of June 17, 2002, of the City of Mulvane, Kansas, in connection with the city's General Obligation Internal Improvement Bonds, Series A, 2002, hereinafter described, written bids for the purchase of the bonds shall be received at the office of the city clerk at City Hall, 211 N. 2nd, Mulvane, KS 67110, or by telefacsimile (if accompanied by a timely delivered original executed bid form and the required good faith deposit or evidence of surety bond) at (316) 777-4081, until 7:30 p.m. Monday, July 1, 2002. All bids shall be disclosed publicly and tabulated or compared on said date at 7:30 p.m. at the Mulvane City Hall and shall thereafter be immediately considered and acted upon by the city.

No oral or auction bids for the bonds shall be considered, and no bids for less than 100 percent of the total principal amount of the bonds and accrued interest to the date of delivery shall be considered.

Bids shall be accepted only on the official bid form that has been prepared for the public bidding on these bonds, which may be obtained from the city clerk or the city's financial advisor. Bids may be submitted by mail, delivered in person or submitted by telefacsimile at (316) 777-

4081, but only if the city or city's financial advisor is in possession of both an original executed bid form and the required good faith deposit or evidence of surety bond. All bids must be received at the place and not later than the date and time hereinbefore specified. Neither the city, its bond counsel, its financial advisor, nor any officer or employee of the city shall be deemed to have any liability whatsoever in connection with the failure of any electronic or telefacsimile equipment or any other occurrence resulting in disqualification or failure by the city to receive a bid. Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check drawn on a bank located within the United States and made payable to the order of the city, or in the form of a financial surety bond payable to the order of the city and meeting requirements therefor as set forth in the official notice of bond sale, and shall be in an amount equal to 2 percent of the principal amount of the bonds.

Details of the Bonds

The bonds to be sold are in the aggregate principal amount of \$906,000, and shall bear a dated date of July 1, 2002. The bonds shall be issued as fully registered bonds in the denomination of \$5,000 or any integral multiple thereof not exceeding the principal amount of the bonds maturing in any year, except for one bond in the denomination of \$6,000 maturing September 1, 2003. The bonds shall bear interest, payable as hereinafter set forth, at the rates specified in even multiples of 1/8th or 1/20th of 1 percent by the successful bidder for the bonds. The difference between the highest and lowest interest rate shall not exceed 2.00 percent. Interest on the bonds shall be payable semiannually on March 1 and September 1 of each year, commencing March 1, 2003, and the bonds shall mature serially on September 1 in each of the years and principal amounts as follows:

Maturity Schedule

Principal Amount	Maturity Date
\$36,000	2003
45,000	2004
50,000	2005
50,000	2006
50,000	2007
55,000	2008
55,000	2009
60,000	2010
65,000	2011
65,000	2012
70,000	2013
70,000	2014
75,000	2015
80,000	2016
80,000	2017

Redemption of Bonds

Certain of the bonds are subject to optional redemption prior to their maturities as set forth in the official notice of bond sale. Additionally, a bidder may elect to have all or a portion of the bonds shown in the above maturity schedule issued as term bonds, which would be subject to mandatory redemption requirements. (Reference is

made to the official notice of bond sale for complete details regarding redemption of the bonds.)

Payment of Principal and Interest

The Kansas State Treasurer shall serve as the bond registrar and paying agent for the bonds, and the principal of the bonds shall be paid upon surrender at the paying agent's principal offices in the City of Topeka, Kansas. Interest shall be paid by the mailing of a check or draft of the paying agent to the registered owners of the bonds.

Book-Entry Option

The successful bidder may elect to have the bonds registered under a book-entry-only system administered through the Depository Trust Company, New York, New York (DTC).

Security for the Bonds

The bonds and the interest thereon constitute general obligations of the city, and the full faith, credit and resources of the city will be pledged to the payment thereof. The bonds shall be payable as to both the principal of and the interest thereon, in part, from the collection of special assessment taxes that have been levied against certain real properties in the city. To the extent the proceeds of such special assessment taxes are insufficient, the city is obligated to levy ad valorem taxes without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city for the purpose of paying the bonds and the interest thereon.

Delivery of the Bonds

The bonds, duly printed, executed and registered, shall be furnished and delivered at the expense of the city to the successful bidder, or at its direction, on or about July 11, 2002, at such bank or trust company or other qualified depository in the contiguous United States, as may be specified by the successful bidder. Delivery elsewhere shall be made at the expense of the successful bidder.

Legal Opinion

The bonds will be sold subject to the legal opinion of Triplett, Woolf & Garretson, LLC, Wichita, Kansas, bond counsel, whose fees will be paid by the city. Bond counsel's approving legal opinion as to the validity of the bonds will be printed on the bonds and delivered to the successful bidder upon delivery of the bonds. (Reference is made to the official notice of bond sale for a discussion of tax exemption and other legal matters.)

Financial Matters

The city's current equalized assessed tangible valuation is as follows:

Assessed Tangible Valuation of Taxable Tangible Property	\$21,885,877
Taxable Value of Motor Vehicles	5,727,983
Assessed Tangible Valuation for Debt Limit Computation	\$27,613,860

K.S.A. 10-308 provides that the authorized and outstanding bonded indebtedness of any city shall not exceed 30 percent of the assessed valuation of the city. As of July 1, 2002, the city's gross outstanding debt, including the bonds, will be \$5,379,701.34, which excludes temporary notes outstanding in the amount of \$880,000, which will be retired out of the proceeds of the bonds

herein offered for sale. The city's total indebtedness that is subject to debt limitation, as of July 1, 2002, will be \$2,905,844.04, which is 10.52 percent of the assessed valuation of the city.

Official Statement

The city has prepared a preliminary official statement relating to the bonds, copies of which may be obtained from the city or the city's financial advisor. The preliminary official statement is in a form "deemed final" by the city for the purpose of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the final official statement, without additional cost, upon request. Copies of the final official statement in excess of a reasonable number may be ordered by the successful bidder at its expense.

Continuing Disclosure

Securities and Exchange Commission Rule 15c2-12 provides that brokers, dealers and municipal securities dealers must comply with certain requirements before acting as an underwriter in a primary offering of municipal securities with an aggregate principal amount of \$1,000,000 or more.

The bonds described herein will be offered in a primary offering with an aggregate principal amount of less than \$1,000,000. Accordingly, in the opinion of bond counsel, the offering and sale of the bonds described herein does not constitute an offering as defined by the rule, and the requirements of the rule do not apply to brokers, dealers and municipal securities dealers acting as underwriters in connection with the bonds described herein.

Additional Information

For additional information regarding the city, the bonds and the public sale, interested parties are invited to request copies of the complete official notice of bond sale and the official bid form and the city's preliminary official statement for the bonds, all of which may be obtained from the city clerk at the address and telephone number shown below or from the financial advisor, Jerry D. All bids must be received at the place and not later than the date and time hereinbefore specified. Neither the city, its bond counsel, its financial advisor, nor any officer or employee of the city shall be deemed to have any liability whatsoever in connection with the failure of any electronic or telefacsimile equipment or any other occurrence resulting in disqualification or failure by the city to receive a bid. Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check drawn on a bank located within the United States and made payable to the order of the city, or in the form of a financial surety bond payable to the order of the city and meeting requirements therefor as set forth in the official notice of bond sale, and shall be in an amount equal to 2 percent of the principal amount of the bonds.

Details of the Bonds

The bonds to be sold are in the aggregate principal amount of \$175,000, and shall bear a dated date of July 1, 2002. The bonds shall be issued as fully registered bonds in the denomination of \$5,000 or any integral multiple thereof not exceeding the principal amount of the bonds maturing in any year. The bonds shall bear interest, payable as hereinafter set forth, at the rates specified in even multiples of 1/8th or 1/20th of 1 percent by the successful bidder for the bonds. The difference between the highest and lowest interest rate shall not exceed 3.50 percent. Interest on the bonds shall be payable semiannually on

March 1 and September 1 of each year, commencing March 1, 2003, and the bonds shall mature serially on September 1 in each of the years and principal amounts as follows:

Maturity Schedule

Principal Amount	Maturity Date
\$ 5,000	2004
10,000	2005
10,000	2006
10,000	2007
10,000	2008
10,000	2009
10,000	2010
15,000	2011
15,000	2012
15,000	2013
15,000	2014
15,000	2015
15,000	2016
20,000	2017

Redemption of Bonds

Certain of the bonds are subject to optional redemption prior to their maturities as set forth in the official notice of bond sale. Additionally, a bidder may elect to have all or a portion of the bonds shown in the above maturity schedule issued as term bonds, which would be subject to mandatory redemption requirements. (Reference is made to the official notice of bond sale for complete details regarding redemption of the bonds.)

Payment of Principal and Interest

The Kansas State Treasurer shall serve as the bond registrar and paying agent for the bonds, and the principal of the bonds shall be paid upon surrender at the paying agent's principal offices in the City of Topeka, Kansas. Interest shall be paid by the mailing of a check or draft of the paying agent to the registered owners of the bonds or, in the case of a registered owner of all outstanding bonds, will be paid by wire transfer of immediately available funds, if requested by such registered owner.

Security for the Bonds

The bonds and the interest thereon constitute general obligations of the city, and the full faith, credit and resources of the city will be pledged to the payment thereof. The bonds shall be payable as to both the principal of and the interest thereon from ad valorem taxes levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city for the purpose of paying the bonds and the interest thereon.

Delivery of the Bonds

The bonds, duly printed, executed and registered, shall be furnished and delivered at the expense of the city to the successful bidder, or at its direction, on or about July 25, 2002, at such bank or trust company or other qualified depository in the contiguous United States, as may be specified by the successful bidder. Delivery elsewhere shall be made at the expense of the successful bidder.

(continued)

Legal Opinion

The bonds will be sold subject to the legal opinion of Triplett, Woolf & Garretson, LLC, Wichita, Kansas, bond counsel, whose fees will be paid by the city. Bond counsel's approving legal opinion as to the validity of the bonds will be printed on the bonds and delivered to the successful bidder upon delivery of the bonds. (Reference is made to the official notice of bond sale for a discussion of tax exemption and other legal matters.)

Financial Matters

The city's current equalized assessed tangible valuation is as follows:

Assessed Tangible Valuation of Taxable Tangible Property	\$292,140
Taxable Value of Motor Vehicles	\$114,525
Assessed Tangible Valuation for Debt Limit Computation	\$406,665

K.S.A. 10-308 provides that the authorized and outstanding bonded indebtedness of any city shall not exceed 30 percent of the assessed valuation of the city. As of July 1, 2002, the city's gross outstanding debt, including the bonds, will be \$218,000. The city's total indebtedness that is subject to debt limitation, as of July 1, 2002, will be \$112,358.82, which is 27.63 percent of the assessed valuation of the city.

Official Statement

The city has prepared a preliminary official statement relating to the bonds, copies of which may be obtained from the city or the city's financial advisor. The preliminary official statement is in a form "deemed final" by the city for the purpose of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the final official statement, without additional cost, upon request. Copies of the final official statement in excess of a reasonable number may be ordered by the successful bidder at its expense.

Continuing Disclosure

Securities and Exchange Commission Rule 15c2-12 provides that brokers, dealers and municipal securities dealers must comply with certain requirements before acting as an underwriter in a primary offering of municipal securities with an aggregate principal amount of \$1,000,000 or more.

The bonds described herein will be offered in a primary offering with an aggregate principal amount of less than \$1,000,000. Accordingly, in the opinion of bond counsel, the offering and sale of the bonds described herein does not constitute an offering as defined by the rule, and the requirements of the rule do not apply to brokers, dealers and municipal securities dealers acting as underwriters in connection with the bonds described herein.

Additional Information

For additional information regarding the city, the bonds and the public sale, interested parties are invited to request copies of the complete official notice of bond sale and the official bid form and the city's preliminary official statement for the bonds, all of which may be ob-

tained from the city clerk at the address and telephone number shown below or from the financial advisor, John Haas, Ranson Financial Consultants, L.L.C., 120 S. Market, Suite 200, Wichita, KS 67202, (316) 264-3400.

Article 13.—RETAIL LIQUOR DEALER

14-13-14. Management of retail liquor store by any person or entity other than the owner or owners. (a) "Performance of management or operational services" shall mean the exercise of independent control by any person or entity, other than the owner or owners of a retail liquor store, over any of the following activities:

- (1) Hiring, firing, or supervising the store's employees;
- (2) determining the amount or type of inventory to be ordered or maintained by the store, ordering inventory for the store, or coordinating deliveries of inventory to the store;
- (3) determining the advertising, marketing, or promotional programs that are enlisted, offered, or utilized by the store;
- (4) negotiating, entering into, or executing contracts to which the store is a party;
- (5) paying for or authorizing payment for services provided to or purchases made by the store; or
- (6) performing any other task essential to the operation of or the ability to operate the store.

(b) An employee of a retail liquor store who meets both of the following criteria shall not be considered to be involved in the performance of management or operational services:

- (1) Engages or participates in any of the activities specified in subsection (a) but does not exercise independent control in performing the activities; and
- (2) is not an independent contractor.

(c) No retail liquor store owner shall authorize or allow the performance of management or operational services by any person or entity other than the owner or owners of the store, unless the owner or owners provide the following to the director:

- (1) The terms by which any person or entity other than the owner or owners will perform the management or operational services, specifying the following:

(A) That the person or entity will be paid a fixed rate of compensation, not based on or derived from a percentage of the gross receipts from liquor sales; and

(B) that the compensation will not include payment of any business expenses in a way that effectively circumvents the terms of paragraph (c)(1)(A);

(2) the name, address, date of birth, social security number, and all other information required on forms provided by the director, for any person, or in the case of an entity, for any officer, manager, or director, or any stockholder owning in the aggregate more than five percent of the common or preferred stock in the entity, who will perform the management or operational services; and

(3) a disclosure of any interest or involvement in any other retail liquor store or business involving alcoholic liquor that is held by any person or entity performing management or operational services, submitted on forms provided by the director.

(d) Each retail liquor store owner shall be expressly prohibited from performing the following activities:

(1) Authorizing or allowing any person or entity that would not qualify to obtain and hold the store's retail liquor license to perform management or operational services for or on behalf of the owner or owners of the store;

(2) commingling any inventory between or among multiple retail liquor stores; and

(3) streamlining business processes with those of another retail liquor store or any other entity, or allowing the collective performance of management or operational services for the retail liquor store and any other store, in a manner suggesting to the public that multiple stores are part of a chain or are owned or operated by a corporation, including any of the following:

(A) Using a "d/b/a" or trade name in violation of K.A.R. 14-13-15;

(B) having employees wear uniforms or accessories identical to those worn by employees of another retail liquor store or corporate entity;

(C) delivering products in sacks or bags bearing the same trade name, logo, or other identifying mark that is used by any other retail liquor store or a corporate entity; or

(D) limiting access or offering discounts only to those persons who are members of, or possess membership or access credentials for, any corporate entity. (Authorized by K.S.A. 41-210; implementing K.S.A. 41-104, 41-210, 41-211, and K.S.A. 2001 Supp. 41-311; effective July 5, 2002.)

14-13-15. "Doing business as" names. (a) Each applicant for a retail liquor store license shall include in the license application the "doing business as" (d/b/a) name by which the applicant wishes to operate the store for which licensure is sought.

(b) An application with a d/b/a name that suggests to the public that multiple stores are part of a chain or are owned or operated by a corporation shall not be approved by the director.

(c) Each liquor store shall post its d/b/a name within the store or on the exterior of the store. (Authorized by K.S.A. 41-210; implementing K.S.A. 41-104, 41-210, 41-211, and K.S.A. 2001 Supp. 41-311; effective July 5, 2002.)

Article 1.—ELIGIBILITY REQUIREMENTS

108-1-2. Student health care benefits plan. (a) Each student shall be eligible to participate in the student health care benefits component of the state health care benefits program. Eligibility and participation shall be subject to terms, conditions, limitations, exclusions, and other provisions established by the commission. Participation in the student health care benefits component shall be voluntary.

(b)(1) "Commission" means the Kansas state employees health care commission.

(2) "Student" means any individual who is enrolled in one of the regents institutions, who is not eligible for coverage under K.A.R. 108-1-1, and who meets any criteria established by the commission regarding the minimum number of hours of coursework in which the individual must be enrolled or similar reasonable provisions related to the individual's status as a student.

(3) "Regents institution" means a state educational institution as defined in K.S.A. 76-711, and amendments thereto.

(c) Each student participating in the student health benefits component shall pay the costs of the coverage on a direct bill basis.

(d) Any student enrolled in the student health care benefits component of the state health care benefits program may enroll a spouse and eligible dependent children, subject to the same conditions and limitations that apply to the student enrolled in accordance with this regulation.

(e) An employer contribution in an amount determined by the commission shall be paid toward the cost of coverage under the student health care benefits component of the state health care benefits program for any student who meets both of the following conditions:

(1) The student is enrolled in the student health care benefits component of the state health care benefits program.

(2) The student is appointed for the current semester to a graduate teaching assistant or graduate research assistant position that is at least a 50% appointment. At the option of the regents institution appointing the student, concurrent appointments to more than one graduate teaching or graduate research positions that total at least a 50% appointment may be considered to meet this condition. (Authorized by and implementing K.S.A. 75-6501 and 75-6510; effective July 1, 1998; amended July 5, 2002.)

Permanent Administrative Regulations

Article 56.—IGNITION INTERLOCK DEVICES

92-56-1. Ignition interlock device; definitions. As used in these regulations, the following terms shall have these meanings: (a) "Ignition interlock device" and "device" mean an electronic device using microcomputer logic and internal memory and having a breath alcohol analyzer as a major component that interconnects with the ignition and other control systems of a motor vehicle. This device measures the breath alcohol concentration (BrAC) of an intended driver to prevent the motor vehicle from being started if the BrAC exceeds a preset limit and to deter and record attempts to circumvent or tamper with the device.

(b) "Alcohol setpoint" means the breath alcohol concentration at which the ignition interlock device is set to lock the ignition. The alcohol setpoint is the normal lockpoint at which the ignition interlock device is set at the time of calibration. The alcohol setpoint for retests shall be set at .06 as a safety factor to preclude a false positive test result during the operation of the vehicle.

(c) "BrAC means the breath alcohol concentration expressed in percent by weight by volume based upon grams of alcohol per 210 liters of breath.

(d) "BrAC fail" means the condition in which the ignition interlock device registers a BrAC value in excess of the alcohol setpoint limit when the intended driver conducts an initial test or retest. This condition is recorded as a violation.

(e) "Breath sample" means the sample of alveolar or end-expiratory breath that is analyzed for the analysis of alcohol content after the expiration of a minimum of 1.2 liters of air.

(f) "Circumvention" means an overt, conscious attempt to bypass the ignition interlock device by any of the following:

(1) Providing samples other than the natural, unfiltered breath of the driver;

(2) starting the vehicle without using the ignition switch; or

(3) performing any other act intended to start the vehicle without first taking and passing a breath test. Circumvention permits a driver with a BrAC in excess of the alcohol setpoint to start the vehicle.

(g) "Emergency bypass switch" means the switch that allows the driver to bypass the ignition interlock device in case of an emergency or failure of the device and that places the ignition interlock device in a run state mode so that no test is required when the ignition switch is turned on. The bypass switch can be used only once. If used, the event shall be recorded in the event log, and the device shall be put into early service status.

(h) "Fail-safe" means a condition in which the ignition interlock device cannot operate properly due to a problem, including improper voltage and a dead sensor. In a fail-safe condition, the ignition interlock device will not permit the vehicle to be started.

(i) "Lockout" means an instance in which the ignition interlock device will prevent the vehicle from starting. The vehicle cannot be operated until serviced by the service provider.

(j) "Rolling retest" means a subsequent breath test that must be conducted according to the present conditions of the ignition interlock device for a fixed time period and must be completed while the motor vehicle is in operation. Failure to execute a valid retest will cause the vehicle ignition system to enter a lockout condition after a fixed time period.

(k) "Violation" means either of the following:

(1) The driver has blown a high BrAC and fails the initial breath test when attempting to start the vehicle.

(2) The driver fails a breath test within the allowable time after a retest has been requested. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002.)

92-56-2. Ignition interlock device; certification and standards. (a) Each manufacturer of an ignition interlock device desiring to market the device in this state shall apply to the division of vehicles for certification of the device and submit the following information:

(1) The name and address of the manufacturer;

(2) the name and model number of the device;

(3) certification that the device meets the following criteria:

(A) Offers safe operation of the vehicle in which installed, works reliably and accurately in an unsupervised environment, and, when in a fail-safe condition, prevents the vehicle from starting;

(B) offers protection against tampering and is able to detect and be resistant to circumvention;

(continued)

(C) allows for a free restart of the vehicle's ignition within two minutes after the ignition has been turned off without requiring another breath test if the driver has not registered a BrAC fail or is not in the process of completing a retest;

(D) allows for a rolling retest of a subsequent breath test after the vehicle has been in operation;

(E) disables the ignition system if the BrAC of the person using the device exceeds the alcohol setpoint of .04;

(F) contains an emergency bypass switch;

(G) records each time the vehicle is started, the duration of the vehicle's operation, and any instances of tampering or attempts to tamper with the device;

(H) displays to the driver all of the following:

(i) When the device is on;

(ii) when the device has enabled the ignition system;

(iii) when a BrAC fail condition has occurred, along with the BrAC reading that caused the failure; and

(iv) the date that a lockout will occur; and

(I) alerts the driver with a three-minute warning light or tone that a rolling retest is required;

(4) a list of ignition interlock device service providers and the address where the device can be obtained, repaired, replaced, or serviced 24 hours a day by calling a toll-free phone number. Service providers shall be located within 100 miles of all Kansas residents. Manufacturers shall be responsible for the quality of service provided by their service providers; and

(5) the name of an insurance carrier authorized to do business in this state that has committed to issue a liability insurance policy for the manufacturer in the amounts specified in K.A.R. 92-56-3.

(b) Each certification issued by the division shall continue in effect for three years unless either of the following occurs:

(1) The manufacturer requests in writing that the certification be discontinued.

(2) The division informs the manufacturer in writing that the certification is suspended or revoked.

(c) If a manufacturer modifies a certified device, the manufacturer shall notify the division of the exact nature of the modification. A device may be required by the division to be recertified at any time.

(d) Each manufacturer of a certified device shall notify the division of the failure of any device to function as designed. The manufacturer shall provide an explanation for the failure and shall identify the actions taken by the manufacturer to correct the malfunctions.

(e) Each manufacturer of a certified device shall accumulate a credit of at least two percent of the gross revenues attributed to installation, maintenance, calibration, and removal of ignition interlock devices in Kansas. Any existing credit shall be made available to people who are restricted to operating a vehicle with an ignition interlock device and who are indigent as evidenced by eligibility for the federal food stamp program. The amount of the credit available shall be limited to the amount of the existing credit balance.

(f) Each manufacturer of a certified device shall submit a report to the division by January 31 of each year with the following information for the previous calendar year's activities:

(1) The number of ignition interlock devices initially installed on vehicles for Kansas drivers who were restricted to driving only with an ignition interlock device;

(2) the number of vehicles that had devices removed due to failures and, for each vehicle, the driver's name, the driver's license number, the specific failure or operational problem that occurred during the period installed, and the resolution of each situation; and

(3) a chronological accounting summary of the following information:

(A) The beginning credit balance;

(B) two percent of the gross revenues attributable to installation, maintenance, calibration, and removal of ignition interlock devices;

(C) amounts credited to indigent drivers; and

(D) the ending credit balance. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002.)

92-56-3. Insurance; policy limits. (a) Each manufacturer submitting an application for certification of an ignition interlock device shall obtain a policy of product liability insurance from a carrier authorized to do business in the state of Kansas. The insurance policy shall contain minimum liability limits of \$1,000,000 per occurrence with an aggregate coverage of \$3,000,000. The insurance policy shall cover all liability arising from defects in design and materials, including the manufacture of the device, its calibration, maintenance, installation, and removal.

(b) Each insurance carrier shall provide 30-day notice to the division before canceling any insurance policy.

(c) The cancellation of insurance coverage by a carrier shall be a basis for revoking the certification for the device. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002.)

92-56-4. Installation, inspection, and calibration standards. (a) Each ignition interlock device installed at the direction of the division shall be done at the driver's own expense, except as allowed by K.A.R. 92-56-2(e).

(b) Each service provider shall meet the following requirements:

(1) Install each device in accordance with the manufacturer's instructions. Each service provider shall, within two weeks of installation, inform the division each time a device has been installed;

(2) install each device so that the device will be deactivated if the driver has a BrAC of .04 or higher until a successful retest occurs;

(3) set each device so that if the driver fails an ignition interlock test, a retest cannot be done for 15 minutes;

(4) set each device so that a rolling retest will occur after the vehicle has been in operation for 10 minutes. Subsequent rolling retests shall occur at 30-minute intervals. A three-minute warning light or tone shall be set to come on to alert the driver that a retest is coming. The driver shall have five minutes to complete the retest. The free restart shall not be operative when the device is waiting for a rolling retest sample;

(5) calibrate each device at least every 60 days at the driver's own expense, except as allowed by K.A.R. 92-56-

2(e), and maintain an inspection and calibration record with the following information:

- (A) The name of the person performing the calibration;
- (B) the date of the inspection and calibration;
- (C) the method by which the calibration was performed;
- (D) the name and model number of the device calibrated;

(E) a description of the vehicle in which the device is installed, including the license plate number, make, model, year, and color; and

(F) a statement by the installer indicating whether there is any evidence that attempts have been made to circumvent the device; and

(6) set each device so that a lockout will occur seven days after any of the following events occurs:

- (A) The 60-day calibration and service requirement has been reached;
- (B) five or more violations are recorded;
- (C) the emergency bypass switch has been used;
- (D) a hardware failure or evidence of tampering is recorded; or
- (E) the events log has exceeded 90 percent of capacity.

(c) Each driver restricted to driving a vehicle equipped with an ignition interlock device shall keep a copy of the inspection and calibration records in the vehicle at all times. The manufacturer shall retain the original record

for each current driver for a period of one year after the device is removed. The manufacturer shall notify the division within seven days after a device has been serviced due to a lockout that occurred for any of the reasons specified in paragraph (b)(6)(B), (b)(6)(C), or (b)(6)(D) of this regulation. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002.)

92-56-5. Revocation of certification. A certification for any ignition interlock device may be revoked for any of the following reasons:

- (a) The device fails to comply with specifications or requirements provided by the division.
- (b) The policy of product liability insurance required by K.A.R. 92-56-3 is canceled or not renewed.
- (c) The manufacturer has failed to make adequate provisions for the installation, maintenance, inspection, calibration, repair, and removal of the device.
- (d) The manufacturer has failed to provide statewide service network coverage or 24-hour, seven-day service support.
- (e) The manufacturer is no longer in the business of manufacturing ignition interlock devices. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002.)

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.

\$15 each, includes shipping and handling.
 (Kansas residents must include an additional \$1.02 state and local sales tax.)
