Notice of Hearing on Proposed
Administrative Regulations

A public hearing on an administrative regulation adoption will be conducted at 10 a.m. Tuesday, September 24, in the first floor hearing room of the State Corporation Commission, 1500 S.W. Arrowhead, Topeka. The regulation under consideration concerns proposed revisions of the Kansas Motor Carrier Regulation, K.A.R. 82-4-22.

The proposed revisions to **K.A.R. 82-4-22** are being simultaneously proposed on a temporary and a permanent basis. The public hearing will address only the permanent version of this regulation. The proposed revisions to K.A.R. 82-4-22 will remove a discrepancy in the availability of obtaining a power of attorney with the Kansas Insurance Commissioner for cargo insurance companies not licensed in the state of Kansas. Currently, the State Corporation Commission will accept liability coverage for motor carriers insured by liability insurance companies that obtain a power of attorney with the Kansas Insurance Commissioner. However, the same regulation does not provide that the State Corporation Commission can accept cargo coverage for motor carriers insured by cargo insurance companies by the same means, if the cargo insurance company also is not licensed in the state of Kansas. The revisions to K.A.R. 82-4-22 will correct this discrepancy, make certain changes regarding style and make minor clarifications in procedures.

No significant economic impact on the State Corporation Commission, private entities or other governmental agencies is anticipated as a result of the changes to K.A.R. 82-4-22.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed revisions to the regulation. All interested parties may submit written comments prior to the hearing to Paula Lentz, Assistant General Counsel, State Corporation Commission, 1500 S.W. Arrowhead, Topeka, 66604. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Copies of the regulation and the economic impact statement may be obtained by contacting Vicki Berg at (785) 271-3225.

Any person requiring accommodations under the Americans with Disabilities Act should give notice to the commission at least ten days prior to the hearing date by contacting the State Corporation Commission at (785) 271-3140 or 1-800-662-0027.

Kansas Insurance Department

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted a 9 a.m. Tuesday, October 1, in the third floor conference room at the Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of amendments to an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Deletria Nash, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Copies of the proposed regulation can be found on the department's Web site at www.ksinsurance.org under the Legal Issues Quick Link.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance by contacting Deletria Nash at (785) 296-7811.

A summary of the proposed regulation and its economic impact follows.

K.A.R. 40-1-34. Unfair claims settlement practices. The Kansas Insurance Department is proposing to amend K.A.R. 40-1-34. This regulation sets out the standards and requirements insurance companies should follow when settling claims. The primary changes to this regulation occur in Section 9, which provides alternative means for both consumers and insurance companies to obtain legitimate data for use in determining the values of vehicles. The primary changes in Section 8 make language in the regulation consistent with language in Section 8 of the National Association of Insurance Commissioners' 1981 Model Regulation.

This regulation incorporates much of the language contained in the January 1981 edition of the National Association of Insurance Commissioners' "Unfair Claims Settlement and Practices Model Regulation." This model regulation sets out standards, which, if violated with frequency that indicates a general business practice, are deemed to constitute unfair claims settlement practices.

This amended regulation provides consumers and insurance companies with alternative means to settle claims at a lesser cost and more efficiently. The department anticipates little or no economic impact on companies, consumers or the department. There is no economic impact on other governmental entities or local governmental jurisdictions.
