Department on Aging

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, March 11, in Room 3-West of the New England Building, 503 S. Kansas Ave., Topeka, to consider the adoption of proposed changes to K.A.R. 26-2-3, financial reporting and unearned funds requirements, and K.A.R. 26-2-9, audit requirements.

The proposed **K.A.R. 26-2-3** revises the department's financial and unearned funds requirements. This proposed regulation aligns current practice with policy. The proposed regulation restructures the department's general and Older Americans Act Title III reporting requirements, and incorporates other program reporting requirements. The regulation also contains the department's unearned funds requirements. In addition, conditions for when the secretary will grant a waiver of the reporting deadline are included.

There is not an economic impact associated with the proposed changes to K.A.R. 26-2-3. The area agencies on aging and other providers are currently providing the reports.

The proposed **K.A.R. 26-2-9** revises the department's audit requirements. These proposed changes assist the department in its monitoring of and accountability for public funds. The federal requirements have been removed from the regulation, since federal law and regulations impose those requirements. To align the regulation with federal single audit requirements, the regulation has been revised to contain definitions and language consistent with those requirements.

The scope of the audits also has been amended. The proposed regulation requires area agencies on aging to include all state awards and payments from Medicaid sources. The amount of state awards that other providers receive before an audit is required has also been amended.

There is an economic impact associated with the proposed changes to K.A.R. 26-2-9. Area agencies on aging may experience additional audit costs due to the addition of Medicaid funds to the scope of their audits. Other providers may experience a decrease in costs since they may not be required to have audits performed.

For both regulations, the Department on Aging, the Department of Administration, the Attorney General, the Kansas Legislature (through the Joint Committee on Rules and Regulations and the Legislative Research Department), and the Secretary of State bear the costs associated with the adoption of these regulations.

Copies of the regulations and their economic impact statements may be obtained by contacting Christy Lane, Senior Policy Manager, Kansas Department on Aging, 503 S. Kansas Ave., Topeka, 66603, (785) 368-7331, e-mail: christyl@aging.state.ks.us.

Permanent Administrative
Regulations

Article 1.—RULES OF PRACTICE AND PROCEDURE

82-1-220a. Expedited review of disputes between telecommunications service providers. (a) The expedited review process shall be used to resolve disputes between competing telecommunications carriers in an expeditious manner. Except as specifically provided in this regulation, the provisions of K.A.R. 82-1-220 shall apply.

(b) This process may be used to bring expedited resolution to disputes under interconnection agreements entered into pursuant to 47 U.S.C. secs. 251 and 252 of the federal telecommunications act of 1996. This process shall be in addition to any dispute resolution process or procedure specified in the parties' interconnection agreement. Use of this process may be requested if a dispute directly affects the ability of a party to provide uninterrupted service to its customers or affects the provisioning of any service, functionality, or network element. This process shall not be used for disputes that involve consumer complaints against the carriers or requests for damages. The commission or its designated examiner shall have the authority to shorten or lengthen the deadlines specified in this regulation if the circumstances warrant or if all parties agree.

(c) Each request for expedited review shall be filed at the same time and in the same document as those for a complaint filed in accordance with K.A.R. 82-1-220, but shall include the phrase "Request for Expedited Review" in the heading. Each complaint that includes a request for expedited review shall contain the following information:

- (1) A description of the specific circumstances that make the dispute eligible for expedited review;
- (2) a description of the particular service-affecting issue justifying the expedited review;
- (3) a description of the parties' efforts to resolve each disputed issue, including any steps taken in accordance with the dispute resolution process contained within the parties' interconnection agreement;
- (4) a list of cross-references to the area or areas of the interconnection agreement that are applicable to each disputed issue; and
- (5) any proposed resolution of the dispute.

(d) On the same day on which any complaint or response to the complaint is filed with the commission in accordance with this regulation, the complaint or response shall be served on the other party, the commission legal staff, and the commission advisory counsel by hand delivery or by facsimile or electronic mail with telephonic confirmation of receipt.

(e) Within three business days after the filing of the complaint, the respondent shall respond to the issues that the complainant asserts justify the request for expedited review. If additional time is needed to respond to issues raised in the complaint, the respondent shall specifically designate which issues it will address in a later response,

but the respondent shall respond to issues that the complainant has designated for expedited review.

(f) A member of the advisory counsel, legal staff, or technical staff may be designated by the commission to act as an examiner in this expedited proceeding. The designated examiner shall have the discretion to determine whether resolution of the complaint should be expedited in light of the complexity of the issues or other factors relevant to the need for a rapid and efficient decision. After reviewing the complaint and response, the examiner shall decide whether expedited review is warranted. If the examiner decides that an expedited review is warranted, the examiner shall schedule a meeting as soon as practical considering the issues raised, but no more than 10 business days after the request for expedited review was filed.

(g) If the examiner determines that the complaint is not appropriate for expedited review, the examiner shall notify the parties in writing no more than 10 business days after the request for expedited review was filed. The complainant may appeal this decision to the commission within five business days of the written decision. A prompt ruling on the appeal shall be issued by the commission.

(h) Throughout the expedited review process, the examiner shall oversee the discussion between the parties and may act in the capacity of a mediator or negotiator. The examiner may issue an interim ruling that controls the actions of the parties until a formal hearing can be conducted or a subsequent written decision is filed. The interim ruling shall be in effect throughout the complaint process. Each interim ruling shall be considered as a non-final agency action.

(i) If the examiner determines that an informal resolution of the issues designated for expedited review is not possible, a hearing on the expedited issues shall commence no later than 15 business days after the complaint was filed. The examiner shall notify the parties not less than two business days before the hearing of the date, time, and location of the hearing.

(j) During the expedited review, each party shall refrain from taking action that would impair the other party's ability to offer service to its end users. Furthermore, both parties shall have at all meetings, unless otherwise agreed by the parties and the examiner, persons who are authorized to resolve the dispute.

(k) The examiner may require the parties to file decision point lists on or before the commencement of the hearing. The decision point lists shall identify all issues to be addressed in the expedited process, any witnesses who will be addressing each issue, and a synopsis of each witness's position on each issue. If the examiner requires the filing of decision point lists, the decision point lists shall be filed simultaneously. Except as provided in K.S.A. 66-1220a, and amendments thereto, relating to confidential information, all materials filed with the commission or provided to the examiner shall be subject to the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto.

(l) The examiner shall make written findings and recommendations on the expedited issues in the complaint

(continued)

within 10 business days after the close of the hearing. The examiner shall notify the parties by facsimile or electronic mail that the decision has been issued. If necessary to fully advise the commission about the expedited review, the examiner may file supplemental findings and recommendations. The examiner shall designate a time for parties to file objections, if any, to the examiner's findings and recommendations. Pursuant to K.S.A. 77-526(i) and amendments thereto, an order shall be promptly issued by the commission on the examiner's findings and recommendations regarding the issues. (Authorized by and implementing K.S.A. 2001 Supp. 66-106; effective Jan. 24, 2003.)

A copy of the notice shall be provided to the commission, the underlying local exchange carrier, and all affected customers' presubscribed interexchange carriers. Within 10 days after the commission receives a copy of the notice, additional notice requirements may be prescribed by the commission, as it deems necessary.

(3) The exiting competitive local exchange carrier shall not market or solicit the sale of its customer base after notice is provided to customers in accordance with this subsection.

(d) The underlying local exchange carrier shall provide notice to the commission and the competitive local exchange carrier before discontinuing service to the competitive local exchange carrier for lack of payment or any other reason. The notice shall be provided in a manner that provides the competitive local exchange carrier with adequate time to comply with the notification requirements in this regulation.

(e) Each carrier that reaches an agreement to purchase or otherwise agrees to serve the entire customer base of another carrier shall provide notice to the affected customers pursuant to 47 C.F.R. 64.1120, as in effect on April 18, 2002, which is adopted by reference. Each carrier shall furnish the commission with a copy of each notice provided pursuant to 47 C.F.R. 64.1120 when the notice is sent to the federal communications commission.

(f) An underlying local exchange carrier shall not be subject to claims of unwanted or unlawful provision of service if the transfers of service are consistent with the requirements of this regulation.

(g) Each competitive local exchange carrier that has discontinued service shall relinquish all assigned central office codes and all assigned blocks of numbers and shall provide written notice of the relinquishment to the North American numbering plan administrator in accordance with the current guidelines of the industry numbering committee.
