Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, March 20, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the Kansas Development Finance Authority to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the respective borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond of acquiring the project or for the purpose of refunding a bond previously issued to finance the project. The project shall be located as shown:

Project No. 000562—Principal Amount: \$64,660. Owner/Operator: Cooper C. Berning. Description: Acquisition of 154 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is located at the North Half of the North Half of Section 7, Township 19, Range 35, Wichita County, Kansas, approximately 4 miles south of Marienthal on Highway 96.

The bond, when issued, will be a limited obligation of the Kansas Development Finance Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the Authority at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the Authority.

Any individual affected by the above-described project may, at or prior to the hearing, file a written request with the Authority that a local hearing be held on the proposal to issue a bond to finance said project. A local hearing, if requested, would be conducted in the county where the project in question is located.

**Notice of Commencement of
Negotiations for Engineering Services**

Notice is hereby given of the commencement of negotiations for engineering services for a bulk fuel storage tank installation for the power plant at the University of Kansas, Lawrence. The project is to provide long-term, bulk storage capability of a minimum of 100,000 gallons of #2 oil. Oil from this storage will be used to refill the existing day tanks as needed during periods when firing power plant boilers on oil is necessary because of gas curtailment or is cost effective because of high relative gas prices. The scope of services includes preparation of a schematic report of findings and recommendations, including cost estimate, for review by university personnel. Construction document preparation is expected to follow approval of the schematic report submittal. The consultant will be expected to provide services in support of the design, bid and construction administration processes. The consultant also will be expected to follow the submission guidelines of the Division of Facilities Management's Policy and Procedure Manual as well as review by the Kansas Storage Tank Section, KDHE Division of Environment, and the Bureau of Environmental Remediation. The estimated construction cost is \$396,000.

For information regarding the scope of services, contact James Modig, Director of Design and Construction Management, University of Kansas, (785) 864-3431.

If interested, an original and six copies (seven total) of the SF 255 form (plus relevant attachments of information regarding similar projects) should be submitted. These submittals should be concise, relevant to the project and follow the State Building Advisory Commission guidelines for submittal. Copies of the guidelines have previously been distributed to firms; if copies of the guidelines are required, contact Gary Grimes, Division of Facilities Management, Room 152, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612, (785) 368-7471. Submittals not complying with the guidelines will be returned without consideration.

Expressions of interest and the SF 255 submittals should be received by Gary Grimes before 5 p.m. March 21.

**Notice of Commencement of
Negotiations for Architectural Services**

Notice is hereby given of the commencement of negotiations for architectural services for an addition/alteration to the Kansas City Readiness Center at the Kansas City, Kansas Armory for the Adjutant General's Department. This project is to provide an addition/alteration to the existing readiness center for a new HET Truck Company. The readiness center will provide necessary administrative, training and storage areas. The addition/alteration will be approximately 22,500 square feet to the existing two-story readiness center. Outside supporting facilities include an additional 5,000 square yards of privately-owned vehicle parking, sidewalks, exterior fire protection, outside lighting and access roads. Physical security measures will be incorporated into the design. Cost-effective energy-conserving features will be incorporated into the design as well. The project budget is \$2.9 million.

For information regarding the scope of services, contact MAJ Eric Blankenship at (785) 274-1144.

If interested, an original and six copies (seven total) of the SF 255 form (plus relevant attachments of information regarding similar projects) should be submitted. Kansas Children's Cabinet and Trust Fund

Request for Proposals

The Kansas Children's Cabinet and Trust Fund announces the availability of Children's Trust Fund Request for Proposals CBFRS-04. This grant supports projects or programs that focus on the prevention of child abuse and neglect by providing comprehensive, integrated services that support safe and healthy families.

A mandatory pre-bid conference will be held from 10 a.m. to noon Monday, March 24, at the Central Kansas Foundation, 1805 S. Ohio, Salina, to apply for this request for proposals. Applications will only be accepted from community partnerships that had a representative attend the pre-bid conference. To RSVP for the pre-bid conference, contact Mainstream, Inc. at (785) 266-6422 by 5 p.m. Thursday, March 20. Participants in the pre-bid conference are encouraged to submit questions regarding the application to the Mainstream, Inc. office by March 20. Questions may be submitted by e-mail to mainstrm@inlandnet.net or faxed to (785) 266-2113 prior to the pre-bid conference, and questions also may be submitted at the pre-bid conference. Official answers will be posted on the Kansas Children's Cabinet and Trust Fund Web site (www.kschildrenscabinet.org) by March 31.

Grant awards are limited to a maximum of five years and require increasing levels of community assumption of costs. The first and second years require a 20 percent community match, the third and fourth years require a 40 percent match, and the final year requires an 80 percent match. These grants are renewable based upon demonstrated measurable progress toward program outcomes and availability of funds. Eligible applicants are nonprofit organizations designated as 501(c)(3) and government entities on behalf of community partnerships.

This application will only be available at the pre-bid conference. Completed applications must be received at the Kansas Children's Cabinet and Trust Fund office, 415 S.W. 8th Ave., 1st Floor, Topeka, 66603-3913, by 5 p.m. Monday, April 28. Applications not received by 5 p.m. April 28 will not be accepted.

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corpora-

tion submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid.

This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

City of Marysville, Kansas
\$717,000**

**General Obligation Bonds, Series 2003A
(General obligation bonds payable from
unlimited ad valorem taxes)**

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning April 1, 2004.

Optional Book-Entry-Only System

The successful bidder may elect to have the bonds registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Kansas State Treasurer, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States or a qualified financial surety bond in the amount of \$3,900 (2 percent of the principal amount of the bonds).

Delivery

The issuer will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about April 1, 2003, to DTC for the account of the successful bidder or at such bank or trust company in the contiguous United States as may be specified by the successful bidder, or elsewhere at the expense of the successful bidder.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 2002 is \$18,443,447. The total general obligation indebtedness of the issuer as of the date of delivery of the bonds, including the bonds being sold but excluding temporary notes to be retired in conjunction therewith, is \$2,277,000.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder when the bonds are delivered.

Bond Sale Particulars

Subject to the terms and conditions of the complete official notice of bond sale and the preliminary official statement both dated March 6, 2003, of the City of Marysville, Kansas, in connection with the issuance of the city's General Obligation Bonds, Series 2003A, as hereinafter described, sealed, written bids will be received at the office of the city clerk at the Marysville City Hall, 209 N. Eighth, Marysville, KS 66508, until 5 p.m. Monday, March 17, 2003, for the purchase of the bonds. All bids will be publicly opened, read aloud and tabulated on said date and at said time and will thereafter be considered and acted upon by the governing body of the city at its meeting to be held in the Marysville City Hall at 7 p.m. that day.

No oral or auction bids for the bonds will be considered, and no bids for less than the entire series of bonds will be considered.

Bids will be accepted only on the official bid form that has been prepared for the public bidding on these bonds, which may be obtained from the city clerk. Bids may be submitted by mail or delivered in person, and must be received at the place and not later than the date and time herein specified. Each bid must be accompanied by a good faith deposit in the form of a qualified financial surety bond or certified or cashier's check drawn on a bank located within the United States, each made payable to the order of the city and in an amount equal to 2 percent of the principal amount of the bonds.

Details of the Bonds

The aggregate principal amount of the bonds is \$717,000. The bonds will be dated as of April 1, 2003, and will be issued as fully registered bonds in the denomination of \$5,000, or integral multiples in excess thereof, except one bond maturing in 2004 in the denomination of \$7,000, not exceeding the principal amount of bonds maturing in any year. The bonds shall initially be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York, to which payment of principal of and interest on the bonds will be made. Individual purchases of bonds will be made in book-entry form only. Purchasers will not receive certificates representing their interest in bonds purchased. The bonds will bear interest, payable as hereinafter set forth, at the rates specified by the successful bidder for the bonds. Certain of the bonds are subject to redemption prior to their maturities as provided in the complete official notice of bond sale.

Interest on the bonds will be payable semiannually on April 1 and October 1 in each year, commencing April 1, 2004, and the bonds will mature serially on October 1 in each of the years and principal amounts as follows:

(continued)

Principal Amount	Maturity Date

45,000	2016
45,000	2017
50,000	2018

Payment of Principal and Interest

The Kansas State Treasurer will serve as the bond registrar and paying agent for the bonds, and the principal of the bonds will be payable upon surrender at the paying agent's principal office in the City of Topeka, Kansas. Interest will be paid by the mailing of a check or draft of the paying agent to the registered owners of the bonds.

Security for the Bonds

The bonds and the interest thereon will constitute general obligations of the city, and the full faith, credit and resources of the city will be pledged to the payment thereof. The city is obligated to levy ad valorem taxes without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city for the purpose of paying the bonds and the interest thereon.

Delivery of the Bonds

The bonds, duly prepared, executed and registered, will be furnished and delivered in book-entry form only at the expense of the city through the facilities of the Depository Trust Company, New York, New York, on or before March 26, 2003.

Legal Opinion

The bonds will be sold subject to the legal opinion of Jonathan P. Small, Chartered, Topeka, Kansas, bond counsel, whose fees will be paid by the city. Bond counsel's approving legal opinion as to the validity of the bonds will be printed on the bonds and delivered to the successful bidder upon delivery of the bonds. (Reference is made to the official notice of sale and preliminary official statement for a discussion of tax exemption and other legal matters.)

Financial Matters

The city's 2002 equalized assessed tangible valuation for computation of bonded debt limitations is \$17,484,374. The city's outstanding general obligation bonded indebtedness, as of the date hereof, totals the principal amount of \$880,000, which does not include the bonds described herein and does not include \$746,150 principal amount in temporary notes, of which \$177,000 will be paid off in part from the proceeds of the bonds described herein.

Additional Information

For additional information regarding the city, the bonds and the public sale, interested parties are invited to request copies of the complete official notice of bond sale and the official bid form, all of which may be obtained from the city clerk at the address and telephone number shown below.

Request for Comments

The Kansas Department of Health and Environment is providing notice of intent to approve an engineering report entitled *Final Groundwater Remedial Design Report (Monitored Natural Attenuation) and Remedial Action Work Plan, 700 Area*, for the Kansas Army Ammunition Plant (KAAP) located approximately 2 miles east of Parsons. This document was prepared pursuant to a Consent Order (Case No. 89-E-20) issued in March 1989 in accordance with K.S.A. Chapter 65, Article 3453 requiring further investigation, remediation and closure of the 700 Area. The 700 Area is located in the north-central part of the facility covering approximately 38 acres. The Army installation operates under a RCRA Permit with EPA identification number KS0213820467.

The 700 Area was put into industrial service in 1942. This area was used for loading, assembling and packing the M-55 detonator, the M-210 lead cup, boosters and expulsion charges. Between 1942 and the present, the area has been periodically deactivated and reactivated. The 700 Area "production-line" generated wastewater contaminated with explosives, cleaning solvents and metal compounds. Before 1970, wastewater that was generated from washing down the interior of the buildings where the explosives devices were produced flowed into concrete sumps via trough systems. These troughs were located just outside each building. Sodium hydroxide was added to the wastewater in the sumps as a final step to deactivate any residual reactivity of the explosives. Overflow from the sumps was collected in drainage ditches that flowed into ponds south and southeast of the 700 Area. During the period of time this procedure was followed, wastewater contaminated the soil in the sump area, the ditches and the ponds, eventually entering the groundwater. The contaminated soils in the drainage ditches, the pond sediments and the surface water in the ponds were remediated in 1998.

The principal groundwater contaminants are volatile organic compounds (VOCs). Metals and explosives have not been detected in the groundwater at levels of concern and the soil removal action has eliminated the source of potential future metals and explosive contamination. The

VOC tetrachloroethene (PCE) and its breakdown products have been routinely detected above the maximum contaminant level (MCL) in an area extending south and south-southwestward from the 700 Area. Although PCE is the principal contaminant of concern, other similar VOCs that were used in the 700 Production Area are present in the groundwater at lower concentrations. This plume of contamination has migrated slowly, and since 1998, the outer limits of the plume have not expanded. Previous research and investigation have concluded that monitored natural attenuation (MNA) is an effective remedial action for contamination of this type in this environment, and has been approved by KDHE for this site. Natural attenuation is the reduction of contaminant concentrations resulting from in-situ biological, physical and chemical processes, and the monitoring of that process is referred to as monitored natural attenuation (MNA).

This report outlines in detail the processes of natural attenuation, the installation of additional strategically-placed monitoring wells, and the monitoring, sampling, analysis and reporting that will be undertaken for the remediation of the groundwater contamination associated with the 700 Area. MNA is a long-term commitment by KDHE and KAAP to protect human health and the environment and to prevent groundwater containing contamination exceeding MCL from leaving the facility boundary.

Public involvement is an important part of the Resource Conservation and Recovery Act (RCRA). The public is hereby notified of significant actions related to the Consent Order for the 700 Area. The following documents related to the groundwater remediation have been placed in the KAAP repository at the Parsons Library, 311 S. 17th, Parsons, for public review:

- 1) URS Radian Corp., December 2000. *700 Area Groundwater Engineering Report, Kansas Army Ammunition Plant, Draft Final.*
- 2) U.S. Army Corps of Engineers, Kansas City District, April 2002. *Technical Memorandum, 700 Area VOC Plume Delineation, Kansas Army Ammunition Plant, Parsons, Kansas.*
- 3) U.S. Army Corps of Engineers, Kansas City District, February 2003. *Groundwater Remedial Design Report (Monitored Natural Attenuation) and Remedial Work Plan, 700 Area, Kansas Army Ammunition Plant, Parsons, Kansas.*

KDHE will accept written comments on these documents for a period of 30 days beginning March 6. All comments must be postmarked by April 5 and may be submitted in writing to Mostafa Kamal, Chief, Hazardous Waste Permits Section, Kansas Department of Health and Environment, Bureau of Waste Management, 1000 S.W. Jackson, Suite 320, Topeka, 66612-1366.

**Department of Health
and Environment****Request for Comments**

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. KDHE is proposing to issue the permit in accordance with the provisions of K.A.R. 28-19-540 et seq. (Class II operating permits; applicability) for the Creekstone Farms Premium Beef L.L.C. (formerly Future Beef) meat packing facility located at 604 Goff Industrial Park Road, Arkansas City, Kansas. Emissions of oxides of nitrogen (NOx), oxides of sulfur (SOx), carbon monoxide (CO), volatile organic compounds (VOCs) and particulate matter less than 10 microns in diameter (PM₁₀) were evaluated during the permit review process. The purpose of the Class II permit is to limit the potential-to-emit for NOx and CO to below major source thresholds.

A public comment period has been established through April 7 (unless extended by the hearing officer) to allow citizens the opportunity to express any concerns or comments they may have about this permitting action. A public hearing will be conducted by KDHE at 7 p.m. Tuesday, April 8, at the Agri-Business Building, 712 W. Washington, Arkansas City, to receive comments on the proposed issuance of an air quality operating permit. All comments should be submitted in writing at the public hearing or to Connie Carreno, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366.

A copy of the proposed permit, permit application and the information relied upon during the permit application review process is available for public review for a period of 30 days from the date of publication during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; at the KDHE South Central District Office, 130 S. Market, Suite 6050, Wichita; and at City Hall, 118 W. Central Ave., Arkansas City. Questions about the draft permit should be directed to Michael Stewart, (785) 296-1994. To review the proposed permit and supporting documentation or to ob-

tain copies, contact Connie Carreno, (785) 296-6422, at the KDHE central office; David Butler, (316) 337-6020, at the KDHE South Central District Office; or the city clerk for Arkansas City at (620) 441-4400. The standard departmental cost will be assessed for any copies requested.

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality construction permit. BP America Production Company has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to install and operate a flare to control volatile organic compounds (VOCs). Emissions of oxides of nitrogen (NOx), oxides of sulfur (SOx), carbon monoxide (CO) and volatile organic compounds (VOCs) were evaluated during the permit review process.

BP America Production Company, Houston, Texas, owns and operates the stationary source located at Section 3, Township 29 South, Range 35 West, Grant County, Kansas, at which a flare to control VOC emissions is to be installed.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during review of the permit application is available for public inspection for a period of 30 days from the date of publication during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the KDHE South Central District Office, 130 S. Market, Wichita. To obtain or review the proposed permit and supporting documentation, contact John S. Ramsey, (785) 296-1992, at the KDHE central office; or Don Mies, (316) 337-6107, at the KDHE South Central District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to John S. Ramsey, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received by the close of business April 7.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business April 7 in order for the Secretary of Health and Environment to consider the request.

Request for Comments

The Kansas Department of Health and Environment has reviewed an application from Bayer Construction Company, Inc. to establish and operate a new construction and demolition (C&D) landfill. The proposed landfill site is located in the Southwest Quarter of Section 28, Township 10 South, Range 9 East in Riley County, at 1258 Tabor Valley Road, Manhattan. The proposed landfill will cover approximately 13.2 acres on the 26.4-acre property, which is currently used for quarrying rock in what is known as the Moore Quarry site. The landfill is proposed to be developed in two phases to reclaim (fill) land subsequent to quarrying. The proposed landfill is estimated to have capacity for approximately 196,150 cubic yards of C&D waste, with the period of active landfill operation estimated at five years. The bottom of the landfill is proposed to be at elevations ranging from 1,060 to 1,085 feet (about 10 feet below the natural ground surface elevations prior to quarrying), and final landfill elevations will be at elevations ranging from 1,070 to 1,095 feet (approximately matching the natural ground surface elevations prior to quarrying).

Riley County has certified that the application described herein is consistent with local zoning requirements. Riley County also has certified that the application is consistent with the Riley County Solid Waste Management Plan. KDHE has reviewed the application and found it to be in conformance with the state solid waste regulations.

KDHE is providing public notice of its intent to issue a permit to Bayer Construction Company for the proposed landfill described herein. A copy of the administrative record, including the permit application, engineering drawings, draft permit and other information regarding this permit action, will be available for public review March 10-April 18, during normal business hours, at the following locations:

Additionally, the application form is available for public viewing via the Internet at http://www.kdhe.state.ks.us/waste/bwm_sw_public_notices.html. Anyone wishing to comment on the proposed facility should submit written statements postmarked not later than April 18 to Pete Osborn of KDHE (at the address listed above). In addition, an informational meeting and public hearing will be held

in conjunction with the public comment period. The informational meeting will be at 6 p.m. Wednesday, April 9, in the Riley County Commission Room, Courthouse Plaza East, 115 N. 4th St., Manhattan. At the informational meeting, KDHE staff will be present in an informal setting to respond to questions from interested individuals. Immediately following the informational meeting, a public hearing will be held at 7 p.m. at the same location. The public hearing will provide a format for individuals to make formal comments, which will be recorded by KDHE. KDHE will subsequently issue written responses to all formal comments, including written comments received through the end of the public comment period and verbal comments recorded during the public hearing.

After consideration of all formal comments received during the public notice period, KDHE will make a final decision on whether to issue the new permit. Notice of the decision will be given to the applicant, to anyone who submitted written comments during the comment period, and to those who requested notice of the final permit decision.

Kansas Permit No. I-AR94-PO04 Federal Permit No. KS0000183
Legal: S 17, 20 and 21, T27S, R2E, Sedgwick County

Facility Description: The proposed action is to reissue an existing permit for operation of an existing wastewater treatment facility treating noncontact cooling water, miscellaneous wastewaters and treated groundwater. This facility manufactures aircraft and missile targets. Municipal water used for noncontact equipment cooling, steam condensate, air conditioning condensate, and fire protection test water (all treated in an oil/water separator), and stormwater runoff is discharged at outfalls 001 and 002. The average daily discharge, excluding storm water runoff, is 31,000 gpd at 001 and 40,000 gpd at 002. Approximately 14,080 gpd of halogenated solvents-contaminated groundwater is treated in an oil/water separator and an air stripper before being discharged at outfall 003. Metal finishing process wastewater and domestic wastewater are discharged into a sanitary sewer. The proposed permit includes limits for oil and grease, 1,1 dichloroethylene, cis 1,2-dichloroethylene, trichloroethylene and pH. Monitoring of temperature, sulfate and flow also will be required. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Persons wishing to comment on or object to the draft permits and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments or
