Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Monday, August 11, in the Kansas Board of Regents' conference room, 1000 S.W. Jackson, Suite 520, Topeka, to consider the adoption of a new rule and regulation establishing a fee schedule for proprietary schools. This regulation is authorized by 2003 House Bill 2009, § 2.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Shery Smith, Kansas Board of Regents, 1000 S.W. Jackson, Suite 520, Topeka, 66612-1368. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Shery Smith at (785) 296-3689.

Copies of the regulation and the economic impact statement may be obtained by contacting Shery Smith. A summary of the proposed regulation and the economic impact follows:

88-23-7. Transcript, certificate, and registration fees. This regulation establishes a fee schedule for proprietary schools, which are for-profit or not-for-profit businesses that train or prepare students for a business, trade, technical or industrial occupation. Annually, proprietary schools that are not exempt under the Kansas Proprietary School Act must receive a certificate of approval from the Kansas Board of Regents to operate in the state. Schools also must register any representative that will act as an agent to recruit students. The regulation establishes fees for both these activities to be paid by the schools.

In addition, the regulation establishes a fee to be paid by a student to retrieve a transcript from a proprietary school that has closed since graduation.

Economic Impact: Because this regulation raises the level of fees for proprietary schools that were previously mandated in statute, school owners that wish to continue to operate and promote their schools in Kansas will have direct economic impact. From the increase in fees, the board will have a positive economic impact of approximately \$35,000 per year, which will allow the board to increase staff time dedicated to the oversight of proprietary schools from 0.5 FTE to 1.0 FTE. Private citizens who have attended a proprietary school that has subsequently closed will have a new fee of \$7 for copies of their transcripts.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9 a.m. Monday, June 9, in the SRS board room, sixth floor, Docking State Office Building, 915 S.W. Harrison, Topeka, to consider the adoption of amendments to an existing rule and regulation on a permanent basis effective 15 days after publication in the Kansas Register. Telephone conference is not available.

This 30-day notice of the public hearing shall constitute a public comment period for the proposed regulation as stated in K.S.A. 2002 Supp. 77-421(a)(3). All interested parties may submit written comments prior to the hearing to Hope Burns, Office of the Secretary for SRS, Room 603-N, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views, but it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Hope Burns at (785) 296-3274 or by calling the Kansas Relay Center at 1-800-766-3777.

The adoption of the regulation will take place at 2 p.m. Tuesday, June 10, in the SRS executive conference room, 603-N, Docking State Office Building. Telephone conference will not be available.

Copies of the regulation and the economic impact statement may be obtained by contacting Hope Burns. A summary of the proposed regulation and the economic impact follows:

**Article 5.—PROVIDER PARTICIPATION,
SCOPE OF SERVICES, AND REIMBURSEMENT
FOR THE MEDICAID (MEDICAL
ASSISTANCE) PROGRAM**

30-5-64. Prior authorization. This regulation is being amended to make the following changes regarding prior authorization of pharmaceutical products:

Due to the implementation of the Kansas Medicaid Preferred Drug List, the following drugs will require prior authorization:

- Non-steroidal anti-inflammatory drugs; Meloxicam
- Triptans; eletriptan HBr

Federal Mandate: This regulation change is not federally mandated.

Economic Impact: SRS included the expected savings from this change in the economic impact statement when this same regulation was proposed to be amended in the Vol. 21, No. 51, Kansas Register dated December 19, 2002. When SRS published that notice, SRS intended to phase in several pharmaceutical products at different dates, so SRS reported the entire amount of savings in that statement.

Bearer of Cost: The cost of reviewing prior authorization (PA) will be borne by SRS. If a Medicaid consumer wishes to have a drug despite a PA denial, the cost will be borne by the consumer.

Affected Parties: Medicaid consumers, pharmacists and the Medicaid agency.

Other Methods: There were no other appropriate methods for the desired outcome.

Department of Agriculture
Division of Water ResourcesNotice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 8 p.m. Thursday, July 10, at 125 S. Main, Stafford, to consider the adoption of new and amended regulations recommended by the Big Bend Groundwater Management District Board No. 5 to the chief engineer, Division of Water Resources, Kansas Department of Agriculture. The proposals are summarized as follows:

K.A.R. 5-25-1. Definitions. Add definitions for "neat cement" and "portland cement."

K.A.R. 5-25-2, well spacing, and K.A.R. 5-25-2a, change in point of diversion. Allows a replacement well to be located within 2,640 feet of the currently authorized point of diversion, instead of the current 1,320 feet limitation. Specifies requirements for test holes. Requires that the replacement well be located in the same aquifer or aquifers in which the currently authorized well was completed.

K.A.R. 5-25-3. Reasonable appropriation. Adopts the statewide standards for a reasonable quantity of water for irrigation and other beneficial uses instead of using the flat 1.5 acre-foot per acre standard for irrigation.

K.A.R. 5-25-4. Sustainable yield. Exempts certain Dakota wells from closure of district to new permits.

K.A.R. 5-25-5. Well equipment. Amends check valve requirement to exempt those wells already regulated under the chemigation act in order to eliminate the possibility of dual regulation. Adopts the statewide standard for check valves.

K.A.R. 5-25-8. Waste of water. Corrects reference to statewide definition of waste.

K.A.R. 5-25-10. Test holes and water quality analyses. Clarifies requirements for construction of test holes that are required.

K.A.R. 5-25-11. Determination of well locations. Cleanup of regulation language.

K.A.R. 5-25-12. Approval of application for additional rate only. New regulation exempting an application for additional rate of diversion only from the sustainable yield requirements if the well meets the statewide requirements for an application for additional rate of diversion.

(continued)

K.A.R. 5-25-13. Term permits. New regulation allowing term permits to be issued for more than one year if contaminated water will be used, the well will be used for aquifer remediation or hydraulic dredging, or the applicant shows it will not cause impairment or be contrary to the public interest.

K.A.R. 5-25-14. Battery of wells. New regulation specifying that one well can be converted to a battery in only three situations.

K.A.R. 5-25-15. Exemptions for up to 15 acre-feet of groundwater. Applications for 15 acre-feet of water per year are allowed only in certain specified cases.

K.A.R. 5-25-16. Water quality analyses and observation wells in the Rattlesnake creek basin. New regulation that sets certain requirements for water quality testing in the Rattlesnake creek basin.

K.A.R. 5-25-17. Voluntary reductions of water rights in the Rattlesnake creek basin. New regulation allowing water right owners to voluntarily reduce acreage irrigated by removal of an end gun, and receiving later credit for that reduction in the future if mandatory reductions are required.

K.A.R. 5-25-18. Changes of well locations within the Rattlesnake creek basin. New regulation restricting relocation of wells in the Rattlesnake creek basin, primarily to encourage relocation of wells out of the corridor and the number two priority decline area. The regulation also sets limits on the quantity of water that can be moved.

K.A.R. 5-25-19. Saturated thickness map. Adopts an electronic map by reference specifying the saturated thickness of the aquifer in the Rattlesnake creek basin.

K.A.R. 5-25-20. Recommendations by the board. Specifies which applications will be reviewed by the district and the time frames for review.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the chief engineer, Division of Water Resources, Kansas Department of Agriculture, Attention: Annita Meyer, 109 S.W. 9th, 2nd Floor, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Annita Meyer at (785) 296-4621.

The project shall be located as shown:

Project No. 000566—Maximum Principal Amount: \$64,000. Owner/Operator: Tom and Ann Conway. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the Authority.

Sec. 137. *Savings.* (a) Any unencumbered balance as of June 30, 2003, in any special revenue fund, or account thereof, of any state agency named in this act which is not otherwise specifically appropriated or limited by this or other appropriation act of the 2003 regular session of the legislature, is hereby appropriated for the fiscal year ending June 30, 2004, for the same use and purpose as the same was heretofore appropriated.

Sec. 138. During the fiscal year ending June 30, 2004, all moneys which are lawfully credited to and available in any bond special revenue fund, which are not otherwise specifically appropriated or limited by this or other appropriation act of the 2003 regular session of the legislature, are

hereby appropriated for the fiscal year ending June 30, 2004, for the state agency for which the bond special revenue fund was established for the purposes authorized by law for expenditures from such bond special revenue fund. As used in this subsection, "bond special revenue fund" means any special revenue fund or account thereof established in the state treasury prior to or on or after the effective date of this act for the deposit of the proceeds of bonds issued by the Kansas development finance authority, for the payment of debt service for bonds issued by the Kansas development finance authority, or for any related purpose in accordance with applicable bond covenants.

Sec. 139. *Federal grants.* (a) During the fiscal year ending June 30, 2004, each federal grant or other federal receipt which is received by a state agency named in this act and which is not otherwise appropriated to that state agency by this or other appropriation act of the 2003 regular session of the legislature, is hereby appropriated for the fiscal year ending June 30, 2004, for that state agency for the purpose set forth in such federal grant or receipt, except that no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously appropriated or reappropriated or approved for expenditure by the governor, until the governor has authorized the state agency to make expenditures therefrom.

(b) During the fiscal year ending June 30, 2005, each federal grant or other federal receipt which is received by a state agency named in section 22 of this act and which is not otherwise appropriated to that state agency for fiscal year 2005 by this or other appropriation act of the 2003 or 2005 regular session of the legislature, is hereby appropriated for fiscal year 2005 for that state agency for the purpose set forth in such federal grant or receipt, except that no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously appropriated or reappropriated or approved for expenditure by the governor, for fiscal year 2005, until the governor has authorized the state agency to make expenditures from such federal grant or other federal receipt for fiscal year 2005.

State of Kansas

Office of the Governor

Message to the Senate of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Bill No. 6 with my signature approving the bill, except for the items enumerated below.

Attorney General

Interstate Water Rights Transfer Authority

Section 29(d) has been line-item vetoed in its entirety. This section would allow the Attorney General to transfer funds between line-item appropriations to provide funds for the Colorado or Nebraska litigation. Similar authority allowing the Attorney General to transfer money to water litigation accounts has been passed in HB 2456. Therefore, this language is an unnecessary part of the appropriation bill. I veto this section to remove the duplication.

Judicial Council

State General Fund Appropriation

Section 33(a) has been line-item vetoed in its entirety. SB 6 appropriates \$60,000 from the State General Fund for FY 2004 for operating expenditures of the Council. However, SB 36, which has been signed into law, will raise \$230,000 of new revenue from docket fee increases. Therefore, the State General Fund appropriation is not needed. For this reason, I veto this section.

Board of Regents

Human Sexuality Proviso

Section 67(i) has been line-item vetoed in its entirety. In a democracy, academic freedom in higher education is essential. Nevertheless, every institution of higher learning in Kansas has an obligation to exercise its academic freedom responsibly. The Kansas Board of Regents has in place well-established policies and procedures to provide redress for students, parents, and taxpayers who
(continued)

question the educational value or appropriateness of any material used in the institutions of higher learning under the authority of the Board of Regents. Following such policies and procedures will resolve concerns within the appropriate exercise of academic freedom. Therefore, I veto the above proviso as an inappropriate use of legislative powers designed to impinge upon academic freedom in the State of Kansas.

Water Office

Authority for Internal Transfer of Funds

Section 82(d) has been line-item vetoed in its entirety. A number of state agencies have the authority to shift funds, with the approval of the Director of the Budget, between their line-item appropriations to allow flexibility in the efficient management of fiscal resources, especially in times of reduced budgets. This authority has been in regular use for some time with no problems or complaints. This proviso departs from the authority granted to other agencies and grants authority to make budgetary decisions entirely to the Kansas Water Authority. There is no justifiable reason to remove the Water Office from the same budgetary oversight in the prudent manage-

ment of funds that other agencies are subject to. I therefore find it necessary to veto this section and request that the Legislature restore the original language.

Department of Administration

Information Technology Projects Proviso

Section 133 has been line-item vetoed in its entirety. Section 133 would establish a procedure to restrict expenditures for information technology hardware, software, and network resources until the Director of the Budget certifies to the Director of Accounts and Reports that an agency has complied with KSA 75-7209. This statute prescribes the procedures by which agencies provide information about proposed information technology projects, including a project description, schedule, financial plan, and cost-benefit statement. This proviso duplicates the existing budget instructions that implement KSA 75-7209. Establishing an additional certification process is unduly burdensome and can result in costs to the taxpayers in both time and money. For these reasons, I veto this section.

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.

\$15 each, includes shipping and handling.

(Kansas residents must include an additional \$1.08 state and local sales tax.)
