Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, July 15, in Room C of the SRS Learning Center, 2600 S.W. East Circle Drive South, Topeka, to consider the adoption of amendments to existing rules and regulations on a permanent basis effective 15 days after publication in the Kansas Register.

This 60-day notice of the public hearing shall constitute a public comment period for the proposed regulations. All interested parties may submit written comments prior to or during the public hearing to Hope Burns, Office of the Secretary for SRS, Room 603-N, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views, but it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Hope Burns at (785) 296-3274 or by calling the Kansas Relay Center at 1-800-766-3777.

The adoption of the regulations will take place at 11:30 a.m. Monday, July 21, in the SRS executive conference room, 603-N, Docking State Office Building.

Copies of the regulations and the economic impact statement may be obtained by contacting Hope Burns. A summary of the proposed regulations and the economic impact follows:

Article 5.—PROVIDER PARTICIPATION, SCOPE OF SERVICES, AND REIMBURSEMENTS FOR THE MEDICAID (MEDICAL ASSISTANCE) PROGRAM

30-5-89. Scope of home health services. Many of the proposed changes to K.A.R. 30-5-89 clarify and more accurately reflect changes in the Medicaid State Plan regarding practices of the Kansas Medicaid Program. The changes include:

- clarifying what constitutes skilled nursing services;
- modifying the language of the regulation to more closely match the language of 42 CFR 440.70;
- clarifying that prior authorization is not required for respiratory therapy services for nonwaiver Kan Be Healthy participants;
- clarifying what services may be provided by state licensed home health agencies versus services that require a home health agency that meets the conditions of participation for Medicare;
- adding the requirement that home health services must be prior authorized for home- and community-based services (HCBS) waiver recipients;
- removing language that allows home health agencies to bill for durable medical equipment rental; and
- clarifying that ACIL services are the same for eligible beneficiaries under and over the age of 16.

The proposed K.A.R. changes reflect these changes in the state plan and in policy.

Federal Mandate: This regulation change is not federally mandated.

Economic Impact: Requiring prior authorization for home health services provided to HCBS waiver recipients is expected to reduce duplication of services to waiver recipients and thus have a fiscal impact of reducing costs by \$12,000,000 per year (\$4,800,000 state funds and \$7,200,000 federal funds). The other proposed regulation changes reflect current practices and are not expected to have a fiscal impact

Bearer of Cost: None.

Affected Parties: Medicaid consumers.

Other Methods: There were no other appropriate methods for the desired outcome.

30-5-89a. Reimbursement for home health services. Currently home health agencies (HHA) are allowed to bill Medicaid for the rental of durable medical equipment (DME). DME providers also are allowed to bill Medicaid for the rental of DME, thus creating a situation in which both providers could bill for the same equipment through different provider numbers. Therefore, HHAs will no longer be allowed to bill for equipment rental. They will obtain the equipment from DME providers and the DME provider will bill Medicaid for the item. It should be noted that this situation is extremely rare and the fiscal impact will be minimal.

Federal Mandate: This regulation change is not federally mandated.

Economic Impact: No impact.

Bearer of Cost: None.

Affected Parties: Medicaid consumers.

Other Methods: There were no other appropriate methods for the desired outcome.

Article 10.—ADULT CARE HOME PROGRAM

30-10-14. Prospective reimbursement. This regulation is being revoked.

Federal Mandate: None.

Economic Impact: None.

Bearer of Cost: Not applicable.

Affected Parties: Nursing homes and the Kansas Department on Aging.

Other Methods: Leaving the regulation as it is was considered, but since this regulation includes federal language that has been removed, it was determined that it would be best to revoke it.

30-10-15a. Reimbursement. This regulation is being amended to added clarification for when dialysis services are considered routine services covered by the per diem rate paid to nursing home providers. This addition was based upon a recommendation from a Legislative Post Audit report.

Federal Mandate: None.

Economic Impact: None.

Bearer of Cost: Not applicable.

Affected Parties: Nursing home providers and dialysis services providers.

Other Methods: Leaving the regulation as it is was considered, but the existing language did not clearly identify when dialysis services were to be provided by the nursing home.

30-10-21. Reserve days. This regulation is being amended to added language excluding beneficiaries on planned temporary stays from being eligible for reserve days. The requirements for availability of hospital reserve days were rewritten to eliminate the requirement that the bed being held would likely have been occupied by someone else.

Federal Mandate: None.

Economic Impact: None.

Bearer of Cost: Not applicable.

Affected Parties: Nursing home providers and the state.

Other Methods: Leaving the regulation as it is was considered, but the current language was vague and subjective.

30-10-23b. Cost allowed with limitations. This regulation is being amended to add language identifying providers re-opening facilities that have been closed for 24 months or longer as provider eligible for claiming start-up costs. Language also was added to limit start-up costs to those costs that were incurred within 90 days before opening. These additions reflect current auditing policies.

Federal Mandate: None.

Economic Impact: None.

Bearer of Cost: Not applicable.

Affected Parties: Nursing home providers and the state.

Other Methods: Leaving the regulation as it is was considered, but it was determined that this allowance and the corresponding limit should be recorded in regulation.

**Notice of Hazardous Waste Facility
Post-Closure Plan Modification**

The Kansas Department of Health and Environment has received a Resource Conservation and Recovery Act (RCRA) post-closure plan modification request from Harcros Chemicals Inc., regarding a closed surface impoundment within its facility located at 5200 Speaker Road, Kansas City, Kansas. This surface impoundment is defined as a closed hazardous waste management unit (HWMU) and is under interim status with respect to RCRA Subtitle C, having EPA Identification Number KST210010062.

In 1980, the Thomas-Haywood Chemical Company submitted Part A of a hazardous waste permit application and attained interim status as a hazardous waste treatment, storage and disposal facility. It operated a hazardous waste management unit at its Kansas City facility from 1966 until July 1988. The closure and post-closure plan was submitted to KDHE as required by Title 40 Code of Federal Regulations (CFR) Part 265 Subpart G. The facility is currently owned and operated by Harcros Chemicals, Inc., a Kansas corporation.

The proposed modification to the post-closure plan consists of reducing the sampling and analysis schedule to semiannual, eliminating two side-gradient wells from the monitoring system and reducing the requirement to analyze the groundwater samples for the full list of VOCs, SVOCs, herbicides, pesticides, and total and dissolved metals from annually to biannually. The groundwater sampling and analysis requirement for facilities of this type is outlined in 40 CFR Part 265 Subpart F. Harcros contends and KDHE agrees that the proposed modifications to the post-closure plan are not detrimental to the protection of human health and the environment.

The proposal to modify the plan is based on CFR 265.118(d) in accordance with Kansas Administrative Regulation 28-31-8. Therefore, approval of the plan must follow CFR 265.118(f), which includes notification through a legal newspaper notice with a 30-day public comment period. Depending on the comments received, a public hearing may be held.

The revised post-closure plan and accompanying fact sheet are available for public review at the United States Environmental Protection Agency, Region VII, Library, 901 N. 5th St., Kansas City, Kansas; and at the Bureau of Waste Management, Curtis Building, 1000 S.W. Jackson, Topeka.

Written public comments on the revised plan must be postmarked during the 30-day public comment period, May 16-June 16. Any request for a public hearing must be received by June 16. The public may submit comments, requests for additional information or requests for a public hearing to Mostafa Kamal, Bureau of Waste Management, 1000 S.W. Jackson, Suite 320, Topeka, 66612-1366.

(4) The holder of the non-winning ticket must complete the information form on the back of the ticket in a legible manner. Only one name shall appear on a non-winning ticket entered.

(5) A receptacle or drum may be available for deposit of entries at the Kansas Speedway and other locations as may be specifically designated by the lottery. All entries so deposited shall be transported to lottery headquarters and secured until the time of the drawing.

(6) Entries may also be mailed with proper postage to "Kansas Speedway Fall 2003" c/o Kansas lottery, P. O. Box 750980, Topeka, Kansas 66675-0980. Mailed entries must be received by morning mail pickup on Tuesday, August 12, 2003. More than one entry may be mailed in one envelope.

(continued)

(7) The holder of the ticket is not required to personally attend the drawing or be present at the time of the drawing to be determined a winner;

(8) The drawing will be conducted at 10:00 a.m. on Friday, August 15, 2003.

(b) There is no limit on the number of entries a person may make, but a person may only win one time in the drawing.

(c) Only valid non-winning "Kansas Speedway" tickets which are mailed to "Kansas Speedway Fall 2003" c/o Kansas lottery, P. O. Box 750980, Topeka, Kansas 66675-0980 with proper postage and received by the morning mail pickup in Topeka, Kansas, on Tuesday, May 13, 2003, and non-winning "Kansas Speedway" tickets entered at the Kansas lottery location at Kansas Speedway and other locations as may be specifically designated by the lottery shall be eligible for the drawing.

(d) Eligible entrants in the "Kansas Speedway Fall 2003 Drawing" must be 18 years of age or older.

(e) Completing the information form on the non-winning ticket and entering the ticket into the drawing constitutes authorization to publicly identify the person whose entry is drawn. (Authorized by and implementing K.S.A. 2002 Supp. 74-8710; effective, T-111-4-8-03, Feb. 19, 2003.)

111-4-2008. Certification of drawing. (a) The "Kansas Speedway Fall 2003 Drawing" shall be personally observed by a member of the Kansas lottery security department and a member of the Kansas lottery marketing department or other person or persons designated by the executive director of the lottery (hereinafter "event manager").

(b) Upon completion of the drawing, the security official and the event manager shall issue a report to the executive director, certifying that the name of each prize winner is correct, and that to the best of their knowledge the procedures required by these rules were followed in selecting the prize winners. (Authorized by and implementing K.S.A. 2002 Supp. 74-8710; effective, T-111-4-8-03, Feb. 19, 2003.)

111-4-2009. Selection of winners. The following process shall be used for the selection of winners in the "Kansas Speedway Fall 2003 Drawing:"

(a) Kansas lottery personnel shall pick up all mail containing "Kansas Speedway Fall 2003 Drawing" tickets at the United States Post Office in Topeka, Kansas, with the final pick up at the Topeka post office in the morning mail pickup on Tuesday, August 12, 2003. Following the morning mail pickup on Tuesday, August 12, 2003, the envelopes containing mailed entries will be transported to lottery headquarters and opened by lottery personnel. All mailed entries and entries retained from the Kansas lottery selling location at Kansas Speedway and such other locations as specifically designated by the lottery shall then be placed in the drawing receptacle or drum.

(b) The drawing shall be held at Kansas lottery headquarters and shall be open to the public with lottery security personnel present. The drawing shall be audio and video taped.

(c) At the final drawing on Friday, August 15, 2003, lottery security personnel will be present with the person

designated by the executive director to perform the drawing. Prior to the drawing, if a drum is used, the drum shall be sealed and the contents mixed by rotating the drum at least 10 times. If a receptacle other than a drum is used, the contents shall be mixed with a shovel or by other means for at least three minutes prior to the drawing.

(d) The designated individual shall then unseal the drum, if a drum is used, and using the bare-arm technique, while looking away, remove 48 entries from the receptacle or drum, one at a time. The person whose name appears on each entry shall be the winner of one of the prize packages identified in K.A.R. 111-4-2006, subject to validation by the lottery as set forth in these rules. Each valid entry shall be numbered from one through 48.

(e) After 48 entries have been drawn, and the entries have been verified as valid, 10 more entries will be drawn, one at a time. The last 10 entries drawn will serve as alternate entries for the prize packages. The alternate entries will be marked in order drawn, 1A, 2A, 3A, 4A, 5A, 6A, 7A, 8A, 9A, and 10A. The alternate entries will be used only if one or more of the original winners cannot be located or is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. of the fourteenth calendar day following the drawing. The alternates will be used, if necessary, in the order drawn. If an alternate winner cannot be located, is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. of the fourteenth calendar day following the claim form being given or sent to the alternate winner, the alternate winner process shall be repeated until the prize is properly claimed or until such time as no alternate winners remain, whichever occurs first.

(f) The Kansas lottery security official present shall review each ticket drawn to determine the validity of the entry into the "Kansas Speedway Fall 2003 Drawing" in accordance with these regulations. If it is a valid entry and the name is legible, the event manager and the security person present shall record the name of the winner and the prize won. Each winner shall be given or sent a prize claim form to be completed and returned to the lottery within 14 calendar days of the drawing.

(g) If the entry is determined to be ineligible, it shall be discarded by the security person present and another entry drawn. This procedure will be repeated until valid selections are obtained.

(h) Only non-winning "Kansas Speedway" instant tickets as defined by these rules are eligible for the drawing.

(i) All "Kansas Speedway" tickets remaining in the drum or receptacle on August 15, 2003, after the winners and alternatives have been selected, and all entries not received in compliance with these rules, shall be destroyed pursuant to K.A.R. 111-3-34. (Authorized by and implementing K.S.A. 2002 Supp. 74-8710; effective, T-111-4-8-03, Feb. 19, 2003.)

SENATE Substitute for HOUSE BILL No. 2399

AN ACT concerning school districts; relating to the powers and duties thereof; relating to the financing thereof; amending K.S.A. 10-1116a, as amended by section 2 of 2003 Senate Bill No. 4, 72-6417, 72-6431 and 72-6434 and K.S.A. 2002 Supp. 79-201x and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 10-1116a, as amended by section 2 of 2003 Senate Bill No. 4, is hereby amended to read as follows: 10-1116a. The limitations on expenditures imposed under the cash-basis law shall not apply to:

(a) Expenditures in excess of current revenues made for municipally owned and operated utilities out of the fund of such utilities caused by, or resulting from the meeting of, extraordinary emergencies including drought emergencies. In such cases expenditures in excess of current revenues may be made by declaring an extraordinary emergency by resolution adopted by the governing body and such resolution shall be published at least once in a newspaper of general circulation in such city. Thereupon, such governing body may issue interest bearing no-fund warrants on such utility fund in an amount, including outstanding previously issued no-fund warrants, not to exceed 25% of the revenues from sales of service of such utility for the preceding year. Such warrants shall be redeemed within three years from date of issuance and shall bear interest at a rate of not to exceed the maximum rate of interest prescribed by K.S.A. 10-1009, and amendments thereto. Upon the declaration of a drought emergency, the governing body may issue such warrants for water system improvement purposes in an amount not to exceed 50% of the revenue received from the sale of water for the preceding year. Such warrants shall be redeemed within five years from the date of issuance and shall bear interest at a rate not to exceed the maximum rate of interest prescribed by K.S.A. 10-1009, and amendments thereto.

(b) Expenditures in any month by school districts which are in excess of current revenues if the deficit or shortage in revenues is caused by, or a result of, the late distribution payment of state aid after the date prescribed for the payment of state aid during such month under K.S.A. 72-6417 or 72-6434, and amendments thereto.

The provisions of this subsection shall apply to expenditures made in school year 2001-2002, school year 2002-2003, school year 2003-2004, school year 2004-2005, school year 2005-2006 and school year 2006-2007.

Sec. 2. K.S.A. 72-6417 is hereby amended to read as follows: 72-6417. (a) The distribution of general state aid under this act shall be made in accordance with appropriation acts each year as provided in this section.

(b) (1) In the months of July through May of each school year, the state board shall determine the amount of general state aid which will be required by each district to maintain operations in each such month. In making such determination, the state board shall take into consideration the district's access to local effort sources and the obligations of the general fund which must be satisfied during the month. The amount determined by the state board under this provision is the amount of general

state aid which will be distributed to the district in the months of July through May;

(2) in the month of June of each school year, *subject to the provisions of subsection (d)*, payment shall be made of the full amount of the general state aid entitlement determined for the school year, less the sum of the monthly payments made in the months of July through May.

(c) *The state board of education shall prescribe the dates upon which the distribution of payments of general state aid to school districts shall be due.* Payments of general state aid shall be distributed to districts once each month ~~at a time to be determined on the dates prescribed~~ by the state board. The state board shall certify to the director of accounts and reports the amount due as general state aid to each district in each of the months of July through June. Such certification, and the amount of general state aid payable from the state general fund, shall be approved by the director of the budget. The director of accounts and reports shall draw warrants on the state treasurer payable to the district treasurer of each district entitled to payment of general state aid, pursuant to vouchers approved by the state board. Upon receipt of such warrant, each district treasurer shall deposit the amount of general state aid in the general fund, except that, an amount equal to the amount of federal impact aid not included in the local effort of a district may be disposed of as provided in subsection (a) of K.S.A. 72-6427, and amendments thereto.

(d) *If any amount of general state aid that is due to be paid during the month of June of a school year pursuant to the other provisions of this section is not paid on or before June 30 of such school year, then such payment shall be paid on or after the ensuing July 1, as soon as moneys are available therefor. Any payment of general state aid that is due to be paid during the month of June of a school year and that is paid to school districts on or after the ensuing July 1 shall be recorded and accounted for by school districts as a receipt for the school year ending on the preceding June 30.*

Sec. 3. K.S.A. 72-6434 is hereby amended to read as follows: 72-6434. (a) In each school year, each district that has adopted a local option budget is eligible for entitlement to an amount of supplemental general state aid. Entitlement of a district to supplemental general state aid shall be determined by the state board as provided in this subsection. The state board shall:

- (1) Determine the amount of the assessed valuation per pupil in the preceding school year of each district in the state;
- (2) rank the districts from low to high on the basis of the amounts of assessed valuation per pupil determined under (1);
- (3) identify the amount of the assessed valuation per pupil located at the 75th percentile of the amounts ranked under (2);
- (4) divide the assessed valuation per pupil of the district in the preceding school year by the amount identified under (3);
- (5) subtract the ratio obtained under (4) from 1.0. If the resulting ratio equals or exceeds 1.0, the eligibility of the district for entitlement to supplemental general state aid shall lapse. If the resulting ratio is less than 1.0, the district is entitled to receive supplemental general state aid in an amount which shall be determined by the state board by multiplying the amount of the local option budget of the district by such ratio. The product is the amount of supplemental general state aid the district is entitled to receive for the school year.

(b) If the amount of appropriations for supplemental general state aid is less than the amount each district is entitled to receive for the school year, the state board shall prorate the amount appropriated among the districts in proportion to the amount each district is entitled to receive.

(c) *The state board of education shall prescribe the dates upon which the distribution of payments of supplemental general state aid to school districts shall be due.* Payments of supplemental general state aid shall be distributed to districts ~~at a time to be determined on the dates prescribed~~ by the state board. The state board shall certify to the director of accounts and reports the amount due each district, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the district. Upon receipt of the warrant, the treasurer of the district shall credit the amount thereof to the supplemental general fund of the district to be used for the purposes of such fund.

~~(d) The provisions of this section shall take effect and be in force from and after July 1, 1992.~~

(d) *If any amount of supplemental general state aid that is due to be paid during the month of June of a school year pursuant to the other provisions of this section is not paid on or before June 30 of such school year, then such payment shall be paid on or after the ensuing July 1, as soon as moneys are available therefor. Any payment of supplemental general state aid that is due to be paid during the month of June of a school year and that is paid to school districts on or after the ensuing July 1 shall be recorded and accounted for by school districts as a receipt for the school year ending on the preceding June 30.*

New Sec. 4. Whenever a school district is required by law to make any payment during the month of June and there is insufficient revenue to make such payment as a result of the payment of state aid after the date prescribed by the state board of education pursuant to K.S.A. 72-6417 or 72-6434, and amendments thereto, the school district shall make such payment as soon as moneys are available.

New Sec. 5. (a) If the proposition to consolidate school districts is approved as provided in K.S.A. 72-8704, and amendments thereto, the temporary board of education specified in the agreement pursuant to K.S.A. 72-8702, and amendments thereto, shall have the power to enter into contracts, adopt resolutions and take other such actions as it deems necessary to provide for the maintenance, finance and operation of the consolidated unified school district. The temporary board shall have the power to recognize a professional employees' organization for the purpose of professional negotiation. The temporary board shall have the power to enter into contracts of employment for all personnel it deems necessary for operation of the consolidated unified school district.

(b) No powers granted pursuant to this section shall be exercised sooner than 90 days prior to the effective date of the consolidation of such school districts.

Sec. 6. K.S.A. 72-6431 is hereby amended to read as follows: 72-6431. (a) The board of each district shall levy an ad valorem tax upon the taxable tangible property of the district in the school years specified in subsection (b) for the purpose of:

- (1) Financing that portion of the district's general fund budget which is not financed from any other source provided by law;
- (2) paying a portion of the costs of operating and maintaining public schools in partial fulfillment of the constitutional obligation of the legislature to finance the educational interests of the state; and
- (3) with respect to any redevelopment district established prior to July 1, 1997, pursuant to K.S.A. 12-1771, and amendments thereto, paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the district.

(b) The tax required under subsection (a) shall be levied at a rate of 20 mills in the ~~2001-02 school year and in the 2002-03 school year~~ school year 2003-2004 and school year 2004-2005.

(c) The proceeds from the tax levied by a district under authority of this section, except the proceeds of such tax levied for the purpose of paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the district, shall be deposited in the general fund of the district.

(d) On June 1 of each year, the amount, if any, by which a district's local effort exceeds the amount of the district's state financial aid, as determined by the state board, shall be remitted to the state treasurer. Upon receipt of any such remittance, the state treasurer shall deposit the same in the state treasury to the credit of the state school district finance fund.

(e) No district shall proceed under K.S.A. 79-1964, 79-1964a or 79-1964b, and amendments thereto.

Sec. 7. K.S.A. 2002 Supp. 79-201x is hereby amended to read as follows: 79-201x. For taxable years ~~2001 and 2002~~ 2003 and 2004, the following described property, to the extent herein specified, shall be and is hereby exempt from the property tax levied pursuant to the provisions of K.S.A. 72-6431, and amendments thereto: Property used for residential purposes to the extent of \$20,000 of its appraised valuation.

Sec. 8. K.S.A. 10-1116a, as amended by section 2 of 2003 Senate Bill No. 4, 72-6417, 72-6431 and 72-6434 and K.S.A. 2002 Supp. 79-201x are hereby repealed.
