Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 2 p.m. Wednesday, September 17, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed changes in an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Deletria Nash, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Deletria Nash at (785) 296-7811.

A copy of the proposed regulation may be obtained by contacting Deletria Nash. A summary of the regulation and its economic impact follows:

K.A.R. 40-5-110. This regulation sets out the requirement for annual review of procedures of creditors with respect to credit insurance business. The revision to the regulation includes the additional requirement for companies to keep the results of these annual reviews for inspection by the Commissioner of Insurance during examination.

There is a little or no economic impact on the industry because companies currently are required to conduct annual reviews. The revision requires companies to produce the results of these reviews upon request during examinations by the Commissioner of Insurance. There is no economic impact on the agency or consumers because examinations are already performed on insurers licensed in this state.

Notice of Available Grant Funding

Grant funds are available from the Federal S.T.O.P. Violence Against Women Grant Program for fiscal year October 1, 2003 through September 30, 2004. The purpose of this grant program is to fund units of state or local government and private not-for-profit organizations in developing strategies and enhancing victim services in cases involving violent crimes against women.

The allocation of grant awards must reflect that each federal fiscal year grant award will be allocated to each of the following areas: 25 percent to law enforcement and prosecution, 5 percent to courts, 30 percent to not-for-profit victim service providers and 15 percent to discretionary grant projects. Federal S.T.O.P. Violence Against Women Grant funds cannot be used to supplant state and local funds that would otherwise be available for targeting violent crimes against women.

Grant applications can be obtained by contacting the Office of the Governor, Federal Grants Program, Suite 212-S, State Capitol, 300 S.W. 10th Ave., Topeka, 66612-1597, (785) 291- 3205. Applications also may be accessed via the Internet at www.ksgovernor.org. The link to the Federal Grants Program is located under Policies and Initiatives. This is to obtain a printed copy only. Applications cannot be submitted online.

All grant applications are to be postmarked by Friday, August 8. No applications will be accepted after that date.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, September 18, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed changes in an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Deletria Nash, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Deletria Nash at (785) 296-7811.

A copy of the proposed regulation may be obtained by contacting Deletria Nash. A summary of the regulation and its economic impact follows:

K.A.R. 40-4-1. Accident and health insurance; individual policies; rate filings; requirements. This regulation adopts by reference the July 1989 edition of the NAIC's Guidelines for Filing of Rates for Individual Health Insurance Forms, with exceptions.

The definition of "optionally renewable" has additional language that clarifies that short-term major medical policies are included in the definition. Because short-term major medical policies are now considered optionally renewable, it is no longer an example of coverage requiring special consideration.

Percentage points are now added to and subtracted from the anticipated loss ratio as shown in Section II A.1., based on the expected average annual premium policy when calculating the anticipated loss ratios. The formulas that were previously used are no longer needed as a result of this change.

The economic impact of these amendments on insurers, the department and the public is minimal in Kansas. The amendment simplifies how anticipated loss ratios are calculated and defines what policies are optionally renewable.

The other amendments are technical and should have no economic impact. Any additional regulatory responsibilities that these amendments could impose on the department can be handled with present staff and budget. There is no economic impact on other state government entities or local government entities.

Wildlife and Parks Commission

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted by the Wildlife and Parks Commission at 7 p.m. Thursday, August 21, at the Depot, 4 Rock Island Road (the corner of Highway 83 and Rock Island Road), Liberal, to consider the approval and adoption of a proposed exempt administrative regulation of the Kansas Department of Wildlife and Parks.

A workshop meeting on business of the Wildlife and Parks Commission will begin at 1:30 p.m. August 21 at the location listed above. The meeting will recess at 5 p.m., then resume at 7 p.m. at the same location for the regulatory hearing. There will be public comment periods at the beginning of the afternoon and evening meetings for any issues not on the agenda, and additional comment periods will be available during the meeting on agenda items. Old and new business also may be discussed at this time. If necessary to complete the hearing or other business matters, the commission will reconvene at 9 a.m. August 22 at the same location.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sheila Kemmis, commission secretary, at (620) 672-5911. Persons with a hearing impairment may call the TDD service at 1-800-766-3777 to request special accommodations.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on proposed administrative regulation.

All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave, Suite 200, Topeka, 66612. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulation. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulation.

The exempt regulation that will be heard during the regulatory hearing portion of the meeting, in addition to other regulations in a previously published notice, is as follows:

K.A.R. 115-25-10. This regulation establishes the special southeast firearms deer season. The special season will run from January 5 to January 31 and will require a special game tag issued through the department.

Economic Impact Summary: The proposed amendments are not anticipated to have a significant economic impact on the department, other agencies or the general public.

Copies of the complete text of the regulation and the economic impact statement may be obtained by contact-

ing the chairman of the commission at the address above or by calling (785) 296-2281.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Wednesday, September 17, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed changes in an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Deletria Nash, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Deletria Nash at (785) 296-7811.

A copy of the proposed regulation may be obtained by contacting Deletria Nash. A summary of the regulation and its economic impact follows:

K.A.R. 40-1-48. Risk-based capital instructions for managed care organizations. This regulation adopts by reference the National Association of Insurance Commissioner's 2002 health risk-based capital report, including overview and instructions for companies. The amendments are adopting the 2002 risk-based reports as required by K.S.A. 40-2d01(h). That section defines RBC instructions as "the risk-based capital instructions for managed care organizations promulgated by the NAIC which are in effect on December 31, 1999, or any later version as adopted by the commissioner in rules and regulations." This later version, the RBC instructions for 2002, is what the department is adopting by reference in these amendments.

There is no economic impact on companies or the department. These amendments are simply continuing the annual requirement of the companies to file risk-based capital reports.

There is no economic impact on other local jurisdictions.

Racing and Gaming Commission

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Friday, September 19, at the Kansas Racing and Gaming Commission office, conference room, 3400 S.W. Van Buren, Topeka, to consider the adoption of proposed permanent regulations of the Kansas Racing and Gaming Commission. This 60-day notice constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the Kansas Racing and Gaming Commission, 3400 S.W. Van Buren, Topeka, 66611-2228, (785) 296-5800.

A copy of the full text of the regulations and the economic impact statements may be reviewed or obtained at the commission office. The following is a summary of the proposed regulations:

K.A.R. 112-18-9. Duties of receiving facility. The amendment to this regulation eliminates the requirement for two voice communication systems between the receiving facility and the sending racetrack or host facility

to provide voice contact between the stewards, racing judges or simulcast official and the mutuel departments at each racetrack or facility.

Economic Impact: There are no costs anticipated to the agency or other governmental agencies or units as a result of this regulation amendment.

K.A.R. 112-18-11. Emergency procedures. The amendment to this regulation removes the language requiring the racetracks to verify with the host track if the signal is lost from the sending track. If there is a problem with the "link" between the host and guest, there should be no reason to verify the information. In addition, the amendments delete "audio" in sections (a), (b), (c) and (e), as it is impossible to have an audio signal available for all tracks at all times.

Economic Impact: There are no costs anticipated to the agency or other governmental agencies or units as a result of this regulation amendment.

K.A.R. 112-18-18. Failure to merge. This regulation was amended to add the option to either order a refund of all monies wagered or to calculate the pool as a separate pool. This situation would exist as a result of a failure to merge a guest facility's wager when simulcasting.

Economic Impact: There are no costs anticipated to the agency or other governmental agencies or units as a result of this regulation amendment.

Division of Water ResourcesNotice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, September 16, on the fourth floor, 109 S.W. 9th, Topeka, to consider the adoption of proposed changes to existing regulations and the adoption of new regulations of the chief engineer, Division of Water Resources, Kansas Department of Agriculture, and the adoption of an amended regulation by the Secretary of Agriculture.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments on the proposed regulations prior to the hearing to the Secretary of Agriculture, Kansas Department of Agriculture, 4th Floor, 109 S.W. 9th, Topeka, 66612, Attention: Leslie Garner.

All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days

in advance of the hearing by contacting Leslie Garner at (785) 296-4623.

These regulations are proposed for adoption on a permanent basis. A brief summary of the regulations is set forth below. For a complete understanding of each regulation, it is necessary to review the full text.

Proposed Regulations for the Kansas Water
Appropriation Act

K.A.R. 5-1-1. Definitions. Definitions have been added for "complete and accurate water use report" and "reservoir." "Sediment control in a reservoir" has been added as a new beneficial use.

K.A.R. 5-1-4. Water flowmeter specifications. Full-bore electromagnetic water flowmeters have been exempted from being required to have straightening vanes.

K.A.R. 5-1-6. Water flowmeter installation specifications. A water flowmeter installation must be located so it measures all pumped water and does not measure effluent, tailwater or sewage.

K.A.R. 5-1-9. Criteria to determine when a water flowmeter is out of compliance. Amends regulation to say a water flowmeter also is out of compliance if it does not measure all water diverted from the source of supply.

K.A.R. 5-1-12. List of water flowmeters certified by the manufacturer to meet the specifications of the chief engineer. Specifies information a manufacturer must submit to have a water flowmeter placed on the list of acceptable water flowmeters. Amendment adds a requirement that the register must be sealed from water from all sources.

K.A.R. 5-3-1. Application acceptable for filing. Clarifies that the application fee must be included with the application before it is acceptable for filing. Requires that the proposed well location must be within a specified quarter section.

K.A.R. 5-3-1b. Complete new application. Amended regulation specifying what is necessary to complete a new application.

K.A.R. 5-3-3a. Legal access. New regulation requiring that legal access issues known to the chief engineer must be cleared up before an application can be approved.

K.A.R. 5-3-4c. Retaining new applications. Amendment specifies that if an application cannot be processed by the chief engineer until earlier priority applications are processed, the 150-day time period specified in K.S.A. 2002 Supp. 82a-708a does not begin to run until the earlier applications are processed.

K.A.R. 5-3-4d. Stratigraphic log requirements. Amendment exempts an applicant who submits a stratigraphic log for a test hole located within 300 feet of the proposed well or replacement well from filing a copy of the stratigraphic log for the completed well.

K.A.R. 5-3-5c. Check valves. Requires installation of check valves on all non-irrigation wells in accordance with specifications adopted by the chief engineer.

K.A.R. 5-3-7. Request for extension of time. Amendment requires that the filing fee be submitted with the request for extension of time.

K.A.R. 5-3-16a. Closed areas; exemptions for up to five acre-feet of groundwater. New regulation exempt-

(continued)

ing certain new applications for up to five acre-feet of water in certain areas closed to new permits.

K.A.R. 5-3-19. Maximum reasonable annual quantity of water for irrigation use. Amended to correct a legal description.

K.A.R. 5-5-2a. Complete change application. Clarifies the requirements a change application has to meet to be considered "complete" for the purposes of K.S.A. 2002 Supp. 82a-708b.

K.A.R. 5-5-16. Additional wells. This amended regulation adds the requirement that the applicant must submit certain information regarding the currently authorized well with an application to add an additional well.

K.A.R. 5-6-13a. Check valve specifications. This new regulation adopts specifications for check valves, their installation and maintenance.

K.A.R. 5-6-15. Drainage basin boundaries. This amended regulation updates the boundaries for some of the 62 drainage basins in Kansas.

K.A.R. 5-7-1. Due and sufficient cause for nonuse. Amends the regulation to conform to the statutorily set time period of five years for abandonment.

K.A.R. 5-9-1. Application for temporary permit acceptable for filing. Deleted obsolete reference to the State Board of Agriculture.

K.A.R. 5-9-6. Approval of application. Deleted obsolete reference to the State Board of Agriculture.

K.A.R. 5-14-10. Civil penalties; suspension or modification of water rights. New regulation setting categories of civil fines and suspensions authorized by statute.

K.A.R. 5-14-11. Civil fines; water use reporting. New regulation setting the civil fine schedule of water use reporting violations and increasing the minimum from \$25 (set in 1989) to \$50.

Proposed Regulation for the Kansas Chemigation Safety Law

K.A.R. 4-20-5. Waterline check valves. The amended regulation K.A.R. 4-20-5 incorporates the waterline check valve specifications of the chief engineer into the existing chemigation regulations under K.S.A. 2-3301 et seq. by replacing K.A.R. 5-3-5c with K.A.R. 5-6-13a. All check valves required by regulations of different programs of the agency will be the same, and it should alleviate any confusion in the regulated community in understanding what check valve requirements apply to them.

Copies of these proposed rules and regulations and their economic impact statements may be obtained by contacting Leslie Garner at the address and phone number given above. The full text of the hearing notice (which includes a brief summary of the regulations and the economic impact statements), the revised draft regulations and the economic impact statements can be found on the board's Web site: accesskansas.org/kda (click on "Proposed Regulations").

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, September 11, in Room 108, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of a proposed rule and regulation of the Kansas State Employees Health Care Commission on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the Linda DeCoursey, Health Benefits Administrator, Department of Administration, Room 951-S, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1251. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Faith Loretto at (785) 296-6000. The north entrance to the Landon State Office Building is accessible. Handicapped parking is located at the south end of building, across the street from the north entrance to the building, and on Ninth Street just around the corner from the north entrance.

A summary of the proposed regulation and its economic impact follows:

K.A.R. 108-1-4 establishes the local unit employee health care benefits component of the state's health care benefits program (the local unit plan). An amendment is proposed to include community mental health centers, groundwater management districts, rural water-supply districts, public wholesale water supply districts, county extension councils and extension districts in the definition of "qualified local unit," thereby making these types of

governmental entities eligible to participate in the local unit plan.

The existing regulation further defines the term "local unit employee" as "any individual who is employed by a qualified local unit" and who "meets the definition of employee under K.S.A. 74-4902 or K.S.A. 74-4952, and amendments thereto" or "would otherwise meet the definition of employee under K.S.A. 74-4902 or K.S.A. 74-4952, and amendments thereto, if the local unit was a participating employer." The proposed amendments would delete all references to K.S.A. 74-4902 or K.S.A. 74-4952, but would incorporate the key elements of those definitions in the definition of local unit employee. This is a technical change that "unhooks" the eligibility requirements from the definitions of "employee" contained in Kansas Public Employee Retirement System and Kansas Police & Firemen's Retirement System statutes, and therefore, the proposed amendment will not have an economic impact on currently enrolled participants in the local unit plan, on the qualified local units, the Department of Administration, the HCC or the general public.

The Health Care Commission staff surveyed community mental health centers, groundwater management districts, rural water-supply districts, public wholesale water supply districts, county extension councils and extension districts to determine the potential number of additional local units and local unit employees that would become eligible to participate under the proposed amendments, as well as the estimated number of local unit employees that might voluntarily enroll in the local unit plan. Based on that survey, it is estimated that a total of 437 additional local units and 4,325 additional employees would become eligible for the local unit plan. Of these, 107 local units with 1,100 qualified employees indicated an interest in participating if the local unit plan is made available to them. The proposed amendments would expand the pool of eligible individuals by approximately 12.4 percent.

Consequently, the proposed amendments will not significantly increase the number of eligible participants in the local unit plan. Extending eligibility to these local units is not expected to have an impact on the existing contributions by qualified local units or on existing premiums for active participants and those individuals participating in the local unit plan on a direct bill basis. Further, the proposed amendment is not expected to have an impact on future plan design for the existing Kansas health care benefits program, on employer (state agency) contributions, or on premiums for active participants and direct bill participants in the Kansas health care benefits program.

The majority of local units that would become eligible consist of not more than one or two employees. Therefore, inclusion of these local units in a funding pool should offer the opportunity to provide the local units and their participants with greater benefit levels, improved premium stability, or both, when compared to plans negotiated individually by each of these local units. However, the actual economic impact on the additional local units and the participating employees will be dependent on what the employer and employee contributions are under

the local unit plan relative to their current, employer-provided health insurance.

Certain administrative resources are required to enroll each new qualified local unit and its participants. Because there are only a small number of participants associated with each of the new local units, there may be some impact on the existing Department of Administration staff resources required to administer the local unit plan. However, the composite rate charged to local units includes administrative fees to help offset these administrative costs and the risk assumption associated with the expanded eligibility. No economic impact on the general public is anticipated.

Copies of the proposed regulation and the associated economic impact statement may be obtained from the Health Benefits Administrator, Room 951-S, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1251, (785) 296-6280, or viewed at <http://da.state.ks.us/hcc/default.htm>.

Department of Transportation**Notice to Consulting Engineers**

The Kansas Department of Transportation is seeking qualified consulting engineering firms for the projects listed below. A response may be submitted by e-mail to Neil@ksdot.org, or seven signed copies of the response can be mailed to Neil Rusch, P.E., Assistant to the Director, Division of Engineering and Design, KDOT, Room 1084-West, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612-1568. Responses shall be limited to four pages. Responses must be received in Room 1084-West by 5 p.m. August 6 for the consulting engineering firms to be considered.

The Consultant Selection Committee will select a list of the most highly qualified firms (not less than three and not more than five) and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short-listed will be notified by letter.

The Consultant Negotiating Committee, appointed by the Secretary of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select the firm to perform the professional services required for completing the advertised projects. After the selection of this firm, the remaining firms will be notified by letter of the outcome.

KDOT will provide all the required surveys and bridge design for grade separation structures. The consultant will provide the design for all structures that require hydraulic review and the road design.

**Douglas County - 59-23 K-7888-01
and 59-23 K-7888-02**

The scope of services is to prepare construction plans for a four-lane freeway on offset-alignment on US-59 from the Franklin-Douglas county line, north 11.1 miles to the two-lane/four-lane divided high-

way at Lawrence. The grading and bridges are to be completed under 59-23 K-7888-01 and the surfacing is to be completed under 59-23 K-7888-02. Both projects are programmed for fiscal year 2008, and the estimated construction cost is \$76,445,000.

**Franklin County - 59-30 K-7889-01
and 59-30 K-7889-02**

The scope of services is to prepare construction plans for a four-lane freeway on offset-alignment on US-59 from I-35 northeast of Ottawa north 7.6 miles to the Franklin-Douglas county line. The grading and bridges are to be completed under 59-30 K-7889-01 and the surfacing is to be completed under 59-30 K-7889-02. Both projects are programmed for fiscal year 2008, and the estimated construction cost is \$97,553,000.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications;
2. Experience of staff;
3. Location of firm with respect to proposed project;
4. Work load of firm; and
5. Firm's performance record.

Administrative Regulations

A public hearing will be conducted at 10 a.m. Friday, September 12, at the office of the Kansas State Board of Healing Arts, 235 S. Topeka Blvd., Topeka, to consider two proposed amended rules and regulations dealing with physical therapy.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the above referenced rules and regulations. All interested parties may submit comments prior to the hearing to the Board of Healing Arts at the address above. All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the adoption of the regulations during the hearing. In order to give all persons an opportunity to present their views, it may be necessary to request each participant to limit any oral presentations to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulations being considered and the economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Tammy Duenas at (785) 296-8558. Handicapped parking is located at the west end of the Hutton Building, and the northwest entrance to the building is accessible.

A summary of the two proposed amended physical therapy rules and regulations to be considered at the hearing and the respective economic impact follows:

K.A.R. 100-29-9. Registration renewal; continuing education. This regulation specifies the continuing education requirements that shall be submitted with a registration renewal.

K.A.R. 100-29-10. Lapsed registrations and certifications; reinstatement. This regulation states the requirements that each physical therapist and physical therapist assistant must meet in order to reinstate a lapsed registration or certificate.

The regulations are not mandated by any federal law.

No other persons or entities will bear any costs or be affected by these proposed amended rules and regulations.

Copies of the proposed amended regulations and the associated economic impact statement may be obtained by contacting Betty Johnson, Kansas State Board of Healing Arts, 235 S. Topeka Blvd., Topeka, 66603, (785) 296-3680, or by visiting the board's Web site at www.ksbha.org/pubinfo.html.

General Obligation Bond**

Bids

Bids for the purchase of \$164,121.10 principal amount General Obligation Bond of Jefferson County, Kansas (the issuer), hereinafter described, will be received by the undersigned clerk of the issuer at the chambers of the Board of County Commissioners, Jefferson County Courthouse, Oskaloosa, KS 66066, until 2 p.m. July 21, 2003. All bids will be publicly opened and read at said time and place and will be acted upon by the issuer immediately thereafter. No oral or auction bids will be considered. Bidders may be required to be qualified in a manner established by the issuer before submitting a bid.

Bond Details

The bond will consist of one registered bond without coupons in the denomination of \$164,121.10. The bond will be dated July 15, 2003, and the principal thereof will be reduced on September 1 in the years as follows:

Year	Principal Amount
2004	\$ 4,121.10
2005	\$ 5,000.00
2006	\$ 5,000.00
2007	\$ 5,000.00
2008	\$ 7,000.00
2009	\$ 7,000.00
2010	\$ 7,000.00
2011	\$ 8,000.00
2012	\$ 8,000.00
2013	\$ 8,000.00
2014	\$10,000.00
2015	\$10,000.00
2016	\$10,000.00
2017	\$10,000.00
2018	\$10,000.00
2019	\$10,000.00
2020	\$10,000.00
2021	\$10,000.00
2022	\$10,000.00
2023	\$10,000.00

The interest on this bond shall be payable semiannually on March 1 and September 1, beginning March 1, 2004, in lawful money of the United States by check or draft of the paying agent by mailing to the registered owner thereof at the address appearing on the registration books of the issuer maintained by the bond registrar, or such other address as is furnished in writing by such registered owner to the bond registrar at the close of business on the 15th day preceding the next applicable interest payment date (the record dates).

Place of Payment and Bond Registration

The principal of and interest on the bond will be payable in lawful money of the United States by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The issuer will pay for the fees of the bond registrar for registration and transfer of the bond and also will pay for printing a reasonable supply of registered bond blanks. Any additional costs or

fees that might be incurred in the secondary market, or otherwise, will be the responsibility of the bondholder.

Redemption of Bond Prior to Maturity

At the option of the issuer, the principal portions of the bond maturing on September 1, 2009, and thereafter will be subject to redemption and payment prior to maturity on September 1, 2008, and thereafter in whole or in part on any interest payment date (principal portions of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Basis of Award

The award of the bond will be made on the basis of the lowest net interest cost to the issuer, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the bid shall be adjusted to reflect the lowest net interest cost to the issuer. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the issuer shall determine which bid, if any, shall be accepted, and its determination shall be final.

Approval of Bond

The bond will be sold subject to the legal opinion of Robert J. Perry, Esq., Auburn, Kansas, bond counsel, whose approving legal opinion as to the validity of the bond will be furnished and paid for by the issuer, printed on the bond and delivered to the successful bidder when the bond is delivered.

Delivery and Payment

The issuer will pay for printing the bond and will deliver the bond, without cost to the successful bidder, properly prepared, executed and registered, on or about August 6, 2003.

Good Faith Deposit

Each bid shall, at or prior to the time of the sale, be accompanied by a surety bond or a cashier's or certified check drawn on a bank located in the United States in the amount equal to 2 percent of the par value of the bond, payable to the order of the issuer to secure the issuer from any loss resulting from the failure of the bidder to comply with the terms of its bid. No interest will be paid upon the deposit made by the successful bidder.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the issuer is \$140,242,548 (this includes motor vehicles). The total general obligation bonded indebtedness of the issuer as of the date of the bond, including the bond, is \$3,680,000.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. Rolling Thunder Gas Gathering, LLC has applied for a Class I operating permit in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Rolling Thunder Gas Gathering, LLC, Conifer, Colorado, owns and operates a natural gas compressor station located at Section 36, Township 19 South, Range 16 West, Rush County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the KDHE Northwest District Office, 2301 E. 13th, Hays. To obtain or review the proposed permit and supporting documentation, contact William Stone, (785) 296-6427, at the KDHE central office; or Rick Robinson, (785) 625-5663, at the KDHE Northwest District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to William Stone, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received by the close of business August 11.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business August 11 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the

30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Gary Schlicht, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7097, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Kice, (785) 296-1691, at the KDHE central office; or David Stutt, (620) 431-2390, at the KDHE Southeast District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Adam W. Kice, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received by the close of business August 11.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business August 11 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Gary Schlicht, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7097, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit and amending previously-issued construction approval. Crestwood, Inc. has applied for a Class I operating permit in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance. Notice also is given that certain requirements in the construction approval dated Decem-

ber 3, 1991, are being modified by a modification of approval conditions.

Crestwood, Inc. owns and operates a wood cabinet and vanity manufacturing facility located at 601 E. Water Well Road, Salina.

A copy of the proposed permit, permit application, all supporting documentation, all information relied upon during the permit application review process, and a copy of the modification of approval conditions are available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the KDHE North Central District Office, 2501 Market Place, Suite D, Salina. To obtain or review either document, contact Rasha Allen, (785) 296-1693, at the KDHE central office; or Craig Forsberg, (785) 827-9639, at the KDHE North Central District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the documents to Rasha Allen, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating final document decisions, written comments must be received by the close of business August 11.

A person may request a public hearing be held on the proposed documents. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business August 11 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Gary Schlicht, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7097, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

State of Kansas

Department of Health
and EnvironmentNotice of Hearing on Proposed
Administrative Regulations

The Kansas Department of Health and Environment, Center for Health and Environmental Statistics, will conduct a public hearing at 1:30 p.m. Monday, September 22, in the Heartland Conference Room (Room 1C), Curtis State Office Building, 1000 S.W. Jackson, Topeka, to consider proposed permanent adoption of one amended Kansas Administrative Regulation, **K.A.R. 28-17-6**, concerning vital records. The proposed regulation was adopted as a temporary regulation on July 1, 2003. An outline of the legislative background, proposed regulation, economic impact and opportunity for public comment follows.

Legislative Background: House Bill No. 2423, adopted by the 2003 Session of the Kansas Legislature and signed by Governor Kathleen Sebelius, became effective July 1, 2003. The bill: (1) established the Civil Registration and Health Statistics Fee Fund (CRHSFF); (2) authorizes expenditures from the fund to finance operations of the Center for Health and Environmental Statistics (CHES); (3) transferred liabilities of the Vital Statistics Maintenance Fee Fund (VSMFF) to the CRHSFF; and, (4) requires remittance and deposit of fees generated by CHES' activities to credit of the CRHSFF.

Since House Bill No. 2423 established CHES as a fee-funded program, appropriations for FY 2004 did not provide an allocation from the state general fund (SGF) for CHES' operations. Also, the customary \$200,000 allocation from the SGF was not provided for partial payment of debt service for the Kansas Development Finance Authority bond issue that financed the capital improvement project to re-engineer the Vital Statistics Integrated Information System. Therefore, to avoid curtailment of CHES' activities and services to customers and to meet established debt service obligations, the fee(s) charged to customers who request certified copies or abstracts of vital records (birth, death, fetal death, marriage or divorce certificates) must be increased.

Proposed Regulation: Consequently, pursuant to K.S.A. 65-2418(a), amendment of K.A.R. 28-17-6 was proposed to implement the necessary increase of fees to enable CHES to operate effectively as a fee-funded program, since appropriations for FY 2004 did not provide an allocation from the SGF for CHES' operations.

Economic Impact: For customer convenience and reference, the back of each customer application form includes an explanation of fees that must be paid before a search for any record of a birth, death, fetal death, marriage or divorce is conducted and any certified copy or abstract of a vital record is issued. Stocks of applications are distributed to and maintained in hospitals, funeral homes and county health offices. Any change of fee structure requires replacement of stocks of customer application forms. Consequently, the cost of developing, printing and distributing replacement stocks of applications totaled \$10,990.

The proposed amended regulation stipulates that customers who request a birth, marriage or divorce record are required to pay \$12 (instead of \$11) for a search of files for the record. Issuance of the first certified copy or abstract is covered by the search fee. The fee for each additional certified copy or abstract of the requested birth, marriage or divorce record ordered at the same time is \$7 (instead of \$6). Each customer who requests a death record is required to pay \$13 (instead of \$12) for a search of files for the record. Issuance of the first certified copy or abstract of the death record is covered by the search fee. The fee for each additional certified copy or abstract of the requested death record ordered at the same time is \$8 (instead of \$7).

Customers are expected to request a total of 368,550 certified copies or abstracts of vital records during FY 2004. Including implementation of the \$1 fee increase, FY 2004 revenue from customer fees is projected to total \$3,578,100. To comply with statutory requirements, approximately \$820,500 of customer fees will be transferred to other funds, including \$393,000 to the Permanent Families Account of the Family and Children Investment Fund and \$427,500 to the District Coroners' Fund. The balance of customer fees, approximately \$2,757,600, will be available to finance CHES' operations. The balance also will provide \$501,200 for debt service of the bond issue for the capital improvement project to re-engineer the Vital Statistics Integrated Information System. The payment to the Kansas Development Finance Authority also will include replacement of the customary annual \$200,000 allocation from the SGF for that purpose.

Public Comment: The time between publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulatory action. Interested parties may submit written comments prior to the hearing to Lorne A. Phillips, Ph.D., Director and State Registrar, Center for Health and Environmental Statistics, Curtis State Office Building, Suite 110, 1000 S.W. Jackson, Topeka, 66612-2221. During the hearing, interested parties shall be given a reasonable opportunity to orally present views of the proposed regulatory action. To provide an opportunity for all parties to present their views, it may be necessary to require each participant to limit any oral presentation to five minutes.

A copy of the proposed amended regulation and the economic impact statement may be obtained by contacting Dr. Phillips or Robin Merrifield at (785) 296-1415. Questions regarding the proposed amendment should be directed to Dr. Phillips.

To participate in the public hearing, any individual with a disability may request accommodation and a copy of the proposed amended regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Dr. Phillips.

Kansas Permit No. I-UA11-NP06
Facility Name: Dodge City Asphalt Plant #923
Facility Address: 11188 56 Bypass, Dodge City, KS 67801

Facility Description: The proposed action is to reissue an existing permit for operation of an existing wastewater treatment facility. This fa-

cility is engaged in an asphalt production operation. A concrete-lined settling pit collects wastewater originating from the wet washer at the asphalt plant. Wastewater from the settling pits is recycled as makeup water for the wet washer or sprayed on roads for dust control. Water from the local rural water district is used as the on-site water supply and a septic tank/lateral field is used to treat domestic wastes. Discharge of wastewater from this treatment facility to surface waters of the State of Kansas is prohibited by this permit.

Kansas Permit No. P-KS12-0001

Facility Description: The proposed action is to issue a new pretreatment permit for this facility. This facility uses biologicals to produce animal vaccines and has a primary Standard Industrial Classification (SIC) code of 2836. Process wastewater from the manufacture of pharmaceutical products is discharged from the production building. Wastes are neutralized before being discharged to the city sanitary sewer. Approximately 80,000 gallons of regulated process wastes can be discharged during a given day. The proposed permit includes limits for ammonia, acetone, 4-methyl-2-pentanone, isobutyraldehyde, n-Amyl acetate, n-butyl acetate, ethyl acetate, isopropyl acetate, methyl formate, methyl cellosolve, isopropyl ether, tetrahydrofuran, benzene, toluene, xylenes, N-heptane, methylene chloride, chloroform, 1,2-dichloroethane, chlorobenzene, o-dichlorobenzene, diethyl amine, triethyl amine, cyanide and pH. The monitoring of flow also will be required. The permit limits are pursuant to state and federal pretreatment requirements.

Kansas Permit No. P-KS38-0003

Facility Name: Florence Corporation of Kansas
Facility Address: 5935 Corporate Drive, Manhattan, KS 66503

Facility Description: The proposed action is to issue a new pretreatment permit for this facility. This facility manufactures residential and commercial mailboxes, parcel lockers and collection boxes. Metal parts are processed using a five-stage conversion coating (phosphating) operation before they are painted. During normal operations, rinse water is discharged continuously. Spent solutions from process tanks are discharged intermittently after being treated in the wastewater holding tank. Treatment consists of pH neutralization. Paint hook cleaning and paint stripping wastes also may be generated but are not discharged to the city sanitary sewer. The proposed permit includes limits for total toxic organics, cadmium, chromium, copper, lead, nickel, silver, zinc, total cyanide and pH. The monitoring of flow also will be required. The permit limits are pursuant to state and federal pretreatment requirements.

Persons wishing to comment on or object to the draft permits and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments or objections considered in the decision making process. Comments or objections should be submitted to the attention of Glenda Newquist for agricultural permits or applications, or to the permit clerk for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft permit or application notice postmarked or received on or before August 9 will

be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate Kansas permit number (KS-AG-03-170/183, KS-03-065/070, KS-ND-03-015, KS-PT-03-012/013) and name of applicant/application as listed when preparing comments. If no objections are received during the public notice period regarding any proposed permit, the Secretary of Health and Environment will issue the final determination regarding issuance or denial of the proposed permit. If response to this notice indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). Media coordination for publication and/or announcement of the public notice or public hearing is handled by the Kansas Department of Health and Environment.

For agricultural permits and applications, a copy of the permit application, supporting documentation and a KDHE-developed fact sheet, if appropriate, is available for review at the appropriate district office:

Article 18.—SPECIAL PERMITS

115-18-8. Retrieval and possession of game animals, sport fish, and migratory game birds; requirements. (a) Each individual wounding or killing a game animal, sport fish, or a migratory game bird shall make a reasonable effort to retrieve the wounded or dead game animal, sport fish, or migratory game bird. The retrieved game animal, sport fish, or migratory game bird shall be retained in the individual's bag, creel, or possession limit, unless prohibited by regulations of the secretary for the individual species taken. Nothing in this subsection shall prohibit the catch and release of live sport fish.

(b) Each game animal, sport fish, or migratory game bird retrieved shall be retained until any of the following occurs:

(1) The animal, fish, or bird is processed for consumption.

(2) The animal, fish, or bird is transported to the individual's residence, to a place of commercial preservation, or to a place of commercial processing.

(3) The animal, fish, or bird is given to another person in accordance with K.A.R. 115-3-1 and K.A.R. 115-4-2.

(4) The animal, fish, or bird is consumed.

(c) The provisions of this regulation shall not affect any requirement of state or federal law or regulation regarding any proof of species, age, or sex and the attachment of this proof to the carcass.

(d) For the purpose of this regulation, "migratory game bird" shall mean any duck, goose, coot, merganser, rail, mourning dove, white-winged dove, snipe, woodcock, or sandhill crane for which a hunting season has been established in this state. (Authorized by K.S.A. 32-807; implementing K.S.A. 32-807 and K.S.A. 32-1002; effective June 8, 1992; amended Jan. 30, 1995; amended Oct. 5, 2001; amended July 25, 2003.)

Article 6.—RECRUITING AND STAFFING

1-6-23. Reemployment. (a) (1) Except as provided in subsection (b), each employee who is laid off, or demoted or transferred in lieu of layoff, shall be placed in a reemployment pool by the director, unless the employee requests in writing to not be placed in the reemployment pool. Each employee in the reemployment pool shall be eligible to apply for any vacancy to be filled, including any internal vacancy, until the date the employee is reemployed or for three years from the date of the layoff, whichever occurs first.

(2) Each employee who is eligible for reemployment and who is also a veteran shall be offered an interview for any vacancy that meets all of the following conditions:

(A) The vacancy is for a regular position in the classified service.

(B) The vacant position is at the same pay grade or a lower pay grade than the pay grade at which the individual was paid at the time the individual received the notice of layoff.

(C) The employee meets the minimum requirements for the position.

(b)(1) Each individual who meets all of the following conditions shall be eligible for the Kansas employee preference program, as provided in this subsection:

(A) The individual received a written layoff notice in accordance with K.A.R. 1-14-9 for a layoff that was effective on or after June 8, 2002.

(B) The individual's most recent performance rating before receiving the layoff notice was "satisfactory" or better.

(C) The individual was not suspended, demoted, or terminated as provided in K.S.A. 75-2949, and amendments thereto, in the 12 months preceding the date on which the individual received the layoff notice.

(2) Each individual who qualifies under paragraph (b)(1) shall remain eligible for the Kansas employee preference program until any of the following events occurs:

(A) The individual is appointed to a classified or unclassified position that is eligible for benefits.

(B) An eligible individual who was laid off or is scheduled to be laid off from a regular position that was not eligible for benefits chooses to use the Kansas employee preference for any position, whether or not that position is eligible for benefits, and the individual then is appointed to that position.

(C) A period of 12 consecutive months has passed since the effective date of the layoff or since July 30, 2003, whichever date is later. Each individual who is eligible for the Kansas employee preference program, but has not been reemployed under any of the circumstances identified in paragraph (b)(2)(A) or (b)(2)(B) at the end of that 12-month period shall remain eligible for reemployment as provided in subsection (a).

(D) The individual is suspended, demoted, or terminated as provided in K.S.A. 75-2949, and amendments

thereto, at any time after the individual becomes eligible for the Kansas employee preference program, but before the date on which the individual is actually laid off.

(3) Each individual who is qualified to receive a Kansas employee preference shall be eligible to apply for any vacancy that meets the following conditions:

(A) The vacancy is for a classified position that is eligible for benefits, except that when the individual who is eligible for the Kansas employee preference program was laid off from or has received a layoff notice for a regular position that is not eligible for benefits, the vacancy may be for any regular position in the classified service, whether or not the vacant position is eligible for benefits;

(B) the vacant position is at the same pay grade or a lower pay grade than the pay grade at which the individual was paid at the time the individual received the layoff notice; and

(C) the vacant position to be filled is one for which a notice of vacancy will be posted in accordance with the provisions of K.A.R. 1-6-2, including an internal vacancy.

(4) Upon receiving an application for the vacant position from an individual who is eligible for a Kansas employee preference, the appointing authority shall offer the position to the individual if the individual meets the minimum requirements for the position, subject to the following requirements:

(A)(i) If only one individual who is eligible for a Kansas employee preference applies for the position and is determined to meet the minimum requirements for the position, the appointing authority shall schedule an interview with the individual to provide the appointing authority with an opportunity to assess the employee's ability to successfully perform the duties and responsibilities of the position and to provide the individual with an opportunity to determine whether the position is of interest to the individual.

(ii) Following the interview, the appointing authority shall offer the position to the individual, unless the director determines that the individual cannot successfully perform the duties and responsibilities of the position under paragraph (b)(4)(C).

(iii) The individual who is offered the position as provided in this paragraph (b)(4)(A) shall inform the appointing authority whether the individual accepts or rejects the offer within two business days of the date on which the position is offered.

(B) If more than one individual who is eligible for a Kansas employee preference applies for the position and meets the minimum requirements for the position, the appointing authority shall apply additional, job-related selection criteria in accordance with K.A.R. 1-6-21 in considering the application of each of these individuals, subject to the following conditions and requirements:

(i) The appointing authority shall not be required to interview more than seven individuals, except that each individual who is a veteran shall be offered an opportunity for an interview.

(ii) After considering the additional, job-related selection criteria, the appointing authority shall offer the position to one of these individuals, except that the appointing authority shall not be required to offer the position to any individual who the director determines cannot suc-

cessfully perform the duties and responsibilities of the position under paragraph (b)(4)(C).

(iii) Any individual who is a veteran shall be offered the position if that individual is determined to be equally qualified after applying the additional, job-related selection criteria.

(iv) The individual who is offered the position as provided in this paragraph (b)(4)(B) shall inform the appointing authority whether the individual accepts or rejects the offer within two business days of the date on which the position is offered.

(C) If the appointing authority submits written documentation to the director and, based on the documentation, the director determines in writing that there is a clear indication that an individual who is eligible for the Kansas employee preference could not, after minimal training or a reasonable amount of experience on the job, successfully perform the duties and responsibilities of the position, the appointing authority shall not be required to offer the position to that individual.

(c) For purposes of this regulation, "veteran" means any individual who is eligible for a veteran's preference under the provisions of K.S.A. 75-2955, and amendments thereto.

(d) This regulation shall be effective on and after July 30, 2003. (Authorized by K.S.A. 2002 Supp. 75-3747 and K.S.A. 75-2948; implementing K.S.A. 75-2948; effective May 1, 1979; amended May 1, 1984; amended, T-86-17, June 17, 1985; amended May 1, 1986; amended Dec. 27, 1993; amended Dec. 17, 1995; amended May 31, 1996; amended, T-1-4-1-03, April 1, 2003; amended July 25, 2003.)

Article 6.—GOOD TIME CREDITS AND SERVICE COMPUTATION

44-6-115a. Awarding and withholding good time credits for incarcerated offenders. (a) With the exception of calculation of good time credits affecting the conditional release dates, which are controlled by K.A.R. 44-6-114d, this regulation shall govern the award and withholding of good time credits.

(b) (1) At the conclusion of the initial inmate classification, 100% of the good time credits available from the sentence begins date to the date of the initial good time award shall be awarded, unless there is written documentation of maladjustment before the date of the initial award.

(2) The initial award of good time credits shall be made on the same day of the month on which the sentence was established. If a full month has not elapsed between the computed sentence begins date and the conclusion of the initial classification, good time credits shall not be awarded until the first classification review following the initial classification.

(c) Following the initial award, good time credits may be awarded at each classification review from credits available since the previous classification review.

(d) The following factors shall be considered in determining whether or not an inmate is awarded good time credits:

- (1) The inmate's performance in a work assignment;
- (2) the inmate's performance in a program assignment;
- (3) the inmate's maintenance of an appropriate personal and group living environment;
- (4) the inmate's participation in release planning activities;
- (5) the inmate's disciplinary record; and
- (6) any other factors related to the inmate's general adjustment, performance, behavior, attitude, and overall demonstration of individual responsibility and accountability.

(e) If an inmate refuses to work constructively or participate in assigned programs, 100% of the good time credits available for program classification review periods shall be withheld until the inmate participates in the assigned program at a time that permits the inmate to complete the program, unless the facility health authority determines that the inmate is physically or mentally incapable of working or participating in a particular program or detail.

(f) If an inmate fails to cooperate in the development of an acceptable release plan, the good time credits available for award during the 120-day period immediately before the inmate's projected or scheduled release date shall not be awarded.

(g) Award of good time credits shall be withheld on the basis of an inmate's disciplinary record in the following manner:

(1) If a facility disciplinary hearing officer finds the inmate guilty of a class I disciplinary offense, at least 50% of the good time credits available for that classification review period shall be withheld.

(2) If a facility disciplinary hearing officer finds the inmate guilty of a class II disciplinary offense, at least 25% but not more than 50% of the good time credits available for the classification review period shall be withheld. For purposes of this paragraph, summary disciplinary judgments pursuant to K.A.R. 44-13-201b shall not be considered a guilty finding.

(3) If a facility disciplinary hearing officer finds the inmate guilty of a class III disciplinary offense, at least 10% but not more than 25% of the good time credits available for that classification review period shall be withheld. For purposes of this paragraph, summary disciplinary judgments pursuant to K.A.R. 44-13-201b shall not be considered a guilty finding.

(4) If a facility disciplinary hearing officer finds the inmate guilty of multiple disciplinary violations within a single disciplinary report, only the most serious violation shall be used in determining the percentage of good time credits to be withheld.

(h) The percentage of good time credits withheld during a classification review period shall be cumulative but shall not exceed 100% of that available for that classification review period.

(continued)

(i) Good time credits forfeited as a result of a penalty imposed by a facility disciplinary hearing officer shall not be restored to an inmate. (Authorized by K.S.A. 2002 Supp. 75-5210, K.S.A. 75-5251, K.S.A. 2002 Supp. 21-4722; implementing K.S.A. 2002 Supp. 75-5210, K.S.A. 75-5251, K.S.A. 2002 Supp. 21-4722; effective Sept. 6, 2002; amended, T-44-3-11-03, March 11, 2003; amended July 25, 2003.)

Article 12.—CONDUCT AND PENALTIES

44-12-1002. Violation of published internal management policies and procedures or of published orders. Each violation of any published internal management policies and procedures of the secretary of corrections or any published orders of the warden of the facility shall be an offense of the class stated in the internal management policy and procedure or in the order itself. If no class is stated, the violation shall be a class III offense. Each violation of any internal management policy and procedure shall be subject to the penalties that are prescribed in the internal management policy and procedure. If no penalty is prescribed, then the violation shall be subject to the penalties provided in this article of regulations. (Authorized by and implementing K.S.A. 2002 Supp. 75-5210, K.S.A. 75-5251; effective May 1, 1980; amended May 1, 1981; amended April 20, 1992; amended Feb. 15, 2002; amended, T-44-3-11-03, March 11, 2003; amended July 25, 2003.)

Article 13.—DISCIPLINARY PROCEDURE

44-13-201b. Summary judgment procedure. (a) In any case involving one or more alleged class II or class III offenses, the reporting officer may offer the inmate the option of resolving the matter through the summary judgment procedure as an alternative to writing a disciplinary report that leads to initiation of the formal disciplinary hearing process.

(b) Officers shall carry with them or have immediate access to summary judgment citation forms.

(c) If an officer observes an inmate in the act of committing one or more offenses designated as eligible for summary judgment procedures that the officer believes require more than an undocumented, on-the-spot verbal reprimand, the officer may file a formal disciplinary report against the inmate or offer the inmate summary judgment by issuing a summary judgment citation. If summary judgment is offered to the inmate by the officer, the offer shall not be withdrawn without the commission of additional alleged disciplinary offenses by the inmate.

(1) The summary judgment citation shall be written, notarized, and served on the inmate by the reporting officer within 24 hours of the alleged incident, and shall include the following:

- (A) The date and time of each alleged offense;
- (B) the date and time the citation is written;
- (C) the name and rule number of each alleged offense;
- (D) a statement of the facts of the alleged incident, including names of witnesses;
- (E) the date and time that the citation is served on the inmate;
- (F) the summary judgment sanction; and

(G) the signature of the inmate indicating acceptance or refusal of the summary judgment.

(2) The officer may impose only one of the following summary judgment sanctions regardless of the number of offenses cited:

- (A) Restriction from privileges for up to 10 days;
- (B) a fine not to exceed \$10.00;
- (C) extra work for up to two hours per day, not to exceed five days; or
- (D) restitution of up to \$10.00.

(3) The inmate may choose whether to accept the summary judgment or to reject it in favor of the formal disciplinary hearing process. This decision shall be made within one hour of the inmate's receipt of the citation, or it shall be assumed that the inmate refused the summary judgment. The officer may choose to impose a different summary judgment sanction after discussion of the incident with the inmate, and this fact shall be documented on the summary judgment citation if the inmate then accepts the summary judgment.

(A) If the inmate accepts the summary judgment offered, this acceptance shall constitute a waiver of the inmate's right to the benefits of the formal disciplinary hearing process. The waiver of rights established according to K.A.R. 44-13-101a shall be executed by the inmate. Upon the inmate's acceptance of the summary judgment, the sanction shall be immediately imposed, and the shift supervisor shall be notified.

(B) If the inmate refuses the summary judgment offered, the inmate shall receive the applicable hearing process. The summary judgment citation shall be marked and signed by the officer and the inmate to indicate the inmate's refusal. The citation may then be used in lieu of the more formal disciplinary report to initiate the formal disciplinary hearing process. In that event, all normal applicable time limits shall run from the time the inmate signs the citation indicating refusal of the summary judgment. This shall constitute service of the disciplinary report on the inmate as required by K.A.R. 44-13-201. The requirement contained in K.A.R. 44-13-201 that an attempt be made to ensure that the officer personally serving the report on the inmate not be the same officer who wrote the report shall not apply when summary judgment has been offered.

(C) If an inmate refuses the summary judgment offered, the inmate shall not be charged with a more serious offense or combination of offenses than was alleged in the summary judgment citation.

(D) All evidence shall be confiscated or seized in connection with the issuance of a summary judgment citation, and shall be disposed of in accordance with K.A.R. 44-5-111.

(4) All summary judgment citations accepted by the inmate shall be documented in the inmate's file. (Authorized by and implementing K.S.A. 2002 Supp. 75-5210, K.S.A. 75-5251; effective April 20, 1992; amended July 11, 1994; amended Feb. 15, 2002; amended, T-44-3-11-03, March 11, 2003; amended July 25, 2003.)

Article 10.—ADULT CARE HOME PROGRAM

30-10-17. Cost reports. (a) Historical cost data.

(1) For cost reporting purposes, each provider shall submit the "nursing facility financial and statistical report," form MS-2004, revised August 2002 and hereby adopted by reference, completed in accordance with the accompanying instructions. The MS-2004 cost report shall be submitted on diskette, using software designated by the agency for cost report periods ending on or after December 31, 1999.

(2) Each provider who has operated a facility for 12 or more months on December 31 shall file the nursing facility financial and statistical report on a calendar year basis.

(b) Projected cost data.

(1) Projected cost reports for providers.

(A) If a provider is required to submit a projected cost report under K.A.R. 30-10-18 (c) or (e), the provider's rate shall be based on a proposed budget with costs projected on a line item basis.

(B) The projected cost report for each provider who is required to file a projected cost report shall begin according to either of the following schedules:

(i) On the first day of the month in which the nursing facility was certified by the department of health and environment if that date is on or before the 15th of the month; or

(ii) on the first day of the following month if the facility is certified by the department of health and environment between the 16th and 31st of the month.

(C) The projected cost report shall end on the last day of the 12-month period following the date specified in paragraph (b)(1)(B) above, except under either of the following:

(i) The projected cost report shall end on December 31 when that date is not more than one month before or after the end of the 12-month period.

(ii) The projected cost report shall end on the provider's normal fiscal year-end used for the internal revenue service when that date is not more than one month before or after the end of the 12-month period and the criteria in K.A.R. 30-10-18 for filing the projected cost report ending on December 31 do not apply.

(D) The projected cost report period shall cover a consecutive period of time not less than 11 months and not more than 13 months.

(E) The projected cost report shall be reviewed for reasonableness and appropriateness by the agency. The projected cost report items that are determined to be unreasonable shall be disallowed before the projected rate is established.

(2) Projected cost reports for each provider with more than one facility.

(A) Each provider who is required to file a projected cost report in accordance with this subsection and who operates more than one facility, either in state or out of

state, shall allocate central office costs to each facility that is paid rates from the projected cost data. The provider shall allocate the central office cost at the end of the provider's fiscal year or the calendar year that ends during the projection period.

(B) The method of allocating central office costs to those facilities filing projected cost reports shall be consistent with the method used to allocate the costs to those facilities in the chain that are filing historical cost reports.

(c) Amended cost reports.

(1) Each provider shall submit an amended cost report revising cost report information previously submitted if an error or omission is identified that is material in amount and results in a change in the provider's rate of \$.10 or more per resident day.

(2) An amended cost report shall not be allowed after 13 months have passed since the last day of the year covered by the report.

(d) Due dates of cost reports.

(1) Each calendar year cost report shall be received not later than the close of business on the last working day of February following the year covered by the report.

(2) An historical cost report covering a projected cost report period shall be received by the agency not later than the close of business on the last working day of the second month following the close of the period covered by the report.

(3) Each cost report approved for a filing extension in accordance with subsection (e) shall be received not later than the close of business on the last working day of the month approved for the extension request.

(e) Extension of time for submitting a cost report.

(1) A one-month extension of the due date for the filing of a cost report may be granted by the agency when the cause for delay is beyond the control of the provider. Delays beyond the control of the provider that may be considered by the agency in granting an extension shall include the following:

(A) Disasters that significantly impair the routine operations of the facility or business;

(B) destruction of records as a result of a fire, flood, tornado, or another accident that is not reasonably foreseeable; and

(C) computer viruses that impair the accurate completion of cost report information.

(2) The provider shall make the request in writing. The request shall be received by the agency on or before the due date of the cost report. Requests received after the due date shall not be accepted.

(3) A written request for a second one-month extension may be granted by the Kansas medical assistance program director if the cause for further delay is beyond the control of the provider. The request shall be received by the agency on or before the due date of the cost report, or the request shall not be approved.

(f) Penalty for late filing. Each provider filing a cost report after the due date shall be subject to the following penalties:

(1) If the complete cost report has not been received by the agency by the close of business on the due date, all further payments to the provider shall be suspended until

(continued)

the complete cost report has been received. A complete cost report shall include all the required documents listed in the cost report.

(2) Failure to submit the cost report within one year after the end of the cost report period shall be cause for termination from the Kansas medical assistance program.

(g) Balance sheet requirement. Each provider shall file a balance sheet prepared in accordance with cost report instructions as part of the cost report forms for each provider.

(h) Working trial balance requirement. Each provider shall submit a working trial balance with the cost report. The working trial balance shall contain account numbers, descriptions of the accounts, the amount of each account, and the cost report expense line on which the account was reported. Revenues and expenses shall be grouped separately and totaled on the working trial balance and shall reconcile to the applicable cost report schedules. A schedule that lists all general ledger accounts grouped by cost report line number shall be attached.

(i) An allocation of expenditures between the hospital and the long-term care unit facility shall be submitted through a step-down process prescribed in the cost report instructions. (Authorized by and implementing K.S.A. 39-708c; effective May 1, 1985; amended May 1, 1986; amended May 1, 1987; amended May 1, 1988; amended Jan. 2, 1989; amended Jan. 2, 1990; amended, T-30-10-1-90, Oct. 1, 1990; amended Jan. 30, 1991; amended Oct. 28, 1991; amended Nov. 2, 1992; amended Jan. 3, 1994; amended Dec. 29, 1995; amended Jan. 1, 1997; amended Jan. 1, 1999; amended July 1, 2002; amended Dec. 31, 2002; amended July 25, 2003.)

30-10-18. Rates of reimbursement. (a) Rates for existing nursing facilities.

(1) The determination of per diem rates shall be made, at least annually, using base-year cost information submitted by the provider and retained for cost auditing and analysis.

(A) The base year utilized for cost information shall be reestablished at least once every seven years.

(B) A factor for inflation may be applied to the base-year cost information.

(2) Per diem rates shall be limited by cost centers, except where there are special level-of-care facilities approved by the United States department of health and human services. The upper payment limits shall be determined by the median in each cost center plus a percentage of the median, using base-year cost information. The percentage factor applied to the median shall be determined by the secretary.

(A) The cost centers shall be as follows:

- (i) Operating;
- (ii) indirect health care; and
- (iii) direct health care.

(B) The property component shall consist of the real and personal property fee as specified in K.A.R. 30-10-25.

(C) The upper payment limit for the direct health care cost center shall be a statewide base limit calculated on each facility's case mix adjusted base-year costs.

(i) A facility-specific, direct health care cost center upper payment limit shall be calculated by adjusting the

statewide base limit by that facility's average case mix index.

(ii) Resident assessments used to determine additional reimbursement for ventilator-dependent residents shall be excluded from the calculation of the facility's average case mix index.

(3) Each provider shall receive an adjusted rate for each quarter if there is a change from the previous quarter in the facility's average medicaid case mix index.

(4) Resident assessments that cannot be classified shall be assigned to the lowest case mix index.

(5) To establish a per diem rate for each provider, a factor for incentive may be added to the allowable per diem cost.

(6) Resident days in the rate computation.

(A) Resident days shall be determined from census information corresponding to the base-year cost information submitted by the provider.

(B) Total resident days shall be used to calculate the per diem costs used to determine the upper payment limit and rates in the direct health care cost center. Total resident days shall be used to calculate the per diem costs used to determine the upper payment limit and rates for food and utilities in the indirect health care cost center.

(C) Resident days used to calculate the upper payment limits and rates in the operating cost center and indirect health care cost center, less food and utilities, shall be subject to an 85 percent minimum occupancy requirement based on the following:

(i) Each provider that has been in operation for 12 months or longer and has an occupancy rate of less than 85 percent for the cost report period shall have the resident days calculated at the minimum occupancy of 85 percent.

(ii) The 85 percent minimum occupancy requirement shall be applied to the resident days and costs reported for the 13th month of operation and after. The 85 percent minimum occupancy requirement shall be applied to the interim rate of a new provider, unless the provider is allowed to file a projected cost report.

(iii) The minimum occupancy rate shall be determined by multiplying the total number of licensed beds by 85 percent. In order to participate in the Kansas medical assistance program, each nursing facility provider shall obtain proper certification for all licensed beds.

(iv) Each provider with an occupancy rate of 85 percent or greater shall have actual resident days for the cost report period used in the rate computation.

(7) Each provider shall be given a detailed listing of the computation of the rate determined for the provider's facility.

(8) The effective date of the rate for existing providers shall be in accordance with K.A.R. 30-10-19.

(b) Comparable service, private pay rate limitations.

(1) For each nursing facility and nursing facility for mental health, the per diem rate for care shall not exceed the rate charged for the same type of service to residents not under the Kansas medical assistance program. Private pay rates reported to the agency on other than a per diem basis shall be converted to a per diem equivalent.

(2) The agency shall maintain a registry of private pay per diem rates submitted by providers.

(A) Providers shall notify the agency of changes in the private pay rate and the effective date of that change so that the registry can be updated.

(i) Private pay rate information submitted with the cost reports shall not constitute notification and shall not be acceptable.

(ii) Providers may send private pay rate notices by certified mail so that there is documentation of receipt by the agency.

(B) The private pay rate registry shall be updated based on the notification from the providers.

(C) The effective date of the private pay rate in the registry shall be the later of the effective date of the private pay rate or the first day of the following month in which complete documentation of the private pay rate is received by the agency.

(i) If the private pay rate effective date is other than the first day of the month, the effective date in the registry shall be the first day of the closest month. If the effective date is after the 15th, the effective date in the register shall be the first day of the following month.

(ii) For new facilities or new providers coming into the medicaid program, the private pay rate effective date shall be the issued certification date.

(3) The average private pay rate for comparable services shall be included in the registry. The average private pay rate may consist of the following variables:

(A) Room rate differentials. The weighted average private pay rate for room differentials shall be determined as follows:

(i) Multiply the number of private pay residents in private rooms, semiprivate rooms, wards, and all other room types by the rate charged for each type of room. Sum the resulting products of each type of room. Divide the sum of the products by the total number of private pay residents in all rooms. The result, or quotient, is the weighted average private pay rate for room differentials.

(ii) Each provider shall submit documentation to show the calculation of the weighted average private pay rate when there are room rate differentials.

(iii) Failure to submit the documentation shall limit the private pay rate in the registry to the semiprivate room rate.

(B) Level-of-care rate differentials. The weighted average private pay rate for level-of-care differentials shall be determined as follows:

(i) Multiply the number of private pay residents in each level of care by the rate they are charged to determine the product for each level of care. Sum the products for all of the levels of care. Divide the sum of the products by the total number of private pay residents in all levels of care. The result, or quotient, is the weighted average private pay rate for the level-of-care differentials.

(ii) Each provider shall submit documentation to show the calculation of the weighted average rate when there are level-of-care rate differentials.

(iii) Failure to submit the documentation may delay the effective date of the average private pay rate in the registry until the complete documentation is received.

(C) Extra charges to private pay residents for items and services specified in K.A.R. 30-10-15a may be included in the weighted average private pay rate if the same items

and services are allowable in the Kansas medical assistance program rate.

(i) Each provider shall submit documentation to show the calculation of the weighted average extra charges.

(ii) Failure to submit the documentation may delay the effective date of the weighted average private pay rate in the registry until the complete documentation is received.

(4) The weighted average private pay rate shall be based on what the provider receives from the resident. If the private pay charges are consistently higher than what the provider receives from the residents for services, then the average private pay rate for comparable services shall be based on what is actually received from the residents. The weighted average private pay rate shall be reduced by the amount of any discount received by the residents.

(5) The private pay rate for medicare skilled beds shall not be included in the computation of the average private pay rate for nursing facility services.

(6) When providers are notified of the effective date of the Kansas medical assistance program rate, the following procedures shall be followed:

(A) If the private pay rate indicated on the agency register is lower, then the Kansas medical assistance program rate, beginning with its effective date, shall be calculated as follows:

(i) If the average medicaid case mix index is greater than the average private pay case mix index, the Kansas medical assistance program rate shall be the lower of the private pay rate adjusted to reflect the medicaid case mix or the calculated Kansas medical assistance rate.

(ii) If the average medicaid case mix index is less than or equal to the average private pay case mix index, the Kansas medical assistance program rate shall be the average private pay rate.

(B) Providers who are held to a lower private pay rate and subsequently notify the agency in writing of a different private pay rate shall have the Kansas medical assistance program rate adjusted on the later of the first day of the month following the date upon which complete private pay rate documentation is received or the effective date of a new private pay rate.

(c) Rate for new construction or a new facility to the program.

(1) The per diem rate for newly constructed nursing facilities or a new facility to the Kansas medical assistance program shall be based on a projected cost report submitted in accordance with K.A.R. 30-10-17.

(2) No rate shall be paid until a nursing facility financial and statistical report is received and processed to determine a rate.

(d) Change of provider.

(1) The payment rate for the first 24 months of operation shall be based on the base-year historical cost data of the previous owner or provider. If base-year data is not available, the most recent calendar year data for the previous provider shall be used. If the 85 percent minimum occupancy requirement was applied to the previous provider's rate, the 85 percent minimum occupancy requirement shall also be applied to the new provider's rate.

(2) Beginning with the first day of the 25th month of operation, the payment rate shall be based on the histor-

(continued)

ical cost data for the most recent calendar year submitted by the new provider.

(e) Determination of the rate for nursing facility providers reentering the medicaid program.

(1) The per diem rate for each provider reentering the medicaid program shall be determined from either of the following:

(A) A projected cost report if the provider has not actively participated in the program by the submission of any current resident service billings to the program for 24 months or more; or

(B) the last historic cost report filed with the agency, if the provider has actively participated in the program during the most recent 24 months.

(2) If the per diem rate for a provider reentering the program is determined in accordance with paragraph (e)(1)(A), a settlement shall be made in accordance with subsection (f).

(f) Per diem rate errors.

(1) If the per diem rate, whether based upon projected or historical cost data, is audited by the agency and found to contain an error, a direct cash settlement shall be required between the agency and the provider for the amount of money overpaid or underpaid. If a provider with an identified overpayment is no longer enrolled in the medicaid program, the settlement shall be recouped from a facility owned or operated by the same provider or provider corporation, unless other arrangements have been made to reimburse the agency. A net settlement may occur if a provider has more than one facility involved in settlements.

(2) The per diem rate for a provider may be increased or decreased as a result of a desk review or audit of the provider's cost reports. Written notice of this per diem rate change and of the audit findings shall be sent to the provider. Retroactive adjustment of the rate paid from a projected cost report shall apply to the same period of time covered by the projected rate.

(3) Each provider shall have 30 days from the date of the audit report cover letter to request an administrative review of an audit adjustment that results in an overpayment or underpayment. The request shall specify the finding or findings that the provider wishes to have reviewed.

(4) An interim settlement, based on a desk review of the historical cost report covering the projected cost report period, may be determined after the provider is notified of the new rate determined from the cost report. The final settlement shall be based on the rate after an audit of the historical cost report.

(5) A new provider that is not allowed to submit a projected cost report for an interim rate shall not be entitled to a retroactive settlement for the first year of operation.

(g) Out-of-state providers.

(1) The rate for out-of-state providers certified to participate in the Kansas medical assistance program shall be the rate approved by the agency.

(2) Out-of-state providers shall obtain prior authorization by the agency.

(h) Reserve days as specified in K.A.R. 30-10-21 shall be paid at 67 percent of the Kansas medical assistance program per diem rate.

(i) Determination of rate for ventilator-dependent resident.

(1) The request for additional reimbursement for a ventilator-dependent resident shall be submitted to the agency in writing for prior approval. Each request shall include a current care plan for the resident, the most current resident assessment, and an itemized expense list for implementing that care plan. The additional reimbursement shall not include the cost of durable medical equipment.

(2) All of the following conditions shall be met in order for a resident to be considered ventilator-dependent.

(A) The resident is not able to breathe without mechanical ventilation.

(B) The resident uses a ventilator for life support 24 hours a day, seven days a week.

(C) The resident has a tracheostomy or endotracheal tube.

(3) The provider shall be reimbursed at the Kansas medical assistance program daily rate determined for the nursing facility plus an additional amount approved by the agency for the ventilator-dependent resident. The provider shall submit a budget with the detail of the expenditures requested to care for the ventilator-dependent resident. The additional reimbursement shall be negotiated based on the prevailing cost of the individual care plan and subject to an upper payment limit that is based on the comparable rate from the medicare prospective payment system.

(4) No additional amount above that figured at the Kansas medical assistance program daily rate shall be allowed until the service has been authorized by the agency.

(5) The criteria shall be reviewed quarterly to determine if the resident is ventilator-dependent. If a resident is no longer ventilator-dependent, the provider shall not receive additional reimbursement beyond the Kansas medical assistance program daily rate determined for the facility.

(6) The additional reimbursement for the ventilator-dependent resident shall be offset to the cost center of benefit on the nursing facility financial and statistical report. (Authorized by and implementing K.S.A. 39-708c; effective May 1, 1985; amended May 1, 1986; amended, T-87-29, Nov. 1, 1986; amended May 1, 1987; amended, T-89-5, Jan. 21, 1988; amended Sept. 26, 1988; amended Jan. 2, 1989; amended Jan. 2, 1990; amended, T-30-10-1-90, Oct. 1, 1990; amended Jan. 30, 1991; amended Oct. 28, 1991; amended May 1, 1992; amended Nov. 2, 1992; amended Jan. 3, 1994; amended July 1, 1994; amended Sept. 30, 1994; amended Dec. 29, 1995; amended Jan. 1, 1999; amended June 28, 2002; amended Dec. 31, 2002; amended July 25, 2003.)

30-10-19. Rates; effective dates. (a) Effective date of per diem rates for ongoing providers filing calendar year cost reports. The effective date of a new rate that is based on information and data in the nursing facility cost report for the calendar year shall be July 1.

(b) Effective date of the per diem rate for a new provider operating on the rate from cost data of the previous provider.

(1) The effective date of the per diem rate for a new provider shall be the date of certification by the department of health and environment.

(2) The effective date of the per diem rate based on the first historical cost report filed in accordance with K.A.R. 30-10-17 shall be the first day of the 25th month of operation. Any rates paid after the effective date of the rate based on the first historical cost report shall be adjusted to the new rate from the historical cost report.

(c) Effective date of the per diem rate from a projected cost report.

(1) The effective date of the per diem rate based on a projected cost report for a new provider, as set forth in K.A.R. 30-10-18 (c) and (e), shall be the date of certification by the department of health and environment.

(2) The interim rate determined from the projected cost report filed by the provider shall be established by the agency and given to the fiscal agent on or by the first day of the third month after the receipt of a complete and workable cost report.

(3) The effective date of the final rate, determined after an audit of the historical cost report filed for the projected

cost report period, shall be the date of certification by the department of health and environment.

(4) The second effective date for a provider filing an historic cost report covering a projected cost report period shall be the first day of the month following the last day of the period covered by the report, which is the date that the inflation factor is applied in determining prospective rates.

(d) Each provider shall receive an adjusted rate quarterly if there are changes in the facility's medicaid case mix index as described in K.A.R. 30-10-18. (Authorized by and implementing K.S.A. 39-708c; effective May 1, 1985; amended May 1, 1987; amended May 1, 1988; amended Jan. 2, 1989; amended Jan. 2, 1990; amended, T-30-10-1-90, Oct. 1, 1990; amended Jan. 30, 1991; amended Oct. 28, 1991; amended Nov. 2, 1992; amended Jan. 3, 1994; amended Dec. 29, 1995; amended Jan. 1, 1997; amended July 1, 2002; amended July 25, 2003.)
