A copy of the full text of the regulations and the economic impact statements may be reviewed or obtained at the commission office. The following is a summary of the proposed regulations:

112-10-3. Practicing veterinarians. The amendment to this regulation limits the use of extracorporeal

Economic Impact: There are no costs anticipated to the agency or to other governmental agencies or units as a result of this regulation amendment.

112-13-2. Kansas-whelped program, certification.

The amendment to this regulation sets forth a further requirement for persons who intend to register a greyhound as a Kansas-whelped greyhound. Each female greyhound shall be owned or leased by a Kansas qualified breeder within 45 days of the breeding date. To be a Kansas-qualified breeder, the person owning or leasing the female greyhound shall have been a resident of the state of Kansas for a minimum of two years before breeding. In addition, each pup shall be whelped and raised for the first six months of life in the state of Kansas. Kansas-whelped status shall remain with the greyhound and shall transfer to all subsequent owners of the greyhound.

Economic Impact: There are no costs anticipated to the agency or to other governmental agencies or units as a result of this regulation amendment.

State of Kansas

Governmental Ethics Commission

Opinion No. 2003-25

Written September 18, 2003, to Sarah Bootes Shattuck, Ashland City Attorney.

This opinion is in response to your letter of August 29, 2003, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the application of the local level conflict of interest laws (K.S.A. 75-4301a *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 75-4301a *et seq.*, and whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as the city attorney for the City of Ashland, Kansas (City). You have informed us that Mr. John T. Fellers and Mr. Kendal Kay are members of the City Council (Council). You have questions about the ability of these council members to vote on certain issues surrounding the provision of insurance programs to the City. You have explained that the City provides insurance for its employees and contracts with an insurance company for these services. Mr. Fellers and Mr. Kay have ties to a local insurance company called SBAIC which does business under the name of Howell Insurance Company. Mr. Fellers is the president of SBAIC and Mr. Kay is the secretary & treasurer of SBAIC.

You have explained that the Council typically reviews its insurance policy on an annual basis and may consider other companies' proposals at that time. It often happens that a council member makes a motion to approve a particular proposal without mentioning the other proposals under consideration. If that motion fails, then there will be a motion to approve the next proposal, and so on.

Questions

1. Do council members Fellers and Kay have a substantial interest in SBAIC?
2. Are council members Fellers and Kay prohibited from participating in the making of a contract with SBAIC?
3. May Fellers and Kay vote on a motion to approve a proposal from another insurance company if SBAIC also has a proposal pending and the effect of such a vote could be to accept or reject the SBAIC proposal?

Opinion

Mr. Fellers and Mr. Kay, as City Council members, are governed by the local level conflict of interest laws found in K.S.A. 75-4301 *et seq.* With regard to your first question, K.S.A. 75-4301a applies. It states in pertinent part:

(a) "Substantial interest" means any of the following:

...

(4) If an individual or an individual's spouse holds the position of officer, director, associate, partner or proprietor of any business . . . the individual has a substantial interest in that business, irrespective of the amount of compensation received by the individual or individual's spouse.

Because Mr. Fellers and Mr. Kay both hold officer positions for SBAIC, they have a substantial interest in that company.

With regard to your second question, K.S.A. 75-4304 applies. It prohibits a local official from participating in his or her official capacity in the making of contracts with a business in which the official has a substantial interest. It states in pertinent part:

(a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

Because Mr. Kay and Mr. Fellers have a substantial interest in SBAIC, pursuant to this statute, they are prohibited from making or participating in the making of a contract with SBAIC. It should be noted that from its inception, this Commission has always held that participation includes discussions and conversations with other council members regarding the options before the council. See Commission opinion 1974-68. Therefore, Mr. Kay and Mr. Fellers would be prohibited from participating in the discussions regarding the options before the council, if one of those options was from SBAIC.

Finally, you question whether Mr. Fellers and Mr. Kay may vote on a motion to approve a proposal from a competing insurance company, if SBAIC also has a proposal pending, and the effect of such a vote could be, in effect, to accept or reject the SBAIC proposal. As noted above, K.S.A. 75-4304 prohibits "participation" in the making of a contract, and discussions regarding the options available to the council constitutes participation. Therefore, we believe that when there is a proposal pending by a company in which a council member has a substantial interest, that council member is prohibited by K.S.A. 75-4304 from voting on a motion to approve or disapprove a proposal from the competing company.

Opinion No. 2003-26

Written October 16, 2003, to Tony L. George, Pretty Prairie.

This opinion is in response to your letter of September 22, 2003, in which you request an advisory opinion from the Kansas Governmental Ethics Commission concerning the application of the governmental ethics laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand you request this opinion in your capacity as the South Central Area Assistant Supervisor in the Meat and Poultry Division of the Department of Agriculture. You have explained that your agency inspects meat processing and slaughter plants. Your agency does not license, regulate, or inspect retail markets. You are interested in opening a retail market/grocery store in your home town.

Question

May an assistant supervisor in the Meat and Poultry Division of the Department of Agriculture own a retail market/grocery store?

Opinion

We have reviewed the state level conflict of interest laws found in K.S.A. 46-215 *et seq.*, and there is nothing in those laws which would prohibit you from owning a retail market/grocery store.

All of the improvements to be financed or refinanced with the proceeds of the bonds are or will be owned, operated or managed by, and are or will be located on land owned or leased by, the corporation, St. Francis, Providence Medical Center, Inc., or Saint John Hospital, at 9801 Renner Blvd., Suite 100, Lenexa; 634, 700 or 701 S.W. Mulvane St., 1513, 1515, 1517, 1523, 1701 and 1925 S.W. 6th Ave., 612 S.W. College, 1700 S.W. 7th St., all in Topeka; 8929 Parallel Parkway, Kansas City; and 3500, 3550, 4505 S. Fourth St. Trafficway, Leavenworth.

The bonds, when issued, will be a limited obligation of the Colorado Health Facilities Authority and will not constitute a general obligation or indebtedness of the states of Kansas, California, Montana or Colorado, or any political subdivision thereof, including the Authority, nor will the bonds constitute an indebtedness for which the faith and credit and taxing powers of the states of Kansas, California or Colorado are pledged. The bonds will be payable solely from amounts received from the corporation, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

Kansas Ave., Suite 202, Topeka, 66603, will be considered. Article 1.—EXAMINATIONS

74-1-1. Type of examination. The uniform certified public accountant examination prepared by the American institute of certified public accountants shall be used for all examinations. (Authorized by K.S.A. 1-202 and K.S.A. 1-304, as amended by 2003 HB 2241, § 3; implementing K.S.A. 1-302 and K.S.A. 1-304, as amended by 2003 HB 2241, § 3; effective Jan. 1, 1966; amended Nov. 14, 2003.)

74-1-2. Determining and reporting examination grades. (a) Each testing candidate shall be required to pass all test sections of the examination in order to qualify for a certificate.

(b) Before the implementation of a computer-based examination, the minimum passing grade for each test section shall be 75.

(c) Upon implementation of a computer-based examination, each testing candidate shall be required to attain at least a minimum grade established through a psychometrically acceptable, standard-setting procedure approved by the board.

(d) Upon the board's receipt of each candidate's advisory grades from the examination provider, the grades shall be reviewed and may be adopted by the board. The examination grades shall be reported to the testing candidate. (Authorized by K.S.A. 1-202 and K.S.A. 1-304, as amended by 2003 HB 2241, § 3; implementing K.S.A. 1-304, as amended by 2003 HB 2241, § 3; effective Jan. 1, 1966; amended Nov. 17, 2000; amended Nov. 14, 2003.)

74-1-3. Retaking the examination and granting of credits. (a) Before the implementation of a computer-based examination, each testing candidate who passes at least two sections but not all four sections of the examination shall be given credit for those sections that the testing candidate has passed if the following conditions are met:

(1) The testing candidate took all the sections of the examination.

(2) The testing candidate attained at least a minimum grade of 50 on each section not passed.

(3) The testing candidate passes any remaining sections within six consecutive examinations after the examination at which the first sections were passed.

(4) At each subsequent examination, the testing candidate takes all of the previously failed sections.

(5) In order to receive credit for passing any previously failed section, the testing candidate receives a minimum grade of 50 on the remaining failed section.

(b) Upon the implementation of a computer-based examination, the following provisions shall apply:

(1) Each testing candidate shall be deemed to have passed the examination if the candidate obtains credit for passing each of the four test sections. Credit for passing a test section shall be valid from the date of the examination regardless of the date on which the testing candidate receives actual notice of the passing grade.

(2) A testing candidate may take the test sections individually and in any order. Credit for passing any test section shall be valid for 18 months from the date of testing regardless of the number of sections taken or the scores on any failed sections.

(3) Each testing candidate shall pass all four test sections within a rolling 18-month period that begins on the date the first test section passed is taken. If all four test sections are not passed within this 18-month period, credit for any test section passed outside the 18-month period shall expire.

(4) A testing candidate shall not retake a failed section within the same examination window. An examination window shall be a consecutive three-month period comprised of two months in which the examination is offered and one month when the examination is not offered.

(c) The following requirements shall apply to testing candidates who have achieved conditional status under the paper examination pursuant to subsection (a) upon the commencement of the computer-based examination:

(1) Each testing candidate shall retain conditional credit achieved under the paper examination for the corresponding test sections of the computer-based examination as follows:

(A) Credit for the section on auditing and attestation on the computer-based examination shall be given for having passed the section on auditing on the paper examination.

(B) Credit for the section on financial accounting and reporting on the computer-based examination shall be given for having passed the section on financial accounting and reporting on the paper examination.

(C) Credit for the section on regulation on the computer-based examination shall be given for having passed the section on accounting and reporting on the paper examination.

(D) Credit for the section on business environment and concepts on the computer-based examination shall be given for having passed the section on business law and professional responsibilities on the paper examination.

(2) Each testing candidate shall have a transition period in which to pass the remaining sections of the examination. This transition period shall equal either the number of examinations remaining pursuant to paragraph (a)(3) at the commencement of the computer-based examination or the number of remaining opportunities under the paper examination multiplied by six months, whichever first occurs.

(3) A testing candidate who does not pass all of the remaining test sections during the transition period specified in paragraph (c)(2) shall lose all credit obtained under the paper examination.

(4) Each testing candidate who passes any test section on the computer-based examination during the transition

period in paragraph (c)(2) shall be subject to subsection (b) except that the testing candidate shall have the benefit of the transition period in paragraph (c)(2) and, therefore, shall not lose conditional credit for any test section passed on the computer-based examination even though more than 18 months have elapsed from the date the test section was passed.

(d) Each testing candidate shall retain credit for any test section passed in another state if the credit would have been given if the testing candidate had taken the examination in Kansas.

(e) Notwithstanding subsections (a), (b), and (c), the period of time in which to pass all sections of the examination may be extended by the board upon a showing that the credit was lost by reason of circumstances beyond the testing candidate's control. (Authorized by K.S.A. 1-202 and K.S.A. 1-304, as amended by 2003 HB 2241, § 3; implementing K.S.A. 1-304, as amended by 2003 HB 2241, § 3; effective Jan. 1, 1966; amended, E-82-27, Dec. 22, 1981; amended May 1, 1982; amended Jan. 12, 1996; amended Nov. 14, 2003.)

74-1-6. Refund of examination fees. (a) Before the implementation of a computer-based examination, if a testing candidate is unable to be present at an examination for which a fee has been paid, the fee shall be forfeited, unless the candidate notifies the board in writing within 30 days after the examination with an acceptable reason for failing to sit for the examination as scheduled. Acceptable reasons for not sitting shall include a documented illness, death in the immediate family, and any other reason that the board determines to be unavoidable.

(b) Upon the implementation of a computer-based examination, fees may be refunded by the board to a testing candidate who is unable to be present for an examination if the board determines that the testing candidate has complied with subsection (a).

(c) Each refunded examination application fee shall be subject to a 25 percent processing fee. (Authorized by K.S.A. 1-202 and K.S.A. 1-304, as amended by 2003 HB 2241, § 3; implementing K.S.A. 1-304, as amended by 2003 HB 2241, § 3; effective July 18, 1997; amended Nov. 14, 2003.)

74-1-8. Administration of examination; cheating.

(a) Either of the following actions by a testing candidate shall invalidate any grade otherwise earned on any test section and may warrant the candidate's summary expulsion from the test site and disqualification from taking the examination for a specified period of time:

(1) Failing to comply with the testing administrator's instructions; or

(2) cheating in applying for or taking the examination.

(b) The following actions or attempted actions by a testing candidate may be considered cheating:

(1) Falsifying or misrepresenting educational credentials or other information required for admission to the examination;

(2) any communication between testing candidates inside or outside the test site or copying another testing candidate's answers while the examination is in progress;

(3) with the exception of persons associated with the examination process, any communication with others in-

side or outside the test site while the examination is in progress;

(4) the substitution of another person to sit in the test site in the stead of a testing candidate;

(5) other than those materials provided to the testing candidate as part of the examination, referring to crib-notes, textbooks, or any other materials or electronic media inside or outside the test site while the examination is in progress;

(6) violating the nondisclosure prohibitions of the examination or aiding or abetting another in doing so; and

(7) retaking or attempting to retake a test section by an individual holding a valid certificate or by a testing candidate who has unexpired credit for having already passed the same test section, unless the individual has been authorized to retake a test section or has been expressly authorized by the board to do so.

(c) If it appears that a testing candidate has failed to comply with the testing site administrator's instructions or that cheating has occurred or is occurring, the testing candidate may be either summarily expelled by the board or its designee or may be moved to a position in the testing center away from other testing candidates.

(d) If the board has reason to believe that a testing candidate either has failed to comply with the testing site administrator's instructions or has cheated on the examination, an investigation and a hearing may be conducted by the board to determine whether the testing candidate will be given credit for any of the test sections and whether the testing candidate will be barred from taking the examination for a specified period of time.

(e) If the board determines that a testing candidate has failed to comply with the testing site administrator's instructions or that cheating occurred but the board allows a testing candidate to take any subsequent examinations, any of the following actions may be taken by the board:

(1) Admonish the testing candidate;

(2) seat the testing candidate in a segregated location for the rest of the examination;

(3) keep a record of the testing candidate's seat location and identifying information as well as the names and identifying information of the testing candidates in close proximity to the candidate;

(4) before the implementation of a computer-based examination, notify the American institute of certified public accountants of the circumstances of the cheating and furnish the testing candidate's identification number; and

(5) upon the implementation of a computer-based examination, provide information concerning the circumstances of the cheating to the national candidate database, the American institute of certified public accountants, and the testing center.

(f) Other state regulatory boards may be notified by the board of the board's findings and any actions taken against a testing candidate who is refused credit for any test section, disqualified from taking any test section, or barred from taking the examination in the future. (Authorized by K.S.A. 1-202 and 1-304, as amended by 2003 HB 2241, § 3; implementing K.S.A. 1-304, as amended by 2003 HB 2241, § 3; effective Nov. 14, 2003.)

111-4-2058. Name, time, and place of drawing. (a)

The Kansas lottery shall conduct an instant ticket drawing on October 5, 2003, entitled "Kansas Speedway Second Chance Drawing."

(b) The draw receptacle for this drawing shall be open during lottery selling hours at the lottery's Kansas Speedway selling booth in Kansas City, Kansas, through 30 minutes following the actual start of the last automobile race at the Kansas Speedway scheduled for the weekend of October 4, 2003, at which time the drawing shall take place at the lottery selling booth at the Kansas Speedway. No less than five minutes prior to the drawing, a lottery official at the lottery's Kansas Speedway selling booth shall verbally announce the time by which all entries must be deposited into the draw receptacle in accordance with the rules herein.

(c) Rules applicable to this drawing are contained in K.A.R. 111-3-1 *et seq.* and 111-4-2058 through 111-4-2062. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-9-18-03, Sept. 10, 2003; amended, T-111-10-13-03, Oct. 2, 2003.)

111-4-2059. Definitions. (a) All definitions contained in the Kansas lottery act (K.S.A. 74-8701 *et seq.*) and amendments thereto and lottery regulations are hereby incorporated by reference and govern unless otherwise indicated.

(b) "Kansas Speedway Second Chance Drawing" means the act of drawing for prizes conducted by the Kansas lottery at the Kansas Speedway in Kansas City, Kansas, in which participants are selected to win various prizes as described in K.A.R. 111-4-2061.

(c) "Non-winning ticket" means any valid \$2.00 Kansas instant game lottery ticket not eligible to win a prize under any instant game rules and purchased from the lottery selling location at the Kansas Speedway during selling hours until the time of the drawing as set forth in K.A.R. 111-4-2058(b).

(d) "Receptacle" or "drum" means a container in which non-winning Kansas instant game lottery tickets are placed and from which the "Kansas Speedway Second Chance Drawing" is made. Receptacles or drums may be sealable and shall be capable of being mixed or rotated for the purpose of ensuring random distribution.

(e) "Bare arm technique" means a type of drawing where the person drawing the winning ticket from the receptacle or drum wears a long-sleeved shirt with sleeve rolled up above the elbow, a short-sleeved shirt (sleeve not extending past the elbow) or a non-sleeve shirt which exposes the drawer's bare arm and looks away from the drawing drum or receptacle while drawing. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-9-18-03, Sept. 10, 2003; amended, T-111-10-13-03, Oct. 2, 2003.)

111-4-2060. Entry into drawing. Entry into the "Kansas Speedway Second Chance Drawing" ("drawing") is accomplished as follows:

(a) Obtain a valid Kansas instant \$2.00 lottery ticket purchased from the lottery selling location at the Kansas Speedway during lottery selling hours immediately prior to the time of the drawing as set forth in K.A.R. 111-4-2058(b);

(b) Determine if the ticket is a winning ticket in accordance with any instant game rules. If the ticket is a winning

(continued)

ticket, it is not eligible for the drawing and shall be re-deemed in accordance with the instant game rules;

(c) If the ticket is a valid non-winning ticket, the ticket is eligible for winning the drawing and the holder of the ticket may enter the drawing;

(d) The holder of the non-winning ticket must complete the information form on the back of the ticket in a legible manner;

(e) The holder of the non-winning ticket must take the non-winning ticket with the completed information form to the location of the drawing and place it in the receptacle or drum provided;

(f) The receptacle or drum shall be available and entries may be made at the times stated in K.A.R. 111-4-2058. Entries shall be allowed until the actual winner selection process begins;

(g) The holder of the ticket is not required to personally attend the drawing or be present at the time of the drawing to be determined a winner;

(h) There is no limit to the number of entries an entrant may make, but each entrant may only win one prize;

(i) All eligible entrants must be at least 18 years of age. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-9-18-03, Sept. 10, 2003; amended, T-111-10-13-03, Oct. 2, 2003.)

111-4-2061. Determination of "Kansas Speedway Second Chance Drawing" winners and prizes. (a) At least five minutes before the drawing, a lottery drawing official designated by the executive director shall announce to the audience that the winner selection process will begin. Any persons wishing to enter the drawing who have not yet done so, shall immediately place their tickets into the receptacle or drum at this time.

(b) The drawing official shall announce that entries into the drawing are closed. No further entries will be accepted.

(c) The receptacle or drum shall be sealed and capable of being mixed with a shovel or by other means for two minutes or rotated a minimum of 10 times to ensure random selection.

(d) The drawing official shall designate one individual of his or her choice to participate in the selection process.

(e) The selection of drawing winners shall be accomplished by the individual designated by the drawing official, using a bare arm technique, removing one ticket from the drawing receptacle or drum, at the time set forth in K.A.R. 111-4-2058(b). A designated drawing official and a person representing Kansas lottery security, shall review the selected ticket to determine if the information completed by the player located on the back of the selected ticket is legible. If the ticket is determined to be valid and eligible to win and the name is determined to be legible, the name of the winner shall be announced to the audience. This process shall be repeated until three valid winners have been selected. Each valid entry drawn shall be marked in the order drawn, 1, 2, and 3.

(f) After the tickets have been drawn and each entry has been verified as valid by lottery security, three more entries will be drawn, one at a time, to serve as alternate entries. The alternate entries will be marked in order drawn, 1A, 2A, and 3A. The alternate ticket entries will

be used only if the original winners cannot be located or are declared ineligible, or fail to present a fully-executed claim form as required herein. The alternates will be used, if necessary, in the order drawn.

(g) The first valid winner selected shall be awarded a prize of \$1,000. The second valid winner selected shall be awarded a prize of \$500. The third valid winner selected shall be awarded a prize of \$300.

(h) The named persons are not required to be present in order to win the drawing prizes. The security representative conducting the drawing shall be responsible for the final determination concerning the eligibility of any ticket drawn. The first prize winning ticket drawn for each entrant invalidates all other entries for the drawing for that entrant.

(i) Each winner of a prize as a result of the drawing shall return to lottery headquarters a completed claim form as provided by the lottery, which claim form must be actually received by lottery no later than 5:00 p.m. on the forty-fifth day following the drawing or the person named on the ticket drawn will no longer be eligible for the prize. In such an event, the first eligible alternate entry drawn pursuant to subsection (f) herein shall be declared the winner of that prize. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-9-18-03, Sept. 10, 2003; amended, T-111-10-13-03, Oct. 2, 2003.)
