## Board of Education

Notice of Hearing on Proposed  
Administrative Regulations

The State Board of Education will conduct a public hearing at 1:30 p.m. Tuesday, February 8, in the board room of the State Education Building, 120 S.E. 10th Ave., Topeka, to consider proposed amendments to the school conduct regulation, 91-15-1, and the revocation of Educational Excellence Grant Programs regulations, 91-35-1 through 91-35-4. A summary of the proposed regulations and their economic impact follows.

**K.A.R. 91-15-1.** This regulation requires adoption of rules for the conduct of school employees and students. The proposed amended regulation continues the requirement that each local board of education adopt such rules, but eliminates the requirement that the rules be filed with the Commissioner of Education. There will be no financial impact upon the State Board of Education, other governmental entities, or on private businesses or individuals. Local school districts will not have to file their policies on conduct with the state board. This will save individual districts from \$5 to \$15 in postage.

**K.A.R. 91-35-1 through 91-35-4.** These regulations concern Educational Excellence Grant Programs. The state laws authorizing these regulations have been repealed; therefore, the regulations are no longer valid and should be revoked. There will be no financial impact upon the State Board of Education, school districts, other governmental entities, or on private businesses or individuals.

All interested persons will be given a reasonable opportunity at the hearing to present their views or arguments, either orally or in writing, in regard to the proposed regulations. In addition, the period of public notice hereby provided constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations. Such written comments may be submitted to the secretary of the State Board of Education at the address above. The hearing shall be conducted in compliance with the public hearing procedures of the State Board of Education.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Lanny Gaston at (785) 296-3906 or TDD (785) 296-8172.

States Post Office in Topeka, Kansas, with the final pick-up at the Topeka post office in the morning mail pickup on Tuesday, April 5, 2005. Following the morning mail pickup on Tuesday, April 5, 2005, the envelopes containing mailed entries will be transported to lottery headquarters and opened by lottery personnel. Prior to the drawing, all mailed entries and entries retained from such other locations as specifically designated by the lottery shall then be transported to the location of the drawing and placed in the drawing receptacle or drum.

(b) The drawing shall be held at such location designated by the lottery, and shall be open to the public with lottery security personnel present. The drawing shall be audio and video taped.

(c) At the final drawing on Friday, April 8, 2005, lottery security personnel will be present with the person designated by the executive director to perform the drawing. Prior to the drawing, if a drum is used, the drum shall be sealed and the contents mixed by rotating the drum at least 10 times. If a receptacle other than a drum is used, the contents shall be mixed thoroughly with a shovel or by other means prior to the drawing.

(d) The designated individual shall then unseal the drum, if a drum is used, and using the bare-arm technique, while looking away, remove one entry from the receptacle or drum. The person whose name appears on the entry shall be the winner of the grand prize of one \$10,000 shopping spree as identified in K.A.R. 111-4-2202, subject to validation by the lottery as set forth in these rules. Four more entries shall be selected one at a time in the same manner. The person whose name appears on each of those entries shall be the winner of a secondary prize of a \$2,000 shopping spree as identified in K.A.R. 111-4-2202, subject to validation by the lottery as set forth in these rules. Each valid entry shall be numbered from two through five.

(e) After five entries have been drawn, and the entries have been verified as valid, five more entries will be drawn, one at a time. The last five entries drawn will serve as alternate entries for the prize packages. The alternate entries will be marked in order drawn, 1A, 2A,

3A, 4A, and 5A. The alternate entries will be used only if one or more of the original winners cannot be located or is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. on the thirtieth calendar day following the drawing. The alternates will be used, if necessary, in the order drawn. If a winner or an alternate winner cannot be located, is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. on the thirtieth calendar day following the claim form being given or sent to the alternate winner, the alternate winner process shall be repeated until the prize is properly claimed or until such time as no alternate winners remain, whichever occurs first.

(f) The Kansas lottery security official present shall review each ticket drawn to determine the validity of the entry into the "Cabela's Cash Drawing" in accordance with these regulations. If it is a valid entry and the name is legible, the event manager and the security person present shall record the name of the winner and the prize won. The prize winners shall be given or sent a prize claim form to be completed and returned to the lottery within 30 calendar days of the drawing.

(g) If the entry is determined to be ineligible, it shall be discarded by the security person present and another entry drawn, unless it is valid to win an instant scratch ticket prize, in which event the person whose name appears on the ticket shall be paid said prize amount. This procedure will be repeated until valid selections are obtained.

(h) Only non-winning "Cabela's Cash" instant tickets as defined by these rules are eligible for the drawing.

(i) All "Cabela's Cash" tickets remaining in the drum or receptacle on April 8, 2005, after the winners and alternates have been selected, and all entries not received in compliance with these rules, shall be destroyed pursuant to K.A.R. 111-3-34. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-11-19-04, Oct. 13, 2004.)
