Opinion 2005-1

State Boards, Commission and Authorities—Kansas Water Office and Kansas Water Authority—Duties of Office; Cedar Bluff Reservoir Artificial Recharge Pool Operations. Representative Joann Lee Freeborn, 10th District, Concordia, January 13, 2005.

Because the Artificial Recharge Pool Operations Agreement does not provide for any expenditure by the Kansas Water Office in order to fulfill its responsibilities of monitoring, communicating and requesting release of water when warranted, the Agreement itself does not violate the proviso in the 2004 omnibus appropriations bill found at L. 2004, ch. 123, § 134(i). Cited herein: Kan. Const., Art. 2, § 16; L. 2004, ch. 123, § 134(i). CN

Opinion 2005-2

Unfair Trade and Consumer Protection—Supplier—Disclaimer or Limitation of Warranties. Representative John T. "Tom" Thull, 72nd District, North Newton, January 27, 2005.

A financial institution that only occasionally sells vehicles, when necessary to dispose of repossessed collateral on a loan it has made, is not a "supplier" under the Kansas Consumer Protection Act, and therefore it may disclaim or limit warranties on such vehicles without violating K.S.A. 50-627. However, a financial institution that regularly or frequently sells repossessed vehicles may be considered a "supplier" if such sales are frequent or numerous enough to be considered within the institutions's ordinary course of business. Cited herein: K.S.A. 8-2401; 50-623; K.S.A. 2004 Supp. 50-624; K.S.A. 50-647; 79-3601; K.S.A. 2004 Supp. 79-3602. LMG

Opinion 2005-3

Cities and Municipalities—Governmental Organization—Fire Districts and Fire Department; Fire District, Powers and Duties; Telephonic Board Meetings.

State Departments—Public Officers and Employees; Open Public Meetings; Telephonic Meetings. Pamela Campbell Burton, Legal Counsel, Leavenworth County Fire District No. 1, Lansing, January 27, 2005.

A public body subject to the KOMA may legally conduct meetings by telephone, if it does so in compliance with all of the requirements of the KOMA. Regardless whether a meeting is to be conducted telephonically, in person, by video-conference, or even through third parties, the requirements of the KOMA remain applicable. Cited herein: K.S.A. 75-4317a; K.S.A. 2004 Supp. 75-4318; 75-4319. TMB

Opinion 2005-4

Crimes and Punishments; Kansas Criminal Code; Prohibited Conduct—Crimes Against the Public Morals—Gambling; Definitions; Poker Tournaments at Locations Requiring a Cover Charge. Keith E. Schroeder, Reno County District Attorney, Hutchinson, January 27, 2005.

Payment of a required cover charge to enter an establishment and thus be eligible to participate in a poker tournament held therein constitutes "consideration" as judicially defined for purposes of Article 15, Section 3 of the Kansas Constitution, and as defined by K.S.A. 2004 Supp. 21-4302(b), regardless whether others are required to pay the charge as well. Therefore, poker tournaments at which prizes are awarded are unlawful if held in a location that requires participants to pay to get in. Cited herein: K.S.A. 2004 Supp. 21-4302; K.S.A. 21-4303; 21-4304; 21-4305; Kan. Const., Art. 15, §§ 3, 3a, 3b and 3c; 25 U.S.C. §§ 2701 et seq. JLM

Opinion 2005-5

State Boards, Commissions and Authorities—Kansas, Inc.; Membership; Meetings; Attendance; Quorum; Designation of Representative; Use of Proxies. Jerry Lonergan, President, Kansas, Inc., Topeka, February 24, 2005.

Of the members of the Kansas, Inc. board of directors, the Governor, the Governor's appointees to the board, the State Board of Regents' appointee to the board, and the commanding general of the Kansas Cavalry cannot delegate voting authority to subordinates nor can they designate another board member as their proxy for purposes of voting or taking official board action. The Secretary of Commerce may delegate voting authority to a subordinate pursuant to statutory authorization allowing the secretary to appoint individuals in the secretary's employ to act for and exercise the secretary's powers. Legislators appointed to represent the Speaker of the House, the House Minority Leader, the President of the Senate, and the Senate Minority Leader can vote as board members. Absent a statute designating the number necessary for a quorum, common law dictates that a majority of the entire governing body is the minimum number necessary to transact business. As the membership of the governing body of Kansas, Inc. is 17 members, a quorum is nine members. Cited herein: K.S.A. 2004 Supp. 1-202; 12-4001; K.S.A. 17-2232; 17-6009; K.S.A. 2004 Supp. 17-6502; 20-3004; 22-4111; 46-2303; K.S.A. 65-5703; 72-60b01; K.S.A.

2004 Supp. 74-50020; 74-8001; 74-8002; K.S.A. 74-8003; K.S.A. 2004 Supp. 74-8004; 74-9501; 75-106; K.S.A. 75-301; 75-2719a; 75-3102; Kan. Const., Art. 1, §§ 3,11, 12. MF

Opinion 2005-6

Cities and Municipalities—Planning and Zoning and Subdivisions' Regulations in Cities and Counties—Same; Zoning; Downzoning or Rezoning, Amendments and Revisions; Procedure; Notice and Hearing; Protest Petitions. Blaine Finch, Franklin County Counselor, Ottawa, February 24, 2005.

In rezoning matters, K.S.A. 12-757(f)(1) provides only one opportunity for filing a protest petition to a proposed zoning amendment. Therefore, it is important for property owners objecting to a rezoning application to file their protest in a timely fashion *regardless* whether the planning commission recommends denial or approval. Cited herein: K.S.A. 12-756; 12-757, 12-760. JLM

Opinion 2005-7

Cities and Municipalities—Insurance—Risk Management Reserve Fund Established; Schools; Transfer of Funds; Special Reserve Fund; Uses of Money.

Schools—Organization, Powers and Finances of Boards of Education—Special Liability Expense Fund; Special Reserve Fund; Uses of Money; Transfer of Funds; Risk Management Reserve Fund. John L. Vratil, Counsel, Unified School District No. 229, Overland Park, March 2, 2005.

The Kansas Supreme Court has long held that Section 5 of Article 11 of the Kansas Constitution precludes the use of moneys raised through a property tax levy for any purpose other than that for which the moneys were raised. Therefore, the Kansas Constitution prohibits a unified school district from transferring that portion of moneys raised through a property tax levy for the purpose of funding the school district's special liability expense fund to any other fund and used for different purposes. Any moneys raised through sources other than a property tax levy and deposited into a school district's special liability expense fund that is legislatively established under K.S.A. 2004 Supp. 72-8248, rather than established in accordance with K.S.A. 2004 Supp. 75-6110, may not be transferred into the school district's special reserve fund and used to pay costs that are not otherwise recognized in subsections (a)(1) and (a)(2) of K.S.A. 2004 Supp. 72-8248. Cited herein: K.S.A. 2004 Supp. 12-2615; 72-8248; 72-8249; 75-6110; Kan. Const., Art. 11, § 5; L. 2003, ch. 116, §§ 1, 2, 4, 17. RDS

Board of Healing Arts

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, May 24, at the office of the Kansas State Board of Healing Arts, 235 S. Topeka Blvd., Topeka, to consider one proposed amended rule and regulation, K.A.R. 100-28a-14, and two proposed new rules and regulations, K.A.R. 100-28a-17 and 100-28a-18, dealing with the physician assistant profession. In addition, the board will consider one proposed amended regulation, K.A.R. 100-72-6, dealing with the profession of naturopathy.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the above-referenced rules and regulations. All interested parties may submit comments prior to the hearing to the Board of Healing Arts at the address above. Further, all interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the adoption of these regulations during the hearing. In order to give all persons an opportunity to present their views, it may be necessary to request each participant to limit any oral presentations to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulations being considered and the economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Tammy Farr at (785) 296-8558. Handicapped parking is located at the west end of the Hutton Building, and the northwest entrance to the building is accessible.

The rules and regulations to be considered at the hearing and the respective economic impact are as follows:

K.A.R. 100-28a-14. Different practice location. This regulation defines what constitutes a different practice location and states under what conditions a physician assistant may perform acts that constitute the practice of medicine and surgery at a different practice location. This regulation is being amended to state that the responsible physician shall be a physician licensed in the state of Kansas.

K.A.R. 100-28a-17. Limitation on number of physician assistants supervised. This new rule and regulation specifies that a physician shall not provide direction and supervision to more than two physician assistants without the board's prior approval. The regulation further states what information will be provided to the board by the responsible physician in order to request the board's approval to supervise more than two physician assistants.

K.A.R. 100-28a-18. Physician assistant; ownership of corporation or company. This regulation indicates that a licensed PA shall not hold more than 49 percent of the total number of shares issued, nor 49 percent of the total amount of capital in a professional corporation that is organized to render professional services of a physician, surgeon or doctor of medicine, or osteopathic physician or surgeon.

K.A.R. 100-72-6. Professional liability insurance. This regulation establishes the minimum professional liability insurance coverage that a naturopath must obtain before rendering professional services in this state and further establishes the limit amounts of the insurer's liability per claim.

These regulations are not mandated by any federal law.

Economic Impact

Physician Assistant Rules and Regulations—Neither the Board of Healing Arts nor other persons or entities will bear any costs or be affected by these proposed rules and regulations.

Naturopath Rule and Regulation—To become registered as a naturopath in the state of Kansas, each naturopath will incur costs to purchase liability insurance prior to registration and again prior to annual renewal. The cost of coverage is not known.

There is no foreseen cost to either the board or the public to implement any of these four regulations.

Copies of the regulations to be considered at the public hearing and the associated economic impact statement may be obtained from the Kansas State Board of Healing Arts, 235 S. Topeka Blvd., Topeka, 66603, by visiting the board's Web site at www.ksbha.org/pubinfo.html or by calling (785) 296-3680.

State of Kansas

Governmental Ethics Commission

Opinion No. 2005-03

Written March 16, 2005, to Tim R. Norton, Sedgwick County Commissioner, Wichita.

This opinion is in response to your letter received on February 14, 2005, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the Campaign Finance Act (K.S.A. 25-4142 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your questions is limited to the application of K.S.A. 25-4142 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement:

We understand that you are asking for this opinion in your capacity as a Sedgwick County Commissioner. You have explained that for several years you have funded a scholarship program to give \$1,000 grants to deserving high school seniors in the district from which you are elected. You have provided over twenty scholarships to date. The money for these scholarships has come from fundraising from community events, speaking honorariums and personal funding. You would like to use your campaign funds to help pay for these scholarships.

Question:

Is it permissible, under the Campaign Finance Act, for you to use campaign funds to provide scholarships to high school seniors in your county commission district?

Are the funds required to be paid through a charitable organization for dispersal, such as the Wichita Community Foundation? Are you required to complete any paperwork to authorize or audit this scholarship program? Finally, can your campaign funds be used to create an endowment for funding scholarships in the future?

K.S.A. 25-4157a, which addresses the use of campaign contributions, states in pertinent part:

(a) No moneys received by any candidate or candidate committee of any candidate as a contribution under this act shall be used or be made available for the personal use of the candidate, and no such moneys shall be used by such candidate or the candidate committee of such candidate except for:

(4) any membership dues or donations paid to a community service or civic organization in the name of the candidate or candidate committee of any candidate;

(d) At the time of the termination of any campaign and prior to the filing of a termination report in accordance with K.S.A. 25-4157, and amendments thereto, all residual funds otherwise not obligated for the payment of expenses incurred in such campaign or the holding of office shall be contributed to a charitable organization, as defined by the laws of the state, contributed to a party committee or returned as a refund in whole or in part to any contributor or contributors from whom received or paid into the general fund of the state.

In response to your first question, while the scholarships you describe may be a worthy effort, K.S.A. 25-4157a does not allow you to make direct contributions to scholarship recipients. K.S.A. 25-4157a(a)(4) permits contributions to a community service or civic organization.

Your other questions concern the structure for distributing the scholarship money. K.S.A. 25-4157a(a)(4) does not specify the type of community service or civic organization for which campaign funds may be used. Therefore, you may use your campaign funds for scholarships to high school seniors in your county commission district by making contributions to a community service or civic organization as long as you are not terminating your campaign. There are no additional requirements in the Campaign Finance Act for authorizing or auditing a scholarship program other than the reporting requirements that apply to all campaigns.

It should be noted that K.S.A. 25-4157a(d), which addresses the use of residual campaign funds upon the termination of a campaign, contains a limitation that contributions to charity be made to "a charitable organization, as defined by the laws of the state." This limitation only applies when a campaign is terminated. If you terminate your campaign, your use of any residual campaign funds for scholarship purposes would be restricted to contributing those funds to a charitable organization as defined by State law.

The proposed permit includes limits for biochemical oxygen demand, total suspended solids, oil and grease, fecal coliform, ammonia, total nitrogen and pH. Monitoring of nitrate, nitrite, total Kjeldahl nitrogen, total phosphorus, chloride and effluent flow also will be required. The permittee shall be required to submit a land application report annually and to perform a chronic whole effluent toxicity test once prior to October 31, 2005. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Notice of Hearing on Proposed Administrative Regulations

The Kansas Department of Health and Environment, Division of Environment, Bureau of Water, will conduct a public hearing at 7:30 p.m. Tuesday, June 14, at the office of the Equus Beds Groundwater Management District #2, 313 Spruce, Halstead, to consider the adoption of the following proposed new Groundwater Management District #2 regulations, which will be incorporated into KDHE's Article 30—Water Well Constructor's License; Water Well Construction and Abandonment. The regulations being considered are K.A.R. 28-30-200 through 28-30-207.

K.S.A. 82a-1208 enacted in 2002 authorizes the ground-water management districts (GMD) to recommend regulations to the appropriate state agency, including KDHE, for adoption as that agency's regulations. Such regulations apply only within the boundaries of the GMD recommending the regulations.

A summary of the proposed regulations, their environmental benefit and the estimated economic impact follows:

The proposed regulations set requirements for the plugging of abandoned water wells and boreholes, establish requirements for inactive water wells, require disinfection of abandoned water wells and boreholes, and also address procedures for appeals, variances and extensions of time.

No additional costs for compliance are associated with the proposed regulations. The proposed regulations convert Abandoned Well 9007.3 and Inactive Well 9007.4 standards and policies of GMD #2 to state regulations as required by K.S.A. 82a-1903(c) in order for the groundwater management district to continue implementation of these standards and policies. The landowner or water well owner will continue to bear the cost of compliance. The Kansas Department of Health and Environment will

accrue enforcement costs if the regulations are not adopted for GMD #2. The proposed regulations are needed to efficiently continue protection of public health, safety and the environment. The proposed regulations for inactive water wells, abandoned water wells, plugging of water wells and protection of the aquifer are necessary to be protective. An abandoned water well is a groundwater contamination threat and a public health and safety hazard. The proposed regulations will significantly reduce health, safety and contamination threats or problems caused by unplugged or improperly abandoned water wells within the boundary of the GMD #2. The proposed regulations also will significantly reduce health, safety and groundwater contamination threats associated with inactive wells.

The period between publication of this notice serves as the required public comment period of at least 60 days for the purpose of receiving written public comments on the proposed new regulations. All interested parties may submit written comments during the public comment period to Richard Harper, Geology Section, Bureau of Water, Kansas Department of Health and Environment, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367, or by e-mail at rharper@kdhe.state.ks.us. All interested parties intend-

ing to provide oral comments will be given a reasonable opportunity at the hearing to present their views of the proposed new regulations. In order to give each individual or entity an opportunity to present their view, it may be necessary for the hearing officer to request that each presenter limit their presentation to an appropriate time frame.

Complete copies of the proposed regulations and the corresponding regulatory impact statement may be obtained on the Bureau of Water's Web site at www.kdhe. state.ks.us or by contacting the Bureau of Water at the address above, (785) 296-3565.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and regulatory impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Richard Harper at (785) 296-3565 or fax at (785) 296-0086.
