Kansas Water Authority

Notice of Hearings

Revisions to the five western Kansas river basins sections of the Kansas Water Plan will be considered at public hearings to be held in conjunction with the Basin Advisory Committee meetings. The revisions include:

- 1. A procedural change to allow greater flexibility in providing updated priority area maps used to define aquifer subunits for management priorities and goals. The subunits are a vital component of High Plains aquifer management plans developed by the groundwater management districts and the Kansas Department of Agriculture's Division of Water Resources. Informational maps on water table decline and saturated thickness maps will replace the priority ranking map. Aquifer management maps will be included in the basins' current activities reports on the Kansas Water Office Web site, www.kwo.org (all five western river basins).
- 2. Updates to the Upper Arkansas River Quality and Streamflow priority issue of the Upper Arkansas Basin Section of the Kansas Water Plan (Upper Arkansas River Basin). This includes a new EPA-approved standard for sulfate. It also notes the river channel capacity study that indicates channel capacity is affected by invasion of vegetation, particularly salt cedar (tamarisk), and there is concern on the impact of proposed expanded storage in Colorado's Pueblo and Turquoise Reservoirs on Arkansas River water quality received by Kansas.

The public hearings are scheduled as follows:

Tuesday, July 26

8:30 a.m.—King Center, Jetmore

(Upper Arkansas Basin Advisory

Committee)

Such functions may be exercised by the state finance council only when the legislature is not in session and subject to the guidelines prescribed in subsection (c) of K.S.A. 75-3711c, and amendments thereto.
- Sec. 4. On September 1, 2005, K.S.A. 2004 Supp. 79-32,117, as amended by section 21 of 2005 House Bill No. 2537, is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted

gross income for the taxable year, with the modifications specified in this section.

- (b) There shall be added to federal adjusted gross income:
- (i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.
- (ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.
 - (iii) The federal net operating loss deduction.
- (iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.
- (v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.
- (vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments to such sections.
- (vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.
- (viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 2004 Supp. 79-32,204 and amendments thereto.
- (ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203 and amendments thereto.
- (x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2004 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xv) of subsection (c) of K.S.A. 79-

- 32,117, and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.
- (xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2004 Supp. 74-50,154, and amendments thereto.
- (xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of section 4 of 2005 House Bill No. 2222, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xiii) of subsection (c), or if such amounts are not already included in the federal adjusted gross income.
 - (c) There shall be subtracted from federal adjusted gross income:
- (i) Interest or dividend income on obligations or securities of any authority, commission or instrumentality of the United States and its possessions less any related expenses directly incurred in the purchase of such obligations or securities, to the extent included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.
- (ii) Any amounts received which are included in federal adjusted gross income but which are specifically exempt from Kansas income taxation under the laws of the state of Kansas.
- (iii) The portion of any gain or loss from the sale or other disposition of property having a higher adjusted basis for Kansas income tax purposes than for federal income tax purposes on the date such property was sold or disposed of in a transaction in which gain or loss was recognized for purposes of federal income tax that does not exceed such difference in basis, but if a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to that portion of such gain which is included in federal adjusted gross income.
- (iv) The amount necessary to prevent the taxation under this act of any annuity or other amount of income or gain which was properly included in income or gain and was taxed under the laws of this state for a taxable year prior to the effective date of this act, as amended, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain.
- (v) The amount of any refund or credit for overpayment of taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state, or any taxing jurisdiction, to the extent included in gross income for federal income tax purposes.

- (x) For taxable years beginning after December 31, 1976, the amount of the federal tentative jobs tax credit disallowance under the provisions of 26 U.S.C. 280 C. For taxable years ending after December 31, 1978, the amount of the targeted jobs tax credit and work incentive credit disallowances under 26 U.S.C. 280 C.
