State Historical Society

Notice of Hearing on Proposed Administrative Regulations

The Kansas State Historical Society will conduct a public hearing at 10 a.m. Wednesday, October 12, in the executive conference room at the Center for Historical Research, Kansas State Historical Society, 6425 S.W. 6th Ave., Topeka, following a 60-day public comment period for the purpose of receiving written public comments on amendments to permanent regulation **K.A.R.** 118-5-10.

The amendments would increase the processing fees charged for projects taking advantage of the state rehabilitation tax credit program. The program provides an income tax credit equal to 25 percent of qualified rehabilitation expenses on qualified historic structures.

Economic Impact Statement: K.A.R. 118-5-1 through 118-5-10 interpret K.S.A. 2004 Supp. 79-32,211. The statute establishes a state income tax credit equal to 25 percent of qualifying rehabilitation expenses on qualifying historic structures. The regulations establish processes for certifying structures as qualified historic structures and certifying projects as qualified rehabilitation plans. K.A.R. 118-5-10 establishes a fee schedule based upon qualified rehabilitation expenses. The increased fees in the proposed amendment to this regulation would equal approximately 1 percent of qualified expenditures on qualified rehabilitations.

In accordance with K.A.R. 118-5-10, KSHS annually collects approximately \$25,000 in fees for the tax credit rehabilitation program. These fees are used to pay the salary of a part-time temporary office assistant and other associated operating expenses. The salary of the full-time program coordinator/reviewer is paid with other appropriated funds. KSHS wishes to move this program towards self-sufficiency. KSHS projects that the proposed fee increases will provide an additional \$30,000 of revenue each year (\$15,000 in reviewer fees and \$15,000 in transfer fees). These funds will be used to pay salary expenses for an additional full-time project reviewer.

Persons interested in obtaining a complete copy of the regulation and the economic impact statement may contact the State Rehabilitation Tax Credit Program, Cultural Resources Division, Kansas State Historical Society, 6425 S.W. 6th Ave., Topeka, 66615-1099, (785) 272-8681, ext. 240.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the Cultural Resources Division.
