Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, October 25, in the State Conservation Commission's conference room, 109 S.W. 9th, Suite 500, Topeka, to consider the revocation of proposed permanent regulations of the State Conservation Commission Irrigation Transition Assistance Program (ITAP).

This 60-day notice constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations. Comments may be sent to the State Conservation Commission, 109 S.W. 9th, Suite 500, Topeka, 66612-1299, prior to the hearing date. All interested parties will be given an opportunity to express their views during the hearing. The State Conservation Commission will consider all written and oral comments submitted by interested parties as a basis for approving, amending and approving or rejecting a proposed regulation.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Scott Carlson at (785) 296-6803.

The regulations for revocation address the expenditure and accountability of State Water Plan special revenue funds and, if available, federal funds. The regulations address the administration of a grant program targeted to retire irrigation water rights. The Irrigation Transition Assistance Program (ITAP) is a result of 2004 Kansas legislative action that directed the commission to develop Kansas administrative regulations under the authority of K.S.A. 2-1915 and 2-1919 to receive and disburse irrigation assistance grant funds providing an incentive for water right holders to transition from irrigated to dry land production or permanent vegetation. Grantees would have their contracted water rights permanently dismissed. The goal of the program is to provide another tool in meeting the water management goals of the state and local units of government in restoring stream flows and reducing aquifer decline in priority areas. Funding for the ITAP could either be federal, state or local.

A summary of the regulations considered for revocation and the economic impact follows:

K.A.R. 11-11-1 through 11-11-7. Irrigation Transition Assistance Program. These proposed regulations address the eligibility requirements and contracting procedures

between the State Conservation Commission and applicants. There are no economic impacts on other governmental agencies or the public as this program was never implemented due to no appropriations.

A copy of the full text of the regulations and economic impact statements may be obtained by contacting the State Conservation Commission office at (785) 296-3600 or scarlson@scc.state.ks.us.

In order to be considered in formulating a final permit decision, written comments must be received before the close of business September 12.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Christy Thurman, Bureau of Air and Radiation, not later than the close of

business September 12 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Jon Knodel, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7622, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

The Kansas Department of Health and Environment To-bacco Use Prevention Program announces that a total of \$1,000,000 is available to communities for the implementation of comprehensive community-based tobacco control programs. Communities will be selected through a competitive application process for funding beginning approximately October 1, 2005 and ending June 30, 2006. 111-5-24. Game description; retail sale of tickets. (a) "Powerball" is a five out of 55 plus one out of 42 online lottery game which pays the grand prize, at the election of the player made in accordance with the rules or by a default election made in accordance with these rules

at the time of play purchase, either on an annuitized parimutuel basis, or as a cash lump sum payment of the total cash held for this prize on a parimutuel basis. Except as provided in these rules, all other prizes are paid on a set cash basis. To play "Powerball" a player shall select five different numbers from one to 55 and one additional number from one to 42 for input into a terminal. The additional number may be the same as one of the first five numbers selected by the player.

- (b) A "Powerball" game ticket shall sell for one dollar.
- (c) Tickets shall not be sold to any person under the age of 18 years. Each retailer may require a person purchasing tickets to produce proof of age.
- (d) Each ticket shall be purchased from a terminal operated by a retailer. The player may select a set of five numbers and one additional number by:
 - (1) communicating the six numbers to the retailer;
- (2) marking six numbered squares in any one game board on a play slip and submitting the play slip to the retailer; or
- (3) requesting a "computer pick" or "quick pick" from the retailer. If available at the time, a player may choose the multiplier option by marking the appropriate box on the play slip or by communicating to the retailer the desire to play the multiplier option. If the multiplier option is chosen, it shall apply to all boards played on that play slip. For each play upon which the multiplier option is chosen, the player shall pay one additional dollar. The retailer shall then issue a ticket from the terminal containing the selected set or sets of numbers, each of which constitutes a game play, and if applicable, whether or not the multiplier option has been chosen for all plays on that play slip.
- (e) A validated ticket shall be the only proof of a game play or plays. The only method of claiming a prize or prizes shall be the submission of the winning ticket to and receipt of the ticket by the lottery or its authorized agent. A play slip shall have no pecuniary or prize value and shall not be used as evidence of a ticket purchase or of numbers selected.
- (f) A ticket shall not be voided or cancelled by returning the ticket to the selling retailer, including tickets that are printed in error.
- (g) Ticket sales will end at approximately 8:59 p.m. central time on Wednesdays and Saturdays and will resume at approximately 9:05 p.m.
- (h) Drawings will be conducted twice weekly, on Wednesdays and Saturdays at approximately 9:58 p.m. central time (CT), after the game is closed at approximately 8:59 p.m. central time (CT) and the external auditor has verified that the game is closed, under conditions and procedures promulgated by the executive director of the lottery.
- (i) Each player shall be responsible for verifying the accuracy of the game play or plays and other data printed on the ticket. The placing of plays is done at the player's own risk through the on-line retailer who is deemed to be acting on behalf of the player in entering the play or plays.
- (j) These amendments shall take effect August 28, 2005. (Authorized by K.S.A. 74-8710; implementing K.S.A. 74-8710 and 74-8718; effective, T-111-3-5-92, Feb. 21, 1992;

amended, T-111-3-24-92, March 20, 1992; amended, T-111-5-21-92, May 15, 1992; amended, T-111-10-27-97, Sept. 12, 1997; amended, T-111-1-21-99, Jan. 15, 1999; amended, T-111-3-14-01, Feb. 16, 2001; amended, T-111-10-15-02, Sept. 13, 2002; amended, T-111-7-29-05, July 15, 2005.)

111-5-25. Prize pool; reserve account. (a) The prize pool for all prize categories shall consist of up to 49.3% of each drawing period's sales, including tax, after the prize reserve accounts are funded to the amounts set by the product group. Any amount remaining in the prize pool at the end of this game shall be carried forward to a replacement game or expended in a manner as directed by the product group.

(b) Two percent of sales shall be placed in trust in one or more prize reserve accounts until the prize reserve accounts reach the amount designated by the MUSL board. When the prize reserve accounts exceed the designated amount, the excess shall become part of the prize pool. Any amount remaining in prize reserve accounts at the end of this game shall be carried forward to a replacement prize reserve account or expended in a manner as directed by the product group in accordance with state law.

(c) These amendments shall take effect August 28, 2005. (Authorized by K.S.A. 74-8710; implementing K.S.A. 74-8710 and K.S.A. 74-8731; effective, T-111-3-5-92, Feb. 21, 1992; amended, T-111-3-24-92, March 20, 1992; amended, T-111-6-27-96, June 21, 1996; amended, T-111-10-27-97, Sept. 12, 1997; amended, T-111-7-29-05, July 15, 2005.)

111-5-26. Expected prize payout pari-mutuel prizes. (a) The grand prize shall be determined on a pari-mutuel basis. Except as provided in these rules, all other prizes awarded shall be paid as set cash prizes with the following expected approximate prize payout percentages:

		Prize Pool
Number of	Prize	Percentage
Matches Per Play	Payment	Allocated to Prize
All five (5) of first set plus one (1) of second set	Grand Prize	60.5771%
All five (5) of first set and none of second set	\$200,000	11.2246%
Any four (4) of first set plus one (1) of second set	\$10,000	3.4221%
Any four (4) of first set and none of second set	\$100	1.4031%
Any three (3) of first set plus one (1) of second set	\$100	1.6768%
Any three (3) of first set and none of second set	\$7	4.8125%
Any two (2) of first set plus one (1) of second set	\$7	1.8781%
Any one (1) of first set and one (1) of second set	\$4	6.3049%
None of first set plus one (1) of second set	\$3	8.7008%

(b) The prize money allocated to the grand prize category shall be divided equally by the number of game boards winning the grand prize.

(c) The prize pool percentage allocated to the set prizes (the cash prizes of \$200,000 or less) shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw. If the total of the set prizes awarded in a drawing exceeds

the percentage of the prize pool allocated to the set prizes, then the amount needed to fund the set prizes awarded shall be drawn from the following sources, in the following order: (1) the amount allocated to the set prizes and carried forward from previous draws, if any; (2) an amount from the prize reserve account, if available, not to exceed twenty-five million dollars (\$25,000,000) per drawing. If, after these sources are depleted, there are not sufficient funds to pay the set prizes awarded, then the highest set prize shall become a pari-mutuel prize. If the amount of the highest set prize, when paid on a parimutuel basis, drops to or below the next highest set prize and there are still not sufficient funds to pay the remaining set prizes awarded, then the next highest set prize shall become a pari-mutuel prize. This procedure shall continue down through all set prize levels, if necessary, until all set prize levels become pari-mutuel prize levels. In that instance the money available from the funding sources listed in this rule shall be divided among the winning plays in proportion to their respective prize percentages.

- (d) For each drawing when the grand prize annuity is projected to reach a new record level, increases in the amount of the grand prize shall be limited to no more than \$25,000,000. All money allocated to the grand prize pool not necessary to fund said maximum \$25,000,000 increase shall instead be allocated to the match five of 55 prize level prize pool. At such time as one or more boards entitle the holder(s) to win the grand prize, all boards selected in the same drawing that entitle the holder(s) to win a match five of 55 prize shall win \$200,000, plus a pari-mutuel share of all accumulated additional money allocated hereinabove to the match five of 55 prize level. This additional prize shall be known as the match 5 bonus.
- (e) If the match 5 bonus has been funded, the prize pool percentage allocated to the grand prize will be less than stated above, and the prize pool percentage allocated to the match five of 55 prize will be greater than stated above.
- (f) If in the drawing wherein the match 5 bonus has been funded and one or more boards did not match five of 55 numbers, then the match 5 bonus prize pool shall be divided on a pari-mutuel basis between all boards matching the numbers for the four of 55 plus one of 42 prize level.
- (g) These amendments shall take effect August 28, 2005. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-3-5-92, Feb. 21, 1992; amended, T-111-10-27-97, Sept. 12, 1997; amended, T-111-10-15-02, Sept. 13, 2002; amended, T-111-7-29-05, July 15, 2005.)
- **111-5-27. Probability of winning.** (a) The following table sets forth the probability of winning and the probable distribution of winners in and among each prize category based upon the total number of possible combinations in Powerball:

Number of	Probal	oility	Probable/Set	
Matches Per Ticket	Winne	rs	Probability	Prize Amount
All five (5) of first set plus one (1) of second set	1	1:	146,107,962.0000	Grand Prize
All five (5) of first set	41	1:	3,563,608.8293	\$200,000

Any four (4) of first set plus one (1) of second set	250	1:	584,431.8480	\$ 10,000
Any four (4) of first set and none of second set	10,250	1:	14,254.4353	\$ 100
Any three (3) of first set plus one (1) of second set	12,250	1:	11,927.1806	\$ 100
Any three (3) of first set and none of second set	502,250	1:	290.9068	\$ 7
Any two (2) of first set plus one (1) of second set	196,000	1:	745.4488	\$ 7
Any one (1) of first set plus one (1) of second set	1,151,500	1:	126.8849	\$ 4
None of first set plus one (1) of second set	2,118,760	1:	68.9592	\$ 3
Overall	3,991,302	1:	36.6066	

(b) The following table sets forth the probability of each multiplier number being drawn in those games where the multiplier option is available for play:

Multiplier Option	Probability of Selection
2	1:4
3	1:4
4	1:4
5	1:4

If the multiplier option is played, the prize won on that play, except for the grand prize and match 5 bonus prize, shall be multiplied by the multiplier option number selected for that game.

(c) These amendments shall take effect August 28, 2005. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-3-5-92, Feb. 21, 1992; amended, T-111-3-24-92, March 20, 1992; amended, T-111-10-27-97, Sept. 12, 1997; amended, T-111-3-14-01, Feb. 16, 2001; amended, T-111-10-15-02, Sept. 13, 2002; amended, T-111-7-29-05, July 15, 2005.)

111-5-28. Prize payments; annuitized and cash prizes. (a) Grand prizes shall be paid, at the election of the player made no later than 60 days after the player becomes entitled to a prize with either a per winner annuity or cash payment. If the payment election is not made at the time of purchase and is not made by the player within 60 days after the player becomes entitled to the prize, then the prize shall be paid as an annuity prize. An election for an annuity payment made by a player before ticket purchase or by system default or design may be changed to a cash payment at the election of the player until the expiration of 60 days after the player becomes entitled to the prize. The election to take the cash payment may be made at the time of the prize claim or within 60 days after the player becomes entitled to the prize. An election made after the winner becomes entitled to the prize is final and cannot be revoked, withdrawn or otherwise changed. Shares of the grand prize shall be determined by dividing the cash available in the grand prize pool equally among all winners of the grand prize. Winner(s) who elected a cash payment shall be paid their share(s) in a single cash payment. The annuitized option prize shall be determined by multiplying a winner's share of the grand prize pool by the MUSL annuity factor. The MUSL annuity factor is determined by the best total securities price obtained through a competitive bid of qualified, pre-approved brokers made after it is determined that the prize is to be paid as an annuity prize or after the expiration of 60 days after the winner becomes entitled to the prize. Neither MUSL nor the party lotteries shall

be responsible or liable for changes in the advertised or estimated annuity prize amount and the actual amount purchased after the prize payment method is actually known to MUSL. In certain instances announced by the product group, the grand prize shall be a guaranteed amount and shall be determined pursuant to subsection (f) of K.A.R. 111-5-28. If individual shares of the cash held to fund an annuity are less than \$250,000, the product group, in its sole discretion, may elect to pay the winners their share of the cash held in the grand prize pool of the annuity. All annuitized prizes shall be paid annually in 30 equal payments with the initial payment being made in cash, to be followed by 29 payments funded by the annuity. All annuitized prizes shall be paid annually in thirty (30) graduated payments (increasing each year) by a rate as determined by the product group. Prize payments may be rounded down to the nearest one-thousand dollars (\$1,000). Annual payments after the initial payment shall be made by the lottery on the anniversary date, or if such date falls on a non-business day, then on the first business day following the anniversary date of the selection of the jackpot winning numbers. Funds for the initial payment of an annuitized prize shall be made available by MUSL for payment by a party lottery by the fifteenth calendar day following the drawing or the next banking day if the fifteenth day is a holiday. A state may elect to make the initial payment from its own funds after validation, with notice to MUSL.

(b) In the event of the death of a lottery winner during the annuity payment period, the product group, in its sole discretion, upon the petition of the estate of the lottery winner to the Kansas lottery, may accelerate the payment of all of the remaining lottery proceeds to the estate. If the product group makes such a determination, then securities and/or cash held to fund the deceased lottery winner's annuitized prize, may be distributed to the estate. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the product group.

(c) All low tier cash prizes, which are all prizes except the grand prize, shall be paid in cash through the party lottery which sold the winning ticket(s). A party lottery may begin paying low-tier cash prizes after receiving authorization to pay from the MUSL central office.

(d) Annuitized payments of the grand prize or a share of the grand prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized grand prize win shall be added to the first cash payment to the winner or winners. Prizes other than the grand prize, which, under these rules, may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

(e) If the grand prize is not won in a drawing, the prize money allocated for the grand prize shall roll over and be added to the grand prize pool for the following drawing.

- (f) The product group may offer guaranteed minimum grand prize amounts or minimum increases in the grand prize amount between drawings or make other changes in the allocation of prize money where the product group finds that it would be in the best interest of the game. If a minimum grand prize amount or a minimum increase in the grand prize amount between drawings is offered by the product group, then the grand prize shares shall be determined as follows. If there are multiple grand prize winners during a single drawing, each selecting the annuitized option prize, then a winner's share of the guaranteed annuitized grand prize shall be determined by dividing the guaranteed annuitized grand prize by the number of winners. If there are multiple grand prize winners during a single drawing and at least one of the grand prize winners has elected the annuitized option prize, then the best bid submitted by MUSL's pre-approved qualified brokers shall determine the cash pool needed to fund the guaranteed annuitized grand prize. If no winner of the grand prize during a single drawing has elected the annuitized option prize, then the amount of cash in the grand prize pool shall be an amount equal to the guaranteed annuitized amount divided by the average annuity factor of the most recent three best quotes provided by MUSL's pre-approved qualified brokers submitting quotes. In no case, shall quotes be used which are more than two weeks old and if less than three quotes are submitted, then MUSL shall use the average of all quotes submitted. Changes in the allocation of prize money shall be designed to retain approximately the same prize allocation percentages, over a year's time, set out in these rules. Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in K.A.R. 111-5-26 becomes necessary.
- (g) The holder of a winning ticket may win only one prize per board in connection with the winning numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category.

(h) All prizes must be claimed within 365 days of the day of the drawing in which the prize was won.

(i) These amendments shall take effect August 28, 2005. (Authorized by K.S.A. 74-8710; implementing K.S.A. 74-8710 and K.S.A. 74-8731; effective, T-111-3-5-92, Feb. 21, 1992; amended, T-111-3-24-92, March 20, 1992; amended, T-111-2-23-93, Feb. 19, 1993; amended, T-111-6-27-96, June 21, 1996; amended, T-111-10-97; Sept. 12, 1997; amended, T-111-1-21-99, Jan. 15, 1999; amended, T-111-8-20-02, Aug. 14, 2002; amended, T-111-10-15-02, Sept. 13, 2002; amended, T-111-7-29-05, July 15, 2005.)
