Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, November 17, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the respective borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond of acquiring the project or for the purpose of refunding a bond previously issued to finance the project. The project shall be located as shown:

Project No. 000645—Maximum Principal Amount: \$52,000. Owner/Operator: Craig Schurle. Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is located at the East Half of the Southeast Quarter of Section 21, Township 7, Range 4, Clay County, Kansas, approximately .5 mile south of Green on 859 and 1 mile east on 21st Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Any individual affected by the above-described project may, at or prior to the hearing, file a written request with the KDFA that a local hearing be held on the proposal to issue a bond to finance said project. A local hearing, if requested, would be conducted in the county where the project in question is located.

Attorney General Request for Proposals

The Attorney General's Office hereby provides notice of the availability of funds under the Young Kansans — Safe Kids grant program and seeks grant proposals from interested groups and organizations. The Young Kansans — Safe Kids grant program was created during the 2005 Kansas Special Legislative Session to encourage and aid in the funding of programs designed to provide Internet safety education and training for school-age children throughout the state of Kansas. The Attorney General's Office has accepted the responsibility for managing \$250,000 of state funds allocated for the Young Kansans — Safe Kids program. The funding available through the Young Kansans — Safe Kids program is intended to provide start-up/expansion grants to aid in providing online safety training to more children across the state by creating and expanding programs that will give Kansas kids the knowledge and skills they need to have fun, learn, and be safe when they are online.

Pursuant to the language of 2005 Special Session Senate Bill 4, the funding available through the Young Kansans — Safe Kids grant program only may be awarded on the basis of a 1/1 match of non-state to state moneys. All grant applicants wishing to be considered to receive monetary awards from the Young Kansans — Safe Kids program will be required to provide documentation confirming the existence of non-state funds to be utilized by the applicant sufficient to match on a 1/1 basis the amount of the award made by the Attorney General to the applicant from the Young Kansans — Safe Kids grant program prior to the transfer of any funds from the program to the applicant.

Applying for Young Kansans — Safe Kids Grant Funds: Applications for grant funding under the Young Kan-

sans — Safe Kids program must be received by the Attorney General's Office not later than November 11.

Applicants must complete the "Young Kansans — Safe Kids Grant Application Form" providing all contact information regarding the organization seeking to obtain grant funds, financial information for the organization and a summary of the methodology to be employed by the organization to provide on-line safety training to Kansas school-age children. Applicants also must provide samples of the curriculum/materials proposed to be utilized by the organization to educate Kansas children and provide assurances that sufficient quantities of any such materials will be available to distribute to the number of children proposed to be served under the grant application.

Following receipt of grant applications, staff members from the Attorney General's Office may contact applicants for further information regarding the applicants' organization, ability to comply with requirements for participation in the grant program, proposed non-state funding sources, curriculum materials or other information necessary to the grant application/review process. Decisions on grant awards will be made by December 1, and applicants chosen to receive awards from the available funds will be contacted by the Attorney General's Office to complete the grant award process.

Organizations interested in applying for funding under the Young Kansans — Safe Kids grant program may contact the Attorney General's Office for copies of the grant application forms or further information at: Office of Kansas Attorney General Phill Kline, 2nd Floor, Memorial Hall, 120 S.W. 10th Ave., Topeka, 66612-1597, (785) 296-2215. Application forms also may be obtained via the Attorney General's Web site at www.ksag.org.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid.

The required form of affidavit will be provided by the state to each prospective bidder.
