#### **Notice to Private Activity Bond Applicants**

Applications for allocation of 2006 Private Activity Bond (PAB) authority are now being accepted for qualified uses, as defined by the Internal Revenue Code of 1986, and amendments thereto.

The state of Kansas is projected to receive \$246,610,000 of federal authority for the issuance of PABs in calendar year 2006. Historically, the primary uses of this federal authority have included "qualified small issue bonds" used for construction and equipping of manufacturing facilities and beginning farmer programs; "exempt facility bonds" used by for-profit entities providing a public benefit, i.e., certain waste treatment facilities, qualified residential rental facilities, etc.; and "qualified mortgage bonds" issued to benefit first-time homebuyers. Allocations awarded by the Secretary of Commerce are subject to the provisions of K.S.A. 74-5060 et seq. and the limitations of the state volume cap.

Fees associated with PAB application and issuance are as follows:

- (1) Application fee—A nonrefundable fee must accompany the application before the request can be processed. The application fee is determined as follows:
  - \$250 for allocation requests up to \$5,000,000
  - \$500 for allocation requests from \$5,000,001 to \$10,000,000

- \$1,000 for allocation requests from \$10,000,001 and above
- (2) Issuance fee—an issuance fee for allocation amounts utilized, other than "qualified mortgage bonds" issued, shall be due and payable to the Kansas Department of Commerce at bond closing. Issuance fees shall be determined as follows:

Allocation Used Fee

To \$2,000,000 5 basis points (.05%) \$2,000,001 and above 10 basis points (.10%)

"Qualified mortgage bond" programs will be assessed a fee, upon issuance of each mortgage loan assisted through the program, equal to .5% of the PAB allocation used.

Issuance fees shall be remitted within 30 days of bond closing. Checks for both the application and issuance fees for nonhousing issues should be made payable to the Kansas Department of Commerce Bond Fee Fund. Checks for the issuance fees for housing activities should be made payable to the State Housing Trust Fund.

For more information or to obtain application materials, contact Cary Catchpole or Steve Kelly, Kansas Department of Commerce, 1000 S.W. Jackson, Suite 100, Topeka, 66612-1354, (785) 296-5298 or TTY (785) 296-3487.

### Department of Health and Environment

#### **Request for Comments**

The Kansas Department of Health and Environment is soliciting comments regarding a proposed reopening of an air quality-operating permit. A Class I Air Operating Permit was issued for the operation of a solid waste landfill located at 213 N.E. Belleview, Columbus. Wheatland Landfill owns and operates the landfill. The effective date of the permit was April 21, 2004. KDHE intends to reopen the permit for the purpose of removing inapplicable NSPS requirements. K.A.R. 28-19-513(e)(2) states that only those parts of the permit for which cause to reopen exists shall be affected by the reopening.

A copy of the proposed permit as modified, all supporting documentation and all information relied upon during the reopening process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, and at the KDHE Southeast District Office, 1500 W. 7th, Chanute. To obtain or review the proposed reopening and supporting documentation, contact Jennifer Burgdorfer, (785) 296-1581, at the KDHE central office, or Doug Cole, (620) 431-2390, at the KDHE Southeast District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the documents to Jennifer Burgdorfer, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final decision, written comments must be received before the close of business February 6.

A person may request a public hearing be held on the proposed action. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Christy Thurman, KDHE, Bureau of Air and Radiation, not later than the close of business February 6 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed reopening of the Class I operating permit. If the EPA has not objected in writing to the reopening

within the 45-day review period, any person may petition the administrator of the EPA to review the action. The 60-day public petition period will directly follow the EPA's 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on the objections to the action that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period or unless the grounds for such objection arose after such period. Contact Jon Knodel, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7622, to determine when the 45-day EPA review period ends and the 60-day petition period commences.
