Kansas Development Finance Authority

Notice of Hearing

The Kansas Development Finance Authority will conduct a public hearing at 9 a.m. Thursday, February 16, at the KDFA offices, 555 S. Kansas Ave., Suite 202, Topeka, with respect to a plan by the KDFA to issue its Variable Rate Demand Revenue Bonds (Sisters of Charity of Leavenworth Health System) in an aggregate principal amount not to exceed \$90,000,000, in one or more series pursuant to the plan of finance described below. The proceeds of the bonds will be loaned to Sisters of Charity of Leavenworth Health System, Inc., a Kansas not-for-profit corporation. As part of a plan of finance to provide the corporation and its affiliated corporations with moneys for financing projects, the bonds will be issued pursuant to K.S.A. 74-8901 et seq. to finance projects located in the states of Kansas and Colorado.

Public approval by the state of Colorado has been or will be obtained following a public hearing and public notice in the state of Colorado regarding the bonds and the projects financed in that state. Pursuant to the plan of finance, projects located in the state of Montana will be financed by one or more series of bonds issued in the state of Montana (the Montana bonds), proceeds of which will be loaned to the corporation, after public approval by the state of Montana following a public hearing and public notice regarding the Montana bonds and the projects to be financed in that state.

Up to \$55,000,000 of the bonds will be used in the state of Kansas, together with certain other moneys, to (i) pay or reimburse the corporation for the payment of the costs of acquiring, constructing, renovating, remodeling and equipping certain of the health care facilities of the corporation, St. Francis Health Center, Inc., Providence Medical Center, Inc., and Saint John's Hospital and Health Center and all necessary and attendant facilities, equipment, site work and utilities, and (ii) pay certain expenses incurred in connection with the issuance of the bonds. All of the improvements financed with the proceeds of the bonds in Kansas are or will be initially owned and operated by the corporation, St. Francis, Providence or Saint John's and located in facilities that provide a total of ap-

proximately 569 staffed beds and related treatment facilities, and are or will be located on land owned or leased by the corporation at the following addresses: (a) in Lenexa, Kansas, at 9801 Renner Blvd., Suite 100; (b) in Topeka, Kansas, at 634, 700 and 701 S.W. Mulvane St.; at 1513, 1515, 1517, 1523, 1701 and 1925 S.W. 6th Ave.; at 612 S.W. College; and at 1700 S.W. 7th St.; (c) in Kansas City, Kansas, at 8929 Parallel Parkway; and (d) in Leavenworth, Kansas, at 3500, 3550 and 4505 S. Fourth St. Trafficway.

Up to \$45,000,000 of the bonds will be used in the state of Colorado, together with certain other moneys, to (i) pay or reimburse the corporation for the payment of the costs of acquiring, constructing, renovating, remodeling and equipping certain of the health care facilities of the corporation, Saint Joseph Hospital, Inc. and St. Mary's Hospital & Medical Center, Inc. and all necessary and attendant facilities, equipment, site work and utilities, including a parking garage and an open magnetic resonance imaging center, and (ii) pay certain expenses incurred in connection with the issuance of the bonds. All of the improvements to be financed with the proceeds of the bonds in Colorado are or will be owned, operated or managed by the corporation, Saint Joseph or St. Mary's and located in facilities that provide a total of approximately 811 staffed beds and related treatment facilities, and are or will be located on land owned or leased by the corporation at the following addresses: (a) in Grand Junction, Colorado, at 710 Wellington Ave. and 2425 and 2635 N. 7th St.; and (b) in Denver, Colorado, at Saint Joseph Hospital, 1835 Franklin St.

The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the states of Kansas or Colorado or any political subdivision thereof, including the KDFA, nor will the bonds constitute an indebtedness for which the faith and credit and taxing powers of the states of Kansas or Colorado are pledged. The bonds will be payable solely from amounts received from the corporation, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

The public hearing is required by Section 147(f) of the Internal Revenue Code of 1986, as amended. At such public hearing there will be an opportunity for persons to express their views concerning the foregoing. The original Class I permit was issued on January 12, 2005. The permit is being modified in order to omit qualitative opacity assessment on the sump and to remove specific additive names from tank descriptions.

Magellan Pipeline Company, LLC owns and operates a petroleum pipeline and bulk gasoline terminal facility located at 401 E. Donovan Road, Kansas City, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Topeka, and at the Department of Air Quality, 619 Ann Ave., Kansas City. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Katrin Ellefson, Department of Air Quality, 619 Ann Ave., Kansas City, KS 66101. In order to be considered in formulating a final permit decision, written comments must be received before the close of business March 6.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Sherry Walker, Bureau of Air and Radiation, KDHE, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366, not later than the close of business March 6 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity
(continued)

during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period.
