Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, March 30, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 000656—Maximum Principal Amount: \$69,035.53. Owner/Operator: Justin Ensz. Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Justin Ensz and is located at the North Half of the Northeast Quarter of Section 23, Township 20 South, Range 5 West, McPherson County, Kansas, approximately 4 miles north, 3 miles west, and .5 mile north of Inman.

Project No. 000661—Maximum Principal Amount: \$94,000. Owner/Operator: Chad A. and Deanna C. Wurtz. Description: Acquisition of 99.5 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Chad A. and Deanna C. Wurtz and is located at Section 35, Township 2, Range 2, Washington County, Kansas, immediately south of Morrowville on Highway 15.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. BP America Production Company has applied for a Class I operating permit in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

BP America Production Company, Houston, Texas, owns and operates a Class I Operating Permit for the Ulysses West B compressor station located at Section 8, Township 28 South, Range 38 West in Grant County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and a copy of the proposed permit can be reviewed at the KDHE South Central District Office, 130 S. Market St., Suite 6050, Wichita. To obtain or review the proposed permit and supporting documentation, contact Michael J. Parhomek, (785) 296-1580, at the KDHE central office; and to review the proposed permit only, contact Don Mies, (316) 337-6107, at the South Central District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Michael J. Parhomek, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received before the close of business April 17.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Sherry Walker, Bureau of Air and Radiation, not later than the close of business April 17 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was im-

practicable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Jon Knodel, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7622, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Roderick L. Bremby
Secretary of Health
and Environment

Doc. No. 032965

State of Kansas

Department of Health
and EnvironmentNotice Concerning Kansas/Federal Water
Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 15, 28-18a-1 through 32, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Legal Description: E½, NW¼, NE¼, S24, T14S, R15E, Osage County

Facility Description: The proposed action is to reissue a permit for an existing facility treating primarily domestic wastewater. The proposed permit includes limits for biochemical oxygen demand, total suspended solids and fecal coliform. Monitoring for ammonia and pH also will be required. Included in this permit is a schedule of compliance requiring the permittee to consistently meet permit limits by October 2007 or to provided KDHE with a draft facility plan including a schedule of compliance for improvements and to complete those improvements by December 31, 2009. The permittee also is required to obtain the services of a KDHE-certified wastewater treatment plant operator to achieve compliance with this permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are technology based.

Coffeyville, City of P.O. Box 498 Coffeyville, KS 67337	Verdigris River	Treated Domestic and Industrial Wastewater
Kansas Permit No. M-VE09-OO01 Federal Permit No. KS0050733		

Legal Description: SW¼, SE¼, S12, T35S, R16E, Montgomery County
 Facility Description: The proposed action is to reissue a permit for an existing facility treating domestic and industrial wastewater. This facility is a mechanical treatment plant consisting of screening and grit removal, alkalinity addition, a 4-basin SBR, UV disinfection of effluent, a gravity belt thickener and aerated sludge storage. An extraneous flow basin handles overflow from heavy rain events. The proposed permit includes limits for biochemical oxygen demand, total suspended solids, ammonia, fecal coliform, nitrate + nitrite and pH. Monitoring for nitrite, nitrate, total Kjeldahl nitrogen, total nitrogen, total phosphorus, dissolved oxygen and effluent flow also will be required. The permit also requires the permittee to perform a chronic whole effluent toxicity test annually and a priority pollutant scan once during the term of this permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Kansas Permit No. M-VE14-OO01 Federal Permit No. KS0045969		

Legal Description: NW¼, SE¼, NE¼, S6, T32S, R14E, Montgomery County
 Facility Description: The proposed action is to reissue a permit for an existing facility treating primarily domestic wastewater. The proposed permit includes limits for biochemical oxygen demand and total suspended solids. Monitoring for ammonia, fecal coliform and pH also will be required. Included in this permit is a schedule of compliance requiring the permittee to obtain the services of a KDHE-certified wastewater treatment plant operator to achieve compliance with this permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are technology based.

Name and Address of Applicant	Waterway	Type of Discharge
Micro-Lite, LLC 3731 S. Santa Fe Chanute, KS 66720	Little Sandy Creek via Unnamed Tributary	Process Wastewater
Kansas Permit No. I-VE03-PO01 Federal Permit No. KS0088374		

Legal Description: S29, T26S, R15E, Woodson County
 Facility Description: The proposed action is to reissue an existing permit for an existing wastewater treatment facility. This facility surface mines trace minerals (magnesium, iron and potassium) for use in livestock feed. Mine pit dewatering and stormwater runoff occurs from hillside mining at two outfalls. Domestic waste is directed to a septic tank lateral field. The proposed permit includes generic water quality language to protect waters of the state. Contained in the permit is a schedule of compliance requiring the permittee to develop and implement an industrial stormwater pollution prevention plan within one year of the effective date of the permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Name and Address of Applicant	Waterway	Type of Discharge
Phillipsburg, City of P.O. Box 447 Phillipsburg, KS 67661	North Fork Solomon River via Deer Creek via Plotner Creek via Unnamed Tributary	Treated Domestic Wastewater
Kansas Permit No. M-SO31-OO02 Federal Permit No. KS0097331		

Legal Description: SW¼, SW¼, SW¼, S35, T3S, R18W, Phillips County

Facility Description: The proposed action is to modify an existing permit for an existing facility treating primarily domestic wastewater. This modification will add two monitoring locations on Deer Creek. Deer Creek receives water from Plotner Creek, the receiving stream for this treatment plant. The two monitoring locations are located upstream and downstream of the confluence of Plotner Creek with Deer Creek. The change is being proposed because a planned change in the quality of the drinking water for the city of Phillipsburg as a result of the construction of an ethanol production facility in Phillipsburg will increase the sulfate and possibly the selenium concentration of the wastewater received at the wastewater treatment plant. Both sulfate and selenium are of concern in the effluent and in Plotner and Deer creeks. Monitoring for sulfate and selenium in the effluent is already required in the current permit. The proposed modification also contains a schedule of compliance requiring the permittee to investigate and provide KDHE with a report covering the summertime seasonal high excursions of sulfate and selenium. The permittee also shall provide a plan and schedule to alleviate them. All other terms and conditions of the existing permit shall remain in full force and effect.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before April 15 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-06-057/063, KS-06-035/040) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdhe.state.ks.us/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

 and Environment

Doc. No. 032964

(Published in the Kansas Register March 16, 2006.)

City of Lenexa, Kansas

Notice to Bidders

Sealed bids for **87th Street Parkway, Quivira Road to Pflumm Road & Quivira Road, 85th Street to 87th Street Parkway**, will be accepted by the city of Lenexa, Kansas, at the Planning Department, Lenexa City Hall, 12350 W. 87th St. Parkway, Lenexa, 66215, until 10:30 a.m. March 21, 2006, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Planning Department customer service staff in sealed envelopes addressed to the City of Lenexa, Kansas, Attention: City Clerk, and marked "Bid for: 87th Street Parkway, Quivira Road to Pflumm Road & Quivira Road, 85th Street to 87th Street Parkway."

Copies of plans, specifications, bidding documents and other contract documents are on file at Planning Department, Lenexa City Hall, 12350 W. 87th St. Parkway, Lenexa.

Bidders desiring contract documents for use in preparing bids may obtain a set of such documents at the address above upon payment of \$150, which amount is non-refundable.

In lieu of picking up plans and specifications at Lenexa City Hall, bidders may download plans and specs free of charge from the city of Lenexa's Web site at <http://www.ci.lenexa.ks.us/publicworks/index.html>.

Note: Davis-Bacon wage rates apply to this project.

Contractors should read and be fully familiar with all contract documents, including addenda, before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations, and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid Form.
- b. 5% Bid Security—Bid Bond, Cashier's Check or Certified Check (see below).

Each bidder shall file with its bid a bid bond, a cashier's check or a certified check drawn on an acceptable bank, made payable to city of Lenexa, Kansas, in an amount equal to 5 percent of the total bid, which shall be retained by city of Lenexa until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within 21 days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond and statutory bond, each in an amount equal to 100 percent of

the contract amount, required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the notice of award, the city may annul the notice of award and the bid deposit may be forfeited, and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk prior to the time and date for bid opening.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

Mary Sue Fry, City Clerk
City of Lenexa, Kansas

State of Kansas

Criminal Justice Coordinating Council

Notice of Available Grant Funding

Grant funds are available from the Kansas Criminal Justice Coordinating Council (KCJCC) for the Federal Edward Byrne Memorial Justice Assistance Grant (JAG) for fiscal year 2007. The KCJCC and the federal JAG program guidelines establish eligibility criteria that must be met by all organizations that receive JAG funds. These grant funds are to be awarded to units of state and local government, Native American tribes, and not-for-profit, community- and faith-based organizations. Applicants that apply for JAG funds directly from the Federal Bureau of Justice Assistance also are eligible to apply for the state JAG program.

The KCJCC developed the following priorities for the 2005-2008 Kansas JAG Strategy. The primary intended use of JAG is to support: (1) law enforcement programs; (2) prosecution and court programs; (3) prevention and education programs; (4) corrections and community corrections programs; (5) drug treatment programs; and (6) planning, evaluation and technology improvement programs.

Grant applications may be obtained by contacting the Office of the Governor's Grants Program at (785) 291-3205. Applications also may be accessed via the Internet at www.ksgovernor.org. This is to obtain a printed copy only; applications cannot be submitted online.

All grant applications must be received by 5 p.m. Monday, April 24.

Juliene Maska
Governor's Grants Program Administrator

Social and Rehabilitation Services

Request for Proposals

The South Central Region Department of Social and Rehabilitation Services announces the release of request for proposals to provide services to children and families that prevent the need for out-of-home placement and/or to successfully reduce the number of children currently in out-of-home placements within the 17-county region. The South Central Region is comprised of Marion, Lyon, Coffey, Morris, Chase, Elk, Chautauqua, Cowley, Sumner, Kingman, Harper, Reno, Harvey, McPherson, Rice, Butler and Greenwood counties.

The request for proposal is being released March 20 and proposals are due at the close of business April 28. For additional information and to request the request for proposal, contact Diane Carver at (316) 321-4200, ext. 223, or edsc@srskansas.org.

Doc. No. 032967

(Published in the Kansas Register March 16, 2006.)

**Summary Notice of Bond Sale
City of Admire, Kansas**

\$160,000

General Obligation Bonds, Series 2006

**(General obligation bonds payable
from ad valorem taxes)**

Sealed Bids

Subject to a notice of bond sale dated March 7, 2006, sealed or telefacsimile bids will be received by the clerk of the city of Admire, Kansas (the issuer), on behalf of the governing body at City Hall, 501 Main, Admire, KS 66830, until 7 p.m. Thursday, March 23, 2006, for the purchase of \$160,000 principal amount of General Obligation Bonds, Series 2006. No bid of less than par value of the bonds and accrued interest thereon from the dated date to the delivery date shall be considered.

Bond Details

The Series 2006 Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof not exceeding the principal amount of bonds maturing in each year. The bonds will be dated April 1, 2006, and will become due on October 1 in the years as follows:

Series 2006	
Maturity October 1	Principal Amount
2008	\$ 5,000
2009	\$ 5,000
2010	\$ 5,000
2011	\$ 5,000
2012	\$ 5,000
2013	\$ 5,000
2014	\$ 5,000

2015	\$10,000
2016	\$10,000
2017	\$10,000
2018	\$10,000
2019	\$10,000
2020	\$10,000
2021	\$10,000
2022	\$10,000
2023	\$10,000
2024	\$10,000
2025	\$10,000
2026	\$15,000

The bonds will bear interest from their dated date at rates to be determined when the bonds are sold, which interest will be payable semiannually on April 1 and October 1 in each year, beginning April 1, 2007.

Paying Agent and Bond Registrar

Kansas State Treasurer, Topeka, Kansas.

Optional Book-Entry-Only System

The successful bidder may elect to have the bonds registered under a book-entry-only system administered through the Depository Trust Company (DTC), New York, New York, at the bidder's expense.

Security

The bonds and the interest thereon constitute general obligations of the city, and the full faith, credit and resources of the city will be pledged to the payment thereof. (Reference is made to the official notice of bond sale and the city's preliminary official statement for a further discussion of the security for the bonds.)

Redemption

Certain of the bonds are subject to redemption as set forth in the official notice of bond sale.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States or a financial surety bond in a form that complies with the requirements set forth in the notice of sale in the amount of \$3,200 for the Series 2006 Bonds (2 percent of the principal amount of the bonds).

Delivery

The issuer will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about April 12, 2006, to DTC for the account of the successful bidder or at such bank or trust company in the contiguous United States as may be specified by the successful bidder, or elsewhere at the expense of the successful bidder.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 2006 is \$489,623. The total general obligation indebtedness of the issuer as of the date of the bonds, including the bonds being sold, is \$160,000.

Official Statement

The city has prepared a preliminary official statement relating to the bonds, copies of which may be obtained

(continued)

from the city. The preliminary official statement is in a form "deemed final" by the city for the purpose of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the final official statement without additional cost, upon request. Copies of the final official statement in excess of a reasonable number may be ordered by the successful bidder at its expense.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Cosgrove, Webb & Oman, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder when the bonds are delivered.

Additional Information

Additional information regarding the bonds may be obtained from Elden Kuhn, city clerk of the issuer, (620) 528-3494 or (620) 528-3710, fax (620) 528-3711; or from the financial advisor, Cooper Malone McClain, Inc., 7701 E. Kellogg, Suite 700, P. O. Box 781684, Wichita, KS 67278-1684, Attention: Dave Malone, (316) 685-5777, fax (316) 685-1751, e-mail: dmalone@cmmci.com.

Department of Transportation

Request for Comments

The Kansas Department of Transportation requests comments on the amendment of the Statewide Transportation Improvement Program (STIP) FY 2006-2008 by adding the following project:

Project U-2113-01, Preliminary Engineering for a Noise Study, DeSoto Road from 4-H Road north to Eisenhower Road in Lansing, Leavenworth County

The amendment of the STIP requires a 30-day public comment period. To receive more information on any of these projects or to make comments on the STIP amendment, contact the Kansas Department of Transportation, Bureau of Program and Project Management, 2nd Floor Tower, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754, (785) 296-3526, fax (785) 368-6664.

This information is available in alternative accessible formats. To obtain an alternative format, contact the KDOT Bureau of Transportation Information, (785) 296-3585 (Voice/TTY).

The comment period regarding the STIP amendment will conclude April 17.

Certification of New State Laws

I, Ron Thornburgh, Secretary of State of the State of Kansas, do hereby certify that the following bill is a correct copy of the original enrolled bill now on file in my office.

Ron Thornburgh
Secretary of State

(Published in the Kansas Register March 16, 2006.)

HOUSE BILL No. 2284

AN ACT relating to breastfeeding mothers; concerning right to breastfeed; jury duty while breastfeeding; amending K.S.A. 43-158 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) Breast milk is widely acknowledged to be the most complete form of nutrition for infants, with a range of benefits for infant's health, growth, immunity and development and has also been shown to improve maternal health and bonding in addition to contributing to society at large through economic and environmental gains, it is therefore the public policy of Kansas that a mother's choice to breastfeed should be supported and encouraged to the greatest extent possible.

(b) A mother may breastfeed in any place she has a right to be.

Sec. 2. K.S.A. 43-158 is hereby amended to read as follows: 43-158. The following persons shall be excused from jury service: (a) Persons unable to understand the English language with a degree of proficiency sufficient to respond to a jury questionnaire form prepared by the commissioner;

(b) persons under adjudication of incompetency;

(c) persons who within 10 years immediately preceding have been convicted of or pleaded guilty, or *nolo contendere*, to an indictment or information charging a felony; ~~and~~

(d) persons who have served as jurors in the county within one year immediately preceding; *and*

(e) *a mother breastfeeding her child. Jury service shall be postponed until such mother is no longer breastfeeding the child.*

Sec. 3. K.S.A. 43-158 is hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the Kansas register.

State of Kansas

State Fire Marshal

Permanent Administrative Regulations

Article 8.—LIQUEFIED PETROLEUM GASES

22-8-2. Required signs at liquefied petroleum gas facilities. Each owner or operator of a liquefied petroleum gas facility shall ensure that the requirements of this regulation are met. (a) Each bulk storage container for liquefied petroleum gas shall be marked with "Flammable LP gas" in letters at least six inches in height. A "No smoking" sign shall be posted within 20 feet of the container area.

(b) A weatherproof sign shall be posted at the main entrance to the facility stating the owner's name, the address of the facility, the license number of the facility, and an emergency phone number, which shall be answered 24 hours a day and seven days a week. The owner or operator, or designee, shall be available for emergency callback. This sign shall be readable at all times and shall be marked with letters and numbers at least three inches in height. (Authorized by and implementing K.S.A. 2004 Supp. 55-1812; effective May 1, 1979; amended May 1, 1984; amended March 31, 2006.)

22-8-3. Definitions. (a) "End retail user" has the meaning specified in K.S.A. 55-1807, and amendments thereto.

(b) "Interruption of service" has the meaning specified in K.S.A. 55-1807, and amendments thereto.

(c) "Liquefied petroleum gas" has the meaning specified in K.S.A. 55-1807, and amendments thereto. This term is also known as "LP gas" or "LPG."

(d) "Liquefied petroleum gas facilities" has the meaning specified in K.S.A. 55-1807, and amendments thereto.

(e) "Liquefied petroleum gas marketer" and "marketer" have the meaning specified in K.S.A. 55-1807, and amendments thereto.

(f) "Liquefied petroleum gas system" and "system" have the meaning specified in K.S.A. 55-1807, and amendments thereto.

(g) "LP gas motor fuel" means a material having a vapor pressure not exceeding that allowed for commercial propane composed predominantly of the following hydrocarbons, either by themselves or as mixtures: propane, propylene, butane, including normal butane and isobutane, and butylenes.

(h) "Major modification" means a 2,000-gallon increase or decrease in the amount of LP gas storage or the relocation of any LP gas bulk storage tank, dispenser, or bulkhead.

(i) "Public transportation vehicle" means a motor vehicle used to transport persons for hire.

(j) "Recognized testing laboratory" means a nationally recognized testing agency approved by the state fire marshal that is staffed by qualified personnel, is properly equipped to conduct safety tests, and is regularly engaged in conducting tests and furnishing inspection and reexamination services.

(k) "Retail distribution of liquefied petroleum gas" has the meaning specified in K.S.A. 55-1807, and amendments thereto.

(l) "Returned to service" has the meaning specified in K.S.A. 55-1807, and amendments thereto.

(m) "Site plans" means a scale drawing of an LP gas marketer's property showing the location of the site, including the location of the buildings, aboveground or underground tanks, and dispensing units, indicating the distances between all buildings, tanks, and units.

(n) "State fire marshal" means the fire marshal of the state of Kansas. (Authorized by and implementing K.S.A. 55-1812; effective, E-82-28, Dec. 22, 1981; effective May 1, 1982; amended May 1, 1983; amended March 31, 2006.)

22-8-5. Application and drawings. Each LP gas marketer who wants to construct a LP gas facility or make

a major modification to an existing liquefied petroleum gas facility shall submit an application, on a form provided by the state fire marshal's office, with drawings to the state fire marshal's office as specified in this regulation. If required, the marketer shall send a copy of the drawings to the local authority having jurisdiction before the marketer begins the construction or a major modification. (a) Each application shall be accompanied by drawings, which shall be made to scale on paper no larger than 11 inches by 17 inches. The tank drawings and site plan shall be clear and readable and shall show all dimensions. The applicant shall submit the application, drawings, and a review fee of \$35 and shall obtain approval from the state fire marshal before the construction of, or any major modification to, any of the following:

(1) Any bulk storage or transfer facility with an aggregate water capacity of more than 2,000 gallons;

(2) any tank installed for the retail sale of LP gas through dispenser devices;

(3) any portable cylinder storage and filling facility;

(4) any vehicle fuel dispensing station;

(5) any facility where the handling or use of liquefied petroleum gas is undertaken; or

(6) any liquefied petroleum gas service station.

(b) The construction or major modification of any liquefied petroleum gas facility with an aggregate water capacity exceeding 2,000 gallons shall not commence until the application and drawings are reviewed and approved by the state fire marshal.

(c) The requirement to submit drawings for approval shall be in addition to any local jurisdiction's zoning or permit approval requirements and any additional local requirements.

(d) All submitted drawings shall include the following information:

(1) The name of the person, firm, or corporation planning the new or modified LP gas facility, the location of the proposed facility, and the location of the adjacent streets or highways;

(2) for bulk plants, the location of the plot of ground to be utilized and its immediate surroundings, including any structures of value located on adjacent properties within 100 feet of the property line on all sides, and the complete layout of the buildings, tanks, point-of-transfer operations, driveways, and dispensing equipment;

(3) the location, capacity, and dimensions of each tank; the types, sizes, and locations of all valves, including hydrostatic relief and emergency shutoff valves; the location of all lines and pumps; the location of the plot of ground to be utilized; and the complete layout of the buildings, driveways, and dispensing equipment;

(4) the type, size, and location of all appliances piping located below ground and connected to aboveground equipment;

(5) for underground storage, the location and capacity of each tank, the class and name of the liquid to be stored in each tank, and the location of the fill openings, gauges, vent pipes, valves, and regulators;

(6) all details specifically requested in the application; and

(continued)

(7) any other relevant information deemed necessary by the fire marshal. (Authorized by and implementing K.S.A. 55-1810; effective, E-82-28, Dec. 22, 1981; effective May 1, 1982; amended May 1, 1983; amended March 31, 2006.)

22-8-8. Inspections. Each liquefied petroleum gas facility licensed under the Kansas propane and safety act shall be inspected by the state fire marshal or the state fire marshal's designee during the application process or during the first year of licensure. After each license renewal, the facility shall be inspected by the state fire marshal or the state fire marshal's designee. (Authorized by and implementing K.S.A. 55-1808 and 55-1812; effective March 31, 2006.)

22-8-9. Approval process for application and drawings. (a) Each submitted application and the accompanying drawings specified in K.A.R. 22-8-5 shall be approved or denied pursuant to K.S.A. 55-1810 and amendments thereto.

(b) If the application or drawings do not indicate substantial conformity to the applicable requirements of the Kansas fire prevention code and the state fire marshal's regulations, the applicant shall be notified in writing that the application is deemed deficient by the state fire marshal. (Authorized by K.S.A. 55-1812; implementing K.S.A. 55-1810; effective March 31, 2006.)

22-8-10. Licensing requirements; classes; fees; renewals. (a) To obtain a license under the Kansas propane safety and licensing act, each applicant shall submit the following to the state fire marshal's office:

- (1) An application for each desired license;
- (2) proof that the training requirements in K.A.R. 22-8-11 for each desired license have been met;
- (3) proof of continuous general liability insurance coverage of at least \$1,000,000; and
- (4) a onetime, nonrefundable initial application fee of \$25, unless the applicant is an officer or employee of the state of Kansas or any political or taxing subdivision and that person is acting on behalf of the state or political taxing subdivision.

(b) If the license application is approved, the appropriate annual fee shall be paid before issuance of the license.

(1) The annual license fee for a class one dealer license, which shall be required for the retail distribution of liquefied petroleum gas, shall be \$175 per location.

(2) The annual fee for a class two bulk storage site license, which shall be required for the bulk storage of liquefied petroleum gas, shall be \$25 per tank.

(3) The annual fee for a class three cylinder transport license, which shall be required to operate a cylinder delivery service, shall be \$100 per vehicle.

(4) The annual fee for a class four cylinder filling license, which shall be required to operate a cylinder filling facility, shall be \$50 per facility. For the purpose of this paragraph, "cylinder filling facility" shall include any facility that fills cylinders or sells cylinder valves.

(5) The annual fee for a class five recreational vehicle fueling license, which shall be required to fuel recreational vehicles or mobile fuel containers, shall be \$50 per facility.

(6) The annual fee for a class six cylinder exchange cabinet license, which shall be required to establish a cylinder exchange cabinet or participate in a cylinder program, shall be \$10 for each cabinet at any location. Each cabinet shall be required to have a new sticker applied to the cabinet annually. Each sticker shall be provided by the state fire marshal's office.

(7) The annual fee for a class seven self-serve liquefied petroleum gas dispensing license, which shall be required to operate a liquefied petroleum gas fueling facility, shall be \$50 per facility.

(8) The annual fee for a class eight installation and service of liquefied petroleum gas systems license, which shall be required to install, maintain, or modify a residential or commercial liquefied petroleum gas distribution and utilization system, shall be \$20 per technician.

(c) Each license shall expire on September 30 each year.

(d) Any LP gas license may be renewed annually. Each applicant for renewal shall submit the following to the state fire marshal's office on or before July 15:

- (1) The renewal form;
- (2) proof that the continuing education requirements have been met;
- (3) proof of continuous general liability insurance coverage of at least \$1,000,000; and
- (4) payment of each applicable annual license fee. (Authorized by K.S.A. 55-1812; implementing K.S.A. 55-1809 and 55-1812; effective March 31, 2006.)

22-8-11. Training requirements for initial licenses; instructor and class approval. (a) For each type of initial license sought, each applicant shall complete the required training specified in this regulation and approved by the state fire marshal.

(b) Each instructor and each class shall be required to be approved in advance by the state fire marshal. Each class, and any equivalent class approved by the state fire marshal, shall be required to meet the corresponding standards in the following certified employee training program (CETP) instructor guides by the propane education and research council (PERC) and the national propane gas association (NPGA), which are hereby adopted by reference:

- (1) "Basic principles and practices," dated 2004;
- (2) "basic plant operations," dated 2004;
- (3) "layout, design and selection of a vapor distribution systems operation" and "preparing and installing DSO components," dated 2004;
- (4) "transfer systems operations," dated 2001;
- (5) "propane delivery basics," dated 2004;
- (6) "dispensing propane safely," dated 2005; and
- (7) "appliance installation," dated 2001.

(c) Each applicant shall submit proof of successful completion of the following required training, as applicable, to the state fire marshal's office:

- (1) For a class one dealer license, the basic principles and practices class;
- (2) for a class two bulk storage site license, the basic plant operations class, the distribution systems operation class, and the transfer systems operations class;
- (3) for a class three cylinder transport license, the propane delivery basics class;

(4) for a class four cylinder filling license, the dispensing propane safely class;

(5) for a class five recreational vehicle fueling license, the basic principles and practices class;

(6) for a class six cylinder exchange cabinet license, the basic principles and practices class;

(7) for a class seven self-serve liquefied petroleum gas dispensing license, the basic principles and practices class and the transfer systems operations class; or

(8) for a class eight installation and service of liquefied petroleum gas systems license, the basic principles and practices class and either the appliance installation class or the layout, design and selection of a vapor distribution systems operation class. (Authorized by and implementing K.S.A. 55-1812; effective March 31, 2006.)

22-8-12. Continuing education requirements for license renewal. (a) Continuing education shall cover the normal job functions that the licensee is expected to perform and any new equipment, standards, and recommended practices or procedures introduced by the propane industry since the last license was issued.

(b) Each instructor and each continuing education class shall be required to be approved in advance by the state fire marshal.

(c) Each licensee shall submit proof of the required continuing education to renew the license.

For a class six cylinder exchange cabinet license, the licensee shall submit proof of the required continuing education for the licensee's designee at each leased or contracted location. (Authorized by and implementing K.S.A. 55-1812; effective March 31, 2006.)

22-8-13. Adoption of national codes. The following national fire protection association standards, including the annexes, are hereby adopted by reference: (a) Standard no. 54, "national fuel gas code," 2002 edition; and

(b) standard no. 58, "liquefied petroleum gas code," 2004 edition, except that the provisions of chapter 6.23 shall be effective on and after January 1, 2012. (Authorized by and implementing K.S.A. 55-1812; effective March 31, 2006.)

22-8-14. Interruption of LP gas service. (a) Each licensee that modifies, repairs, services, or alters an end retail user's liquefied petroleum gas system shall fill out an "interruption of LP gas service form" for each modification, repair, service, or alteration. The licensee shall require the signature of the customer on the form and shall keep the original form on file for five years. The licensee shall make each form available to the state fire marshal upon request.

(b) The form specified in subsection (a) shall be obtained from or approved by the state fire marshal's office. This form is also known as an "out of LP gas" form. (Authorized by and implementing K.S.A. 2004 Supp. 55-1812; effective March 31, 2006.)

22-8-17. Public LP gas cylinder exchange cabinets. Each liquefied petroleum gas marketer and each owner or operator of a location with any public LP gas cylinder exchange cabinets shall ensure that the requirements of this regulation are met. (a) Each public LP gas cylinder exchange cabinet shall be located at least 10 feet from any

doorway or opening in a building frequented by the public. Each cabinet shall be located at least 20 feet from any automotive fuel dispenser and at least 20 feet from any source of ignition.

(b) Each public LP gas cylinder exchange cabinet shall be protected from vehicle damage. The protection of each cabinet shall consist of guard posts or either tire bumpers or curbs made of concrete.

(1) Each guard post shall be designed and constructed as follows:

(A) Each post shall be constructed of steel that is at least four inches in diameter and is filled with concrete.

(B) The posts shall be spaced not more than four feet apart and at least four feet high from the top edge of the footing hole. A minimum of two posts shall be used.

(C) Each cabinet corner that does not abut a building shall be protected by a post.

(D) Each post shall be set at least three feet deep in a concrete footing that is at least 15 inches in diameter.

(E) Each post shall be painted yellow.

(F) The clearance between the posts and the cabinet shall be at least three feet.

(2) Each tire bumper or curb shall be designed and constructed as follows:

(A) Each bumper or curb shall be made of concrete and shall be at least four feet long.

(B) The premanufactured height of the bumper or curb shall be at least five inches.

(C) Each bumper or curb shall be permanently affixed to the sidewalk or driveway.

(D) The clearance between the cabinet and either the bumper or curb shall be at least three feet.

(E) Each bumper or curb shall be painted yellow.

(c) (1) All emergency information and product information on each public LP gas cylinder exchange cabinet shall be visible and readable from the front of each cabinet and on each cylinder. All company information, including an emergency phone number that is answered 24 hours a day and seven days a week, shall appear on each cabinet and cylinder and shall be readable. Each cabinet shall bear the words "No smoking" and "propane" in letters at least three inches high.

(2) Each exchange cabinet shall bear one or more warning labels that identify the hazards of propane in terms of the categories of health, flammability, and instability to provide basic information to fire-fighting, emergency response, and other personnel. Each warning label shall meet the requirements specified in national fire protection standard no. 704, 2001 edition, including the annexes, which is hereby adopted by reference.

(d) Each cylinder shall remain upright when stored in the exchange cabinet, whether the cylinder is empty, full, or partly full. (Authorized by and implementing K.S.A. 2004 Supp. 55-1812; effective March 31, 2006.)

Jack A. Alexander
State Fire Marshal

Doc. No. 032969

State of Kansas

Kansas Insurance Department

Permanent Administrative
Regulations

Article 4.—ACCIDENT AND HEALTH INSURANCE

40-4-25. Accident and sickness insurance standards for benefits. (a) K.A.R. 40-4-26 through 40-4-33 shall apply to each individual accident and sickness insurance policy and subscriber contract of hospital and medical and dental service corporations delivered or issued for delivery in this state. These regulations shall not apply to the following:

(1) A credit accident and health insurance policy subject to K.A.R. 40-5-102 through 40-5-110;

(2) an individual policy or contract issued pursuant to a conversion privilege under a policy or contract of group or individual insurance when this group or individual

policy or contract includes provisions that are inconsistent with the requirements of these regulations;

(3) a policy being issued to employees or members as additions to franchise plans in existence on the effective date of these regulations; and

(4) medicare supplement policies as defined in K.A.R. 40-4-35.

(b) The requirements in these regulations shall be in addition to the requirements in any other regulations previously adopted but shall not preclude the solicitation or issuance of policies or contracts that do not meet the standards for benefits set forth in K.A.R. 40-4-26 through 40-4-33. (Authorized by K.S.A. 40-103, 40-2218; implementing K.S.A. 40-2218; effective Feb. 15, 1977; amended May 1, 1979; amended May 1, 1982; amended May 1, 1986; amended March 31, 2006.)

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.

\$15 each, includes shipping and handling.

(Kansas residents must include an additional \$1.08 state and local sales tax.)

In this issue . . .
