Intoxicating Liquors and Beverages—Licensing and Related Provisions—Retailer's License; Rights of Licensee.

Intoxicating Liquors and Beverages—Certain Prohibited Acts and Penalties—Retail Sales at Less Than Cost; Permit Required. Thomas W. Groneman, Director, Alcoholic Beverage Control Division, Kansas Department of Revenue, March 2, 2006.

Read *in pari materia* with other liquor laws, and as implemented by administrative regulations, K.S.A. 41-308(b) does not permit retail liquor licensees to give away free alcoholic liquor. Cited herein: K.S.A. 41-104; 1-308; 41-729; K.A.R. 14-10-11; 14-13-13; U.S. Const., Amends. 18, 21. LMG

Opinion 2006-8

Public Records, Documents and Information—Records Open to Public—Inspection of Records; Certain Records Not Required to be Open; Personnel Records; Clearly Unwarranted Invasion of Personal Privacy; Law Enforcement Records; Law Enforcement Officer's Residential Address, Home Phone Number, Family Member Information and Photographs of Officer. Senator Jay Scott Emler, 35th District, Lindsborg, March 16, 2006.

Because law enforcement officers will often have heightened concerns about privacy due to safety and work considerations, in most instances identifying information such as photographs, home address, home telephone number and identity of family members of an officer may be lawfully closed pursuant to K.S.A. 2005 Supp. 45-221(6)(30). K.S.A. 2005 Supp. 45-221(a)(4) may also allow a public agency to close such identifying information of a public law enforcement officer who is an employee of the agency. The exception to this general rule would arise if a determination is made that the officer in question has somehow consented to the release or waived a claim of privacy, or that the general public interest served by releasing such information somehow outweighs the personal privacy rights of the individual. Cited herein: KS.A. 45-215; 45-216; K.S.A. 2005 Supp. 45-217; K.S.A. 45-218; K.S.A. 2005 Supp. 45-221. TMB

Cities and Municipalities—Insurance; Group-Funded Liability Pools—Allowing Municipalities in Douglas, Johnson, Leavenworth, Miami, and Wyandotte Counties to Pool with Municipalities Outside of State; Offering All Lines of Insurance Through Group-Funded Pools in Other States. Senator Dennis Wilson, 37th District, Overland Park, April 3, 2006.

K.S.A. 12-2617 authorizes group-funded insurance pools only among municipalities in Kansas for the lines of insurance identified therein. The only exception is contained in K.S.A. 12-2630, which allows certain Kansas municipalities to enter into agreements with municipalities in other states to pool their sickness and accident related

liabilities if the pool was created prior to January 1, 1990. Cited herein: K.S.A. 12-2616; 12-2617; 12-2618; 12-2622; 12-2626; 12-2628; 12-2629; 12-2630; 12-2901; K.S.A. 2005 Supp. 12-2903; 12-2904; K.S.A. 12-2904a; 12-2906; 75-6101; K.S.A. 2005 Supp. 75-6102. MF

State Departments; Public Officers and Employees—State Moneys—Investment Accounts; Procedure; Market Rate; Investments in Certificate of Deposit Through the Certificate of Deposit Account Registry (CDARS). Lynn Jenkins, State Treasurer, Topeka; John D. Cleland, Chairman, Pooled Money Investment Board, Topeka, April 27, 2006.

K.S.A. 2005 Supp. 75-4237 does not prohibit a bank from reallocating a deposit of state funds under the Certificate of Deposit Account Registry Service program provided that the Pooled Money Investment Board determines that the program is consonant with its investment goals. Cited herein: K.S.A. 2005 Supp. 12-1675; 75-4201; K.S.A. 75-4218; 75-4232; K.S.A. 2005 Supp. 75-4237; 84-3-104. MF

Opinion 2006-11

Public Health—Emergency Medical Services—Establishment of Emergency Communication System by Municipality.

Counties and County Officers—Sheriff—Charge and Custody of Jail; Liability for Acts.

Counties and County Officers—Law Enforcement in Certain Counties—Quarters and Facilities to be Provided by County. Allen Shelton, Smith County Attorney, Smith Center, April 27, 2006.

A board of county commissioners is authorized to create and control a county emergency communication system. Such a system may be operated out of the same building that houses the county jail. A county sheriff does not have the authority to bar access to county emergency communication employees whose job duties require they have access to a county building housing both the communication system and the county jail.

Unless the county jail functions have been transferred from the county sheriff to a county corrections department, the county sheriff remains the individual in charge of housing and caring for county prisoners. As such, the county sheriff is not required to utilize county emergency communication system employees to assist with jail related functions. If the county sheriff has sufficient money budgeted for such purposes, he may hire other persons to assist him with maintaining and operating a county jail. However, the county sheriff, acting in concert with the county commission if the employees would serve both, is not prohibited from using county emergency communication employees to assist with operating the county jail.
