Wildlife and Parks Commission

Notice of Meeting

A public meeting will be conducted by the Wildlife and Parks Commission at 1:30 p.m. Thursday, August 17, at the Pratt Community College Auditorium, 348 N.E. SR 61, Pratt, to consider the business and future regulatory action of the Kansas Department of Wildlife and Parks.

A general discussion and workshop meeting on business of the Wildlife and Parks Commission will begin at 1:30 p.m. August 17 at the location listed above. The meeting will recess at 5:30 p.m., then resume at 7 p.m. at the same location for an additional workshop on commission and department business. There will be public comment periods at the beginning of the afternoon and evening meetings for any issues not on the agenda, and additional comment periods will be available during the meeting on agenda items. Old and new business also may be discussed at this time. If necessary to complete business matters, the commission will reconvene at 9 a.m. August 18 at the same location.

Any individual with a disability may request accommodation in order to participate in the public meeting and may request the meeting materials in an accessible format. Requests for accommodation should be made at least five working days in advance of the meeting by contacting Sheila Kemmis, commission secretary, at (620) 672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at (800) 432-0698 to request special accommodations.

This notice period prior to the meeting constitutes a public comment period for the purpose of receiving written public comments on any workshop or future regulatory action by the commission.

All interested parties may submit written comments prior to the meeting to the chairman of the commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Suite 200, Topeka, 66612, or to sheilak@wp.state. ks.us if electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally or in writing with regard to future regulatory action on workshop items.

Request for Comments

The Kansas Department of Transportation requests comments on the amendment of the Statewide Transportation Improvement Program (STIP) FY 2006-2808 by adding the following project:

FTA project for the extension of KDOT's Transit Pilot Program for Automated Vehicle Locators/Mobile Data Terminals (AVL/MDT) in rural transit buses to utilize 800 MHz radio equipment. This project will provide upgrades to the infrastructure of the 800 MHz system to allow for future buses, bus facilities, and bus-related ITS projects in 18 locations across the state of Kansas. The buses will be equipped with AVL and computer dispatch software that will be compatible with KDOT's 800 MHz radio system.

The amendment of the STIP requires a 30-day public comment period. To receive more information on any of these projects or to make comments on the STIP amendment, contact the Kansas Department of Transportation, Bureau of Program and Project Management, 2nd Floor Tower, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754, (785) 296-3526, fax (785) 368-6664.

This information is available in alternative accessible formats. To obtain an alternative format, contact the KDOT Bureau of Transportation Information, (785) 296-3585 (Voice/TTY).

The comment period regarding the STIP amendment will conclude July 24.

Notice to Consulting Engineers

The Kansas Department of Transportation is seeking qualified consulting engineering firms for the project listed below. A response may be submitted by e-mail to neil@ksdot.org or seven signed copies of the response can be mailed to Neil Rusch, P.E., Assistant to the Director, Division of Engineering and Design, KDOT, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754. Responses shall be limited to four pages. Responses must be received by 5 p.m. July 20 for the consulting engineering firm to be considered.

From the firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short-listed will be notified by letter.

The Consultant Negotiating Committee, appointed by the Secretary of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select the firm to perform the professional services required for completing the advertised project. After the selection of this firm, the remaining firms will be notified by letter of the outcome.

Traffic Engineering Assistance Program

The Bureau of Local Projects has developed a Traffic Engineering Assistance Program (TEAP). This program enables the Kansas Department of Transportation to utilize Federal 402 Safety funds in order to assist local political subdivisions in solving traffic engineering operational and safety improvements when they do not have the traffic engineering expertise available.

The consultant selected is to provide traffic engineering services during federal fiscal years 2007, 2008 and 2009 for one of two areas. Area One comprises KDOT Districts One, Two and Three. Area Two comprises KDOT Districts Four, Five and Six. Each area will receive a maximum of \$75,000 per year. The development of detailed plans, designs, specifications or estimates will not be approved under this program.

The following is a list of possible areas where the consultant may be called upon to do work. Work will not be limited to these categories and will depend upon the nature of a project and its impact on traffic safety.

- 1. Traffic Accident Analysis
- 2. Traffic Counts
- 3. Speed Surveys
- Minor Traffic Generation Studies
- 5. Limited Transit Analysis
- 6. Parking Problems
- 7. Capacity Analysis
- 8. Lighting and Visibility Analysis
- 9. Traffic Signal Progression and Delay Problems
- 10. Intersection-related Safety Problems
- 11. Alignment Problems

- 12. Sight Distance Difficulties
- 13. Railroad Crossings
- 14. CBD Circulation Studies
- 15. Pavement Marking Analysis
- 16. High Accident Analysis
- 17. School Signing and Markings
- 18. Signal Needs Study
- 19. Major Street Operational Analysis
- 20. CBD Operation, Parking or Capacity Analysis

Notice to Consulting Engineers

The Kansas Department of Transportation is seeking firms to provide aerial photography services and photogrammetric mapping to support highway design projects. Ownership of the photography and mapping shall become the property of the Kansas Department of Transportation. Two or more firms will be selected. A response may be submitted by e-mail to neil@ksdot.org or seven signed copies of the response can be mailed to Neil Rusch, P.E., Assistant to the Director, Division of Engineering and Design, KDOT, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754. Responses shall be limited to four pages. Responses must be received by 5 p.m. July 6 for the consulting engineering firm to be considered.

From the firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short-listed will be notified by letter.

The committee will select the firm to perform the professional services required for completing the advertised project. After the selection of this firm, the remaining firms will be notified by letter of the outcome.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

- 1. Size and professional qualifications;
- 2. experience of staff;
- 3. location of firm with respect to proposed project;
- 4. work load of firm; and
- 5. firm's performance record.

City of Olathe, Kansas

Notice to Bidders

Sealed bids will be received at the office of the city clerk at City Hall, 100 E. Santa Fe, Olathe, 66061, until 2 p.m. local time Thursday, July 20, for the construction of College Boulevard (Woodland Road to Ridgeview Road), KDOT Project No. 46 K-8306-01, Olathe Project No. 36600.

The entire name of the project must appear on the outside of the bid envelope submitted to the city clerk's office. All contractors will be required to attend a prebid meeting at 10 a.m. July 10 in the City Hall, first floor Governor's Meeting Room. The city will not accept sealed bids from contractors that have not attended the prebid meeting.

At said time and in City Hall, first floor Governor's Meeting Room, and promptly thereafter, all bids that have been duly received will be publicly opened and read aloud.

The bid form is separated into two sections: Participating and Non-Participating. Participating is defined as KDOT Project No. 46 K-8306-01 and includes all work within Station 10+774 to Station 11+260. Non-participating includes all work remaining within the project limits and is defined as Olathe Project No. 36600.

The work consists of the following: The construction of College Blvd. between Woodland Road and Ridgeview Road (approximately 1 mile), approximately 235,000 Cu. M or compacted earthwork, 16,883 Sq. M of asphaltic concrete base and wearing surface, 3,500 M curb and gutter, 1,400 M storm sewers, construction of two bridges 193 M each, 8,468 M of wick drains, 718 Cu. M of concrete box culverts, street lighting, sanitary sewer and other incidental related work.

Borings of the subsurface conditions are attached to these specifications but are not part of the contract documents. The contractor may rely upon the accuracy of the technical data but not upon nontechnical data, interpretations or opinions contained therein or for the completeness thereof.

Contract documents, specifications and plans are on file and may be obtained at the office of HNTB Corporation, 7450 W. 130th St., Suite 400, Overland Park, 66213. Contractors desiring documents, specifications and plans for use in preparing bids will require payment of \$125, which amount is not refundable.

The successful bidder will be required to furnish and pay satisfactory performance and payment bond or bonds.

The city of Olathe, Kansas, reserves the right to reject any or all bids or to waive any informality in the bidding.

Bids may be held by the city of Olathe, Kansas, for a period not to exceed 60 days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding the contract.

Effective April 24, 2000, all bidders shall submit in writing to the Director of Human Relations an affirmative action program. No contract will be awarded to any com-

pany that has not been issued a Certification of Compliance by the Olathe Human Relations Commission within the past 12 months. A copy of the required form is included in the contract documents. Questions concerning the forms and information required to complete the form should be directed to the city of Olathe Equal Opportunity Office at (913) 971-6472.

State of Kansas

Office of the Governor

Executive Order 06-06

WHEREAS, Article 1, §3 of the Constitution of the State of Kansas vests the supreme power of the state in the Governor; and

WHEREAS, energy production is one of the core foundations of our state's economy; and

WHEREAS, the production of energy benefits the long term economic and employment health of the state; and

WHEREAS, the formation of public policy is dependent upon accurate and timely information being made available to Kansas policy makers; and

WHEREAS, improved coordination of the state's energy resources is an essential element in improving the quality of services provided to the people of Kansas; and

WHEREAS, policies to encourage renewable energy and energy efficiency, and to extend the life of existing energy resources are required for Kansas to regain its status as an energy exporter and for Kansas' energy future; and WHEREAS, surrounding states have taken steps to promote or mandate the use of renewable energy resources; and

WHEREAS, after decades of standing as a net energy exporter, Kansas has now become a net importer of energy; and

WHEREAS, Kansas has been ranked first among all states in harnessable renewable energy resources; and

WHEREAS, it is the goal to help ensure that Kansans have low cost, reliable and sustainable energy, produced in-state, to the fullest extent possible.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby reformulate the composition of the Kansas Energy Council ("Council") with the following purposes and charges:

- 1. The Council shall collect and compile information pertaining to energy resources, including wind and biomass, in the state, as well as the availability, production and use of energy in the state.
- 2. Based on such data, the Council shall formulate and coordinate a comprehensive state energy plan that includes strategies to:
 - Ensure a low-cost, reliable and sustainable energy supply;
 - b. Increase energy efficiency and conservation;
 - c. Develop a balanced renewable energy policy that promotes our state's renewable and alternative energy resources and preserves those natural ecosystems and places of scenic beauty that cannot be replaced;
 - d. Extend the life of existing energy resources;
 - Enhance energy related research and development; and
 - f. Ensure an adequate and stable state energy infrastructure.
- 3. Such a state plan shall include sections corresponding with:
 - a. Estimates of energy consumption by Kansas residents for the next 12, 36 and 60 months by energy category; and
 - b. Estimates of energy production by energy source for the next 12, 36, and 60 months by energy category.
- 4. The Council shall annually review and modify as necessary the state energy plan.
- 5. The Council shall advise of trends identified in relation to energy production, consumption and any tax or revenue implications.
- 6. The Council shall recommend:
 - a. Appropriate means to increase the productive life of Kansas energy resources;
 - b. Appropriate means to increase the state's self-reliance on its own energy sources through:
 - Increased efficiency in the use of its resources,
 - ii. Identification of potential energy resources, and
 - Identification of policy and tax issues that positively or adversely impact self-reliance;
 - Ways to avoid loss of tax revenues and employment opportunities related to energy resource management;

- d. Policies to increase the export of energy from Kansas;
- e. Policies to encourage renewable energy development;
- f. Policies to encourage energy efficiency; and
- g. Such other policies or actions related to energy resource management as may be identified.
- 7. The Council shall study the state's transmission needs for electrical energy.
- 8. The Council shall determine ways to encourage energy-related production, research and development, and other energy-related economic development in the state.
- 9. The Council shall annually report their findings and recommendations to the Kansas Corporation Commission, the Governor and the legislature no later than January 15th.
- 10. The Council shall consist of 28 members as follows:
 - a. The state geologist, or designee;
 - b. The chairperson of the Kansas Corporation Commission, or designee;
 - c. The consumer counsel of the Citizens' Utility Ratepayer Board, or designee;
 - d. 20 appointments by the Governor; including:
 - An energy economist serving on the faculty of a state education institution;
 - ii. An individual knowledgeable in energy efficiency and conservation;
 - iii. An individual knowledgeable in tax and revenue issues related to energy use or production;
 - iv. An individual knowledgeable in energy production issues as they relate to agriculture;
 - v. An individual knowledgeable in environmental issues related to energy use and production;
 - vi. An individual knowledgeable in renewable energy resources;
 - vii. A representative of oil producers;
 - viii. A representative of natural gas producers:
 - ix. A representative of refiners of petroleum products;
 - x. A representative of marketers of petroleum products;
 - xi. A representative of investor-owned generators of electricity;
 - xii. A representative of rural electric cooperatives;
 - xiii. A representative of municipally owned or operated electric utilities;
 - xiv. A representative of generators of electricity from renewable energy resources;
 - A representative of Kansas Association of Counties;
 - xvi. A representative of the League of Kansas Municipalities;
 - xvii. The Secretary of Commerce, or designee;
 - xviii. The President of the Kansas Development Finance Corporation, or designee;

- xix. The Secretary of Transportation, or designee;
- xx. The Secretary of Health and Environment, or designee;
- xxi. The Secretary of Agriculture, or designee;
- xxii. Three members of the House of Representatives who have substantial knowledge of energy, agriculture or business development, two to be appointed by the Speaker of the House and one to be appointed by the Minority Leader of the House of Representatives; and
- xxiii. Three members of the Senate who have substantial knowledge of energy, agriculture or business development, two to be appointed by the President of the Senate and one to be appointed by the Minority Leader of the Senate.
- e. Of the members first appointed by the Governor subsequent to this order, five shall serve terms of four years, five shall serve terms of three years and six shall serve terms of two years, and thereafter, terms shall be for four years;
- All other members shall serve terms consistent with their offices, employment or appointment.
- 11. The Governor shall annually select a chairperson and vice-chairperson from among the members. The Council may elect other officers among its members and may establish any committees deemed necessary to discharge its responsibilities.
- 12. Members of the Council shall not receive compensation, subsistence, allowance or associated expenses. Officers or employees of state agencies who are appointed to the Council as part of their duties shall be authorized to participate on the Council and may claim subsistence, allowance, mileage or associated expenses as permitted by law.
- 13. Plans, reports, or recommendations of any nature adopted by the Council shall be considered advice to the Governor and legislature and shall not be construed as official policy, position or interpretation of laws or rules and regulation by the State Corporation Commission or the Department of Health and Environment nor shall they be bound in any manner to consider any such advice when conducting their advisory and regulatory responsibilities.

This order supersedes Executive Order No. 04-05. This document shall be filed with the Secretary of State as Executive Order No. 06-06 and shall become effective immediately.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 15, 28-18a-1 through 32, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Facility Description: The proposed action is to reissue an existing permit for the discharge of wastewater during quarry operation. This facility is a limestone quarry and crushing operation with no washing. A construction/demolition (C&D) landfill and an asphalt plant also is on-site. Stormwater runoff from the north end of the plant discharges to Outfall 001. Stormwater runoff from the asphalt plant and quarry areas drain to a settling pond for treatment. Any discharge from this pond is considered Outfall 002. The C&D landfill area generates leachate, which is used for dust control and is pumped to a nondischarging holding pond. This holding pond is permitted under a separate permit, issued by the Bureau of Waste Management. Included in the permit is generic water-quality language to protect waters of the state. Contained in the permit is a schedule of compliance requiring the permittee to develop and implement an industrial stormwater pollution prevention plan within one year of the effective date of the permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water quality based.

Facility Name: Plant #1

Facility Description: The proposed action is to reissue a permit for an existing facility treating primarily domestic wastewater. The facility is a mechanical treatment plant consisting of bar screening, aerated grit removal, two oxidation basins, final clarification and UV disinfection of effluent. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. Sludge is thickened, stored in a holding tank and dewatered with a centrifuge prior to composting with wood chips to Class A status. An extraneous flow holding basin is present to control discharge from high rainfall events. The permit is based upon an average daily discharge flow of 3.0 MGD. The proposed permit includes limits for biochemical oxygen demand, total suspended solids, ammonia, fecal coliform, dissolved oxygen and pH. Monitoring of nitrate, nitrite, total Kjeldahl nitrogen, total nitrogen and total phosphorus, as well as stream and effluent flows, also will be required. The permittee will perform a chronic whole effluent toxicity (WET) test annually and a priority pollutant scan once during the term of this permit. Contained in the permit is a schedule of compliance requiring the permittee to conduct a study to assess the cost and feasibility for nitrogen and phosphorus reduction in the effluent and to upgrade the extraneous flow holding basin for disinfection. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Facility Description: The proposed action is to reissue an existing permit for operation of a nonoverflowing lagoon wastewater treatment facility. This facility manufactures expanded polystyrene products, including structural insulated panels, insulated concrete forms, geofoam and CushPack protective packaging noodles. About 9,700 gallons per month (gpmn) domestic wastewater, 32,000 gpmn boiler room pit (including wash sink, boiler blowdown, and boiler skimmer discharge) and 64,000 gpmn mold room pit (including cooling tower blowdown, vacuum pump noncontact seal water and steam condensate from the block mold process) are directed to a one-cell earthen waste stabilization lagoon. Wastewater associated with the water softener, reverse osmosis reject and the wash water containing isoset adhesive and crosslinker shall not be discharged into the domestic earthen lagoon and shall be separately collected and disposed of in a manner acceptable to KDHE.

The permittee shall monitor annually for chloride, boron and pH. Contained in the permit is a schedule of compliance requiring the permittee to submit an engineering evaluation of existing facility covering planned future influent flow modifications, lagoon liner leakage and meeting industrial wastewater pond liner regulations, as well as groundwater monitoring. All proposed modifications shall be completed by August 31, 2008. Discharge of wastewater from this treatment facility to surface waters of the state of Kansas is prohibited by this permit.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before July 22 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-06-178/194, KS-06-082/086, KS-ND-06-013/016) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at http://www.kdhe.state.ks.us/feedlots. Article 1.—DISEASES

- **28-1-26.** Protection of confidentiality of information regarding individuals with HIV infection. (a) Definitions. Each of the following terms shall have the meaning specified in this subsection:
- (1) "AIDS" means the acquired immune deficiency syndrome.
- (2) "Authorized personnel" means individuals who have signed a confidentiality statement.
- (3) "Confidentiality statement" means a written statement, dated and signed by an applicable individual, that certifies the individual's agreement to abide by the security policy of a public health agency and this regulation.
- (4) "Counseling and testing site" means a site where counseling and testing for HIV infection are available.
 - (5) "HIV" means the human immunodeficiency virus.
- (6) "HIV confidential information" means all combinations of individual data elements or information collected for surveillance purposes pursuant to K.S.A. 65-6002 and amendments thereto, in electronic or hard copy, that could identify anyone with HIV or AIDS, including

the name, date of birth, address, and other identifying information.

- (7) "HIV confidentiality officer" means the official in a public health agency responsible for implementing and enforcing all the measures to protect HIV confidential information as defined under this regulation.
- (8) "HIV infection" means the presence of HIV in the body.
- (9) "HIV prevention counseling" and "HPC" mean a client-centered counseling activity designed to assist clients in assessing their risks of acquiring or transmitting HIV and in negotiating a realistic and incremental plan for reducing risk.
- (10) "HIV report" means a report of HIV infection or AIDS transmitted to a public health agency pursuant to K.S.A. 65-6002 and amendments thereto.
- (11) "Partner counseling and referral services" and "PCRS" mean a prevention and control activity conducted by trained individuals who contact and counsel each individual with HIV infection or AIDS who is reported to the secretary utilizing HPC.
- (12) "Public health agency" means any organization operated by any state or local government that acquires, uses, discloses, or stores HIV confidential information for public health purposes.
- (13) "Secretary" means the secretary of health and environment.
- (14) "Secured area" means the physical confinement limiting the location where HIV confidential information is available.
- (15) "Written security policy" means written specifications of the measures adopted to protect HIV confidential information and a description of how to implement these measures.
- (b) Each public health agency shall appoint an HIV confidentiality officer, who shall have the authority to make decisions about the agency operations that could affect the protection of HIV confidential information.
- (c) HIV confidential information shall be maintained in a secured area that is not easily accessible through a window and that is protected by a locked door. Access to the secured area shall be limited to authorized personnel only, and "Restricted area—No unauthorized access" signs shall be prominently posted. Access to the secured area by cleaning crews and other building maintenance personnel shall be granted only during hours when authorized personnel are available for escort or under conditions in which the data is protected by security measures specified in the written security policy.
- (d) Hard copy records containing HIV confidential information shall be kept in a locked cabinet located in a secured area, except when in use by authorized personnel. Records shall not be removed from any secured area without authorization from the HIV confidentiality officer.
- (e) All electronic records containing HIV confidential information shall be kept on computers protected by coded, individual passwords and located in a secured area. Each transfer of records onto removable electronic media shall occur only if absolutely necessary for HIV surveillance program operations and shall be required to be authorized by the HIV confidentiality officer. The re-

- cords shall always be encrypted before the transfer to the removable media. Exchange of HIV confidential information using electronic mail shall be done only if encryption procedures are utilized.
- (f) HIV confidential information shall be permanently removed from HIV records as soon as the information is no longer necessary for the purposes of the prevention and control of HIV infection.
- (g) Mail containing HIV confidential information shall not include on the envelope or address any reference to the HIV infection, to the HIV virus, or to AIDS.
- (h) All telephone conversations in which HIV confidential information is exchanged shall be conducted in a manner that prevents the conversations from being overheard by unauthorized persons.
- (i) Each local health officer responsible for a public health agency shall adopt and implement a written security policy related to HIV confidential information consistent with the provisions of this regulation. A copy of the security policy shall be distributed to all authorized personnel.
- (j) Access to HIV confidential information shall be restricted to a minimum number of authorized personnel trained in confidentiality procedures and aware of penalties for the unauthorized disclosure of HIV confidential information. The HIV confidentiality officer shall authorize the persons who may have access to HIV confidential information and shall keep a list of these authorized personnel.
- (k) Each person authorized to access HIV confidential information shall sign a confidentiality agreement. The HIV confidentiality officer shall maintain a copy of the confidentiality agreement for all authorized personnel.
- (l) HIV confidential information shall not be cross-matched with records in other databases if the resulting cross-matched databases do not have equivalent security and confidentiality protections, and penalties for unauthorized disclosure as those for the HIV confidential information
- (m) The use of records containing HIV confidential information for research purposes shall be required to be approved in advance by institutional review boards, and all researchers shall sign confidentiality statements. Information made available for epidemiologic analyses shall not include names or other HIV confidential information and shall not result in the direct or indirect identification of persons reported with HIV and AIDS.
- (n) Authorized personnel designated by the secretary shall provide confidential, voluntary PCRS in accordance with this regulation. Any personnel providing PCRS who have reason to believe that a spouse, sex partner, or needle-sharing partner of a person who either is infected with HIV or has AIDS may be exposed to HIV or AIDS and is unaware of this risk of exposure may inform the spouse or partner of the risk of exposure if they do not reveal any identifying information about the original patient, including the name, physical description, time frame, method of transmission, and frequency of exposure.
- (o) All communication between public health agencies, both interstate and intrastate, for the purpose of sup-

porting surveillance and PCRS activities, shall disclose information only to the extent necessary to protect the public health pursuant to K.S.A. 65-6002 and amendments thereto.

- (p) Each security breach of HIV confidential information shall be investigated by the HIV confidentiality officer, and personnel sanctions and criminal penalties shall be imposed as appropriate. The HIV confidentiality officer shall make an immediate telephone notification to the secretary that a breach of HIV confidential information occurred and shall transmit to the secretary a written report within seven days from the time the breach is discovered.
 - (q) This regulation shall apply to the following:
- (1) All public health agencies engaged in the provision of services to prevent and control HIV or AIDS as specified in K.S.A. 65-6003 and amendments thereto;
- (2) all individuals required to send HIV reports to the secretary under K.S.A. 65-6002, and amendments thereto; and
- (3) all counseling and testing sites that receive funds from public health agencies. (Authorized by K.S.A. 65-101 and 65-6003; implementing K.S.A. 65-6002 and 65-6003; effective Feb. 18, 2000; amended July 7, 2006.)
