Social and Rehabilitation Services

Notice of Hearing

In compliance with federal regulation, SRS has scheduled a public hearing from 9 to 10 a.m. Friday, July 28, at the SRS Learning Center, Room A, 2600 S.W. East Circle Drive, Topeka, to solicit input from the general public regarding the administration of the Low Income Home Energy Assistance Program (LIHEAP). The public is invited to submit written comments or provide comments at the hearing. Written comments may be mailed to Lewis Kimsey, SRS-Economic and Employment Support, 6th Floor West, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612.

Gary J. Daniels
Secretary of Social and Rehabilitation Services

Doc. No. 033371

State of Kansas

Department of Agriculture
Division of Water Resources

Notice of Hearing

The chief engineer has scheduled a public hearing at 10 a.m. Tuesday, October 24, at the Larned City Hall, 417 Broadway, Larned, to consider whether to expand the Pawnee Valley Intensive Groundwater Use Area (IGUCA). The hearing will continue as long as necessary for a full disclosure of relevant facts.

The hearing is to determine whether conditions exist that require regulation of groundwater withdrawals within the currently designated IGUCA as well as that part of the Pawnee-Buckner-Sawlog subbasin located in Hodgeman, Ness and Pawnee counties. Pursuant to K.S.A. 82a-1038, if the chief engineer finds that groundwater levels within this area are declining or have declined excessively, that the rate of groundwater withdrawal exceeds the rate of recharge, or that other conditions exist that require regulation in the public interest, he will issue an order designating all or part of the area as an IGUCA. The order may contain one or more corrective control provisions. A map and description of the boundaries of the area under consideration for designation of an IGUCA and other information about these proceedings may be obtained from the Division of Water Resources' Subbasin Water Resources Management Program.

Anyone who is not a party to the public hearing may submit written or oral statements to be included in the hearing record. Oral statements will be accepted at 7 p.m. Wednesday, October 25, at the Larned City Hall. Written statements may be submitted to the chief engineer, Division of Water Resources, 109 S.W. 9th, Topeka, 66612, or by fax to (785) 296-1126. Written comments will be accepted if delivered or postmarked by 5 p.m. on the last day of the hearing, unless a later time is specified by the chief engineer.

Prior to the hearing, the chief engineer will conduct a pre-hearing conference to identify the parties and to de-

termine any other preliminary matters as may be necessary for the orderly conduct of the hearing. The pre-hearing conference will be at 1 p.m. Wednesday, August 16, at the Larned City Hall. An open house will be from 10 a.m. to noon to provide the public information and to answer questions. Persons who wish to be named as parties should attend the pre-hearing conference or file a petition to intervene pursuant to K.S.A. 77-521. Persons who are named as parties may be held in default if they fail to attend, participate in or be represented in any preliminary hearings, conferences or the public hearing.

The Subbasin Water Resources Management Program will have public meetings in Jetmore and Larned to provide information about the hearing and the area under consideration. Each meeting will be preceded by an informal open house. The Jetmore meeting will be July 27 at the King Center. The open house will be at 9 a.m. and the public information meeting will be at 10 a.m. The Larned meeting will be July 27 at the Larned City Hall. The open house will be at 2 p.m. and the public information meeting will be at 3 p.m. Members of the public are encouraged to attend one of these meetings.

David L. Pope, P.E.
Chief Engineer

Board of Pharmacy**Notice of Hearing on Proposed Administrative Regulations**

A public hearing will be conducted at 10 a.m. Wednesday, September 13, at the Hayden Office Building, Conference Room, 212 W. 8th, Topeka, to consider the proposed amendments to K.A.R. 68-1-1b, K.A.R. 68-1-1d, K.A.R. 68-1-1f and K.A.R. 68-11-1, and the adoption of K.A.R. 68-1-1g as a permanent regulation of the Board of Pharmacy.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed amendments to and the adoption of the regulations. All parties may submit written comments prior to the hearing to Debra Billingsley, executive secretary of the Kansas Board of Pharmacy, Room 560, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1231. All interested parties will be given a reasonable opportunity to present their views orally on the amendments to and the adoption of the regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the board at the address above or by calling (785) 296-4056. Accessible parking is located on the west and north sides of the building, and the north entrance to the building is accessible to individuals with disabilities.

K.A.R. 68-1-1b, K.A.R. 68-1-1d, K.A.R. 68-1-1f and K.A.R. 68-11-1 are proposed for amendment. A summary of each proposed amendment follows:

K.A.R. 68-1-1b. Continuing education unit. This amendment eliminates unnecessary language in the regulation and clarifies the specific continuing education programs that the board shall and shall not consider for approval.

K.A.R. 68-1-1d. Approved schools. This amendment eliminates unnecessary language in the regulation.

K.A.R. 68-1-1f. Foreign graduates. This amendment eliminates unnecessary language in the regulation and specifies that each foreign applicant shall be required to meet one of the English language requirements for licensure under the pharmacy act.

K.A.R. 68-11-1. Fees for examination and licensure as a pharmacist. This amendment changes the reciprocal licensure fee that shall be paid to the Kansas board of pharmacy.

K.A.R. 68-1-1g is proposed for permanent adoption. A summary of the proposed regulation follows:

K.A.R. 68-1-1g. Internet-based TOEFL. This regulation identifies the minimum scores a foreign applicant shall be required to obtain on the Internet-based TOEFL in order to meet one of the English language requirements for licensure under the pharmacy act.

Copies of the regulations and the economic impact statements may be obtained by contacting the Board of Pharmacy or by accessing the board's Web site at <http://www.accesskansas.org/pharmacy/leg.html>.

Debra Billingsley
Executive Secretary

Doc. No. 033352

(Published in the Kansas Register July 13, 2006.)

**Summary Notice of Bond Sale
Unified School District No. 231
Johnson County, Kansas
\$15,825,000***

**General Obligation School Bonds, Series 2006-A
(General obligation bonds payable from
unlimited ad valorem taxes)**

Bids

Subject to the notice of bond sale dated June 12, 2006, and the preliminary official statement dated June 12, 2006, bids will be received by the Director of Business of Unified School District No. 231, Johnson County, Kansas (the issuer), on behalf of the Board of Education at the school district office, 231 E. Madison, P.O. Box 97, Gardner, Kansas, until 1 p.m. Monday, July 24, 2006, for the purchase of \$15,825,000* principal amount of General Obligation School Bonds, Series 2006-A. Bids will be received (1) in the case of sealed and facsimile bids, by the Director of Business at the address and fax number hereafter set forth, and (2) in the case of electronic bids, through *PARITY* electronic bid submission system. The school district and the school district's financial advisor shall not be responsible for any failure, misdirection, delay or error in the means of transmission selected by the bidder. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The bonds will initially be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York, to which payments of principal of and interest on the bonds will be made. Individual purchases of bonds will be made in book-entry form only. Purchasers will not receive certificates representing their interest in bonds purchased. The bonds will be dated August 1, 2006, and will become due on October 1 in the years as follows:

Year	Amount*
2008	\$ 690,000
2009	720,000
2010	750,000
2011	780,000
2012	810,000
2013	625,000
2014	655,000
2015	685,000
2016	720,000
2017	755,000

2018	795,000
2019	835,000
2020	875,000
2021	910,000
2022	955,000
2023	995,000
2024	1,040,000
2025	1,090,000
2026	1,140,000

The bonds will be subject to mandatory and optional redemption prior to maturity as provided in the notice of bond sale and preliminary official statement.

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning April 1, 2007.

Paying Agent and Bond Registrar

Kansas State Treasurer, Topeka Kansas.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check or a financial surety bond in the amount of \$316,500 (2 percent of the principal amount of the bonds).

Delivery

The issuer will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale.

Assessed Valuation and Bonded Indebtedness

The total assessed valuation of the taxable tangible property within the school district for the year 2005 is \$210,488,816. The total general obligation indebtedness of the school district as of the date of the bonds, including the bonds, is \$105,165,000.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Kansas City, Missouri, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer and delivered to the successful bidder when the bonds are delivered.

Additional Information

Additional information regarding the bonds may be obtained from the Director of Business, (913) 856-2000, or from the financial advisor, George K. Baum & Company, Kansas City, Missouri, (816) 474-1100.

Doc. No. 033356

(Published in the Kansas Register July 13, 2006.)

City of Lenexa, Kansas

Notice to Bidders

Sealed bids for **Lackman Road Improvements, 105th Street to 107th Street** will be accepted by the city of Lenexa, Kansas, at the Planning Department, Lenexa City Hall, 12350 W. 87th St. Parkway, Lenexa, 66215, until 3:30 p.m. August 14, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Planning Department customer service staff in sealed envelopes addressed to the City of Lenexa, Kansas, Attention: City Clerk, and marked "Bid for: Lackman Road Improvements, 105th Street to 107th Street." Copies of plans, specifications, bidding documents and other contract documents are on file at the Planning Department, Lenexa City Hall.

Bidders desiring contract documents for use in preparing bids may obtain a set of such documents at the address above upon payment of \$150, which amount is non-refundable.

In lieu of picking up plans and specifications at Lenexa City Hall, bidders may download plans and specs free of charge from the city of Lenexa's Web site @ <http://www.ci.lenexa.ks.us/publicworks/index.html>.

Note: Davis-Bacon wage rates apply to this project.

Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations, and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid Form;
- b. 5% Bid Security—Bid Bond, Cashier's Check or Certified Check (see below).

Each bidder shall file with its bid a bid bond, a cashier's check or a certified check drawn on an acceptable bank, made payable to the city of Lenexa, Kansas, in an amount equal to 5 percent of the total bid, which shall be retained by city of Lenexa, Kansas, until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within 21 days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond and statutory bond, each in an amount equal to 100 percent of the contract amount, required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the notice of award, the city may annul the notice of award and the bid deposit may be forfeited, and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk prior to the time and date for bid opening.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

A pre-bid conference will be held at 8:30 a.m. August 8 in the executive conference room, main level, Lenexa City Hall.

Mary Sue Fry, City Clerk
City of Lenexa, Kansas

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 15, 28-18a-1 through 32, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before August 12 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-06-222/227) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16- 61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdhe.state.ks.us/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

State of Kansas

Department of Health
and EnvironmentNotice of Hearing on Proposed
Administrative Regulations

The Kansas Department of Health and Environment, Division of Health, Bureau for Children, Youth and Families, will conduct a public hearing at 9 a.m. Friday, September 15, in the California Trail Conference Room, second floor, Curtis State Office Building, 1000 S.W. Jackson, Topeka, to consider the adoption of proposed amendments to K.A.R. 28-4-501 and 28-4-510, and new regulation K.A.R. 28-4-514, relating to screening and treatment of newborn infants.

The following regulations address changes due to 2006 House Substitute for Senate Bill 579, which amends K.S.A. 65-180:

K.A.R. 28-4-501 expands definitions necessary for the amendment.

K.A.R. 28-4-510 addresses changes to the coverage of necessary treatment products as the previous regulation provided treatment at no cost.

K.A.R. 28-4-514 is a new regulation to guide KDHE in determining those families eligible for coverage of necessary treatment products.

Economic Impact: The cost to the agency is expected to decrease in relation to the cost of necessary treatment products. However, manpower costs will be increased due to the increase in workload due to the need to determine financial eligibility and the need to track costs that families are responsible for, including billing the families for their portion of necessary treatment product costs.

KDHE is unsure of the impact that this will have on private citizens until it has received financial information from the families. Necessary treatment products can cost up to \$9,000 per year, so the patient could be responsible for the total amount depending on the family income. Clients eligible for Medicaid will have products covered with Medicaid funding if they are under the age of 21.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written comments on the proposed regulatory action. All interested parties may submit written comments prior to the hearing to Jamey Kendall, Bureau for Children, Youth and Families, Suite 220, Curtis State Office Building, 1000

S.W. Jackson, Topeka, 66612. Comments also may be sent via e-mail to jkendall@kdhe.state.ks.us. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulatory action during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to require each participant to limit any oral presentation to five minutes.

Copies of the proposed regulations and the economic impact statements may be obtained by contacting Jamey Kendall at (785) 296-1313 or (800) 332-6262. The regulations also can be found on the KDHE Web site at www.kdheks.gov/shs. Questions pertaining to these proposed amendments should be directed to Jamey Kendall.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed amendments and the economic impact and environmental benefit statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Jamey Kendall.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. Atchison Steel Casting & Machining has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Atchison Steel Casting & Machining, Atchison, owns and operates a steel foundry located at 400 S. Fourth St., Atchison.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and a copy of the proposed permit can be reviewed at the KDHE Northeast District Office, 800 W. 24th, Lawrence. To obtain or review the proposed permit and supporting documentation, contact Ralph E. Walden, (785) 296-1583, at the KDHE central office; and to review the proposed permit only, contact Pat Simpson, (785) 842-4600, at the KDHE Northeast District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Ralph E. Walden, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka,

66612-1366. In order to be considered in formulating a final permit decision, written comments must be received before the close of August 14.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Sherry Walker, Bureau of Air and Radiation, not later than the close of business August 14 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Jon Knodel, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7622, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Roderick L. Bremby
Secretary of Health
and Environment

Doc. No. 033361

(Editor's Note: The notice of final nursing facility Medicaid rates published in the June 29, 2006 Kansas Register inadvertently included proposed rates, which were published in the April 27, 2006 Kansas Register. The notice is being republished to reflect the final nursing facility Medicaid rates and the methodology used for calculation.)

State of Kansas

Division of Health Policy and Finance Social and Rehabilitation Services Department on Aging

Notice of Final Nursing Facility Medicaid Rates for State Fiscal Year 2007;

Methodology for Calculating Final Rates, and Rate Justifications;

Response to Written Comments;

Notice of Intent to Amend the Medicaid State Plan

Under the Medicaid program, 42 U.S.C. 1396 et seq., the State of Kansas pays nursing facilities, nursing facilities for mental health, and hospital long-term care units (hereafter collectively referred to as nursing facilities) a daily rate for care provided to residents who are eligible for Medicaid benefits. The Secretary of Aging administers the Medicaid nursing facility services payment program

which includes hospital long-term care units and the Secretary of Social and Rehabilitation Services administers the nursing facility for mental health program. Both Secretaries act on behalf of the Division of Health Policy and Finance (DHPF). Effective July 1, 2006, the duties and responsibilities of the DHPF transfer to the Kansas Health Policy Authority. See L. 2005 ch. 187 §46. As required by 42 U.S.C. 1396a(a)(13), the Secretary of the Kansas Department of Social and Rehabilitation Services (SRS) and the Secretary of the Kansas Department on Aging (KDOA) are publishing the final Medicaid per diem rates for Medicaid-certified nursing facilities for State Fiscal Year 2007, the methodology underlying the establishment of the final nursing facility rates, and the justifications for those final rates. SRS, KDOA, and DHPF are also providing notice of the state's intent to submit amendments to the Medicaid State Plan to the U. S. Department of Health and Human Services' Centers for Medicare and Medicaid Services (CMS) on or before September 30, 2006.

I. Methodology Used to Calculate Medicaid Per Diem Rates for Nursing Facilities

In general, the state uses a prospective, cost-based, facility-specific rate-setting methodology to calculate nursing facility Medicaid per diem rates, including the rates listed in this notice. The state's rate-setting methodology is contained primarily in the following described documents and authorities and in the exhibits, attachments, regulations, or other authorities referenced in them:

A. The following portions of the Kansas Medicaid State Plan are maintained by DHPF:

1. Attachment 4.19D, Part I, Subpart C, Exhibit C-1, inclusive; and

B. The regulations set out in K.A.R. Article 30-10.

The text of those portions of the Medicaid State Plan identified above in section IA.1, but not the documents, authorities and the materials incorporated into them by reference, are reprinted in this notice. Those Medicaid State Plan provisions set out in this notice appear in the versions which the state currently intends to submit to CMS on or before September 30 2006. The proposed Medicaid State Plan amendments which the state ultimately submits to CMS may differ from the versions contained in this notice.

Copies of the documents and authorities containing the state's rate-setting methodology are available upon written request. A request for copies will be treated as a request for public records under the Kansas Open Records Act, K.S.A. 45-215 et seq. The state will charge a fee for copies. Written requests for copies should be sent to:

Secretary of Aging
New England Building, 2nd Floor
503 S. Kansas Avenue
Topeka, KS 66603-3404
Fax Number: 785-296-0767

A.1 Attachment 4.19D, Part I, Subpart C, Exhibit C-1: Methods and Standards for Establishing Payment Rates for Nursing Facilities

Under the Medicaid program, the State of Kansas pays nursing facilities (NF), nursing facilities for mental health

(continued)

(NFMH), and hospital long-term care units (hereafter collectively referred to as nursing facilities) a daily rate for care provided to residents who are eligible for Medicaid benefits. The narrative explanation of the nursing facility reimbursement formula is divided into twelve sections. The sections are: Cost Reports, Rate Determination, Quarterly Case Mix Index Calculation, Resident Days, Inflation Factors, Upper Payment Limits, Quarterly Case Mix Rate Adjustment, Real and Personal Property Fee, Incentive Factors, Rate Effective Date, Retroactive Rate Adjustments, and Comparable Private Pay Rates.

1) Cost Reports

The Nursing Facility Financial and Statistical Report (MS2004) is the uniform cost report. It is included in Kansas Administrative Regulation (K.A.R.) 30-10-17. It organizes the commonly incurred business expenses of providers into three reimbursable cost centers (operating, indirect health care and direct health care). Ownership costs (i.e., mortgage interest, depreciation, lease and amortization of leasehold improvements) are reported but reimbursed through the real and personal property fee. There is a non-reimbursable/non-resident related cost center so that total operating expenses can be reconciled to the providers' accounting records.

All cost reports are desk reviewed by agency auditors. Adjustments are made, when necessary, to the reported costs in arriving at the allowable historic costs for the rate computations.

Calendar Year End Cost Reports:

All providers that have operated a facility for 12 or more months on December 31 shall file a calendar year cost report. The requirements for filing the calendar year cost report are found in K.A.R. 30-10-17.

When a non-arms length change of provider takes place or an owner of the real estate assumes the operations from a lessee, the facility will be treated as an ongoing operation. In this situation, the related provider or owner shall be required to file the calendar year end cost report. The new operator or owner is responsible for obtaining the cost report information from the prior operator for the months during the calendar year in which the new operator was not involved in running the facility. The cost report information from the old and new operators shall be combined to prepare a 12-month calendar year end cost report.

Projected Cost Reports:

The filing of projected cost reports are limited to: 1) newly constructed facilities; 2) existing facilities new to the Medicaid program; or 3) a provider re-entering the Medicaid program that has not actively participated or billed services for 24 months or more. The requirements are found in K.A.R. 30-10-17.

2) Rate Determination

Rates for Existing Nursing Facilities

Medicaid rates for Kansas NFs are determined using a prospective, facility-specific rate-setting system. The rate is determined from the base cost data submitted by the provider. The current base cost data is the combined cal-

endar year cost data from each available report submitted by the current provider during 2003, 2004, and 2005.

If the current provider has not submitted a calendar year report between 2003 and 2005, the cost data submitted by the previous provider for that same period will be used as the base cost data. Once the provider completes their first 24 months in the program, their first calendar year cost report will become the provider's base cost data.

The allowable expenses are divided into three cost centers. The cost centers are Operating, Indirect Health Care and Direct Health Care. They are defined in K.A.R. 30-10-18.

The allowable historic per diem cost is determined by dividing the allowable resident related expenses in each cost center by resident days. Before determining the per diem cost, each year's cost data is adjusted from the midpoint of that year to the midpoint of the rate payment period. The resident days and inflation factors used in the rate determination will be explained in greater detail in the following sections.

The inflated allowable historic per diem cost for each cost center is then compared to the cost center upper payment limit. The allowable per diem rate is the lesser of the inflated allowable historic per diem cost in each cost center or the cost center upper payment limit. Each cost center has a separate upper payment limit. If each cost center upper payment limit is exceeded, the allowable per diem rate is the sum of the three cost center upper payment limits. There is also a separate upper payment limit for owner, related party, administrator, and co-administrator compensation. The upper payment limits will be explained in more detail in a separate section.

The case mix of the residents adjusts the Direct Health Care cost center. The reasoning behind a case mix payment system is that the characteristics of the residents in a facility rather than the characteristics of the facility should determine the payment rate. The idea is that certain resident characteristics can be used to predict future costs to care for residents with those same characteristics. For these reasons, it is desirable to use the case mix classification for each facility in adjusting provider rates.

There are add-ons to the allowable per diem rate. The add-ons consist of the incentive factor and the real and personal property fee. The incentive factor and real and personal property fee are explained in separate sections of this exhibit. The add-ons plus the allowable per diem rate equal the total per diem rate.

Rates for New Construction and New Facilities (New Enrollment Status)

The per diem rate for newly constructed nursing facilities, or new facilities to the Kansas Medical Assistance program shall be based on a projected cost report submitted in accordance with K.A.R. 30-10-17.

The cost information from the projected cost report and the first historic cost report covering the projected cost report period shall be adjusted to the midpoint of the rate payment period. This adjustment will be based on the Data Resources, Inc., National Skilled Nursing Facility Market Basket Without Capital Index (DRI Index). The DRI indices listed in the latest available quarterly publication will be used to adjust the reported cost data from

the midpoint of the cost report period to the midpoint of the rate payment period. The provider shall remain in new enrollment status until the base data is reestablished. During this time, the adjusted cost data shall be used to determine all rates for the provider. Any additional factor for inflation that is applied to cost data for established providers shall be applied to the adjusted cost data for each provider in new enrollment status.

Rates for Facilities Recognized as a Change of Provider (Change of Provider Status)

The payment rate for the first 24 months of operation shall be based on the base cost data of the previous owner or provider. This base cost data shall include data from each calendar year cost report that was filed by the previous provider from 2003 to 2005. If base cost data is not available the most recent calendar year data for the previous provider shall be used. Beginning with the first day of the 25th month of operation the payment rate shall be based on the historical cost data for the first calendar year submitted by the new provider.

All data used to set rates for facilities recognized as a change-of-provider shall be adjusted to the midpoint of the rate payment period. This adjustment will be based on the Data Resources, Inc., National Skilled Nursing Facility Market Basket Without Capital Index (DRI Index). The DRI indices listed in the latest available quarterly publication will be used to adjust the reported cost data from the midpoint of the cost report period to the midpoint of the rate payment period. The provider shall remain in change-of-provider status until the base data is reestablished. During this time, the adjusted cost data shall be used to determine all rates for the provider. Any additional factor for inflation that is applied to cost data for established providers shall be applied to the adjusted cost data for each provider in change of provider status.

Rates for Facilities Re-entering the Program (Reenrollment Status)

The per diem rate for each provider reentering the Medicaid program shall be determined from a projected cost report if the provider has not actively participated in the program by the submission of any current resident service billings to the program for 24 months or more. The per diem rate for all other providers reentering the program shall be determined from the base cost data filed with the agency or the most recent cost report filed preceding calendar year 2003.

All cost data used to set rates for facilities reentering the program shall be adjusted to the midpoint of the rate payment period. This adjustment will be based on the Data Resources, Inc., National Skilled Nursing Facility Market Basket Without Capital Index (DRI Index). The DRI indices listed in the latest available quarterly publication will be used to adjust the reported cost data from the midpoint of the cost report period to the midpoint of the rate payment period. The provider shall remain in reenrollment status until the base data is reestablished. During this time, the adjusted cost data shall be used to determine all rates for the provider. Any additional factor for inflation that is applied to cost data for established providers shall be applied to the adjusted cost data for each provider in reenrollment status.

3) Quarterly Case Mix Index Calculation

Providers are required to submit to the agency the uniform assessment instrument, which is the Minimum Data Set (MDS), for each resident in the facility. The MDS assessments are maintained in a computer database.

The Resource Utilization Groups-III (RUG-III) Version 5.12b, 34 group, index maximizer model is used as the resident classification system to determine all case-mix indices, using data from the MDS submitted by each facility. Standard Version 5.12b case mix indices developed by the Health Care Financing Administration (now the Centers for Medicare and Medicaid Services) shall be the basis for calculating facility average case mix indices to be used to adjust the Direct Health Care costs in the determination of upper payment limits and rate calculation. Resident assessments that cannot be classified will be assigned the lowest CMI for the State.

Each resident in the facility on the first day of each calendar quarter with a completed and submitted assessment shall be assigned a RUG-III 34 group calculated on the resident's most current assessment available on the first day of each calendar quarter. This RUG-III group shall be translated to the appropriate CMI. From the individual resident case mix indices, three average case mix indices for each Medicaid nursing facility shall be determined four times per year based on the assessment information available on the first day of each calendar quarter.

The facility-wide average CMI is the simple average, carried to four decimal places, of all resident case mix indices. The Medicaid-average CMI is the simple average, carried to four decimal places, of all indices for residents where Medicaid is known to be a per diem payer source on the first day of the calendar quarter or at any time during the preceding quarter. The private-pay/other average CMI is the simple average, carried to four decimal places, of all indices for residents where neither Medicaid nor Medicare were known to be the per diem payer source on the first day of the calendar quarter or at any time during the preceding quarter. Case mix indices for ventilator-dependent residents for whom additional reimbursement has been determined shall be excluded from the average CMI calculations.

The resident listing cut-off for calculating the average CMIs will be the first day of the quarter before the rate is effective. The following are the dates for the resident listings and the quarter in which the average Medicaid CMIs will be used in the quarterly rate-setting process.

<u>Rate Effective Date:</u>	<u>Cutoff Date:</u>
July 1	April 1
October 1	July 1
January 1	October 1
April 1	January 1

The resident listings will be mailed to providers prior to the dates the quarterly case mix adjusted rates are determined. This will allow the providers time to review the resident listings and make corrections before they are notified of new rates. The cut off schedule may need to be modified in the event accurate resident listings and Medicaid CMI scores cannot be obtained from the MDS database.

(continued)

4) Resident Days

Facilities with 60 beds or less:

For facilities with 60 beds or less, the allowable historic per diem costs for all cost centers are determined by dividing the allowable resident related expenses by the actual resident days during the cost report period(s) used to establish the base cost data.

Facilities with more than 60 beds:

For facilities with more than 60 beds, the allowable historic per diem costs for the Direct Health Care cost center and for food and utilities in the Indirect Health Care cost center are determined by dividing the allowable resident related expenses by the actual resident days during the cost report period(s) used to establish the base cost data. The allowable historic per diem cost for the Operating and Indirect Health Care Cost Centers less food and utilities is subject to an 85% minimum occupancy rule. For these providers, the greater of the actual resident days for the cost report period(s) used to establish the base cost data or the 85% minimum occupancy based on the number of licensed bed days during the cost report period(s) used to establish the base cost data is used as the total resident days in the rate calculation for the Operating cost center and the Indirect Health Care cost center less food and utilities. All licensed beds are required to be certified to participate in the Medicaid program.

There are two exceptions to the 85% minimum occupancy rule for facilities with more than 60 beds. The first is that it does not apply to a provider who is allowed to file a projected cost report for an interim rate. Both the rates determined from the projected cost report and the historic cost report covering the projected cost report period are based on the actual resident days for the period.

The second exception is for the first cost report filed by a new provider who assumes the rate of the previous provider. If the 85% minimum occupancy rule was applied to the previous provider's rate, it is also applied when the rate is assigned to the new provider. However, when the new provider files a historic cost report for any part of the first 12 months of operation, the rate determined from the cost report will be based on actual days and not be subject to the 85% minimum occupancy rule for the months in the first year of operation. The 85% minimum occupancy rule is then reapplied to the rate when the new provider reports resident days and costs for the 13th month of operation and after.

5) Inflation Factors

Inflation will be applied to the allowable reported costs from the calendar year cost report(s) used to determine the base cost data from the midpoint of each cost report period to the midpoint of the rate payment period. The inflation will be based on the Data Resources, Inc., National Skilled Nursing Facility Market Basket Without Capital Index (DRI Index).

The DRI Indices listed in the latest available quarterly publication will be used to determine the inflation tables for the payment schedules processed during the payment rate period. This may require the use of forecasted factors in the inflation table. The inflation tables will not be revised until the next payment rate period.

The inflation factor will not be applied to the following costs:

- 1) Owner/Related Party Compensation
- 2) Interest Expense
- 3) Real and Personal Property Taxes

The inflation factor for the real and personal property fees will be based on the Data Resources, Inc., National Skilled Nursing Facility Total Market Basket Index (DRI Index). An additional 12 months of inflation will be applied to the real and personal property fees in effect June 1.

6) Upper Payment Limits

There are three types of upper payment limits that will be described. One is the owner/related party/administrator/co-administrator limit. The second is the real and personal property fee limit. The last type of limit is an upper payment limit for each cost center. The upper payment limits are in effect during the payment rate period unless otherwise specified by a State Plan amendment.

Owner/Related Party/Administrator/ Co-Administrator Limits:

Since salaries and other compensation of owners are not subject to the usual market constraints, specific limits are placed on the amounts reported. First, amounts paid to non-working owners and directors are not an allowable cost. Second, owners and related parties who perform resident related services are limited to a salary chart based on the Kansas Civil Service classifications and wages for comparable positions. Owners and related parties who provide resident related services on less than a full time basis have their compensation limited by the percent of their total work time to a standard work week. A standard work week is defined as 40 hours. The owners and related parties must be professionally qualified to perform services which require licensure or certification.

The compensation paid to owners and related parties shall be allocated to the appropriate cost center for the type of service performed. Each cost center has an expense line for owner/related party compensation. There is also a cost report schedule titled, "Statement of Owners and Related Parties." This schedule requires information concerning the percent of ownership (if over five percent), the time spent in the function, the compensation, and a description of the work performed for each owner and/or related party. Any salaries reported in excess of the Kansas Civil Service based salary chart are transferred to the Operating cost center where the excess is subject to the Owner/Related Party/Administrator/Co-Administrator per diem compensation limit.

The Schedule C is an array of non-owner administrator and co-administrator salaries. The schedule includes the calendar year 2005 historic cost reports in the database from all active nursing facility providers. The salary information is not adjusted for inflation. The per diem data is calculated using an 85% minimum occupancy level for those providers in operation for more than 12 months with more than 60 beds. The Schedule C for the owner/related party/administrator/co-administrator per diem compensation limit is the first schedule run during the rate setting.

The Schedule C is used to set the per diem limitation for all non-owner administrator and co-administrator salaries and owner/related party compensation in excess of the civil service based salary limitation schedule. The per diem limit for a 50-bed or larger home is set at the 90th percentile on all salaries reported for non-owner administrators and co-administrators. A limitation table is then established for facilities with less than 50 beds. This table begins with a reasonable salary per diem for an administrator of a 15-bed or less facility. A linear relationship is then established between the compensation of the administrator of the 15-bed facility and the compensation of the administrator of a 50-bed facility. The linear relationship determines the per diem limit for the facilities between 15 and 50 beds.

The per diem limits apply to the non-owner administrators and co-administrators and the compensation paid to owners and related parties who perform an administrative function or consultant type of service. The per diem limit also applies to the salaries in excess of the civil service based salary chart in other cost centers that are transferred to the operating cost center.

Real and Personal Property Fee Limit

The property component of the reimbursement methodology consists of the real and personal property fee that is explained in more detail in a later section. The upper payment limit will be 105% of the median determined from a total resident day-weighted array of the inflated property fees.

Cost Center Upper Payment Limits

The Schedule B computer run is an array of all per diem costs for each of the three cost centers—Operating, Indirect Health Care, and Direct Health Care. The schedule includes a per diem determined from the base cost data from all active nursing facility providers. Projected cost reports are excluded when calculating the limit.

The per diem expenses for the Operating cost center and the Indirect Health Care cost center less food and utilities are subject to the 85% minimum occupancy for facilities over 60 beds. All previous desk review and field audit adjustments are considered in the per diem expense calculations. The costs are adjusted by the owner/related party/administrator/co-administrator limit.

Prior to the Schedule B arrays, the cost data on certain expense lines is adjusted from the midpoint of the cost report period to the midpoint of the rate payment period. This will bring the costs reported by the providers to a common point in time for comparisons. The inflation will be based on the DRI Index.

Certain costs are exempt from the inflation application when setting the upper payment limits. They include owner/related party compensation, interest expense, and real and personal property taxes.

The final results of the Schedule B run are the median compilations. These compilations are needed for setting the upper payment limit for each cost center. The median for each cost center is weighted based on total resident days. The upper payment limits will be set using the following:

Operating	110% of the median
Indirect Health Care	115% of the median
Direct Health Care	120% of the median

Direct Health Care Cost Center Limit:

The Kansas reimbursement methodology has a component for a case mix payment adjustment. The Direct Health Care cost center rate component and upper payment limit are adjusted by the facility average CMI.

For the purpose of setting the upper payment limit in the Direct Health Care cost center, the facility cost report period CMI and the statewide average CMI will be calculated. The facility cost report period CMI is the resident day-weighted average of the quarterly facility-wide average case mix indices, carried to four decimal places. The quarters used in this average will be the quarters that most closely coincide with the financial and statistical reporting period. For example, a 01/01/20XX-12/31/20XX financial and statistical reporting period would use the facility-wide average case mix indices for quarters beginning 04/01/XX, 07/01/XX, 10/01/XX and 01/01/XY. The statewide average CMI is the resident day-weighted average, carried to four decimal places, of the facility cost report period case mix indices for all Medicaid facilities.

The statewide average CMI and facility cost report period CMI are used to set the upper payment limit for the Direct Health Care cost center. The limit is based on all facilities with a historic cost report in the database. There are three steps in establishing the base upper payment limit.

The first step is to normalize each facility's inflated Direct Health Care costs to the statewide average CMI. This is done by dividing the facility's cost report period CMI by the statewide average CMI for the cost report year, then multiplying this answer by the facility's inflated costs. This step is repeated for each cost report year for which data is included in the base cost data.

The second step is to determine per diem costs and array them to determine the median. The per diem cost is determined by dividing the total of each provider's base direct health care costs by the total days provided during the base cost data period. The median is located using a day-weighted methodology. That is, the median cost is the per diem cost for the facility in the array at which point the cumulative total of all resident days first equals or exceeds half the number of the total resident days for all providers. The facility with the median resident day in the array sets the median inflated direct health care cost. For example, if there are 8 million resident days, the facility in the array with the 4 millionth day would set the median.

The final step in calculating the base Direct Health Care upper payment limit is to apply the percentage factor to the median cost. For example, if the median cost is \$60 and the upper payment limit is based on 120% of the median, then the upper payment limit for the statewide average CMI would be \$72 ($D=120\% \times \60).

7) Quarterly Case Mix Rate Adjustment

The allowance for the Direct Health Care cost component will be based on the average Medicaid CMI in the facility. The first step in calculating the allowance is to

(continued)

determine the Allowable Direct Health Care Per Diem Cost. This is the lesser of the facility's per diem cost from the base cost data period or the Direct Health Care upper payment limit. Because the direct health care costs were previously adjusted for the statewide average CMI, the Allowable Direct Health Care Per Diem Cost corresponds to the statewide average CMI.

The next step is to determine the Medicaid acuity adjusted allowable Direct Health Care cost. The Medicaid CMI is divided by the statewide average CMI for the cost data period. This answer, is then multiplied by the Allowable Direct Health Care per diem cost. The result is referred to as the Medicaid Acuity Adjustment.

The Medicaid Acuity Adjustment is calculated quarterly to account for changes in the Medicaid CMI. To illustrate this calculation take the following situation: The Direct Health Care per diem limit is \$72.00 with a statewide average CMI of 1.000, and the facility's direct health care per diem costs are \$60.00, and its current Medicaid CMI is 0.9000. Since the per diem costs are less than the limit the Allowable Direct Health Care Cost is \$60.00, and this is matched with the statewide average CMI of 1.0000. To calculate the Medicaid Acuity Adjustment, first divide the Medicaid CMI by the statewide average CMI, then multiply the answer by the Allowable Direct Health Care Cost. In this case that would result in \$54.00 ($0.9000/1.0000 \times \60.00). Because the facility's current Medicaid CMI is less than the statewide average CMI the Medicaid Acuity Adjustment moves the direct health care per diem down proportionally. In contrast, if the Medicaid CMI for the next quarter rose to 1.1000, the Medicaid Acuity Adjustment would be \$66.00 ($1.1000/1.0000 \times \60.00). Again the Medicaid Acuity Adjustment changes the Allowable Direct Health Care Per Diem Cost to match the current Medicaid CMI.

8) Real And Personal Property Fee

The property component of the reimbursement methodology consists of the real and personal property fee (property fee). The property fee is paid in lieu of an allowable cost of mortgage interest, depreciation, lease expense and/or amortization of leasehold improvements. The fee is facility specific and does not change as a result of a change of ownership, change in lease, or with re-enrollment in the Medicaid program. The original property fee was comprised of two components, a property allowance and a property value factor. The differentiation of fee into these components was eliminated effective July 1, 2002. At that time each facility's fee was re-established based on the sum of the property allowance and value factor.

The property fees in effect on June 1, were inflated with 12 months of inflation effective July 1. The inflation factor was from the Data Resources, Inc.-WEFA, National Skilled Nursing Facility Total Market Basket Index (DRI Index). The providers received the lower of the inflated property fee or the upper payment limit.

For providers re-enrolling in the Kansas Medical Assistance program or providers enrolling for the first time but operating in a facility that was previously enrolled in the program, the property fee shall be the sum of the last effective property allowance and the last effective value

factor for that facility. The property fee will be inflated and then compared to the upper payment limit. The property fee will be the lower of the facility-specific inflated property fee or the upper payment limit.

Providers entering the Kansas Medical Assistance program for the first time, who are operating in a building for which a fee has not previously been established, shall have a property fee calculated from the ownership costs reported on the cost report. This fee shall include appropriate components for rent or lease expense, interest expense on real estate mortgage, amortization of leasehold improvements, and depreciation on buildings and equipment. The process for calculating the property fee for providers entering the Kansas Medical Assistance program for the first time is explained in greater detail in (K.A.R. 30-10-25).

There is a provision for changing the property fee. This is for a rebasing when capital expenditure thresholds are met (\$25,000 for homes under 51 beds and \$50,000 for homes over 50 beds). The original property fee remains constant but the additional factor for the rebasing is added. The property fee rebasing is explained in greater detail in (K.A.R. 30-10-25). The rebased property fee is subject to the upper payment limit.

9) Incentive Factors

An incentive factor will be awarded to both NF and NF-MH providers that meet certain outcome measures criteria. The criteria for NF and NF-MH providers will be determined separately based on arrays of outcome measures for each provider group.

Nursing Facility Quality and Efficiency Incentive Factor:

The Nursing Facility Quality and Efficiency Incentive Factor is a per diem add-on ranging from zero to three dollars. It is designed to encourage quality care and efficiency. The incentive factor is determined by five outcome measures: case-mix adjusted nurse staffing ratio; operating expense; staff turnover rate; staff retention rate; and occupancy rate. The most recent cost report data for each provider will be used to determine the outcome measures except for the staff turnover and retention rates which will be determined from 2004 cost report data. Each provider is awarded points based on their outcome measures and the total points for each provider determine the per diem incentive factor included in the provider's rate calculation.

Providers may earn up to two incentive points for their case mix adjusted nurse staffing ratio. They will receive two points if their case-mix adjusted staffing ratio equals or exceeds 4.34, which is 120% of the statewide NF median of 3.62. They will receive one point if the ratio is less than 120% of the NF median but greater than or equal to 3.98, which is 110% of the statewide NF median. Providers with staffing ratios below 110% of the NF median will receive no points for this incentive measure.

Providers may earn up to two points for their occupancy outcome measures. If they have total occupancy greater than or equal to 90% they will earn one point. If they have Medicaid occupancy greater than or equal to 60% they will also earn one point. Providers that meet both of these criteria will receive a total of two incentive points for occupancy outcomes and providers that fail to

meet either criterion will receive zero points for occupancy.

Providers may earn one point for low operating expenses. Providers with per diem operating expenses below \$20.43, 90% of the statewide median per diem operating expense, will earn one point.

Providers may earn up to two points for their turnover rate outcome measure. Providers with direct health care staff turnover equal to or below 45%, the 75th percentile statewide, will earn two points as long as contracted labor costs do not exceed 10% of the provider's total direct health care labor costs. Providers with direct health care staff turnover equal to or below 71%, the 50th percentile statewide, will earn one point as long as contracted labor costs do not exceed 10% of the provider's total direct health care labor costs.

Finally, providers may earn up to two points for their retention rate outcome measure. Providers with staff retention rates at or above 73%, the 75th percentile statewide will earn two points. Providers with staff retention rates at or above 65%, the 50th percentile statewide will earn one point.

The table below summarizes the incentive factor outcomes and points:

Quality/Efficiency Outcome:	Incentive Points:
1) CMI adjusted staffing ratio \geq 120% (4.34) of state median (3.62), or CMI adjusted staffing ratio between 110% (3.98) and 120%	2, or 1
2) Total occupancy \geq 90% Medicaid occupancy \geq 60%	1 1
3) Operating expenses < 90% of state median, \$20.43	1
4) Staff turnover rate \leq 75th percentile, 45% Staff turnover rate \leq 50th percentile, 71% Contracted labor < 10% of total direct health care labor costs	2, or 1
5) Staff retention \geq 75th percentile, 73% Staff retention \geq 50th percentile, 65%	2, or 1
Total Incentive Points Available	9

The Schedule E is an array containing the incentive points awarded to each provider for each quality and efficiency incentive outcome. The total of these points will be used to determine each provider's incentive factor based on the following table.

Total Incentive Points:	Incentive Factor Per Diem:
Tier 1: 6-9 points	\$3.00
Tier 2: 5 points	\$2.00
Tier 3: 4 points	\$1.00
Tier 4: 0-3 points	\$0.00

Nursing Facility for Mental Health Quality and Efficiency Incentive Factor:

The Quality and Efficiency Incentive plan for Nursing Facilities for Mental Health (NFMH) will be established separately from NF. NFMH serve people who often do not need the NF level of care on a long term basis. There is a desire to provide incentive for NFMH to work cooperatively and in coordination with Community Mental Health Centers to facilitate the return of persons to the community. The outcome measures for FY06 for NFMH will be the same as regular NF with the exception of occupancy rate.

The Quality and Efficiency Incentive Factor is a per diem add-on ranging from zero to two dollars. It is designed to encourage quality care, efficiency and cooperation with discharge planning. The incentive factor is determined by five outcome measures: case-mix adjusted nurse staffing ratio; operating expense; staff turnover rate; staff retention rate; and occupancy rate. Each provider is awarded points based on their outcome measures and the total points for each provider determine the per diem incentive factor included in the provider's rate calculation.

Providers may earn up to two incentive points for their case mix adjusted nurse staffing ratio. They will receive two points if their case-mix adjusted staffing ratio equals or exceeds 3.26, which is 120% of the statewide NFMH median of 2.72. They will receive one point if the ratio is less than 120% of the NFMH median but greater than or equal to 2.99, which is 110% of the statewide NFMH median. Providers with staffing ratios below 110% of the NFMH median will receive no points for this incentive measure.

NFMH providers may earn one point for their occupancy outcomes measure. If they have total occupancy less than or equal to 92.5%, the statewide median for NFMH, they will earn one point

NFMH providers may earn one point for each of the following outcomes measures: low operating expenses; low staff turnover; and, high staff retention. Providers with per diem operating expenses below \$18.10, 90% of the statewide median per diem operating expense for NFMH, will earn one point. Providers with direct health care staff turnover at or below 46%, the statewide median staff turnover rate for NFMH will earn one point, as long as contracted labor costs do not exceed 10% of the provider's total direct health care labor costs. Finally providers with staff retention rates at or above 68%, the statewide median staff retention rate for NFMH, will earn one point.

The table below summarizes the incentive factor outcomes and points:

Quality/Efficiency Outcome:	Incentive Points:
1) CMI adjusted staffing ratio \geq 120% (3.26) of state median (2.72), or CMI adjusted staffing ratio between 110% (2.99) and 120%	2, or 1
2) Total occupancy \leq 92.5% (NFMH median)	1
3) Operating expenses < 90% of NFMH median, \$18.10	1
4) Staff turnover rate \leq NFMH median, 46%	1
5) Staff retention \geq NFMH median, 68%	1
Total Incentive Points Available	6

The Schedule E is an array containing the incentive points awarded to each NFMH provider for each quality and efficiency incentive outcome. The total of these points will be used to determine each provider's incentive factor based on the following table.

Total Incentive Points:	Incentive Factor Per Diem:
Tier 1: 5-6 points	\$2.00
Tier 2: 3-4 points	\$1.00
Tier 3: 0-2 points	\$0.00

(continued)

10) Rate Effective Date

Rate effective dates are determined in accordance with K.A.R. 30-10-19. The rate may be revised for an add-on reimbursement factor (i.e., rebased property fee), desk review adjustment or field audit adjustment.

11) Retroactive Rate Adjustments

Retroactive adjustments, as in a retrospective system, are made for the following three conditions:

A retroactive rate adjustment and direct cash settlement is made if the agency determines that the base year cost report data used to determine the prospective payment rate was in error. The prospective payment rate period is adjusted for the corrections.

If a projected cost report is approved to determine an interim rate, a settlement is also made after a historic cost report is filed for the same period.

All settlements are subject to upper payment limits. A provider is considered to be in projection status if they are operating on a projected rate and they are subject to the retroactive rate adjustment.

12) Comparable Private Pay Rates

The last factor considered in determining a provider's Medicaid per diem payment rate is their private pay rate. Providers are reimbursed the lower of the calculated Medicaid rate or their private pay rate. The agency maintains a registry of private pay rates. It is the responsibility of the providers to send in private pay rate updates so that the registry is updated. When new Medicaid rates are determined, if the private pay rate reflected in the registry is lower, then the provider is held to that private pay rate until the provider sends notification that it has a higher private pay rate.

Case Mix Adjustments to Private Pay Rates:

Private pay rates submitted to the agency are adjusted up if a provider's average private pay/other CMI is lower than its Medicaid average CMI. This is accomplished by multiplying the provider's average private pay rate in the private pay registry by the ratio of their Medicaid average CMI to their average private pay/other CMI. This ensures that providers' Medicaid rates are not limited to a lower private pay rate that may be attributed to the lower acuity of the private pay residents. There is no adjustment to private pay rates if the facility's Medicaid average CMI is less than its average private pay/other CMI. There is also no adjustment to private pay rates if the facility's total Medicaid rate is less than its average private pay rate

II. Final Medicaid Per Diem Rates for Kansas Nursing Facilities

A. Cost Center Limitations: The state establishes the following cost center limitations which are used in setting rates effective July 1, 2006.

Cost Center	Limit Formula	Per Day Limit
Operating	110% of the Median Cost	\$26.04
Indirect Health Care	115% of the Median Cost	\$38.00
Direct Health Care	120% of the Median Cost	\$74.02
Real and Personal Property Fee	105% of the Median Fee	\$7.54

These amounts were determined according to the "Reimbursement Limitations" section. The Direct Healthcare Limit is calculated based on a CMI of 0.9513, which is the statewide average.

B. Case Mix Index. These final rates are based upon each nursing facility's Medicaid average CMI calculated with a cutoff date of April 1, 2006, using the July 1, 2006 Kansas Medicaid/Medican CMI Table. In Section II.C below, each nursing facility's Medicaid average CMI is listed beside its final per diem rate.

C. Final Nursing Facility Per Diem Rates and CMI. The following list includes the calculated Medicaid rate for each nursing facility provider currently enrolled in the Medicaid program and the Medicaid case mix index used to determine each rate.

Facility Name	City	Daily Rate	Medicaid CMI
Village Manor	Abilene	118.09	0.8896
Alma Manor	Alma	132.36	0.9382
Life Care Center of Andover	Andover	116.50	0.9755

III. Justifications for the Final Rates

- The final rates are calculated according to the rate-setting methodology in the Kansas Medicaid State Plan and pending amendments thereto.
- The final rates are calculated according to a methodology which satisfies the requirements of § 11 2006 S.B. 62, L. 2006 ch. 208 § 11, K.S.A. 39-708c(x) and K.A.R. Article 30-10 implementing that statute and applicable federal law.
- The State's analyses project that the final rates:
 - Would result in payment, in the aggregate of 96.08% of the Medicaid day weighted average inflated allowable nursing facility costs statewide; and
 - Would result in a maximum allowable rate of \$145.60; with the total average allowable cost being \$131.25.
 - Estimated average rate July 1, 2007 \$123.32
Average payment rate July 1, 2006 \$112.64
Amount of change \$10.68
Percent of change 9.48%
- Estimated annual aggregate expenditures in the Medicaid nursing facility services payment program will increase by approximately \$32 million.
- The state estimates that the final rates will continue to make quality care and services available under the Medicaid State Plan at least to the extent that care and services are available to the general population in the geographic area. The state's analyses indicate:

- a. Service providers operating a total of 301 nursing facilities (representing 97% of all the licensed nursing facilities in Kansas) participate in the Medicaid program, while an additional 41 hospital-based long-term care units are also certified to participate in the Medicaid program;
 - b. There is at least one Medicaid-certified nursing facility and/or nursing facility for mental health, or Medicaid-certified hospital-based long-term care unit in each of the 105 counties in Kansas;
 - c. The statewide average occupancy rate for nursing facilities participating in Medicaid is 85.2%;
 - d. The statewide average Medicaid occupancy rate for participating facilities is 56.1%; and
 - e. The final rates would cover 98.35% of the estimated Medicaid health care costs incurred by participating nursing facilities statewide.
6. Federal Medicaid regulations at 42 C.F.R. 447.272 impose an aggregate upper payment limit that states may pay for Medicaid nursing facility services. The state's analysis indicates that the final methodology will result in compliance with the federal regulation.

IV. The State's Response to Written Comments on the Published Proposals

The state received two letters with comments to the

Notice of Proposed Nursing Facility Medicaid Rates for State Fiscal Year 2007, Methodology for Calculating Proposed Rates, and Rate Justifications; Notice of Intent to Amend the Medicaid State Plan and Request for Comments published in the April 27, 2006 Kansas Register. The state thanks the commenters for their interest, efforts and suggestions. The state reviewed, discussed, and considered those comments before approving the final rate-setting methodology and the final per diem rates published in this notice.

V. Notice of Intent to Amend the Medicaid State Plan

The state intends to submit Medicaid State Plan amendments to CMS on or before September 30, 2006.

Rick Shults
 Director of Management Operations
 Division of Health Care Policy
 Social and Rehabilitation Services

Kathy Greenlee
 Acting Secretary of Aging

Robert M. Day, Ph.D.

INDEX TO ADMINISTRATIVE REGULATIONS

This index lists in numerical order the new, amended and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2003 Volumes and 2005 Supplement of the *Kansas Administrative Regulations*.

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.

\$15 each, includes shipping and handling.
 (Kansas residents must include applicable state and local sales tax.)

In this issue . . .
