Office of the Governor

Executive Order 07-02

WHEREAS, on April 12, 2004, the Federal Administration called for widespread adoption of interoperable electronic health records within 10 years and established the Office of the National Coordinator for Health Information Technology; and

WHEREAS, the federal Department of Health and Human Services estimates that savings of \$140 billion per year, or close to 10% of total health spending in the United States, could be achieved through health information technology and health information exchange ("HIT/HIE") by reducing duplicative care, lowering health care administrative costs, and avoiding medical errors; and

WHEREAS, in December of 2004, Governor Kathleen Sebelius created the Kansas Health Care Cost Containment Commission ("H4C") which identified HIT/HIE as key to a long-term strategy for improving quality, safety, and efficiency in Kansas' health care system; and

WHEREAS, in October of 2005, the H4C commissioned the Kansas Statewide HIT/HIE Policy Initiative to develop recommendations for infrastructure needed to support HIE in Kansas; and

WHEREAS, Kansas recognized that early adoption of a statewide health information infrastructure would improve health care quality, safety and efficiency by: 1) ensuring health information is available to health care providers at the point of care for all patients; 2) reducing medical errors and avoiding duplicative procedures; 3) improving coordination of care between hospitals, physicians, and other health professionals; and 4) providing consumers access to quality and cost information as well as their own health information to encourage greater participation in their health care decisions; and

WHEREAS, a statewide health information infrastructure must be structured in a manner to protect the privacy and security of health information.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby create the Kansas Health Information Exchange Commission ("Commission") with the following purposes and charges:

1. The Commission shall consist of no more than 20 members appointed by the Governor. Membership shall include representatives of the provider community, consumers, business community, health plans, government, information technology experts and health policy experts.

2. The members of the Commission shall serve without compensation at the pleasure of the Governor.

3. The co-chairpersons of the Commission shall be designated by the Governor from among the Commission's membership.

4. The Commission shall promote the public good by ensuring an equitable and ethical approach to HIE for the improvement of health care.

5. The Commission shall encourage collaboration and facilitate a standardized approach to interoperable HIE in Kansas and across state lines.

6. The Commission shall recommend policy that will advance HIE in Kansas while protecting the privacy and security of citizens' private health information.

7. The Commission shall leverage existing HIE initiatives in Kansas and proactively seek opportunities to utilize HIE for the betterment of Kansas' health care system.

8. The Commission shall meet regularly as determined by the co-chairs and provide updates to the Governor, including an annual written report on plans, activities, accomplishments and recommendations for HIE in Kansas.

9. The Commission shall continue in existence until all of its objectives are achieved, but no later than December 31, 2010.

This document shall be filed with the Secretary of State as Executive Order No. 07-02 and shall become effective immediately.

Kansas Health Policy Authority

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 1 p.m. Tuesday, April 17, in Room 900-N, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of a proposed administrative regulation and the revocation of an existing regulation on a permanent basis effective 15 days after publication in the Kansas Register. Telephone conference is not available.

Chapter 187, 2005 Session Laws of Kansas transferred specific powers, duties and regulatory authority from the Department of Social and Rehabilitation Services to the Division of Health Policy and Finance (DHPF) within the Department of Administration, and then transferred those powers, duties and regulatory authority to the Kansas Health Policy Authority (KHPA) effective July 1, 2006. The statutes provide that the KHPA will be the single state agency for Medicaid, Medikan and HealthWave in Kansas.

This 60-day notice of the public hearing shall constitute a public comment period for the proposed regulation as stated in K.S.A. 2006 Supp. 77-421(a)(3). All interested parties may submit written comments before the hearing to Rita Haverkamp, Kansas Health Policy Authority, Room 900-N, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1220, or by e-mail at Rita.Haverkamp@khp.a.gov. The KHPA will give all interested parties a reasonable opportunity during the hearing to present their views, but it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days before the hearing by contacting Rita Haverkamp at (785) 296-5107 or by calling the Kansas Relay Center at (800) 766-3777.

A copy of the regulation and the economic impact statement may be obtained by contacting Rita Haverkamp or from the KHPA Web site at www.khp.a.gov. A summary of the regulation and the economic impact follows:

**Article 5.—PROVIDER PARTICIPATION,
SCOPE OF SERVICES, AND REIMBURSEMENT
FOR THE MEDICAID (MEDICAL ASSISTANCE)
PROGRAM**

30-5-65. Filing limitations for medical claims. This

regulation is being revoked and replaced with the new proposed regulation.

129-5-65. Filing limitations for medical claims. The new proposed regulation regards filing limitations for medical claims. This regulation will require providers, in some exceptional cases, to be more diligent in billing services to Medicaid.

Beneficiaries sometimes qualify for benefits retroactively. Usually this happens when eligibility depends on disability determination from the Social Security Administration (SSA), which sometimes takes a long time.

For example, an individual applies for Medicaid, and the only possible eligibility category requires that the applicant be disabled. The individual has not yet been determined by the SSA to be disabled, so the application will pend a final determination. If the SSA finds in favor of the applicant, Medicaid may be approved back to the original application date. The newly approved individual is instructed to contact providers regarding Medicaid coverage.

Sometimes, more rarely, an application is denied, but because of the agency error or an adverse ruling by a presiding officer in a fair hearing or a court, coverage is backdated to the eligibility start date.

Some people get MediKan while the the SSA disability pends. Providers may have submitted claims for services during that period. But, because the scope of coverage of MediKan is more restrictive than Medicaid, particularly in hospitalizations, the KHPA would have properly denied them. But, when the SSA determines disability retroactively, the KHPA grants Medicaid eligibility retroactively, and that creates a new window for providers to refile the claim and be paid by Medicaid.

The regulation gives providers 12 full months (and only 12 months), starting from the date notice of action is issued, to file those claims. Thus, providers can't wait three, four or five years after eligibility has been established and file a claim.

Providers can always inquire from Medicaid about an individual's eligibility. If providers do that once every six months, they would have plenty of time to submit claims for those retroactively eligible beneficiaries.

Federal Mandate: This regulation is not federally mandated.

Economic Impact: It is expected that this change will reduce Medicaid expenditures by \$16,400 SGF and \$24,600 FFP annually.

Bearer of Cost: Providers will bear the cost of any savings the KHPA will achieve because of reduced liability for retroactive claims. Providers will have to write off any claims when they are not diligent in filing retroactive claims.

Affected Parties: This regulation will affect providers and the KHPA.

Other Methods: There were no other appropriate methods for the desired outcome.

All mailed entries and entries retained from any other locations as specifically designated by the lottery shall also be placed in the drawing receptacle or drum.

(b) The drawing shall be open to the public with lottery security personnel present. The drawing shall be audio and video taped.

(c) At the drawing, lottery security personnel will be present with the person designated by the executive director to perform the drawing. The alternate entries will be used only if one or more of the original prize winners cannot be located or is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. of the thirtieth calendar day following the drawing. The alternates will be used, if necessary, in the order drawn. If an alternate winner cannot be located, is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. of the thirtieth calendar day following the claim form being given or sent to the alternate winner, the alternate winner process shall be repeated until the prize is properly claimed or until such time as no alternate winners remain, whichever occurs first.

(f) The Kansas lottery security official present shall review each ticket drawn to determine the validity of the entry into the "Flint Hills Treasures Second Chance Drawing" in accordance with these regulations. If it is a valid entry and the name is legible, the event manager and the security person present shall record the name of the winner and the prize won. Each winner shall be given or sent a prize claim form to be completed and returned to the lottery within 30 calendar days of the drawing.

(g) If the entry is determined to be ineligible, it shall be discarded by the security person present and another entry drawn. This procedure will be repeated until valid selections are obtained.

(h) Only non-winning "Flint Hills Treasures" instant tickets as defined by these rules are eligible for the drawing.

(a) Each admission officer at a state educational institution shall consider an applicant's ACT or SAT scores as follows:

(1) A documented score of 980 on the SAT, excluding the writing portion of the SAT, shall be deemed the equivalent of a score of 21 on the ACT for purposes of this article.

(2) A documented composite score of 21 or above on the ACT may be used to admit an applicant in the temporary admission category after the applicant's completion of the sixth high school semester, without further review of the applicant's materials. If this type of applicant is admitted in the temporary admission category, the applicant shall be allowed to exit from the temporary admission category into the regular admission category only upon verification of high school graduation.

(3) The admission officer shall consider the applicant's best composite ACT score for admission decisions.

(4) The admission officer shall recognize the applicant's score from an ACT or SAT that has been taken residually.

(b) Each admission officer at a state educational institution shall consider class rank as follows:

(1) If class rank cannot be determined, the admission officer shall not admit an applicant under this criterion.

If this type of applicant is admitted in the temporary admission category, the applicant shall be allowed to exit the temporary admission category and enter the regular admission category only upon verification of high school graduation.

(3) If an applicant's documented class rank is in the top third of the applicant's class after the applicant's sixth semester of high school, the class rank may be used to admit an applicant into the temporary admission category without further review of the applicant's materials. If this type of applicant is admitted into the temporary admission category, the applicant shall be allowed to exit the temporary admission category and enter the regular admission category only upon verification that the applicant meets both of the following requirements:

(A) Remained in the top third of the class after the applicant's seventh semester or returned to the top third of the applicant's class during the eighth semester; and

(B) graduated from high school.

(2) The admission officer shall calculate a grade point average only for approved qualified admission precollege curriculum courses appearing on the official high school transcript.

(3) The admission officer shall consider a course to be part of the approved qualified admission precollege curriculum only if the course was approved by the board of regents staff, in accordance with procedures established by the board of regents or the board's designee, for the semester and year in which the applicant completed the course and if the applicant earned a grade of D or better.

(4) The admission officer shall consider a course to be part of the approved qualified admission precollege curriculum only if the title of the course that appears on the official high school transcript is the same as the title of the approved course.

(5)(A) If the high school transcript reports grades on a four-point scale, the admission officer shall calculate grade point averages in the approved qualified admission precollege curriculum by assigning four points to a grade of A, three points to a grade of B, two points to a grade of C and one point to a grade of D. Pluses and minuses shall not be considered in the calculation.

(B) If the high school transcript reports grades on a scale other than a four-point scale, the admission officer shall mathematically convert the grades to a four-point scale and assign points as described in paragraph (b)(5)(A).

(6) The admission officer shall consider grades of P or pass as follows:

(A) If the high school transcript indicates that a P is equivalent to a grade of D or higher, the admission officer shall assign one grade point to each grade of P.

(B) If the high school transcript indicates that a P is equivalent to a grade of C or higher, the admission officer shall assign two grade points to each grade of P.

(C) If the high school transcript does not indicate the minimum letter grade corresponding to a P, the admission officer shall not include the course in the calculations for the grade point average in the qualified admission precollege curriculum.

(7) If an applicant has retaken an approved qualified admission precollege course, the admission officer shall use the highest grade when calculating the grade point average for the approved qualified admission precollege curriculum.

(8) If an applicant has taken a college course to meet the requirements for the approved qualified admission precollege curriculum and if this college course appears on the applicant's official high school transcript, the admission officer shall include the college course in the grade point average as follows:
