A public hearing will be conducted at 1 p.m. Tuesday, May 15, in the conference room of the Director of Property Valuation, Room 400, Docking State Office Building, 915 S.W. The proposed directive prescribes criteria for utilizing digital technology tools in lieu of on-site field inspections of real property for ad valorem taxation valuation purposes.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed directive. A copy of the proposed directive may be requested from Tony Folsom, Deputy Director, Division of Property Valuation, 4th Floor, Docking State Office Building, 915 S.W. All interested parties will be given a reasonable opportunity to present their views during the hearing, orally and in writing, concerning the adoption of the proposed directive. In order to give all persons an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

## Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 2 p.m. Monday, May 14, in the Board of Regents' board room, 1000 S.W. Jackson, Suite 520, Topeka, to consider the adoption of the regulatory changes relating to the resident fee privilege for military personnel.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comment on the proposed regulatory changes. All interested parties may submit written comments prior to the hearing to Renee Wilson, Kansas Board of Regents, 1000 S.W. Jackson, Suite 520, Topeka, 66612-1368, rwilson@ksbor.org. All interested parties will be given a reasonable opportunity to present their views orally during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Renee Wilson at (785) 296-3689.

Copies of the proposed changes and relevant economic impact statements may be found at http://www.kansas regents.org under "What's New" or by contacting Renee Wilson at the above contact information. A summary of the proposed regulations and the economic impact follows:

**K.A.R. 88-3-8** is proposed to be revoked and replaced with proposed K.A.R. 88-3-8a.

K.Â.R. 88-3-8a. This regulation would clarify the language of 88-3-8 and define the term "actively serving in the Kansas Army or Air National Guard."

Economic Impact: The adoption of this regulation would result in no economic impact to the Board of Regents, other governmental agencies or units, or private citizens, as the proposed changes simply codify current practice.

**K.A.R. 88-3-12.** The amendments clarify eligibility for in-state tuition for honorable discharged or retired military personnel.

Économic Impact: The proposed amendments to this regulation would result in no economic impact to the Board of Regents. Some minimal and undeterminable economic impact will result to some or all of the six state universities because some students would be newly eligible for in-state tuition. Students who become eligible for in-state tuition would receive an economic benefit from this change.

## Kansas Development Finance Authority Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, March 29, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 000691—Maximum Principal Amount:** \$129,137.06. Owner/Operator: Troy S. Bruna. Description: Acquisition of livestock and 250 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Troy S. Bruna and is located at Section 8, Township 7, Range 5 in Riley County, Kansas, approximately 7 miles west and 1 mile north of Randolph along South Otter Creek Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

## I. Methodology Used to Calculate Medicaid Per Diem Rates for Nursing Facilities

The following are the policies and procedures for determining a rate for a ventilator-dependent resident in a nursing facility.

- (1) The request for additional reimbursement for a ventilator-dependent resident shall be submitted to the Kansas Department on Aging (KDOA) in writing for prior approval. Each request shall include the most current Minimum Data Set (MDS) resident assessment.
- (2) All of the following criteria shall be present in order for a resident to be considered ventilator dependent:
  - (A) The resident shall not be able to breathe without a volume ventilator with a backup.
  - (B) The resident shall use the ventilator 24 hours a day, seven days a week.
  - (C) The resident shall have a tracheostomy or endotracheal tube.
- (3) The provider shall be reimbursed the Kansas Medical Assistance Program daily rate determined for the nursing facility plus an additional per diem amount approved by KDOA for the ventilator-dependent resident. The sum of the nursing facility per diem rate and the additional per diem for the ventilator dependent resident shall equal \$450.
  - The cost of durable medical equipment (DME) shall be reimbursed separately from the per diem rate and in accordance with the DME program in the Kansas Medical Assistance Programs Manual.
  - The per diem cost of providing services to the ventilator dependent residents shall be reviewed at least every two years to determine the adequacy of the \$450 flat rate. Both the direct and indirect costs of providing care shall be included in the review.
- (4) No additional amount above the current nursing facility daily rate shall be allowed until the service is prior authorized by KDOA.
- (5) The criteria shall be reviewed quarterly to determine if the resident continues to be ventilator-dependent. If a resident is no longer ventilator-dependent, the provider shall not receive additional reimbursement beyond the Kansas Medical Assistance Program per diem rate determined for the facility.
- (6) The additional reimbursement for the ventilator-dependent resident shall be offset to the cost center of benefit on the Nursing Facility Financial and Statistical Report.

#### II. Final Medicaid Per Diem Rate for Ventilator-Dependent Residents in Kansas Nursing Facilities

The overall per diem rate for a ventilator-dependent resident shall equal \$450.

#### III. Justifications for the Final Rate

1. The higher rate will assist in securing placements in nursing facilities that can meet the long-term care needs for ventilator-dependent residents. 2a. Estimated impact of the rate change due to the implementation of the per diem rate for ventilator dependent residents:

Estimated Average Rate February 1, 2007	\$123.50
Estimated Average Rate July 1, 2006	\$123.32
Amount of Change	\$ .18
Percent of Change	.15%

- 2b. The above estimated average rates are in the aggregate. The rate change is resident specific and will have a minor impact on the overall nursing facility rates.
- 3. Estimated annual aggregate expenditures in the Medicaid nursing facility services payment program will increase by approximately \$648,000.
- 4. The state estimates that the final rate would continue to make quality care and services available under the Medicaid State Plan at least to the extent that care and services are available to the general population. The state's studies indicate:
- a. Service providers operating a total of 301 nursing facilities (representing 96% of all the licensed nursing facilities in Kansas) participate in the Medicaid program, while an additional 41 hospital-based long-term care units are also certified to participate in the Medicaid program;
- b. There is at least one Medicaid-certified nursing facility or Medicaid-certified hospital-based long-term care unit in each of the 105 counties in Kansas;
- c. The statewide average occupancy rate for nursing facilities participating in Medicaid is 85%;
- d. The statewide average Medicaid occupancy rate for participating facilities is 56%; and
- e. The proposed rates would enhance the coverage that is already at 93% of the estimated Medicaid health care costs incurred by participating nursing facilities statewide.
- 5. Federal Medicaid regulations at 42 C.F.R. 447.272 impose an aggregate upper payment limit that states may pay for Medicaid nursing facility services. The state's analysis indicates that the proposed methodology would result in compliance with the federal regulation.

## IV. The State's Response to Written Comments on the Published Proposals

The state received 16 letters with comments to the Notice of Proposed Nursing Facility Medicaid Rate for Ventilator-Dependent Residents, Methodology for Calculating Proposed Rate, and Rate Justifications; Notice of Intent to Amend the Medicaid State Plan and Request for Comments published in the February 1, 2007 Kansas Register. The state thanks the commenters for their interest, efforts and suggestions. The state reviewed, discussed, and considered those comments before approving the final rate-setting methodology and the final per diem rates published in this notice.

#### V. Notice of Intent to Amend the Medicaid State Plan

The state intends to submit a Medicaid State Plan amendment to CMS on or before March 31, 2007.
