87 K-9123-07 Sedgwick County

This project involves the development of a freeway management system for the Wichita metropolitan area, including development of Advanced Traffic Management Systems (ATMS) software, design of the Traffic Operations Center (TOC) and design of field equipment such as Dynamic Message Signs (DMS), closed circuit television cameras (CCTV), vehicles detectors and ramp metering. The goal of the freeway management system will be to improve mobility and safety in the metropolitan area by helping to decrease incidents, improve emergency response time and provide better traveler information.

Field devices for the freeway management system will be deployed primarily along I-135 through the center of Wichita and on roadways that carry high traffic volumes and have a high occurrence of incidents. The TOC will be located in the newly constructed Sedgwick County Public Safety Facility and will coordinate operations with Sedgwick County Emergency Communications to develop an integrated traffic and emergency communications center.

Software development and TOC design will proceed simultaneously with the design of field devices in order to promote quick deployment. The selected consultant will be responsible for developing a system requirements document based on input from the city, county and state. The following system requirements are anticipated:

- Video recording for training purposes.
- IP based.

Department of Health and Environment

Request for Comments

The Kansas Department of Health and Environment has reviewed an application from Enserv to operate a truck-to-truck medical waste transfer station facility. In addition to the primary function as a medical waste transfer station, the facility also will serve as a universal waste handling facility and hazardous waste transfer station. The universal waste and hazardous waste activities, as outlined by the facility operations plan, will not require a RCRA permit. The facility is located at 200 Funston Road, Unit C, in the Fairfax District of Kansas City, Kansas. The Unified Government of Wyandotte County/Kansas City, Kansas has certified that the application described herein is consistent with local zoning requirements, and also has certified that the application is consistent with its Solid Waste Management Plan. KDHE has reviewed the application and found it to be in conformance with state solid waste statutes and regulations.

KDHE is providing public notice of its intent to issue a permit to Enserv, L.L.C. for the proposed solid waste processing facility described herein. SENATE BILL No. 232

An Act concerning taxing subdivisions; relating to pensions and other postemployment benefits; amending K.S.A. 10-1116 and 12-16,102 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 12-16,102 is hereby amended to read as follows: 12-16,102. (a) Except as provided in this section, "taxing subdivision" means any city, county, township or other political subdivision of the state of Kansas having authority to levy taxes on taxable tangible property. A community college district shall not be considered a taxing subdivision for the purpose of this section. A school district shall not be considered a taxing subdivision for the purpose of this section except that any school district operating a public library pursuant to K.S.A. 72-1623, and amendments thereto, for that purpose, shall be considered a taxing subdivision for the purpose of this section.

(b) For purposes of this section, "other postemployment benefits" means any postemployment healthcare, life insurance and other ben-

efits provided by a taxing subdivision, other than pension benefits, so long as such benefits are provided separately from a pension plan.

- (b) (c) Any taxing subdivision may create and establish employee benefits contribution funds, *including pension*, *retirement or other postemployment benefits funds*, for (1) the taxing subdivision or (2) any political subdivision for which a tax is levied by such taxing subdivision for the purpose of paying the employer's share of any employee *benefits*, *including pensions*, *retirement or other postemployment* benefits, exclusive of any salaries, wages or other direct payments to such employees, as may be prescribed in the ordinance or resolution of the governing body creating such funds. The taxing subdivision may receive and place in such funds any moneys from any source whatsoever which may be lawfully utilized for the purposes stated in the ordinance or resolution creating such funds, including the proceeds of tax levies authorized by law for such purposes.
- (e) (d) The governing body of any taxing subdivision having established employee benefits funds, including pension, retirement or other postemployment benefits funds under subsection (b) (c) is hereby authorized to levy an annual tax upon all taxable tangible property within the taxing subdivision in an amount determined by the governing body to be necessary for the purposes for which such funds were created and to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county.
- (e) (1) For the purpose of holding and investing the assets of other postemployment benefits funds, and notwithstanding the provisions of any statute, any taxing subdivision may, by ordinance or resolution, either establish one or more trust funds or determine to participate in a multiemployer trust fund.
- (2) Each taxing subdivision establishing or participating in such a trust fund shall provide for the management and investment of such funds and any such trust. The taxing subdivision may establish a board or commission or designate an existing board or commission to manage the trust and invest the trust funds. Each taxing subdivision that chooses to establish or designate such a board or commission shall provide for the organization of and the manner of election or appointment of the members of such board or commission.
- (3) Notwithstanding any limitations on the investment of municipal funds set forth in K.S.A. 12-1675, and amendments thereto, funds held in any such trust may be invested in accordance with the terms of such other postemployment benefit plans, as such terms may be amended from time to time. The investment and management of the assets of any such trust shall be in compliance with the prudent investor rule as set forth in K.S.A. 58-24a01 to 58-24a19, inclusive, and amendments thereto.
- (f) The trust funds created pursuant to subsection (e) or in which money from other postemployment benefit funds is held and invested pursuant to subsection (e) shall not be subject to the provisions of K.S.A. 79-2925 through 79-2937, and amendments thereto. The taxing subdivision may receive and place in such trust funds any moneys from any source that may be lawfully utilized for the purposes stated in the ordinance or resolution creating such trust funds, including transfers from employee benefit funds established for other postemployment benefits.
- (g) The provisions of subsections (c) and (e) of this section shall not operate to invalidate the establishment by any municipality or subdivision thereof, pursuant to the provisions of any statute, ordinance or resolution, of any other postemployment benefit system duly established prior to effective date of this act or of any trust duly established or board or commission duly established or designated prior to the effective date of this act with respect to other postemployment benefit systems.
- Sec. 2. K.S.A. 10-1116 is hereby amended to read as follows: 10-1116. (a) The limits of indebtedness prescribed under the provisions of article 11 of chapter 10 of *the* Kansas Statutes Annotated may be exceeded when: (1) Payment has been authorized

The board of education of any school district, the board of regents of any municipal university or the board of trustees of any community college may enter into contracts for teachers and other necessary employees and for continuing operating expenses in excess of the amount of funds actually on hand for that purpose. The limit of indebtedness provided by this section shall never exceed 100% of the amount actually expended for school purposes for the last preceding fiscal year during which school was conducted.
